RECOMMENDED ACTION: That the Board of County Commissioners Approves the IGA with the County of Boulder for local match contribution towards the State Highway 7 BRT Station Design Study

BACKGROUND:

In July 2015, the Board provided a commitment in principle up to \$25k towards a Broomfield-sponsored DRCOG grant to conduct a Study to refine the BRT stations along S.H. 7. See attached letter of commitment. Broomfield did not initially receive the grant, but in mid-2016 grant funds were returned to DRCOG which were then offered to the City for the SH 7BRT Study.

Staff informed the Board of the renewed grant opportunity on August 9, 2016, at which time the Commissioners reconfirmed their support towards the study.

Through various discussions with the jurisdictions along the corridor, it was determined Boulder County would manage the study with Thornton, Broomfield and Adams County providing \$17k, \$10k and \$13k respectively towards the grant’s local match requirement. Both Broomfield and Thornton have executed IGAs with Boulder their share of local match.

The Board approved the supplemental budget request for the county’s \$13k local match on April 25, 2017.

RE: Financial Commitment in Principle for Arterial BRT Transit Station Design, Multimodal Station Connectivity Recommendations and ROW needs

Mrs. Anderson:

Adams County is pleased to provide this letter of financial commitment in principle towards the City and County of Broomfield's Urban Centers/Station Area Master Plan application for up to \$25,000 in fiscal year 2017, subject to annual appropriation, for a corridor-wide study of State Highway 7 (S.H. 7) Arterial Bus Rapid Transit (BRT) station design, multimodal station connectivity recommendations, and right-of-way needs.

The UC/STAMP grant comes at a critical time considering the extent and timeline of planned land use development for our communities. This project represents a component of a larger multijurisdictional effort to establish arterial bus rapid transit on S.H. 7 and will provide guidance that will help guide land use development in a way that ensures the future viability of pedestrian, bicycle, and transit modes of travel in Adams County, and connecting with other communities throughout the corridor.

Communities along S.H. 7 have a history of collaborative planning for the highway's ongoing development. Our planning efforts are aimed at ensuring it remains a viable arterial that supports a variety of transportation alternatives. This grant will be a continuation of our cooperative effort from corridor communities, RTD, and state agencies.

This project accomplishes a number of important goals for our community. Primary among them is the advancement of planning for arterial BRT on the corridor with design recommendations for BRT stations/stops as well as infrastructure that provides safe and convenient linkages for bicycle and pedestrian modes of travel. Our goal is to ensure all transportation modes along the corridor are available to people regardless of age, income or ability so they have access options to services, goods, recreation, and employment opportunities.

Once again, Adams County is fully committed to the success of this UC/STAMP study being led by the City and County of Broomfield. The results of this effort will provide consistent BRT station/stop designs; it will identify transit amenities for stations and stops, and will supply recommendations for multiuse paths that will provide essential guidance for ongoing development in Adams County. We look forward to supporting a successful project.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: July 25, 2017
SUBJECT: Intergovernmental Agreement between the City of Thornton and Adams County for the Paving of 88 th Avenue
FROM: Jeffery A. Maxwell, P.E., PTOE, Director of Public Works
AGENCY/DEPARTMENT: Public Works
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: <input type="checkbox"/> YES <input type="checkbox"/> NO
RECOMMENDED ACTION: That the Board of County Commissioners approve the IGA between Adams County and the City of Thornton

BACKGROUND:

Adams County and the City of Thornton desire to enter into an Intergovernmental Agreement (IGA) between the City of Thornton and Adams County for the Paving of 88th Avenue. The IGA outlines the responsibilities of both the City of Thornton (City) and Adams County (County) regarding the street paving program and associated costs. The County's annual street paving program rehabilitates roadways throughout unincorporated Adams County and includes this portion of 88th Avenue in unincorporated Adams County, as part of the City's street paving program in 2017. Due to the City's 2017 street paving program including this street located within both the unincorporated County and the City, it was determined there could be cost savings by including street paving along this corridor and subsequently reimbursing the City as outlined in the IGA. The estimate of the County contribution is \$129,738.70 based on the project area associated with the County's jurisdictional responsibility.

NOW THEREFORE in consideration of the promises and conditions contained herein the Parties hereto agree as follows:

1. Thornton developed the contract documents for the construction of the Project. The Parties agree that the Project shall be designed and constructed in accordance with City of Thornton standards and specifications. City of Thornton opted to construct the Project in-house with Street Operations Crews and will designate a Project Manager for the Project. All pricing provided has been based on the MAPO Bid and established internal labor rates. City of Thornton shall execute and administer the Project in accordance with its policies and procedures. Adams County shall be specifically listed as a beneficiary of all warranties and bonds provided for in the contract documents.

2. The Parties estimate that the cost of construction of the Adams County portion of the Project is One Hundred Twenty Nine Thousand Seven Hundred Thirty Eight Dollars and Seventy Cents (\$129,738.70) as provided in Exhibit B attached hereto. At the completion of the Project, Thornton shall invoice Adams County for its share of the actual construction costs payable to the City of Thornton no later than December 15, 2017.

3. Adams County shall designate a Project Manager who shall coordinate with Thornton as necessary with respect to the Project.

4. The Project Managers shall meet as necessary to review all Project change orders. The Parties agree that the Parties have the right to challenge or dispute any change order that solely affects work located in the complaining Party's jurisdiction. The Project Managers shall use their best efforts to resolve the disputed change order to avoid any delay in the work. In the event the Project Managers are unable to resolve the disputed change order, the issue will be resolved in accordance with the dispute resolution provisions provided in Paragraph 6 herein.

5. This Agreement shall terminate upon the expiration of the Project warranties associated with the contract documents.

6. In the event of any disagreement associated with the Project and prior to the commencement of any formal proceedings, the Parties shall continue performance as set forth in this Agreement and the Project Managers in good faith shall attempt to resolve the dispute. In the event the Project Managers are unable to reach agreement and one of the Project Managers concludes that a good faith amicable resolution through continued negotiation of the matter at issue does not appear likely, such Project Manager shall notify the other Party in writing. In the event the Parties reach such an impasse relating to a decision or issue that threatens to significantly delay the Project, within seven (7) business days following the date of such notice, the appropriate department heads from each Party shall make an interim decision and /or determination that will allow construction of the Project to proceed according to the Project's schedule. If an interim decision cannot be mutually agreed each Party will designate a final decision maker and such decision makers shall coordinate a meeting to occur within five (5) business days to resolve all issues related to an interim decision. Each Party agrees to abide an interim decision until the Project has been substantially completed and shall do so under a complete reservation of its rights and without prejudice to any claims it may have against the other Party or others, which claims shall survive this Agreement.

7. Each Party hereto shall be responsible for any suits, demands, costs or actions at law resulting from its own acts or omissions.

8. Any notice required by this Agreement shall be in writing and shall be deemed to have been sufficiently given for all purposes if sent by certified mail or registered mail, postage and fees prepaid, addressed to the Party to whom such notice is to be given at the address set forth above, or at such other address as has been previously furnished in writing, to the other Party. Such notice shall be deemed to have been given when deposited in the United States mail.

9. This Agreement represents the entire Agreement among the Parties and there are no oral or collateral agreements or understandings. This Agreement may be amended only by an instrument in writing signed by the Parties.

10. This Agreement may be terminated in writing by the Parties, but only if (1) there are no contingent, outstanding contracts for construction and (2) the bid for the Project exceeds the amount of funds set forth in Exhibit B. All costs associated with the cancellation, of any Project contracts, or portion thereof, shall be paid equally by the Parties.

11. This Agreement shall be governed by the laws of the State of Colorado, and any legal action concerning the provisions hereof shall be brought in the County of Adams, State of Colorado.

