PUBLIC HEARING AGENDA

NOTICE TO READERS: The Board of County Commissioners' meeting packets are prepared several days prior to the meeting. This information is reviewed and studied by the Board members to gain a basic understanding, thus eliminating lengthy discussions. Timely action and short discussion on agenda items does not reflect a lack of thought or analysis on the Board's part. An informational packet is available for public inspection in the Board's Office one day prior to the meeting.

Proclamation

"Workforce Awareness Month"
September 2020

Whereas, September is Workforce Awareness Month and calls attention to the fact that the Workforce and Business Center has served nearly 13,500 residents resulting in over 25 million dollars in wages impacting the local economy; and

Whereas, in Adams County, business is booming with the county projected to grow employment 165% higher than the rest of the country over the next five years, and our economy has made us a magnet for employers and one of the best performing states in the nation; and

Whereas, with the average number of unemployed persons during the time period at 8,800, nearly 7,900 participants were employed within six months of utilizing program services; and

Whereas, apprenticeships, internships, and experiential learning are proven strategies to close the skills gap, build self-esteem, and develop an alternative pathway to a rewarding career; and

Whereas, the careers of tomorrow require a job-driven approach to ensure that a talent pipeline of qualified workers is in place; and

Whereas, when workers, students, educators, workforce professionals, and employers are united in addressing the challenges that lay ahead, and no one is shut out or left behind, Adams County can become the best county in Colorado to gain employment; and

Whereas, Adams County residents are encouraged to celebrate the diversity of our workforce and commit ourselves to ensuring that Colorado workplaces are inclusive to all qualified workers; and

Whereas, the Adams County Workforce Development Board is aligned with educators, businesses, and economic developers to enhance regional workforce development, expand apprenticeships, encourage more inclusive hiring, and promote the state's competitive advantage.

Now, Therefore, Be It Resolved That, the Board of Commissioners of the County of Adams, State of Colorado, proclaims the month of September 2020 as

"Workforce Awareness Month"

In witness whereof, we have set our hands and caused the seal of the county to be affixed September 1, 2020.

County of Adams

10. ADJOURNMENT

AND SUCH OTHER MATTERS OF PUBLIC BUSINESS WHICH MAY ARISE

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Request for a Major Subdivision Final Plat for Ridgeview Estates, Filing No. 1
FROM: Jill Jennings Golich, Director
AGENCY/DEPARTMENT: Community and Economic Development Department
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners approves PLT2019-00026; Ridgeview Estates, Filing No. 1 with the recommended Findings-of Facts, Conditions, and Notes

BACKGROUND:

On August 13, 2019, the Board of County Commissioners approved a major subdivision preliminary plat for Ridgeview Estates to create 21 lots on approximately 62.3 acres. The subject application is for Filing, No. 1 and consists of 11 of the 21 lots.

David Moore, on behalf of Alliance Development Services, is requesting a major subdivision final plat for the Ridgeview Estates Subdivision, Filing No. 1. The final plat for Filing No. 1 consists of 11 single-family residential lots, two non-residential tracts, and associated public streets.

AGENCIES, DEPARTMENTS OR OTHER OFFICES INVOLVED:

Community and Economic Development
County Attorney

THENCE ALONG SAID EAST LINE OF THE NORTHEAST QUARTER OF SAID SECTION 9, N 00°07'50" W A DISTANCE OF 373.61 FEET, TO A POINT ON THE SOUTH LINE OF THAT PARCEL OF LAND DESCRIBED IN BOOK 4431 PAGE 18, COUNTY PUBLIC RECORDS;
THENCE ALONG THE SOUTH LINE OF SAID PARCEL, THE FOLLOWING TWO (2) COURSES:
1) S 89°23'03" E PARALLEL WITH AND 40.00 FEET SOUTH OF, BY PERPENDICULAR MEASUREMENT, THE NORTH LINE OF THE WEST HALF OF SAID SECTION 10, A DISTANCE OF 257.32 FEET;
2) THENCE N 72°13'56" E A DISTANCE OF 126.83 FEET, TO A POINT ON THE NORTH LINE OF THE WEST HALF OF SAID SECTION 10;
THENCE ALONG SAID NORTH LINE OF THE WEST HALF OF SECTION 10, S 89°23'03" E, A DISTANCE OF 2267.15 FEET TO THE POINT OF BEGINNING;
CONTAINING AN AREA OF 2,713,709 SQUARE FEET OF 62.298 ACRES MORE OR LESS.

WHEREAS, the Board of County Commissioners held a public hearing on the application on the 1st day of September, 2020; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that based upon the evidence presented at the hearing, the application in this case is hereby APPROVED based upon the following findings-of-fact and subject to the fulfillment of the following conditions by the applicant:

RECOMMENDED FINDINGS-OF-FACT

1. The final plat is consistent and conforms to the approved preliminary plat.
2. The final plat is in conformance with the subdivision design standards.
3. The applicant has provided evidence that a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards.
4. The applicant has provided evidence that a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, adequate evidence indicating that the system complies with state and local laws and regulations.
5. The applicant has provided evidence to show all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified by the applicant and the proposed uses of these areas are compatible with such conditions.
6. The proposed or constructed drainage improvements are adequate and comply with these standards and regulations.
7. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed subdivision have been constructed or financially guaranteed through cash-in-lieu or a subdivision improvements agreement so the proposed subdivision will not negatively impact the levels of service of the County.

Recommended Condition:

1. All utilities shall be located underground pursuant to the Adams County Development Standards and Regulations.

Recommended Note to the Applicant:

1. The applicant shall comply with all building, zoning, fire, engineering, and health codes and regulations during the development of the subject site.
2. The Colorado Division of Parks and Wildlife has requested that a survey of the property for nesting of burrowing owls occurs if earthmoving occurs between March 15th and October 31st of any given year. These raptors are classified as a state threatened species and are protected by both state and federal laws, including the Migratory Bird Treaty Act. These laws prohibit the killing of burrowing owls or disturbance of their nests. Guidelines for performing a burrowing owl survey can also be obtained from the local District Wildlife Manager.
3. The Colorado Division of Parks and Wildlife recommends that the HOA inform future residents that wildlife such as fox, coyotes, beavers, and raccoons might frequent the development area in search of food and cover. Residents moving into this area should take the proper precautions to prevent unnecessary conflicts between people and pets with wildlife.

CASE No.: **PLT2019-00026**	CASE NAME: **Ridgeview Estates, Filing No. 1**

Owner's Name:	Ridgeview Estates, LLC
Applicant's Name:	David Moore, Alliance Development Services
Applicant's Address:	16415 W 85th Ln, Unit B, Arvada, Colorado 80007
Location of Requests:	Directly to the south of 28300 East 160th Avenue
Nature of Requests:	1) Major Subdivision Final Plat to create 11 single-family residential lots and 2 non-residential tracts; 2) Subdivision Improvements Agreement (SIA)
Zone District:	Residential Estate (RE)
Site Size:	36.28 acres
Proposed Uses:	Single-Family Residential
Existing Use:	Vacant
Hearing Date(s):	**BoCC: September 1st, 2020 / 9:30 a.m.**
Report Date:	August 5, 2020
Case Manager:	Layla Bajelan
Staff Recommendation:	APPROVAL of the Final Plat and Subdivision Improvements Agreement with 7 Findings-of-Fact, 1 Condition, and 3 Notes

SUMMARY OF PREVIOUS APPLICATIONS

On August 13, 2019, the Board of County Commissioners approved a major subdivision preliminary plat for Ridgeview Estates to create 21 lots on approximately 62.3 acres. The subject application is for Filing, No. 1 and consists of 11 of the 21 lots.

SUMMARY OF APPLICATION

Background:

David Moore, on behalf of Alliance Development Services, is requesting a major subdivision final plat for the Ridgeview Estates Subdivision, Filing No. 1. The final plat for Filing No. 1 consists of 11 single-family residential lots, two non-residential tracts, and associated public streets.

Site Characteristics:

The subject site is located approximately one-half mile southwest of the intersection of Hayesmount Road and East 162nd Avenue and is currently undeveloped. East 160th Avenue abuts the northwest portion of the site and provides direct access to the development through a newly proposed section of Monaghan Road, which will serve as the main entrance for the proposed subdivision. The Adams County Development Review Engineers and Brighton Fire Department have confirmed that the subdivision will show compliance with the minimum fire requirements, as Monaghan Rd. will not be fully built out until Filing No. 2.

Development Standards and Regulations Requirements

Major Subdivision (Final Plat):

Per Section 2-02-19-04 of the County's Development Standards and Regulations, a final plat must be consistent and conform to an approved preliminary plat. On August 13, 2019, the Board of County Commissioners approved a preliminary plat on the subject property. The subject request conforms to the corresponding section of the approved preliminary plat.

The proposed plat conforms to the criteria for approval for a major subdivision final plat as outlined in Section 2-02-19-04-05 of the County's Development Standards. These standards include conformance to the County's Comprehensive Plan, the subdivision design standards, evidence of adequate water and sewer supply, adequate drainage improvements, adequate public infrastructure, and compatibility with the surrounding area. Per Section 5-03-03 of the County's Development Standards and Regulations, subdivision plats and lot dimensions are required to conform to requirements of the zone district in which the property is located. In addition, all lots created by a subdivision shall have access to a County-maintained right-of-way. The property is located within the Residential Estate (RE) zone district, which has a minimum one-acre lot size and a minimum lot width requirement of 100-feet for lots served by public water or sewer. The proposed subdivision lots will be served by the Greatrock North Water & Sanitation District and all lots conform to the minimum dimensional requirements for the RE zone district. In addition, all the proposed lots will have access to a public right-of-way.

The applicant has also provided evidence of adequate water and sewer to service the property. The application documents included a letter from the Greatrock North Water & Sanitation District stating that adequate water supply is available to support the proposed development. The Colorado Division of Water Resources reviewed the project and confirmed the availability of adequate water supply to support the development. Tri-County Health Department also reviewed the subject request and had no objection to the proposed subdivision utilizing onsite wastewater treatment systems (OWTS), provided that the OWTS is permitted, installed, and operated in compliance with regulation.

Subdivision Improvements Agreement (SIA):
Per Section 5-02-04 of the County's Development Standards and Regulations, a subdivision improvements agreement (SIA) is required with a final plat. The SIA allows for construction of infrastructure, such as public streets and storm sewers, to be constructed on the property. All streets in the development are proposed to be public and constructed to local street standards.

Future Land Use Designation:
The Adams County Comprehensive Plan designates the subject site as Agriculture; and this future land use designation is intended for large landholdings of 35 acres or more with very low density residential. Overall, the subject request would create approximately one dwelling unit per two and a half acres. The Residential Estate zone district allows for lots of less than 35 acres, and the request is consistent with the underlying zoning. The request is mostly consistent with the goals of the Comprehensive Plan to provide lower density housing in this area. Additionally, areas surrounding the subject site are also designated as Estate Residential future land use in the Comprehensive Plan. The creation of the subdivision will advance the County's long-term goal for providing estate residential areas, supporting the need for housing within the County.

This request would also be supported by the Comprehensive Plan, as Policy 11.1 *Permit Estate Residential Development in targeted locations* aims to allow Estate Residential development only where a similar land use pattern is already established or where such patterns may be appropriately extended. Policy 11.1.a. *Established Areas* allows for Estate Residential development as an appropriate land use only in areas established for such development in area designated on the Future Land Use map.

Surrounding Zoning Designations and Existing Use Activity:

Northwest A-3 Single-Family Residential	**North** A-1 Single-Family Residential	**Northeast** A-1 Single-Family Residential
West A-3 Single-Family Residential	**Subject Property** RE Vacant	**East** A-1 Single-Family Residential
Southwest A-3 Single-Family Residential	**South** A-3 Single-Family Residential	**Southeast** A-1 Single-Family Residential

Compatibility with the Surrounding Land Uses:
Properties to the north and east of the proposed subdivision are developed as single-family residential within approved subdivisions. These properties are developed at densities similar to the proposed Ridgeview Estates subdivision. The properties to the south and west consist of large parcels used for residential and agricultural purposes. The request for 11 single-family Residential Estate lots is compatible with existing development in the surrounding area and the County's future land use designation of Agriculture.

Staff Recommendations:

Based upon the application, the criteria for approval of a final plat, and recent site visit, staff recommends approval of this request with 7 findings-of-fact, 1 condition, and 3 notes.

RECOMMENDED FINDINGS-OF-FACT

1. The final plat is consistent and conforms to the approved preliminary plat.
2. The final plat is in conformance with the subdivision design standards.
3. The applicant has provided evidence that a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards.
4. The applicant has provided evidence that a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, adequate evidence indicating that the system complies with state and local laws and regulations.
5. The applicant has provided evidence to show all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified by the applicant and the proposed uses of these areas are compatible with such conditions.
6. The proposed or constructed drainage improvements are adequate and comply with these standards and regulations.
7. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed subdivision have been constructed or financially guaranteed through cash-in-lieu or a subdivision improvements agreement so the proposed subdivision will not negatively impact the levels of service of the County.

Recommended Condition:

1. All utilities shall be located underground pursuant to the Adams County Development Standards and Regulations.

Recommended Note to the Applicant:

1. The applicant shall comply with all building, zoning, fire, engineering, and health codes and regulations during the development of the subject site.
2. The Colorado Division of Parks and Wildlife has requested that a survey of the property for nesting of burrowing owls occurs if earthmoving occurs between March 15th and October 31st of any given year. These raptors are classified as a state threatened species and are protected by both state and federal laws, including the Migratory Bird Treaty Act. These laws prohibit the killing of burrowing owls or disturbance of their nests. Guidelines for performing a burrowing owl survey can also be obtained from the local District Wildlife Manager.
3. The Colorado Division of Parks and Wildlife recommends that the HOA inform future residents that wildlife such as fox, coyotes, beavers, and raccoons might frequent the development area in search of food and cover. Residents moving into this area should take the proper precautions to prevent unnecessary conflicts between people and pets with wildlife.

COUNTY AGENCY COMMENTS

Adams County staff reviewed the subject request and determined the proposed final plat complies with the subdivision design standards outlined in Section 5-03 of the Development Standards and Regulations. All lot configurations proposed conform to lot dimensions in the RE zone district. Evidence of the ability to provide adequate water and individual septic facilities has been provided.

REFERRAL AGENCY COMMENTS

The Colorado Division of Parks and Wildlife (CPW) has requested that a survey of the property for nesting of burrowing owls occurs if earthmoving occurs between March 15th and October 31st of any given year. These raptors are classified as a state threatened species and are protected by both state and federal laws, including the Migratory Bird Treaty Act. These laws prohibit the killing of burrowing owls or disturbance of their nests. Guidelines for performing a burrowing owl survey can also be obtained from the local District Wildlife Manager.

In addition, Future residents should be informed that wildlife such as fox, coyotes, and raccoons might frequent the development area in search of food and cover. Coyotes, foxes, cottontail rabbits, and raccoons are several species that have adapted to living in urban environments. CPW recommends that people moving into and residing in this area take the proper precautions to prevent unnecessary conflicts with wildlife. Due to the potential for human-wildlife conflicts associated with this project, CPW has urged the applicant to consider educating future homeowners about the existence of wildlife in the area. Examples of these practices include keeping pet foods and bowls indoors, securing of garbage containers, a reminder that feeding of wildlife, except for birds, is illegal, and a reminder that pamphlets are available through CPW offices and online.

Greatrock North Water & Sanitation District has expressed some concerns regarding the enforcement of plat conditions i.e. Notes in the event a Homeowner's Association dissolves. The County does not regulate Homeowner's Associations, therefore if the Association dissolves, the responsibilities revert to the individual homeowners. The County has informed Greatrock, that a process change in how we review Final Plats would be required to effectively address their concerns. This process could take months, as it would require Stakeholder outreach and internal conversations with Staff and the Board of County Commissioners.

Ref: Ridgeview Estates
Final Plat Submittal
E. 160th Ave.
Adams Co, Colorado

Dear Greg:

Please accept this letter as a written explanation of our request and a general overview of the Ridgeview Estates Subdivision in Adams County, Colorado.

Ridgeview Estates is a 21-lot subdivision located south of E 160th Ave., just west of Great Rock South subdivision and south of Great Rock North subdivision. The property is currently zoned residential estates (RE). This subdivision will be in and utilizing the Great Rock North Water District for public water.

Access will be provided from E 160th Ave. and all homes will be located out of the DIA noise overlay district.

We anticipate final platting the property in December and constructing the utilities and roads in early 2020. Home construction would begin early in 2020.

Please review the enclosed "Final Major Subdivision Submittal" and issue any comments you may have.

If you have any questions, please contact us.

Sincerely,

David Moore, P.E.
Alliance Consulting

RIDGEVIEW ESTATES - FILING NO. 1

CASE # PLT2019-00026

3. ANY PERSON WHO KNOWINGLY REMOVES, ALTERS OR DEFACES ANY PUBLIC LAND SURVEY MONUMENT OF LAND BOUNDARY MONUMENT OR ACCESSORY, COMMITS A CLASS TWO (2) MISDEMEANOR PURSUANT TO STATE STATUTE 18-4-508, C.R.S.
4. THE SUBJECT PROPERTY IS NOT WITHIN A DESIGNATED F.E.M.A. FLOOD PLAIN AS DETERMINED BY THE FLOOD INSURANCE RATE MAP, COMMUNITY PANEL NUMBER 08001C036J, EFFECTIVE DATE SEPTEMBER 28, 2018.
5. EXPANSIVE SOILS ARE KNOWN TO EXIST ON THIS SITE. WHERE THESE CONDITIONS ARE FOUND TO EXIST, THE RECOMMENDATION OF A QUALIFIED SOILS ENGINEER SHALL BE FOLLOWED IN THE DESIGN AND CONSTRUCTION OF THE FOUNDATIONS AND FOOTINGS.
6. THE HOMEOWNER'S ASSOCIATION SHALL BE CREATED AND IN PLACE PRIOR TO RECORDING OF THIS PLAT.
7. ADAMS COUNTY IS NOT RESPONSIBLE FOR THE ENFORCEMENT OF PRIVATE COVENANTS, CONDITIONS, AND RESTRICTIONS.
8. ACCESS FOR ALL LOTS SHALL BE FROM THE INTERNAL ROAD SYSTEM.
9. FOURTEEN (14') WIDE UTILITY AND DRAINAGE EASEMENTS ARE HEREBY GRANTED ON PRIVATE PROPERTY ADJACENT TO ALL PUBLIC STREETS IN THE SUBDIVISION OR PLATTED AREA. THESE EASEMENTS ARE DEDICATED FOR THE INSTALLATION, MAINTENANCE, AND REPLACEMENT OF ELECTRIC, GAS, CABLE, AND TELECOMMUNICATIONS FACILITIES. UTILITIES SHALL ALSO BE PERMITTED WITHIN ANY ACCESS EASEMENTS IN THE SUBDIVISION. PERMANENT STRUCTURES AND WATER METERS SHALL NOT BE PERMITTED WITHIN SAID UTILITY EASEMENTS.
10. D.I.A. NOISE IMPACTS MAY BE PREVALENT IN THIS SUBDIVISION. THE PROPERTY IS LOCATED NORTH OF THE 60LDN NOISE CONTOUR. NOISE IMPACTS ASSOCIATED WITH DENVER INTERNATIONAL AIRPORT, VAN AIRE SKYPORT, AND OTHER PUBLIC AND PRIVATE AIRPORTS MAY BE PREVALENT IN THIS SUBDIVISION.
11. ROCK CREEK SURVEYING, LLC, HAS RELIED UPON THE PROPERTY INFORMATION BINDER ORDER NO. IN70593905 PREPARED BY LAND TITLE GUARANTEE COMPANY, EFFECTIVE DATE 12/7/2018 AT 5:00 P.M., FOR THE RESEARCH OF EASEMENTS, RIGHTS-OF-WAY, ENCUMBRANCES AND OTHER MATTERS OF RECORD AFFECTING THE SUBJECT PROPERTY. THIS SURVEY AND PLAT DOES NOT CONSTITUTE A TITLE SEARCH BY ROCK CREEK SURVEYING, LLC., TO DETERMINE OWNERSHIP OR APPLICABLE EASEMENTS AND RIGHTS-OF-WAY.
12. MEASURED VALUES THAT DIFFER FROM RECORDED VALUES SHOULD BE DENOTED WITH (M). RECORDED VALUES SHOULD BE DENOTED WITH (R).
13. DRAINAGE EASEMENTS AS SHOWN ON THE PLAT ARE DEDICATED TO AND WILL BE MAINTAINED BY THE HOMEOWNER'S ASSOCIATION FOR THE PURPOSE OF PROVIDING STORM WATER DRAINAGE THROUGHOUT THE SUBDIVISION AND FOR THE MAINTENANCE THEREOF. DRAINAGE EASEMENTS SHALL BE KEPT CLEAR OF OBSTRUCTIONS TO THE FLOW AND/OR TO OBSTRUCTIONS TO MAINTENANCE ACCESS. CONSTRUCTION OF STRUCTURES, INCLUDING BUT NOT LIMITED TO HOUSES, GARAGES, BARNS, FENCES AND SHEDS SHALL NOT BE PERMITTED WITHIN THE DESIGNATED DRAINAGE EASEMENT. ANY PERMITTED ROADS, DRIVEWAYS, LANDSCAPING OR OTHER IMPROVEMENTS OVER ANY DRAINAGE EASEMENTS MUST BE PROPERLY CONSTRUCTED IN ACCORDANCE WITH APPLICABLE ADAMS COUNTY REGULATIONS AND DRAINAGE CRITERIA.
14. THE POLICY OF THE COUNTY REQUIRES THAT MAINTENANCE ACCESS BE PROVIDED TO ALL STORM DRAINAGE FACILITIES TO ASSURE CONTINUOUS OPERATIONAL CAPABILITY OF THE SYSTEM. THE PROPERTY OWNERS SHALL BE RESPONSIBLE FOR THE MAINTENANCE OF ALL DRAINAGE FACILITIES INCLUDING INLETS, PIPES, CULVERTS, CHANNELS, DITCHES, HYDRAULIC STRUCTURES, AND DETENTION BASINS LOCATED ON THEIR LAND UNLESS MODIFIED BY THE SUBDIVISION DEVELOPMENT AGREEMENT. SHOULD THE OWNER FAIL TO MAINTAIN SAID FACILITIES, THE COUNTY SHALL HAVE THE RIGHT TO ENTER SAID LAND FOR THE SOLE PURPOSE OF OPERATIONS AND MAINTENANCE. ALL SUCH MAINTENANCE COSTS WILL BE ASSESSED TO THE PROPERTY OWNERS.
15. THE COUNTY HAS THE RIGHT TO ENTER THE PROPERTY TO CONDUCT PERIODIC INSPECTIONS OF THE DRAINAGE FACILITIES.
16. TYPICAL SIGHT TRIANGLE EASEMENTS ARE RESTRICTED TO LANDSCAPING, FENCES, RETAINING WALLS, SIGNS (EXCEPT STREET SIGNS) AND ANY OTHER OBSTRUCTIONS THAT ARE NO MORE THAN 36 INCHES IN HEIGHT AS MEASURED FROM THE CROWN OF THE STREET INTERSECTION.
17. EQUESTRIAN EASEMENTS ARE HEREBY DEDICATED TO THE HOMEOWNER'S ASSOCIATION FOR THE PURPOSE OF MAINTAINING SAID EASEMENT AREAS AS AN EQUESTRIAN TRAIL USED BY THE ASSOCIATION MEMBERS AND GUESTS. WHEN EQUESTRIAN EASEMENTS OVERLAY DRAINAGE EASEMENTS, THE DRAINAGE EASEMENTS SHALL HAVE SENIOR RIGHT TO PRESERVE THE INTEGRITY OF DRAINAGE. NO FENCING IS ALLOWED WITHIN THE EQUESTRIAN EASEMENT EXCEPT THE EXTERIOR PERIMETER FENCE, ON THE BOUNDARY OF RIDGEVIEW ESTATES, PROVIDED AND MAINTAINED BY THE HOMEOWNER'S ASSOCIATION.
18. TRACT A IS FOR FUTURE WATER WELL ESTABLISHMENT BY GREAT ROCK NORTH WATER AND SANITATION DISTRICT AND SHALL BE OWNED AND MAINTAINED BY GREAT ROCK NORTH WATER AND SANITATION DISTRICT.
19. TRACT B FOR THE DETENTION POND SHALL BE OWNED AND MAINTAINED BY THE HOMEOWNER'S ASSOCIATION.
20. THE MONAGHAN MILE ROAD ACCESS TO THE SOUTH OF THIS SUBDIVISION SHALL BE FOR EMERGENCY VEHICLES ONLY. AN AUTOMATIC GATE SHALL BE INSTALLED PER THE GREATER BRIGHTON FIRE PROTECTION DISTRICT STANDARDS FOR RESTRICTED ACCESS GATES.
21. LINEAR UNITS ARE MEASURED IN U.S. SURVEY FEET.
22. KALLSEN 110 GAS WELL MOTORIZED ACCESS EASEMENT TO BE MAINTAINED BY THE HOA.
23. TRACT C IS INTENDED FOR FUTURE DEVELOPMENT OF RIDGEVIEW ESTATES.
24. A TEMPORARY ACCESS EASEMENT FOR THE PURPOSE OF INGRESS, EGRESS, MAINTENANCE, EMERGENCY ACCESS, AND PEDESTRIAN USE, THROUGH A PORTION OF A HAMMER HEAD ON DEER PARK STREET AND EAST 158TH DRIVE IS BEING DEDICATED BY THIS PLAT. SAID EASEMENT TO BE USED FOR TEMPORARY ACCESS UNTIL SUCH TIME AS THE ROAD IS EXTENDED BEYOND THE HAMMER HEAD, CONSTRUCTION OF THE ROAD IS COMPLETED, AND THE ROAD HAS BEEN DEDICATED TO AND ACCEPTED BY THE COUNTY, AT WHICH POINT THIS EASEMENT SHALL TERMINATE.

RIDGEVIEW ESTATES
SUBDIVISION
Case No. PLT2019-00026

SUBDIVISION IMPROVEMENTS AGREEMENT

THIS AGREEMENT is made and entered into by and between the County of Adams, State of Colorado, hereinafter called "County," and Ridgeview Properties LLC, 5540 Ward Road Suite 230 Arvada, CO 80002, hereinafter called "Developer."

WITNESSETH:

WHEREAS, Developer is the owner of real property in the County of Adams, State of Colorado, as described in Exhibit "A" attached hereto, and by this reference made a part hereof.

WHEREAS, it is provided by resolution of the Board of County Commissioners, County of Adams, that where designated the Developer shall have entered into a written agreement with the County to install public and/or private improvements, and to deed land for public purposes or right-of-way.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto promise, covenant, and agree as follows:

1. **Engineering Services**. Developer shall furnish, at its own expense, all engineering and other services in connection with the design and construction of the improvements described and detailed on Exhibit "B" attached hereto, and by this reference made a part hereof.

2. **Drawings and Estimates**. The Developer shall furnish drawings and cost estimates for all improvements described and detailed on Exhibit "B" for approval by the County. Upon request, the Developer shall furnish one set of reproducible "as built" drawings and a final statement of construction costs to the County.

3. **Construction**. Developer shall furnish and construct, at its own expense and in accordance with drawings and materials approved by the County, the improvements described and detailed on Exhibit "B".

4. **Time for Completion**. Improvements shall be completed according to the terms of this agreement within "construction completion date" appearing in Exhibit "B". The Director of Community and Economic Development Department may for good cause grant extension of time for completion of any part or all of improvements appearing on said Exhibit "B". Any extension greater than 180 days is within the sole discretion of the Board of County Commissioners. All extensions of time must be in writing.

5. **Guarantee of Compliance**. Developer shall furnish to the County a cash escrow deposit or other acceptable collateral, releasable only by the County, to guarantee compliance with this agreement. Said collateral shall be in the amount of $751,334 including twenty percent (20%) to cover administration and five percent (5%) per year for the term of the Agreement to cover inflation. Upon approval of the final plat, completion of said improvements constructed according to the terms of this agreement, and preliminary acceptance by the Director of Public Works in accordance with section 5-02-05-01 of the County's Development Standards and Regulations, the collateral shall be released. Completion of said improvements shall be determined solely by the County, and a reasonable part of said collateral, up to 20%, may be retained to guarantee maintenance of public improvements for a period of one year from the date of Preliminary Acceptance.

   No building permits shall be issued until said collateral is furnished in the amount required and in a form acceptable to the Board of County Commissioners, and until the final plat has been approved and the improvements described in Exhibit "B" have been preliminarily accepted by the Department of Public Works.

6. **Acceptance and Maintenance of Public Improvements**. All improvements designated "public" on Exhibit "B" shall be public facilities and become the property of the County or other public agencies upon acceptance. During the period of one year from and after the acceptance of public improvements, the Developer shall, at its own expense, make all needed repairs or replacement due to defective materials or workmanship which, in the opinion of the County, becomes necessary. If, within ten days of written notice to the Developer from the

County requesting such repairs or replacements, the Developer has not undertaken with due diligence to make the same, the County may make such repairs or replacements at the Developer's expense. In the case of an emergency such written notice may be waived.

7. **Successors and Assigns**. This agreement shall be binding upon the heirs, executors, personal representatives, successors, and assigns of the Developer, and shall be deemed a covenant running with the real property as described in Exhibit "A" attached hereto.

8. **Improvements and Dedication**. The undersigned Developer hereby agrees to provide the following improvements, and to dedicate described property.

A. **Improvements**.

Public Improvements:

Earthwork, sediment and erosion control, storm drainage, public road construction, dry utilities, surveying, engineering, testing and construction management (See Exhibit "B" for description, estimated quantities and estimated construction costs.)

Private Improvement: Driveway construction on 27910 E160th Avenue as shown on drawing C9 and included in Guarantee of Compliance.

The improvements shall be constructed in accordance with all County requirements and specifications in accordance with the approved plans and time schedule as indicated in Exhibit "B".

B. **Public dedication of land for right-of-way purposes or other public purpose**. Upon approval of this agreement by the Board of County Commissioners, the Developer hereby agrees to convey by warranty deed to the County of Adams the following described land for right-of-way or other public purposes:

Road right of ways consisting of East 159th Avenue, Deer Park Street and East 158th Place.

Development Review Team Comments

Date: November 6, 2019
Project Number: PLT2019-00026
Project Name: **Ridgeview Estates, Filing No. 1**

Note to Applicant:
The following review comments and information from the Development Review Team is based on the information you submitted for your Final Plat application. The Development Review Team review comments may change if you provide different information during the Resubmittal. At this time, a resubmittal is being required. Resubmittal material can be deposited with our One-Stop Customer Service Center. You will need the attached "Resubmittal Form", and a paper and digital copy of all the resubmitted material. You should also provide a written response to each staff comment and referral agency letter. Please contact the case manager if you have any questions.

Also, please note where "Section" is referenced, it is referring to the appropriate section of the Adams County Development Standards and Regulations.

Your review comment consultation will be held on ***11/25/2019 from 3:00-3:45 p.m.***

Commenting Division: **Development Services, Planning**
Name of Reviewer: Layla Bajelan
Email: LBajelan@adcogov.org / 720-523-6863

PLN01: REQUEST

a. Final Plat for 12 single-family residential lots within the Ridgeview Estates Subdivision.
b. Subdivision Improvement Agreement (SIA)

PLN02: SITE LOCATION/ZONING/COMPREHENSIVE PLAN

a. Subject parcel is zoned as Residential Estate (RE)
b. Future Land Use is Agriculture.
c. Subject property is within the Airport Height Overlay for DIA. Prior to the issuance of any building permits, all property owners will be required to complete the following:
    1. A signed and recorded aviation easement must be filed prior to issuance of a building permit.
    2. Property owner must complete an FAA Aeronautical study on obstructions to determine if the proposed development could be a hazard to air navigation.

PLN03: CRITERIA FOR APPROVAL

Section 2-02-18-03-05

The Planning Commission, in making their recommendation, and the Board of County Commissioners, in approving a final plat, shall find.

1. The final plat is consistent and conforms to the approved preliminary plat.
2. The final plat is in conformance with the subdivision design standards.
3. The applicant has provided evidence that a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards.
4. The applicant has provided evidence that a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, adequate evidence indicating that the system complies with state and local laws and regulations.
5. The applicant has provided evidence to show all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified by the applicant and the proposed uses of these areas are compatible with such conditions.
6. The proposed or constructed drainage improvements are adequate and comply with these standards and regulations.
7. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed subdivision have been constructed or financially guaranteed through cash-in-lieu or a subdivision improvements agreement so the proposed subdivision will not negatively impact the levels of service of the County.

PLN04: PUBLIC LAND DEDICATION

a. Public Land Dedication- School District, Neighborhood/ Regional Parks
b. Cash in Lieu being required
c. Included is a calculation sheet of PLD fees, once your case has been scheduled for Public Hearing, you will be expected to pay $8,738.22, at least 24 hours before your case has been scheduled.
d. Please do not pay this amount until your case has been scheduled for Public Hearing

PLN06: WATER SUPPLY

a. Please see attached letter from the Colorado Department of Water Resources, regarding your water supply.
b. Adequate Water Supply has been established through the Great Rock North Water and Sanitation District.

PLN07: PUBLIC UTILITIES (XCEL)

a. The Utility Master Plan does not appear to match the plat.

PLN08: ENGINEERING PLANS

a. Cannot schedule for Public Hearing until Engineering plans are approved.

PLN09: Section 2-02-18-03-05; #7 Subdivision Improvements Agreement

a. Applicant applied for an Amendment to Subdivision Improvement Agreement and not for the Subdivision Improvement Agreement.
b. Applicant must fill out attached SIA application and turn in an SIA.
c. A SIA will be required with the final plat.

PLN10: Planning Comments

a. The County does not allow for phasing. Applicant must resubmit all documents that mention phasing with new documents that reflect filings rather than phasings.
b. In all resubmittals please change the case manager name from Greg Barnes to Layla Bajelan.
c. Please address all staff, referral agency, and public comments. Referral Agency comments are listed below.

PLN11: Referral Agency Comments (Letters are attached to this PDF)

a. Xcel Energy- Discrepancies from preliminary plat. The Utility Master Plan does not appear to match the plat.
b. Brighton Fire and Rescue will require a secondary access to East 159th if phasing is allowed.
c. CO Department of Natural Resources, Parks and Wildlife

Commenting Division: Development Services, Engineering:
Name of Review: Greg Labrie
Email: GLabrie@adcogov.org **/ 720-523-6824**

ENG01: The Adams County Development Standards and Regulations are very clear that Phasings are not allowed in Subdivision Construction. This subdivision should be divided in filings and not phases.
ENG02: A Subdivision Improvement Agreement will be required with appropriate collateral. This agreement must be approved by the BoCC. No building permits for these lots will be issued until these roadways have been constructed and have received Preliminary Acceptance.
ENG03: No construction will be allowed to take place without the approved SIA.
ENG04: No construction will be allowed until a Construction Permit has been issued for this work and a Pre-Construction Meeting has taken place.
ENG05: A utility Detection System will be required for all underground utility systems, including the storm sewer system. These standards and specifications should be included within these plans.
ENG06: A Pavement Thickness Design will be required prior to beginning construction. Due to the soils conditions in this area, a subgrade stabilization design may be required as well.
ENG07: Sheet C3, C9, C10 – The existing driveway shown at the S.W. Corner of 160th Ave. and 159th Ave. must be completely removed after the completion of construction. Please ensure that this driveway construction is accounted for in the SIA.
ENG08: Sheet C3, C4, C5, C6, C13 – A Temporary Cul-De-Sac will be required at Deer Park St. and E. 159th Ave.
ENG09: Sheet C4, C5, C6 – Access to lots 3 and 10 will be extremely difficult due to the steep grades along these frontages.
ENG10: Why are the Fire Hydrants not being constructed at the back side of the shoulders?

ENG11: Sheet C15 – An Access Culvert is required at 159th Ave. where the waterline turns north and ties into E. 160th Ave. An Access Culvert at this intersection point should be required to allow for the outfall of the Detention Pond.

Hello,

Please change the Exhibit tables to only show the Quantity, Unit Price and Total columns (if you need an example please let me know). The 20% and 5% can be added as a total at the end.

Item number 5 the collateral calculated should be $751,333,34 not $770,185. Please see attached spreadsheet for the calculation.

I forgot to include that if the project goes over one year then an additional 5% is to be added on.

Thank you,

Subject: **Ridgeview Estates (PLT2019-00026)**
Adams County, CO; CGS Unique No. AD-19-0015_2

Dear Ms. Bajelan:

Colorado Geological Survey has reviewed the Ridgeview Estates Phase 1 final plat referral, for 12 residential lots of approximately 2.5 acres each. CGS previously reviewed Ridgeview Estates at major subdivision preliminary plat (PLT2018-00044, 21 lots); our comments were provided in a letter dated January 24, 2019. No geologic or geotechnical information was included with the current or previous Ridgeview Estates referral documents, and the lot layout does not appear to have changed, so our previous comments remain valid:

> The site does not contain steep slopes, is not undermined, is located within an "area of minimal flood hazard," and is not exposed to any identified geologic hazards that would preclude the proposed residential use and density. **CGS therefore has no objection to approval.**
>
> **Mineral resource potential.** According to the Atlas of Sand, Gravel, and Quarry Aggregate Resources, Colorado Front Range Counties (Schwochow et al, Colorado Geological Survey Special Publications 5-A and 5-B, 1974, Plate 2 and Mile High Lakes Quadrangle, respectively), the site is mapped as containing an "E3" resource, described as a wind-deposited fine aggregate, "Sands: includes sands ranging from coarse gravelly stream sands to fine-grained wind-deposited dune sands." A determination regarding whether the mapped sands constitute an economically viable mineral resource is outside the scope of CGS review.

Thank you for the opportunity to review and comment on this project. If you have questions or require additional review, please call me at (303) 384-2643, or e-mail carlson@mines.edu.

Sincerely,

Jill Carlson, C.E.G.
Engineering Geologist

RE: Ridgeview Estates Phase I, Final Plat (PLT2019-00026)

Dear Ms. Bajelan:

Thank you for the opportunity to comment on the Ridgeview Estates Phase I, final plat. The mission of Colorado Parks and Wildlife (CPW) is to perpetuate the wildlife resources of the state, to provide a quality state parks system, and to provide enjoyable and sustainable outdoor recreation opportunities that educate and inspire current and future generations to serve as active stewards of Colorado's natural resources. Our goal in responding to land use proposals such as this is to provide complete, consistent, and timely information to all entities who request comment on matters within our statutory authority.

The proposed 21-lot subdivision on 36.286-acres is located south of East 160th Avenue, just west of Great Rock South Subdivision and south of Great Rock North Subdivision, Adams County, Colorado (Parcel # 0156710200001). The proposed Ridgeview Estate Phase I plan is currently surrounded by residential single-family homes and open agricultural lands.

District Wildlife Manager Serena Rocksund recently visited this site. The main impacts to wildlife from this development is fragmentation and loss of habitat along the Eastern Plains.

CPW would expect a variety of wildlife species to utilize this site on a regular basis, most notably, small to mid-sized mammals, songbirds, and raptors. The potential also exists for large mammals, such as deer and pronghorn, to frequent this site.

Raptors

For further information on ways to minimize impact on raptors, a copy of the document "Recommended Buffer Zones and Seasonal Restrictions for Colorado Raptors[1]," is available from your local District Wildlife Manager. Following the recommendations outlined in this document will decrease the likelihood of unintentional take of nesting raptors through disturbance.

[1] Copies of Raptors Buffer are available at:
https://cpw.state.co.us/Documents/WildlifeSpecies/LivingWithWildlife/RaptorBufferGuidelines2008.pdf

Prairie Dogs

If prairie dog colonies are present, CPW would recommend they either be captured alive and moved to another location or humanely euthanized before any earth-moving occurs. The possibility of live-trapping and donating to a raptor rehabilitation facility or the black-footed ferret recovery program is another reasonable option. If interested, please contact the local District Wildlife Manager. Be aware that a permit and approval from CPW is required for live relocation.

Burrowing Owls

If a prairie dog colony is discovered within the project area, the potential may also exist for the presence of burrowing owls. These raptors are classified as a state threatened species and are protected by both state and federal laws, including the Migratory Bird Treaty Act. Therefore, if any earth-moving will begin between March 15th and October 31st, a burrowing owl presence/absence survey[2],” should be performed.

Human-wildlife Conflict

Future residents should be informed by the HOA that wildlife such as fox, coyotes, beavers, and raccoons might frequent the development area in search of food and cover. Coyotes, foxes, cottontail rabbits, and raccoons are several species that have adapted to living in urban environments.

CPW recommends that people moving into and residing in this area take the proper precautions to prevent unnecessary conflicts between people and pets with wildlife. Due to the potential for human-wildlife conflicts associated with this project, please consider the following recommendations when educating future homeowners about the existence of wildlife in the area:

- Pet foods and bowls should be kept indoors.
- Garbage should be kept in secure containers to minimize its attractiveness to wildlife. Trash should be placed in containers with tight seals and remain indoors until the morning of pickup.
- Feeding of wildlife, with the exception of birds, is illegal.

For further information, Colorado Parks and Wildlife can provide copies of the following brochures[3]: “Your Guide to Avoiding Human-Coyote Conflicts”, “Don’t Feed the Wildlife”, and “Too Close for Comfort: Avoiding Conflicts with Wildlife in the City” to residents of the surrounding open space.

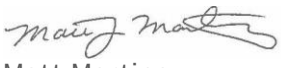
---

[2] Copies of Burrowing Owl Survey are available at:
https://cpw.state.co.us/Documents/WildlifeSpecies/LivingWithWildlife/RecommendedSurveyOwls.pdf

[3] Copies of Living with Wildlife Brochures are available at:
http://cpw.state.co.us/learn/Pages/LivingwithWildlife.aspx

Thank you again for the opportunity to comment on the proposed Ridgeview Estates Phase I, final plat. Please do not hesitate to contact us again about ways to continue managing the property in order to maximize wildlife value while minimizing potential conflicts. If you have any further questions, please contact District Wildlife Manager Serena Rocksund at (303) 291-7132 or serena.rocksund@state.co.us.

Sincerely,



Matt Martinez
Area 5 Wildlife Manager

RE: Ridgeview Estates Phase I, Final Plat
Case No. PLT2019-00026
NW ¼ Sec. 10, T1S, R65W, 6th P.M.
Water Division 1, Water Districts 1 and 2

Dear Mr. Barnes,

We have reviewed your October 16, 2019 referral related to Phase I of Ridgeview Estates Subdivision, which represent a portion of Ridgeview Estates Development. Ridgeview Estates Subdivision Phase I is a proposed subdivision on about 36.286 acres that will be subdivided into 12-2.5 acre single-family residential lots. This office previously provided comments on the Ridgeview Estates Development by our letters dated January 9, 2019, February 5, 2019, April 30, 2019, and May 13, 2019.

Water Supply Demand

The water supply demand for Phase I was not provided, however according to a Water Supply Adequacy Evaluation for Ridgeview Estates Development dated May 3, 2019 ("water supply letter") from Mr. Paul Bruss of Bishop Brogden and Associates ("BBA") previously provided to this office the water supply demand for Ridgeview Estates Development is estimated at 0.55 acre-feet/year/lot. Based on that amount the total demand for Phase I would be 6.6 acre-feet/year. The water will be used for in-house use (based on an estimated amount of 0.3 acre-feet/year/residence), lawn and garden irrigation of up to 4,000 square-feet of lawn and garden/residence (based on an estimated amount of 0.05 acre-feet/year/1,000 square-feet of lawn and garden) and the watering of up to five horses/lot (based on 2 horses/acre on average 2.5 acre lots and an estimated amount of 0.01 acre-feet/year/horse or similar livestock).

Source of Water Supply

The proposed water supplier for Phase I was not provided, however according to the May 3, 2019 BBA water supply letter, Greatrock North Water and Sanitation District ("District") is listed as the water supplier Ridgeview Estates Development. An inclusion agreement of the Ridgeview Estates Development parcel (62.3 acre) within the District's boundaries was previously provided to this office. As part of the inclusion agreement the District will require that all not nontributary and nontributary water underlying the 62.3 acre parcel be deeded to the District. The BBA water supply letter estimated the amounts of water that may be available underlying the 62.3-acre parcel. The amounts that will ultimately be deeded to the District will be the amounts determined by the adjudication in the water court of the ground water available underlying the 62.3 acre parcel. We note that since this water has not yet been adjudicated by the water court, and decreed augmentation plans have not been obtained for the not nontributary Denver and Upper Arapahoe aquifers, this water cannot be considered by our office as part of the water available to the District as part of their firm water supply. The District previously indicated that it has sufficient nontributary capacity in its current system to supply a 300-year water supply to the Ridgeview Estates Subdivision and its existing developments.

According to the BBA water supply letter the District currently has 450 acre-feet of nontributary or augmented not nontributary water available to the District, as shown in Table 1 below:

Table 1 – Denver Basin Water Availability

		Annual Available based on 100 year allocation approach (af/yr)						
Aquifer	Status	94CW142	98CW266	99CW40	00CW200	04CW17	07CW170	Total
Upper Arapahoe	NNT		19.04	9.75	30.9			59.69
Lower Arapahoe	NT	35.36*		21.35*	66.20*	21.5	5.7	150.11
Laramie-Fox Hills	NT	68.2		35.8	105.20	23.5	7.5	240.20

NNT – Augmented not nontributary water.
*NT – **Nontributary water that has not reserved to replace post pumping depletions**.

The District also obtains water from alluvial wells pumped pursuant to the augmentation plans in case nos. 04CW247 and 08CW66. Under case no. 04CW247 alluvial wells are pumped to serve up to 244 individual residences within the Box Elder Creek Ranch Subdivision. The replacement source for the augmentation plan decreed in case nos. 04CW247 is a Laramie-Fox Hills aquifer well constructed into the Laramie-Fox Hills aquifer pursuant to case no. 00CW200. Under case no. 08CW66 alluvial wells are pumped to serve up to 322 residences within the boundaries of the Greatrock North Water and Sanitation District. One of the replacement sources for the augmentation plan decreed in case no. 08CW66 is the Denver Basin aquifer water adjudicated in case nos. 94CW142, 98CW266, 99CW40, 00CW200, 04CW17 and 07CW170.

An updated build-out demand that includes Ridgeview Estates Development and considers the county's 300 year water supply requirement was provided in the BBA water supply letter. BBA determined the District's build-out water demand based on the total number of lots at build-out for each subdivision and a water demand per lot for each subdivision. A summary of the number of lots and water demands for each subdivision are provided in Table 2 below:

Table 1 – Build-Out Water Requirements

Subdivision	Build-Out Number of Lots	Water Requirement (af/lot/yr)	Total Water Requirement from BBA
Greatrock North	131	0.43	56.3
Rocking Horse Farms	96	0.43	41.3
Box Elder Creek Ranch (1-3)	243	0.17	41.3
Hayesmount Estates	22	0.45	9.9
Homestead Heights	56	0.45	25.2
Ridgeview Estates	21	0.55	11.6
Total	569		185.6

The water requirement per lot for Greatrock North, Rocking Horse Farms and Box Elder Creek Ranch were determined based on historical water deliveries and actual lots served in each subdivision analyzed on a monthly basis from 2012 to 2018. For Hayesmount Estates, Homestead Heights and Ridgeview Estates the demand was based on the Adams County Standards. For Box Elder Creek Ranch the District only provides water for in-house use. For the remainder of the subdivisions water is provided for both in-house use and lawn and garden irrigation.

