The Link, A Community Assessment and Resource Center
Scope of Service

PURPOSE

The purpose of this agreement is to divert youth from involvement in juvenile justice or human services through early intervention and provision of comprehensive assessment of all youth referred, whether by law enforcement, human services, schools or self referral. *The Link* will also provide family mediation and referrals for appropriate interventions in order to significantly reduce the number of youth who do not present as a danger to themselves or others or have child welfare issues from entering or further penetrating the Child Welfare system.

Scope of Services:

1) A single point of entry through *The Link* to facilitate access to services for law enforcement, schools and youth and families.

A *juvenile offender* is defined as a youth who:

- is 10-17 years old (until 18th birthday), and
- has received a municipal citation, or
- has been arrested, or
- has been diverted (pre-filing or post-filing), or
- is on pretrial status, or
- is adjudicated as delinquent.

An *at-risk youth* is one who:

- is 8-17 years old (until 18th birthday), and/or
- is less than 10 years old and has committed a criminal act, and/or
- is truant, and/or is or has a history of runaway(s), and/or
- is out of parent/guardian control (as defined by parent/guardian), and/or
- is homeless without proper care or is not domiciled with a parent, guardian or legal custodian, and/or
- requests assistance.

2) A comprehensive assessment process that begins with a family strength-based approach, and evaluates the youth's needs in a wide range of areas, including substance abuse, mental health, education, employment and training and other needs. The assessments will be carried out by on-site Intake Specialists.

3) A comprehensive, integrated computer data system that will meet the information sharing and case management needs of *The Link*, as well as assist in data collection for evaluation of program effectiveness.

4) An integrated case management system that will link youth with services and provide ongoing services monitoring that strengthens, but does not duplicate existing case management efforts.

Approximately 600 youth, age eight (8) to seventeen (17) years will be served through this contract. Referrals can be made from Adams County Human Services (ACHSD), law enforcement, schools or client self-referral.