12. If any article, section, paragraph, sentence, clause or phrase of this Agreement is held to be unconstitutional or invalid for any reason, such holding shall not affect the validity, enforceability or constitutionality of the remaining provisions of this Agreement.

13. A waiver by any Party of a breach of any term or provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by either Party.

14. The Parties acknowledge that each Party, their officers and employees, are relying on, and do not waive or intend to waive, by any provision of this Agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et seq., as it is from time to time amended, or otherwise available to the Parties, their officers, or employees.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement to be effective as of the date first above written.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: July 25, 2017
SUBJECT: Amending the Contract Between Adams County and DRCOG for Community Transit (A-LIFT) Program
FROM: Chris Kline, Director
AGENCY/DEPARTMENT: Human Services Department

AUTHORIZATION TO MOVE FORWARD: <input type="checkbox"/> YES <input type="checkbox"/> NO
RECOMMENDED ACTION: That the Board of County Commissioners approves Option Letter #5 between Adams County and the Denver Regional Council of Governments to amend Contract EX15017 for the Community Transit A-LIFT Program.

BACKGROUND:

Adams County currently receives State Funding for Senior Services (SFSS) monies from the Denver Regional Council of Governments (DRCOG) to support the Community Transit Program also known as A-LIFT. A required local match comes from our municipalities and Adams County. This annual funding allows us to provide needy older Adams County residents with rides to medical appointments, senior center meal sites, grocery stores, and adult day services. Via a formal procurement process, Adams County subcontracts these SFSS funds to Seniors' Resource Center (SRC) for the provision of these rides.

On June 16, 2015, the BOCC approved the attached original contract EX15017 (see also attached Option Letter #1) that was fully executed by DRCOG on July 1, 2015 for \$439,802. Due to unforeseen circumstances with SRC (e.g., lack of qualified drivers), we have been unable to expend the original awarded contract amount this year. The attached Option Letter #2 changed the award amount from DRCOG to \$331,802. An Option Letter #3 was not executed. The BOCC approved an Option Letter #4 on June 27, 2017 that set the award amount to Adams County from DRCOG to \$339,802. DRCOG has executed an Option Letter #5 reducing the final award to \$325,352 for contract EX15017.

The following supplemental terms and conditions apply to the Contract herein and take precedence over any conflicting language within the Contract.

1.1.1 Personnel. The Contractor represents that it has, or will secure at its own expense, all personnel required in performing the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with DRCOG.

1.1.1.1 Prohibition Against Employing Illegal Aliens (Colorado requirement). Contractor shall not knowingly employ or contract with an illegal alien to perform work under this Contract. Contractor shall not enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Contract. Exhibit J, the "Pre-Contract Certification in Compliance with C.R.S. § 8-17.5-102(1)", must be signed and returned with this Contract, which is attached hereto and incorporated herein by reference.

Contractor will participate in either the E-verify program or the Department program, as defined in C.R.S. § § 8-17.5-101 (3.3) and 8-17.5-101 (3.7), respectively, in order to confirm the employment eligibility of all employees who are newly hired for employment to perform work under the public contract for services, as defined by C.R.S. § 8-17.5-101(6), as amended and in effect from time to time. If Contractor participates in the Department program, Contractor shall deliver to DRCOG a written, notarized affirmation, affirming that Contractor has examined the legal work status of such employees, and shall comply with all other requirements of the Department program. Contractor is prohibited from using the E-verify program or the Department program procedures to undertake pre-employment screening of job applicants while this contract is being performed. If Contractor will be participating in the Department program, Contractor will provide to DRCOG a copy of Contractor's executed Notice of Participation in the Department Program form.

If Contractor obtains actual knowledge that a subcontractor performing work under this contract for services knowingly employs or contracts with an illegal alien, Contractor shall:

- a. Notify the subcontractor and DRCOG within three days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and
- b. Terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to this paragraph the subcontractor does not stop employing or contracting with the illegal alien; except that the Contractor shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

Contractor shall comply with any reasonable request by the Department of Labor and Employment made in the course of an investigation that the Department is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5).

If Contractor violates a provision of this Contract required pursuant to C.R.S. § 8-17.5-102, DRCOG may terminate the contract for breach of contract. If the contract is so terminated, the Contractor shall be liable for actual and consequential damages to DRCOG.

This Section 1.1.1.1 shall not apply to the following types of contracts: (1) intergovernmental agreements; (2) agreements for information technology services or products and services; (3) agreements relating to the offer, issuance, or sale of securities; (4) agreements for investment advisory services or fund management services; (5) any grant, award, or contract funded by any federal or private entity for any research or sponsored project activity of an institution of higher education or an affiliate of an institution of higher education that is funded from moneys that are restricted by the entity under the grant, award, or contract, pursuant to C.R.S. § 8-17.5-101(6)(b).

1.1.1.2 Prohibition Against Employing Illegal Aliens (Federal requirement). If this Contract includes an award of Federal funds of more than \$3,000, Contractor must also comply with the E-Verify Federal Contractor Rule set forth in Exhibit I, attached hereto and incorporated herein by reference, which requires the Contractor to use the E-Verify program to verify the employment eligibility of all employees assigned to the Contract and all new hires. If Contractor uses one or more subcontractors to provide services under the Contract, Contractor shall include the language set forth in Exhibit I in any subcontract that is: (1) for commercial or noncommercial services or construction; (2) has a value of more than \$3,000; and (3) includes work performed in the United States. Contractors who are State or local governments, institutions of higher education, or governments of a Federally recognized Indian tribe are not exempt from the requirements of this Section 1.1.1.2; however, such entities may choose to verify only those employees who are assigned to the Contract, whether existing employees or new hires, as further detailed in Exhibit I.

1.1.2 Qualifications. All of the services required hereunder will be performed by the Contractor or under its supervision, and all personnel engaged in the work shall be fully qualified and shall be authorized under State and local law to perform such services.

1.1.3 Background Check; Driver's License. Contractor shall ensure that prior to delivery of services, a records check through the Colorado Bureau of Investigations (CBI) or another background check system that provides information at the same level of detail or higher than the CBI records check, shall be conducted for all employees, volunteers, and contractors of Contractor directly providing one or more of the following services: personal care, homemaker, adult day, transportation, case management, chore or home modifications that are provided through a contracted agency, home delivered meals, material aid services (provided within a consumer's home), one-to-one legal, one-to-one counseling, or respite care. Contractor shall ensure that appropriate follow-up of the background check is completed according to the SUA Policy and Procedure Manual, Subsection 401.15, and shall ensure that its employees, volunteers, and contractors are in compliance with the restrictions of said Subsection. Employees, volunteers or contractors responsible for transporting consumers shall have a valid Colorado driver's license, and shall not have any alcohol related offenses in the past three years, or two or more convictions or chargeable accidents within the past two years.

1.1.4 Sub-grant or Subcontract. None of the work or services covered by this Contract shall be sub-granted or subcontracted to any other party except for those listed on Exhibit E (if Exhibit E is not attached, then no subcontractors have been pre-approved) without the prior written approval of DRCOG through the State Unit on Aging. Failure to obtain DRCOG's prior approval of any additional sub-grantors or subcontractors shall result in the disallowance of

reimbursements for any services provided by sub-grantor or subcontractors not previously approved. Contractor shall verify that all sub-grantees and subcontractors have not been excluded or disqualified pursuant to 2 CFR Part 376 prior to submitting such sub-grantees or subcontractors to DRCOG for approval, and shall certify that the proposed sub-grantees and subcontractors are neither excluded nor disqualified by a Federal agency. Any approval by DRCOG of a sub-grantee or subcontractor shall be effective only through the current contract fiscal year and subject to the continuing requirement of non-exclusion or non-disqualification pursuant to 2 CFR Part 376. It shall be Contractor's responsibility to submit verification of such non-exclusion or non-disqualification upon request. See also section 1.10 herein.