Due to the District's use of both Denver Basin water and alluvial water pumped under augmentation plans a spreadsheet model was created to determine the adequacy of the water supply at buildout. The spreadsheet model calculates the alluvial and Denver Basin well pumping required to meet the District's build-out water demands, and determines the net depletions from the District's alluvial well pumping after accounting for return flows from the District's water operations. Based on that spreadsheet model BBA determined that there would be adequate water at buildout to serve the existing subdivisions and Ridgeview Estates Development.

The proposed source of water for this subdivision is a bedrock aquifer in the Denver Basin. The State Engineer's Office does not have evidence regarding the length of time for which this source will be a physically and economically viable source of water. According to 37-90-137(4)(b)(I), C.R.S., "Permits issued pursuant to this subsection (4) shall allow withdrawals on the basis of an aquifer life of one hundred years." Based on this **allocation** approach, the annual amounts of water shown in Table 2 above is equal to one percent of the total amount, as determined by rules 8.A and 8.B of the Statewide Nontributary Ground Water Rules, 2 CCR 402-7. Therefore, the water may be withdrawn in those annual amounts for a maximum of 100 years.

In the Adams *County Development Standards and Regulations*, Effective April 15, 2002, Section 5-04-05-06-04 states:

> "Prior to platting, the developer shall demonstrate that…the water supply is dependable in quantity and quality based on a minimum useful life of three-hundred (300) years. A minimum 300-year useful life means the water supply from both a static and dynamic basis will be viable for a minimum 300-year period. The static analysis shall include evaluation of the volume of water that is appropriable for the proposed subdivision. The dynamic analysis shall evaluate whether the appropriable water supply is sustainable for three-hundred (300) years, giving consideration to the location and extent of the aquifer, as well as impacts caused by both current and future pumping by others from the aquifer."

The State Engineer's Office does not have evidence regarding the length of time for which this source will be "dependable in quantity and quality." According to the BBA letter the only subdivisions subject to the 300 year water requirement is Homestead Heights, Hayesmount Estates, and Ridgeview Estates. Treating Adams County's requirement as an **allocation** approach based on three hundred years, the allowed average annual amounts of available water shown in Table 1 above would be reduced to account for the water requirements of Homestead Heights, Hayesmount Estates, and Ridgeview Estates subdivisions. The BBA water supply report shows that after accounting for the water supply for the Greatrock North, Rocking Horse Farms and Box Elder Creek Ranch there will be approximately 103.7 acre-feet of excess supplies from the existing subdivisions as available supplies in addition to the decree water in Lower Arapahoe and the Laramie Fox Hills aquifers (adjusted to 300 years) in case nos. 04CW17 (Homestead Heights) and 07CW170 (Haysmount Estates) to meet the 300 year water demands for Homestead Heights, Hayesmount Estates, and Ridgeview Estates.

The applicant should be aware that any proposed detention pond for this Phase I of the development must meet the requirements of a "storm water detention and infiltration facility" as defined in section 37-92-602(8), Colorado Revised Statutes, the structure may be subject to administration by this office. The applicant should review DWR's *Administrative Statement Regarding the Management of Storm Water Detention Facilities and Post-Wildland Fire Facilities in Colorado*, to ensure that the notification, construction and operation of the proposed structure meets statutory and administrative requirements. The applicant is encouraged to use *Colorado Stormwater Detention and Infiltration Facility Notification Portal*, located at https://maperture.digitaldataservices.com/gvh/?viewer=cswdif, to meet the notification requirements.

State Engineer's Office Opinion

Based upon the above and pursuant to Section 30-28-136(1)(h)(I) and Section 30-28-136(1)(h)(II), C.R.S., it is our opinion that the proposed water supply for Ridgeview Estates Phase I is adequate and can be provided without causing injury to decreed water rights.

Our opinion that the water supply is **adequate** is based on our determination that the amount of water required annually to serve the subdivision is currently physically available, based on current estimated aquifer conditions.

Our opinion that the water supply can be **provided without causing injury** is based on our determination that the amount of water that is legally available on an annual basis, according to the statutory **allocation** approach, for the proposed uses is greater than the annual amount of water required to supply existing water commitments and the demands of the proposed subdivision.

Our opinion is qualified by the following:

The Division 1 Water Court has retained jurisdiction over the final amount of water available under the decrees reference by the District, pending actual geophysical data from the aquifer.

The amounts of water in the Denver Basin aquifers, and identified in this letter, are calculated based on estimated current aquifer conditions. For planning purposes the county should be aware that the economic life of a water supply based on wells in a given Denver Basin aquifer may be less than the 100 years or 300 years used for allocation due to anticipated water level declines. We recommend that the county determine whether it is appropriate to require development of renewable water resources for this subdivision to provide for a long-term water supply.

Should you have any questions, please contact Ioana Comaniciu of this office at 303-866-3581 x8246.

Sincerely,

Joanna Williams
Water Resource Engineer

MEMORANDUM

TO: Lisa Johnson, District Manager, Greatrock North Water and Sanitation District

FROM: Brad Simons, MMI Water Engineers, LLC

RE: Final Plat Review Comments for Ridgeview Estates Phase I (PLT2019-00026)

DATE: November 1, 2019; **Revised November 7, 2019**

CC: Jennifer Tanaka, District General Counsel

This memorandum revises my comments provided on November 1, 2019, based upon communications with the District's General Counsel and additional research into the application for Ridgeview Estates Phase I (PLT2019-00026).

I have reviewed the submittal for the above referenced case received by MMI Water Engineers, LLC on October 17, 2019 and offer the following comments for consideration in the Greatrock North Water and Sanitation District's response to the Adams County Community & Economic Development Department:

1. The "LIENHOLDER CERTIFICATE" on Sheet 1 or 2 for "Phase 1 – Ridgeview Estates" indicates the District will "consent to the dedication and easements shown on this plat and release the same from the encumbrance recorded at Reception No. 2018000097841 of the records of the Adams County Clear and Recorder". A copy of the Statement of Lien is included for reference. The District should only execute the "LIENHOLDER CERTIFICATE" if the applicant pays the unpaid system development fees. Otherwise, said system development fees are due and owed on each single-family residential equivalent unit within five (5) business days of the issuance of a building permit by Adams County for that specific single-family residential equivalent unit and the District should not execute the "LIENHOLDER CERTIFICATE".
2. The cover sheet for "Phase 1 – Ridgeview Estates" indicates a Homeowner's Association will be created and will have a number of responsibilities:

   > Note 6: The Homeowner's Association shall be created and in place prior to recording of this plat.

Note 13: Drainage easements as shown on the plat are dedicated to and will be maintained by the Homeowner's Association for the purpose of providing storm water drainage throughout the subdivision and for the maintenance thereof.

Note 17: Equestrian easements are hereby dedicated to the Homeowner's Association for the purpose of maintaining said easement areas as an equestrian trail used by the Association members and guests. No fencing is allowed within the equestrian easements except the exterior perimeter fence, on the boundary of Ridgeview Estates, provided and maintained by the Homeowner's Association.

Note 18: Tract A is for future water well establishment by Great Rock North Water and Sanitation District and shall be owned and maintained by the Homeowner's Association.

Note 19: Tract B for the detention pond shall be owned and maintained by the Homeowner's Association.

Note 22: Kallsen 110 Gas Well motorized access easement to be maintained by the HOA.

The District has previously communicated concerns to Adams County regarding the enforcement of plat conditions (i.e. Notes) in the event a Homeowner's Association dissolves. The County has indicated it does not regulate Homeowner's Associations and that if an Association dissolves, the responsibilities revert to the individual homeowners. The District needs to formalize its concerns in writing to the County as the conditions above cause me concern.

3. Note 20 on Sheet 1 or 2 for "Phase 1 – Ridgeview Estates" indicates the Monaghan Mile Road access to the south of this subdivision shall be for emergency vehicles only and that an automatic gate shall be installed per the Greater Brighton Fire Protection District standards for restricted access gates. The future Monaghan Mile Road access road should extend to the end of Deer Park Street.
4. The lot numbering on Sheet 2 of 2 for "Phase 1 – Ridgeview Estates" is not consistent with the "Preliminary Plat" (PLT2018-00044).
5. The District should require separately recorded instruments (i.e. Utility Easement Agreements) for the dedication of non-exclusive utility easements for the construction, reconstruction, repair, replacement, and/or removal of water improvements and appurtenance thereto across Lot 1, Lot 6, and Lot 7. A copy of the District's form of Utility Easement Agreement is attached for reference.
6. The applicant needs to confirm the "50' Equestrian Easement" in the Greatrock North subdivision as shown on the "Master Utility Plan" allows for the construction of water improvements to Tract A of the Greatrock North subdivision.

I have also attached my review comments for PLT2018-00044, dated January 23, 2019, for additional reference.

Should you have any comments or questions, please contact me at 720-234-8398.

STATEMENT OF LIEN

TO ALL WHOM IT MAY CONCERN:

KNOW YE, that the Greatrock North Water and Sanitation District, a quasi-municipal corporation and political subdivision of the State of Colorado (the "Lien Claimant"), wishes to avail itself of the provisions of the statute in such cases made and provided and makes the following statement of lien:

FIRST: That the name of the owners or reputed owners of such properties to be charged with the lien are as follows:

See Exhibit A, attached hereto and incorporated herein by this reference

SECOND: That the name and mailing address of the Lien Claimant claiming the lien is:

Greatrock North Water and Sanitation District
c/o Special District Management Services, Inc.
141 Union Boulevard, Suite 150
Lakewood, Colorado 80228

THIRD: That the properties to be charged with such lien are described as follows:

See Exhibit B, attached hereto and incorporated herein by this reference

Situated in the County of Adams, State of Colorado.

FOURTH: That said lien is held for and on account of unpaid system development fees (the "System Development Fee") due to the Lien Claimant on the properties described in **Exhibit B** pursuant to statutory authority and the Resolution of the Board of Directors of the Greatrock North Water and Sanitation District Amending Rules and Regulations (2017 Reissuance) adopted on September 5, 2017.

FIFTH: That the amount of indebtedness due or owing the Lien Claimant for which said lien is claimed is $21,300.00 **per** single-family residential equivalent unit for each System Development Fee.

SEVENTH: That said System Development Fee is due and owing on each single-family residential equivalent unit within five (5) business days of the issuance of a building permit by Adams County for that specific single-family residential equivalent unit. Unpaid System Development Fees shall be subject to additional interest, costs of collections and attorneys' fees up until such time as payment in full is provided and a partial release is recorded for the specific single-family residential equivalent unit.

EIGHTH: That such lien is a statutory, perpetual lien.

UTILITY EASEMENT AGREEMENT
(Greatrock North Water and Sanitation District)

For and in consideration of the sum of _____ Dollars ($___.00) and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, _____, whose address is _____ (the "Grantor"), hereby grants, bargains, sells and conveys to the GREATROCK NORTH WATER AND SANITATION DISTRICT, a quasi-municipal corporation and political subdivision of the State of Colorado, whose address is c/o Special District Management Services, Inc. 141 Union Boulevard, Suite 150, Lakewood, Colorado 80228 (the "District"), its successors and permitted assigns, a non-exclusive easement (the "Easement") to construct, reconstruct, repair, replace and/or remove certain water improvements and appurtenances thereto (the "Improvements"), in, to, through, over, under and across certain parcels of real property located in Adams County, Colorado, as more particularly described and shown in **Exhibit A**, attached hereto and incorporated herein by this reference (the "Premises"). Such Easement is granted by the Grantor and is accepted by the District pursuant to the following terms and conditions:

1. The District, its agents, successors and permitted assigns, shall have and exercise the right of ingress and egress in, to, through, over, under and across the Premises for any purpose necessary for the construction, reconstruction, operation, use, maintenance, repair, replacement and/or removal of the Improvements.

2. The Grantor, its successors and assigns, shall not construct or place any structure or building, street light, power pole, yard light, mailbox or sign, whether temporary or permanent, or plant any shrub, tree, woody plant, nursery stock, garden or other landscaping design feature on any part of the Premises, except with the prior written consent of the District. Any structure or building, street light, power pole, yard light, mailbox or sign, whether temporary or permanent, or any shrub, tree, woody plant, nursery stock, garden or other landscaping design feature of any kind situated on the Premises as of the date of this Easement or thereafter, except where the District has consented thereto, may be removed by and at the sole expense of the District in the District's exercise of its rights hereunder, without liability to the District therefor. Any structure or building, street, sidewalk, street light, power pole, yard light, mailbox or sign, whether temporary or permanent, or any shrub, tree, woody plant, nursery stock, garden or other landscaping design feature of any kind placed on the Premises by Grantor, its successors and assigns, subsequent to the date hereof without the District's consent may be removed by the District at the expense of Grantor, its successors or assigns, without liability to the District.

3. The District shall have the right to enter upon the Premises and to survey, construct, reconstruct, operate, use, maintain, repair, replace and remove the Improvements, and to remove objects interfering therewith, including but not limited to those items placed on the Premises under paragraph 2 hereof. In addition, the District shall have the right to use so much of the adjoining premises of the Grantor, its successors or assigns, during surveying, construction, reconstruction,

use, maintenance, repair, replacement and/or removal of the Improvements as may be reasonably required; provided, however, that such activities shall not interfere unreasonably with Grantor's, its successors' or assigns' use and enjoyment of such adjoining premises. The District and its permitted assignees and licensees shall repair any damage caused to any adjoining premises and the improvements thereon, and shall be liable for any injury to person or damage to property, to the extent arising out of the District's, its permitted assignee's or licensee's use of the Easement.

4. The District shall have and exercise the right of subjacent and lateral support to whatever extent is necessary for the operation and maintenance of the Improvements. It is specifically agreed between and among the parties that, except as provided in this Easement, the Grantor, its successors and assigns, shall not take any action which would impair the lateral or subjacent support for the Improvements. The Grantor, its successors and assigns, shall have and exercise the right of subjacent and lateral support to whatever extent is necessary for the operation and maintenance of any improvements on property adjoining the Premises. It is specifically agreed by and between the Grantor and the District that, except as provided in this Easement, the District shall not take any action which would impair the lateral or subjacent support for such improvements. This paragraph is not intended to prohibit the development of the private property located adjacent to the Premises.

5. It is expressly acknowledged and agreed that the District shall have the right and authority to assign the Easement to any appropriate local governmental entity or to any public utility provider, including but not limited to all rights to use, and all obligations associated with, the Easement as are granted to and assumed by the District herein, subject to such assignee assuming the obligations set forth herein. The District shall have the right and authority to grant temporary construction easements to any appropriate local governmental entity or public utility provider for purposes of construction, reconstruction, operation, use, maintenance, repair, replacement and/or removal of the Improvements, subject to all of the terms and conditions of this Easement.

6. The District agrees that at such time and in the event that the Improvements or Easement described herein are abandoned by the District and any permitted assignee, the Easement will terminate automatically and the real property interest represented by the Easement will revert to the Grantor, its heirs, successors and/or assigns.

7. The Grantor covenants and agrees with the District that the Grantor has full power and lawful authority to grant, bargain, sell and convey the Easement and that the Premises are free and clear from all former and other grants, bargains, sales, liens, taxes, assessments, encumbrances and restrictions of whatever kind or nature, except matters of record. The Grantor further promises and agrees to warrant and forever defend the District in the exercise of the District's rights hereunder against any defect in the Grantor's title to the Premises and the Grantor's right to make the grant herein described, except matters of record.

8. Each and every one of the benefits and burdens of this Easement shall inure to and be binding upon the respective legal representatives, administrators, successors and permitted assigns of the Grantor and the District.

9. The Grantor, its successors and assigns, reserve the right to grant further easement interests in the Premises to other grantees so long as such interests and uses are not inconsistent with,

or unreasonably interfere with, the use of the Premises and benefits of this Easement by the District, its successors and permitted assigns, as described herein.

10. The rights and responsibilities set forth in this Easement are intended to be covenants on the Premises and are to run with the land.

11. This Easement shall be recorded in the real property records of Adams County.

12. This Easement may be executed in several counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.

MEMORANDUM

TO: Lisa Johnson, District Manager, Greatrock North Water and Sanitation District

FROM: Brad Simons, MMI Water Engineers, LLC

RE: Preliminary Plat Review Comments for Ridgeview Estates (PLT2018-00044)

DATE: January 23, 2019

CC: N/A

I have reviewed the submittal for the above referenced case received by MMI Water Engineers, LLC on January 7, 2019 and offer the following comments for consideration in the Greatrock North Water and Sanitation District's response to the Adams County Community & Economic Development Department:

1. An Inclusion Agreement between Ridgeview Estates LLC (Owner) and Greatrock North Water and Sanitation District (District) was entered into the 24th day of July 2008. Said Inclusion Agreement indicates, among other things:
    a. The Owner and the property which the Owner intends to develop shall be bound by and subject to the District's Rules and Regulations (para. 2.).
    b. The Owner shall convey to the District all water and water rights, including, but not limited to, tributary, and nontributary and not nontributary water rights, ditches and ditch rights, wells and well rights, reservoirs and reservoir rights, whether decreed or undecreed, permitted or unpermitted, underlying, associated with, or appurtenant to the property and, to the extent applicable, adjacent right-of-way, including all water rights associated with the 62.3 acre subdivision pursuant to a Special Warranty Deed. The process for adjudicating the water conveyed shall begin one hundred twenty (120) days after recordation of the Final Plat for the Ridgeview Estates subdivision. The adjudication process may begin prior to that date if mutually agreed upon by Owner and District (para. 6.).
    c. Upon inclusion into the District, the District will provide water for twenty-one (21) approximately 2.5 acre lots in the Ridgeview Estates subdivision to satisfy in-home uses, irrigated areas not-to-exceed four thousand (4,000) square feet per lot, and livestock use (horses) not-to-exceed two (2) horses per acre, all in accordance with the District's Rules and Regulations (para. 6.).

   d. The Owner shall be responsible for the construction of a single eight inch (8") looped water line in accordance with District specifications as necessary to serve the property. At the time of the Inclusion Agreement, the water improvements had not yet been identified but the Inclusion Agreement indicates the water improvements will be identified jointly by the District and the Owner upon receipt of all information (para. 8).
   e. The Owner shall grant and convey to the District, by plat dedication and/or separate agreement, any and all easements and rights-of-way within and without the property required by the District to serve the property, including an easement for one 40' x 100' well site on the property located on the east end of Tract A on the Final Plat for Ridgeview Estates (para. 13.a.).
2. The Owner has conveyed the water rights referenced above to the District, but the adjudication process referenced above has not been initiated by the District.
3. Ultimately, the District may decide to seek approval to withdraw the Ridgeview Estates Denver Basin groundwater as part of the District's wellfield located off the Ridgeview Estates parcel, but the District should obtain the 40' x 100' well site easement so it is not precluded from drilling a Denver Basin well on Tract A if it deems the well necessary in the future.
4. The other easements and rights-of-way referenced in para. 13. of the Inclusion Agreement appear to be addressed on the preliminary plat attached to the Request for Comments.
5. On January 22, 2019, MMI Water Engineers, LLC received "Final Construction Plans", dated December 3, 2018, from David Moore, of Alliance Consulting. The "Final Construction Plans" have not been reviewed or approved by the District as of the date of this memorandum regarding Preliminary Plat Review Comments for Ridgeview Estates (PLT2018-00044).

Should you have any comments or questions, please contact me at 720-234-8398.

MEMORANDUM

TO: Layla Bajelan, Adams County Community and Economic Development

FROM: Brad Simons, Greatrock North Water and Sanitation District

RE: Ridgeview Estates Filing No. 1, Final Plat-3rd Submittal (PLT2019-00026)

DATE: March 16, 2020

CC: David Solin, District Manager, and Jennifer Tanaka, District General Counsel

I have reviewed 1) the submittal for the above referenced case received by MMI Water Engineers, LLC on February 28, 2020, and 2) the updated materials posted to the County's website on March 9, 2020. On behalf of the Greatrock North Water and Sanitation District, I offer the following comments for consideration:

1. The "LIENHOLDER CERTIFICATE" on Sheet 1 or 2 for the final plat for "Ridgeview Estates – Filing No. 1" still indicates the District "consent(s) to the dedication and easements shown on this plat and release(s) the same from the encumbrance recorded at Reception No. 2018000097841 of the records of the Adams County Clear and Recorder". A copy of the Statement of Lien is included for reference. The District will only execute the "LIENHOLDER CERTIFICATE" if the applicant pays the unpaid system development fees. Otherwise, said system development fees are due and owed on each single-family residential equivalent unit within five (5) business days of the issuance of a building permit by Adams County for that specific single-family residential equivalent unit. On March 10, 2020, the District met with the applicant to discuss the "LIENHOLDER CERTIFICATE" statement. On March 11, 2020, the applicants engineer, Patrick Domagall, indicated he had removed the statement and republished the plat file. A copy of the revised plat is attached to this memorandum for reference.
2. The cover sheet for "Ridgeview Estates – Filing No. 1" indicates a Homeowner's Association will be created and will have a number of responsibilities:

   Note 6: The Homeowner's Association shall be created and in place prior to recording of this plat.

   Note 13: Drainage easements as shown on the plat are dedicated to and will be maintained by the Homeowner's Association for the purpose of providing storm water drainage throughout the subdivision and for the maintenance thereof.

Note 17: Equestrian easements are hereby dedicated to the Homeowner's Association for the purpose of maintaining said easement areas as an equestrian trail used by the Association members and guests. No fencing is allowed within the equestrian easements except the exterior perimeter fence, on the boundary of Ridgeview Estates, provided and maintained by the Homeowner's Association.
Note 18: Tract A is for future water well establishment by Great Rock North Water and Sanitation District and shall be owned and maintained by the Homeowner's Association. It is the District's preference to own and maintain Tract A as it is a potential site for future water well(s) to serve the District's public water system.
Note 19: Tract B for the detention pond shall be owned and maintained by the Homeowner's Association.
Note 22: Kallsen 110 Gas Well motorized access easement to be maintained by the HOA.

The District has previously communicated concerns to Adams County regarding the enforcement of plat conditions (i.e. Notes) in the event a Homeowner's Association dissolves. The County has indicated it does not regulate Homeowner's Associations and that if an Association dissolves, the responsibilities revert to the individual homeowners. I previously provided public comment regarding Homeowner's Associations at a Commissioner meeting on January 14, 2020 and have reached out to Commissioner O'Dorisio as a follow-up regarding Homeowner's Associations conceptualized during the platting process.

3. Note 20 on Sheet 1 or 2 for "Ridgeview Estates – Filing No. 1" indicates the Monaghan Mile Road access to the south of this subdivision shall be for emergency vehicles only and that an automatic gate shall be installed per the Greater Brighton Fire Protection District standards for restricted access gates. The future Monaghan Mile Road access road should extend to the end of Deer Park Street.
4. The District requires separately recorded instruments (i.e. Utility Easement Agreements) for the dedication of non-exclusive utility easements for the construction, reconstruction, repair, replacement, and/or removal of water improvements and appurtenance thereto across Lot 1, Lot 6, and Lot 7. A copy of the District's form of Utility Easement Agreement is attached for reference and was e-mailed to the applicant on March 11, 2020.
5. The applicant needs to confirm the "50' Equestrian Easement" in the Greatrock North subdivision as shown on the "Master Utility Plan" allows for the construction of water improvements to Tract A of the Greatrock North subdivision.

Should you have any comments or questions, please contact me at 720-234-8398.

RE: Ridgeview Estates, PLT2019-00026
TCHD Case No. 5927

Dear Ms. Bajelan,

Thank you for the opportunity to review and comment on the Preliminary Plat for a major subdivision to create 21 lots, approximately 2.5 acres in size, located southeast of Monaghan Road and east of 160th Avenue. Tri-County Health Department (TCHD) staff has reviewed the application for compliance with applicable environmental and public health regulations and principles of healthy community design. After reviewing the application, TCHD has the following comments.

Onsite Wastewater Treatment Systems (OWTS) - Proposed Subdivision
Proper wastewater management promotes effective and responsible water use, protects potable water from contaminants, and provides appropriate collection, treatment, and disposal of waste, which protects public health and the environment. TCHD has no objection to the proposed subdivision being served by Onsite Wastewater Treatment Systems (OWTS), provided the systems are permitted, installed, and operated in compliance with our current OWTS regulation

Oil and Gas
Adams County and the Colorado Oil and Gas Conservation Commission (COGCC) regulate the setback requirements of oil and gas wells and production facilities in order to eliminate, minimize, or mitigate potential adverse impacts to public health. Adams County requires a setback of 1000 feet from a new well to a residential property line. An existing oil and gas well is located within the subject property. TCHD recommends the applicant adhere to the setbacks outlined above, at a minimum.

Please feel free to contact me at 720-200-1575 or kboyer@tchd.org if you have any questions on TCHD's comments.

Sincerely,

Kathy Boyer, REHS
Land Use and Built Environment Specialist III

cc: Sheila Lynch, Monte Deatrich, TCHD

Hello,

Thank you for inviting United Power, Inc. to review and comment on the case referral for Ridgeview Estates Filing No. I, Final Plat-2nd submittal).

We will require the following for dry utilities:

- **General** - 8’ to 10’ wide utility easements along rear of all lots, sides of lots abutting roads, and across tracts. This allows us to install electric facilities in a continuous manner for our loop feed which provides reliability.
- **Tracts/Open Space/Parks** - 8’ to 10’ wide utility easements along perimeter of tracts, along perimeter of tracts abutting roads, and through tracts between lots. United Power prefers blanket utility use within tracts be dedicated as this gives us the opportunity to set above ground equipment, if needed and coordinated with the developer.
- **Streetlights** - If streetlight locations are known, we need a 5' wide utility easement along one side of the lot closest to the streetlight location. No permanent structures are acceptable within the utility easement; such as, window wells, wing walls, retaining walls, etc. All streetlight locations must be approved and signed off by the city/town, etc.

United Power would like to work with the developer early in the construction process on getting an electric design prepared so that we can request any additional easements needed and can be dedicated on the plat rather than obtaining via separate document. The developer can visit https://www.unitedpower.com/construction and submit an application along with CAD data.

We look forward to safely and efficiently providing reliable electric power and outstanding service to future members.

Thank you,

Samantha Riblett

Re: Ridgeview Estates Phase I, Case # PLT2019-00026

Public Service Company of Colorado's (PSCo) Right of Way and Permits Referral Desk has reviewed the plat for **Ridgeview Estates Phase One**. As always, thank you for the opportunity to take part in the review process. To ensure that adequate utility easements are available within this development and per state statutes, PSCo requests that the front lot 14-foot utility and drainage easements continue within Tracts A and B abutting the East 159th Avenue right-of-way, for continuity and connection of the utilities.

Public Service Company also requests that the following language or plat note is placed on the preliminary and final plats for the subdivision:

> *Utility easements are dedicated to Adams County for the benefit of the applicable utility providers for the installation, maintenance, and replacement of electric, gas, television, cable, and telecommunications facilities (Dry Utilities). Utility easements shall also be granted within any access easements and private streets in the subdivision. Permanent structures, improvements, objects, buildings, wells, and other objects that may interfere with the utility facilities or use thereof (Interfering Objects) shall not be permitted within said utility easements and the utility providers, as grantees, may remove any Interfering Objects at no cost to such grantees, including, without limitation, vegetation. Public Service Company of Colorado (PSCo) and its successors reserve the right to require additional easements and to require the property owner to grant PSCo an easement on its standard form.*

Public Service Company also requests that all utility easements are depicted graphically on the preliminary and final plats. While these easements should accommodate the majority of utilities to be installed in the subdivision, some additional easements may be required as planning and building progresses.

The property owner/developer/contractor must complete the application process for any new natural gas service via xcelenergy.com/InstallAndConnect. It is then the responsibility of the

RE: Ridgeview Estates Phase I, Final Plat

Dear Ms. Bajelan,

I am a resident of Greatrock North, which shares a border with the planned development. I attended the public meeting held on this development. My home is directly across from the stop sign on 160th Avenue (Great Rock Way at the end) at the southwest entrance to our neighborhood. I do not object to the new development and am glad it is 2.5 acre lots and will include an equestrian trail like our neighborhood has, since it borders our equestrian trail. I would like to see the trail made a requirement of the plat approval.

My primary concern is traffic impact through Greatrock North to reach Hayesmount Road. We already have a great number of vehicles that are cutting through our residential neighborhood from the new housing developments to the east. If people are working, shopping, etc. to destinations along 160th Avenue (Bridge Street) in Brighton, they cut through Greatrock North – primarily looping around on East 160th Place to exit our neighborhood on East 162nd Avenue to Hayesmount Road. Here are my traffic concerns:

- The Greatrock North Equestrian trail crosses 160th Avenue (see red trail marking on aerial, next page). When on horseback, we have to travel along 160th Avenue (Great Rock Way) to get to the trail on the other side of the road. The speed limit drops to 25 mph, but this is where speeders are such a danger. Their visibility coming along the curve as they approach the first houses is limited. Much more obvious speed limit traffic control devices are needed here. A flashing light on the speed sign (ideally a sign that shows the driver their speed), hatch marks on the roadway delineating the horse crossing, and signage that shows it is a horse crossing are needed.

- Horse owners in Greatrock North whose homes do not back to the equestrian trail have to access the trail by traveling the roads in the development to reach a signed, trail access point or access it via 160th Avenue. There are also bicyclists, dog walkers and other pedestrians, and kids playing along the roads in the neighborhood, which has no sidewalks, at all hours. A traffic study that shows how much of the traffic is cutting through Greatrock North to Hayesmount is needed in both directions. There are peak commute times, but we also get such traffic on weekends and evenings on the weekends. We appreciate that these roads were recently chip-sealed again. The traffic study would show where speed control devices would be useful. Rounded speed bumps have not been desired in this neighborhood because people hauling horse trailers do not like them. But the newer style wide, flat type might be an option.
- Alliance Development's final plat shows Monaghan Road continuing on the north side of 160th Avenue, indicating it is not constructed. At the location shows on the plat, that road would be on Greatrock North's horse trail. I am not sure if that is just how it was shown by the surveying company that prepared the plat or if there are plans to develop a road in that location. Could you please let me know?

Because my home faces the stop sign, I observe many vehicles that arrive there and are lost. Every day there are vehicles pulling over and trying to look on their phones to figure out where they are. I have had people come to my door for directions back to Brighton or to get to Bromley Lane. While it is not related to the final plat under consideration, I wanted to suggest that your department take a look at signage on

160th leaving Brighton eastbound that could help these drivers not come all the way east past Harvest Road.

Lost and speeding drivers have twice impacted my property by running off the road. A driver drove straight across at the stop sign one night in June last year, went across the ditch and tried to turn around to go back but went into the ditch further west over huge rocks, getting stuck in the culvert and taking out the Comcast pedestal. He was apparently unconscious and bleeding until daylight. In May this year, a driver became airborne off of 160th Place west bound, and her car landed partially on my concrete driveway and partially on my culvert pipes. She was trying to get to Brighton and I was told she said she was lost. Law enforcement (CHP and Adams County Sheriff Deputies), Brighton Fire Rescue and Platte Valley Ambulance responded. Luckily neither driver from these two incidents appeared injured, although I believe both vehicles were totaled. These accidents document the need for better traffic signage for our neighborhood.

Thank you for taking my comments into consideration.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Request for a Major Subdivision Final Plat to create three lots from three existing parcels.
FROM: Jill Jennings Golich, Director
AGENCY/DEPARTMENT: Community and Economic Development Department
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners approves PLT2020-00018; JRJK Dream Acres Final Plat with the recommended Findings-of Facts, Conditions, and Notes.

BACKGROUND:

On February 25, 2020, the Board of County Commissioners approved a major subdivision preliminary plat and rezone from A-3 to A-1 for JRJK Dream Acres to create three lots from three existing parcels.

The applicants, James and Kathleen Hill, are requesting a major subdivision final plat. The plat request encompasses three existing parcels in the vicinity of 13830 and 13850 Franklin Street. The subdivision application will allow for the two existing property owners to incorporate acreage from the larger parcel into their established lots. There would be one A-1 lot established with this request, however the total number of parcels would remain the same. This newly created lot could be developed with one single-family dwelling.

As proposed, the majority of the land would be incorporated into the applicant's parcel (13830 Franklin Street), which would be Lot 1 and consist of 27.6 acres. In addition, the property to the north would also incorporate a portion of the land from the 35-acre parcel, which would become Lot 2 and consist of 7.3 acres. There would be a third lot, Lot 3, that would be created and consist of 5.4 acres. As shown on the plat, easements and setback buffers are in place for the existing oil and gas wells on the proposed 5.4-acre parcel.

BOARD OF COUNTY COMMISSIONERS FOR
ADAMS COUNTY, STATE OF COLORADO

RESOLUTION APPROVING APPLICATION IN CASE # PLT2020-00018; JRJK DREAM ACRES FINAL PLAT

Resolution 2020-###

WHEREAS, this case involves a request for a Major Subdivision Final Plat to create three lots from the existing three parcels.

LOCATION: 13830 and 13850 Franklin Street

LEGAL DESCRIPTION:
LOTS 1 AND 2, BENINATI SUBDIVISION AND ALL OF THE NORTHWEST QUARTER OF THE SOUTHEAST QUARTER OF SECTION 23, TOWNSHIP 1 SOUTH, RANGE 68 WEST OF THE 6TH PRINCIPAL MERIDIAN, COUNTY OF ADAMS, STATE OF COLORADO DESCRIBED AS:
BEGINNING AT THE NORTHWEST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE SOUTH 89°42'50" EAST ALONG THE NORTH LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1331.67 FEET TO THE NORTHEAST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE SOUTH 00°29'54" EAST ALONG THE EAST LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1324.36 FEET TO THE SOUTHEAST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE NORTH 89°29'47" WEST ALONG THE SOUTH LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1329.62 FEET TO THE SOUTHWEST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE NORTH 00°35'27" WEST ALONG THE EAST RIGHT-OF-WAY LINE OF FRANKLIN STREET AND ALONG THE WEST LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1319.34 FEET TO THE POINT OF BEGINNING. CONTAINS 1,758,675 SQUARE FEET OR 40.374 ACRES MORE OR LESS.

WHEREAS, the Board of County Commissioners held a public hearing on the application on the 1st day of September, 2020; and

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that based upon the evidence presented at the hearing, the application in this case is hereby APPROVED based upon the following findings-of-fact and subject to the fulfillment of the following conditions by the applicant:

RECOMMENDED FINDINGS-OF-FACT
1. The final plat is consistent and conforms to the approved preliminary plat.

2. The final plat is in conformance with the subdivision design standards.
3. The applicant has provided evidence that a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards.
4. The applicant has provided evidence that a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, adequate evidence indicating that the system complies with state and local laws and regulations.
5. The applicant has provided evidence to show all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified by the applicant and the proposed uses of these areas are compatible with such conditions.
6. The proposed or constructed drainage improvements are adequate and comply with these standards and regulations.
7. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed subdivision have been constructed or financially guaranteed through cash-in-lieu or a subdivision improvements agreement so the proposed subdivision will not negatively impact the levels of service of the County.

Recommended Conditions:

1. All utilities shall be located underground pursuant to the Adams County Development Standards and Regulations.
2. The property owner for the newly created parcel will be required to obtain an access permit prior to the issuance of a Certificate of Occupancy for any buildings on the site.

Recommended Note to the Applicant:

1. The applicant shall comply with all building, zoning, fire, engineering, and health codes and regulations during the development of the subject site.
2. The Colorado Division of Parks and Wildlife has requested that a survey of the property for nesting of burrowing owls occurs if earthmoving occurs between March 15th and October 31st of any given year. These raptors are classified as a state threatened species and are protected by both state and federal laws, including the Migratory Bird Treaty Act. These laws prohibit the killing of burrowing owls or disturbance of their nests. Guidelines for performing a burrowing owl survey can also be obtained from the local District Wildlife Manager.
3. Lot-specific geotechnical investigation, testing, and analysis will be needed, once building locations are identified and prior to building permit application, to determine depths to bedrock and seasonal groundwater levels, and to characterize soil and bedrock engineering properties such as expansion/consolidation potential, density, strength, water content, and allowable bearing pressures.
4. According to NRCS soil survey data, the site soils are moderately corrosive to uncoated steel. On lots where basements are planned and groundwater levels are sufficiently deep to allow below-grade construction, epoxy-coated, vinyl/composite/fiberglass, concrete, or otherwise corrosion-resistant basement window wells are recommended, rather than uncoated or galvanized steel.
5. Applicant must submit the recorded resolution of approval to the Division of Water Resources to allow for the additional well to be permitted on the newly created parcel.

Case Manager:	Layla Bajelan
Staff Recommendation:	APPROVAL with 7 Findings-of-Fact, 2 Conditions and 5 Notes

SUMMARY OF PREVIOUS APPLICATIONS

On February 25, 2020, the Board of County Commissioners approved a major subdivision preliminary plat and rezone from A-3 to A-1 for JRJK Dream Acres to create three lots from three existing parcels.

SUMMARY OF APPLICATIONS

Background:

The applicants, James and Kathleen Hill, are requesting a major subdivision final plat. The plat request encompasses three existing parcels in the vicinity of 13830 and 13850 Franklin Street. The subdivision application will allow for the two existing property owners to incorporate acreage from the larger parcel into their established lots. There would be one A-1 lot established with this request, however the total number of parcels would remain the same. This newly created lot could be developed with one single-family dwelling.

As proposed, the majority of the land would be incorporated into the applicant's parcel (13830 Franklin Street), which would be Lot 1 and consist of 27.6 acres. In addition, the property to the north would also incorporate a portion of the land from the 35-acre parcel, which would become Lot 2 and consist of 7.3 acres. There would be a third lot, Lot 3, that would be created and consist of 5.4 acres. As shown on the plat, easements and setback buffers are in place for the existing oil and gas wells on the proposed 5.4-acre parcel.

Several years ago, in 2015, the 35-acre property was the proposed location of the Wadley Farms well pad. Synergy Resources Corp. proposed to construct a 20-well well pad on this parcel, which would have been the first large urban mitigation facility within the County, within 500-ft from at least 22 homes. Due to the significant amount of pushback the operator received, the well pad was relocated to a parcel north of Wadley Farms and away from residents. This new site, named the Ivey well pad, was permitted in 2017 by the Board of County Commissioners with the condition that the operator never allow the Wadley Farms property to be drilled for oil and gas. After the approval of the Ivey well pad, Ward Petroleum sold the surface development rights to the applicant. This relocation of the well pad protected the neighborhood from being within a couple hundred feet of a large oil and gas facility and was the first major success story where citizens came together to pressure operators to find a more appropriate location.

Development Standards and Regulations Requirements Major Subdivision (Final Plat):

Per Section 2-02-19-04 of the County's Development Standards and Regulations, a final plat must be consistent and conform to an approved preliminary plat. On February 25, 2020, the Board of County Commissioners approved a preliminary plat on the subject property. The subject request conforms to the approved preliminary plat.

The proposed plat conforms to the criteria for approval for a major subdivision final plat as outlined in Section 2-02-19-04-05 of the County's Development Standards. These standards include conformance to the County's Comprehensive Plan, the subdivision design standards, evidence of adequate water and sewer supply, adequate drainage improvements, adequate public infrastructure, and compatibility with the surrounding area. Per Section 5-03-03 of the County's Development Standards and Regulations, subdivision plats and lot dimensions are required to conform to requirements of the zone district in which the property is located. In addition, all lots created by a subdivision shall have access to a County-maintained right-of-way. The property is located within the Agriculture-1 (A-1) zone district which has a minimum of 2.5-acre lot size and a minimum lot width of 150-feet for lots with individual well and septic systems. The proposed subdivision will be served by individual well and septic system and all lots conform to the minimum dimensional requirements for the A-1 zone district. In addition, all the proposed lots will have access to a public right-of-way and will be accessed from Franklin Street to the west.

The applicant has also provided evidence of adequate water and sewer to service the property. Two of the three lots are currently being serviced by individual well and septic. The Colorado Division of Water Resources reviewed the project and confirmed the availability of adequate water supply to support the development and the additional individual residential well that will be required to develop on the newly created parcel. Tri-County Health Department also reviewed the subject request and had no objection to the proposed subdivision utilizing onsite wastewater

treatment systems (OWTS), provided that the OWTS is permitted, installed, and operated in compliance with regulation.

Subdivision Improvement Agreement (SIA):
Per Section 5-02-04 of the County's Development Standards and Regulations, a subdivision improvement agreement (SIA) is required with a final plat. The SIA allows for construction of infrastructure, such as public streets and storm sewers, to be constructed on the property. Through the Engineering Review, it was determined that a subdivision improvement agreement (SIA) will not be required with this application. The residents of the neighboring Wadley Farms Subdivision appreciate the agrarian feel of the area, which was taken into consideration during the review and has resulted in no required improvements to the gravel roads.

In addition, residential subdivisions, public land dedication is required to support regional parks and school districts. Section 5-05-05-04 of the County's Development Standards allows for cash-in-lieu of land dedication. These cash-in-lieu fees were required to be paid prior to scheduling the final plat application for public hearing.

Zone District Regulations:
The zoning designation for all parcels within this subdivision is A-1. Per Section 3-08-01 of the County's Development Standards and Regulations, the purpose of the A-1 zone district is to provide a rural single-family dwelling district where the minimum lot area for a home site is intended to provide for a rural living experience. Limited farming uses are permitted, including the keeping of a limited number of animals for the utilization and enjoyment of the County's rural environment. Primary uses within the A-1 zone district include single-family residential, farming, and nurseries. The dimensional requirements for the A-1 zone district include a minimum of 2.5-acre lot size and a minimum lot width of 150-feet for lots with individual well and septic systems.

The proposed plat will create one new lot, Lot 3, consisting of approximately 5.4 acres and 380 feet of lot width. Lot 2 will incorporate additional acreage into the existing lot and will consist of 7.3 acres and have 513 feet of lot width. Lot 1 will consist of 27 acres and have 233 feet of lot width. Therefore, all lots will be in conformance with the dimensional standards for the A-1 zone district of Section 3-08-07 of the County's Development Standards.

Future Land Use Designation/Comprehensive Plan:
The future land use designation on the properties is Estate Residential. Per Chapter 5 of the Adams County Comprehensive Plan, the purpose of the Estate Residential future land use designation is to provide limited opportunities for ex-urban or rural lifestyles in the County. Estate Residential areas are designated for single-family housing at lower densities, typically no greater than one unit per acre, and compatible uses such as schools and parks. Approval of this subdivision request will help to support the County's long-term goal outlined in the Comprehensive Plan for providing estate residential areas, supporting the need for housing within the County.

This request would also be supported by the Comprehensive Plan, as Policy 11.1 *Permit Estate Residential Development in targeted locations* aims to allow Estate Residential development

only where a similar land use pattern is already established or where such patterns may be appropriately extended. Policy 11.1.a. *Established Areas* allows for Estate Residential development as an appropriate land use only in areas established for such development in area designated on the Future Land Use map.

Site Characteristics:
The subject properties have street frontage along Franklin Street to the west. The subject request contains three existing parcels. The subdivision request will shift lot lines to create three newly configured parcels. The existing properties are home to two single-family residential dwellings, each on their own individual parcels, and an undeveloped 35-acre parcel. The properties containing the single-family dwellings are in the Benninati Subdivision, however the vacant, 35-acre property in not within a platted subdivision. All parcels surrounding the subject parcels are within the Wadley Farms subdivision. The Wadley Farms subdivision consists of several single-family lots that provide for a rural lifestyle. No existing buildings will be removed as a result of the subdivision application.

Surrounding Zoning Designations and Existing Use Activity:

Northwest **A-1** **Single-family dwelling**	**North** **A-1** **Single-family dwelling**	**Northeast** **A-1** **Single-family dwelling**
West **A-1** **Single-family dwelling**	**Subject Property** **A-1** **SF Dwellings/vacant**	**East** **A-1** **Single-family dwelling**
Southwest **A-1** **Single-family dwelling**	**South** **A-1** **Single-family dwelling**	**Southeast** **A-1** **Single-family dwelling**

Compatibility with the Surrounding Area:
The surrounding properties are all zoned as A-1 and are developed with single-family dwellings and associated accessory structures.

Per Section 8-02-02 of the County's Development Standards and Regulations, a traffic study is required with these applications. Staff reviewed the traffic study and has no outstanding concerns with potential traffic generation from the site. Although the surrounding roads are gravel, they are beloved by the residents and help to preserve the rural character within the square mile enclave that is surrounded by the City of Thornton. A new traffic study may be required during review of any building permit for new development on the property.

This application is compatible with the overall area and is not detrimental to public health and safety. Approval of this request will be consistent with the character of existing development in the area.

Staff Recommendations:

Based upon the application, the criteria for approval of a final plat, and recent site visit, staff recommends approval of this request with 7 findings-of-fact, 2 conditions, and 5 notes.

RECOMMENDED FINDINGS-OF-FACT

1. The final plat is consistent and conforms to the approved preliminary plat.
2. The final plat is in conformance with the subdivision design standards.
3. The applicant has provided evidence that a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards.
4. The applicant has provided evidence that a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, adequate evidence indicating that the system complies with state and local laws and regulations.
5. The applicant has provided evidence to show all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified by the applicant and the proposed uses of these areas are compatible with such conditions.
6. The proposed or constructed drainage improvements are adequate and comply with these standards and regulations.
7. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed subdivision have been constructed or financially guaranteed through cash-in-lieu or a subdivision improvements agreement so the proposed subdivision will not negatively impact the levels of service of the County.

Recommended Conditions:

1. All utilities shall be located underground pursuant to the Adams County Development Standards and Regulations.
2. The property owner for the newly created parcel will be required to obtain an access permit prior to the issuance of a Certificate of Occupancy for any buildings on the site.

Recommended Note to the Applicant:

1. The applicant shall comply with all building, zoning, fire, engineering, and health codes and regulations during the development of the subject site.
2. The Colorado Division of Parks and Wildlife has requested that a survey of the property for nesting of burrowing owls occurs if earthmoving occurs between March 15th and October 31st of any given year. These raptors are classified as a state threatened species and are protected by both state and federal laws, including the Migratory Bird Treaty Act. These laws prohibit the killing of burrowing owls or disturbance of their nests. Guidelines for performing a burrowing owl survey can also be obtained from the local District Wildlife Manager.
3. Lot-specific geotechnical investigation, testing, and analysis will be needed, once building locations are identified and prior to building permit application, to determine depths to bedrock and seasonal groundwater levels, and to characterize soil and bedrock engineering properties such as expansion/consolidation potential, density, strength, water content, and allowable bearing pressures.

4. According to NRCS soil survey data, the site soils are moderately corrosive to uncoated steel. On lots where basements are planned and groundwater levels are sufficiently deep to allow below-grade construction, epoxy-coated, vinyl/composite/fiberglass, concrete, or otherwise corrosion-resistant basement window wells are recommended, rather than uncoated or galvanized steel.
5. Applicant must submit the recorded resolution of approval to the Division of Water Resources to allow for the additional well to be permitted on the newly created parcel.