1.1.5 Licensure. Where the State or local public jurisdictions require licensure for the provision of social services provided hereunder, the Contractor shall be licensed and shall meet all requirements of licensure. Contractor shall provide DRCOG notice of any action to revoke or suspend any such licenses as well as any actual suspension or revocation of any licenses within 48 hours of Contractor receiving notice.

1.1.6 Contractor Training. Contractor shall complete mandatory training through DRCOG at least biannually (or more often if deemed appropriate by DRCOG) regarding contract management of this Contract.

1.2.1 Monitoring and Reporting Program Performance. The activities of Contractor in providing the services set forth under this Contract shall be monitored by DRCOG in accordance with the applicable provisions of 45 CFR Part 74 and 45 CFR Part 92, other applicable Federal regulations, and this Contract. DRCOG will monitor all activities of Contractor supported by this Contract to assure that the services being performed are consistent with the Contract and applicable Federal regulations. Contractor acknowledges that disclosure of protected health information to DRCOG is permitted pursuant to Federal law.

1.2.2 Performance Management. Contractor shall meet or exceed applicable Performance Measures and Contract Performance Measures as outlined in the State Contract with DRCOG. Contractor acknowledges that such performance measures shall evolve to meet the objective of measuring key performance outcome indicators for the work of the Contractor.

1.2.3 Monthly Data Entry. The Federal Administration on Community Living requires certain Older Americans Act data to be reported in the National Aging Program Information System (NAPIS). To assist in the data collection for NAPIS, the State requires all Contractors to report services provided in a State software system as designated and assigned by the State from time to time. Currently the software utilized is SAMS3. Contractor must complete training on SAMS3 for all employees who will be performing the data entry service. Training is available each year and is mandatory for anyone who has not previously attended or as deemed appropriate by DRCOG. Contractor shall enter the previous month's service data into SAMS3 **no later than the fifteenth of the following month.** If the fifteenth of the month falls on a holiday or weekend, then entering of all data shall be due the business day prior to the fifteenth. Failure to enter SAMS3 data correctly and timely is a violation of this Contract and DRCOG may exercise any remedies available under the Contract or at law, including withholding payments.

1.2.4 Cost Analysis. Contractor shall prepare and submit to DRCOG by no later than May 15th of the then-current calendar year, a cost analysis, in a form approved by DRCOG, comparing actual costs incurred to reimbursements received from DRCOG.

1.3.1 Services Performance Report and Reimbursement Requests. Contractor shall submit a monthly service performance report and reimbursement request in a form prescribed by DRCOG. The monthly service performance report shall include the number of unduplicated consumers served in comparison to the same month in 2014 when applicable. Such report and request shall be filed on or before the fifteenth day of the month following the month in which services are provided, throughout the term of the Contract. If the fifteenth of the month falls on a holiday or weekend, then submissions shall be due the business day prior to the fifteenth. Failure to submit the monthly report and reimbursement request by the fifteenth day of the following month will delay processing of payments until the next calendar month. Further, failure to submit the final month's report and reimbursement request by July 15 of the then-current fiscal year of the contract term, will result in non-payment for services provided, and Contractor specifically agrees that any such late-filed final reimbursement request will not be paid. All payments are subject to verification by DRCOG. Contractor is responsible for the timely filing, completeness and accuracy of all service performance reports and reimbursement requests. All payments are subject to verification by DRCOG.

1.3.2 Waiting Lists. Waiting lists shall be established by the Contractor when services are available but cannot be provided to all eligible consumers. In such circumstances, Contractor shall place eligible consumers on a waiting list. Waiting list procedures must be equitable to all eligible consumers. Contractor shall give priority to consumers targeted by the Older Americans and Older Coloradans Act, with due consideration given to the time kept on a wait list. Persons shall be removed from the waiting list in accordance with SUA Policy and Procedure Manual, Subsection 205c. Contractor will develop a waiting list procedure in compliance with the policies set forth in Subsection 205b., regardless of whether or not there are consumers waiting for service. Furthermore, Contractor shall maintain waiting lists, and shall make the waiting list and the procedures for the waiting list readily available for review by DRCOG and/or the State Unit on Aging. Waiting list documentation may be kept in hard copy or electronically, but must be printable. The Contractor will conduct an assessment of individual eligibility prior to the delivery of any registered services, as defined in 45 CFR 1321.3, using the standardized assessment form provided by DRCOG, and re-assessments will be conducted every six months thereafter as applicable for any registered service continuing after six months. The Contractor may not alter the standardized assessment form provided by DRCOG; however, the Contractor may attach as separate sheet(s) an addendum to the assessment to meet any additional program/service specific needs. Any addendum must be approved in advance by DRCOG. Title II Part 200 of the Code of Federal Regulations and Government Audit Standards regardless of the amount of Federal funding the Contractor receives. Federal Acquisition Regulations at 48 C.F.R. Part 31.2 shall also apply when applicable. Should an audit or other financial review disallow any reimbursed costs, the disallowed funds shall be returned to DRCOG or, in DRCOG's discretion and to the extent permitted by Federal and State law and regulations, offset against current or future payments to Contractor. Failure to fulfill these audit obligations is a breach of this Contract and will subject Contractor to all remedies available herein and at law, including all funds being due and payable back to DRCOG.

1.4.4 Audits and Inspections. During the Contract period, the retention period and as long thereafter as the records are maintained, at any time during normal business hours, Contractor shall make available to DRCOG, HHS, the State and the Comptroller General of the United States, or their authorized representatives, any books, documents, papers or other records of the Contractor with respect to all matters covered by this Contract in order to make audit, examination, excerpts, and transcripts. Program income must be fully expended within the reporting month it was received and cannot be carried over for any period of time.

1.8 Identification of Documents. Contractor shall designate on the front cover or title page of all reports, maps and other documents completed as part of this Contract, other than documents exclusively for internal use by the Contractor, an acknowledgement of the support received under "the Older Americans Act."

1.9 Publication, Reproduction and Use of Material. Material produced in whole or in part under this Contract may not be subject to copyright laws.

1.10 Procurement. All procurement transactions for supplies, equipment and services shall be conducted in a manner to provide, to the maximum extent practicable, open and free competition as provided under 45 CFR, Part 74, Subpart C, as from time to time amended, and shall comply with the provisions of 45 CFR, Part 74, Subpart C.

1.11 Work Hours. The Contractor shall comply with the Contract Work Hours and Safety Standards Act and comply with the Department of Labor Regulations (29 CFR Part 5), as from time to time amended.

No person having any such interest shall be employed or participate in any decision relative to this Contract.

1.13 Assignability. The Contractor shall not assign any interest in this Contract, and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of DRCOG thereto; provided, however, that claims for money due or to become due to the Contractor from DRCOG under this Contract may be assigned to a bank or other financial institution without such approval. Notice of any such assignment or transfer shall be furnished to DRCOG.

1.14 Influencing Legislation. To the extent prohibited by Federal or State law, as from time to time amended, no part of this Contract shall be used to pay the salary or expenses of any person or any organization acting for the Contractor to engage in any activity designed to influence legislation or appropriations pending before the Congress, or legislation or appropriations pending before the State General Assembly.

1.15.1 Termination for Cause. If, through any cause, the Contractor shall fail to meet performance measures set forth by the State, fail to fulfill in timely and proper manner with Contractor obligations under this Contract or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, DRCOG shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination, the reasons for such termination, and specifying the effective date thereof, at least 5 days before the effective date of such termination, unless a shorter time is set forth herein for any failure to fulfill Contractor's obligations.

1.15.2 Mutual Termination. The parties may terminate this Contract upon mutual written consent, which instrument shall set forth the effective date of the termination and any procedures to be followed incident to such mutual termination.

1.15.3 Termination for the Convenience of DRCOG. DRCOG may terminate this Contract at any time by giving written notice to the Contractor of such termination, which shall be effective upon receipt of the written notice. If the Contract is terminated by DRCOG as provided herein, the Contractor shall be entitled to receive compensation for services performed prior to the effective date of such termination, subject to such services being completed to the satisfaction of DRCOG, and except as provided in Section 6.0 of this Contract.

1.15.4 Project Material. In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Contractor under this Contract shall, at the option of DRCOG, become its property, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.

1.15.5 Liability. Notwithstanding the above, the Contractor shall not be relieved of liability to DRCOG for damages sustained by DRCOG by virtue of any breach of the Contract by the Contractor, and DRCOG may withhold any payments to the Contractor for the purpose of setoff until such time as the exact amount of damages due DRCOG from the Contractor is determined.

1.16.1 Remedies. Where the Contractor violates or breaches terms of this Contract, DRCOG, at its discretion, shall terminate said Contract subject to the provisions hereinabove stated, and, in addition, may institute such administrative, contractual or legal remedies available to DRCOG as may be appropriate. In addition to the corrective actions set forth in section 1.16.2, DRCOG may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold payments pending correction of deficiency by the Contractor.
2. Disallow all or part of the cost of the activity or action not in compliance.
3. Wholly or partly suspend or terminate the Contract, including suspending the Contract and services provided under the Contract pending any audit or other investigation.
4. Withhold further Contracts with Contractor.
5. Take any other remedies that may be legally available.

1.16.2 Corrective Action. In the event the Contractor fails to expend by December 31 of the current fiscal year of the contract term at least forty percent (40%) of the contracted funds detailed in Section 5.1; fails to expend by March 31 of the current fiscal year of the contract term at least seventy percent (70%) of the contracted funds detailed in Section 5.1; or fails to provide adequate documentation as requested by DRCOG, or in the event DRCOG finds that Contractor is failing to conform to the terms and conditions of this Contract, then DRCOG may, in its sole discretion and in addition to any other remedies it may have, including termination of this Contract, require that a corrective action plan be prepared by a date specified by DRCOG and suspend payments under the Contract, such payments to begin only upon production by the Contractor of and compliance with a corrective action plan satisfactory to DRCOG. Further, DRCOG shall have the right, upon issuance of notice to the Contractor and without necessity of an Option Letter or amendment, to retain and reallocate to other contractors funds remaining under this Contract in the event of any termination or any failure of the Contractor to provide the service units listed in Exhibit A in accordance with this Contract or any corrective action plan. Nothing in this subsection shall require that DRCOG accept a corrective action plan in lieu of exercising its rights to terminate this Contract.

1.16.3 Erroneous Payments. Unless prohibited by Federal or State law or regulation, any costs incurred by the Contractor that are later found to be disallowed or ineligible for payment under this Contract shall be reimbursed by the Contractor to DRCOG, or offset against current or future payments due by DRCOG to the Contractor, at DRCOG's election.

If Contractor fails to comply with these limitations, DRCOG may in its sole discretion and in addition to any other remedies it may have, including termination of this Contract, require a corrective action plan and suspend payments under the Contract pursuant to Section 1.16.2. Contractor understands and agrees that nothing in this section limits DRCOG's authority set forth in Section 6.0 of this Contract, including but not limited to, its authority to require the return of funds previously paid to Contractor for services provided hereunder because of sequestration.

THIS CONCLUDES the provisions of these supplementary terms and conditions.

The Contractor recognizes and agrees that such Federal financial assistance will be extended in reliance on the representations and agreements made in this assurance, and that DRCOG or the United States or both shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Contractor, its successors, transferees, and assignees.

The Contractor shall be solely responsible for any deductible losses under any policy required above.

(d) A certificate of insurance evidencing coverage and naming DRCOG, its officers, its employees and the State of Colorado as additional insureds on the general liability and automobile liability policies shall be completed by the Contractor's insurance agent as evidence

Attention: Contracts
1290 Broadway, Suite 700
Denver, Colorado 80203-5606

(e) Failure on the part of the Contractor to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of this agreement upon which DRCOG may immediately terminate this agreement, or at its discretion, DRCOG may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by DRCOG shall be repaid by Contractor to DRCOG upon demand, or DRCOG may offset the cost of the premiums against any monies due to Contractor from DRCOG.

(h) Notwithstanding the above provisions, the Contractor, if a governmental entity, may elect to self-insure for any of the coverage areas required by subsections (b)(1) – (b)(3) of this Section 2. In such case, the Contractor shall maintain a claims fund that is available solely to pay claims against the Contractor that are proven or otherwise settled by the Contractor in its sole discretion. Such claims fund is intended for and available for only those purposes and is not available or allocated to fund a commitment or obligation, if any, or to defend or indemnify any party. Payments out of such funds may require approval by the Contractor's governing body. It is understood and agreed that a commitment by the Contractor to self-insure by the creation of said claims fund does not commit the Contractor to otherwise appropriate funds to fund self-insurance for this Contract or for any other commitment of the Contractor, and it is further understood and agreed that the Contractor has not appropriated funds for such purpose. In case of such election to self-insure, the Contractor shall itself provide DRCOG with written confirmation of the Contractor's self-insured status and the existence of said claims fund.

EXHIBIT E
APPROVED SUBCONTRACTORS

Subcontractor(s) will be incorporated into this contract only by written approval from the State Unit on Aging through DRCOG. First preference for such other use shall be given to other programs, projects, or activities sponsored by DRCOG. Use by others shall be in preference order consistent with applicable Federal and State regulations.

4. When acquiring replacement equipment, Contractor may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment, subject to the approval of DRCOG.

Contractor shall submit to DRCOG annually a property inventory report for all fixed assets acquired under this Contract in the form attached hereto as Exhibit 1.

6. Contractor shall maintain a control system to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Contractor shall implement adequate maintenance procedures to keep the equipment in good condition. In the event the Contractor no longer

1.3 Supplies. Title to supplies shall vest in the Contractor upon acquisition. Contractor shall not use supplies acquired under this Contract to provide services to non-Federal organizations for a fee that is less than private companies charge for equivalent services, unless authorized by DRCOG. 2.1 Contractor shall acquire the fixed assets as set forth in its Proposal in compliance with all applicable procurement standards set forth in either State or Federal regulations. Contractor is the responsible authority, without recourse to DRCOG, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of this Contract.

2.2 Contractor shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent of Contractor shall participate in the selection, award, or administration of a contract supported by this Contract if a real or apparent conflict of interest would be involved. In performance of its obligations under this Contract, Contractor shall comply with all applicable provisions of Rule Manual Volume 10, 45 CFR Part 74 and 45 CFR Part 92, as applicable, regarding acquisition, use and disposition of fixed assets.

4.0 INSURANCE

In addition to Contractor's obligations to maintain insurance as set forth in the Contract, Contractor shall maintain, at a minimum, insurance coverage adequate to cover the replacement value of all fixed assets.

5.0 USE OF FIXED ASSETS

Fixed assets shall be used for the purposes set forth in this Contract and the Contractor's proposal. Fixed assets may be used on a part-time basis for non-contract purposes as follows:

1. By nonprofit agencies, provided that: (1) a minimum usage fee is charged in accordance with Program Income requirements pursuant to Rule Manual Volume 10; and (2)

the part-time usage does not conflict with the use of the equipment for the purposes of the Contract.

2. By profit-making organizations, provided that: (1) a usage fee equal to or greater than the prescribed minimum is charged; (2) usage does not conflict with the use of the equipment for purposes of the Contract; and (3) prior approval has been obtained from DRCOG.