COUNTY AGENCY COMMENTS

Staff reviewed the request and has no outstanding concerns with the proposed applications.

DEVELOPMENT APPLICATION

13830 FRANKLIN STREET (35 ACRE TRACT)
BRIGHTON COLORADO

The 35 acre Tract of land is located in the Wadley Farms Subdivision in Adams County. The property is vacant land except for an oil/gas facility at the northeast corner. That operation is located on a 400' X 600' surface easement. The 35 acres is zoned A=3 Agricultural and has direct access to Franklin Street.

James J. Hill and Kathleena Hill purchased the 35 acres in order to add land to their Lot 2 in the Benninati Subdivision. Neighbors Terry an Rhonda Nelson agreed to purchase some of the land to add to their Lot 1 in the Benninati Subdivision. The Hills decided to add a 5 acre site for home that could have been built on the 35 acres. This plan divides the 35 acre into 3 lots.

Conceptual Review Application

The Applicant filed a Conceptual Review Application that was reviewed by the Development Review Team. Following the Conceptual Review Meeting the Review Team provided written comments to the Applicant dated5/1/2018. Comments were reviewed by the Applicant and his Consultants as to County Regulations and design criteria.

As part of the Conceptual Review the Applicant is required to hold a Neighborhood Meeting. This meeting was held on August 3, 2018 from 6:30 to 7 00 on the franklin Street property. The Applicant mailed out letters to 106 property owners and associated organizations. This list was provided by the County. Eleven neighbors attended the meeting including Jay and Kathy Hill and Rhonda Nelson. There was one person that requested information via email from the consultants and a neighbor that contacted the Hills after the meeting. A detailed account of Neighborhood Meeting is attached to this Application.

Zoning

The A-3 Zoning District has a minimum lot size of 35 acres. Under that zoning restriction the Hills are not able to divide the property as shown on the Preliminary Plat. Since the surrounding Wadley Farms Subdivision is zoned A-1, the rezoning of the 35 acre Tract to A-1 would be the best zone to implement the Preliminary plat.

The County Future Land Use Plan shows the 35 acres in the same Estate Residential classification as Wadley Farms. A review of the surrounding land use supports this zoning request from A-3 to A-1. The Wadley Farms Subdivision was developed as an Estate Residential area under the A-1 zoning district with a minimum lot size of 2.5 acres. The Preliminary Plat with 3 lots is a much lower density than Wadley Farms, so will have little or no impact on the adjoining Wadley farms neighborhood.

Preliminary Plat.

The zoning change to A-1 will allow the division of the property into 3 lots. The Preliminary Plat maintains the same density that's available under the existing zoning. The difference is that you have two expanded lots and one 5 acre lot instead of two 2.5 acre lots and one 35 acre lot.

The property has direct access to Franklin Street for all three lots. Adding a one home to this Preliminary Plat should not have any appreciable impact on Franklin Street.

Development Application

The Applicant requests a zoning change on the entire 35 acre property from A-3 to A-1 to facilitate the development of the Preliminary Plat. Preliminary Plat to divide the property into 3 lots as shown on thelat.

JRJK DREAM ACRES

LOTS 1 AND 2, BENINATI SUBDIVISION AND THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SECTION 23, TOWNSHIP 1 SOUTH, RANGE 68 WEST OF THE SIXTH PRINCIPAL MERIDIAN, COUNTY OF ADAMS, STATE OF COLORADO.

CASE NO. PLT2020-00018

SHEET 1 OF 2

DEDICATION AND OWNERSHIP:

KNOW ALL MEN BY THESE PRESENTS THAT THE UNDERSIGNED, BEING THE OWNER(S) OF OF THE FOLLOWING DESCRIBED TRACT OF LAND:

LOTS 1 AND 2, BENINATI SUBDIVISION AND ALL OF THE NORTHWEST QUARTER OF THE SOUTHEAST QUARTER OF SECTION 23, TOWNSHIP 1 SOUTH, RANGE 68 WEST OF THE 6TH PRINCIPAL MERIDIAN, COUNTY OF ADAMS, STATE OF COLORADO DESCRIBED AS:
BEGINNING AT THE NORTHWEST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE SOUTH 89°42'50" EAST ALONG THE NORTH LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1331.67 FEET TO THE NORTHEAST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE SOUTH 00°29'54" EAST ALONG THE EAST LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1324.36 FEET TO THE SOUTHEAST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE NORTH 89°29'47" WEST ALONG THE SOUTH LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1329.62 FEET TO THE SOUTHWEST CORNER OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23; THENCE NORTH 00°35'27" WEST ALONG THE EAST RIGHT-OF-WAY LINE OF FRANKLIN STREET AND ALONG THE WEST LINE OF THE NORTHWEST ONE-QUARTER OF THE SOUTHEAST ONE-QUARTER OF SAID SECTION 23, A DISTANCE OF 1319.34 FEET TO THE POINT OF BEGINNING.
CONTAINS 1,758,675 SQUARE FEET OR 40.374 ACRES MORE OR LESS.

HAVE BY THESE PRESENTS LAID OUT, PLATTED AND SUBDIVIDED THE SAME INTO LOTS AND EASEMENTS AS SHOWN ON THIS PLAT UNDER THE NAME AND STYLE OF JRJK DREAM ACRES. Development Review Team Comments

Date: June 11th, 2020
Project Number: PLT2020-00018
Project Name: **JRJK Dreams Final Plat**

Note to Applicant:
The following review comments and information from the Development Review Team is based on the information you submitted for the Final Plat request application. The Development Review Team review comments may change if you provide different information during the Resubmittal. Please contact the case manager if you have any questions.

Also, please note where "Section" is referenced, it is referring to the appropriate section of the Adams County Development Standards and Regulations.

Commenting Division: **Development Services, Planning**
Name of Reviewer: Layla Bajelan
Email: LBajelan@adcogov.org / **720-523-6863**

PLN01: REQUEST
Applicant is requesting a Major Subdivision Final Plat to create three lots from three existing parcels.

PLN02: PUBLIC LAND DEDICATION
1. Public Land Dedication- School District, Neighborhood/ Regional Parks
2. Cash in Lieu being required
3. Included is a calculation sheet of PLD fees, once your case has been scheduled for Public Hearing, you will be expected to pay $1,358.69, at least 24 hours before your case has been scheduled.
4. Please do not pay this amount until your case has been scheduled for Public Hearing

PLN03: WATER SUPPLY
1. Department of Water Resources (DWR) has indicated that they will not support this subdivision until the existing wells on the property are re-permitted. Applicant must get approval/support from the DWR before this case will be scheduled for Public Hearing.

PLN04: CRITERIA FOR APPROVAL

Section 2-02-19-04-05

The Planning Commission, in making their recommendation, and the Board of County Commissioners, in approving a final plat, shall find.

1. The final plat is consistent and conforms to the approved preliminary plat.
2. The final plat is in conformance with the subdivision design standards.
3. The applicant has provided evidence that a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards.
4. The applicant has provided evidence that a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, adequate evidence indicating that the system complies with state and local laws and regulations.
5. The applicant has provided evidence to show all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified by the applicant and the proposed uses of these areas are compatible with such conditions.
6. The proposed or constructed drainage improvements are adequate and comply with these standards and regulations.
7. Adequate public facilities or infrastructure, or cash-in-lieu, for impacts reasonably related to the proposed subdivision have been constructed or financially guaranteed through cash-in-lieu or a subdivision improvements agreement so the proposed subdivision will not negatively impact the levels of service of the County.

Layla,

I have reviewed the request for comments for a Major Subdivision - Final Plat to create three lots from three existing parcels located at 13830 Franklin Street and have no objections.

Thank you for the opportunity to review this referral.

Case PRC2020-00018
Section 23, Township 1 South, Range 68 West, 6th P.M.
Water Division 1, Water District 2

Dear Ms. Bajelan:

This letter is to inform you that as required by our December 18, 2019 comment letter, on June 29, 2020 and July 1, 2020, the Applicant submitted well permit applications to the State Engineer's Office to re-permit well nos. 194697 and 199898, in accordance with the Water Supply Plan for Wadley Farms Subdivision (aka JRJK Dream Acres) subdivision for the new Lots 1 and 2. The new permits will be issued once the final plat for Wadley Farms Subdivision (aka JRJK Dream Acres) is approved by the county and a copy of the approval is submitted to the State Engineers Office.

Should you or the Applicant have any questions, please contact Ioana Comaniciu of this office at 303-866-3581 ext. 8246.

Sincerely,

Joanna Williams, P.E.
Water Resource Engineer

Re: Wadley Farms Subdivision (aka JRJK Dream Acres) Final Plat
Case PRC2020-00018
Section 23, Township 1 South, Range 68 West, 6th P.M.
Water Division 1, Water District 2

Dear Ms. Bajelan:

We have reviewed your referral dated May 20, 2020 regarding the above-referenced request to subdivide approximately 40 acres, comprised of Lots 1 and 2, Beninati Subdivision and a 35 acre tract, into three residential lots of approximately 27.614 acres (Lot 1), 7.332 acres (Lot 2) and 5.428 acres (Lot 3). Two existing wells operated under permit nos. 194697 and 199898 are located on Lot 1 and Lot 2 respectively, of Beninati Subdivision. The State Engineer's Office previously provided comments to the Wadley Farms Subdivision (aka JRJK Dream Acres), by our letters dated January 25, 2019 and October 17, 2019 and December 18, 2019.

The comments from our previous letter dated December 18, 2019 (copy enclosed) regarding the water supply for this subdivision still apply, however as identified in the December 18, 2019 letter, **the Applicant was required to submit well permit applications to the State Engineer's Office to re-permit well nos. 194697 and 199898 prior to subdivision approval. Since well permit applications were not submitted as required by our December 18, 2019 letter, we cannot recommend approval of the final plat for the Wadley Farms Subdivision (aka JRJK Dream Acres) until the Applicant applies to re-permit well nos. 194697 and 199898 in accordance with the Water Supply Plan for this subdivision for the new Lots 1 and 2. In addition, if this requirement is not met, a well permit for a future well on Lot 3 cannot be issued. As previously requested those well permit applications should include a copy of the December 18, 2019 letter.**

Should you or the Applicant have any questions, please contact Ioana Comaniciu of this office at 303-866-3581 ext. 8246.

Sincerely,

Joanna Williams, P.E.
Water Resource Engineer

Re: Wadley Farms Subdivision (aka JRJK Dream Acres)
Case PRC2018-00025
Section 23, Township 1 South, Range 68 West, 6th P.M.
Water Division 1, Water District 2

Dear Ms. Bajelan:

We have reviewed your referral dated December 17, 2019 regarding the above-referenced request to subdivide approximately 40 acres, comprised of Lots 1 and 2, Beninati Subdivision and a 35 acre tract, into three residential lots of approximately 27.614 acres (Lot 1), 7.332 acres (Lot 2) and 5.428 acres (Lot 3). Lot 2 of Beninati Subdivision will be incorporated into Lot 1 of Wadley Farms Subdivision and Lot 1 of Beninati Subdivision will be incorporated into Lot 2 of Wadley Farms Subdivision. The application is also requesting to change the zoning of the 35 acre tract from A-3 to A-1. Two existing wells operated under permit nos. 194697 and 199898 are located on Lot 1 and Lot 2 respectively, of Beninati Subdivision. The State Engineer's Office previously provided comments to the Wadley Farms Subdivision, by our letters dated January 25, 2019 and October 17, 2019.

Water Supply Demand

The estimated water demand for the new Lot 1 (27.617 acres) is 1.61 acre-feet/year. The ground water will be used inside one single family dwelling, irrigation of up to 15,000 square-feet of lawn and garden and the watering of not more than 20 large noncommercial domestic animals.

The estimated water demand for the new Lot 2 (7.332 acres) is 0.697 acre-feet/year. The ground water will be used inside one single family dwelling, irrigation of up to 5,800 square-feet of lawn and garden and the watering of not more than 8 large noncommercial domestic animals.

The estimated water requirement for the new Lot 3 (5.428 acres) is 0.517 acre-feet, for use inside one single family dwelling, irrigation of not more than 3,300 square-feet of lawn and garden and the watering of four large noncommercial domestic animals.

Water Supply Source

According to a Water Supply Plan provided the existing well, permit no. 199898, will be used to supply the new Lot 1 (27.617 acres) and the existing well, permit no. 194697, will be used to supply the new Lot 2 (7.332 acres). Both wells were constructed into the nontributary Laramie-Fox Hills aquifer. Further the Water Supply Plan indicates that Lot 3 (5.428 acres) will be supplied by a new well to be constructed into the nontributary Laramie-fox Hills aquifer. The Applicant proposes to re-permit the existing well permit nos. 199898 and 194697 for the newly created lots.

In our previous letter from January 25, 2019 we indicated that based on the Denver Basin Rules and site specific information the amounts of water available in the Laramie-Fox Hills aquifer underlying the 27.614 acres (Lot 1), 7.332 acres (Lot 2) and 5.428 acres (Lot 3), are as shown in Table 1 below.

Table 1

Aquifer	Lot 1 Assuming 100 Year Aquifer Allocation (acre-feet)	Lot 2 Assuming 100 Year Aquifer Allocation (acre-feet)	Lot 3 Assuming 100 Year Aquifer Allocation (acre-feet)	Approximate Aquifer Depth	Type
Laramie-Fox Hills	7.87	2.09	1.55	800-1095	NT

NT=Nontributary

We also mentioned that, unless the water underlying the property is decreed in water court, well permits would ultimately be issued pursuant to C.R.S. 37-92-602(3)(b)(I) and the policy of the State Engineer. Under those provisions only the quantity of water underlying the individual lots could be considered available for withdrawal by the existing wells and proposed well. To the extent that the parcel sizes change from those currently proposed the amount of water available to the lots will also change.

The proposed source of water for this subdivision is a bedrock aquifer in the Denver Basin. The State Engineer's Office does not have evidence regarding the length of time for which Laramie-Fox Hills aquifer will be a physically and economically viable source of water. According to 37-90-137(4)(b)(I), C.R.S., "Permits issued pursuant to this subsection (4) shall allow withdrawals on the basis of an aquifer life of one hundred years." Based on this **allocation** approach, the annual amounts of water shown in Table 1 are equal to one percent of the total amount, as determined by rules 8.A and 8.B of the Statewide Nontributary Ground Water Rules, 2 CCR 402-7. Therefore, the water may be withdrawn in those annual amounts for a maximum of 100 years.

In the Adams *County Development Standards and Regulations*, Effective April 15, 2002, Section 5-04-05-06-04 states:

> "Prior to platting, the developer shall demonstrate that…the water supply is dependable in quantity and quality based on a minimum useful life of three-hundred (300) years. A minimum 300-year useful life means the water supply from both a static and dynamic basis will be viable for a minimum 300-year period. The static analysis shall include evaluation of the volume of water that is appropriable for the proposed subdivision. The dynamic analysis shall evaluate whether the appropriable water supply is sustainable for three-hundred (300) years, giving consideration to the location and extent of the aquifer, as well as impacts caused by both current and future pumping by others from the aquifer."

The State Engineer's Office does not have evidence regarding the length of time for which this source will be "dependable in quantity and quality." However, treating Adams County' s requirement as an **allocation** approach based on three hundred years, the allowed average annual amount of withdrawal from the Laramie-Fox Hills aquifer shown in Table 1 above would be reduced to one third of those amounts as shown in Table 2 below:

Table 2

Aquifer	Lot 1 Assuming 300 Year Aquifer Life (acre-feet)	Lot 2 Assuming 300 Year Aquifer Life (acre-feet)	Lot 3 Assuming 300 Year Aquifer Life (acre-feet)
Laramie-Fox Hills	2.62	0.697	0.517

The estimated water demand for the new lots are within the limitation of the amount of water available underlying each individual lot listed in Table 2 above. However, the amounts available and allowed uses could change if the lots sizes vary from those specified in this letter.

State Engineer's Office Opinion

Based upon the above and pursuant to Section 30-28-136(1)(h)(II), C.R.S., it is our opinion that the proposed revised water supply will be adequate and can be provided without causing injury to decreed water rights, provided well permit nos. 194697 and 199898 are re-permitted in accordance with the Water Supply Plan for this subdivision as soon as the subdivision is approved. To assure that the wells are re-permitted upon subdivision approval the Applicant should submit well permit applications to the State Engineer's Office to re-permit well nos. 194697 and 199898 prior to subdivision approval. Those well permit applications should include a copy of this letter.

Our opinion that the water supply is **adequate** is based on our determination that the amount of water required annually to serve the subdivision is currently physically available, based on current estimated aquifer conditions.

Our opinion that the water supply can be **provided without causing injury** is based on our determination that the amount of water that is legally available on an annual basis, according to the statutory **allocation** approach, for the proposed uses is greater than the annual amount of water required to supply existing water commitments and the demands of the proposed subdivision.

Our opinion is qualified by the following:

The amounts of water in the Denver Basin aquifers, and identified in this letter, are calculated based on estimated current aquifer conditions. For planning purposes the county should be aware that the economic life of a water supply based on wells in a given Denver Basin aquifer may be less than the 300 years used for allocation due to anticipated water level declines. We recommend that the county determine whether it is appropriate to require development of renewable water resources for this subdivision to provide for a long-term water supply.

Should you or the Applicant have any questions, please contact Ioana Comaniciu of this office at 303-866-3581 ext. 8246.

Sincerely,

Joanna Williams, P.E.
Water Resource Engineer

Re: JRJK Dream Acres Major Subdivision Final Plat, Case # PLT2020-00018

Public Service Company of Colorado's (PSCo) Right of Way & Permits Referral Desk has reviewed the plat for **JRJK Dream Acres** and has **no apparent conflict**.

The property owner/developer/contractor must complete the application process for any new natural gas or electric service via xcelenergy.com/InstallAndConnect. It is then the responsibility of the developer to contact the Designer assigned to the project for approval of design details. Additional easements may need to be acquired by separate document for new facilities.

As a safety precaution, PSCo would like to remind the developer to call the Utility Notification Center by dialing 811 for utility locates prior to construction.

Request for Comments

Case Name: JRJK Dream Acres Major Subdivision-Final Plat

Case Number: PLT2020-00018

May 20, 2020

The Adams County Planning Commission is requesting comments on the following application: **Major Subdivision- Final Plat to create three lots from three existing parcels.** This request is located at 13830 Franklin St. The Assessor's Parcel Numbers are: 0157323000010, 0157323002018, 0157323002019.

Applicant Information: James and Kathleena Hill
13830 Franklin St
Brighton, CO 80602

Please forward any written comments on this application to the Community and Economic Development Department at 4430 South Adams County Parkway, Suite W2000A Brighton, CO 80601-8216 or call (720) 523-6800 by 06/11/2020 in order that your comments may be taken into consideration in the review of this case. If you would like your comments included verbatim please send your response by way of e-mail to LBajelan@adcogov.org.

Once comments have been received and the staff report written, the staff report and notice of public hearing dates may be forwarded to you upon request. The full text of the proposed request and additional colored maps can be obtained by contacting this office or by accessing the Adams County web site at www.adcogov.org/planning/currentcases.

Thank you for your review of this case.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Subdivision Improvement Agreement for Ridgeview Estates Final Plat, Filing No. 1
FROM: Jill Jennings Golich, Director
AGENCY/DEPARTMENT: Community and Economic Development Department
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners approves the Subdivision Improvement Agreement for Ridgeview Estates, Filing No. 1, Case No. SIA2019-00019.

BACKGROUND:

On August 13, 2019, the Board of County Commissioners approved a major subdivision preliminary plat for Ridgeview Estates to create 21 lots on approximately 62.3 acres. The subject application is for Filing, No. 1 and consists of 11 of the 21 lots.

David Moore, on behalf of Alliance Development Services, is requesting a major subdivision final plat for the Ridgeview Estates Subdivision, Filing No. 1. The final plat for Filing No. 1 consists of 11 single-family residential lots, two non-residential tracts, and associated public streets.

The subject Subdivision Improvements Agreement (SIA) allows for the Developer to enter into a written agreement with the County to install public and/or private improvements, and to deed land for public purposes or right-of-way or submit cash-in-lieu.

RESOLUTION APPROVING CASE #SIA2019-00019 SUBDIVISION IMPROVEMENTS AGREEMENT FOR RIDGEVIEW ESTATES, FILING NO. 1

WHEREAS, it is provided by resolution of the Board of County Commissioners, County of Adams, that where designated the Developer shall have entered into a written agreement with the County to install public and/or private improvements, and to deed land for public purposes or right-of-way or submit cash-in-lieu; and,

WHEREAS, on September 1st, 2020, the Board of County Commissioners, in Case No. PLT2019-00026, Ridgeview Estates, Filing No. 1, approved a Final Plat to allow 11 residential lots and 2 non-residential tracts on approximately 36 acres in the Residential Estate (RE) zone district; and,

WHEREAS, the Developer will provide collateral to meet the terms of the agreement prior to the issuance of any permit within the subdivision; and,

WHEREAS, the Adams County Community and Economic Development Department recommends approval of the attached Subdivision Improvements Agreement for Ridgeview Estates, Filing No. 1 , Case No. SIA2019-00019.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that the Subdivision Improvements Agreement for Ridgeview Estates Filing No. 1, a copy of which is attached hereto and incorporated herein by this reference, be approved.

BE IT FURTHER RESOLVED that the Chair of the Board of County Commissioners be authorized to execute this AGREEMENT on behalf of the County of Adams, State of Colorado.

RIDGEVIEW ESTATES
SUBDIVISION
Case No. PLT2019-00026

SUBDIVISION IMPROVEMENTS AGREEMENT

THIS AGREEMENT is made and entered into by and between the County of Adams, State of Colorado, hereinafter called "County," and Ridgeview Properties LLC, 5540 Ward Road Suite 230 Arvada, CO 80002, hereinafter called "Developer."

WITNESSETH:

WHEREAS, Developer is the owner of real property in the County of Adams, State of Colorado, as described in Exhibit "A" attached hereto, and by this reference made a part hereof.

WHEREAS, it is provided by resolution of the Board of County Commissioners, County of Adams, that where designated the Developer shall have entered into a written agreement with the County to install public and/or private improvements, and to deed land for public purposes or right-of-way.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto promise, covenant, and agree as follows:

1. **Engineering Services**. Developer shall furnish, at its own expense, all engineering and other services in connection with the design and construction of the improvements described and detailed on Exhibit "B" attached hereto, and by this reference made a part hereof.

2. **Drawings and Estimates**. The Developer shall furnish drawings and cost estimates for all improvements described and detailed on Exhibit "B" for approval by the County. Upon request, the Developer shall furnish one set of reproducible "as built" drawings and a final statement of construction costs to the County.

3. **Construction**. Developer shall furnish and construct, at its own expense and in accordance with drawings and materials approved by the County, the improvements described and detailed on Exhibit "B".

4. **Time for Completion**. Improvements shall be completed according to the terms of this agreement within "construction completion date" appearing in Exhibit "B". The Director of Community and Economic Development Department may for good cause grant extension of time for completion of any part or all of improvements appearing on said Exhibit "B". Any extension greater than 180 days is within the sole discretion of the Board of County Commissioners. All extensions of time must be in writing.

5. **Guarantee of Compliance**. Developer shall furnish to the County a cash escrow deposit or other acceptable collateral, releasable only by the County, to guarantee compliance with this agreement. Said collateral shall be in the amount of $751,334 including twenty percent (20%) to cover administration and five percent (5%) per year for the term of the Agreement to cover inflation. Upon approval of the final plat, completion of said improvements constructed according to the terms of this agreement, and preliminary acceptance by the Director of Public Works in accordance with section 5-02-05-01 of the County's Development Standards and Regulations, the collateral shall be released. Completion of said improvements shall be determined solely by the County, and a reasonable part of said collateral, up to 20%, may be retained to guarantee maintenance of public improvements for a period of one year from the date of Preliminary Acceptance.

   No building permits shall be issued until said collateral is furnished in the amount required and in a form acceptable to the Board of County Commissioners, and until the final plat has been approved and the improvements described in Exhibit "B" have been preliminarily accepted by the Department of Public Works.

6. **Acceptance and Maintenance of Public Improvements**. All improvements designated "public" on Exhibit "B" shall be public facilities and become the property of the County or other public agencies upon acceptance. During the period of one year from and after the acceptance of public improvements, the Developer shall, at its own expense, make all needed repairs or replacement due to defective materials or workmanship which, in the opinion of the County, becomes necessary. If, within ten days of written notice to the Developer from the

County requesting such repairs or replacements, the Developer has not undertaken with due diligence to make the same, the County may make such repairs or replacements at the Developer's expense. In the case of an emergency such written notice may be waived.

7. **Successors and Assigns**. This agreement shall be binding upon the heirs, executors, personal representatives, successors, and assigns of the Developer, and shall be deemed a covenant running with the real property as described in Exhibit "A" attached hereto.

8. **Improvements and Dedication**. The undersigned Developer hereby agrees to provide the following improvements, and to dedicate described property.

A. **Improvements**.

Public Improvements:

Earthwork, sediment and erosion control, storm drainage, public road construction, dry utilities, surveying, engineering, testing and construction management (See Exhibit "B" for description, estimated quantities and estimated construction costs.)

Private Improvement: Driveway construction on 27910 E160th Avenue as shown on drawing C9 and included in Guarantee of Compliance.

The improvements shall be constructed in accordance with all County requirements and specifications in accordance with the approved plans and time schedule as indicated in Exhibit "B".

B. **Public dedication of land for right-of-way purposes or other public purpose**. Upon approval of this agreement by the Board of County Commissioners, the Developer hereby agrees to convey by warranty deed to the County of Adams the following described land for right-of-way or other public purposes:

Road right of ways consisting of East 159th Avenue, Deer Park Street and East 158th Place.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Resolution accepting of a Special Warranty Deed from Alfred J. Linnebur Flying J Services, Inc to Adams County for Right-of-Way Purposes. Dedication of portions of 38th Avenue & Krebs Rd.
FROM: Jill Jennings Golich, Director, Community & Economic Development Department
AGENCY/DEPARTMENT: Community & Economic Development
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners approves a resolution accepting a Special Warranty Deed from Alfred J. Linnebur Flying J Services to Adams County for Right-of Way Purposes.

BACKGROUND:
Adams County is being granted road right-of-way from Alfred J. Linnebur Flying J Services, Inc, on a property located at 64001 US Highway 36, Byers, CO 80103. The purpose of the dedication is part of a Land Survey Plat in which the landowner is granting the easterly sixty feet (60') of Section 30 and the northernly forty feet (40') to Adams County to allow the County to acquire ownership in additional right-of-way of E 38th Avenue and Krebs Road in order to comply with the future development.

BOARD OF COUNTY COMMISSIONERS FOR
ADAMS COUNTY, STATE OF COLORADO

Resolution 2020-

RESOLUTION ACCEPTING A SPECIAL WARRANTY DEED FROM ALFRED J. LINNEBUR FLYING SERVICE, INC, TO ADAMS COUNTY FOR RIGHT-OF-WAY DEDICATION PURPOSES

WHEREAS, the Planning Commission for Adams County, Colorado, has considered the advisability of accepting a Special Warranty Deed from Alfred J Linnebur Flying Service, Inc, for property located in the Part of Section 30, Township 3 South, Range 61 West of the 6th Principal Meridian as described in the attached easement agreement; and

WHEREAS, this Special Warranty Deed is in conjunction with a Land Survey Plat.

WHEREAS, at a regular meeting of the Planning Commission for Adams County, Colorado, held at the County Government Center in Brighton on Thursday the 9th day of July, 2020, the Planning Commission recommended that the Board of County Commissioners accept said Special Warranty Deed.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners, County of Adams, State of Colorado, that the Special Warranty Deed from Alfred J Linnebur Flying Service, Inc, a copy of which is attached hereto and incorporated herein by this reference, be and hereby is accepted.

SPECIAL WARRANTY DEED

THIS DEED, dated this 8th day of June 2020 between **Alfred J Linnebur Flying Service, Inc.**, whose address is 64001 US Highway 36, Byers, CO, 80103, grantor(s), and **THE COUNTY OF ADAMS, State of Colorado**, whose legal address is 4430 South Adams County Parkway, Brighton, Colorado 80601 of the County of Adams and State of Colorado, grantee(s):

WITNESS, that the grantor(s), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, have granted, bargained, sold and conveyed, and by these presents doth grant, bargain, sell, convey and confirm, unto the grantee(s), its successors and assigns forever, all the real property, together with improvements, if any, situate, lying and being in the said County of Adams, State of Colorado, described as follows:

Legal description as set forth in Exhibit "A" attached hereto and incorporated herein by this reference.

Assessor's schedule or parcel number: part of 0181130100006 and 0181130100007

TOGETHER with all and singular the hereditaments and appurtenances thereto belonging, or in anywise appertaining, the reversion and reversions, remainder and remainders, rents, issues and profits thereof, and all the estate, right, title, interest, claim and demand whatsoever of the grantor(s), either in law or equity, of, in and to the above bargained premises, with the hereditaments and appurtenances;

TO HAVE AND TO HOLD the said premises above bargained and described, with the appurtenances, unto the grantee(s), its successors and assigns forever. The grantor(s), for itself, its successors and assigns, do covenant, grant, bargain and agree to and with the grantee(s), its successors and assigns, does covenant, and agree that it shall and will WARRANT AND FOREVER DEFEND the above bargained premises in the quiet and peaceable possession of the grantee(s), its successors and assigns, against all and every person or persons lawfully claiming the whole or any part thereof, by, through or under grantor(s), except and subject to matters of record, and except interests of record.

IN WITNESS WHEREOF, the grantor(s) have executed this deed on the date set forth above.

PLANNING COMMISSION FOR
ADAMS COUNTY, STATE OF COLORADO

RESOLUTION RECOMMENDING ACCEPTANCE OF A SPECIAL WARRANTY DEED
FROM ALFRED J. LINNEBUR FLYING J SERVICES, INC TO ADAMS COUNTY FOR RIGHT-OF-WAY PURPOSES

At a regular meeting of the Planning Commission for Adams County, Colorado, held at the County Government Center in Brighton Colorado on Thursday the 9th day of July 2020, the following proceedings, among others, were had and done, to wit:

WHEREAS, the Adams County Planning Commission has considered the advisability of accepting a Special Warranty Deed from Alfred J. Linnebur Flying J Services, Inc. for the dedication of road right-of-way for E 38th Avenue and Bradbury Krebs Road being on the following described property:

> See Legal Description as set forth in Exhibit "A" of Special Warranty Deed attached hereto and incorporated herein by this reference.

WHEREAS, this property is located in and is a Part of Section 30, Township 3 South, Range 61 West of the 6th Principal Meridian, County of Adams, State of Colorado.

NOW, THEREFORE, BE IT RESOLVED that the Adams County Planning Commission recommends to the Board of County Commissioners that said Special Warranty Deed be accepted by the Board of County Commissioners for road right-of-way as designated above.

Upon a motion duly made and seconded, the foregoing resolution was adopted.

I, Justin Martinez, Chair of the Adams County Planning Commission do hereby certify that the annexed foregoing resolution is a true and correct record of the proceedings of the Adams County Planning Commission.

Adams County Planning Commission

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Flood Insurance Assessment and Program for Public Information
FROM: Jill Jennings Golich, Director
AGENCY/DEPARTMENT: Community & Economic Development
HEARD AT STUDY SESSION ON: July 28, 2020
AUTHORIZATION TO MOVE FORWARD: ☒ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners approves the Flood Insurance Assessment and the Program for Public Information to obtain additional credit through the annual recertification of the Adams County Floodplain Management Program within the Community Rating System.

BACKGROUND:

Adams County has received Community Rating System (CRS) credit for floodplain management activities. Adams County continues to implement these activities through the Development Standards and Regulations. The Adams County Floodplain Coordinator has completed a flood insurance assessment and developed a program for public information to enhance the Adams County Floodplain Management program and to improve the score within the Community Rating System. The Community Economic and Development Department is requesting the Board of County Commissioners to approve the flood insurance assessment and authorized the program for public information.

BOARD OF COUNTY COMMISSIONERS FOR
ADAMS COUNTY, STATE OF COLORADO

RESOLUTION APPROVING THE FLOOD INSURANCE ASSESSMENT
AND PROGRAM FOR PUBLIC INFORMATION FOR ADAMS COUNTY

Resolution 2020-XXX

WHEREAS, Adams County is a member of the National Flood Insurance Program and participates in the Community Rating System; and,

WHEREAS, The Community Rating System is a voluntary incentive-based program that recognizes, encourages, and rewards communities for exceeding the minimum standards of the National Flood Insurance Program; and,

WHEREAS, Adams County's floodplain management program is evaluated annually by the Insurance Services Office, Inc., a contractor for the Federal Emergency Management Agency (FEMA), to verify compliance with the National Flood Insurance Program and award points for public information activities, mapping and regulations, flood damage reduction activities, and warning and response; and,

WHEREAS, Adams County has received a Class 9 rating and has the opportunity to increase the community rating score with this year's verification cycle; and,

WHEREAS, the completion of a flood insurance assessment and the development of a program for public information are two activities that can increase Adams County's score within the Community Rating System by enhancing the current public information activities; and,

WHEREAS, the Adams County Community and Economic Development Department recommends that the Board of County Commissioners approve the Flood Insurance Assessment and Program for Public Information.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that the Flood Insurance Assessment and Program for Public Information For Adams County, a copy of which is attached hereto and incorporated herein by this reference, is hereby approved.

BE IT FURTHER RESOLVED, that the Chair of the Board of County Commissioners be authorized to execute this document on behalf of the County of Adams, State of Colorado.

Flood Insurance Assessment and Program for Public Information

for Adams County

Completed by:

Theron Greg Labrie, PE, CFM
Adams County, Colorado

Introduction

The Adams County Floodplain Management Program is scheduled to go through a verification inspection this year. One element that will enhance the Adams County Floodplain Management Program is having a flood insurance assessment with a flood insurance information improvement plan for the community. Currently, Adams County has not completed a flood insurance assessment, and the consequence of not having this analysis, is that the County has no information to determine if the flood insurance coverage for structures within the flood hazard delineation area is adequate for our community. The purpose of this analysis is twofold, to develop a flood insurance communication improvement plan and to obtain credit under the Community Rating System of the National Flood Insurance Program.

A flood insurance assessment (FIA) is an analysis of a community's level of flood insurance coverage that identifies where increased coverage would be beneficial. It is the first step toward developing a flood insurance coverage improvement plan in the community. In most cases, it is to the community's advantage to conduct the flood insurance assessment and to develop the plan as part of a local program for public information (PPI). There are five steps in the flood insurance assessment process. The first step is to collect the flood insurance information from FEMA and the state of Colorado. The next step involves calculating the level of flood insurance coverage through an extensive analysis of the data. Upon completion of the analysis, the flood insurance assessment and improvement plan shall be completed and submitted to the Adams County Leadership Team and the Board of County Commissioners. The final step involves the annual reassessment of the flood insurance improvement plan.

The Adams County Flood Insurance Assessment is a report that will provide a history of the Adams County Floodplain Management Program. It will give some insight into the National Flood Insurance Program (NFIP) and the Community Rating System. This insurance assessment will provide an analysis of the insurance policies, claims, and total paid losses for insured residential and commercial structures within unincorporated Adams County. More importantly, it will present a plan for public information on how to disseminate the message that need to be conveyed to the Adams County's constituents.

History and Background

Congress established the NFIP in 1968. The NFIP is administered by the Federal Emergency Management Agency (FEMA). The NFIP provides federally backed flood insurance to property owners in participating communities. The federal government became an insurer of flood losses through the NFIP because the private market stopped offering flood insurance. The primary reason why the private market stopped offering flood insurance is because floods violate some of the ideal conditions of insurability. More specifically, flood insurance can be subject to adverse selection, with only the riskiest properties insuring. Losses are also correlated—when a large flood occurs, many properties are all damaged simultaneously—and can be catastrophic. These aspects of flood losses can make it difficult for the private sector to insure against floods, and when private coverage is available, it can be expensive, perhaps more than households are willing or able to pay. At the time when the NFIP was created, some observers argued that the government could overcome many of these challenges, particularly by better pooling risks, setting rates to encourage broader participation, and incentivizing risk reduction measures.

The NFIP created multiple objectives to accomplish the goal of providing affordable insurance. In presentations and outreach materials, FEMA has previously compared the NFIP to a four-legged stool. Provision of flood insurance is only one of the legs. The second is promoting floodplain management, which is achieved through community regulations. The third is mapping of flood hazards on flood insurance rate maps. The final leg is hazard mitigation, promoted through grants and community incentives.

FEMA floodplain maps delineate different flood risk zones. Areas modeled as the 1 percent annual chance floodplain, or 100-year flood zone, are referred to as Special Flood Hazard Areas. FEMA also maps the floodway which is the central portion of a floodplain that carries deep and high velocity flows. The FEMA maps also include the 500-year floodplains. Since the establishment of the NFIP in 1968, communities have had a partnership role in the program. Communities can voluntarily choose to join the program. When communities agree to participate, they implement land-use management actions that can reduce claims over time; in exchange, FEMA makes flood insurance available to residents. Over the years, almost all communities at risk of flooding have joined the program. Nationwide, more than 22,000 communities now participate. The NFIP defines a community as any local jurisdiction with authority to regulate floodplain land use. When a community joins, it must adopt

minimum floodplain management regulations established by the program. The required regulations vary according to the flood zone but include the following features: (1) the community must require that all new development in SFHAs obtain a permit; (2) new development in floodways must not be permitted if it increases flood heights; and (3) all new construction, or substantially improved or damaged properties in SFHAs, must be elevated so that the lowest floor is at or above base flood elevation, which is the estimated height of floodwaters in a 100-year flood. It is also important to note that nonresidential structures can also be dry flood proofed. FEMA regional offices or NFIP State Coordinating Agencies provide model ordinances for adoption. Once communities adopt those regulations, residents are eligible to purchase flood insurance through the program. Single-family homeowners (and two- to four dwelling residences) can purchase up to $250,000 of building coverage and $100,000 of contents coverage. Nonresidential policies can insure both structure and contents up to $500,000 each. Minimum deductibles vary by policy type but are at least $1,000, with higher ones available.

The NFIP also has a voluntary program called the Community Rating System, which rewards communities that take actions to lower their flood risk. Established in 1990, the CRS awards points to communities for activities in four areas: (1) public information activities; (2) mapping and regulations; (3) flood damage reduction activities; and (4) warning and response. As a community accumulates points, it moves up through levels in the program, from class 10 to class 1. At each new class level, SFHA residents in the community receive another 5 percent discount on NFIP premiums, up to 45 percent. Outside the SFHA, residents of classes 7–9 receive a 5 percent reduction in premiums and those in classes 1–6 receive a 10 percent reduction in premiums. As of spring of 2014, 1,296 communities nationwide participated in the CRS program. Although these are only 5 percent of all communities in the NFIP, they represent more than 67 percent of all policies in force.

Adams County created their floodplain management program and joined the NFIP in 1978. The Adams County Floodplain Management Program was designed to establish reasonable limitations and controls of land uses within the 100-year floodplain. The Adams County Development Standards and Floodplain Regulations were developed to reduce flood hazards, protect the public health, safety, and general welfare, minimize flood losses, promote wise use of the floodplain, and protect the storage capacity and hydraulic character of the floodplain. The Flood Control Overlay Zone District was established with the following specific intentions: 1. Reduce flood-related hazards to life and property by restricting the use of land within flood prone areas. 2. Provide notice to floodplain

occupants of the type and location of hazards by delineating areas subject to flooding and regulating the method in which buildings and utilities are constructed. 3. Protect the public from financial burden by avoiding public expenditures on flood control and minimizing damage to property. 4. Protect the flood storage capacity of floodplains by regulating the filling and modification of the floodplain and watercourses. 5. Protect the natural hydraulic characteristics of watercourses by regulating the modification of watercourses and prohibiting encroachment into watercourses.

In 2015, the Board of County Commissioners of Adams County gave the approval to have an evaluation of the county's floodplain management program by entering the Community Rating System Program. The Adams County Floodplain Administrator was directed to complete the application for the program and submit the required documentation to FEMA showing the various floodplain prevention and mitigation activities that are performed by the County to obtain credit with the Community Rating System.

Adams County floodplain program and activities were reviewed during this verification visit and the program was upgraded to a Class 9. As a result, Adams County residents and businesses are now eligible to receive a five percent discount on flood insurance. Adams County's rating became effective on Oct. 1, 2016 and the five percent discount is now available to all flood insurance policyholders. In addition to individual savings on flood insurance, NFIP offers other benefits to the county, including educational programs for residents, increased public safety, and safeguards to minimize economic losses to private property and public infrastructure. These benefits for the citizens of Adams County can only be maintained if the County continues to complete the annual verification review of the floodplain management program. Adams County must verify that it is continuing to perform the activities that are being credited by the CRS by submitting an annual recertification. In addition, Adams County can continue to improve its Class Rating by undertaking new mitigation and floodplain management activities that earn even more points such as completing this flood insurance assessment.

Flood Insurance Assessment

The Adams County Flood Insurance Assessment was initiated by completing step 1 of the defined process. This step involved collecting insurance data from FEMA and the state of Colorado. FEMA provided information for the number of insurance policies in force by occupancy type and flood zone. The NFIP Community Assistance Program Coordinator with the state of Colorado provided general insurance policy coverage for Adams County and the surrounding area. The total number of residential and commercial structures within Adams County were obtained from the Adams County Assessor's Office. Finally, the actual number of residential and commercial structures located in a flood hazard zone were obtained from the Adams County Business Solutions Department.

The data from the charts and spreadsheets located in the appendix of this report are as follows:

• Total number of residential structures in Adams County	37,718
• Total number of commercial structures in Adams County	5,590
• Total number of residential structures in a floodplain	704
• Total number of commercial structures in a floodplain	222
• Total number of insurance policies in force for residential structures	131
• Total number of insurance policies in force for commercial structures	52
• Total claims since 1978	38
• Total payout since 1978	$114,092
• Current total premium	$246,481
• Current total coverage	$55,897,700

The above data acquired from the various organizations provided the foundation for the flood insurance assessment. The data was used to determine the level of flood insurance coverage and the amount of insurance coverage throughout Adams County. It allowed Adams County staff to calculate averages and percentages that were used to identify trends in terms of the number of policies in force, the cost of premiums, the amount of coverage, the type of structures that are covered and the general location of these structures. This insurance assessment analyzed the insurance coverage of residential, commercial, PRE-FIRM and Post-FIRM structures in and outside of the Special Flood Hazard Areas.

I. Level of Coverage

Adams County

Occupancy	Properties	Policies In Force
Residential	**37718**	**131**
Single family		123
2-4 family		1
all other residential		7
Nonresidential	**5590**	**52**
Level of residential coverage	0.3473%	
Level of nonresidential coverage	0.9302%	

The determination of flood insurance coverage level within Adams County was obtained from the most recent flood insurance policy data provided by FEMA and the state of Colorado. Information regarding the number, location and type of structures were received from the Adams County's Assessor's Department and Business Solution Department. Based on the above data, the level of insurance coverage for all residential structures within Adams County was determined to be 0.35% and the level of coverage for commercial structures was determined to be 0.93%

Adams County (SFHA)

Occupancy	Number of Units
Residential in Flood Zone (SFHA)	**704**
With coverage	79
Without Coverage	625
Nonresidential in Flood Zone (SFHA)	**222**
With coverage	52
Without Coverage	170
level of residential coverage in SFHA	11.22%
level of nonresidential coverage in SFHA	23.42%

The coverage rate for insurance is highest in the Special Flood Hazard Areas (SFHA), where flood insurance requirements are mandatory with a federally backed mortgage. Surprisingly, even though mandatory coverage is required in SFHA Zones, the residential coverage rate in Adams County is only 11.22%. One of the reasons for this low percentage rate of coverage is that many of these homes are older and more than likely no longer carry a mortgage. The level of coverage for commercial structures is over double the rate of residential structures at 23.42%. As expected, the coverage rate for insurance coverage throughout the entire county for residential and commercial structures are much lower than the coverage rate for structures within the SFHA.

II. Average Premium Coverage

Adams County

Occupancy	Polices In Force	Premium	Insurance In Force	Average Coverage
Residential				
Single family	123	$ 136,837.00	$ 31,790,900.00	$ 258,462.60
2-4 family	1	$ 421.00	$ 350,000.00	$ 350,000.00
all other residential	7	$ 23,145.00	$ 3,295,000.00	$ 470,714.29
Nonresidential	52	$ 83,611.00	$ 19,749,800.00	$ 379,803.85

The average coverage for single family homes meet the NFIP requirement of $250,000 for the structure, but if the content coverage is included, it falls short of the additional $100,000 requirement. Given the fact that the Adams County housing market continues to grow and the average home cost in Adams County is $370,000 as determined by Zillow, homeowners and the owners of the other residential units to include apartments and condos may want to evaluate if they have the appropriate amount of coverage to cover their structures. The same message can be sent to owners of commercial units with an average coverage of $379,802.85 for their structures.

Adams County

Insurance Information	
claims since 1978	38
total payout since 1978	$ 114,092.00
Current total premium	$ 246,481.00
Current total coverage	$ 55,897,700.00
Total payout since 1978 to current coverage	0.2041%
Total payout since 1978 to current premium	46.29%
Average Claim per Year	0.9268

The above chart shows that the total insurance payout since 1978 as compared to the premium that is being paid by current policy holders is at 46.3%, and the total insurance payout since 1978 as compared to current insurance coverage is at 0.20%. It is also important to note, that Adams County has averaged a little less than one claim per year for the past 42 years.

III. Pre-FIRM and Post-FIRM Comparison

	Policies in Force	Premium	Number of Claims	Amount of Paid Losses
Pre- FIRM	**81**	**$157,750**	**27**	**$84,483.66**
In Flood Zone	56	$140,976	12	$19,049.91
Outside Flood Zone	25	$16,774	15	$65,433.75
Post - FIRM	**93**	**$80,540**	**8**	**$29,477.63**
In Flood Zone	49	$ 45,686	2	$0
Outside Flood Zone	44	$34,854	6	$29,477.73

Adams County

Pre-FIRM and Post FIRM Analysis	% of Total Claims
Pre-FIRM in Flood Zone	34.3%
Pre-FIRM outside of Flood Zone	42.9%
Post-FIRM in Flood Zone	5.7%
Post-FIRM outside of Flood Zone	17.1%
	% of Total Paid Losses
Pre-FIRM in Flood Zone	16.7%
Pre-FIRM outside Flood Zone	57.4%
Post-FIRM in Flood Zone	0%
Post-FIRM outside Flood Zone	25.9%

The above charts showing insurance coverage for Pre-FIRM and Post FIRM structures inside and outside of flood zones within Adams County are the most intriguing because it shows the majority of insurance claims and the amount of paid losses are coming from owners with structures built before 1978 which are Pre-FIRM structures. The chart also illustrates that 60% of the claims which equates to 83% of paid losses occur to structures outside of the flood zones.

Conclusion

Based on the information collected, it is clear, that many of residents in Adams County do not carry flood insurance on their buildings. Residents are much more likely to purchase insurance if they are in a SFHA Zone, where purchase is mandatory with a federally backed mortgage, but even in these areas, less than a quarter of the properties are covered.

Given that the overall flood insurance coverage is generally low throughout the county, The Adams County Floodplain Management Program is recommending that our public information campaign target a variety of audiences to increase flood insurance coverage for buildings and content. The target audience will include Adams County employees, the general public, residents in the floodplain, developers, builders, real estate companies, lending companies, and insurance companies.

The Adams County Floodplain Management Program will formulate a specific message to promote insurance coverage for structures in the SFHA Zones and throughout Adams County for their target audiences. The message will include the following facts that were determined from this flood insurance assessment:

1. The likelihood of a flood varies from property to property
2. Almost no property is guaranteed to be safe from flooding
3. Properties located in flood zones are at greater risk. These properties have about a 25% chance of flooding during the term of a 30-year mortgage.
4. Properties outside of flood zones will also flood. In Adams County 60% of the claims and 83% of paid losses occur to structures outside of flood zones.
5. Homes and business structures built before 1978 are more likely to flood. In Adams County 77% of the claims and 74% of paid losses occur to Pre-FIRM structures.
6. Everyone with a mortgage on a property in a flood zone must purchase flood insurance
7. It is important to note that only flood insurance cover flood damages
8. If you do not have flood insurance, you may not qualify for post disaster federal aid to cover flood damages.
9. All home and business owners should evaluate their need for flood insurance and go to FEMA’s Floodbuddy webpage for a free quote

Program for Public Information

Well-informed people make better decisions and they take steps to protect themselves from flooding by retrofitting their homes, buying flood insurance, and planning the actions they will take during the next flood. They are also more likely to support local floodplain management efforts and measures to protect the natural functions of their community's floodplain. This program for public information (PPI) will be an ongoing local effort to identify, prepare, implement, and monitor a range of public information activities that meet specific local needs.

The Adams County program for public information will focus primarily on outreach projects. This plan will build on what is already being done. This includes current community-based public information efforts as well as initiatives by other organizations or agencies. The plan will provide for a full range of information activities that inform the general public and Adams County staff about flood insurance and ways to address potential flood damage to property, including map information, outreach projects, real estate disclosure, libraries, websites, and providing technical advice and assistance.

The standard tools that will be used to distribute this message are the flood brochures and stormwater flyers that are mailed annually to our citizens from the Mile High Flood District and from the Public Works Stormwater Management Division. A tool that will be used to enhance the program for public information will include having the flood insurance message posted on the Adams County Stormwater and Infrastructure webpage, the Emergency and Operations Management webpage and of course, the Floodplain Management webpage. The message will also be given to the Adams County Emergency Operations Center to be included in the Emergency Management Plan.

A very important method that can be used to enhance the message to the public, is to have the Adams County Board of County Commissioners to proclaim the month of April as the "Stormwater Management and Flood Awareness Month" for the entire County. During this month of every year the Community and Economic Development Department will coordinate with the Adams County Communication Department to incorporate the flood insurance message onto the Adams County intranet and social media platforms to include Twitter, Facebook, and My Adams Newsletter. Recent research has shown that the more often a message is received from different sources, the more likely it is that the desired action or behavior will take place.

In summary, Adams County staff will create a more focus message within the stormwater management division flyers and the Mile High Flood District Brochure. These two methods of communications have been very effective with disseminating the flood insurance message to the general public, metro districts, homeowner associations, and realtor groups. This program for public information also describes methods to broaden the delivery of the flood insurance message by coordinating this effort with the Communications Department, Public Works and Emergency Operations Center. This coordinated effort will involve placing the flood insurance message on the web page of each department. It will also include the placement of the flood insurance message on the Adams County official social media platforms which will expand the reach of the message to the target audience as described in the above paragraphs and it would include all of Adams County employees. Having the Board of County Commissioners to proclaim April as the “Stormwater Management and Flood Awareness Month,” is essentially one more effective tool to elevate the importance of the message. Following the scope as defined in this program for public information will effectively express the importance of flood insurance for every property owner in Adams County and allow them to make better decisions with taking steps to protect themselves from flooding by retrofitting their homes, buying flood insurance, and planning the actions they will take during the next flood.

Reassessment Procedure

The reassessment process for the flood insurance assessment and the program for public information will be initiated annually during the months of February, March, and April. The Adams County Floodplain Manager will be responsible for the reassessment process. This person will request the most current insurance data from the state of Colorado and FEMA. The information will be reviewed and analyzed by the Floodplain Manager. The results of the analysis will be compared to the previous year results to determine a specific message that will be used on the Adams County web pages and social media platforms. The floodplain manager will coordinate with Public Works, the Mile High Flood District, the Communications Department, and the Emergency Operations Center to disseminate the updated message in the brochures, newsletters, social media platforms, and web pages.

The reassessment process will also involve evaluating the public information program strategy. The Adams County Floodplain Manager, Infrastructure and Stormwater Manager, the Stormwater Coordinator, and Construction Manager will meet during this time frame to discuss the effectiveness of the current public information strategy. This evaluation will consist of comparing the changes in the level of insurance coverage from the previous year for residential and commercial structures. We will compare the changes of insurance coverage for pre-FIRM and post-FIRM structures and we will document the number of policies in force for the entire county. The results of this analysis will allow us to understand the effectiveness of the current public information strategy and provide some insight on how we can continue to improve this program.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: County Board of Equalization Appointment of Hearing Officers
FROM: Meredith P. Van Horn, Assistant Adams County Attorney; **Elizabeth A. Albright, CBOE/Abatement Coordinator**
AGENCY/DEPARTMENT: County Attorney
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners appoint the following candidate, Patricia K. Brandon, as a 2020 CBOE and/or Abatement and/or Property Tax Exemption Hearing Officer.

BACKGROUND:

Annually, the Board of County Commissioners, sitting as the Adams County Board of Equalization, reviews the assessment roll of all taxable real property located in the County as prepared by the Assessor. Authorization under C.R.S. § 39-8-102 allows the appointment of independent hearing officers who are experienced in property valuation to conduct hearings on appeal of these valuations, on behalf of the Board of Equalization. The Hearing Officers then make findings and submit their recommendations to the County Board of Equalization for its final action.

Hearings on real and personal property tax valuation appeals before the County Board of Equalization, must be conducted between September 16th and November 1st for 2020, and their recommendations approved on or before November 10th, pursuant to C.R.S. § 39-8-107(2).

AGENCIES, DEPARTMENTS OR OTHER OFFICES INVOLVED:

Adams County Assessor's Office

Additional Note:

RESOLUTION APPOINTING HEARING OFFICER TO HEAR APPEALS BEFORE THE ADAMS COUNTY BOARD OF EQUALIZATION

WHEREAS, the Board of County Commissioners, County of Adams, State of Colorado, also comprises the Adams County Board of Equalization; and,

WHEREAS, C.R.S § 39-8-102, authorizes a County Board of Equalization to appoint independent hearing officers who are experienced in property valuation to conduct hearings on behalf of the County Board of Equalization, and to make findings and submit recommendations to the County Board of Equalization for its final action; and,

WHEREAS, Patricia K. Brandon has applied, possesses the requisite licenses and/or credentials and should be appointed to act as a hearing officer to conduct hearings pursuant to C.R.S. § 39-8-102 and C.R.S. § 39-3-206.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners, County of Adams, State of Colorado, when sitting as the Adams County Board of Equalization, that the person identified below, who is experienced in property valuation, is hereby appointed to act as a hearing officer to conduct hearings pursuant to C.R.S. § 39-8-102, and C.R.S. § 39-3-206, and that her compensation shall be set at the rate of $75 per hour, with a 4-hour minimum.

Name	**Address**
Patricia K. Brandon	2004 Calaveras Court Longmont, CO 80504 Phone: 720-352-3300 patty@pattbrandon.com

BE IT FURTHER RESOLVED, that the Chair is authorized to sign the Purchase of Service Agreement for the Board of Equalization Hearing Officer, for the above appointed individual.

ADAMS COUNTY, COLORADO
PURCHASE OF SERVICE AGREEMENT FOR BOARD OF EQUALIZATION HEARING OFFICER

THIS AGREEMENT ("Agreement") is made this 10th day of August 2020, by and between the Adams County Board of County Commissioners, located at 4430 S. Adams County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," and Patricia K. Brandon, whose address is 2004 Calaveras Court, Longmont, CO 80504, hereinafter referred to as the "Contractor." The County and the Contractor may be collectively referred to herein as the "Parties."

The County and the Contractor, for the consideration herein set forth, agree as follows:

1. **SERVICES OF THE CONTRACTOR:**

Contractor shall act as a hearing officer to hear taxpayer appeals of property valuations. Contractor shall enter its findings and ruling into the County's computer system on the day of the appeal in order for the County to send timely notices to the taxpayers.

2. **RESPONSIBILITIES OF THE COUNTY:**

The County shall provide information as necessary or requested by the Contractor to enable the Contractor's performance under this Agreement. County shall provide necessary computer equipment.

3. **TERM:**

Term of Agreement: The term of this agreement shall be for year 2020 and renewable for up to 5 (five) one-year commitments, upon mutual consent of the parties.

4. **PAYMENT AND FEE SCHEDULE:**

The County shall pay the Contractor for services furnished under this Agreement, and the Contractor shall accept as full payment for those services, the sum of $75.00 (Seventy-Five Dollars) per hour with a 4 (four) hour minimum, to be paid within thirty days of the date the work is completed.

5. **INDEPENDENT CONTRACTOR:**

In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts, and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work

under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by law. **Pursuant to the Workers' Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers' compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.**

6. NONDISCRIMINATION:

The Contractor shall not discriminate against any employee or qualified applicant for employment because of age, race, color, religion, marital status, disability, sex, or national origin. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices provided by the local public agency setting forth the provisions of this nondiscrimination clause.

7. INDEMNIFICATION:

The Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees for, from, and against any and all claims, suits, expenses, damages, or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons, entities, or property, caused or sustained by any person(s) as a result of the Contractor's performance or failure to perform pursuant to the terms of this Agreement or as a result of any subcontractors' performance or failure to perform pursuant to the terms of this Agreement.

8. TERMINATION:

8.1. For Cause: If, through any cause, the Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, or if the Contractor violates any of the covenants, conditions, or stipulations of this Agreement, the County shall thereupon have the right to immediately terminate this Agreement, upon giving written notice to the Contractor of such termination and specifying the effective date thereof.

8.2. For Convenience: The County may terminate this Agreement at any time by giving written notice as specified herein to the other party. If this Agreement is terminated by the County, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services the Contractor was to perform under this Agreement, less payments previously made to the Contractor under this Agreement.

9. MUTUAL UNDERSTANDINGS:

9.1. Jurisdiction and Venue: The laws of the State of Colorado shall govern as to the

interpretation, validity, and effect of this Agreement. The parties agree that jurisdiction and venue for any disputes arising under this Agreement shall be Adams County, Colorado.

9.2. Compliance with Laws: During the performance of this Agreement, the Contractor agrees to strictly adhere to all applicable federal, state, and local laws, rules and regulations, including all licensing and permit requirements. The parties hereto aver that they are familiar with § 18-8-301, et seq., C.R.S. (Bribery and Corrupt Influences), as amended, and § 18-8-401, et seq., C.R.S. (Abuse of Public Office), as amended, and that no violation of such provisions are present. Without limiting the generality of the foregoing, the Contractor expressly agrees to comply with the privacy and security requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) when exposed to or provided with any data or records under this Agreement that are considered to be "Protected Health Information."

9.3. OSHA: Contractor shall comply with the requirements of the Occupational Safety and Health Act (OSHA) and shall review and comply with the County's safety regulations while on any County property. Failure to comply with any applicable federal, state or local law, rule, or regulation shall give the County the right to terminate this agreement for cause.

9.4. Record Retention: The Contractor shall maintain records and documentation of the services provided under this Agreement, including fiscal records, and shall retain the records for a period of three (3) years from the date this Agreement is terminated. Said records and documents shall be subject at all reasonable times to inspection, review, or audit by authorized federal, state, or County personnel.

9.5. Assignability: Neither this Agreement, nor any rights hereunder, in whole or in part, shall be assignable or otherwise transferable by the Contractor without the prior written consent of the County.

9.6. Waiver: Waiver of strict performance or the breach of any provision of this Agreement shall not be deemed a waiver, nor shall it prejudice the waiving party's right to require strict performance of the same provision, or any other provision in the future, unless such waiver has rendered future performance commercially impossible.

9.7. Force Majeure: Neither party shall be liable for any delay or failure to perform its obligations hereunder to the extent that such delay or failure is caused by a force or event beyond the control of such party including, without limitation, war, embargoes, strikes, governmental restrictions, riots, fires, floods, earthquakes, or other acts of God.

9.8. Notice: Any notices given under this Agreement are deemed to have been

received and to be effective: (1) three (3) days after the same shall have been mailed by certified mail, return receipt requested; (2) immediately upon hand delivery; or (3) immediately upon receipt of confirmation that a facsimile was received. For the purposes of this Agreement, any and all notices shall be addressed to the contacts listed below:

Adams County Attorney's Office 4430 S. Adams County Parkway 5th Floor, Suite C5000B Brighton, Colorado 80601 Phone: 720-523-6116 Fax: 720-523-6114
Adams County Board of Equalization Contact: Elizabeth A. Albright Address: 4430 S. Adams County Parkway, 5th Floor, Suite C5000B Brighton, Colorado 80601 Phone: 720-523-6328 Fax: 720-523-6114 Email: balbright@adcogov.org
Patricia K. Brandon 2004 Calaveras Court Longmont, CO 80504 Phone: 720-352-3300 Email: patty@pattybrandon.com

9.9. Integration of Understanding: This Agreement contains the entire understanding of the parties hereto and neither it, nor the rights and obligations hereunder, may be changed, modified, or waived except by an instrument in writing that is signed by the parties hereto.

9.10. Severability: If any provision of this Agreement is determined to be unenforceable or invalid for any reason, the remainder of this Agreement shall remain in effect, unless otherwise terminated in accordance with the terms contained herein.

9.11. Authorization: Each party represents and warrants that it has the power and ability to enter into this Agreement, to grant the rights granted herein, and to perform the duties and obligations herein described.

10. COMPLIANCE WITH C.R.S. § 8-17.5-101, ET. SEQ. AS AMENDED 5/13/08: Pursuant to Colorado Revised Statute (C.R.S.), § 8-17.5-101, *et. seq.*, as amended 5/13/08, the Contractor shall meet the following requirements prior to signing this Agreement (public contract for service) and for the duration thereof:

10.1. The Contractor shall certify participation in the E-Verify Program (the electronic employment verification program that is authorized in 8 U.S.C. § 1324a and jointly administered by the United States Department of Homeland Security and the Social Security Administration, or its successor program) or the Department Program (the employment verification program established by the Colorado Department of Labor and Employment pursuant to C.R.S. § 8-17.5-102(5)) on the attached certification.

10.2. The Contractor shall not knowingly employ or contract with an illegal alien to perform work under this public contract for services.

10.3. The Contractor shall not enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this public contract for services.

10.4. At the time of signing this public contract for services, the Contractor has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this public contract for services through participation in either the E-Verify Program or the Department Program.

10.5. The Contractor shall not use either the E-Verify Program or the Department Program procedures to undertake pre-employment screening of job applicants while this public contract for services is being performed.

10.6. If Contractor obtains actual knowledge that a subcontractor performing work under this public contract for services knowingly employs or contracts with an illegal alien, the Contractor shall: notify the subcontractor and the County within three days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to the previous paragraph, the subcontractor does not stop employing or contracting with the illegal alien; except that the contractor shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

10.7. Contractor shall comply with any reasonable requests by the Department of Labor and Employment (the Department) made in the course of an investigation that the Department is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5).

10.8. If Contractor violates this Section, of this Agreement, the County may terminate this Agreement for breach of contract. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the County.

IN WITNESS WHEREOF, the Parties have caused their names to be affixed hereto.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Resolution Regarding Defense and Indemnification of Bradley Guildner as a Defendant Pursuant to C.R.S. § 24-10-101, *et seq.*, 19-CV-3255-RM-MEH
FROM: Heidi Miller, County Attorney, County Attorney and Kerri Booth, Assistant County Attorney
AGENCY/DEPARTMENT: County Attorney's Office
HEARD AT STUDY SESSION ON N/A
AUTHORIZATION TO MOVE FORWARD: ☐ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners Adopt the Resolution Regarding Defense and Indemnification of Bradley Guildner as a Defendant Pursuant to C.R.S. § 24-10-101, *et seq*.

BACKGROUND:

The Board of County Commissioners formally indemnifies employees and elected officials who are named in civil lawsuits. This lawsuit is brought by Siera Ryans who claims she was the victim of unreasonable search and seizure, excessive force, and assault and battery by the Defendants when she was attempting to enter the Adams County Courthouse.

The County Attorney's Office has reviewed the facts of this lawsuit and it has been determined that Bradley Guildner was acting within the course and scope of his employment at all relevant times relevant to this lawsuit. Therefore, the County Attorney's Office is recommending that Bradley Guildner be indemnified for any potential damages that might arise out of this litigation.

New FTEs requested: ☐ **YES** ☐ **NO**

Future Amendment Needed: ☐ **YES** ☐ **NO**

Additional Note:

Potential fiscal impact is unknown. If litigation results in settlement or judgment against the County or its employees/elected officials, there would be a fiscal impact. The potential amount of that impact is impossible to estimate at this time.

RESOLUTION REGARDING DEFENSE AND INDEMNIFICATION OF BRADLEY GUILDNER AS A DEFENDANT PURSUANT TO C.R.S. § 24-10-101, ET SEQ.

WHEREAS, Adams County is a public entity pursuant to the Colorado Governmental Immunity Act; and,

WHEREAS, Adams County is obligated to bear the cost of the defense of its elected officials and employees and pay all judgments entered against its elected officials and employees pursuant to the Colorado Governmental Immunity Act so long as they acted within the course and scope of their employment and their acts were not willful and wanton; and,

WHEREAS, in Resolution 2020-153, the Board of County Commissioners of Adams County agreed to indemnify the other Defendants previously named in this matter; and,

WHEREAS, Bradley Guildner has been sued in the matter of *Siera Ryans v. Bradley Guildner, et al.* in the United States District Court, Case Number 19-cv-03255-MEH; said Defendant, being an employee of Adams County at the time of the incident described in the Second Amended Complaint; and,

WHEREAS, initial investigation has revealed to the satisfaction of the Board of County Commissioners and the determination has been made that the Defendant appears to have acted within the course and scope of his employment and his actions do not appear to be willful and wanton; and,

WHEREAS, pursuant to C.R.S. §§ 24-10-110, 24-10-113 and 24-10-118(5) Adams County hereby determines that it is in the public interest to bear the cost of defense for the Defendant against all asserted claims for compensatory and punitive damages which may be pled and to pay or settle any such compensatory and punitive damage claims against said Defendant; and,

WHEREAS, in exchange for such defense, the Defendant is required to cooperate fully in the defense of this matter, including but not limited to, assisting in the discovery process, participating in mediation, facilitation, or other measures deemed appropriate by the Board of County Commissioners, and Defendant acknowledges that Adams County may settle on behalf of the Defendant any or all asserted claims, including those for personal liability and punitive damages.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of the County of Adams, State of Colorado, that Adams County shall bear the cost of defense for Bradley Guildner against all asserted claims for compensatory and punitive damages which may be pled and to pay or settle any such compensatory and punitive damage claims against said Defendant in the matter of *Siera Ryans v. Bradley Guildner, et al.*

IT IS FURTHER RESOLVED that the Adams County Attorney is directed to enter her appearance as counsel for Defendant and to defend this matter.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Abatements
FROM: Meredith P. Van Horn, Assistant Adams County Attorney
AGENCY/DEPARTMENT: County Attorney
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners approves the recommendations of the Assessor's Office for the attached abatement petitions.

BACKGROUND:

The Assessor's Office reviewed the attached abatement petitions concerning tax year 2019 and has agreed to the abated values for the respective accounts. The findings and recommendations of the Assessor's Office are attached hereto for approval and adoption.

RESOLUTION APPROVING ABATEMENT PETITIONS AND AUTHORIZING THE REFUND OF TAXES FOR ACCOUNT NUMBERS R0139133, P0034733, R0007009, R0162582, R0055160, R0188047, R0100719, R0077815, R0118564, R0064210, R0121751, R0147811, and R0175821

WHEREAS, pursuant to C.R.S. § 39-1-113, the Board of County Commissioners may approve abatement petitions concerning property tax assessment and may refund taxes associated therewith; and,

WHEREAS, the attached petitions for account numbers R0139133, P0034733, R0007009, R0162582, R0055160, R0188047, R0100719, R0077815, R0118564, and R0064210 have been processed, reviewed and approved by the Adams County Assessor's Office; and,

WHEREAS, information regarding the initial assessed value and the justification for reduction in assessed value and refund of taxes is included for each property in the documentation attached; and,

WHEREAS, it is the recommendation of the Assessor's Office that these petitions be approved and refunds be issued by the Board of County Commissioners; and,

WHEREAS, for account numbers R0121751, R0147811, and R0175821, approval by the Board of County Commissioners shall be forwarded as a recommendation to the Colorado Property Tax Administrator for review and approval as required by C.R.S. §§ 39-1-113(3) and 39-2-116.

NOW, THERFORE, BE IT RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that the abatement petitions for account numbers R0139133, P0034733, R0007009, R0162582, R0055160, R0188047, R0100719, R0077815, R0118564, and R0064210 are hereby approved.

BE IT FURTHER RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that the resolution approving the petitions for account numbers R0121751, R0147811, and R0175821 be forwarded, for review, to the Colorado Property Tax Administrator to approve the abatement petitions for the Property.

PETITION FOR ABATEMENT OR REFUND OF TAXES

County: Adams

Date Received 07/17/2020
(Use Assessor's or Commissioners' Date Stamp)

Section I: Petitioner, please complete Section I only.

Date: 07/17/2020
Month Day Year

Petitioner's Name: Adams County Assessor

Petitioner's Mailing Address: 4430 S. Adams County Pkwy

Brighton CO 80601
City or Town State Zip Code

SCHEDULE OR PARCEL NUMBER(S)	PROPERTY ADDRESS OR LEGAL DESCRIPTION OF PROPERTY
	2531 W 62ND CT #F
	P0034733

Petitioner requests an abatement or refund of the appropriate taxes and states that the taxes assessed against the above property for the property tax year 2017 are incorrect for the following reasons: (Briefly describe why the taxes have been levied erroneously or illegally, whether due to erroneous valuation, irregularity in levying, clerical error, or overvaluation. Attach additional sheets if necessary.)

Petitioner's estimate of value: $ 61448 (Value) (2017) (Year)

I declare, under penalty of perjury in the second degree, that this petition, together with any accompanying exhibits or statements, has been prepared or examined by me, and to the best of my knowledge, information, and belief, is true, correct, and complete.

PETITION FOR ABATEMENT OR REFUND OF TAXES

County Adams

Date Received (Date Assessor's or Commissioners' Date Stamp) MAR 12 2020

OFFICE OF THE
ADAMS COUNTY ASSESSOR

PL

Section I: Petitioner, please complete Section I only.

Date: 03 (Month) 03 (Day) 2020 (Year)

117472

Petitioner's Name Carlos Arreola

Petitioner's Mailing Address 8571 Hope ct

Denver (City or Town) CO (State) 80229 (Zip Code)

SCHEDULE OR PARCEL NUMBER(S)	PROPERTY ADDRESS OR LEGAL DESCRIPTION OF PROPERTY
0171929206003	8570 McDougal St Denver, CO 80229
R0055160	

Petitioner requests an abatement or refund of the appropriate taxes and states that the taxes assessed against the above property for the property tax year 2019 are incorrect for the following reasons. (Briefly describe why the taxes have been levied erroneously or illegally, whether due to erroneous valuation, irregularity in levying, clerical error, or overvaluation. Attach additional sheets if necessary.)

Petitioner's estimate of value: $ 320,000 (Value) 2019 (Year)

I declare, under penalty of perjury in the second degree, that this petition, together with any accompanying exhibits or statements, has been prepared or examined by me, and to the best of my knowledge, information, and belief, is true, correct, and complete.

More Details

I am requesting an abatement for my property because it is a new construction and it is not completely finished. The property is about 70% complete and we are working on getting the final two inspections. The papers attached show the inspections that were completed in 2018 and throughout 2019. You can contact us for additional information to Carlos or Reina (720)982-9923

COUNTY BOARD OF EQUALIZATION

STIPULATION (As to Tax Year(s) 2019-2020 Actual Value(s))

1. The property subject to this Stipulation is:
Schedule No. (S): R0188047 Parcel N0.(S) 1573-12-2-04-031

2. The subject property is classified as a Residential property.

3. The County Assessor originally assigned the following actual value to the subject property for tax year(s) **2019-2020**:

Land	$100,000
Improvements	$434,738
Total	$534,738

4. The Adams County Assessor has reviewed this file and agrees to make the following adjustment to the valuation for the subject property for tax year(s) **2019-2020**:

Land	$100,000
Improvements	$296,100
Total	$396,100

5. By entering into this agreement, the Petitioner understands that they are giving up rights to further appeal of the value of this property for tax year(s) **2019-2020**.

PETITION FOR ABATEMENT OR REFUND OF TAXES

County: Adams

Date Received _____
(Use Assessor's or Commissioners' Date Stamp)

Section I: **Petitioner, please complete Section I only.**

Date: June 5, 2020
Month Day Year

Petitioner's Name: Andrew Biaggi

Petitioner's Mailing Address: 15072 Fillmore Way, Thornton, CO 80602

City or Town State Zip Code

SCHEDULE OR PARCEL NUMBER(S)	PROPERTY ADDRESS OR LEGAL DESCRIPTION OF PROPERTY
0157312204031	15947 Clayton St. Thornton CO 80602

Petitioner requests an abatement or refund of the appropriate taxes and states that the taxes assessed against the above property for the property tax year 2019 are incorrect for the following reasons: (Briefly describe why the taxes have been levied erroneously or illegally, whether due to erroneous valuation, irregularity in levying, clerical error, or overvaluation. Attach additional sheets if necessary.)

The total property value is significantly higher than 2019 value of $396,100. The assessor has the total property value at $534,738.00. This appears to be a clerical or overvaluation error.

Petitioner's estimate of value: $ 396,100.00 (2018)
Value Year

LEASE

This Commercial Building Lease is entered into this _1st__ day of February, 2007, between Glenn Seibel and Doreen Seibel, whose address is P.O. Box 926, Westcliffe, CO 81252 ("Landlord") and Martha E Skelton, ,Skelton Family LLC, whose address is 4880 W. 80th Westminster, CO 80030 ("Tenant").

1 PREMISES AND TERM.

1.1 *Lease of Premises.* Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the premises located at 4850 W 80th and 4880 W 80th Westminster, CO 80030, together with all improvements including all sidewalks and parking areas, together with all personal property and fixtures thereon owned by Landlord (hereinafter collectively "the Leased Premises").

1.2 *Term.* This lease shall commence on the day of closing (the "Commencement Date") and shall terminate five (5) years after the Commencement Date, unless sooner terminated or extended as herein provided. Landlord and Tenant agree that this is a triple net lease and that Tenant shall be responsible for all obligations which are normally imposed on the owner of real estate with respect to the responsibility for the payment of all real estate taxes, special assessments, insurances premiums, repair, replacement and maintenance costs in connection therewith and that these operating expenses shall be paid to the Landlord by the Tenant under the "additional rent" provisions listed below.

1.3 *Options to Renew.* Tenant shall have two options to extend this lease for five-year terms, at market rate. If Tenant wishes to exercise this option to extend, he shall deliver to Landlord written notice of his desire to extend at least 90 days prior to the end of the existing Lease term.

1.4 *Condition of Premises.* The Leased Premises are leased in an "as is" condition without any warranties or statements, express or implied, as to physical or structural condition or merchantability or as to the suitability of the Leased Premises for Tenant's intended use as professional office. Landlord shall not be responsible nor have any liability whatsoever at any time for loss or damage to Tenant's work or to fixtures, equipment, or other property of Tenant installed or placed by Tenant in the Leased Premises.

1.5 *Contingency.* This Lease is specifically contingent upon Landlord purchasing and having a successful closing on the Leased Premises from the current owner.

2 RENT.

2.1 *Monthly Rent.* The term "rent" shall mean the amounts set forth in this subparagraph. The first installment of rent for the first month of this Lease shall be due and payable on the Commencement Date of this Lease by Tenant. Thereafter, each monthly installment of rent plus estimated Operating Expenses shall be due and payable on or before the first day of each calendar month during the term of this Lease. Tenant covenants and agrees to pay to Landlord as "Base Rent" for the Premises the base rent plus the "additional rent" as outlined below. Beginning on the third year of this agreement the rent will increase each year on the anniversary of the Rent Commencement Date as outlined below.

2.2 Base rent for the first two years will be computed at the rate of $12.00 per square foot (3,000 sf) which equals $3,000. per month

Beginning on the third year and through the fourth year the base rent will be increased 40 cents per square foot to $12.40 per square foot (3,000 sf) which equals $3,100. per month.

Beginning on the fifth year the base rent will be increased 40 cents per square foot to $12.80 per square foot (3,000 sf) which equals $3,200. per month.

2.3 Tenant also agrees to pay as "additional rent" for operating expenses which is computed at the rate of $3.23 per square foot (3,000) which equals $808.50 per month. This "additional rent" shall be adjusted annually for any increase in real estate taxes, insurance or building maintenance expenses. Within ninety (90) days following the close of each calendar year, Landlord shall provide Tenant an accounting showing in reasonable detail all computations of Operating Expenses due under this paragraph. Tenant shall pay any Operating Expenses due under this paragraph within thirty (30) days following receipt of the invoice or accounting showing additional Operating Expenses.

2.4 *No Set Off.* Tenant waives and disclaims any present or future right to withhold any rent payment or other payment due under this Lease, or to set off in any action for rent, as a result of any obligation of Landlord, however incurred, and agrees that it will not claim or assert any right to so withhold or set off.

2.5 *Late Charge.* Any rental or other sums payable hereunder by Tenant which are not paid within ten (10) days after due shall bear interest from the date due to the date paid at the rate of eighteen percent (18%) per annum or the highest rate permitted by law, whichever is less. In addition to the above, Tenant shall pay Landlord a Seventy-five Dollar ($75.00) service charge for all monthly rent payments not paid by the tenth (10th) day of the month for which they are payable.

2.6 *Utilities*. Tenant shall place in Skelton Family LLC name and pay when due all charges and expenses for electricity, gas, water, wastewater, telephone, trash services and all other utilities servicing the Leased Premises directly to the provider of such utilities and services. If Tenant fails to pay any utility or service bill by the date the bill is due, Landlord shall have the right to pay the full amount due to the utility company or service provider and this amount shall be an obligation of Tenant to Landlord, payable on demand, and shall accrue interest as set forth in subparagraph 2.3.

2.7 *Security Deposit*. Tenant shall pay Landlord a security deposit in the amount of $3,000.00 upon the Commencement Date. The security deposit shall be held by Landlord for the performance of Tenants covenants and obligations under this Lease, it being expressly understood that the security deposit shall not be considered an advance payment of rental or a measure of Landlord's damage in case of default by Tenant. Upon the occurrence of any event of default by Tenant or breach by Tenant of Tenant's covenants under this Lease, Landlord may from time to time and without prejudice to any other remedy, use the security deposit to the extent necessary to make good any arrears of rent, or to repair any damage or injury, or pay any expense or liability incurred by Landlord as a result of the event of default or breach of covenant, and any remaining balance of the security deposit shall be returned by Landlord to Tenant within thirty (30) days after termination of this Lease. If any portion of the security deposit is so used or applied, Tenant shall upon ten (10) days written notice deposit with Landlord an amount sufficient to restore the security deposit to her original amount.

3 PERMITTED USES. The Leased Premises at 4850 W 80th shall be for an existing dental practice. For 4860 W 80th it is agreed that Tenant reserves the right to sub-lease a portion of the improvements to another Tenant who is acceptable to Tenant and whose primary business is acceptable to the Landlord. This sub-letting does not absolve the Tenant of any responsibilities under this lease and no portion of this lease may be assigned to sub-letting Tenant. Tenant shall, at her sole cost and expense, comply with all laws, ordinances, codes, and regulations regarding the use and condition of the Leased Premises and the operation of the permitted uses upon the Leased Premises.

4 CONSTRUCTION/IMPROVEMENTS.

4.1 *Tenant Improvements*. Tenant shall not make or allow to be made any alterations or physical additions in or to the Leased Premises without first obtaining the written consent of Landlord; (all such additional alterations and improvements are hereinafter referred to as the "Tenant Improvements"). Tenant Improvements shall be done in a workmanlike manner in accordance with industry standards and shall comply with all laws, ordinances, codes and regulations governing the Leased Premises and the construction of Tenant Improvements. Tenant shall pay contractors and laborers for Tenant Improvements and not allow any

mechanic's lien to arise which is not removed or bonded over within thirty (30) days of filing. Tenant shall indemnify, defend and hold Landlord harmless from and against any liability, loss, damage, and cost or expenses, including attorney's fees, on account of any claims or any nature, including claims of liens of labor or material or others for work performed for or materials or supplies furnished to Tenant or persons claiming under Tenant. All Tenant Improvements to the Leased Premises shall remain upon the Leased Premises and become the property of Landlord upon expiration or termination of the Lease, unless such Tenant Improvements can be removed by Tenant without damage to the Leased Premises. Specifically, Tenant may remove the following items: All dental x-ray units and cabinetry purchased as equipment and not leasehold improvements and all trade fixtures.

4.2 *Signage.* Tenant may use the signage currently in place either attached to the building, not attached to the building or affixed as vinyl letters and graphics to the glass windows and doors. There shall be no other signage.

4.3 *Removal of Tenant Improvements.* All electronic, phone and data cabling and related equipment (collectively, "Cabling") shall be and remain the property of Tenant. Upon the expiration or earlier termination of this Lease, Tenant shall, at her sole expense, remove all such Cabling and repair any damage to the Leased Premises or the building caused by such removal. If Tenant fails to remove any such items or repair such damage promptly after the expiration or earlier termination of this Lease, Tenant shall be deemed to have abandoned the same, in which case Landlord may store the same at Tenant's expense, or appropriate the same for itself, and/or sell the same in its discretion, with no liability to Tenant. The foregoing provisions shall survive the expiration or earlier termination of this Lease.

5 MAINTENANCE AND REPAIRS.

5.1 *Tenant's Obligations.* Tenant shall, at her own expense, properly maintain the interior of the Leased Premises in clean, sanitary, and safe condition and keep the Leased Premises in good order, condition, and repair. This obligation shall include all interior walls and partitions, plumbing systems and fixtures, electrical systems and fixtures. If necessary or required by governmental authority, Tenant shall make alterations, improvements, or replacements to the Leased Premises to comply with all laws, ordinances, codes, and regulations regarding the Leased Premises and the operation of the permitted and required uses upon the Leased Premises. Tenant shall not permit any waste, damage, or injury to the Leased Premises. Tenant shall keep the walkways and parking areas free from snow and ice and other debris and shall at all times keep the Leased Premises in a sanitary and clean condition.

5.2 *Repairs by Landlord.* Landlord shall be obligated for repairs, maintenance, or improvements to the exterior of Leased Premises. These repairs, maintenance or

improvements will be accounted for under the "additional rent" provision and will be paid to the Landlord by the Tenant. Any capital expense will be amortized over its useful life

6 INDEMNITY. Tenant shall indemnify, defend and hold Landlord harmless from and against any and all claims, actions, liability, costs, expenses, and damages of every kind and nature, including reasonable attorney's fees arising from (1) Tenant's use and occupancy of the Leased Premises, (2) any breach or default by Tenant under the provisions of the Lease, or (3) from any act, omission, or negligence on or about the Leased Premises by Tenant, her agents, contractors, employees, sub lessees, licensees, customers, or other third party. In case of any action or proceeding brought against Landlord by reason of any such claim, Tenant, at Landlords option, shall defend such action or proceeding by counsel reasonably satisfactory to Landlord

7 INSURANCE

7.1 *Property Insurance.* Landlord shall obtain a policy or policies of insurance with the premiums paid in advance, issued by and binding upon some solvent insurance company, insuring the Leased Premises against all risk or direct physical loss. Tenant shall maintain, at her own cost and expense, fire and extended coverage insurance in an amount adequate to cover the cost of replacement of all personal property, Tenant Improvements, alterations, changes, decorations, additions, fixtures, inventory and improvements in the Leased Premises in the event of a loss, with companies and in form acceptable to Landlord. The insurance which Tenant agrees to carry in this paragraph shall insure the full insurable value of the improvements installed by Tenant or Landlord in the Leased Premises.

8 DESTRUCTION.

8.1 *Rebuild.* If the Leased Premises are partially or totally destroyed by fire or other casualty insured under standard fire and extended coverage insurance so as to become partially or totally untenantable, the same shall be repaired as speedily as possible at Landlord's expense to the extent insurance proceeds are available (unless Landlord shall elect not to rebuild, as hereinafter provided), and the rent shall be abated until so repaired based upon the time and to the extent the Leased Premises are untenantable.

8.2 *Termination of Lease.* If the Leased Premises are destroyed or damaged by fire or other casualty then Landlord may, if it so elects, rebuild or restore the Leased Premises pursuant to paragraph 1 of this Paragraph, or may, at its election by notice in writing within thirty (30) days after such destruction or damage, terminate this Lease. In no event in the case of any such destruction shall Landlord be required to repair or replace Tenant's stock in trade, inventory,

Tenant Improvements, fixtures, furniture, furnishings or floor coverings and equipment.

9 EMINENT DOMAIN.

9.1 *Complete Taking.* If the entire Leased Premises are taken by power of eminent domain, then the term of this Lease shall end on the date possession is taken.

9.2 *Partial Taking.* In the event of a partial taking of the Leased Premises by power of eminent domain, the Lease shall continue in full force and effect unless Tenant's business operations are substantially and permanently impaired and he can no longer practically continue to operate her business, in which event the term of the Lease shall end on the date of the partial taking.

10 ASSIGNMENT AND SUBLETTING.

10.1 *Assignment Prohibited.* Tenant shall be allowed to sublet the Leased Premises. No sub-letting shall release Tenant of any of her obligations under this Lease or be construed or taken as a waiver of any of Landlord's rights hereunder. The acceptance of rent from someone other than Tenant shall not be deemed to be a waiver of any of the provisions of this Lease or a consent to any assignment or subletting of the Leased Premises.

10.2 *Trustee or Receivership.* Neither this Lease nor any interest therein shall pass to any trustee or receiver in bankruptcy, or any assignee for the benefit of creditors, or by operation of law.

11 ASSESS TO LEASED PREMISES. Landlord and Landlord's authorized representatives shall have the right to enter upon the Leased Premises during all business hours for the purpose of inspecting the same or of making repairs, additions, or alterations which Tenant has failed to perform or which Landlord deems advisable. Per HIPPA requirements, Tenant requires reasonable notice for any inpections.

12 ENVIRONMENTAL.

12.1 *Hazardous Material Defined.* The term hazardous material means any substance (1) the presence of which requires investigation or remediation under any federal, state, or local statute, regulation, ordinance, order, action, policy, or common law; or (2) which is or becomes defined as a hazardous waste, hazardous substance, pollutant, or contaminant under any feceral, state, or local statute, regulation, rule, or ordinance or amendments thereto including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U S C section 9601, et seq.) and/or the Resource Conservation and Recovery Act (42 U.S C. section 6901, et seq.); or (3) the presence of which on the Leased Premises causes or threatens to cause a nuisance upon the Leased Premises or

to adjacent properties or poses or threatens to pose a hazard to the health or safety of persons on or about the Leased Premises; or (4) without limitation, which contains gasoline, diesel fuel, or other petroleum hydrocarbons.

12.2 *Prohibiting Hazardous Materials.* Except in strict compliance with all environmental laws, rules, and regulations for materials commonly used in Tenants day-to-day business operations, Tenant shall not cause, permit, or allow any hazardous materials to be brought upon, treated, generated, or used upon the Leased Premises by Tenant, her agents, employees, contractors, invitees, or other third parties. Tenant shall promptly take all actions required by federal, state, or local government to remediate the Leased Premises in the event of the presence or release of any hazardous materials as a result of the actions or omissions of Tenant, her agent, employees, contractors, invitees, or other third parties. Tenant shall immediately notify Landlord of the presence or release of any hazardous materials requiring such remedial action.

12.3 *Indemnity.* Tenant agrees to indemnify, defend, reimburse and hold harmless Landlord for all claims, damages, judgments, losses, penalties, fines, liabilities, costs, and expenses, including attorney's fees, incurred as a result of the presence of hazardous materials upon the Leased Premises occurring after possession by Tenant or the violation of any federal, state, or local environmental law, ordinance, or regulation by Tenant, her agent, employees, contractors, invitees, or other third parties.

13 OFAC REPRESENTATIONS. Tenant represents and warrants to Landlord that Tenant is currently in compliance with and shall at all times during the term of this Lease (including any further extensions or renewals) remain in compliance with the regulations of the Office of Foreign Assets Control ("OFAC") of the United States Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) and any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit or Support Terrorism), or other governmental action relating thereto.

14 REMEDIES.

14.1 *Time is of the Essence.* Time is of the essence in all matters concerning this Lease. Any delay on the part of Landlord in exercising any right or insisting upon the performance of any obligation of Tenant shall not constitute a waiver of Landlords right to exercise these rights or insist upon these performances in the future.

14.2 *Events of Default.* The following events shall be deemed to be events of default by Tenant under this Lease:

14.2.1 Failure to pay any installment of rent or any other charge provided herein, or any portion thereof, when the same shall be due and payable after ten day written notice;

14.2.2 Failure to comply with any other provision of this Lease upon failure to cure such failure within fifteen (15) days after Landlord, by written notice, has informed Tenant of such non-compliance. In the case of a default which cannot with due diligence be cured within a period of fifteen (15) days, Tenant shall have such additional time to cure same as may be reasonably necessary, provided Tenant proceeds promptly and with due diligence to cure such default after receipt of said notice;

14.2.3 If any of the following occurs with respect to Tenant under this Lease:

14.2.3.1 A voluntary petition for relief pursuant to the bankruptcy or insolvency laws of the United States or of any state is filed by Tenant,

14.2.3.2 An involuntary petition for relief pursuant to the bankruptcy or insolvency laws of the United States or of any state is filed against Tenant;

14.2.3.3 The attachment, seizure, levy upon, or taking of possession by any receiver, custodian, or assignee for the benefit of creditors of any portion of the property of Tenant;

14.2.3.4 Tenant makes an assignment for the benefit of creditors;

14.2.3.5 Tenant conducts and activity or permits anyone to conduct any activity that is unlawful under any federal, state or local law.

14.2.4 Tenant ceases to conduct her normal business operations in the Leased Premises or vacates or abandons the same and leaves the same vacated or abandoned for a period of thirty (30) days; or

14.2.5 Tenant permits or permits to be done anything which creates a lien upon the Leased Premises which is not paid or discharged within thirty (30) days of the filing thereof.

14.3 *Notice of Default.* In the event of a default pursuant to subparagraph 2, Landlord may, by serving three (3) days written notice upon Tenant, elect either to:

14.3.1 Cancel and terminate this Lease, or

14.3.2 Terminate Tenant's right to possession only without terminating this Lease.

If Landlord gives Tenant notice of Tenant's default and/or delivers to Tenant a Notice of Demand for Payment or Possession pursuant to the applicable statute

(either of which shall hereinafter be referred to as a "Notice of Default"), the Notice of Default will not constitute an election to terminate the Lease unless Landlord expressly states in the Notice of Default that it is exercising its right to terminate the Lease.

14.4 *Termination of Right to Possession Only.* If Landlord delivers to Tenant a Notice of Default, which notice does not state that Landlord has elected to terminate the Lease, Landlord may at Landlord's option enter the Leased Premises and take and hold possession thereof, without such entry into possession terminating this Lease or releasing Tenant in whole or in part from Tenant's obligation to pay the rent hereunder for the full stated term. Upon such re-entry, Landlord may remove all persons and property from the Leased Premises and such property may be stored in a public warehouse or elsewhere at the cost of, and for the account of Tenant, until it is deemed abandoned or until it is claimed by Tenant, in which case Tenant agrees to pay Landlord on demand all expenses incurred in such removal, including court costs, attorneys fees and storage charges for any length of time the personal property shall be in storage, all without service of notice and without being deemed guilty of trespass or becoming liable for any loss or damage which may be occasioned thereby. Upon and after entry into possession without termination of the Lease, Landlord may, but need not, relet the Leased Premises, or any part thereof, for the account of Tenant, to any person, firm, or corporation, other than Tenant, for such rent, for such time, and upon such terms as Landlord, in Landlord's sole discretion, shall determine. Landlord shall not be required to accept any tenant offered by Tenant or to observe any instruction given by Tenant about such reletting. In any such case, Landlord may make repairs, redecorate, and remodel the Leased Premises to the extent deemed by Landlord necessary or desirable, and Tenant shall, upon demand, pay the cost thereof, together with Landlord's expenses of reletting. If the consideration collected by Landlord upon any such reletting for Tenant's account, after deducting all expenses incident thereto, including brokerage fees and legal expenses, is not sufficient to pay monthly the full amount of the rent provided in this Lease, Tenant shall pay Landlord the amount of each monthly deficiency upon demand. At any time after Landlord has elected to terminate Tenant's right to possession, Landlord shall have the right to cancel and terminate this Lease by serving five (5) days written notice on Tenant of such further election. Landlord shall have the right to pursue any remedy at law or in equity that may be available to Landlord. Such termination shall not excuse Tenant of future rents due under the Lease for the remaining term.

14.5 *Termination of Lease.* If Landlord delivers to Tenant a Notice of Default which states that Landlord has elected to terminate the Lease, Landlord shall be entitled to recover from Tenant liquidated damages in an amount equal to the amount of rent which would be payable under the terms of the Lease for the remainder of the Lease term if the Lease had not been terminated. Landlord and Tenant acknowledge that the damages incurred by Landlord in the event of Tenant's default would be difficult to ascertain because of the difficulty of

quantifying the adverse effect of such termination on the leaseability, mortgageability, saleability, and general economic value of the Leased Premises and that the amount of rent which would be payable under the Lease for the remainder of the Lease term is a fair estimate of Landlords damages and thus does not constitute a penalty.

14.6 *Future Rent*. The fact that Tenant may not continue to conduct her business operations upon the Leased Premises shall not excuse the future rent due hereunder for the remaining term of the Lease.

14.7 *Tenant's Property*. If Tenant fails to remove any of Tenant's personal property within three (3) days of receipt of a Notice of Default or upon the termination of this Lease for any cause whatsoever or upon Tenant's abandonment of the Leased Premises, Landlord, at Landlord's option, may remove the same in any manner that it shall choose and store the same without liability to Tenant for loss thereof in any public or private warehouse until it is claimed by Tenant or deemed abandoned, in which case Tenant agrees to pay Landlord on demand any and all expenses incurred in such removal, including court costs and attorney's fees and storage charges for any length of time the personal property shall be in storage; or Landlord, at Landlord's option, without notice, may sell such personal property, or any of it, pursuant to the Lease terms or Colorado law.