6.0 DISPOSITION OF FIXED ASSETS

6.1 Real Property. In the event that the Contractor determines that real property acquired under this Contract is no longer needed for the purpose of the original project, Contractor shall obtain written approval from DRCOG for the use of the real property in other Federally-sponsored projects. Use in other projects shall be limited to those Federally-sponsored projects or programs that have purposes consistent with those authorized for support by DRCOG. If the real property is no longer needed for a Federally-sponsored project, then Contractor shall request disposition instructions from DRCOG or its successor.

6.2 Equipment. In the event Contractor determines that equipment acquired under this Contract is no longer needed for the purpose of the project, Contractor may use the equipment for other activities as follows: for equipment with a current per unit fair market value of \$5,000 or more, the Contractor may retain the equipment for other uses provided that compensation is made to DRCOG. The amount of compensation shall be computed by applying the percentage of DRCOG's share in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from DRCOG.

6.3 Supplies. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project and the supplies are not needed for any other Federally-sponsored program, the Contractor shall retain the supplies for use on non-Federally sponsored activities or sell them, but shall, in either case, compensate DRCOG for its share. The amount of compensation shall be computed by applying the percentage of DRCOG's share in the cost of the original project or program to the current fair market value of the supplies.

6.4 These provisions regarding disposition of fixed assets shall survive termination of the Contract.

7.0 HHS GRANT

It is agreed by the above parties that should the Department of Health and Human Services ("HHS") or the State disapprove this Contract or refuse or fail to make the grant to DRCOG as contemplated by this Contract, then this Contract shall be void and shall not be binding on any parties hereto.

8.0 CHANGES

Any changes, including any increase in the amount of this Contract, which are mutually agreed upon by and between DRCOG and the Contractor, shall be incorporated in written amendments to this Contract.

9.0 TERMS AND CONDITIONS

The parties agree that this Contract is also subject to the provisions set forth in the Contract between DRCOG and Contractor. If Contractor does not comply with the requirements set forth herein or in the Contract, Contractor agrees to return the value of the fixed assets to DRCOG.

This Business Associate Addendum ("Addendum") is a part of the Contract between the Denver Regional Council on Governments ("DRCOG"), Area Agency on Aging, and "Contractor. For purposes of this Addendum, DRCOG, Area Agency on Aging, is referred to as "Covered Entity" or "CE" and the Contractor is referred to as "Associate". Unless the context clearly requires a distinction between the Contract document and this Addendum, all references herein to "the Contract" or "this Contract" include this Addendum.

RECITALS

- A. CE wishes to disclose certain information to Associate pursuant to the terms of the Contract, some of which may constitute Protected Health Information ("PHI") (defined below).
- B. CE and Associate intend to protect the privacy and provide for the security of PHI disclosed to Associate pursuant to this Contract in compliance with the Health Insurance Portability and Accountability Act of 1996, 42 U.S.C. § 1320d – 1320d-8 ("HIPAA") as amended by the American Recovery and Reinvestment Act of 2009 ("ARRA")/HITECH Act (P.L. 111-005), and its implementing regulations promulgated by the U.S. Department of Health and Human Services, 45 C.F.R. Parts 160, 162 and 164 (the "HIPAA Rules") and other applicable laws, as amended.
- C. As part of the HIPAA Rules, the CE is required to enter into a written contract containing specific requirements with Associate prior to the disclosure of PHI, as set forth in, but not limited to, Title 45, Sections 160.103, 164.502(e) and 164.504(e) of the Code of Federal Regulations ("C.F.R.") and contained in this Addendum.

The parties agree as follows:

1. Definitions.

a. Except as otherwise defined herein, capitalized terms in this Addendum shall have the definitions set forth in the HIPAA Rules at 45 C.F.R. Parts 160, 162 and 164, as amended. In the event of any conflict between the mandatory provisions of the HIPAA Rules and the provisions of this Contract, the HIPAA Rules shall control. Where the provisions of this Contract differ from those mandated by the HIPAA Rules, but are nonetheless permitted by the HIPAA Rules, the provisions of this Contract shall control.

b. "Protected Health Information" or "PHI" means any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present or future payment for the provision of health care to an individual; and (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual, and shall have the meaning given to such term under the HIPAA Rules, including, but not limited to, 45 C.F.R. Section 164.501.

c. "Protected Information" shall mean PHI provided by CE to Associate or created received, maintained or transmitted by Associate on CE's behalf. To the extent Associate is a

covered entity under HIPAA and creates or obtains its own PHI for treatment, payment and health care operations, Protected Information under this Contract does not include any PHI created or obtained by Associate as a covered entity and Associate shall follow its own policies and procedures for accounting, access and amendment of Associate's PHI.

d. "Subcontractor" shall mean a third party to whom Associate delegates a function, activity, or service that involves CE's Protected Information, in order to carry out the responsibilities of this Agreement.

2. Obligations of Associate.

a. Permitted Uses. Associate shall not use Protected Information except for the purpose of performing Associate's obligations under this Contract and as permitted under this Addendum. Further, Associate shall not use Protected Information in any manner that would constitute a violation of the HIPAA Rules if so used by CE, except that Associate may use Protected Information: (i) for the proper management and administration of Associate; (ii) to carry out the legal responsibilities of Associate; or (iii) for Data Aggregation purposes for the Health Care Operations of CE. Additional provisions, if any, governing permitted uses of Protected Information are set forth in Attachment A to this Addendum. Associate accepts full responsibility for any penalties incurred as a result of Associate's breach of the HIPAA Rules.

b. Permitted Disclosures. Associate shall not disclose Protected Information in any manner that would constitute a violation of the HIPAA Rules if disclosed by CE, except that Associate may disclose Protected Information: (i) in a manner permitted pursuant to this Contract; (ii) for the proper management and administration of Associate; (iii) as required by law; (iv) for Data Aggregation purposes for the Health Care Operations of CE; or (v) to report violations of law to appropriate federal or state authorities, consistent with 45 C.F.R. Section 164.502(j)(1). To the extent that Associate discloses Protected Information to a third party Subcontractor, Associate must obtain, prior to making any such disclosure: (i) reasonable assurances through execution of a written agreement with such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and only disclosed as required by law or for the purposes for which it was disclosed to such third party; and that such third party will notify Associate within two (2) business days of any breaches of confidentiality of the Protected Information, to the extent it has obtained knowledge of such breach. Additional provisions, if any, governing permitted disclosures of Protected Information are set forth in Attachment A.

c. Appropriate Safeguards. Associate shall implement appropriate safeguards as are necessary to prevent the use or disclosure of Protected Information other than as permitted by this Contract. Associate shall comply with the requirements of the HIPAA Security Rule at 45 C.F.R. Sections 164.308, 164.310, 164.312, and 164.316. Associate shall maintain a comprehensive written information privacy and security program that includes administrative, technical and physical safeguards appropriate to the size and complexity of the Associate's operations and the nature and scope of its activities. Associate shall review, modify, and update documentation of, its safeguards as needed to ensure continued provision of reasonable and appropriate protection of Protected Information.

d. Reporting of Improper Use or Disclosure. Associate shall report to CE in writing any use or disclosure of Protected Information other than as provided for by this Contract within five (5) business days of becoming aware of such use or disclosure.

e. Associate's Agents. If Associate uses one or more Subcontractors or agents to provide services under the Contract, and such Subcontractors or agents receive or have access to Protected Information, each Subcontractor or agent shall sign an agreement with Associate containing the same provisions as this Addendum and further identifying CE as a third party beneficiary with rights of enforcement and indemnification from such Subcontractors or agents in the event of any violation of such Subcontractor or agent agreement. The Agreement between the Associate and Subcontractor or agent shall ensure that the Subcontractor or agent agrees to at least the same restrictions and conditions that apply to Associate with respect to such Protected Information. Associate shall implement and maintain sanctions against agents and Subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation.