14.8 *Landlord's Right to Cure*. In the event of any default hereunder by Tenant, Landlord may immediately or at any time thereafter, without notice, cure such default for the account and at the expense of Tenant. If Landlord at any time by reason of such default is compelled to pay or elects to pay any sum of money or do any act which will require the payment of any sum of money, or is compelled to incur any expense, including reasonable attorneys fees, the sum or sums so paid by Landlord, with interest thereon at the rate of eighteen percent (18%) per annum or the highest rate permitted by law, whichever is less, from the date of payment thereof shall be deemed to be due from Tenant to Landlord within ten (10) days of written notice.

14.9 *Right of Entry*. In the event of Tenants default hereunder, Landlord may, in addition to all other rights and remedies, upon proper court order, re-enter the Leased Premises, change any and all of the locks on doors or other barriers, and distain, seize, remove, or store all property upon the Leased Premises. Tenant hereby agrees that such acts by Landlord pursuant to court order shall not constitute an eviction, constructive or otherwise, shall not terminate the Lease, and shall not render Landlord liable for trespass, forcible entry and detainer conversion, or in any other way whatsoever. Tenant shall pay all costs and expenses incurred by Landlord in doing such acts.

14.10 *Attorney's Fees and Costs*. In the event of Tenant's default hereunder, Tenant shall pay Landlord all costs and expenses, including reasonable attorney's fees,

incurred by Landlord in recovering from Tenant any amounts due hereunder or in otherwise enforcing this Lease.

15 SURRENDER OF POSSESSION

15.1 *Surrender of Possession.* Upon the expiration or termination of the Lease, whether by lapse of time or otherwise, Tenant shall surrender the Leased Premises in good condition and repair, reasonable wear and tear excepted. If the Leased Premises are not surrendered at the end of the term or the sooner termination thereof, Tenant shall indemnify Landlord against loss or liability resulting from delay by Tenant in so surrendering the Leased Premises. Tenant shall promptly surrender all keys for the Leased Premises to Landlord at the place then fixed for payment of rent.

15.2 *Holdover Tenant.* In the event Tenant remains in possession of the Leased Premises after the expiration of the tenancy created hereunder with the consent of Landlord and without execution of a new lease, it shall be deemed to be Occupying the Leased Premises as a tenant from month to month, at the amount of rent payable by Tenant immediately prior to the expiration of the tenancy, subject to all other conditions, provisions, and obligations of this Lease insofar as the same are applicable to a month-to-month tenancy.

15.3 *Subordination.* Tenant agrees that this Lease shall be subordinate to any mortgages, trust deeds, or ground leases that may currently exist or may hereafter by placed upon the Leased Premises and to any and all advances to be made there under, and to the interest thereon, and all renewals, replacements, and extensions thereof, provided that the mortgagee or trustee there under shall agree to recognize Tenant's rights hereunder as long as Tenant is not in default hereunder, and Tenant shall adorn to such mortgagee or trustee. Tenant shall execute and deliver whatever instrument may be required for the above purposes, and failing to do so within ten (10) days after demand in writing, does hereby make, constitute, and irrevocably appoint Landlord as its attorney-in-fact in its name, place, and stead so to do. Tenant shall in the event of the sale or assignment of Landlord's interest in the Leased Premises, or in the event of any proceedings brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage made by Landlord covering the Leased Premises, attorn to the purchaser and recognize such purchaser as Landlord under this Lease.

16 GENERAL PROVISIONS

16.1 *No Other Relationship.* Nothing contained herein shall be deemed or construed by anyone as creating the relationship of principal and agent, partnership, or joint venture between the parties hereto.

16.2 *Cumulative Remedies.* The various rights and remedies contained herein shall not be considered as exclusive of any other right or remedy, but shall be cumulative and in addition to every other remedy now or hereafter existing at law, in equity, or by statute.

16.3 *Nonwaiver.* No delay or omission of the right to exercise any power by either party shall impair any such right or power, or shall be construed as a waiver of any default or as acquiescence therein. One or more waivers of any covenant, term, or condition of this Lease by either party shall not be construed by the other party as a waiver of a subsequent breach of the same covenant, term, or condition. The consent or approval by either party to or of any act by the other party of a nature requiring consent or approval shall not be deemed to waive or render unnecessary consent to approval of any subsequent similar act.

16.4 *Binding Effect.* The covenants, agreements, and obligations contained herein shall extend to, bind, and inure to the benefit not only of the parties hereto but their respective personal representatives, heirs, successors, and assigns, subject to Article 10.

16.5 *Acceptance of Rent.* No payment by Tenant or receipt by Landlord of a lesser amount than the amount then due under this Lease shall be deemed to be other than on account of the earliest portion thereof due nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance due or pursue any other remedy provided in this Lease.

16.6 *Severability.* Unenforceability of any provision contained in this Lease shall not affect or impair the validity of any other provision of this Lease.

16.7 *Governing Law.* The laws of the State of Colorado shall govern the validity, performance, and enforcement of this Lease.

16.8 *Zoning.* Anything to the contrary elsewhere contained, this Lease and all of the terms, covenants, and conditions hereof are in all respects subject and subordinate to al. zoning restrictions affecting the Leased Premises, and Tenant agrees to be bound by such restrictions. Landlord does not warrant that any license or licenses, permit or permits, which may be required for the business to be conducted by Tenant on the Leased Premises will be granted, will continued in effect or renewed.

16.9 *Amendment.* This Lease may not be altered, amended or extended except by an instrument in writing signed by Tenant and Landlord. All negotiations, considerations, representations, and understandings between the parties are incorporated and merged herein, and may be modified or altered only by the

parties written agreement. This Lease represents the entire agreement of the parties with respect to the subject matter covered herein.

Landlord and Tenant have signed and sealed this Lease as of the day and year first above written.

COMMERCIAL LEASE

This Commercial Building Lease is entered into this 6th day of September, 2018, between Westminster LLC, (Landlord), whose address is P.O. Box 926, Westcliffe, Co 81252 and Parkside Massage Therapy and /or Doris Paiz (owner), whose address is 4860 West 80th Ave., Westminster, Colorado 80030

1. Premises and Terms

1.1 Lease of Premises. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, one thousand sq. ft. (front two thirds) of premises located at 4860 W. 80th Ave., Westminster, CO, together with all improvements including tow thirds of sidewalks and parking area, together with all personal property and fixtures thereon owned by Landlord (herein collectively "the Leased Premises")

1.2 Terms. This lease shall commence on December 1, 2018 (the "Commencement Date") and shall terminate five (5) years after Commencement Date, unless sooner terminated or extended as herein provided.

1.3 Options to Renew. Tenant shall have two options to extend this lease for five year terms at market rate. If Tenant wishes to exercise this option to extend, or declines this option, he shall deliver to Landlord written notice of his desires at least 90 days prior to the end of the existing lease.

1.4 Conditions of Premises. The Leased Premises are leased in an "as is" condition without any warranties or statements,. expressed or implied, as to physical or structural condition or merchantability or as to the suitability of the Leased Premises for Tenant's use as a professional office. Landlord shall not be responsible nor have any liability whatsoever at any time for losses or damage to Tenant's work or to fixtures, equipment, or other property of Tenant installed or placed by Tenant in the Leased Premises.

2. Rent

2.1 Monthly Rent. The term "rent" shall mean the amount set forth in this subparagraph. The first installment of rent (December Rent) shall be due and payable on the Commencement Date of this Lease by the Tenant. Thereafter, starting January 1, 2019 , each monthly installment of rent shall be due and payable on or before the first day of each calendar month during the term of this Lease. Tenant covenants and agrees to pay to Landlord rent as outlined below. Beginning on the third year and fifth year of this agreement the rent will increase on the anniversary of the Commencement Date as outlined below.

2.2 Rent. Rent for the first two years will be $750.00 per month. Beginning on the third year and through the fourth year the rent will increase to $775.00 per month. Beginning on the fifth year the rent will increase to $800.00 per month. One Hundred Dollars ($100.00) shall be deducted monthly from the monthly rent charge as reimbursement to tenant for maintenance of outside area of entire property.

2.3 No Set Off. Tenant waives and disclaims any present or future right to withhold any rent payment or other payment due under this Lease, or to set off in any action for rent, as a result of amy obligation of Landlord, however incurred, and agrees that hit will not claim or assert any right to so withhold or set off.

2.4 Late Charge. Any rental or other sums payable hereunder by Tenant which are not paid within ten(10) days after due shall bear interest from the due date to the date paid at the rate of eighteen percent (18%) per annum or the highest rate permitted by law, whichever is less. In addition to the above, Tenant shall pay Landlord a Seventy-five Dollar ($75.00) service charge for all monthly rent payments not paid by the tenth (10th) day of the month for which they are payable.

2.5 Utilities. Tenant shall pay to The Family Dentistry (or any other renter in whose name the utilities are billed), two thirds of those invoices submitted to them. These charges will include electric, water/sewer, and gas. Trash removal and telephone shall be the sole responsibility of tenant. Snow removal will be paid by tenant at one third the charge to The Family Dentistry (or any other renter in whose name the snow plowing is billed). All expenses shall be reimbursed within fifteen (15) days of receiving copies of these invoiced charges. If Tenant fails to pay any utilities or other expenses listed in this paragraph, Landlord shall have the right to pay the full amount due and this amount shall be an obligation of the Tenant to Landlord, payable on demand, and shall accrue interest as set forth in subparagraph 2.3.

2.6 Security Deposit. Tenant shall pay Landlord a security deposit in the amount of $750.00 upon the Commencement Date. The security deposit shall be held by the Landlord for the performance of Tenants covenants and obligations under this Lease, it being expressly understood that the security deposit shall not be considered an advance payment of rental or a measure of Landlord's damage in case of default by Tenant. Upon the occurrence of any event of default by Tenant or breach by Tenant of Tenant's covenants under this Lease, Landlord may from time to time and without prejudice to any other remedy, use the security deposit to the extent necessary to make good any arrears of rent, or to repair any damage or injury, or pay any expenses or liability incurred by Landlord as a result of the event of default or breach of covenant, and any remaining balance of the security deposit shall be returned by Landlord to Tenant within thirty (30) days after termination of this Lease. If any portion of the security deposit is so used or applied, Tenant shall upon ten(10) days written notice deposit with Landlord an amount sufficient to restore the security deposit to her original amount.

3. Permitted Uses

Permitted Uses. Leased Premises shall be for providing professional services that are agreed upon by the Landlord. Tenant shall not use the premises in a manner that is unlawful, creates damage, waste or a nuisance, or that disturbs occupants of or causes damage to neighboring premises or properties.

4. Construction/Improvements

4.1 Tenant Improvements. Tenant shall not make or allow to be made any alterations or physical additions in or to the Leased Premises without first obtaining the written consent of Landlord; (all such additional alterations and improvements are herein referred to as the "Tenant Improvements". Tenant Improvements shall be done in a workmanlike manner in accordance with industry standards and shall comply with all laws, ordinances, codes and regulations governing the Leased Premises and the construction of Tenant Improvements. Tenant shall pay contractors and laborers as well as materials for Tenant Improvements and not allow any mechanic's lien to arise which is not removed or bonded over within thirty (30) days of filing. Tenant shall indemnify, defend and hold Landlord harmless from and against any liability, loss, damage, and cost or expenses, including attorney's fees, on account of any claims or any nature, including claims of liens of labor or material or others for work performed for or materials or supplies furnished to Tenant or persons claiming under Tenant. All Tenant Improvements to the Leased Premises shall remain upon the Leased Premises and become the property of the Landlord upon expiration or termination of the Lease, unless such Tenant Improvements can be removed by Tenant without damage to the Leased Premises. Specifically, Tenant may remove the following items: All dental x-ray units and cabinetry purchased as equipment and not leasehold improvements and all trade fixtures.

4.2 Signage. Tenant may use signage affixed to current signage on approval of existing tenant or attach signage to building or affix vinyl lettering and graphics to glass windows or doors. All signage must first be approved by Landlord.

4.3 Removal of Tenant Improvements. All electronic, phone and data cabling and related equipment (collectively, "Cabling") shall be and remain the property of Tenant. Upon the expiration or earlier termination of this Lease, Tenant shall, at their sole expense , remove all such Cabling and repair any damage to the Leased Premises or the building caused by such removal. If Tenant fails to remove

covenants, and conditions hereof are in all respects subject and subordinate to all zoning restrictions affecting the Leased Premises, and Tenant agrees to be bound by such restrictions. Landlord does not warrant that any license or licenses, permits or permits, which may be required for the business to be conducted by Tenant on the Leased Premises will be granted, will continue in effect or renew.

16.9. Amendment. This lease may not be altered, amended or extended except by an instrument in writing signed by Tenant and Landlord. All negotiations, considerations, representations, and understandings between the parties are incorporated and merged herein, and may be modified or altered only by the parties written agreement. This Lease represents the entire agreement of the parties with respect to the subject matter covered herein.

Landlord and Tenant have signed and sealed this Lease as of the day and year first above written.

COUNTY BOARD OF EQUALIZATION

STIPULATION (As to Tax Year(s) 2019 Actual Value(s))

1. The property subject to this Stipulation is:
Schedule No. (S): R0100719 Parcel N0.(S) 01825-05-4-05-009

2. The subject property is classified as a Residential property.

3. The County Assessor originally assigned the following actual value to the subject property for tax year(s) **2019**:

Land	$105,000
Improvements	$812,937
Total	$917,937

4. The Adams County Assessor has reviewed this file and agrees to make the following adjustment to the valuation for the subject property for tax year(s) **2019**:

Land	$105,000
Improvements	$570,000
Total	$675,000

5. By entering into this agreement, the Petitioner understands that they are giving up rights to further appeal of the value of this property for tax year(s) **2019**.

Petitioner's Statement :

The owner provided no comments on the petition. However, a Realtor provided a letter indicating the square footage was not correct as well as issues pertaining to the location of the subject. The subject is in close proximity to a mobile home park as well as about 1.5 blocks east of Federal Blvd. The letter from the realtor is on file.

Assessor's Report

Situation :

The subject property is a two story three unit property. The property has 19,602 sq ft lot. The home has a total of 15 rooms, 6 bedrooms and 4 bathrooms. The owner lives on site in the unit above the garage. The garage is very large and includes a 3/4 bath and laundry area. There is a single car garage door on the east site of the main level of the home. There are two detached garages (1 car and a 2 car) that are in poor condition and not useable as a garage. No value given to these two buildings. It is noted that the owner occupies one of the three units.

Action :

The subject property was inspected on 7.27.2020 at 9am. The individual units were not inspected per the owner request; however, the interior of the garage was inspected. The building was measured as well as the garage to get a more accurate square footage of the improvements. The property was in average condition.

Recommendation :

Upon further review, a reduction in value appears warranted. **PLEASE NOTE: THE OWNER HAS THE SENIOR EXEMPTION.**

May 20, 2020

To whom it may concern,

I'm writing in behalf of my clients Phyllis Persinger and Robert Olivas for whom I currently manage an investment property. The address of said property is 2810 W. 65th Place, Denver, CO 80221.

I have been made aware of the recent tax assessment on the property and have been asked to give my professional opinion on the value of the home.

When I looked at the tax records for this home, I noticed that the square footage does not seem to be correct as well as the number of bedrooms. The three units each have 2 bedrooms and a bathroom so there are only 6 bedrooms total. The combined square footage for the front 2 units is about 1500, so that leaves the back unit at 2800 square feet which is obviously incorrect. We have managed this property for close to 20 years and are very familiar with the area and condition of the property and can strongly suggest that the current assessment is unduly influenced by the inflated Colorado market as well as a slew of newer homes being built in the area.

If taken into consideration the condition of the property and the average price per square foot of homes built in the area, excluding the recent newly built homes which are in a different bracket, I would feel the value of the home to be about $700,000.00.

My client has reached out to us in the past about possibly selling the home and asking for a possible value and we have never felt confident to list this home for anywhere close to what it is currently being assessed at. We have never had the home appraised, but I would imagine it would not appraise for close to the current assessed price as well.

I believe this assessment is mistakenly high due to a number of factors. Therefore, I have advised my client to get an appraisal done and to submit a formal notice of protest as they also feel the assessment is too high.

Thank you,

Jody Beckstead

Sonja Arney Properties
SONJA ARNEY • BROKER/OWNER

June 8, 2020

To: Adams County Assessor's Office

From: Sonja Arney/Sonja Arney Properties
Robert B Olivas and Phyllis A Persinger -Property Owners
Subject: Appeal on Tax Assessment

Respected Sir,

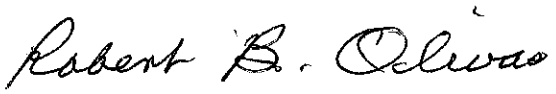
A tax assessment was conducted by your department on our property recently on the dated in January 2020 and additionally the 2019 Real Property Notice of Valuation report that I received on May of 2020. There are considerable mistakes in tax assessment relative to the stats of the property, and I would like to appeal against the assessment.

According to the report, the total worth of my assessments is shown to be $901793. But should be less even than the previously assessed amount of $722471 which is indicated in the attached documentation. There are several other errors in the county's information on our property. This is a triplex and not a duplex and has 6 bedrooms not 8 bedrooms. Not to mention that the property is in a highly industrialized area among several other rental properties much larger than our property and industrial business locations within walking distance in the same block. Directly across the street as well as next door there are commercial properties. Because of these differences, the tax to be paid by me is a much higher value than the exact sum I should pay. I have enclosed all the supporting documents that support this claim. That documentation illustrates numerous similar properties in the Denver Metro that are in much more desirable locations and with assessment values considerably lower than the assessment placed on our property by Adams County. I request to make a re-evaluation of the assessment and make the necessary changes.

Additionally, only two of the units in our property are rental locations as we occupy the third unit. Thus, the income on this property is only for two units.

Regards,

Sonja Arney/Sonja Arney Properties/Broker



Robert B Olivas

Please view the comparable properties located within the block of the subject property.

A range of property evaluations for remarkably similar types of properties. The subject property value and assessment is much higher that the similar properties.

Note the industrial nature of the surrounding area. (Picture)

Also included are similar properties of the Denver and surrounding areas. These properties are in much more desirable areas with much lower assessment values.

Additionally, there are three properties that have been used for comparables for the subject property illustrating a disparity in assessment.

Public Remarks

BEAUTIFUL INVESTMENT OPPORTUNITY!!! This triplex features two studio units and one 2 bed-2 bath unit. Current gross monthly rental income is $2950 ($775, $1325, $850). There are new floors in units 2 and 3 as well as new cabinets in unit 3. Each unit has countless new updates. The water heater for all units has just been replaced. All bedrooms are non-conforming. Materials for a new roof have been purchased. The owner and contractor are waiting for the weather to improve to do a full remove and replace. This property is in a wonderful, well-sought-out location. Home is a manufactured *home. 15 minutes from downtown with public transportation nearby. Property is sold AS IS.*

Confidential Information

Private Remarks: **Please direct ALL questions & correspondence to Celena Hinkelman at (720) 793-6842, Celena@OneHomeColorado.com All information deemed reliable, buyer/buyer's agent to verify all. Offers to be submitted through CTME to contracts@onehomecolorado.com. Three different units. Please allow at least 24 hours notice in order to schedule showings for all three units. Request showing through ShowingTime and Listing Agent will contact you to confirm showings and provide lockbox info.**

Public Remarks

Location and updates in this 5 bedroom, 3 bathroom triplex make it the perfect investment property. Located just one *block east of Wadsworth light rail station. Two 2 bedroom, 1 bath units and one 1 bedroom, 1 bath unit that sits below the* front unit. Front unit is fully updated with new kitchen appliances, new carpet and engineered hardwood floors, updated bathroom, new windows, new doors and new paint. One bedroom, one bath unit has all new electrical, new plumbing, new engineered hardwood flooring, updated bathroom, new windows and new doors. All units have new furnaces, hot water heaters, and central air conditioning. Main water line was replaced in 2019. Each unit has their own laundry room and separate yard. There are storage areas inside the garage for each unit and storage shed in the backyard of third unit. The roof was replaced in 2016. Basement is non conforming. Plenty of parking with 3 parking spots on the street and 4 parking spots in the driveway. Ready to rent or live in one unit and rent out the other two. Or use as a single family residence with the mother-in-law unit on the side.

Public Remarks

Excellent investment opportunity in the Sunnyside neighborhood just blocks from the 41st & Fox light rail station surrounded by new and planned urban infill development. This 9375 sq ft lot is zoned U-TU-C and features an existing triplex with each unit at ~1500 sq ft 2BD/1BA and ~4500+ total sq ft. Gross income is $3000/mo with tenants on month

to month leases. Buy/hold, renovate/split/sell, or build a new triplex. Another option is to scrape and split into two SFR lots. Call to discuss opportunity today.

Confidential Information

Private Remarks: **Do not disturb tenants. No showings without accepted contract. Listing broker has already had meeting with CPD on rezone so please call to discuss. Powerpoint is uploaded in supplements.**

Public Remarks

Estate sale. Rare find in Littleton! Great location! Great condition! Great opportunity! Brick side-by-side Triplex. Individually metered. Stable property with long term tenants who have taken very good care of the property. All three units show well! Exterior access to common area basement where each unit has a secured storage room. See pics and 3-D Interactive Tours of the whole property! TAKE NOTE! Virtual Tour 1 is of unit #5344, Virtual Tour 2 is of unit #5346, and Virtual Tour 3 is of unit #5348. Pics are labeled and in order beginning with exterior photo of unit #5344. Keep scrolling down to view the rest of the units. BETWEEN the TOURS and PICS you will see everything, inside and out. If you have a problem with opening or viewing the tours in your browser, use Internet Explorer. Please feel free to call or email me with questions or more details. Better Hurry! This one won't last!

Directions

Broadway to west on Littleton Blvd to Delaware Street. Turn right or go north on Delaware Street to Crestline Avenue and turn left of go west to Lakeview Street then turn right or go north on Lakeview to property , on the right or east side of street.

Confidential Information

Private Remarks: **Estate sale, even though it's in the names of the heirs. Use a special warranty deed to convey title. Not much cash left in the estate for repairs and improvements. Will be sold as-is. Due to the property being tenant occupied and coronavirus showing restrictions, the property must be shown virtually without an accepted contract, no exceptions. The tours and pics are thorough and show almost everything. The units are always that clean and neat too! Feel free to call with questions or to discuss.**

BOARD OF COUNTY COMMISSIONERS

STIPULATION (As to Tax Year(s) 2019 Actual Value(s))

1. The property subject to this Stipulation is:
Schedule No. (S): R0077814/15 Parcel N0.(S) 0172131205001/002

2. The subject property is classified as a Commercial property.

3. The County Assessor originally assigned the following actual value to the subject property for tax year(s) 2019:

Land	$164,464
Improvements	$939,307
Total	$1,103,771

4. The Adams County Assessor has reviewed this file and agrees to make the following adjustment to the valuation for the subject property for tax year(s) 2019:

Land	$164,464
Improvements	$785,536
Total	$950,000

5. By entering into this agreement, the Petitioner understands that they are giving up rights to further appeal of the value of this property for tax year(s) 2019.

DATED this: July 24, 2020

PETITION FOR ABATEMENT OR REFUND OF TAXES

County: Adams

Date Received _____
(Use Assessor's or Commissioners' Date Stamp)

Section I: Petitioner, please complete Section I only.

Date: 3/1/20
Month Day Year

Petitioner's Name: Miles Family LLLP

Petitioner's Mailing Address: 6969 E. 11th Ave.

Denver	CO	80220
City or Town	State	Zip Code

SCHEDULE OR PARCEL NUMBER(S)	PROPERTY ADDRESS OR LEGAL DESCRIPTION OF PROPERTY
R0077815	7725 Dahlia St.
R0077814	Vacant Land

Petitioner requests an abatement or refund of the appropriate taxes and states that the taxes assessed against the above property for the property tax year 2019 are incorrect for the following reasons: (Briefly describe why the taxes have been levied erroneously or illegally, whether due to erroneous valuation, irregularity in levying, clerical error, or overvaluation. Attach additional sheets if necessary.)

The income and market approaches to value support a lower valuation.

Petitioner's estimate of value: $925,100.00 (2019)
Value Year

I declare, under penalty of perjury in the second degree, that this petition, together with any accompanying exhibits or statements, has been prepared or examined by me, and to the best of my knowledge, information, and belief, is true, correct, and complete.

Property Tax Advisors, Inc.

***Letter of agency must be attached when petition is submitted by an agent.**

If the Board of County Commissioners, pursuant to § 39-10-114(1), C.R.S., or the Property Tax Administrator, pursuant to § 39-2-116, C.R.S., denies the petition for refund or abatement of taxes in whole or in part, the Petitioner may appeal to the Board of Assessment Appeals pursuant to the provisions of § 39-2-125, C.R.S., within thirty days of the entry of any such decision, § 39-10-114.5(1), C.R.S.

Section II: **Assessor's Recommendation**
(For Assessor's Use Only)

Tax Year _____

	Actual	Assessed	Tax
Original			
Corrected			
Abate/Refund			

☐ **Assessor recommends approval as outlined above.**

If the request for abatement is based upon the grounds of overvaluation, no abatement or refund of taxes shall be made if an objection or protest to such valuation has been filed and a Notice of Determination has been mailed to the taxpayer, § 39-10-114(1)(a)(I)(D), C.R.S.

Tax year: _____ **Protest?** ☐ **No** ☐ **Yes (If a protest was filed, please attach a copy of the NOD.)**

☐ **Assessor recommends denial for the following reason(s):**

_____
Assessor's or Deputy Assessor's Signature

15-DPT-AR No. 920-66/17

FOR ASSESSORS AND COUNTY COMMISSIONERS USE ONLY
(Section III or Section IV must be completed)

Every petition for abatement or refund filed pursuant to § 39-10-114, C.R.S. shall be acted upon pursuant to the provisions of this section by the Board of County Commissioners or the Assessor, as appropriate, within six months of the date of filing such petition, § 39-1-113(1.7), C.R.S.

Section III: Written Mutual Agreement of Assessor and Petitioner

(Only for abatements up to $10,000)

The Commissioners of _____ County authorize the Assessor by Resolution No. _____ to review petitions for abatement or refund and to settle by written mutual agreement any such petition for abatement or refund in an amount of $10,000 or less per tract, parcel, or lot of land or per schedule of personal property, in accordance with § 39-1-113(1.5), C.R.S.

The Assessor and Petitioner mutually agree to the values and tax abatement/refund of:

Tax Year _____

	Actual	Assessed	Tax
Original	_____	_____	_____
Corrected	_____	_____	_____
Abate/Refund	_____	_____	_____

Note: The total tax amount does not include accrued interest, penalties, and fees associated with late and/or delinquent tax payments, if applicable. Please contact the County Treasurer for full payment information.

_____ _____
Petitioner's Signature **Date**

_____ _____
Assessor's or Deputy Assessor's Signature **Date**

Section IV: Decision of the County Commissioners

(Must be completed if Section III does not apply)

WHEREAS, the County Commissioners of _____ County, State of Colorado, at a duly and lawfully called regular meeting held on _____/_____/_____, at which meeting there were present the following members:
Month Day Year

_____

_____

with notice of such meeting and an opportunity to be present having been given to the Petitioner and the Assessor of said County and Assessor _____ ***(being present--not present)*** and
Name

Petitioner _____ (***being present--not present)***, and WHEREAS, the said
Name

County Commissioners have carefully considered the within petition, and are fully advised in relation thereto, NOW BE IT RESOLVED that the Board ***(agrees--does not agree)*** with the recommendation of the Assessor, and that the petition be ***(approved--approved in part--denied)*** with an abatement/refund as follows:

Year	Assessed Value	Taxes Abate/Refund

STRUCTURAL NOTES

GENERAL:

1. Dimensions: The structural drawings shall be considered as a part of the complete set of Contract drawings, including the drawings of all disciplines. It is intended that the Structural drawings will provide sufficient dimensions to locate the primary structural elements and members. Location of secondary members which are affected by systems detailed by others may require reference to the drawings of other disciplines and layout and coordination by the contractor. If direct conflict between dimensions of two or more disciplines is encountered, such conflicts shall be resolved by the Architect. Do not use scaled dimensions. Use written dimensions or where dimensions are not provided, consult the architect for clarifications before proceeding with the work in question.

2. Omissions or conflicts between various elements of the drawings, specifications, notes, and details shall be brought to the attention of the structural engineer and resolved before proceeding with the work. The contractor must submit in writing any requests for modifications to the plans and specifications. Shop drawings submitted to the structural engineer for review do not constitute "in writing" unless it is clearly noted that specific changes are being requested.

3. Deferred Submittals: Where Structural components are fully or partially designed and detailed by the supplier or fabricator, complete shop drawings and calculations, signed and sealed by a professional engineer registered in the state where the project is located, shall be submitted to the structural engineer for review. In addition, a copy of these documents shall be submitted to the Building Official for approval in accordance with IBC Section 107.3.4.1.

4. The Contract drawings and specifications represent the finished structure. They do not indicate the method of construction. The contractor shall provide all measures necessary to protect the structure during construction. Such measures shall include but not be limited to bracing and shoring for loads due to construction equipment and materials.

DESIGN CRITERIA:

1. 1. Used 2012 International Building Code.
2. ASD Design Loads:
   A. Roof: D.L. = 5#/SF., L.L. = 30#/SF. Snow
3. Wind load = 90 MPH (nominal), exposure C, Iw = 1.0.
4. Seismic: Equivalent Static Force Design Procedure.
   Seismic Design Category B, Site Class D.
   Ss = 0.176 SDS = 0.188
   S1 = 0.057 SD1 = 0.092
   R = 7.0 – Light framed walls w/ steel sheet shear panels.
   Ie = 1.0.

**Per 2012 ICC Commentary:

"Wind speeds are designated as "ultimate design" or "nominal design" wind speeds and are used for either strength design or allowable stress designs respectively. The ultimate design wind speeds are indicated in Figures 1609A, B & C, and vary based on the building's risk category and location. The ultimate design for wind speeds for a Risk Category II building vary from 110 mph on the West Coast to 180 mph in hurricane-prone areas in southern Florida. These wind speeds would convert to a nominal design wind speed, or what was previously called the "basic wind speed" 85 mph for the West Coast and 139 mph for southern Florida when using allowable stress design."

QUALITY ASSURANCE:

FOUNDATIONS:

1. Maximum foundation soil bearing pressure used = 1500#/SF.

MATERIALS:

CONCRETE:

1. Mix design shall be established in accordance to Chapter 5 of ACI 318.
2. Minimum cement content = 376#/YD.
3. Maximum slump = 4".
4. 28 day strength f'c = 2500 PSI.
   Special inspection not required per IBC 1705.3, exception 2.

STRUCTURAL AND MISCELLANEOUS STEEL:

1. All steel work shall conform with AISC specifications.
2. Bolts ASTM A307 for connections to concrete.
   Bolts ASTM A325 for steel to steel connections. Bolts to be snug tight except bolts indicated as S.C. to be fully tightened.
3. Roof Steel shall be painted 29 Ga, ribbed steel and shall be attached to framing with 1 ½" x #9 screws with neoprene washers at 9" o.c.
4. Wall Steel shall be painted 29 Ga, ribbed steel and shall be attached to framing with 1 ½" x #9 screws with neoprene washers at 9" o.c.

LUMBER:

1. Sawn lumber for studs, joists, etc.(2x6 or larger) = No.2 Doug Fir larch.
2. 2x4's = Standard Doug Fir larch.
3. Posts = So. Pine #1 Nail-lam.
4. All nails are to be common nails unless noted otherwise.
5. For connections of "SIMPSON" hardware or equivalent follow manufacturers recommendations.
6. Trus-Joist products:
   A. Roof joists shown as TJI etc. shall be designed for the loads specified and shall conform to Trus-Joist specification.
   B. Joists exceeding 24' in length shall be cambered to a standard radius of R = 2250.
   C. Any alternate joist system(s) shall be the same depth and load Carrying capacity as the Trus-Joist system show on the drawings.
   D. Micro Lam (LVL) E-1,900,000 psi.
7. Premanufactured Trusses
   A. Truss Loading:
      Top Chord D.L. = 5 PSF.
      Bottom Chord D.L. = 5 PSF.
      Top Chord L.L. = 30 PSF.
      Bottom Chord L.L. = 5 PSF. Does not act concurrently with top chord L.L.
   B. Member Properties:
      Chords shall be #2 Douglas Fir or better.
      Webs shall have minimum Modulus of Elasticity of 1,500,000 psi.
   C. All truss blocking shall be provided by the truss manufacturer and constructed with approved plates.
   D. Truss Manufacturer shall verify all truss dimensions, accounting for tolerances, connections, and splice requirements.
   E. Truss profiles shown are representations of possible configurations of Web locations and member sizes. Truss manufacturer shall submit shop drawings for approval. All trusses shall be designed by a registered professional engineer and all shop drawings shall be stamped and signed by a registered professional engineer.
   F. Truss manufacturer shall provide proof of approved third party I inspection as required by IBC chapter 2303.4.
   G. Truss manufacturer shall design all truss to truss connections and shall indicate said connections on the shop drawings.
   H. Each truss shall be marked with the following information:
      1. Manufacturers identity.
      2. Design Load.
      3. Truss spacing.
8. All lumber in contact with concrete, masonry, or ground shall be preservative treated wood in accordance with AWPA standards.

AGENT AUTHORIZATION

Colorado

TO: _____
Assessor's Office and the
Assessment Review Agency

The Property Owner(s) listed below hereby authorize and appoint the Joseph C. Sansone Company to act as agent with full authority to handle all matters relating to ad valorem tax matters for our respective listed parcels. This includes, but is not limited to, the filing of property tax declarations or other documents with you or the Assessment Appeals Board, examining any records in your office which we have a right to examine, appearing before any assessment officer or board and discussing assessments and resolving disputes with you concerning the assessments on parcels for which we are responsible for the property taxes. This authority shall terminate when all matters relating to the 2017 through 2022 assessments are resolved.

BOARD OF COUNTY COMMISSIONERS

STIPULATION (As to Tax Year(s) 2019 Actual Value(s))

1. The property subject to this Stipulation is:
Schedule No. (S): R0147811 Parcel N0.(S) 0171934121015

2. The subject property is classified as a Commercial property.

3. The County Assessor originally assigned the following actual value to the subject property for tax year(s) 2019:

Land	202150
Improvements	1291638
Total	1493788

4. The Adams County Assessor has reviewed this file and agrees to make the following adjustment to the valuation for the subject property for tax year(s) 2019:

Land	202150
Improvements	751750
Total	953900

5. By entering into this agreement, the Petitioner understands that they are giving up rights to further appeal of the value of this property for tax year(s) 2019.

Petitioner's Statement :

Property has been overvalued. The property has no undergone renovations, it is not in newer condition, yet assessor made a change of $822,910 over previous year.

Assessor's Report

Situation :

Appraiser re-valued the property. Market rent and price data metrics indicate that 2019 Adams Actual Value exceeded 2019 Market Value.

Action :

Appraiser determined reasonable 2019 Actual Value to be $953,900.

Recommendation :

Upon further review, a reduction in value appears warranted.

OFFICE OF THE ADAMS COUNTY ASSESSOR

Petitioner requests an abatement or refund of the appropriate taxes and states that the taxes assessed against the above property for the property tax year 2019 are incorrect for the following reasons: (Briefly describe why the taxes have been levied erroneously or illegally, whether due to erroneous valuation, irregularity in levying, clerical error, or overvaluation. Attach additional sheets if necessary.)

I believe that the property has been overevaluated. The property has not undergone renovations, it is not in newer condition, yet the assesor has made a change of $822,910.00 more than the previous year.

Petitioner's estimate of value: $ 900,000 (2019)
Value Year

I declare, under penalty of perjury in the second degree, that this petition, together with any accompanying exhibits or statements, has been prepared or examined by me, and to the best of my knowledge, information, and belief, is true, correct, and complete.

Catalyst Property Tax Consultants

STATEMENT OF AGENCY

This Agreement made on May 29, 2020, by and between

13591 Huron Street LLC
3000 Gulf to Bay Blvd, Suite 303
Clearwater, FL 33759-4304

(Hereinafter "Taxpayer")

Catalyst Property Tax Consultants, LLC
2291 Arapahoe Avenue
Boulder, CO 80302
Telephone: 720.344.3237
(Hereinafter "Catalyst")

Taxpayer hereby appoints Catalyst as its representative and agent for assessment years 2019-2022 in connection with the valuations for assessment of Taxpayer's real property in Colorado:

13591 Huron Street
Westminster, CO
(Hereinafter "the Property")

Catalyst shall have full authority to:

1. Review all applicable records relating to the valuation for assessment for the Property;
2. Discuss the valuation for assessment of the Property with the County Auditor/Assessor, or any of his representatives, as to the amount of valuation which Catalyst deems appropriate in the circumstances;
3. Accept on behalf of Taxpayer any valuation for assessment; and
4. Pursue any statutory remedies which Taxpayer may possess, before the County Auditor/Assessor, County Board of Equalization, State Assessment Appeals Board, or in binding arbitration, in Taxpayer's name and on Taxpayer's behalf with regard to the Property.

This appointment of agency shall remain in effect until revoked in writing by both parties.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: County Board of Equalization Appointment of Hearing Officers
FROM: Meredith P. Van Horn, Assistant Adams County Attorney; **Elizabeth A. Albright, CBOE/Abatement Coordinator**
AGENCY/DEPARTMENT: County Attorney
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ YES ☐ NO
RECOMMENDED ACTION: That the Board of County Commissioners appoint the following candidate, Michael Krening, as a 2020 CBOE and/or Abatement and/or Property Tax Exemption Hearing Officer.

BACKGROUND:

Annually, the Board of County Commissioners, sitting as the Adams County Board of Equalization, reviews the assessment roll of all taxable real property located in the County as prepared by the Assessor. Authorization under C.R.S. § 39-8-102 allows the appointment of independent hearing officers who are experienced in property valuation to conduct hearings on appeal of these valuations, on behalf of the Board of Equalization. The Hearing Officers then make findings and submit their recommendations to the County Board of Equalization for its final action.

Hearings on real and personal property tax valuation appeals before the County Board of Equalization, must be conducted between September 16th and November 1st for 2020, and their recommendations approved on or before November 10th, pursuant to C.R.S. § 39-8-107(2).

Additional Note:

RESOLUTION APPOINTING HEARING OFFICER TO HEAR APPEALS BEFORE THE ADAMS COUNTY BOARD OF EQUALIZATION

WHEREAS, the Board of County Commissioners, County of Adams, State of Colorado, also comprises the Adams County Board of Equalization; and,

WHEREAS, C.R.S § 39-8-102, authorizes a County Board of Equalization to appoint independent hearing officers who are experienced in property valuation to conduct hearings on behalf of the County Board of Equalization, and to make findings and submit recommendations to the County Board of Equalization for its final action; and,

WHEREAS, Michael Krening has applied, possesses the requisite licenses and/or credentials and should be appointed to act as a hearing officer to conduct hearings pursuant to C.R.S. § 39-8-102 and C.R.S. § 39-3-206.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners, County of Adams, State of Colorado, when sitting as the Adams County Board of Equalization, that the person identified below, who is experienced in property valuation, is hereby appointed to act as a hearing officer to conduct hearings pursuant to C.R.S. § 39-8-102, and C.R.S. § 39-3-206, and that his compensation shall be set at the rate of $75 per hour, with a 4-hour minimum.

Name	**Address**
Michael Krening	916 Cherokee Street Fort Morgan, CO 80601 Phone: 303-579-6261 Krenings@msn.com

BE IT FURTHER RESOLVED, that the Chair is authorized to sign the Purchase of Service Agreement for the Board of Equalization Hearing Officer, for the above appointed individual.

ADAMS COUNTY, COLORADO
PURCHASE OF SERVICE AGREEMENT FOR BOARD OF EQUALIZATION HEARING OFFICER

THIS AGREEMENT ("Agreement") is made this 8th day of August 2020, by and between the Adams County Board of County Commissioners, located at 4430 S. Adams County Parkway, Brighton, Colorado 80601, hereinafter referred to as the "County," and Michael Krening, whose address is 916 Cherokee Street, Fort Morgan, CO 80701, hereinafter referred to as the "Contractor." The County and the Contractor may be collectively referred to herein as the "Parties."

The County and the Contractor, for the consideration herein set forth, agree as follows:

1. **SERVICES OF THE CONTRACTOR:**

Contractor shall act as a hearing officer to hear taxpayer appeals of property valuations. Contractor shall enter its findings and ruling into the County's computer system on the day of the appeal in order for the County to send timely notices to the taxpayers.

2. **RESPONSIBILITIES OF THE COUNTY:**

The County shall provide information as necessary or requested by the Contractor to enable the Contractor's performance under this Agreement. County shall provide necessary computer equipment.

3. **TERM:**

Term of Agreement: The term of this agreement shall be for year 2020 and renewable for up to 5 (five) one-year commitments, upon mutual consent of the parties.

4. **PAYMENT AND FEE SCHEDULE:**

The County shall pay the Contractor for services furnished under this Agreement, and the Contractor shall accept as full payment for those services, the sum of $75.00 (Seventy-Five Dollars) per hour with a 4 (four) hour minimum, to be paid within thirty days of the date the work is completed.

5. **INDEPENDENT CONTRACTOR:**

In providing services under this Agreement, the Contractor acts as an independent contractor and not as an employee of the County. The Contractor shall be solely and entirely responsible for his/her acts, and the acts of his/her employees, agents, servants, and subcontractors during the term and performance of this Agreement. No employee, agent, servant, or subcontractor of the Contractor shall be deemed to be an employee, agent, or servant of the County because of the performance of any services or work

under this Agreement. The Contractor, at its expense, shall procure and maintain workers' compensation insurance as required by law. **Pursuant to the Workers' Compensation Act § 8-40-202(2)(b)(IV), C.R.S., as amended, the Contractor understands that it and its employees and servants are not entitled to workers' compensation benefits from the County. The Contractor further understands that it is solely obligated for the payment of federal and state income tax on any moneys earned pursuant to this Agreement.**

6. NONDISCRIMINATION:

The Contractor shall not discriminate against any employee or qualified applicant for employment because of age, race, color, religion, marital status, disability, sex, or national origin. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices provided by the local public agency setting forth the provisions of this nondiscrimination clause.

7. INDEMNIFICATION:

The Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees for, from, and against any and all claims, suits, expenses, damages, or other liabilities, including reasonable attorney fees and court costs, arising out of damage or injury to persons, entities, or property, caused or sustained by any person(s) as a result of the Contractor's performance or failure to perform pursuant to the terms of this Agreement or as a result of any subcontractors' performance or failure to perform pursuant to the terms of this Agreement.

8. TERMINATION:

8.1. For Cause: If, through any cause, the Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, or if the Contractor violates any of the covenants, conditions, or stipulations of this Agreement, the County shall thereupon have the right to immediately terminate this Agreement, upon giving written notice to the Contractor of such termination and specifying the effective date thereof.

8.2. For Convenience: The County may terminate this Agreement at any time by giving written notice as specified herein to the other party. If this Agreement is terminated by the County, the Contractor will be paid an amount that bears the same ratio to the total compensation as the services actually performed bear to the total services the Contractor was to perform under this Agreement, less payments previously made to the Contractor under this Agreement.

9. MUTUAL UNDERSTANDINGS:

9.1. Jurisdiction and Venue: The laws of the State of Colorado shall govern as to the

interpretation, validity, and effect of this Agreement. The parties agree that jurisdiction and venue for any disputes arising under this Agreement shall be Adams County, Colorado.

9.2. Compliance with Laws: During the performance of this Agreement, the Contractor agrees to strictly adhere to all applicable federal, state, and local laws, rules and regulations, including all licensing and permit requirements. The parties hereto aver that they are familiar with § 18-8-301, et seq., C.R.S. (Bribery and Corrupt Influences), as amended, and § 18-8-401, et seq., C.R.S. (Abuse of Public Office), as amended, and that no violation of such provisions are present. Without limiting the generality of the foregoing, the Contractor expressly agrees to comply with the privacy and security requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) when exposed to or provided with any data or records under this Agreement that are considered to be "Protected Health Information."

9.3. OSHA: Contractor shall comply with the requirements of the Occupational Safety and Health Act (OSHA) and shall review and comply with the County's safety regulations while on any County property. Failure to comply with any applicable federal, state or local law, rule, or regulation shall give the County the right to terminate this agreement for cause.

9.4. Record Retention: The Contractor shall maintain records and documentation of the services provided under this Agreement, including fiscal records, and shall retain the records for a period of three (3) years from the date this Agreement is terminated. Said records and documents shall be subject at all reasonable times to inspection, review, or audit by authorized federal, state, or County personnel.

9.5. Assignability: Neither this Agreement, nor any rights hereunder, in whole or in part, shall be assignable or otherwise transferable by the Contractor without the prior written consent of the County.

9.6. Waiver: Waiver of strict performance or the breach of any provision of this Agreement shall not be deemed a waiver, nor shall it prejudice the waiving party's right to require strict performance of the same provision, or any other provision in the future, unless such waiver has rendered future performance commercially impossible.

9.7. Force Majeure: Neither party shall be liable for any delay or failure to perform its obligations hereunder to the extent that such delay or failure is caused by a force or event beyond the control of such party including, without limitation, war, embargoes, strikes, governmental restrictions, riots, fires, floods, earthquakes, or other acts of God.

9.8. Notice: Any notices given under this Agreement are deemed to have been

received and to be effective: (1) three (3) days after the same shall have been mailed by certified mail, return receipt requested; (2) immediately upon hand delivery; or (3) immediately upon receipt of confirmation that a facsimile was received. For the purposes of this Agreement, any and all notices shall be addressed to the contacts listed below:

Adams County Attorney's Office 4430 S. Adams County Parkway 5th Floor, Suite C5000B Brighton, Colorado 80601 Phone: 720-523-6116 Fax: 720-523-6114
Adams County Board of Equalization Contact: Elizabeth A. Albright Address: 4430 S. Adams County Parkway, 5th Floor, Suite C5000B Brighton, Colorado 80601 Phone: 720-523-6328 Fax: 720-523-6114 Email: balbright@adcogov.org
Michael Kening 916 Cherokee Street Fort Morgan, CO 80601 Phone: 303-579-6261 Krenings@msn.com

9.9. Integration of Understanding: This Agreement contains the entire understanding of the parties hereto and neither it, nor the rights and obligations hereunder, may be changed, modified, or waived except by an instrument in writing that is signed by the parties hereto.

9.10. Severability: If any provision of this Agreement is determined to be unenforceable or invalid for any reason, the remainder of this Agreement shall remain in effect, unless otherwise terminated in accordance with the terms contained herein.

9.11. Authorization: Each party represents and warrants that it has the power and ability to enter into this Agreement, to grant the rights granted herein, and to perform the duties and obligations herein described.

10. COMPLIANCE WITH C.R.S. § 8-17.5-101, ET. SEQ. AS AMENDED 5/13/08: Pursuant to Colorado Revised Statute (C.R.S.), § 8-17.5-101, *et. seq.*, as amended 5/13/08, the Contractor shall meet the following requirements prior to signing this Agreement (public contract for service) and for the duration thereof:

10.1. The Contractor shall certify participation in the E-Verify Program (the electronic employment verification program that is authorized in 8 U.S.C. § 1324a and jointly administered by the United States Department of Homeland Security and the Social Security Administration, or its successor program) or the Department Program (the employment verification program established by the Colorado Department of Labor and Employment pursuant to C.R.S. § 8-17.5-102(5)) on the attached certification.

10.2. The Contractor shall not knowingly employ or contract with an illegal alien to perform work under this public contract for services.

10.3. The Contractor shall not enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this public contract for services.

10.4. At the time of signing this public contract for services, the Contractor has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this public contract for services through participation in either the E-Verify Program or the Department Program.

10.5. The Contractor shall not use either the E-Verify Program or the Department Program procedures to undertake pre-employment screening of job applicants while this public contract for services is being performed.

10.6. If Contractor obtains actual knowledge that a subcontractor performing work under this public contract for services knowingly employs or contracts with an illegal alien, the Contractor shall: notify the subcontractor and the County within three days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and terminate the subcontract with the subcontractor if within three days of receiving the notice required pursuant to the previous paragraph, the subcontractor does not stop employing or contracting with the illegal alien; except that the contractor shall not terminate the contract with the subcontractor if during such three days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien.

10.7. Contractor shall comply with any reasonable requests by the Department of Labor and Employment (the Department) made in the course of an investigation that the Department is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5).

10.8. If Contractor violates this Section, of this Agreement, the County may terminate this Agreement for breach of contract. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the County.

LAWFUL PRESENCE AFFIDAVIT

I, Michael L. Krening, swear or affirm under penalty of perjury under the laws of the State of Colorado that (check one):

International Association of Assessing Officers
Member - 1993-2020
Colorado Association of Tax Appraisers
Member - 1988-2020

Other:

I have attended many Assessors Law Seminars, Summer and Winter Conferences presented by The Division of Property Tax since 1989.

I was in sole charge of completing all modeling and valuation of Commercial / Industrial properties, including interaction with the State Auditor for the Property Assessment Study since 1989. No Audit recommendations have been issued. I have met the requirement set forth by the State of Colorado for statistical requirements. Morgan County's Commercial / Industrial classification currently represents over 40% of the assessed value performed by the real property appraisers in Morgan County. This information is available upon request.

I have done narrative appraisals on commercial and special purpose properties such as, car-washes, motels, banks, service stations, grocery stores, meat packing facilities, drive-in theaters, etc. as well as appraisals on residential properties, since 1988.

I have been seated as an Expert Witness in both, Boards of Assessment Appeals Hearings as well as for testimony concerning valuation in Court in Morgan County, for matters of private litigation.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: Resolution approving right-of-way agreement between Adams County and Clear Creek Station Metropolitan District No. 1 for property necessary for the Traffic Signal Cabinet Upgrade Project
FROM: Kristin Sullivan, AICP, Director of Public Works Brian Staley, P.E., PTOE, Deputy Director of Public Works
AGENCY/DEPARTMENT: Public Works
HEARD AT STUDY SESSION ON: N/A
AUTHORIZATION TO MOVE FORWARD: ☐ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners approves the right-of-way agreement for acquisition of property interests needed for the Traffic Signal Cabinet Upgrade Project

BACKGROUND:

Adams County is in the process of acquiring property interests throughout unincorporated Adams County for upgrades to existing traffic signal cabinets. The intention of this Project is to identify and improve the traffic signal cabinets at intersections. Attached is a copy of the right-of-way agreement between Adams County and Clear Creek Station Metropolitan District No. 1 for acquisition of property interests in the amount of $6,345.00. The attached resolution allows the County to acquire ownership of the property interests needed for the use of the public and provide the necessary documents to close on the property.

AGENCIES, DEPARTMENTS OR OTHER OFFICES INVOLVED:

BOARD OF COUNTY COMMISSIONERS FOR
ADAMS COUNTY, STATE OF COLORADO

RESOLUTION APPROVING RIGHT-OF-WAY AGREEMENT BETWEEN ADAMS COUNTY AND CLEAR CREEK STATION METROPOLITAN DISTRICT NO. 1 FOR PROPERTY NECESSARY FOR THE TRAFFIC SIGNAL CABINET UPGRADE PROJECT

WHEREAS, Adams County is in the process of acquiring right-of-way and easements at several intersections throughout the County for the Traffic Signal Cabinet Upgrade Project ("Project"); and,

WHEREAS, the intention of the Project is to identify and replace outdated traffic signal cabinets ("Improvements"); and,

WHEREAS, this easement acquisition is a portion of 1625 West 67th Avenue and 1610 ½ West 67th Avenue located in the Southwest Quarter of Section 4, Township 3 South, Range 68 West of the 6th Principal Meridian, County of Adams, State of Colorado, and owned by Clear Creek Station Metropolitan District No. 1 ("Parcel 5 and 6"); and,

WHEREAS, Adams County requires ownership of Parcel 5 and 6 for construction of the Improvements; and,

WHEREAS, Clear Creek Station Metropolitan District No. 1 is willing to sell Parcel 5 and 6 to Adams County under the terms and conditions of the attached Right-of-Way Agreement.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners, County of Adams, State of Colorado, that the Right-of-Way Agreement between Adams County and Clear Creek Station Metropolitan District No. 1, a copy of which is attached hereto and incorporated herein by this reference, be and hereby is approved.

BE IT FURTHER RESOLVED that the Chair of the Board of County Commissioners is hereby authorized to execute said Right-of-Way Agreement on behalf of Adams County.

Right-of-Way Agreement

This Agreement is made and entered into by and between **CLEAR CREEK STATION METROPOLITAN DISTRICT NO. 1,** whose address is **11002 Benton Street, Westminster, CO, 80020** ("Owner"), and the County of Adams, State of Colorado, a body politic, who address is 4430 South Adams County Parkway, Brighton, Colorado, 80601 ("County") for the conveyance of rights-of-way on property located at 1625 West 67th Avenue and 1610 ½ West 67th Avenue being conveyed hereinafter (the "Property") for the Traffic Signal Cabinet Upgrade Project (the "Project"). The legal description and conveyance documents for the interests on said Property are set forth in Exhibit A, B, C & D attached hereto and incorporated herein by this reference.

The compensation agreed to by the Owner and the County for the acquisition of the Property interests described herein is **SIX THOUSAND THREE HUNDRED FORTY-FIVE AND NO/100 DOLLARS ($6,345.00),** including the performance of the terms of this Agreement, the sufficiency of which is hereby acknowledged. The parties further agree that the consideration shall consist of $6,345.00 for the conveyance of permanent utility easements. This consideration has been agreed upon and between the parties as the total just compensation due to the Owner and the consideration shall be given and accepted in full satisfaction of this Agreement.

In consideration of the above premises and the mutual promise and covenants below, the Owner and the County agree to the following:

1. The Owner hereby warrants that the Owner is the sole Owner of the Property, that the Owner owns the Property in fee simple subject only to matters of record and that the Owner has the power to enter into this Agreement.

2. The Owner agrees to execute and deliver to the County the attached conveyance documents on the property upon tender by the County of a warrant (check) for the compensation agreed upon as soon as possible following the execution of this agreement.

3. The Owner hereby irrevocably grants to the County possession and use of the property interests on the Property upon execution of this Agreement by the Owner and the County. This grant of possession shall remain in effect with respect to the Property until such time as the County obtains from the Owner the attached conveyance documents.

4. The Owner agrees to pay all 2019 taxes due in 2020 prior to tender by the County.

5. The County through its contractor shall assure that reasonable access shall be maintained to the Owner's property at all times for ingress and egress. If necessary, any full closure of access shall be coordinated between the contractor and the Owner and/or its agent.

6. In further consideration of the granting of this easement, it is hereby agreed that all work performed by the County, its successors, and assigns, in connection with this easement shall be done with care. Following completion of the work performed the surface of the property disturbed during construction shall be restored reasonably similar to its original condition, or as close thereto as possible, except as necessarily modified to accommodate the street improvements being installed.

7. The Owner has entered into this Agreement acknowledging that the County has the power of eminent domain and required the Property for a public purpose.

8. If the Owner fails to consummate this agreement for any reason, except the County's default, the County may at its option, enforce this agreement by bringing an action against the Owner for specific performance.

9. This Agreement contains all agreements, understandings and promises between the Owner and the County, relating to the Project and shall be deemed a contact binding upon the Owner and County and extending to the successors, heirs and assigns.

10. The Owner shall be responsible for reporting proceeds of the sale to taxing authorities, including the submittal of Form 1099-S with the Internal Revenue Service, if applicable.

11. This Agreement has been entered into in the State of Colorado and shall be governed according to the laws thereof.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: August 18, 2019
SUBJECT: Adams County's Scientific and Cultural Facilities District Funding Distribution Plan
FROM: Byron Fanning, Director, Zoe Ocampo, Cultural Arts Liaison
AGENCY/DEPARTMENT: Parks, Open Space and Cultural Arts
HEARD AT STUDY SESSION ON August 04, 2020
AUTHORIZATION TO MOVE FORWARD: ☒ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners approves Adams County's Scientific and Cultural Facilities District Funding Distribution for 2020/2021

BACKGROUND:

SCFD has distributed funds from a 1/10 of 1% sales and use tax to qualified cultural organizations throughout the seven-county Denver, Colorado metropolitan area. The funds support cultural facilities whose primary purpose is to enlighten and entertain the public through the production, presentation, exhibition, advancement and preservation of art, music, theatre, dance, zoology, botany, natural history and cultural history.

The Adams County Cultural Council evaluates qualified organizations each year to provide the recommendations to the Board of County Commissioners on how to distribute the 2020-2021 SCFD allocation. The SCFD district board provided Adams County with $1,356,701.11 for the 2020-20 21 funding allocation. ACCC provided funding to 106 projects, 3 visual art projects, and 19 general operating support organizations within Adams County.

RESOLUTION APPROVING ADAMS COUNTY SCIENTIFIC AND CULTURAL FACILITIES DISTRICT FUNDING DISTRIBUTION PLAN FOR 2020-2021

Resolution 2020

WHEREAS, $1,356,701.11 is currently available from the Scientific and Cultural Facilities District tax for distribution to qualified organizations in Adams County; and,

WHEREAS, the Adams County Cultural Council solicited applications for said funds; and,

WHEREAS, after careful review of those applications, the Adams County Cultural Council has made recommendations to the Board of County Commissioners for distribution of $1,356,701.11.

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners, County of Adams, State of Colorado, that the recommendations on the Adams County Cultural Council's Funding Plan, which are attached hereto and incorporated herein, are hereby approved and adopted.

BE IT FURTHER RESOLVED, that the Chair of the Board of County Commissioners is hereby authorized to approve the distribution of funds to the qualified organizations on behalf of Adams County.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: 2020 Delta Dental Benefits Contracts
FROM: Terri Lautt, Director
AGENCY/DEPARTMENT: People and Culture Services
HEARD AT STUDY SESSION ON: October 15, 2019
AUTHORIZATION TO MOVE FORWARD: ☒ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners Approves the 2020 Delta Dental of Colorado Benefits Contracts.

BACKGROUND: The Adams County Board of County Commissioners previously entered into a contract with Delta Dental of Colorado to provide Third Party Administration for the county's self-funded dental plan through the Delta Dental Premier Provider Option ("Premier") and a fully-insured dental plan through the Delta Dental Exclusive Panel Option ("EPO") for current employees, and continued dental coverage for eligible retirees through the Delta Dental Preferred Provider Option ("PPO") Plan.

The attached appendices outline the change in funding arrangement for the Delta Dental Exclusive Panel Option ("EPO") plan, the addition of the Prevention First Benefit, and changes to the administrative fees and premiums for the 2020 contracts with Delta Dental of Colorado as approved through Study Session.

RESOLUTION TO ADOPT DELTA DENTAL BENEFITS CONTRACTS

WHEREAS, the Board of County Commissioners recognizes the importance of continuing to provide choice in dental plan options for active and retired employees; and,

WHEREAS, the Adams County Board of County Commissioners previously entered into a contract with Delta Dental of Colorado to provide Third Party Administration for the county's self-funded dental plan through the Delta Dental Premier Provider Option ("Premier") and a fully-insured dental plan through the Delta Dental Exclusive Panel Option ("EPO") for current employees, and continued dental coverage for eligible retirees through the Delta Dental Preferred Provider Option ("PPO") Plan (collectively, the "Delta Dental Benefits Contracts"); and,

WHEREAS, the funding arrangement with Delta Dental of Colorado for the Delta Dental Exclusive Panel Option ("EPO") is transitioned from a fully-insured to a self-funded arrangement as approved through study session; and,

WHEREAS, the attached appendices outline the changes to the eligibility; addition of the Prevention First Benefit; and changes to the administrative fees and premiums with Delta Dental of Colorado in effect through December 31, 2020.

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners, County of Adams, State of Colorado, hereby adopts the attached Delta Dental Benefits Contracts effective January 1, 2020.

BE IT FURTHER RESOLVED, that the Chair of the Board of County Commissioners is hereby authorized to execute said Contracts and attending documents on behalf of Adams County.

DELTA DENTAL BENEFITS CONTRACT

The parties of this Contract are ADAMS COUNTY GOVERNMENT (EPO SCHEDULE 1B), herein called the "Group," "Applicant," or "Employer" and Colorado Dental Service Inc., d/b/a Delta Dental of Colorado, herein called "Delta Dental."

The following sections of the current Delta Dental EPO contract has been amended effective January 1, 2020 for a one year period. The balance of such contract is continued as if fully set forth herein except for the amended section as shown below:

Rate Coverage

Composite	Admin Fee
PER MONTH PER SUBSCRIBER	$ 3.80

This Service Fee is contingent upon total enrollment of all eligible primary subscribers, in accordance with the eligibility provisions in Article III. Should enrollment vary by 10% or more, Delta Dental reserves the right to recalculate the Service Fee based upon actual enrollment. The change in Service Fee would not become effective until the next contract anniversary. If a recalculation becomes necessary, multiple-year contracts will be replaced with a new agreement based upon the new enrollment.

The Service is due the first day of each month, and as further described in Article II. The Monthly Claims Reimbursement Due Date is the 2nd, 12th, and 22nd day or the last business day closest to such date of each month and as further described in Article II.

Eligibility Waiting Period:
Active employees working the minimum number of hours as required by the employer will become eligible for enrollment on the first day of the month coinciding with or following their date of employment.

A feature of the Delta Dental PPO

Adams County Colorado
Group #7195 & 97195
Revised: January 1, 2020

Delta Dental PPO, Exclusive Panel Option (EPO)
Schedule of Benefits
For Group #7195 & 97195
ADAMS COUNTY GOVERNMENT

This Schedule of Benefits should be read in conjunction with your Subscriber Benefit Booklet. Your Subscriber Benefit Booklet will provide you with additional information about your Delta Dental plan, including information about plan exclusions and limitations. **Services must be provided by a Delta Dental PPO Provider. In the event services are provided by a non-PPO Provider you will be responsible for all charges incurred.**

Control Plan - Delta Dental of Colorado
Benefit Year - January 1st to December 31st

	PPO Provider
Covered Services	**Co-Payments**
Diagnostic & Preventive Services	
Oral Exams and Cleanings	**Co-Payment is based on Appendix A – Patient Co-Payments 1B**
X-Rays	
Sealants	
Fluoride Treatments	
Basic Services	
Basic Restorative (Fillings)	**Co-Payment is based on Appendix A – Patient Co-Payments 1B**
Oral Surgery	
Endodontics (Root Canal Therapy)	
Periodontics (Gum Disease Treatment)	
Major Services	
Special Restorative (Crowns, Onlays)	**Co-Payment is based on Appendix A – Patient Co-Payments 1B**
Prosthodontics (Dentures, Bridges)	
Orthodontic Services	
Orthodontics	**Co-Payment is based on Appendix A – Patient Co-Payments 1B**

The orthodontic age limitations are hereby waived for the eligible Subscriber, their spouse and dependent children to age 26.

***Services provided by a non-PPO Provider are not a covered benefit and you will be responsible for all charges incurred.**

Age

Type	Age Limit	Coverage Thru
Dependent Child	26	Month

Also eligible at your option are your spouse and/or spouse's dependent children to the end of the month in which they turn the dependent age shown above.

Enrollment Type

The enrollment type is Open Enrollment. Open Enrollment means a period of time each Contract Year occurring prior to the Anniversary Date during which eligible Subscribers may choose to enroll themselves and/or their eligible Dependents in the Plan, or change from one coverage option to another if the Contract issued to the Group permits them to do so. Coverage will become effective on the Group's Anniversary Date.

Where two Subscribers who are spouses and are both eligible for coverage under this contract, they may be enrolled together or separately, but not both. Dependent children may be enrolled under one parent. The term spouse includes a Civil Union Partner or a Domestic Partner.

Under the Delta Dental EPO plan, all services must be provided a Colorado PPO Participating Provider. In the event services are provided by a non-PPO Participating Provider, the subscriber or dependent will be responsible for all charges incurred.

- You are only responsible for the Co-Payment amount listed on the Co-Payment Appendix sheet for Covered Services.
- Claim forms are submitted directly to Delta Dental by the Providers.
- No balance billing.
- Payment is made directly to the Provider.

No Payment will be made for Services provided by a Provider who is not a Colorado PPO Provider, except for out of state emergency services.

Colorado counties without PPO Providers are Cheyenne, Crowley, Gilpin, Jackson, Kiowa, Saguache, San Juan, and Sedgwick.

TABLE OF CONTENTS

ELIGIBILITY

All eligible Subscribers and their dependents that enroll will be covered on the effective date. All Subscribers will become eligible as determined by the employer group.

This policy is effective at 12:00 a.m. on the date of enrollment and will terminate at 11:59 p.m. on the date of termination.

DEPENDENTS: For your dependents to be insured, you will have to pay the required premium for the cost of having dependents on your insurance. Your dependents will be insured only if you are insured.

No one may be covered as a Dependent and as a Subscriber under this plan. If both parents are covered as Subscribers, children may be covered as Dependents of one parent only.

Benefits for a Dependent Child will continue until the last day of the calendar month in which the limiting age is reached.

Persons in active military service are not eligible Dependents.

Dependents of an eligible Subscriber may enroll within 31 days of the following:

- The date the Subscriber becomes eligible to enroll. The effective date is that of the subscriber.
- New Dependents must be enrolled within 31 days and will be covered the effective date of the event. Newborns and adopted children will be covered on the date of birth or date of placement for adoption.
- The date the Plan is amended to provide Dependent coverage. The Plan becomes effective on the first day of the month following this change.
- The date upon which they lose coverage through another source, if they show proof of loss. (Loss of coverage is any loss due to death, divorce, loss of job, or termination of benefits by the subscriber). The effective date will be the date immediately following the loss of coverage date.

If not added within the 31 day timeframe, the Dependent can be added during the Open Enrollment period, if applicable.

HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS (Applicable to Managed Care Plans)

How to Find a Provider

There are two easy ways to find out if your Provider is a Delta Dental PPO Network Provider.

1. **Visit our website at www.deltadentalco.com** or
2. **Phone our automated call center** at 1-800-610-0201.

The network is subject to change. Please check on the status of your Provider before your next treatment.

You need not obtain approval before being treated. Before starting treatment that may cost $400 or more, you may request an estimate from Delta Dental. Pre-treatment estimates are not required.

BENEFITS/COVERAGE (What is Covered)

COVERED DENTAL SERVICES

DIAGNOSTIC & PREVENTIVE SERVICES

Diagnostic: Certain Services performed to assist the Provider in evaluating the existing conditions and determining the dental care required.

Preventive: Certain Services performed to prevent the occurrence of dental abnormalities or disease.

Adjunctive: Certain additional Services, including emergency palliative treatment, performed as a temporary measure that does not affect a definitive cure.

PROCEDURE	BENEFIT DESCRIPTION
Oral Exam (All exam types)	Two exams in any 12 month period are covered. There is no separate benefit for diagnosis, treatment planning or consultation by the treating provider.
Dental Cleaning	Two cleanings in any 12 month period are covered. An adult cleaning is not covered for persons under age 14. For those with any condition(s) listed below, 2 additional cleanings (or any procedure that includes cleaning) will be provided during a 12 month period. • Diabetes with documented gum conditions, • Pregnancy with documented gum conditions, • Cardiovascular disease with documented gum conditions, • Kidney failure with dialysis, and • Suppressed immune system due to chemotherapy or radiation treatment, HIV Positive status, Organ Transplant or stem cell (bone marrow) transplant.
Bitewing X-rays	Covered one time in a 12 month period.
Full Mouth Survey or Panoramic X-ray	Covered one time in a 60 month period.
Individual Periapical X-rays **Intraoral Occlusal X-rays** **Extraoral X-rays**	Limited to the allowance for a full mouth survey or panoramic x-ray. If the fee meets or exceeds the allowance for a full mouth survey, it will be processed as a full mouth survey.
Sealants	Covered one time per tooth in a 36 month period. Allowed for the occlusal (chewing) surface of decay-free unrestored permanent molars. Covered for children through age 14. There is no separate benefit for preparation of the tooth or any other procedure associated with the sealant application.
Preventive Resin Restoration	Covered as a sealant above.
Fluoride Treatment	Covered once in a 12 month period for children through age 15.
Space Maintainer	Covered for children through age 13 to maintain space left by prematurely lost baby back teeth.
Adjunctive Services	Services related to another category of covered services will be covered at the same percentage as the related category of covered services.
Palliative Treatment	Covered as a separate benefit only if no other service is provided during the visit except an exam and/or x-rays.
Oral Pathology Lab Procedures	Covered with a pathology report.

BASIC SERVICES

Basic Restorative: Fillings and preformed shell crowns, for treatment of tooth decay which results in visible destruction of hard tooth structure or loss of tooth structure due to fracture.

Oral Surgery: Extractions and certain other surgical Services and associated covered anesthesia and/or related Covered Services.

Endodontic: Certain Services for treatment of non-vital tooth pulp resulting from disease or trauma.

Periodontic: Certain Services for treatment of gum tissue and bone supporting teeth.

PROCEDURE	BENEFIT DESCRIPTION
Amalgam Fillings (silver fillings)	Multiple fillings on one surface will be paid as a single filling. Replacement of an existing amalgam filling is allowed if at least 12 months have passed since the existing amalgam was placed.
Composite Resin (white plastic) Fillings	Multiple fillings on one surface will be paid as a single filling. Replacement of an existing composite resin filling is allowed if at least 12 months have passed since the filling was placed
Stainless Steel Crowns Resin Crowns	Covered when the tooth cannot be restored by a filling and then 1 time in a 12 month period.
Protective Filling	Covered if no other restorative service is performed on the same tooth on the same date. Not covered during a course of endodontic therapy.
Pin Retention	Covered with a basic (amalgam or composite) filling. A benefit one time per filling.
Extraction - Coronal Remnants Deciduous Tooth	Includes local anesthesia and routine post-operative care, which are not covered separately.
Extraction - Erupted Tooth or Exposed Root	Includes local anesthesia and routine post-operative care, which are not covered separately.
Therapeutic Pulpotomy	Covered for baby teeth.
Root Canal Therapy	Covered once per tooth. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Repeat Root Canal therapy	Covered if the first root canal procedure on the same tooth was performed at least 24 months earlier.
Apexification/Recalcification (apical closure/calcific repair of perforations, root resorption, etc.)	Covered once per tooth. A course of treatment includes initial, interim and final visits. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Apicoectomy	Covered once per root each 24 months. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Retrograde Filling (per root)	Covered once per root each 24 months. X-rays, cultures, tests, local anesthesia and routine follow-up care are not covered separately.
Root Amputation (per root)	X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Hemisection (includes any root removal)	X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Periodontal Scaling and Root Planing - Per Quadrant	Covered one time per quadrant of the mouth in any 24 month period.
Periodontal Maintenance Procedures Following Active Therapy	Periodontal maintenance procedures or any combination of periodontal maintenance procedures and prophylaxis (adult and child cleanings), are limited to 4 per any 12 month period.

Gingivectomy	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Gingival Flap Procedure	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Root planing, local anesthesia and routine post-operative care are not separately covered.
Crown Lengthening - Hard Tissue, by Report	Not covered if performed on the same date as surgery to bone structures, crown preparation or other restoration.
Osseous Surgery, Guided Tissue Regeneration (includes surgery and re-entry), Pedicle Soft Tissue Graft, Free Soft Tissue Graft (including donor site)	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Surgical Extractions of Teeth or Tooth Roots	Local anesthesia and routine post-operative care are not separately allowed as benefits.
Oral Surgery Services	Includes fistula closure, sinus perforation closure, tooth reimplantation, surgical access to expose teeth, biopsies, soft-tissue lesion removal, excision of bone tissue, excision of hyperplastic gum tissue, surgical incisions, and cyst removal. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Alveoloplasty	Not allowed as a separate benefit when performed on the same date as extractions. Includes local anesthesia and routine post-operative care.
General Anesthesia **Analgesia (Nitrous Oxide)** **I.V. Sedation**	Only one type of anesthesia procedure per date of service is allowed as a separate benefit when provided for covered oral surgical procedures.

MAJOR SERVICES

Special Restorative: Buildups (which may or may not include a post) and laboratory processed restorations (crowns, onlays) for treatment of tooth decay which results in visible destruction of hard tooth structure, or loss of tooth structure due to fracture, which cannot be restored with amalgam or composite restorations.

Prosthodontics: Services for construction or repair of fixed partial dentures (bridges), cast or acrylic removable partial dentures, acrylic complete dentures, and removable temporary partial dentures to replace completely extracted or avulsed natural permanent teeth.

PROCEDURE	BENEFIT DESCRIPTION
Re-Cement Crowns, Inlays and Onlays	Covered after 6 months from initial insertion.
Repairs to Crowns	Subject to Delta Dental's consultant review.
Re-Cement Fixed Bridges	Covered after 6 months from initial insertion of fixed bridge.
Repairs to Fixed Bridges	Subject to Delta Dental's consultant review.
Denture Adjustments	Covered after 6 months from the insertion of the full or partial denture.
Repairs to Full and Partial Dentures	Covered after 6 months from the insertion of the full or partial denture.
Tissue Conditioning per Denture Unit	Covered two times in a 36 month period.
Relining Dentures **Rebasing Dentures**	Relining or rebasing is covered at least 6 months after the initial insertion of a full or partial denture and then not more than one time in a 36 month period.
Inlays	An alternate benefit allowance for an amalgam filling will be made for the same number of surfaces. Any difference in fee is chargeable to the patient. It will be covered if 60 months have passed since the last placement. Not covered for children under age 12.
Crowns and Onlays	Covered when the tooth cannot be restored by an amalgam or composite filling and if more than 60 months since the last placement. Not covered for children under age 12**.**

Core (Crown) Buildup including any Pins	Covered when needed to retain a crown or onlay and only when need is due to extensive loss of tooth structure caused by decay or fracture. Covered only if 60 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 12.
Post and Core (in conjunction with a Crown or Onlay)	Covered for endodontically treated teeth. Must be needed to retain a crown or onlay, and only when necessary due to extensive loss of tooth structure caused by decay or fracture. Covered only if 60 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 12.
Fixed Bridges	Initial fixed bridge is covered. Replacement of an existing fixed bridge is covered if the existing fixed bridge is more than 60 months old, is not serviceable, and cannot be repaired, and there is no prior payment of covered Special Restorative or Prosthodontic benefits for the same tooth. Not covered for children under age 16.
Core (Bridge) Buildup including any Pins (in conjunction with a Bridge Abutment or a Fixed Bridge)	Covered when needed to retain a fixed bridge or endodontically treated teeth. Only when necessary due to extensive loss of tooth structure caused by decay or fracture. Covered only if 60 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 16.
Full Dentures	Initial full dentures are covered. Replacement is covered after 60 months from the last placement. Dentures must not be able to be repaired. Personalized dentures, overdentures or associated procedures are not covered.
Partial Dentures	Initial partial dentures are covered. Replacement is covered after 60 months have elapsed since the last placement. Dentures must not be able to be repaired. Precision or semi-precision attachments are not covered. The benefit for a partial denture includes any clasps and rests and all teeth. Metal based partial dentures are not covered for children under age 16.
Temporary Removable Partial Dentures	Initial temporary removable partial dentures are covered to replace missing permanent front teeth. Replacement is covered only after 60 months have elapsed since the last placement.

ORTHODONTIC SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Orthodontic Treatment	Orthodontics are defined as the services provided by a licensed Provider involving orthognathic surgery or appliance therapy for movement of teeth and post-treatment retention for treatment of malalignment of teeth and/or jaws including any related interceptive services.
Limitations on Orthodontic Benefits	a) No benefits will be provided for: • Replacement or repair of appliances. • Orthodontic care provided in the treatment of periodontal cases or cases involving treatment or repositioning of the temporomandibular joint or related conditions. b) Periodic Orthodontic payments will end upon termination of treatment for any reason prior to completion of the case, or upon termination of the Covered Person's eligibility. c) The initial orthodontic benefit payment for a comprehensive treatment plan of 13 months or more will be made in two (2) payments. The 1st payment will be issued at banding date or insertion. The 2nd payment will be issued 12 months later. The final payment will be reduced by any other orthodontic benefits issued that applied to the orthodontic plan maximum. Only members eligible in the Plan 12 months after initial banding or insertion will receive the final payment. d) The orthodontic payment benefit for treatment plans 12 months or less will be made in 1 payment at time of banding or insertion. This payment will be reduced by any other orthodontic benefits issued that applied to the plan's orthodontic maximum. e) For comprehensive orthodontic treatment in progress that began prior to eligibility in the plan, Delta Dental will reduce periodic payments using its applicable processing polices.

LIMITATIONS/EXCLUSIONS
(What Is Not Covered)

GENERAL LIMITATIONS – ALL SERVICES

a) Alternate Benefits - Often more than one service or supply can be used for treatment. In deciding the amount allowed on a claim, Plan will consider other materials and methods of treatment. Payment will be limited to the Covered Amount for the least costly Covered Service that meets accepted standards of dental care as determined by Delta Dental. The covered person and his Provider may decide on a more costly treatment. Delta Dental will pay toward the cost of the selected procedure at the Coinsurance level shown on the Schedule of Benefits. Payment will be limited to the Covered Amount for the least costly treatment. **Only covered services will receive alternate benefits.**

b) Temporary services will be covered as part of the final service. The benefit allowed for such service and the final service is limited to the benefit allowed for the final service.

c) Plan will pay Procedures performed at the same time and as part of a primary procedure at the amount allowed for the primary procedure.

d) Services are covered when provided by a person legally permitted to perform such Services and are determined to be Necessary and appropriate. Benefits will be based on the terms of this plan and Delta Dental's Processing Policies, even if no monies are paid.

e) Pre- and post-operative procedures are considered part of any associated Covered Service. Benefit will be limited to the Covered Amount for the Covered Service.

f) Local anesthesia is considered part of any associated Covered Service. Benefit will be limited to the Covered Amount for the Covered Service.

g) The Covered Amount for a Covered Service Started but not Completed will be limited to the amount determined by Delta Dental.

h) Allowance for an assistant surgeon, when determined by Delta Dental to be a Covered Service, will not exceed 20% of the surgeon's fee for the same Covered Service.

i) Services related to another category of Covered Services will be covered at the same percentage as the related category of Covered Services.

EXCLUSIONS

a) Services for injuries or conditions which are covered under Worker's Compensation or employer's liability laws. Services provided by any federal or state agency. Services provided without cost by any city, county or other political subdivision. Any Services for which the person would not have to pay if not insured, except if such exclusion may be prohibited by law.

b) Any Service Started when the person was not covered under this Contract. This includes any Service Started during an applicable Waiting Period.

c) Services for treatment of birth or developmental defects, ***except*** Services within the mouth for treatment of a condition related to cleft lip and/or cleft palate

d) Any treatment provided primarily for cosmetic purposes. Veneers on teeth and facings or veneers placed on crowns or bridge units for teeth after the first molar will always be considered cosmetic. Delta Dental will limit their allowance to a Covered Service without facings or veneers and the patient is responsible for the remainder of the Provider's approved fee.

e) Services to treat tooth structure lost from wear, erosion, attrition, abrasion or abfraction.

f) Services resulting from improper alignment, occlusion or contour.

g) Services related to periodontal stabilization of teeth (splinting).

h) Habit appliances, night guards, occlusal guards, athletic mouth guards and jaw function services, bite registration or analysis, or any related services.

i) Patient management services (***except*** covered anesthetic services).

j) Charges for prescribed drugs.

k) Any Experimental or Investigational treatment.

l) Services that may otherwise be covered, but due to the patient's condition would not prove successful to improve the patient's oral health.

m) Any treatment done in anticipation of future need (***except*** covered preventive services).

n) Hospital costs or any charges for use of any facility.

o) Any anesthesia service not included in Covered Services.

p) Grafts done in the mouth where teeth are not present.

q) Grafts of tissues from outside the mouth into the mouth.

r) Therapy for speech or the function of the tongue or face.

s) Orthodontic Services unless shown as covered on the Schedule of Benefits.

t) Implant Services unless shown as covered on the Schedule of Benefits.

u) Treatment of any temporomandibular joint (TMJ) problems, including facial pain, or any related conditions. Any related diagnostic, preventive or treatment Services.

v) Services not performed in accordance with Colorado state law. Services by any person other than a person licensed to perform them. Services to treat any condition, other than an oral or dental disease, abnormality or condition.

w) Teaching services.

x) Completion of forms. Providing diagnostic information. Copying of other records.

y) Replacement of lost, stolen or damaged items.

z) Repair of items altered by someone other than a Provider.

aa) Any Services not included in Covered Services.

bb) Services for which charges would not have been made but for this coverage, except for Services as provided under Medicaid.
cc) Missed appointment charges.
dd) Preventive control programs, including home care items.
ee) Plaque control programs.
ff) Self-injury.
gg) Provisional splinting.
hh) Bone grafting when done in the same site as a tooth extraction, implant, apicoectomy or hemisection.
ii) Services provided for treatment of teeth retained in relation to an Overdenture.
jj) Any Prosthodontic service provided within 60 months of Special Restorative services involving the same teeth.
kk) Any Special Restorative service provided within 60 months of fixed Prosthodontic services involving the same teeth.
ll) Fixed and removable Prosthodontic appliances (bridges and partials) are not a benefit in the same arch except when the fixed denture (bridge) replaces front teeth. Allowance is limited to the allowance for the removable partial denture.

MEMBER PAYMENTS RESPONSIBILITY

You must pay deductibles, amounts above the annual maximum, amounts up to the out-of-pocket maximum, and your coinsurance. You must pay charges for Services not covered under this plan. You may be responsible for some part of the premium.

CLAIM PROCEDURES (How to File a Claim)

If you are covered by more than one dental plan, you should file all of your claims with each plan.

Delta Dental will not pay claims submitted more than 12 months after the date of service.

PRE-TREATMENT ESTIMATE

Before starting treatment that may cost $400 or more, you may request an estimate of what is covered. Pre-treatment estimates are not required.

RIGHT TO EXAMINATION

Delta Dental shall have the right and opportunity to examine the person of the individual for whom claim is made when and so often as it may reasonably require during the pendency of claim under the policy.

GENERAL POLICY PROVISIONS

AGREEMENT WITH STATE LAW

Any requirement in this Contract which on its effective date is in conflict with the laws of the state in which any Covered Person lives is hereby changed to the minimum requirement of such laws.

ASSIGNMENT OF BENEFITS

You may assign any benefits of this policy to your dental provider. You may revoke this assignment at any time by sending a written revocation to Delta Dental.

NON-DISCRIMINATION

With regard to participation in its networks, Delta Dental does not discriminate against any provider acting in the scope of his or her license.

COORDINATION OF BENEFITS (COB)

IMPORTANT NOTICE

This is a summary of only a few of the provisions of your health plan to help you understand coordination of benefits. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language contained in your insurance contract, which determines your benefits. For the complete listing of your policy's coordination of benefits provisions, please contact your group plan administrator or the state Division of Insurance.

Double Coverage

Family members may be covered by more than one health care plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers.

When you are covered by more than one group health plan, state law permits your carriers to follow a procedure called "coordination of benefits" to determine how much each should pay when you have a claim. The aim is to make sure that the combined payments of all plans do not add up to more than your covered health care expenses.

Coordination of benefits (COB) covers a wide variety of circumstances. This is only an outline of some of the most common ones. If your situation is not described, contact your group plan administrator or your state insurance department for a full review of coordination of benefits requirements.

Primary or Secondary?

You will be asked to identify all the plans that cover family members. We need this information to determine whether we are "primary" or "secondary." The primary plan always pays first.

Any plan which does not contain your state's coordination of benefits rules will always be primary.

When This Plan is Primary
If you or a family member are covered under another plan in addition to this one, Delta Dental will be primary when:

Your Own Expenses
▪The claim is for your own health care expenses, unless you are covered by Medicare Advantage and both you and your spouse are retired.

Your Child's Expenses
▪The claim is for the health care expenses of your child who is covered by this plan and

▪you are married and your birthday is earlier in the year than your spouse's or you are living with another individual, regardless of whether or not you have ever been married to that individual, and your birthday is earlier than that other individual's birthday. This is known as the "birthday rule";
or
▪you are separated or divorced and you have informed us of a court decree that makes you responsible for the child's health care expenses;
or
▪there is no court decree, but you have primary custody of the child.

Other Situations
We will be primary when any other provisions of state or federal law require us to be.

How We Pay Claims When We Are Primary
When we are the primary plan, we will pay the benefits provided by your contract, just as if you had no other coverage.

How We Pay Claims When We Are Secondary
We will be secondary whenever the rules do not require us to be primary.

When we are the secondary plan, we do not pay until after the primary plan has paid its benefits. We will then pay part or all of the allowable expenses left unpaid. An "allowable expense" is a health care service or expense covered by one of the plans, including copayments and deductibles.

▪If there is a difference between the amount the plans allow, we will base our payment on the higher amount. However, if the primary plan has a contract with the Provider, our combined payments will not be more than the contract calls for Health maintenance organizations (HMO) and preferred Provider organizations (PPO) usually have contracts with their Providers.

▪We will determine our payment by subtracting the amount the primary plan paid from the amount we would have paid if we had been primary. We will use any savings to pay the balance of any unpaid allowable expenses covered by either plan.

▪If the primary plan covers similar kinds of health care, but allows expenses that we do not cover, we may pay for those expenses. We will not pay an amount the primary plan did not cover because you didn't follow its rules and procedures. For example, if your plan has reduced its benefit because you did not obtain pre-certification, we will not pay the amount of the reduction, because it is not an allowable expense.

Questions about Coordination of Benefits?

Colorado Division of Insurance
1560 Broadway, Ste 850
Denver, CO 80202
Phone Number: 303-894-7490 or 1-800-930-3745

SUBROGATION

Delta Dental has the right to enforce on its own, or with a covered person, a claim against a third party up to the amount paid by Delta Dental. If Delta Dental pays a claim for injuries to a covered person and the covered person settles with a third party for an amount that includes such costs, the covered person must refund Delta Dental the amount equal to the benefit payment made to, or on behalf of, the covered person.

HIPAA

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Rule, your employer has agreed to:

a) Not use or disclose health information other than as permitted or as required by law.
b) Ensure that any agents who receive protected health information (PHI) agree to the same restrictions that apply to your employer.
c) Not use or disclose PHI for employment actions and decisions.
d) Report to the Plan any improper use or disclosure of PHI that they are aware of.
e) Make PHI available for your own use and provide you with the right to amend or correct your own PHI upon request.

f) Provide an accounting of its disclosures to individuals and make its practices relating to the use or disclosure of PHI available to the Secretary of HHS.
g) Ensure that there is separation between the Plan and the Plan Sponsor as required by HIPAA. Ensure that there are reasonable security controls.
h) If possible, return or destroy all PHI received from the Plan when no longer needed.
i) Implement safeguards that protect electronic PHI that is managed on behalf of the group health plan.
j) Ensure that any agent to whom it provides electronic PHI agrees to implement security measures to protect the information.
k) Report to the group health plan any security incident of which it becomes aware.

NOTICE OF PRIVACY PRACTICES

This notice describes how medical information about you may be used and disclosed and how you can access this information.

Delta Dental is required by law to maintain the privacy of your health information and to provide you with this notice of our legal duties and privacy practices with respect to your health information. We are committed to protecting your health information. This notice is effective on the date your group coverage went into effect.

How We May Use and Disclose Health Information About You
In almost all cases, we may use and disclose protected health information for treatment, payment, and health care operations. For example, we may use and disclose protected health information:

1. To communicate with the provider who provides, coordinates, or manages your care,
2. To determine how much or whom we should pay for covered services,
3. To assess the quality of care that our participating providers provide.

Other categories describing how we may use and disclose your health information are listed below, along with some examples of these uses and disclosures.

To You and With Your Written Authorization: We may disclose your health information to you in the manner and for the purposes described in the "Your Rights" section of this Notice. You may revoke your authorization in writing at any time. Your revocation will not affect any use or disclosure permitted by your prior authorization while it was in effect. Without your written authorization, we may not use or disclose your protected health information to any person or for any reason not permitted by law.
An authorization is required for uses and disclosures of protected health information for marketing purposes and disclosures that constitute a sale of protected health information. Any other uses and disclosures not specifically described in this notice will be made only with the individual's authorization.
To Your Family and Friends: We may disclose your health information to a family member, friend or other person if you provide us written authorization to do so.
Disclosure to Plan Sponsors: For example, to help the sponsor of your group health plan administer your benefits.
Health Related Benefits and Services: We may use or disclose health information about you to communicate to you about health-related benefits and services.
Research: We may use or disclose health information about you for research purposes. If we do, Delta Dental may be required to obtain an authorization from you for such use or disclosure.
Public Health and Safety: For example, to prevent or lessen a serious and imminent threat to the health or safety of a person or the general public.
Required by Law: For example, as required by federal or state statute or regulation, worker's compensation or similar laws and state insurance and health regulatory authorities.
Lawsuits and Disputes: For example, in the course of any administrative or judicial proceeding.
Law Enforcement: For example, to identify or locate a suspect or to comply with a court order, a court ordered warrant, or a subpoena or summons issued by an officer of the court.
Military and National Security: For example, military, lawful intelligence, counter-intelligence, and other national security activities.

Your Rights Regarding Health Information About You
You have the following rights regarding health information we maintain about you:

- **Your Right to Inspect and Copy Your Health Information:** To inspect and copy such information, you must submit your request in writing. If you request a copy of the information, we may charge you a reasonable fee to cover expenses associated with your request.
- **Your Right to Amend Protected Health Information:** You may request that Delta Dental change your health information, although we are not required to do so. If your request is denied, we will provide you with information about our denial and how you can disagree with the denial. To request an amendment, you must make your request in writing. You must also provide a reason for your request.

- **Your Right to an Accounting of Disclosures Made by Delta Dental:** You may request an accounting of disclosures made for purposes other than treatment, payment, health

care operations or made to you. You must submit your request in writing. Your request should specify a time period of up to six years and may not include dates before April 14, 2003. Delta Dental will provide the first accounting per 12-month period free of charge; we may charge you for additional reports.

- **Your Right to Request Restrictions on Uses and Disclosures:** Although you have this right, Delta Dental is not required to agree to the restrictions that you request. If you would like to make a request for restrictions, you must submit your request in writing.
- **Your Right to Request Confidential Communications Through a Reasonable Alternative Means or at an Alternative Location:** To request confidential communications, you must submit your request in writing. We are not required to agree to your request, unless such disclosure could cause you to be in danger.
- **Your Right to a Paper Copy of this Notice:** You may obtain additional paper copies of this Notice by sending us a written request. You may also obtain a copy of this Notice at our website www.deltadentalco.com.
- **Your Right to Opt Out of Fundraising Communications:** Delta Dental does not intend to contact you to raise funds, but if it does engage in fundraising, you have the right to opt-out of receiving any fund raising communications.
- **Your Right to Breach Notification:** You have the right to be notified of a breach of unsecured protected health information. Delta Dental will provide you the date and description of the information disclosed. You will be notified who the information was disclosed to if we are able. You will be notified by mail within 60 days from the date that we discover the breach.
- **Your Right to Obtain Additional Information or File a Complaint:** Send us a written request if you would like to have a more detailed explanation of these rights. Complaints about how we handle your health information should be submitted in writing. If you believe your privacy rights have been violated, you may file a complaint with the Secretary of the Department of Health and Human Services. Delta Dental will not retaliate against you in any way if you choose to file a complaint with us or with the department.

Genetic Information Nondiscrimination Act: Delta Dental is prohibited from using or disclosing genetic information for underwriting purposes.

Changes to this Notice

Delta Dental can amend this Notice at any time in the future and make the new Notice provisions effective for all health information that we maintain. We will promptly revise our Notice and distribute it to you whenever we make significant changes. Delta Dental is required by law to comply with the current version of this Notice.

Send Written Requests Regarding this Privacy Notice to:

Privacy Officer
PO Box 5468
Denver CO 80217-5468
Or You May Call: 1-800-233-0860

TIME LIMIT ON CERTAIN DEFENSES

(a) After two years from the date of issue of this policy, the validity of this policy shall not be contested, except for non-payment of premiums, and no misstatements made by the applicant in order to acquire such policy shall be used to void the policy or to deny a claim for loss incurred after the expiration of such two-year period. However, if such statement was made in writing signed by the person making the statement and a copy of that writing is presented to the maker of the statement, such statement may be used by Delta Dental to avoid the policy or reduce benefits.

(b) No claim for loss incurred after one year from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or a specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(c) If this is an individual disability income insurance policy then no claim for loss incurred after two years from the date of issue of the policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or a specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

LEGAL ACTIONS

No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

TERMINATION/NONRENEWAL/ CONTINUATION

A Subscriber's plan will terminate at the earliest of:

- The date Delta Dental of Colorado receives a written request to cancel. Coverage will end at the end of the month following notification, or at the end of the month of the life changing event. We reserve the right to recover

any benefit payment made for dates of service after the terminate date.

- The date the Subscriber is not eligible for coverage under the terms of this policy.
- The date the benefits described in the Policy are terminated.
- When the required premium has not been paid (Subject to the applicable grace period).
- When you commit fraud or intentional misrepresentation of material facts.
- For the Subscriber, 12 months from the date the member enters active military service.
- For Dependents, the end of the month following active military service.
- Upon the Subscriber's death.

To remove a Dependent from the plan, the Subscriber must notify us of the termination within 31 days. The Effective Date of the change will be the end of the month in which the change was effective. We reserve the right to recover any benefits payments made for dates of service after the termination date.

Benefits for a Dependent ends on the last day of the month for the following life changing events:

- The date the benefits described in the policy are terminated.
- The date the Dependent is not eligible for coverage under the terms of this policy.
- When the Dependent child no longer qualifies as a Dependent by definition.
- When legal custody of a child placed for adoption is terminated.
- When the required premium has not been paid.
- Upon the Dependent's death.

EXTENDED COVERAGE
(Paying for Benefits after Termination)

Delta Dental benefits will end if this Policy is terminated or if a person's coverage is cancelled. Delta Dental will cover no further Services except as described below.