f. Access to Protected Information. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate shall make Protected Information maintained by Associate or its agents or Subcontractors in such Designated Record Sets available to CE for inspection and copying within ten (10) business days of a request by CE to enable CE to fulfill its obligations to permit individual access to PHI under the HIPAA Rules, including, but not limited to, 45 C.F.R. Section 164.524. If such Protected Information is maintained by Associate in an electronic form or format, Associate must make such Protected Information available to CE in a mutually agreed upon electronic form or format.

g. Amendment of PHI. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate or its agents or Subcontractors shall make such Protected Information available to CE for amendment within ten (10) business days of receipt of a request from CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, and shall incorporate any such amendment to enable CE to fulfill its obligations with respect to requests by individuals to amend their PHI under the HIPAA Rules, including, but not limited to, 45 C.F.R. Section 164.526. If any individual requests an amendment of Protected Information directly from Associate or its agents or Subcontractors, Associate must notify CE in writing within five (5) business days of receipt of the request. Any denial of amendment of Protected Information maintained by Associate or its agents or Subcontractors shall be the responsibility of CE.

h. Accounting Rights. If Associate maintains Protected Information contained within CE's Designated Record Set, Associate and its agents or Subcontractors shall make available to CE within ten (10) business days of notice by CE, the information required to provide an accounting of disclosures to enable CE to fulfill its obligations under the HIPAA Rules, including, but not limited to, 45 C.F.R. Section 164.528. In the event that the request for an accounting is delivered directly to Associate or its agents or Subcontractors, Associate shall within five (5) business days of the receipt of the request forward it to CE in writing. It shall be CE's responsibility to prepare and deliver any such accounting requested. Associate shall not disclose any Protected Information except as set forth in Section 2(b) of this Addendum.

i. Governmental Access to Records. Associate shall keep records and make its internal practices, books and records relating to the use and disclosure of Protected Information available to the Secretary of the U.S. Department of Health and Human Services (the "Secretary"), in a time and manner designated by the Secretary, for purposes of determining CE's or Associate's compliance with the HIPAA Rules. Associate shall provide to CE a copy of any Protected Information that Associate provides to the Secretary concurrently with providing such Protected Information to the Secretary when the Secretary is investigating CE. Associate shall cooperate with the Secretary if the Secretary undertakes an investigation or compliance

review of Associate's policies, procedures or practices to determine whether Associate is complying with the HIPAA Rules, and permit access by the Secretary during normal business hours to its facilities, books, records, accounts, and other sources of information, including Protected Information, that are pertinent to ascertaining compliance.

j. Minimum Necessary. Associate (and its agents or subcontractors) shall only request, use and disclose the minimum amount of Protected Information necessary to accomplish the purpose of the request, use or disclosure, in accordance with the Minimum Necessary requirements of the HIPAA Rules including, but not limited to 45 C.F.R. Sections 164.502(b) and 164.514(d).

k. Data Ownership. Associate acknowledges that Associate has no ownership rights with respect to the Protected Information.

l. Retention of Protected Information. Except upon termination of the Contract as provided in Section 4(d) of this Addendum, Associate and its Subcontractors or agents shall retain all Protected Information throughout the term of this Contract and shall continue to maintain the information required under Section 2(h) of this Addendum for a period of six (6) years.

m. Associate's Insurance. Associate shall maintain insurance to cover loss of PHI data and claims based upon alleged violations of privacy rights through improper use or disclosure of PHI. All such policies shall meet or exceed the minimum insurance requirements of the Contract (e.g., occurrence basis, combined single dollar limits, annual aggregate dollar limits, additional insured status and notice of cancellation).

n. Notice of Privacy Practices. Associate shall be responsible for reviewing CE's Notice of Privacy Practices, available on CE's external website, to determine any requirements applicable to Associate per this Contract.

o. Notification of Breach. During the term of this Contract, Associate shall notify CE within two (2) business days of any suspected or actual breach of security, intrusion or unauthorized use or disclosure of PHI and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. Associate shall not initiate notification to affected individuals per the HIPAA Rules without prior notification and approval of CE. Information provided to CE shall include the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been accessed, acquired or disclosed during the breach. Associate shall take (i) prompt corrective action to cure any such deficiencies and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

p. Audits, Inspection and Enforcement. Within ten (10) business days of a written request by CE, Associate and its agents or subcontractors shall allow CE to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether Associate has complied with this Addendum; provided, however, that: (i) Associate and CE shall mutually agree in advance upon the scope, timing and location of such an inspection; and (ii) CE shall protect the confidentiality of all confidential and proprietary information of Associate to which CE has access during the course of such inspection. The fact that CE inspects, or fails to inspect, or has the right to inspect, Associate's facilities, systems, books, records, agreements, policies and procedures does not relieve

Associate of its responsibility to comply with this Addendum, nor does CE's (i) failure to detect or (ii) detection, but failure to notify Associate or require Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE's enforcement rights under the Contract.

q. Safeguards During Transmission. Associate shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity and security of Protected Information transmitted pursuant to the Contract, in accordance with the standards and requirements of the HIPAA Rules.

r. Restrictions and Confidential Communications. Within ten (10) business days of notice by CE of a restriction upon uses or disclosures or request for confidential communications pursuant to 45 C.F.R. Section 164.522, Associate will restrict the use or disclosure of an individual's Protected Information. Associate will not respond directly to an individual's requests to restrict the use or disclosure of Protected Information or to send all communication of Protected Information to an alternate address. Associate will refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to Associate.

3. Obligations of CE.

a. Safeguards During Transmission. CE shall be responsible for using appropriate safeguards, including encryption of PHI, to maintain and ensure the confidentiality, integrity and security of Protected Information transmitted pursuant to the Contract, in accordance with the standards and requirements of the HIPAA Rules.

b. Notice of Changes. CE maintains a copy of its Notice of Privacy Practices on its website. CE shall provide Associate with any changes in, or revocation of, permission to use or disclose Protected Information, to the extent that it may affect Associate's permitted or required uses or disclosures. To the extent that it may affect Associate's permitted use or disclosure of PHI, CE shall notify Associate of any restriction on the use or disclosure of Protected Information that CE has agreed to in accordance with 45 C.F.R. Section 164.522.

4. Termination.

a. Material Breach. In addition to any other provisions in the Contract regarding breach, a breach by Associate of any provision of this Addendum, as determined by CE, shall constitute a material breach of this Contract and shall provide grounds for immediate termination of this Contract by CE pursuant to the provisions of the Contract covering termination for cause, if any. If the Contract contains no express provisions regarding termination for cause, the following terms and conditions shall apply:

(1) Default. If Associate refuses or fails to timely perform any of the provisions of this Contract, CE may notify Associate in writing of the non-performance, and if not promptly corrected within the time specified, CE may terminate this Contract. Associate shall continue performance of this Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services elsewhere.

(2) Associate's Duties. Notwithstanding termination of this Contract, and subject to any directions from CE, Associate shall take timely, reasonable and necessary action to protect and preserve property in the possession of Associate in which CE has an interest.

(3) Compensation. Payment for completed supplies delivered and accepted by CE shall be at the Contract price. In the event of a material breach under paragraph 4a, CE may withhold amounts due Associate as CE deems necessary to protect CE against loss from third party claims of improper use or disclosure and to reimburse CE for the excess costs incurred in procuring similar goods and services elsewhere.