If a Covered Service started before coverage ends, but the Covered Service is completed after coverage ends, Delta Dental will pay Benefits for the Covered Service as follows:

- Benefits will be paid in the amount that would have been paid and subject to the same terms as would have applied if the Person's coverage were still in effect.
- Benefits will be paid only if the Covered Service is completed within 60 days after the date the Person's coverage ended.

No benefit will be paid if the Covered Service is started after coverage ends.

NONRENEWAL

This policy will automatically renew. If you don't want to renew this policy, contact Delta Dental of Colorado before the policy's renewal date. If you do not renew this policy, the policy will end on the last day before the renewal date. Delta Dental can nonrenew this policy by sending you written notice (either electronically or through the mail) at least 60 days before the renewal dates. If we do, this policy will end on the last day before the renewal date.

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985)

Covered persons may be able to continue coverage through COBRA. The benefits will be the same as the benefits active Subscribers receive. The Covered person must pay the entire Premium, which cannot exceed 102% of the cost for an active Subscriber with the same Plan. You should contact your employer to determine if you are able to continue coverage through COBRA.

Continued Health Coverage required by the State of Colorado

If you are not eligible for COBRA you may be eligible to continue coverage for up to 18 months under State Continuation. Contact your employer to learn if you are eligible to continue coverage through state continuation.

APPEALS AND COMPLAINTS

Internal Appeal Process - First Level Appeals:
A Subscriber may appeal an adverse claim decision within 180 days of the date of the original Explanation of Benefits by writing to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

A Subscriber may submit additional information in support of the appeal.

Appeals are reviewed by an impartial Provider of the same or similar specialty as would typically manage the case being reviewed. The reviewing provider will not have been involved in the initial decision.

The decision will be sent to the Subscriber with the rationale for the decision. The decision will be made within 15 calendar days for pre-service denials. Post-service decisions will be made within 30 calendar days.

Internal Appeal Process - Expedited Appeals:

Subscribers may request an expedited appeal when the time for a standard review would seriously jeopardize the life or health of the Subscriber, would jeopardize the Subscriber's ability to regain maximum function, or, for persons with a disability, create an imminent and substantial limitation on their existing ability to live independently.

Expedited review decisions will be issued within 72 hours.

Independent External Review:
Where Delta Dental makes an Adverse Determination and the Subscriber exhausts the internal appeals process, the Subscriber has the right to request an external review. Delta Dental will notify the Subscriber of the right, if any, to request an external review after the First Level appeal.

Requests for an independent external review must be in writing. They must include a completed external review request form as specified by the Colorado Division of Insurance. The Subscriber must submit the request within four months of the completion or exhaustion of the internal appeals process. The internal appeals process is completed or exhausted upon Subscriber's receipt of notice of the adverse determination or upon Delta Dental's failure to comply with Colorado Revised Statues §§ 10-16-113, 10-16-113.5, or Colorado Insurance Regulations 4-2-17 or 4-2-21.

Subscriber may request expedited external review. All requests must be submitted to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

A signed consent authorizing Delta Dental to disclose protected health information pertinent to the external review is also required.

Delta Dental adheres to timeframes set forth by Colorado Regulation 4-2-21 in the processing of Independent External Reviews. Within 45 days after the receipt of the request for external review (72 hours for expedited external review), the external review entity shall deliver a written decision to the Subscriber, Delta Dental, the provider, and the Commissioner.

INFORMATION ON POLICY AND RATE CHANGES

No change in your policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed on the policy. No agent has authority to change this policy or to waive any of its provisions except where approved by an officer of the insurer and evidenced by an endorsement on the policy or by rider or amendment to the policy signed by the insurer. Any such amendment that reduces or eliminates coverage shall have been either requested in writing or signed by your Employer.

If there are changes to the information provided in this document, we will issue revised materials to you.

DEFINITIONS

ALTERNATE BENEFIT means the benefit allowed for the least costly, commonly accepted Service or supply that could be used to treat a dental problem for which there are other, more costly treatment options that the covered person selects.

BENEFITS means those Services and supplies covered pursuant to the terms of this plan. Benefits for all Covered Services are subject to the limitations and exclusions noted in this Benefit Booklet.

COINSURANCE means the percentage of a Covered Amount which is payable by Delta Dental. The Coinsurance for each type of Covered Service is shown on the Schedule of Benefits. The Coinsurance applicable will vary depending upon the type of dental Service.

COMPLETED means:

- For Root Canal Therapy: The date the canals are permanently filled.
- For Fixed bridges (fixed partial dentures), Crowns, Inlays, Onlays, and other laboratory prepared restorations: On the date the restoration is cemented in place, regardless of the type of cement used.
- For Dentures and Partial Dentures (removable partial dentures): On the date that the final appliance is first inserted in the mouth.
- For all other Services, on the date the procedure is Started.

For claim payment purposes, the date Completed will be the date when a claim is incurred.

DEDUCTIBLE means the amount that must be paid by the covered person before Delta Dental will make payment. The amount of the Deductible is shown on the Schedule of Benefits. If there is a limit to the deductible amount that a family must pay, that will also be shown.

DENTAL INJURY is an injury to a Sound Natural Tooth (other than a chewing injury) of a Covered person which results solely from a sudden, unexpected violent act or accident. A chewing injury is any injury that occurs from biting or chewing food or a foreign object.

DEPENDENT means:

- The Subscriber's lawful spouse, including civil union partner, or domestic partner.
- Civil Union partner must meet each of the requirements listed below:
  - ❖ They must be at least 18 years old.
  - ❖ They must be of the same or opposite sex.
  - ❖ They must not be a partner in another civil union.
  - ❖ They must not be married to another person.
  - ❖ They must not be related.
  - ❖ They must have entered into a civil union based on the guidelines of Article 15 of Title 14, C.R.S. recognized pursuant to Colorado Law.
- Domestic partner must meet each of the requirements listed below:
  - ❖ They must be at least 18 years old and view themselves as a family.
  - ❖ They must be of the same or opposite sex.
  - ❖ They must not be married and may not have another partner.
  - ❖ They must have lived together for at least 6 consecutive months.
  - ❖ They must not be related.
  - ❖ They must be financially interdependent.
- A child under the Dependent Age Limit shown on the Schedule of Benefits.
- A child who reaches the Dependent Age Limit stated on the Schedule of Benefits and is incapable of self-support because of physical or mental disabilities that began before reaching the Dependent Age Limit, and is dependent on the Subscriber. Delta Dental may annually request proof of such disability and dependency. Failure to submit such proof will terminate coverage.

Eligible children include natural children, stepchildren, children under court-ordered guardianship, adopted children, and children of a civil union or domestic partner.

No one may be covered as a Dependent and also as a Subscriber under this Plan. If both parents are covered as Subscribers, children may be covered as Dependents of one parent only.

Persons in active military service are not eligible Dependents.

EFFECTIVE DATE is the date coverage begins

EMERGENCY TREATMENT or EMERGENCY SERVICE means any required Service that is provided as the direct result of an unforeseen occurrence that requires immediate, urgent action.

EMPLOYEE means someone who works the minimum number of hours as defined by the employer.

EXPERIMENTAL OR INVESTIGATIONAL PROCEDURES means those services or supplies that are not generally accepted in the dental community as being safe and effective, as defined by Delta Dental.

MAXIMUM PLAN ALLOWANCE means the maximum allowable amount for a procedure as determined by Delta Dental.

NECESSARY means a Service that is required by, and appropriate for treatment of, the Covered person's dental condition according to generally accepted standards of dental care as determined by Delta Dental.

OUT-OF-POCKET MAXIMUM means the maximum amount you will have to pay for allowable covered expenses under this plan.

POLICY means the agreement between Delta Dental and the applicant. This Policy is the whole agreement between the parties and no change is allowed unless approved by the insurer.

POLICY TERM means the time from the Effective Date of the Policy until it is terminated.

POLICY YEAR is the 365 days beginning on the Effective Date of this Policy, and each year after unless the Policy is terminated. The Policy Year is 366 days in a leap year.

PROVIDER means a person licensed to practice dentistry.

STARTED means:

- For Full Dentures or Partial Dentures (removable partial dentures): The date the final impression is taken.
- For Fixed Bridges (fixed partial dentures), Crowns, Inlays, Onlays and other laboratory prepared restorations: The date the teeth are first prepared (i.e., drilled down) to receive the restoration.
- For Root Canal Therapy: The date the pulp chamber is first opened.
- For Periodontal Surgery: The date the surgery is actually performed.
- For All Other Services: The date the Service is performed.

SUBSCRIBER means the person in whose name the membership under the policy is established. A person who elects continued coverage and for whom the monthly Premium is paid.

Prosthodontics (Dentures, Bridges)	50%	50%	50%

Orthodontia is not a covered benefit.

***Important: Non-Participating Providers are allowed to balance bill. Subscribers and/or Dependents are responsible for the difference between the non-participating Maximum Plan Allowance and the full fee charged by the Provider.**

Age

Type	Age Limit	Coverage Thru
Dependent Child	26	Month

Deductible (January 1st - December 31st)

Class	Type	Network	Amount
All Covered Classes	Individual coverage amount	PPO and Non-PPO	$75

Maximum (January 1st - December 31st)

Class	Type	Network	Amount
All Covered Classes Except D&P	Individual coverage amount	PPO and Non-PPO	$2000

Enrollment Type

The enrollment type is Late Enrollment (A Late Enrollee must be enrolled for 12 consecutive months before Type II or Type IIIA Services will be covered, and 24 consecutive months before Type IIIB Services will be covered. LATE ENROLLMENT means enrollment occurring after the period of initial eligibility. The exception to this rule is a Dependent who involuntarily loses coverage through another group insurance plan. (Involuntary loss of coverage is defined as loss due to death, divorce, loss of job, or termination of benefits by the Employer. Such Dependent will be allowed to enroll within 31 days of the loss of coverage with satisfactory proof of coverage loss and will not be considered a Late Enrollee upon enrollment.

Where two Employees who are spouses and are both eligible for coverage under this contract, they may be enrolled together or separately, but not both. Dependent children may be enrolled under one parent.

Eligible Participants – All county retirees are eligible within 60 days of retirement. Also eligible at your option are your spouse and dependent children to the end of the month in which they attain age 26.

Under the Delta Dental PPO plan, you may visit any Provider of your choice. There are three levels of Providers to choose from who are located nationwide:

PPO Participating Provider

Advantages of seeing a PPO Provider include:

- Payment is based upon the PPO Provider's Allowable fee, or the fee actually charged, whichever is less.
- You are responsible for any applicable deductible and coinsurance for covered procedures.

You will receive the best benefits available on this plan by choosing a PPO Provider.

Premier Participating Provider (Non-PPO)

You have the option of seeing a Premier Provider, but you may incur additional costs:

- Payment is based upon the Premier Maximum Plan Allowance, or the fee actually charged, whichever is less.
- Claim forms are submitted directly to Delta Dental by the Providers.
- You are only responsible for any applicable deductible and coinsurance for covered procedures.

Non-Participating Provider (Non-PPO)
You have the option of seeing a non-participating Provider, but you may incur additional out-of-pocket costs.

- You may be responsible for payment in full to the Provider and for filing your claim with Delta Dental for reimbursement.
- You are responsible for the difference between the non-participating Maximum Plan Allowance and the full fee charged by the Provider.

COVERED AMOUNT means

- For PPO Providers, the lesser of the PPO Provider's Allowable fee or the fee actually charged.
- For Premier Participating Providers, the lesser of the Premier Maximum Plan Allowance, or the fee actually charged.
- For all other Providers, the lesser of the Non-Participating Maximum Plan Allowance, or the fee actually charged.

Colorado counties without PPO or Premier Providers are Bent, Conejos, Costilla, Crowley, Dolores, Gilpin, Hinsdale, Jackson, Kiowa, Mineral, Rio Blanco, Saguache, San Juan, and Sedgwick.

TABLE OF CONTENTS

ELIGIBILITY

All eligible Retirees and their dependents who enroll will be covered on the effective date. All Retirees will become eligible as determined by the employer group.

This policy is effective at 12:00 a.m. on the date of enrollment and will terminate at 11:59 p.m. on the date of termination.

DEPENDENTS: For your dependents to be insured, you will have to pay the required premium for the cost of having dependents on your insurance. Your dependents will be insured only if you are insured.

A Retiree's Dependents may include the following:

- The Retiree's lawful spouse.
- Newborn Child.
- Adopted Child. An unmarried child under the age of 26 years.
- A **Dependent child** under the Dependent Age Limit of 26 years of age. Eligible children are natural children, stepchildren, those under court-ordered guardianship, and adopted children.
- **Disabled Dependent Child**. A Dependent child who reaches the Dependent Age Limit of 26 and who is not capable of self-support because of physical or mental disabilities. The disabilities must have been present when the child reached the Dependent Age Limit. The child must be dependent on the Retiree. Delta Dental may request proof of disability and dependency each year. Failure to submit such proof will terminate coverage.

No one may be covered as a Dependent and as a Retiree under this plan. If both parents are covered as Retirees, children may be covered as Dependents of one parent only.

Benefits for a Dependent Child will continue until the last day of the calendar month in which the limiting age is reached.

Persons in active military service are not eligible Dependents.

Dependents of an eligible Retiree may enroll within 31 days of the following:

- The date the Retiree becomes eligible to enroll. The effective date is that of the retiree.
- New Dependents must be enrolled within 31 days and will be covered effective date of the event. Newborns and adopted children will be covered on the date of birth or date of placement for adoption.
- The date the Plan is amended to provide Dependent coverage. The Plan becomes effective on the first day of the month following this change.
- The date upon which they lose coverage through another source, if they show proof of loss. (Loss of coverage is any loss due to death, divorce, loss of job, or termination of benefits by the retiree). The effective date will be the date immediately following the loss of coverage date.

If not added within the 31 day timeframe, the Dependent can be added during the Open Enrollment period, if applicable.

HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS (Applicable to Managed Care Plans)

How to Find a Provider

There are two easy ways to find out if your Provider is a Delta Dental PPO Network Provider.

1. **Visit our website at www.deltadentalco.com** or
2. **Phone our automated call center** at 1-800-610-0201.

The network is subject to change. Please check on the status of your Provider before your next treatment.

You need not obtain approval before being treated. Before starting treatment that may cost $400 or more, you may request an estimate from Delta Dental. Pre-treatment estimates are not required.

BENEFITS/COVERAGE (What is Covered)

COVERED DENTAL SERVICES

TYPE I - DIAGNOSTIC & PREVENTIVE SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Oral Exam (All exam types)	One exam in any 12 month period is covered. One comprehensive or detailed and extensive oral exam is covered per covered person per dental office. There is no separate benefit for diagnosis, treatment planning or consultation by the treating provider.
Dental Cleaning	One cleaning in any 6 month period is covered. Not covered within 6 months of a periodontal maintenance procedure. An adult cleaning is not covered for persons under the age of 14.
Sealants	Covered one time per tooth in a 36 month period. Allowed for the occlusal (chewing) surface of decay-free unrestored permanent molars. Covered for children under age 15. There is no separate benefit for preparation of the tooth or any other procedure associated with the sealant application.
Preventive Resin Restoration	Covered as a sealant above.
Fluoride Treatment	Covered one time in a 12 month period for children under the age of 16.
Space Maintainer	Covered for children under the age of 14 to maintain space left by prematurely lost baby back teeth.
Bitewing X-rays	Covered one time in a 12 month period.
Full Mouth Survey or Panoramic X-ray	Covered one time in a 60 month period.
Individual Periapical Xrays Intraoral Occlusal X-rays Extraoral X-rays	A maximum of 4 periapical x-rays are covered in a 12-month period when submitted separately. Limited to the allowance for a full mouth survey or panoramic x-ray. If the fee for any combination of individually submitted x-rays meets or exceeds the allowance for a full mouth survey, it will be processed as a full mouth survey.
Oral Pathology Lab Procedures	Covered with a pathology report.

BASIC SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Amalgam Fillings (silver fillings)	Multiple fillings on one surface will be paid as a single filling. Replacement of an existing amalgam filling is allowed if at least 24 months have passed since the existing amalgam was placed.
Composite Resin (white plastic) Fillings	Multiple fillings on one surface will be paid as a single filling. Replacement of an existing composite resin filling is allowed if at least 24 months have passed since the filling was placed. Composite resin fillings on back teeth will be covered up to the cost of an amalgam filling.
Protective Filling	Covered if no other restorative service is performed on the same tooth on the same date. Not covered during a course of endodontic therapy.
Pin Retention	Covered with a basic (amalgam or composite) filling. A benefit one time per filling.
Extraction - coronal remnants deciduous tooth	Includes local anesthesia and routine post-operative care, which are not covered separately.
Extraction - erupted tooth or exposed root	Includes local anesthesia and routine post-operative care, which are not covered separately.
Adjunctive Services	Services related to another category of covered services will be covered at the same percentage as the related category of covered services.
Palliative Treatment	Covered as a separate benefit if no other service is performed during the visit except an exam and/or x-rays.

MAJOR – ENDODONTIC SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Therapeutic Pulpotomy	Covered for baby teeth.
Root Canal Therapy	Covered once per tooth. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Repeat Root Canal Therapy	Covered if the first root canal procedure on the same tooth was performed at least 36 months earlier.
Apexification/Recalcification (apical closure/calcific repair of perforations, root resorption, etc.)	Covered once per tooth. A course of treatment includes initial, interim and final visits. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Apicoectomy	Covered once per root each 36 months. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Retrograde Filling (per root)	Covered once per root each 36 months. X-rays, cultures, tests, local anesthesia and routine follow-up care are not covered separately.
Root Amputation (per root)	X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Hemisection (includes any root removal)	X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.

MAJOR – PERIODONTIC SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Periodontal Scaling and Root Planing - Per Quadrant	Covered one time per quadrant of the mouth in any 24 month period.
Periodontal Maintenance Procedures Following Active Therapy	Covered if 3 months have passed since the completion of active periodontal therapy (gum surgery or scaling and root planing). Then one time in any 6 month period. Not covered if performed within 6 months of a routine cleaning.
Gingivectomy	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Gingival Flap Procedure	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Root planing, local anesthesia and routine post-operative care are not separately covered.
Crown lengthening-hard tissue, by report	Not covered if performed on the same date as surgery to bone structures, crown preparation or other restoration.
Osseous Surgery, Guided Tissue Regeneration (includes surgery and re-entry), Pedicle Soft Tissue Graft, Free Soft Tissue Graft (including donor site)	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Local anesthesia and routine post-operative care are not separately allowed as benefits.

MAJOR – COMPLEX ORAL SURGERY SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Surgical Extractions of teeth, or tooth roots	Local anesthesia and routine post-operative care are not separately allowed as benefits.
Oral Surgery Services	Includes fistula closure, sinus perforation closure, tooth reimplantation, surgical access to expose teeth, biopsies, soft-tissue lesion removal, excision of bone tissue, excision of hyperplastic gum tissue, surgical incisions, and cyst removal. Local anesthesia and routine post-operative care are not separately covered.
Alveoloplasty	Not allowed as a separate benefit when performed on the same date as extractions. Includes local anesthesia and routine post-operative care.

MAJOR – PAIN MANAGEMENT SERVICES

PROCEDURE	BENEFIT DESCRIPTION
General Anesthesia Analgesia (Nitrous Oxide) I.V. Sedation	Only one type of anesthesia procedure per date of service is allowed as a separate benefit when provided for covered oral surgical procedures.

MAJOR – ADJUSTMENT AND REPAIR SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Re-Cement Crowns, Inlays and Onlays	Covered after 6 months from initial insertion.
Repairs to Crowns	Subject to Delta Dental's consultant review.
Re-Cement Fixed Bridges	Covered after 6 months from initial insertion of fixed bridge.
Repairs to Fixed Bridges	Subject to Delta Dental's consultant review.

MAJOR – DENTURE ADJUSTMENT, REPAIR, RELINE AND REBASE SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Denture Adjustments*	Covered after 6 months from the insertion of the full or partial denture.
Repairs to Full and Partial Dentures*	Covered after 6 months from the insertion of the full or partial denture.
Tissue Conditioning per Denture Unit*	Covered two times in a 36 month period.
Relining Dentures or Rebasing Dentures	Relining or rebasing is covered at least 6 months after the initial insertion of a full or partial denture and then not more than one time in a 36 month period.

***Adjustments associated with initial placement of a new completed partial denture are included in the cost of the appliance.**

MAJOR – INLAY, ONLAY AND CROWN SERVICES

(Temporary restorations and appliances are not covered separately.)

PROCEDURE	BENEFIT DESCRIPTION
Metallic Inlays	An alternate benefit allowance for an amalgam filling will be made for the same number of surfaces. Any difference in fee is chargeable to the patient. It will be covered if 84 months have passed since the last placement. Not covered for children under age 16.
Crowns and Metallic Onlays	Covered when the tooth cannot be restored by an amalgam or composite filling and if more than 84 months since the last placement. Not covered for children under age 16.
Stainless Steel Crowns, Resin Crowns	Covered once in 36 months when the tooth cannot be restored by a filling. Covered only for children to age 16. Prefabricated resin crowns are a benefit only on front teeth. Replacement of a prefabricated crown is not covered within 36 months of placement of an existing prefabricated crown.
Core (Crown) Buildup including any Pins	Covered when needed to retain a crown or onlay and when need is due to extensive loss of tooth structure caused by decay or fracture. Covered only if 84 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 16.
Post and Core (in conjunction with a Crown or Onlay)	Covered for endodontically treated teeth. Must be needed to retain a crown or onlay, and only when necessary due to extensive loss of tooth structure caused by decay or fracture. Covered only if 84 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 16.

MAJOR – FIXED BRIDGEWORK SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Fixed Bridges (Only a benefit to replace a Functioning Natural Tooth that was extracted while the patient was covered under the Contract or another Delta Dental Plan sponsored by Adams County Government.	Initial fixed bridge is covered. Replacement of an existing fixed bridge is covered if the existing fixed bridge is more than 84 months old, is not serviceable, and cannot be repaired, and there is no prior payment of covered special restorative or prosthodontic benefit for the same tooth. Not covered for children under age 16.
Core (Bridge) Buildup including any Pins (in conjunction with a Bridge Abutment or a Fixed Bridge)	Covered when needed to retain a fixed bridge or endodontically treated teeth. Only when necessary due to extensive loss of tooth structure caused by decay or fracture. Covered only if 84 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 16.
Post and Core (in conjunction with a fixed bridge	Benefit on endodontically treated teeth, when required for retention of a fixed bridge and only necessary due to extensive loss of tooth structure caused by decay or fracture.

MAJOR – DENTURES AND PARTIAL DENTURES

PROCEDURE	BENEFIT DESCRIPTION
Full Dentures (Only a benefit to replace a Functioning Natural Tooth that was extracted while the patient was covered under the Contract or another Delta Dental Plan sponsored by Adams County Government.	Initial full dentures are covered. Replacement is covered after 60 months from the last placement. Dentures must not be able to be repaired. Personalized dentures, overdentures or associated procedures are not covered.
Partial Dentures (Only a benefit to replace a Functioning Natural Tooth that was extracted while the patient was covered under the Contract or another Delta Dental Plan sponsored by Adams County Government.	Initial partial dentures are covered. Replacement is covered after 60 months have elapsed since the last placement. Dentures must not be able to be repaired. Precision or semi-precision attachments are not covered. The benefit for a partial denture includes any clasps and rests and all teeth. Metal based partial dentures are not covered for children under age 16.

LIMITATIONS/EXCLUSIONS
(What Is Not Covered)

GENERAL LIMITATIONS – ALL SERVICES

a) Alternate Benefits - Often more than one service or supply can be used for treatment. In deciding the amount allowed on a claim, Plan will consider other materials and methods of treatment. Payment will be limited to the Covered Amount for the least costly Covered Service that meets accepted standards of dental care as determined by Delta Dental. The covered person and his Provider may decide on a more costly treatment. Delta Dental will pay toward the cost of the selected procedure at the Coinsurance level shown on the Schedule of Benefits. Payment will be limited to the Covered Amount for the least costly treatment. **Only covered services will receive alternate benefits.**

b) Temporary services will be covered as part of the final service. The benefit allowed for such service and the final service is limited to the benefit allowed for the final service.

c) Plan will pay Procedures performed at the same time and as part of a primary procedure at the amount allowed for the primary procedure.

d) Services are covered when provided by a person legally permitted to perform such Services and are determined to be Necessary and appropriate. Benefits will be based on the terms of this plan and Delta Dental's Processing Policies, even if no monies are paid.

e) Pre- and post-operative procedures are considered part of any associated Covered Service. Benefit will be limited to the Covered Amount for the Covered Service.

f) Local anesthesia is considered part of any associated Covered Service. Benefit will be limited to the Covered Amount for the Covered Service.

g) The Covered Amount for a Covered Service Started but not Completed will be limited to the amount determined by Delta Dental.

h) Allowance for an assistant surgeon, when determined by Delta Dental to be a Covered Service, will not exceed 20% of the surgeon's fee for the same Covered Service.

i) Services related to another category of Covered Services will be covered at the same percentage as the related category of Covered Services.

EXCLUSIONS

a) Services for injuries or conditions which are covered under Worker's Compensation or employer's liability laws. Services provided by any federal or state agency. Services provided without cost by any city, county or other political subdivision. Any Services for which the person would not have to pay if not insured, except if such exclusion may be prohibited by law.

b) Any Service Started when the person was not covered under this Contract. This includes any Service Started during an applicable Waiting Period.

c) Services for treatment of birth or developmental defects, ***except*** **Services within the mouth for treatment of a condition related to cleft lip and/or cleft palate.**

d) Any treatment provided primarily for cosmetic purposes. Veneers on molar teeth and facings or veneers placed on crowns or bridge units for molar teeth will always be considered cosmetic. Delta Dental will limit their allowance to a Covered Service without facings or veneers and the patient is responsible for the remainder of the Provider's approved fee.

e) Services to treat tooth structure lost from wear, erosion, attrition, abrasion or abfraction.

f) Services resulting from improper alignment, occlusion or contour.

g) Services related to periodontal stabilization of teeth (splinting).

h) Habit appliances, night guards, occlusal guards, athletic mouth guards and jaw function services, bite registration or analysis, or any related services.

i) Patient management services (***except*** covered anesthetic services).

j) Charges for prescribed drugs.

k) Any Experimental or Investigational treatment.

l) Services that may otherwise be covered, but due to the patient's condition would not prove successful to improve the patient's oral health.

m) Any treatment done in anticipation of future need (***except*** covered preventive services).

n) Hospital costs or any charges for use of any facility.

o) Any anesthesia service not included in Covered Services.

p) Grafts done in the mouth where teeth are not present.

q) Grafts of tissues from outside the mouth into the mouth.

r) Orthodontic Services unless shown as covered on the Schedule of Benefits.

s) Implant Services unless shown as covered on the Schedule of Benefits.

t) Therapy for speech or the function of the tongue or face.

u) Treatment of any temporomandibular joint (TMJ) problems, including facial pain, or any related conditions. Any related diagnostic, preventive or treatment Services.

v) Services not performed in accordance with Colorado state law. Services by any person other than a person licensed to perform them. Services to treat any condition, other than an oral or dental disease, abnormality or condition.

w) Teaching services.

x) Completion of forms. Providing diagnostic information. Copying of other records.

y) Replacement of lost, stolen or damaged items.

z) Repair of items altered by someone other than a Provider.

aa) Any Services not included in Covered Services.
bb) Services for which charges would not have been made but for this coverage, except for Services provided under Medicaid.
cc) Missed appointment charges.
dd) Preventive control programs, including home care items.
ee) Plaque control programs.
ff) Self-injury.
gg) Initial placement of a denture unless needed to replace at least one Functioning Natural Tooth pulled while the Person was covered under this Plan. One full or partial denture is covered per arch in any 60-month period.
hh) The first fixed bridge unless it is needed to replace a Functioning Natural Tooth pulled while the Person was insured under this Plan, and if that tooth was not an abutment to an existing fixed bridge which is less than 84-months old. If a bridge replaces more than one pulled permanent Natural Tooth, benefit will be limited to the replacement of those teeth which were pulled while the Person was covered under the Plan.
ii) Replacement of a complete denture, partial denture, or fixed bridge is not a Covered Service unless:
    1. replacement of the current denture occurs at least 60 months after the date of insertion, even if the existing appliance was not provided under this Plan; or
    2. replacement of an existing fixed bridge occurs at least 84 months after the date of insertion, even if the existing appliance was not provided under this Plan; or
    3. the replacement appliance is required by the Necessary extraction of a Functioning Natural Tooth while the Person is covered; or
    4. the replacement is made Necessary by a covered Dental Injury to Sound Natural Teeth provided the treatment is Started within 60 days of the injury. (Chewing injuries are not considered covered Dental Injuries).
jj) The replacement of a fixed bridge unless the existing fixed bridge is at least 84 months old, cannot be serviced, and cannot be repaired. This requirement applies even if the existing fixed bridge was not provided under this Plan.
kk) The replacement of an existing crown, inlay, onlay or other cast restoration, unless the existing cast restoration is at least 84 months old, is not serviceable and cannot be repaired. The time requirement applies even if the existing cast restoration was not provided under this Plan.
ll) Prefabricated stainless steel and resin crowns are a benefit for covered children to age 16, subject to any Waiting Period or reduced Coinsurance which might apply. Prefabricated resin crowns are a benefit on front teeth. Replacement of a prefabricated crown is not covered within 36 months of the placement of an existing prefabricated crown.
mm) No benefit will be provided for temporary partial dentures. Charges for temporary partial dentures are not covered.
nn) Provisional splinting.
oo) Bone grafting when done in the same site as a tooth extraction, implant, apicoectomy or hemisection.
pp) Services provided for treatment of teeth retained in relation to an Overdenture.

MEMBER PAYMENTS RESPONSIBILITY

You must pay deductibles, amounts above the annual maximum, amounts up to the out-of-pocket maximum, and your coinsurance. You must pay charges for Services not covered under this plan. You may be responsible for some part of the premium.

CLAIM PROCEDURES (How to File a Claim)

If you are covered by more than one dental plan, you should file all of your claims with each plan.

Delta Dental will not pay claims submitted more than 12 months after the date of service.

PRE-TREATMENT ESTIMATE

Before starting treatment that may cost $400 or more, you may request an estimate of what is covered. Pre-treatment estimates are not required.

RIGHT TO EXAMINATION

Delta Dental shall have the right and opportunity to examine the person of the individual for whom claim is made when and so often as it may reasonably require during the pendency of claim under the policy.

GENERAL POLICY PROVISIONS

AGREEMENT WITH STATE LAW

Any requirement in this Contract which on its effective date is in conflict with the laws of the state in which any Covered Person lives is hereby changed to the minimum requirement of such laws.

ASSIGNMENT OF BENEFITS

You may assign any benefits of this policy to your dental provider. You may revoke this assignment at any time by sending a written revocation to Delta Dental.

NON-DISCRIMINATION

With regard to participation in its networks, Delta Dental does not discriminate against any provider acting in the scope of his or her license.

COORDINATION OF BENEFITS (COB)

IMPORTANT NOTICE

This is a summary of only a few of the provisions of your health plan to help you understand coordination of benefits. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language contained in your insurance contract, which determines your benefits. For the complete listing of your policy's coordination of benefits provisions, please contact your group plan administrator or the state Division of Insurance.

Double Coverage

Family members may be covered by more than one health care plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers.

When you are covered by more than one group health plan, state law permits your carriers to follow a procedure called "coordination of benefits" to determine how much each should pay when you have a claim. The aim is to make sure that the combined payments of all plans do not add up to more than your covered health care expenses.

Coordination of benefits (COB) covers a wide variety of circumstances. This is only an outline of some of the most common ones. If your situation is not described, contact your group plan administrator or your state insurance department for a full review of coordination of benefits requirements.

Primary or Secondary?

You will be asked to identify all the plans that cover family members. We need this information to determine whether we are "primary" or "secondary." The primary plan always pays first.

Any plan which does not contain your state's coordination of benefits rules will always be primary.

When This Plan is Primary

If you or a family member are covered under another plan in addition to this one, Delta Dental will be primary when:

Your Own Expenses

▪The claim is for your own health care expenses, unless you are covered by Medicare Advantage and both you and your spouse are retired.

Your Child's Expenses

▪The claim is for the health care expenses of your child who is covered by this plan and

- ▪you are married and your birthday is earlier in the year than your spouse's or you are living with another individual, regardless of whether or not you have ever been married to that individual, and your birthday is earlier than that other individual's birthday. This is known as the "birthday rule";

or

- ▪you are separated or divorced and you have informed us of a court decree that makes you responsible for the child's health care expenses;

or

- ▪there is no court decree, but you have primary custody of the child.

Other Situations

We will be primary when any other provisions of state or federal law require us to be.

How We Pay Claims When We Are Primary

When we are the primary plan, we will pay the benefits provided by your contract, just as if you had no other coverage.

How We Pay Claims When We Are Secondary

We will be secondary whenever the rules do not require us to be primary.

When we are the secondary plan, we do not pay until after the primary plan has paid its benefits. We will then pay part or all of the allowable expenses left unpaid. An "allowable expense" is a health care service or expense covered by one of the plans, including copayments and deductibles.

▪If there is a difference between the amount the plans allow, we will base our payment on the higher amount. However, if the primary plan has a contract with the Provider, our combined payments will not be more than the contract calls for Health maintenance organizations (HMO) and preferred Provider organizations (PPO) usually have contracts with their Providers.

▪We will determine our payment by subtracting the amount the primary plan paid from the amount we would have paid if we had been primary. We will use any savings to pay the balance of any unpaid allowable expenses covered by either plan.

▪If the primary plan covers similar kinds of health care, but allows expenses that we do not cover, we may pay for those expenses. We will not pay an amount the primary plan did not cover because you didn't follow its rules and procedures.

For example, if your plan has reduced its benefit because you did not obtain pre-certification, we will not pay the amount of the reduction, because it is not an allowable expense.

Questions About Coordination of Benefits?
Colorado Division of Insurance
1560 Broadway, Ste 850
Denver, CO 80202
Phone Number: 303-894-7490 or 1-800-930-3745

SUBROGATION

Delta Dental has the right to enforce on its own, or with a covered person, a claim against a third party up to the amount paid by Delta Dental. If Delta Dental pays a claim for injuries to a covered person and the covered person settles with a third party for an amount that includes such costs, the covered person must refund Delta Dental the amount equal to the benefit payment made to, or on behalf of, the covered person.

HIPAA

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Rule, your employer has agreed to:

a) Not use or disclose health information other than as permitted or as required by law.
b) Ensure that any agents who receive protected health information (PHI) agree to the same restrictions that apply to your employer.
c) Not use or disclose PHI for employment actions and decisions.
d) Report to the Plan any improper use or disclosure of PHI that they are aware of.
e) Make PHI available for your own use and provide you with the right to amend or correct your own PHI upon request.
f) Provide an accounting of its disclosures to individuals and make its practices relating to the use or disclosure of PHI available to the Secretary of HHS.
g) Ensure that there is separation between the Plan and the Plan Sponsor as required by HIPAA. Ensure that there are reasonable security controls.
h) If possible, return or destroy all PHI received from the Plan when no longer needed.
i) Implement safeguards that protect electronic PHI that is managed on behalf of the group health plan.
j) Ensure that any agent to whom it provides electronic PHI agrees to implement security measures to protect the information.
k) Report to the group health plan any security incident of which it becomes aware.

NOTICE OF PRIVACY PRACTICES

This notice describes how medical information about you may be used and disclosed and how you can access this information.

Delta Dental is required by law to maintain the privacy of your health information and to provide you with this notice of our legal duties and privacy practices with respect to your health information. We are committed to protecting your health information. This notice is effective on the date your group coverage went into effect.

How We May Use and Disclose Health Information About You
In almost all cases, we may use and disclose protected health information for treatment, payment, and health care operations. For example, we may use and disclose protected health information:

1. To communicate with the provider who provides, coordinates, or manages your care,
2. To determine how much or whom we should pay for covered services,
3. To assess the quality of care that our participating providers provide.

Other categories describing how we may use and disclose your health information are listed below, along with some examples of these uses and disclosures.

To You and With Your Written Authorization: We may disclose your health information to you in the manner and for the purposes described in the "Your Rights" section of this Notice. You may revoke your authorization in writing at any time. Your revocation will not affect any use or disclosure permitted by your prior authorization while it was in effect. Without your written authorization, we may not use or disclose your protected health information to any person or for any reason not permitted by law.
An authorization is required for uses and disclosures of protected health information for marketing purposes and disclosures that constitute a sale of protected health information. Any other uses and disclosures not specifically described in this notice will be made only with the individual's authorization.
To Your Family and Friends: We may disclose your health information to a family member, friend or other person if you provide us written authorization to do so.
Disclosure to Plan Sponsors: For example, to help the sponsor of your group health plan administer your benefits.
Health Related Benefits and Services: We may use or disclose health information about you to communicate to you about health-related benefits and services.
Research: We may use or disclose health information about you for research purposes. If we do, Delta Dental may be required to obtain an authorization from you for such use or disclosure.
Public Health and Safety: For example, to prevent or lessen a serious and imminent threat to the health or safety of a person or the general public.

Required by Law: For example, as required by federal or state statute or regulation, worker's compensation or similar laws and state insurance and health regulatory authorities.
Lawsuits and Disputes: For example, in the course of any administrative or judicial proceeding.
Law Enforcement: For example, to identify or locate a suspect or to comply with a court order, a court ordered warrant, or a subpoena or summons issued by an officer of the court.
Military and National Security: For example, military, lawful intelligence, counter-intelligence, and other national security activities.

Your Rights Regarding Health Information About You

You have the following rights regarding health information we maintain about you:

- **Your Right to Inspect and Copy Your Health Information:** To inspect and copy such information, you must submit your request in writing. If you request a copy of the information, we may charge you a reasonable fee to cover expenses associated with your request.
- **Your Right to Amend Protected Health Information:** You may request that Delta Dental change your health information, although we are not required to do so. If your request is denied, we will provide you with information about our denial and how you can disagree with the denial. To request an amendment, you must make your request in writing. You must also provide a reason for your request.
- **Your Right to an Accounting of Disclosures Made by Delta Dental:** You may request an accounting of disclosures made for purposes other than treatment, payment, health care operations or made to you. You must submit your request in writing. Your request should specify a time period of up to six years and may not include dates before April 14, 2003. Delta Dental will provide the first accounting per 12-month period free of charge; we may charge you for additional reports.
- **Your Right to Request Restrictions on Uses and Disclosures:** Although you have this right, Delta Dental is not required to agree to the restrictions that you request. If you would like to make a request for restrictions, you must submit your request in writing.
- **Your Right to Request Confidential Communications Through a Reasonable Alternative Means or at an Alternative Location:** To request confidential communications, you must submit your request in writing. We are not required to agree to your request, unless such disclosure could cause you to be in danger.
- **Your Right to a Paper Copy of this Notice:** You may obtain additional paper copies of this Notice by sending us a written request. You may also obtain a copy of this Notice at our website www.deltadentalco.com.
- **Your Right to Opt Out of Fundraising Communications:** Delta Dental does not intend to contact you to raise funds, but if it does engage in fundraising, you have the right to opt-out of receiving any fund raising communications.
- **Your Right to Breach Notification:** You have the right to be notified of a breach of unsecured protected health information. Delta Dental will provide you the date and description of the information disclosed. You will be notified who the information was disclosed to if we are able. You will be notified by mail within 60 days from the date that we discover the breach.
- **Your Right to Obtain Additional Information or File a Complaint:** Send us a written request if you would like to have a more detailed explanation of these rights. Complaints about how we handle your health information should be submitted in writing. If you believe your privacy rights have been violated, you may file a complaint with the Secretary of the Department of Health and Human Services. Delta Dental will not retaliate against you in any way if you choose to file a complaint with us or with the department.

Genetic Information Nondiscrimination Act: Delta Dental is prohibited from using or disclosing genetic information for underwriting purposes.

Changes to this Notice

Delta Dental can amend this Notice at any time in the future and make the new Notice provisions effective for all health information that we maintain. We will promptly revise our Notice and distribute it to you whenever we make significant changes. Delta Dental is required by law to comply with the current version of this Notice.

Send Written Requests Regarding this Privacy Notice to:

Privacy Officer
PO Box 5468
Denver CO 80217-5468
Or You May Call: 1-800-233-0860

TIME LIMIT ON CERTAIN DEFENSES

(a) After two years from the date of issue of this policy, the validity of this policy shall not be contested, except for non-payment of premiums, and no misstatements made by the applicant in order to acquire such policy shall be used to void the policy or to deny a claim for loss incurred after the expiration of such two-year period. However, if such statement was made in writing signed by the person making the statement and a copy of that writing is presented to the maker of the statement, such statement may be used by Delta Dental to avoid the policy or reduce benefits.

(b) No claim for loss incurred after one year from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or a specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(c) If this is an individual disability income insurance policy then no claim for loss incurred after two years from the date of issue of the policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or a specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

LEGAL ACTIONS

No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

TERMINATION/NONRENEWAL/ CONTINUATION

A Retiree's plan will terminate at the earliest of:

- The date Delta Dental of Colorado receives a written request to cancel. Coverage will end at the end of the month following notification, or at the end of the month of the life changing event. We reserve the right to recover any benefit payment made for dates of service after the terminate date.
- The date the covered person is not eligible for coverage under the terms of this policy.
- The date the benefits described in the Policy are terminated.
- When the required premium has not been paid (Subject to the applicable grace period).
- When you commit fraud or intentional misrepresentation of material facts.
- Upon the Retiree's death.

To remove a Dependent from the plan, the Retiree must notify us of the termination within 31 days. The Effective Date of the change will be the end of the month in which the change was effective. We reserve the right to recover any benefits payments made for dates of service after the termination date. Benefits for a Dependent ends on the last day of the month for the following life changing events:

- The date the benefits described in the policy are terminated.
- The date the Dependent is not eligible for coverage under the terms of this policy.
- When the Dependent child no longer qualifies as a Dependent by definition.
- When legal custody of a child placed for adoption is terminated.
- When the required premium has not been paid.
- Upon the Dependent's death.

EXTENDED COVERAGE
(Paying for Benefits after Termination)

Delta Dental benefits will end if this Policy is terminated or if a person's coverage is cancelled. Delta Dental will cover no further Services except as described below.

If a Covered Service started before coverage ends, but the Covered Service is completed after coverage ends, Delta Dental will pay Benefits for the Covered Service as follows:

- Benefits will be paid in the amount that would have been paid and subject to the same terms as would have applied if the Person's coverage were still in effect.
- Benefits will be paid only if the Covered Service is completed within 60 days after the date the Person's coverage ended.

No benefit will be paid if the Covered Service is started after coverage ends.

NONRENEWAL

This policy will automatically renew. If you don't want to renew this policy, contact Delta Dental of Colorado before the policy's renewal date. If you do not renew this policy, the policy will end on the last day before the renewal date. Delta Dental can nonrenew this policy by sending you written notice (either electronically or through the mail) at least 60 days before the renewal date. If we do, this policy will end on the last day before the renewal date.

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985)

Covered persons may be able to continue coverage through COBRA. The benefits will be the same as the benefits active Employees receive. The Covered person must pay the entire Premium, which cannot exceed 102% of the cost for an active employee with the same Plan. You should contact your employer to determine if you are able to continue coverage through COBRA.

Continued Health Coverage required by the State of Colorado

If you are not eligible for COBRA you may be eligible to continue coverage for up to 18 months under State

Continuation. Contact your employer to learn if you are eligible to continue coverage through state continuation.

APPEALS AND COMPLAINTS

Internal Appeal Process - First Level Appeals:
A Subscriber may appeal an adverse claim decision within 180 days of the date of the original Explanation of Benefits by writing to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

A Subscriber may submit additional information in support of the appeal.
Appeals are reviewed by an impartial Provider of the same or similar specialty as would typically manage the case being reviewed. The reviewing provider will not have been involved in the initial decision.

The decision will be sent to the Subscriber with the rationale for the decision. The decision will be made within 15 calendar days for pre-service denials. Post-service decisions will be made within 30 calendar days.

Voluntary Second Level Appeals:
If a denial is upheld at the first level, a Subscriber may request a second level appeal. The request must be received within 30 days of the First Level Appeal decision. It must be submitted to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

Additional information may be submitted. Second level appeals will be reviewed by an impartial Provider with the appropriate expertise. The reviewer will not have been involved in the first appeal. The Subscriber, or a designated representative, may request to appear before the reviewer in person or may present by conference call.

Internal Appeal Process - Expedited Appeals:
Subscribers may request an expedited appeal when the time for a standard review would seriously jeopardize the life or health of the Subscriber, would jeopardize the Subscriber's ability to regain maximum function, or, for persons with a disability, create an imminent and substantial limitation on their existing ability to live independently.

Expedited review decisions will be issued within 72 hours.

Independent External Review:
Where Delta Dental makes an Adverse Determination and the Subscriber exhausts the internal appeals process, the Subscriber has the right to request an external review. Delta Dental will notify the Subscriber of the right, if any, to request an external review after the First Level appeal.

Requests for an independent external review must be in writing. They must include a completed external review request form as specified by the Colorado Division of Insurance. The Subscriber must submit the request within four months of the completion or exhaustion of the internal appeals process. The internal appeals process is completed or exhausted upon Subscriber's receipt of notice of the adverse determination or upon Delta Dental's failure to comply with Colorado Revised Statues §§ 10-16-113, 10-16-113.5, or Colorado Insurance Regulations 4-2-17 or 4-2-21.

Subscriber may request expedited external review. All requests must be submitted to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

A signed consent authorizing Delta Dental to disclose protected health information pertinent to the external review is also required.

Delta Dental adheres to timeframes set forth by Colorado Regulation 4-2-21 in the processing of Independent External Reviews. Within 45 days after the receipt of the request for external review (72 hours for expedited external review), the external review entity shall deliver a written decision to the Subscriber, Delta Dental, the provider, and the Commissioner.

INFORMATION ON POLICY AND RATE CHANGES

If there are changes to the benefits under this plan or to the premium amount you must pay, whether due to a change in the agreement between your employer and Delta Dental or due to changes to the plan itself, your employer must provide notice to you.

If there are changes to the information provided in this document, we will issue revised materials to you.

DEFINITIONS

ALTERNATE BENEFIT means the benefit allowed for the least costly, commonly accepted Service or supply that could be used to treat a dental problem for which there are other, more costly treatment options that the covered person selects.

BENEFITS means those Services and supplies covered pursuant to the terms of this plan. Benefits for all Covered Services are subject to the limitations and exclusions noted in this Benefit Booklet.

COINSURANCE means the percentage of a Covered Amount which is payable by Delta Dental. The Coinsurance for each type of Covered Service is shown on the Schedule of Benefits. The Coinsurance applicable will vary depending upon the type of dental Service.

COMPLETED means:

- For Root Canal Therapy: The date the canals are permanently filled.
- For Fixed bridges (fixed partial dentures), Crowns, Inlays, Onlays, and other laboratory prepared restorations: On the date the restoration is cemented in place, regardless of the type of cement used.
- For Dentures and Partial Dentures (removable partial dentures): On the date that the final appliance is first inserted in the mouth.
- For all other Services, on the date the procedure is Started.

For claim payment purposes, the date Completed will be the date when a claim is incurred.