(4) Erroneous Termination for Default. If after such termination it is determined, for any reason, that Associate was not in default, or that Associate's action/inaction was excusable, such termination shall be treated as a termination for convenience, and the rights and obligations of the parties shall be the same as if this Contract had been terminated for convenience, as described in this Contract.

b. Reasonable Steps to Cure Breach. If CE knows of a pattern of activity or practice of Associate that constitutes a material breach or violation of the Associate's obligations under the provisions of this Addendum or another arrangement and does not terminate this Contract pursuant to Section 4(a), then CE shall take reasonable steps to cure such breach or end such violation.. If CE's efforts to cure such breach or end such violation are unsuccessful, CE shall either (i) terminate the Contract, if feasible or (ii) if termination of this Contract is not feasible, CE shall report Associate's breach or violation to the Secretary of the Department of Health and Human Services. If Associate knows of a pattern of activity or practice of a Subcontractor or agent that constitutes a material breach or violation of the Subcontractor's or agent's obligations under the written agreement between Associate and the Subcontractor or agent, Associate shall take reasonable steps to cure such breach or end such violation, if feasible.

c. Judicial or Administrative Proceedings. Either party may terminate the Contract, effective immediately, if (i) the other party is named as a defendant in a criminal proceeding for a violation of the HIPAA Rules or other security or privacy laws or (ii) a finding or stipulation that the other party has violated any standard or requirement of the HIPAA Rules or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

d. Effect of Termination.

(1) Except as provided in paragraph (2) of this subsection, upon termination of this Contract, for any reason, Associate shall return or destroy all Protected Information that Associate or its agents or Subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If Associate elects to destroy the PHI, Associate shall certify in writing to CE that such PHI has been destroyed.

(2) If Associate believes that returning or destroying the Protected Information is not feasible, Associate shall promptly provide CE notice of the conditions making return or destruction infeasible. Associate shall continue to extend the protections of Sections 2(a), 2(b), 2(c), 2(d) and 2(e) of this Addendum to such Protected Information, and shall limit further use of such PHI to those purposes that make the return or destruction of such PHI infeasible.

5. Injunctive Relief. CE shall have the right to injunctive and other equitable and legal relief against Associate or any of its Subcontractors or agents in the event of any use or disclosure of Protected Information in violation of this Contract or applicable law.

6. No Waiver of Immunity. No term or condition of this Contract shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS 24-10-101 *et seq.* or the Federal Tort Claims Act, 28 U.S.C. 2671 *et seq.* as applicable, as now in effect or hereafter amended.

7. Limitation of Liability. Any limitation of Associate's liability in the Contract shall be inapplicable to the terms and conditions of this Addendum.

8. Disclaimer. CE makes no warranty or representation that compliance by Associate with this Contractor the HIPAA Rules will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.

9. Certification. To the extent that CE determines an examination is necessary in order to comply with CE's legal obligations pursuant to the HIPAA Rules relating to certification of its security practices, CE or its authorized agents or contractors, may, at CE's expense, examine Associate's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to CE the extent to which Associate's security safeguards comply with the HIPAA Rules or this Addendum.

10. Amendment.

a. Amendment to Comply with Law. The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of this Addendum may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of the HIPAA Rules and other applicable laws relating to the confidentiality, integrity, availability and security of PHI. The parties understand and agree that CE must receive satisfactory written assurance from Associate that Associate will adequately safeguard all Protected Information and that it is Associate's responsibility to receive satisfactory written assurances from Associate's Subcontractors and agents. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this Addendum embodying written assurances consistent with the standards and requirements of the HIPAA Rules or other applicable laws. CE may terminate this Contract upon thirty (30) days written notice in the event (i) Associate does not promptly enter into negotiations to amend this Contract when requested by CE pursuant to this Section, or (ii) Associate does not enter into an amendment to this Contract providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of the HIPAA Rules.

b. Amendment of Attachment A. Attachment A may be modified or amended by mutual agreement of the parties in writing from time to time without formal amendment of this Addendum.

11. Assistance in Litigation or Administrative Proceedings. Associate shall make itself, and any Subcontractors, employees or agents assisting Associate in the performance of its obligations under the Contract, available to CE, at no cost to CE up to a maximum of 30 hours, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings

being commenced against CE, its directors, officers or employees based upon a claimed violation of the HIPAA Rules or other laws relating to security and privacy or PHI, except where Associate or its Subcontractor, employee or agent is a named adverse party.

12. No Third Party Beneficiaries. Nothing express or implied in this Contract is intended to confer, nor shall anything herein confer, upon any person other than CE, Associate and their respective successors or assigns, any rights, remedies, obligations or liabilities whatsoever.

13. Interpretation and Order of Precedence. The provisions of this Addendum shall prevail over any provisions in the Contract that may conflict or appear inconsistent with any provision in this Addendum. Together, the Contract and this Addendum shall be interpreted as broadly as necessary to implement and comply with the HIPAA Rules. The parties agree that any ambiguity in this Contract shall be resolved in favor of a meaning that complies and is consistent with the HIPAA Rules. This Contract supercedes and replaces any previous separately executed HIPAA addendum between the parties.

14. Survival of Certain Contract Terms. Notwithstanding anything herein to the contrary, Associate's obligations under Section 4(d) ("Effect of Termination") and Section 12 ("No Third Party Beneficiaries") shall survive termination of this Contract and shall be enforceable by CE as provided herein in the event of such failure to perform or comply by the Associate. This Addendum shall remain in effect during the term of the Contract including any extensions.

15. Representatives and Notice.

a. Representatives. For the purpose of the Contract, the individuals identified elsewhere in this Contract shall be the representatives of the respective parties. If no representatives are identified in the Contract, the individuals listed below are hereby designated as the parties' respective representatives for purposes of this Contract. Either party may from time to time designate in writing new or substitute representatives.

(ii) *Verify all new employees.* Within 90 calendar days of enrollment in the E-Verify program, begin to use E-Verify to initiate verification of employment eligibility of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); and

(iii) *Verify employees assigned to the contract.* For each employee assigned to the contract, initiate verification within 90 calendar days after date of enrollment or within 30 calendar days of the employee's assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).

(2) If the Contractor is enrolled as a Federal Contractor in E-Verify at time of contract award, the Contractor shall use E-Verify to initiate verification of employment eligibility of—

- (i) *All new employees.*

(A) *Enrolled 90 calendar days or more.* The Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or

(B) *Enrolled less than 90 calendar days.* Within 90 calendar days after enrollment as a Federal Contractor in E-Verify, the Contractor shall initiate verification of all new hires of the Contractor, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or

(ii) *Employees assigned to the contract.* For each employee assigned to the contract, the Contractor shall initiate verification within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever date is later (but see paragraph (b)(4) of this section).

The Contractor shall follow the applicable verification requirements at (b)(1) or (b)(2), respectively, except that any requirement for verification of new employees applies only to new employees assigned to the contract.

(4) *Option to verify employment eligibility of all employees.* The Contractor may elect to verify all existing employees hired after November 6, 1986, rather than just those employees assigned to the contract. The Contractor shall initiate verification for each existing employee working in the United States who was hired after November 6, 1986, within 180 calendar days of—

(i) Enrollment in the E-Verify program; or

(ii) Notification to E-Verify Operations of the Contractor's decision to exercise this option, using the contact information provided in the E-Verify program Memorandum of Understanding (MOU).

(5) The Contractor shall comply, for the period of performance of this contract, with the requirements of the E-Verify program MOU.

(i) The Department of Homeland Security (DHS) or the Social Security Administration (SSA) may terminate the Contractor's MOU and deny access to the E-Verify system in accordance with the terms of the MOU. In such case, the Contractor will be referred to a suspension or debarment official.

(ii) During the period between termination of the MOU and a decision by the suspension or debarment official whether to suspend or debar, the Contractor is excused from its obligations under paragraph (b) of this clause. If the suspension or debarment official determines not to suspend or debar the Contractor, then the Contractor must reenroll in E-Verify.

(c) *Web site.* Information on registration for and use of the E-Verify program can be obtained via the Internet at the Department of Homeland Security Web site: <http://www.dhs.gov/E-Verify>.

(d) *Individuals previously verified.* The Contractor is not required by this clause to perform additional employment verification using E-Verify for any employee—

(1) Whose employment eligibility was previously verified by the Contractor through the E-Verify program;

(2) Who has been granted and holds an active U.S. Government security clearance for access to confidential, secret, or top secret information in accordance with the National Industrial Security Program Operating Manual; or

(3) Who has undergone a completed background investigation and been issued credentials pursuant to Homeland Security Presidential Directive (HSPD)-12, Policy for a Common Identification Standard for Federal Employees and Contractors.

(e) *Subcontracts.* The Contractor shall include the requirements of this clause, including this paragraph (e) (appropriately modified for identification of the parties), in each subcontract that—

(1) Is for—(i) Commercial or noncommercial services (except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item); or (ii) Construction;

(2) Has a value of more than \$3,000; and

(3) Includes work performed in the United States.

FAQ Governing Entry of Services into SAMS:

What is the difference between registering and assessing a client?

Registering a client in SAMS means entering federally (and some state) required demographic information into the SAMS consumer record. This information makes it possible to distinguish clients from one another and allows to report unduplicated counts. Assessments, on the other hand, require the client, or the assessor, to fill out an assessment form and enter this information into the SAMS assessment screen in addition to the demographic information in the consumer record. Most services require that a client be registered in SAMS, but not all of those services require the additional assessment.

What is the difference between registered and aggregate services?

Most services are delivered to a registered client and need to be entered as units of service to a specific client in SAMS (1/many – one client can have many units of service). For most such services (Part E caregiver services are the exception) rosters can be set up in SAMS to make this entry more efficient. Some services, such as public information and general education sessions, are serving a group of people whom you do not know and who are not set up in SAMS. For those services the count of the total number of units, (the unit multiplied by the number of clients served) needs to be entered into a consumer group in SAMS (1/1 – the number of clients equals the number of units). With the exception of legal assistance, which always has to be entered as an aggregate service due to legalities surrounding client/attorney privilege, you should always register a client and enter the services as registered if at all possible. The more specific data we can gather, the more reliable reports we can produce, which will affect the overall funding of our programs in the future. It is also the only way to obtain unduplicated client counts.

How can I enter registered services for consumers who refuse to provide me with demographic information?

You should always try to get enough information from your clients to set them up in SAMS (i.e. Name, address, DOB). We understand that occasionally that is not possible, since you might have someone who lives out of state and only stops by your meal site once, or one of your clients brings an eligible guest who will not frequent your site again. In those cases, you need to use a record set up in SAMS for that particular case and enter the count of your meals for that month. **The name of that record needs to include your region** and reflect that it is for *Eligible – Non registered* clients to avoid mixing it up with other regions. There should only be one of those records per region in which all your providers enter any of those types of services (not only C1). **The number of services entered into those records should be very small**, since using this 'faked client' is the exception, not the rule. This is not an excuse to not try to register consumers, since most clients throughout the state are willing to provide basic information to get free services, any region and/or provider who does not register a large number of clients is subject to be audited by SUA. If a client comes to a meal site more than just once as a guest, from another region, or out of state, an effort should be made to get his contact information.

How do I enter Caregiver services into SAMS?

Any services under Part E (NFSCP prefix for federal, SGFCG for state) reflect services which were provided to the caregiver, not the care recipient. They have to be entered under the caregiver with a link in the service record to the care recipient. **None of those**

services may be entered via a roster. You cannot have a client who is both, a care recipient as well as a caregiver. If a client once was a caregiver and now has become a care recipient, the section of the caregiver in his client record has to be end dated. Otherwise the system does not know how to deal with the records and reports will reflect the information inaccurately. When state regulations state that you have a certain grace period to enter an assessment, this does not apply to registering a consumer. If a consumer receives a **registered service**, this means that the consumer has to be entered in the consumer record **before** any services for that consumer are entered.

For which services do I have to enter subservices in the SAMS?

- **Material:**
Material aid covers many types of assistance. It does not exist in the NAPIS definitions, but was added by SUA since there was a need to capture various material services to the client. Since this might be anything from a wheelchair, to dentures, eyeglasses, etc., it is necessary to select the proper sub service in SAMS for later reporting. If the object you provide to a client under Material aid does not currently exist in SAMS, please call SUA, so it can be set up. While we do not want to list every single item (i.e. glasses, contacts), we do want to know the general category (i.e. vision).
- **Health Promotion:**
Health Promotion in Part D and State funding is only allowed for evidence based services which meet the least minimal criteria as defined by AoA. Therefore, it has to use subservices which show for which activity the funds were used.

What do I need to know about entering congregate meals into SAMS?

Congregate meals (C1 and State Funded) have many regulations which are covered in Volume 10. Following are some of the issues which often cause confusion when entering congregate meals into SAMS:

- **Entering volunteers :**
Since volunteers under 60 are eligible for meals on the days they are volunteering for meal related activities, they should be set up as eligible, with the eligible indicator stating that they are volunteers. If they receive meals on any other days, those are not reimbursable and they must be charged the guest fee. Those meals can be entered as local (ZZ) services, if you wish to track them in SAMS. That way we will not pull them for reimbursements.
- You will only get reimbursed for congregate meals provided to clients whose records are marked as eligible in SAMS
- Congregate meals may also be billed under Part E, caregiver funds, if those meals are for a caregiver who is taking care of a care recipient. To provide such a meal under Part E, the service it gets charged to is NFCSP(Supplemental Srvcs) - Congregate Meals or SGFCG(Suppl Srvcs) - Congregate Meals (State). The funds allowed to be used for this are limited. Please refer to Volume 10, if you are the AAA, or check with your AAA, if you are the provider, to make sure you are not exceeding the funding limit.
- Congregate meals funded under Part E are **NOT** part of the calculation to determine meal counts for distribution of NSIP funds.

What do I need to know about entering home delivered meals into SAMS?

Home delivered meals (C2 and State Funded) have many regulations which are covered in Volume 10. Following are some of the issues which often cause confusion when entering home delivered meals into SAMS:

- You will only get reimbursed for meals provided to clients whose records are marked as eligible in SAMS
- **Home Delivered Meals should never have a non-registered client**, since the name and address of the client is well known, any time you deliver a meal to a home.
- Home delivered meals may also be billed under Part E, caregiver funds, if those meals are for a caregiver who is taking care of a care recipient. To provide such a meal under Part E, the service it gets charged to is NFCSP(Supplemental Srvc) - Home Delivered Meals or SGFCG(Suppl Srvc) - Home Delivered Meals (State). The funds allowed to be used for this are limited. Please refer to Volume 10, if you are the AAA, or check with your AAA, if you are the provider, to make sure you are not exceeding the funding limit.
- Eligible home delivered meals funded under Part E **ARE** part of the calculation to determine meal counts for distribution of NSIP funds.

What are NSIP meals?

NSIP Meals (1 meal) -- A Nutrition Services Incentive Program (NSIP) Meal is a meal served in compliance with all the requirements of the OAA, which means at a minimum that: 1) it has been served to a participant who is eligible under the OAA and has NOT been means-tested for participation; 2) it is compliant with the nutrition requirements; 3) it is served by an eligible agency; and 4) it is served to an individual who has an opportunity to contribute. Meal counts in 4, 4a, 8, 8a, include all OAA eligible meals including those served to persons under age 60 where authorized by the OAA. NSIP Meals also include home delivered meals provided as Supplemental Services under the National Family Caregiver Support Program (Title III-E) to persons aged 60 and over who are either care recipients (as well as their spouses of any age) or caregivers