DEDUCTIBLE means the amount that must be paid by the covered person before Delta Dental will make payment. The amount of the Deductible is shown on the Schedule of Benefits. If there is a limit to the deductible amount that a family must pay, that will also be shown.

DENTAL INJURY is an injury to a Sound Natural Tooth (other than a chewing injury) of a Covered person which results solely from a sudden, unexpected violent act or accident. A chewing injury is any injury that occurs from biting or chewing food or a foreign object.

DEPENDENT means:

- The Retiree's lawful spouse, including civil union partner, or domestic partner.
- Civil Union partner must meet each of the requirements listed below:
  - ❖ They must be at least 18 years old.
  - ❖ They must be of the same or opposite sex.
  - ❖ They must not be a partner in another civil union.
  - ❖ They must not be married to another person.
  - ❖ They must not be related.
  - ❖ They must have entered into a civil union based on the guidelines of Article 15 of Title 14, C.R.S. recognized pursuant to Colorado Law.
- Domestic partner must meet each of the requirements listed below:
  - ❖ They must be at least 18 years old and view themselves as a family.
  - ❖ They must be of the same or opposite sex.
  - ❖ They must not be married and may not have another partner.
  - ❖ They must have lived together for at least 6 consecutive months.
  - ❖ They must not be related.
  - ❖ They must be financially interdependent.
- A child under the Dependent Age Limit shown on the Schedule of Benefits.
- A child who reaches the Dependent Age Limit stated on the Schedule of Benefits and is incapable of self-support because of physical or mental disabilities that began before reaching the Dependent Age Limit, and is dependent on the Employee. Delta Dental may annually request proof of such disability and dependency. Failure to submit such proof will terminate coverage.

Eligible children include natural children, stepchildren, children under court-ordered guardianship, adopted children, and children of a civil union or domestic partner.

No one may be covered as a Dependent and also as a Retiree under this Plan. If both parents are covered as Retirees, children may be covered as Dependents of one parent only.

Persons in active military service are not eligible Dependents.

If the Group chooses whether to cover a Civil Union Partner or a Domestic Partner that option will be noted on the Summary Page.

EFFECTIVE DATE is the date coverage begins.

EMERGENCY TREATMENT or EMERGENCY SERVICE means any required Service that is provided as the direct result of an unforeseen occurrence that requires immediate, urgent action.

EXPERIMENTAL OR INVESTIGATIONAL PROCEDURES means those services or supplies that are not generally accepted in the dental community as being safe and effective, as defined by Delta Dental.

FUNCTIONING NATURAL TOOTH means an adult Natural Tooth which performs its normal role in chewing in the upper or lower arch and is opposed in the other arch by another Natural or artificial Tooth. Third molars are not Functioning Natural Teeth.

MAXIMUM PLAN ALLOWANCE means the maximum allowable amount for a procedure as determined by Delta Dental.

MEMBER means any person eligible and enrolled for coverage under this plan.

NATURAL TOOTH means any tooth or part of a tooth that is organic and formed by the natural development of the body (i.e., not manufactured). Organic portions of a tooth include the crown enamel and dentin, the root cementum and dentin, and the enclosed pulp (nerve).

NECESSARY means a Service that is required by, and appropriate for treatment of, the Covered person's dental condition according to generally accepted standards of dental care as determined by Delta Dental.

OUT-OF-POCKET MAXIMUM means the maximum amount you will have to pay for allowable covered expenses under this plan.

POLICY means the agreement between Delta Dental and the applicant. This Policy is the whole agreement between the parties and no change is allowed unless approved by the insurer.

POLICY TERM means the time from the Effective Date of the Policy until it is terminated.

POLICY YEAR is the 365 days beginning on the Effective Date of this Policy, and each year after unless the Policy is terminated. The Policy Year is 366 days in a leap year.

PROVIDER means a person licensed to practice dentistry.

SOUND NATURAL TOOTH means a Natural Tooth that is fully restored to function, does not have any decay, is not more subject to injury than a virgin tooth, and is without periodontal disease.

STARTED means:

- For Full Dentures or Partial Dentures (removable partial dentures): The date the final impression is taken.
- For Fixed Bridges (fixed partial dentures), Crowns, Inlays, Onlays and other laboratory prepared restorations: The date the teeth are first prepared (i.e., drilled down) to receive the restoration.
- For Root Canal Therapy: The date the pulp chamber is first opened.
- For Periodontal Surgery: The date the surgery is actually performed.
- For All Other Services: The date the Service is performed.

SUBSCRIBER means the person in whose name the membership under the policy is established.

Orthodontic Services			
Orthodontics (child to age 19)	50%	50%	50%

***Important: Non-Participating Providers are allowed to balance bill. Subscribers and/or Dependents are responsible for the difference between the non-participating Maximum Plan Allowance and the full fee charged by the Provider.**

Age

Type	Age Limit	Coverage Thru
Dependent Child	26	Month
End Dependent Ortho	19	Month

Deductible (January 1st - December 31st)

Class	Type	Network	Amount
All Covered Classes Except D&P and Ortho	Individual coverage amount	PPO and Non-PPO	$50
All Covered Classes Except D&P and Ortho	Family coverage amount	PPO and Non-PPO	$150

Maximum (January 1st - December 31st)

Class	Type	Network	Amount
All Covered Classes Except D&P and Ortho	Individual coverage amount	PPO and Non-PPO	$2000
Orthodontic Classes	Individual lifetime	PPO and Non-PPO	$2000

Enrollment Type

The enrollment type is Open Enrollment. Open Enrollment means a period of time each Contract Year occurring prior to the Anniversary Date during which eligible Subscribers may choose to enroll themselves and/or their eligible Dependents in the Plan, or change from one coverage option to another if the Contract issued to the Group permits them to do so. Coverage will become effective on the Group's Anniversary Date.

Where two Subscribers who are spouses and are both eligible for coverage under this contract, they may be enrolled together or separately, but not both. Dependent children may be enrolled under one parent. The term spouse includes a Civil Union Partner or a Domestic Partner.

Under the Delta Dental PPO plan, you may visit any Provider of your choice. There are three levels of Providers to choose from who are located nationwide:

PPO Participating Provider

Advantages of seeing a PPO Provider include:

- Payment is based upon the PPO Provider's Allowable fee, or the fee actually charged, whichever is less.
- Claim forms are submitted directly to Delta Dental by the Providers.
- You are responsible for any applicable deductible and coinsurance for covered procedures.

You will receive the best benefits available on this plan by choosing a PPO Provider.

Premier Participating Provider (Non-PPO)
You have the option of seeing a Premier Provider, but you may incur additional costs:

- Payment is based upon the Premier Maximum Plan Allowance, or the fee actually charged, whichever is less.
- Claim forms are submitted directly to Delta Dental by the Providers.
- You are only responsible for any applicable deductible and coinsurance for covered procedures.

Non-Participating Provider (Non-PPO)
You have the option of seeing a non-participating Provider, but you may incur additional out-of-pocket costs.

- You may be responsible for payment in full to the Provider and for filing your claim with Delta Dental for reimbursement.
- You are responsible for the difference between the non-participating Maximum Plan Allowance and the full fee charged by the Provider.

COVERED AMOUNT means

- For PPO Providers, the lesser of the PPO Provider's Allowable fee or the fee actually charged.
- For Premier Participating Providers, the lesser of the Premier Maximum Plan Allowance, or the fee actually charged.
- For all other Providers, the lesser of the Non-Participating Maximum Plan Allowance, or the fee actually charged.

Colorado counties without PPO or Premier Providers are Cheyenne, Crowley, Gilpin, Jackson, Kiowa, Saguache, San Juan and Sedgwick.

TABLE OF CONTENTS

ELIGIBILITY

All eligible Subscribers and their dependents that enroll will be covered on the effective date. All Subscribers will become eligible as determined by the employer group.

This policy is effective at 12:00 a.m. on the date of enrollment and will terminate at 11:59 p.m. on the date of termination.

DEPENDENTS: For your dependents to be insured, you will have to pay the required premium for the cost of having dependents on your insurance. Your dependents will be insured only if you are insured.

No one may be covered as a Dependent and as a Subscriber under this plan. If both parents are covered as Subscribers, children may be covered as Dependents of one parent only.

Benefits for a Dependent Child will continue until the last day of the calendar month in which the limiting age is reached.

Persons in active military service are not eligible Dependents.

Dependents of an eligible Subscriber may enroll within 31 days of the following:

- The date the Subscriber becomes eligible to enroll. The effective date is that of the subscriber.
- New Dependents must be enrolled within 31 days and will be covered the effective date of the event. Newborns and adopted children will be covered on the date of birth or date of placement for adoption.
- The date the Plan is amended to provide Dependent coverage. The Plan becomes effective on the first day of the month following this change.
- The date upon which they lose coverage through another source, if they show proof of loss. (Loss of coverage is any loss due to death, divorce, loss of job, or termination of benefits by the subscriber). The effective date will be the date immediately following the loss of coverage date.

If not added within the 31 day timeframe, the Dependent can be added during the Open Enrollment period, if applicable.

HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS (Applicable to Managed Care Plans)

How to Find a Provider

There are two easy ways to find out if your Provider is a Delta Dental PPO Network Provider.

1. **Visit our website at www.deltadentalco.com** or
2. **Phone our automated call center** at 1-800-610-0201.

The network is subject to change. Please check on the status of your Provider before your next treatment.

You need not obtain approval before being treated. Before starting treatment that may cost $400 or more, you may request an estimate from Delta Dental. Pre-treatment estimates are not required.

BENEFITS/COVERAGE (What is Covered)

COVERED DENTAL SERVICES

DIAGNOSTIC & PREVENTIVE SERVICES

Diagnostic: Certain Services performed to assist the Provider in evaluating the existing conditions and determining the dental care required.

Preventive: Certain Services performed to prevent the occurrence of dental abnormalities or disease.

Adjunctive: Certain additional Services, including emergency palliative treatment, performed as a temporary measure that does not affect a definitive cure.

PROCEDURE	BENEFIT DESCRIPTION
Oral Exam (All exam types)	Two exams in a 12 month period are covered. There is no separate benefit for diagnosis, treatment planning or consultation by the treating provider.
Dental Cleaning	Two cleanings in a 12 month period are covered unless documentation of special need is provided. For those with documentation, 2 additional cleanings (or any procedure that includes cleaning) will be provided during a 12 month period. An adult cleaning is not covered for persons under age 14.
Bitewing X-rays	Covered twice in a 12 month period.
Full Mouth Survey or Panoramic X-ray	Covered one time in a 36 month period.
Individual Periapical X-rays Intraoral Occlusal X-rays Extraoral X-rays	Limited to the allowance for a full mouth survey or panoramic x-ray. If the fee meets or exceeds the allowance for a full mouth survey, it will be processed as a full mouth survey.
Sealants	Covered one time per tooth in a 36 month period. Allowed for the occlusal (chewing) surface of decay-free unrestored permanent molars. Covered for children through age 15. There is no separate benefit for preparation of the tooth or any other procedure associated with the sealant application.
Preventive Resin Restoration	Covered as a sealant above.
Fluoride Treatment	Covered once in a 12 month period for children through age 15.
Space Maintainer	Covered once per lifetime for children through age 13 to maintain space left by prematurely lost baby back teeth.
Adjunctive Services	Services related to another category of covered services will be covered at the same percentage as the related category of covered services.
Palliative Treatment	Covered as a separate benefit only if no other service is provided during the visit except an exam and/or x-rays.
Oral Pathology Lab Procedures	Covered with a pathology report.

BASIC SERVICES

Basic Restorative: Fillings and preformed shell crowns, for treatment of tooth decay which results in visible destruction of hard tooth structure or loss of tooth structure due to fracture.

Oral Surgery: Extractions and certain other surgical Services and associated covered anesthesia and/or related Covered Services.

Endodontic: Certain Services for treatment of non-vital tooth pulp resulting from disease or trauma.

Periodontic: Certain Services for treatment of gum tissue and bone supporting teeth.

PROCEDURE	BENEFIT DESCRIPTION
Amalgam Fillings (silver fillings)	Multiple fillings on one surface will be paid as a single filling. Replacement of an existing amalgam filling is allowed if at least 12 months have passed since the existing amalgam was placed.
Composite Resin (white plastic) Fillings	Multiple fillings on one surface will be paid as a single filling. Replacement of an existing composite resin filling is allowed if at least 12 months have passed since the filling was placed. Composite resin fillings on back teeth will be covered up to the cost of an amalgam filling.
Stainless Steel Crowns Resin Crowns	Covered when the tooth cannot be restored by a filling and then 1 time in a 12 month period.
Protective Filling	Covered if no other restorative service is performed on the same tooth on the same date. Not covered during a course of endodontic therapy.
Pin Retention	Covered with a basic (amalgam or composite) filling. A benefit one time per filling.
Extraction - Coronal Remnants Deciduous Tooth	Includes local anesthesia and routine post-operative care, which are not covered separately.
Extraction - Erupted Tooth or Exposed Root	Includes local anesthesia and routine post-operative care, which are not covered separately.
Therapeutic Pulpotomy	Covered for baby teeth.
Root Canal Therapy	Covered once per tooth. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Repeat Root Canal therapy	Covered if the first root canal procedure on the same tooth was performed at least 24 months earlier.
Apexification/Recalcification (apical closure/calcific repair of perforations, root resorption, etc.)	Covered once per tooth. A course of treatment includes initial, interim and final visits. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Apicoectomy	Covered once per root each 24 months. X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Retrograde Filling (per root)	Covered once per root each 24 months. X-rays, cultures, tests, local anesthesia and routine follow-up care are not covered separately.
Root Amputation (per root)	X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Hemisection (includes any root removal)	X-rays, cultures, tests, local anesthesia and routine follow-up care are not separately covered.
Periodontal Scaling and Root Planing - Per Quadrant	Covered one time per quadrant of the mouth in any 24 month period.
Periodontal Maintenance Procedures Following Active Therapy	Periodontal maintenance procedures or any combination of periodontal maintenance procedures and prophylaxis (adult and child cleanings) are limited to 4 per any 12 month period.

Gingivectomy	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Gingival Flap Procedure	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Root planing, local anesthesia and routine post-operative care are not separately covered.
Crown Lengthening - Hard Tissue, by Report	Not covered if performed on the same date as surgery to bone structures, crown preparation or other restoration.
Osseous Surgery, Guided Tissue Regeneration (includes surgery and re-entry), Pedicle Soft Tissue Graft, Free Soft Tissue Graft (including donor site)	One periodontal surgical procedure is covered per quadrant in any 36 month period. If less than a full quadrant is treated, benefits will be based on the fee for a partial quadrant. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Surgical Extractions of Teeth or Tooth Roots	Local anesthesia and routine post-operative care are not separately allowed as benefits.
Oral Surgery Services	Includes fistula closure, sinus perforation closure, tooth reimplantation, surgical access to expose teeth, biopsies, soft-tissue lesion removal, excision of bone tissue, excision of hyperplastic gum tissue, surgical incisions, and cyst removal. Local anesthesia and routine post-operative care are not separately allowed as benefits.
Alveoloplasty	Not allowed as a separate benefit when performed on the same date as extractions. Includes local anesthesia and routine post-operative care.
General Anesthesia **Analgesia (Nitrous Oxide)** **I.V. Sedation**	Only one type of anesthesia procedure per date of service is allowed as a separate benefit when provided for covered oral surgical procedures.
Localized Delivery of Antimicrobial Agents	Covered once in a 24 month period. Benefit is limited to a maximum of two teeth per quadrant.

MAJOR SERVICES

Special Restorative: Buildups (which may or may not include a post) and laboratory processed restorations (crowns, onlays) for treatment of tooth decay which results in visible destruction of hard tooth structure, or loss of tooth structure due to fracture, which cannot be restored with amalgam or composite restorations.

Prosthodontics: Services for construction or repair of fixed partial dentures (bridges), cast or acrylic removable partial dentures, acrylic complete dentures, and removable temporary partial dentures to replace completely extracted or avulsed natural permanent teeth.

Implants: Prosthetic appliances placed into or on the bone of the upper or lower jaw to retain or support dental prostheses.

PROCEDURE	BENEFIT DESCRIPTION
Re-Cement Crowns, Inlays and Onlays	Covered after 6 months from initial insertion.
Repairs to Crowns	Subject to Delta Dental's consultant review.
Re-Cement Fixed Bridges	Covered after 6 months from initial insertion of fixed bridge.
Repairs to Fixed Bridges	Subject to Delta Dental's consultant review.
Denture Adjustments	Covered after 6 months from the insertion of the full or partial denture.
Repairs to Full and Partial Dentures	Covered after 6 months from the insertion of the full or partial denture.
Tissue Conditioning per Denture Unit	Covered two times in a 36 month period.
Relining Dentures **Rebasing Dentures**	Relining or rebasing is covered at least 6 months after the initial insertion of a full or partial denture and then not more than one time in a 36 month period.

Inlays	An alternate benefit allowance for an amalgam filling will be made for the same number of surfaces. Any difference in fee is chargeable to the patient. It will be covered if 60 months have passed since the last placement. Not covered for children under age 12.
Crowns and Onlays	Covered when the tooth cannot be restored by an amalgam or composite filling and if more than 60 months since the last placement. Not covered for children under age 12**.**
Core (Crown) Buildup including any Pins	Covered when needed to retain a crown or onlay and only when need is due to extensive loss of tooth structure caused by decay or fracture. Covered only if 60 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 12.
Post and Core (in conjunction with a Crown or Onlay)	Covered for endodontically treated teeth. Must be needed to retain a crown or onlay, and only when necessary due to extensive loss of tooth structure caused by decay or fracture. Covered only if 60 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 12.
Implants - Surgical Placement & Restoration	The placement of the surgical implant, and the placement of a crown, full or partial denture, or bridge over the implant, are covered once in 60 months for restorations involving the same tooth. This limitation includes any prior Special Restorative or Prosthodontic benefits for the same tooth. Not covered for children under age 16.
Fixed Bridges	Initial fixed bridge is covered. Replacement of an existing fixed bridge is covered if the existing fixed bridge is more than 60 months old, is not serviceable, and cannot be repaired, and there is no prior payment of covered Special Restorative or Prosthodontic benefits for the same tooth. Not covered for children under age 16.
Core (Bridge) Buildup including any Pins (in conjunction with a Bridge Abutment or a Fixed Bridge)	Covered when needed to retain a fixed bridge or endodontically treated teeth. Only when necessary due to extensive loss of tooth structure caused by decay or fracture. Covered only if 60 months have passed since the last buildup or post and core procedure for the same tooth. Not covered for children under age 16.
Full Dentures	Initial full dentures are covered. Replacement is covered after 60 months from the last placement. Dentures must not be able to be repaired. Personalized dentures, overdentures or associated procedures are not covered.
Partial Dentures	Initial partial dentures are covered. Replacement is covered after 60 months have elapsed since the last placement. Dentures must not be able to be repaired. Precision or semi-precision attachments are not covered. The benefit for a partial denture includes any clasps and rests and all teeth. Metal based partial dentures are not covered for children under age 16.
Temporary Removable Partial Dentures	Initial temporary removable partial dentures are covered to replace missing permanent front teeth. Replacement is covered only after 60 months have elapsed since the last placement.

ORTHODONTIC SERVICES

PROCEDURE	BENEFIT DESCRIPTION
Orthodontic Treatment	Orthodontics are defined as the services provided by a licensed Provider involving orthognathic surgery or appliance therapy for movement of teeth and post-treatment retention for treatment of malalignment of teeth and/or jaws including any related interceptive services.
Limitations on Orthodontic Benefits	a) No benefits will be provided for: • Replacement or repair of appliances. • Orthodontic care provided in the treatment of periodontal cases or cases involving treatment or repositioning of the temporomandibular joint or related conditions. b) Periodic Orthodontic payments will end upon termination of treatment for any reason prior to completion of the case, or upon termination of the Covered Person's eligibility. c) The initial orthodontic benefit payment for a comprehensive treatment plan of 13 months or more will be made in two (2) payments. The 1st payment will be issued at banding date or insertion. The 2nd payment will be issued 12 months later. The final payment will be reduced by any other orthodontic benefits issued that applied to the orthodontic plan maximum. Only members eligible in the Plan 12 months after initial banding or insertion will receive the final payment. d) The orthodontic payment benefit for treatment plans 12 months or less will be made in 1 payment at time of banding or insertion. This payment will be reduced by any other orthodontic benefits issued that applied to the plan's orthodontic maximum. e) For comprehensive orthodontic treatment in progress that began prior to eligibility in the plan, Delta Dental will reduce periodic payments using its applicable processing polices.

LIMITATIONS/EXCLUSIONS
(What Is Not Covered)

GENERAL LIMITATIONS – ALL SERVICES

a) Alternate Benefits - Often more than one service or supply can be used for treatment. In deciding the amount allowed on a claim, Plan will consider other materials and methods of treatment. Payment will be limited to the Covered Amount for the least costly Covered Service that meets accepted standards of dental care as determined by Delta Dental. The covered person and his Provider may decide on a more costly treatment. Delta Dental will pay toward the cost of the selected procedure at the Coinsurance level shown on the Schedule of Benefits. Payment will be limited to the Covered Amount for the least costly treatment. **Only covered services will receive alternate benefits.**

b) Temporary services will be covered as part of the final service. The benefit allowed for such service and the final service is limited to the benefit allowed for the final service.

c) Plan will pay Procedures performed at the same time and as part of a primary procedure at the amount allowed for the primary procedure.

d) Services are covered when provided by a person legally permitted to perform such Services and are determined to be Necessary and appropriate. Benefits will be based on the terms of this plan and Delta Dental's Processing Policies, even if no monies are paid.

e) Pre- and post-operative procedures are considered part of any associated Covered Service. Benefit will be limited to the Covered Amount for the Covered Service.

f) Local anesthesia is considered part of any associated Covered Service. Benefit will be limited to the Covered Amount for the Covered Service.

g) The Covered Amount for a Covered Service Started but not Completed will be limited to the amount determined by Delta Dental.

h) Allowance for an assistant surgeon, when determined by Delta Dental to be a Covered Service, will not exceed 20% of the surgeon's fee for the same Covered Service.

i) Services related to another category of Covered Services will be covered at the same percentage as the related category of Covered Services.

EXCLUSIONS

a) Services for injuries or conditions which are covered under Worker's Compensation or employer's liability laws. Services provided by any federal or state agency. Services provided without cost by any city, county or other political subdivision. Any Services for which the person would not have to pay if not insured, except if such exclusion may be prohibited by law.

b) Any Service Started when the person was not covered under this Contract. This includes any Service Started during an applicable Waiting Period.

c) Services for treatment of birth or developmental defects, ***except*** Services within the mouth for treatment of a condition related to cleft lip and/or cleft palate

d) Any treatment provided primarily for cosmetic purposes. Veneers on teeth and facings or veneers placed on crowns or bridge units for teeth after the first molar will always be considered cosmetic. Delta Dental will limit their allowance to a Covered Service without facings or veneers and the patient is responsible for the remainder of the Provider's approved fee.

e) Services to treat tooth structure lost from wear, erosion, attrition, abrasion or abfraction.

f) Services resulting from improper alignment, occlusion or contour.

g) Services related to periodontal stabilization of teeth (splinting).

h) Habit appliances, night guards, occlusal guards, athletic mouth guards and jaw function services, bite registration or analysis, or any related services.

i) Patient management services (***except*** covered anesthetic services).

j) Charges for prescribed drugs.

k) Any Experimental or Investigational treatment.

l) Services that may otherwise be covered, but due to the patient's condition would not prove successful to improve the patient's oral health.

m) Any treatment done in anticipation of future need (***except*** covered preventive services).

n) Hospital costs or any charges for use of any facility.

o) Any anesthesia service not included in Covered Services.

p) Grafts done in the mouth where teeth are not present.

q) Grafts of tissues from outside the mouth into the mouth.

r) Therapy for speech or the function of the tongue or face.

s) Orthodontic Services unless shown as covered on the Schedule of Benefits.

t) Implant Services unless shown as covered on the Schedule of Benefits.

u) Treatment of any temporomandibular joint (TMJ) problems, including facial pain, or any related conditions. Any related diagnostic, preventive or treatment Services.

v) Services not performed in accordance with Colorado state law. Services by any person other than a person licensed to perform them. Services to treat any condition, other than an oral or dental disease, abnormality or condition.

w) Teaching services.

x) Completion of forms. Providing diagnostic information. Copying of other records.

y) Replacement of lost, stolen or damaged items.

z) Repair of items altered by someone other than a Provider.

aa) Any Services not included in Covered Services.

bb) Services for which charges would not have been made but for this coverage, except for Services as provided under Medicaid.
cc) Missed appointment charges.
dd) Preventive control programs, including home care items.
ee) Plaque control programs.
ff) Self-injury.
gg) Provisional splinting.
hh) Bone grafting when done in the same site as a tooth extraction, apicoectomy or hemisection.
ii) Services provided for treatment of teeth retained in relation to an Overdenture.
jj) Any Prosthodontic service provided within 60 months of Special Restorative services involving the same teeth.
kk) Any Special Restorative service provided within 60 months of fixed Prosthodontic services involving the same teeth.
ll) Fixed and removable Prosthodontic appliances (bridges and partials) are not a benefit in the same arch except when the fixed denture (bridge) replaces front teeth. Allowance is limited to the allowance for the removable partial denture.

MEMBER PAYMENTS RESPONSIBILITY

You must pay deductibles, amounts above the annual maximum, amounts up to the out-of-pocket maximum, and your coinsurance. You must pay charges for Services not covered under this plan. You may be responsible for some part of the premium.

CLAIM PROCEDURES (How to File a Claim)

If you are covered by more than one dental plan, you should file all of your claims with each plan.

Delta Dental will not pay claims submitted more than 12 months after the date of service.

PRE-TREATMENT ESTIMATE

Before starting treatment that may cost $400 or more, you may request an estimate of what is covered. Pre-treatment estimates are not required.

RIGHT TO EXAMINATION

Delta Dental shall have the right and opportunity to examine the person of the individual for whom claim is made when and so often as it may reasonably require during the pendency of claim under the policy.

GENERAL POLICY PROVISIONS

AGREEMENT WITH STATE LAW

Any requirement in this Contract which on its effective date is in conflict with the laws of the state in which any Covered Person lives is hereby changed to the minimum requirement of such laws.

ASSIGNMENT OF BENEFITS

You may assign any benefits of this policy to your dental provider. You may revoke this assignment at any time by sending a written revocation to Delta Dental.

NON-DISCRIMINATION

With regard to participation in its networks, Delta Dental does not discriminate against any provider acting in the scope of his or her license.

COORDINATION OF BENEFITS (COB)

IMPORTANT NOTICE

This is a summary of only a few of the provisions of your health plan to help you understand coordination of benefits. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language contained in your insurance contract, which determines your benefits. For the complete listing of your policy's coordination of benefits provisions, please contact your group plan administrator or the state Division of Insurance.

Double Coverage

Family members may be covered by more than one health care plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers.

When you are covered by more than one group health plan, state law permits your carriers to follow a procedure called "coordination of benefits" to determine how much each should pay when you have a claim. The aim is to make sure that the combined payments of all plans do not add up to more than your covered health care expenses.

Coordination of benefits (COB) covers a wide variety of circumstances. This is only an outline of some of the most common ones. If your situation is not described, contact your group plan administrator or your state insurance department for a full review of coordination of benefits requirements.

Primary or Secondary?
You will be asked to identify all the plans that cover family members. We need this information to determine whether we are "primary" or "secondary." The primary plan always pays first.

Any plan which does not contain your state's coordination of benefits rules will always be primary.

When This Plan is Primary
If you or a family member are covered under another plan in addition to this one, Delta Dental will be primary when:

Your Own Expenses
▪The claim is for your own health care expenses, unless you are covered by Medicare Advantage and both you and your spouse are retired.

Your Own Expenses
▪The claim is for your own health care.

Your Child's Expenses
▪The claim is for the health care expenses of your child who is covered by this plan and

▪you are married and your birthday is earlier in the year than your spouse's or you are living with another individual, regardless of whether or not you have ever been married to that individual, and your birthday is earlier than that other individual's birthday. This is known as the "birthday rule";
or
▪you are separated or divorced and you have informed us of a court decree that makes you responsible for the child's health care expenses;
or
▪there is no court decree, but you have primary custody of the child.

Other Situations
We will be primary when any other provisions of state or federal law require us to be.

How We Pay Claims When We Are Primary
When we are the primary plan, we will pay the benefits provided by your contract, just as if you had no other coverage.

How We Pay Claims When We Are Secondary
We will be secondary whenever the rules do not require us to be primary.

When we are the secondary plan, we do not pay until after the primary plan has paid its benefits. We will then pay part or all of the allowable expenses left unpaid. An "allowable expense" is a health care service or expense covered by one of the plans, including copayments and deductibles.

▪If there is a difference between the amount the plans allow, we will base our payment on the higher amount. However, if the primary plan has a contract with the Provider, our combined payments will not be more than the contract calls for Health maintenance organizations (HMO) and preferred Provider organizations (PPO) usually have contracts with their Providers.

▪We will determine our payment by subtracting the amount the primary plan paid from the amount we would have paid if we had been primary. We will use any savings to pay the balance of any unpaid allowable expenses covered by either plan.

▪If the primary plan covers similar kinds of health care, but allows expenses that we do not cover, we may pay for those expenses. We will not pay an amount the primary plan did not cover because you didn't follow its rules and procedures. For example, if your plan has reduced its benefit because you did not obtain pre-certification, we will not pay the amount of the reduction, because it is not an allowable expense.

Questions about Coordination of Benefits?

Colorado Division of Insurance
1560 Broadway, Ste 850
Denver, CO 80202
Phone Number: 303-894-7490 or 1-800-930-3745

SUBROGATION

Delta Dental has the right to enforce on its own, or with a covered person, a claim against a third party up to the amount paid by Delta Dental. If Delta Dental pays a claim for injuries to a covered person and the covered person settles with a third party for an amount that includes such costs, the covered person must refund Delta Dental the amount equal to the benefit payment made to, or on behalf of, the covered person.

HIPAA

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Rule, your employer has agreed to:

a) Not use or disclose health information other than as permitted or as required by law.
b) Ensure that any agents who receive protected health information (PHI) agree to the same restrictions that apply to your employer.
c) Not use or disclose PHI for employment actions and decisions.
d) Report to the Plan any improper use or disclosure of PHI that they are aware of.

e) Make PHI available for your own use and provide you with the right to amend or correct your own PHI upon request.
f) Provide an accounting of its disclosures to individuals and make its practices relating to the use or disclosure of PHI available to the Secretary of HHS.
g) Ensure that there is separation between the Plan and the Plan Sponsor as required by HIPAA. Ensure that there are reasonable security controls.
h) If possible, return or destroy all PHI received from the Plan when no longer needed.
i) Implement safeguards that protect electronic PHI that is managed on behalf of the group health plan.
j) Ensure that any agent to whom it provides electronic PHI agrees to implement security measures to protect the information.
k) Report to the group health plan any security incident of which it becomes aware.

NOTICE OF PRIVACY PRACTICES

This notice describes how medical information about you may be used and disclosed and how you can access this information.

Delta Dental is required by law to maintain the privacy of your health information and to provide you with this notice of our legal duties and privacy practices with respect to your health information. We are committed to protecting your health information. This notice is effective on the date your group coverage went into effect.

How We May Use and Disclose Health Information About You
In almost all cases, we may use and disclose protected health information for treatment, payment, and health care operations. For example, we may use and disclose protected health information:

1. To communicate with the provider who provides, coordinates, or manages your care,
2. To determine how much or whom we should pay for covered services,
3. To assess the quality of care that our participating providers provide.

Other categories describing how we may use and disclose your health information are listed below, along with some examples of these uses and disclosures.

To You and With Your Written Authorization: We may disclose your health information to you in the manner and for the purposes described in the "Your Rights" section of this Notice. You may revoke your authorization in writing at any time. Your revocation will not affect any use or disclosure permitted by your prior authorization while it was in effect. Without your written authorization, we may not use or disclose your protected health information to any person or for any reason not permitted by law.

An authorization is required for uses and disclosures of protected health information for marketing purposes and disclosures that constitute a sale of protected health information. Any other uses and disclosures not specifically described in this notice will be made only with the individual's authorization.

To Your Family and Friends: We may disclose your health information to a family member, friend or other person if you provide us written authorization to do so.

Disclosure to Plan Sponsors: For example, to help the sponsor of your group health plan administer your benefits.

Health Related Benefits and Services: We may use or disclose health information about you to communicate to you about health-related benefits and services.

Research: We may use or disclose health information about you for research purposes. If we do, Delta Dental may be required to obtain an authorization from you for such use or disclosure.

Public Health and Safety: For example, to prevent or lessen a serious and imminent threat to the health or safety of a person or the general public.

Required by Law: For example, as required by federal or state statute or regulation, worker's compensation or similar laws and state insurance and health regulatory authorities.

Lawsuits and Disputes: For example, in the course of any administrative or judicial proceeding.

Law Enforcement: For example, to identify or locate a suspect or to comply with a court order, a court ordered warrant, or a subpoena or summons issued by an officer of the court.

Military and National Security: For example, military, lawful intelligence, counter-intelligence, and other national security activities.

Your Rights Regarding Health Information About You
You have the following rights regarding health information we maintain about you:

- **Your Right to Inspect and Copy Your Health Information:** To inspect and copy such information, you must submit your request in writing. If you request a copy of the information, we may charge you a reasonable fee to cover expenses associated with your request.
- **Your Right to Amend Protected Health Information:** You may request that Delta Dental change your health information, although we are not required to do so. If your request is denied, we will provide you with information about our denial and how you can disagree with the denial. To request an amendment, you must make your request in writing. You must also provide a reason for your request.

- **Your Right to an Accounting of Disclosures Made by Delta Dental:** You may request an accounting of disclosures made for purposes other than treatment, payment, health care operations or made to you. You must submit your request in writing. Your request should specify a time period of up to six years and may not include dates before April 14, 2003. Delta Dental will provide the first accounting per 12-month period free of charge; we may charge you for additional reports.
- **Your Right to Request Restrictions on Uses and Disclosures:** Although you have this right, Delta Dental is not required to agree to the restrictions that you request. If you would like to make a request for restrictions, you must submit your request in writing.
- **Your Right to Request Confidential Communications Through a Reasonable Alternative Means or at an Alternative Location:** To request confidential communications, you must submit your request in writing. We are not required to agree to your request, unless such disclosure could cause you to be in danger.
- **Your Right to a Paper Copy of this Notice:** You may obtain additional paper copies of this Notice by sending us a written request. You may also obtain a copy of this Notice at our website www.deltadentalco.com.
- **Your Right to Opt Out of Fundraising Communications:** Delta Dental does not intend to contact you to raise funds, but if it does engage in fundraising, you have the right to opt-out of receiving any fund raising communications.
- **Your Right to Breach Notification:** You have the right to be notified of a breach of unsecured protected health information. Delta Dental will provide you the date and description of the information disclosed. You will be notified who the information was disclosed to if we are able. You will be notified by mail within 60 days from the date that we discover the breach.
- **Your Right to Obtain Additional Information or File a Complaint:** Send us a written request if you would like to have a more detailed explanation of these rights. Complaints about how we handle your health information should be submitted in writing. If you believe your privacy rights have been violated, you may file a complaint with the Secretary of the Department of Health and Human Services. Delta Dental will not retaliate against you in any way if you choose to file a complaint with us or with the department.

Genetic Information Nondiscrimination Act: Delta Dental is prohibited from using or disclosing genetic information for underwriting purposes.

Changes to this Notice

Delta Dental can amend this Notice at any time in the future and make the new Notice provisions effective for all health information that we maintain. We will promptly revise our Notice and distribute it to you whenever we make significant changes. Delta Dental is required by law to comply with the current version of this Notice.

Send Written Requests Regarding this Privacy Notice to:

Privacy Officer
PO Box 5468
Denver CO 80217-5468
Or You May Call: 1-800-233-0860

TIME LIMIT ON CERTAIN DEFENSES

(a) After two years from the date of issue of this policy, the validity of this policy shall not be contested, except for non-payment of premiums, and no misstatements made by the applicant in order to acquire such policy shall be used to void the policy or to deny a claim for loss incurred after the expiration of such two-year period. However, if such statement was made in writing signed by the person making the statement and a copy of that writing is presented to the maker of the statement, such statement may be used by Delta Dental to avoid the policy or reduce benefits.

(b) No claim for loss incurred after one year from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or a specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(c) If this is an individual disability income insurance policy then no claim for loss incurred after two years from the date of issue of the policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or a specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

LEGAL ACTIONS

No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

TERMINATION/NONRENEWAL/ CONTINUATION

A Subscriber's plan will terminate at the earliest of:

- The date Delta Dental of Colorado receives a written request to cancel. Coverage will end at the end of the month following notification, or at the end of the month of the life changing event. We reserve the right to recover any benefit payment made for dates of service after the terminate date.
- The date the Subscriber is not eligible for coverage under the terms of this policy.
- The date the benefits described in the Policy are terminated.
- When the required premium has not been paid (Subject to the applicable grace period).
- When you commit fraud or intentional misrepresentation of material facts.
- For the Subscriber, 12 months from the date the member enters active military service.
- For Dependents, the end of the month following active military service.
- Upon the Subscriber's death.

To remove a Dependent from the plan, the Subscriber must notify us of the termination within 31 days. The Effective Date of the change will be the end of the month in which the change was effective. We reserve the right to recover any benefits payments made for dates of service after the termination date.

Benefits for a Dependent ends on the last day of the month for the following life changing events:

- The date the benefits described in the policy are terminated.
- The date the Dependent is not eligible for coverage under the terms of this policy.
- When the Dependent child no longer qualifies as a Dependent by definition.
- When legal custody of a child placed for adoption is terminated.
- When the required premium has not been paid.
- Upon the Dependent's death.

EXTENDED COVERAGE
(Paying for Benefits after Termination)

Delta Dental benefits will end if this Policy is terminated or if a person's coverage is cancelled. Delta Dental will cover no further Services except as described below.

If a Covered Service started before coverage ends, but the Covered Service is completed after coverage ends, Delta Dental will pay Benefits for the Covered Service as follows:

- Benefits will be paid in the amount that would have been paid and subject to the same terms as would have applied if the Person's coverage were still in effect.
- Benefits will be paid only if the Covered Service is completed within 60 days after the date the Person's coverage ended.

No benefit will be paid if the Covered Service is started after coverage ends.

NONRENEWAL

This policy will automatically renew. If you don't want to renew this policy, contact Delta Dental of Colorado before the policy's renewal date. If you do not renew this policy, the policy will end on the last day before the renewal date. Delta Dental can nonrenew this policy by sending you written notice (either electronically or through the mail) at least 60 days before the renewal dates. If we do, this policy will end on the last day before the renewal date.

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985)

Covered persons may be able to continue coverage through COBRA. The benefits will be the same as the benefits active Subscribers receive. The Covered person must pay the entire Premium, which cannot exceed 102% of the cost for an active Subscriber with the same Plan. You should contact your employer to determine if you are able to continue coverage through COBRA.

Continued Health Coverage required by the State of Colorado

If you are not eligible for COBRA you may be eligible to continue coverage for up to 18 months under State Continuation. Contact your employer to learn if you are eligible to continue coverage through state continuation.

APPEALS AND COMPLAINTS

Internal Appeal Process - First Level Appeals:

A Subscriber may appeal an adverse claim decision within 180 days of the date of the original Explanation of Benefits by writing to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

A Subscriber may submit additional information in support of the appeal.

Appeals are reviewed by an impartial Provider of the same or similar specialty as would typically manage the case being reviewed. The reviewing provider will not have been involved in the initial decision.

The decision will be sent to the Subscriber with the rationale for the decision. The decision will be made within 15 calendar days for pre-service denials. Post-service decisions will be made within 30 calendar days.

Internal Appeal Process - Expedited Appeals:
Subscribers may request an expedited appeal when the time for a standard review would seriously jeopardize the life or health of the Subscriber, would jeopardize the Subscriber's ability to regain maximum function, or, for persons with a disability, create an imminent and substantial limitation on their existing ability to live independently.

Expedited review decisions will be issued within 72 hours.

Independent External Review:
Where Delta Dental makes an Adverse Determination and the Subscriber exhausts the internal appeals process, the Subscriber has the right to request an external review. Delta Dental will notify the Subscriber of the right, if any, to request an external review after the First Level appeal.

Requests for an independent external review must be in writing. They must include a completed external review request form as specified by the Colorado Division of Insurance. The Subscriber must submit the request within four months of the completion or exhaustion of the internal appeals process. The internal appeals process is completed or exhausted upon Subscriber's receipt of notice of the adverse determination or upon Delta Dental's failure to comply with Colorado Revised Statues §§ 10-16-113, 10-16-113.5, or Colorado Insurance Regulations 4-2-17 or 4-2-21.

Subscriber may request expedited external review. All requests must be submitted to:

Delta Dental of Colorado
Appeals Analyst
P.O. Box 172528
Denver, CO 80217-2528

A signed consent authorizing Delta Dental to disclose protected health information pertinent to the external review is also required.

Delta Dental adheres to timeframes set forth by Colorado Regulation 4-2-21 in the processing of Independent External Reviews. Within 45 days after the receipt of the request for external review (72 hours for expedited external review), the external review entity shall deliver a written decision to the Subscriber, Delta Dental, the provider, and the Commissioner.

INFORMATION ON POLICY AND RATE CHANGES

No change in your policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed on the policy. No agent has authority to change this policy or to waive any of its provisions except where approved by an officer of the insurer and evidenced by an endorsement on the policy or by rider or amendment to the policy signed by the insurer. Any such amendment that reduces or eliminates coverage shall have been either requested in writing or signed by your Employer.

If there are changes to the information provided in this document, we will issue revised materials to you.

DEFINITIONS

ALTERNATE BENEFIT means the benefit allowed for the least costly, commonly accepted Service or supply that could be used to treat a dental problem for which there are other, more costly treatment options that the covered person selects.

BENEFITS means those Services and supplies covered pursuant to the terms of this plan. Benefits for all Covered Services are subject to the limitations and exclusions noted in this Benefit Booklet.

COINSURANCE means the percentage of a Covered Amount which is payable by Delta Dental. The Coinsurance for each type of Covered Service is shown on the Schedule of Benefits. The Coinsurance applicable will vary depending upon the type of dental Service.

COMPLETED means:

- For Root Canal Therapy: The date the canals are permanently filled.
- For Fixed bridges (fixed partial dentures), Crowns, Inlays, Onlays, and other laboratory prepared restorations: On the date the restoration is cemented in place, regardless of the type of cement used.
- For Dentures and Partial Dentures (removable partial dentures): On the date that the final appliance is first inserted in the mouth.
- For all other Services, on the date the procedure is Started.

For claim payment purposes, the date Completed will be the date when a claim is incurred.

DEDUCTIBLE means the amount that must be paid by the covered person before Delta Dental will make payment. The amount of the Deductible is shown on the Schedule of Benefits. If there is a limit to the deductible amount that a family must pay, that will also be shown.

DENTAL INJURY is an injury to a Sound Natural Tooth (other than a chewing injury) of a Covered person which results solely from a sudden, unexpected violent act or accident. A chewing injury is any injury that occurs from biting or chewing food or a foreign object.

DEPENDENT means:

- The Subscriber's lawful spouse, including civil union partner, or domestic partner.
- Civil Union partner must meet each of the requirements listed below:
  - ❖ They must be at least 18 years old.
  - ❖ They must be of the same or opposite sex.
  - ❖ They must not be a partner in another civil union.
  - ❖ They must not be married to another person.
  - ❖ They must not be related.
  - ❖ They must have entered into a civil union based on the guidelines of Article 15 of Title 14, C.R.S. recognized pursuant to Colorado Law.
- Domestic partner must meet each of the requirements listed below:
  - ❖ They must be at least 18 years old and view themselves as a family.
  - ❖ They must be of the same or opposite sex.
  - ❖ They must not be married and may not have another partner.
  - ❖ They must have lived together for at least 6 consecutive months.
  - ❖ They must not be related.
  - ❖ They must be financially interdependent.
- A child under the Dependent Age Limit shown on the Schedule of Benefits.
- A child who reaches the Dependent Age Limit stated on the Schedule of Benefits and is incapable of self-support because of physical or mental disabilities that began before reaching the Dependent Age Limit, and is dependent on the Subscriber. Delta Dental may annually request proof of such disability and dependency. Failure to submit such proof will terminate coverage.

Eligible children include natural children, stepchildren, children under court-ordered guardianship, adopted children, and children of a civil union or domestic partner.

No one may be covered as a Dependent and also as a Subscriber under this Plan. If both parents are covered as Subscribers, children may be covered as Dependents of one parent only.

Persons in active military service are not eligible Dependents.

EFFECTIVE DATE is the date coverage begins

EMERGENCY TREATMENT or EMERGENCY SERVICE means any required Service that is provided as the direct result of an unforeseen occurrence that requires immediate, urgent action.

EMPLOYEE means someone who works the minimum number of hours as defined by the employer.

MAXIMUM PLAN ALLOWANCE means the maximum allowable amount for a procedure as determined by Delta Dental.

MEMBER means any person eligible and enrolled for coverage under this plan.

NECESSARY means a Service that is required by, and appropriate for treatment of, the Covered person's dental condition according to generally accepted standards of dental care as determined by Delta Dental.

OUT-OF-POCKET MAXIMUM means the maximum amount you will have to pay for allowable covered expenses under this plan.

POLICY means the agreement between Delta Dental and the applicant. This Policy is the whole agreement between the parties and no change is allowed unless approved by the insurer.

POLICY TERM means the time from the Effective Date of the Policy until it is terminated.

POLICY YEAR is the 365 days beginning on the Effective Date of this Policy, and each year after unless the Policy is terminated. The Policy Year is 366 days in a leap year.

PROVIDER means a person licensed to practice dentistry.

STARTED means:

- For Full Dentures or Partial Dentures (removable partial dentures): The date the final impression is taken.
- For Fixed Bridges (fixed partial dentures), Crowns, Inlays, Onlays and other laboratory prepared restorations: The date the teeth are first prepared (i.e., drilled down) to receive the restoration.
- For Root Canal Therapy: The date the pulp chamber is first opened.
- For Periodontal Surgery: The date the surgery is actually performed.
- For All Other Services: The date the Service is performed.

SUBSCRIBER means the person in whose name the membership under the policy is established. A person who elects continued coverage and for whom the monthly Premium is paid.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: 2020 Group Agreement with Kaiser Permanente
FROM: Terri Lautt, Director
AGENCY/DEPARTMENT: People and Culture Services
HEARD AT STUDY SESSION ON: October 15, 2019
AUTHORIZATION TO MOVE FORWARD: ☒ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners Approve the 2020 Group Agreement with Kaiser Permanente.

BACKGROUND: The Adams County Board of County Commissioners entered into a contract with Kaiser Permanente in 1981 to provide a quality health care plan to Adams County employees and retirees and continues to offer this option in 2020, thereby providing additional health plan choices.

The attached Group Agreements, Amendments, Letters of Understanding, Rate Sheets and Evidences of Coverage outline the current benefits with Kaiser Permanente as approved through Study Session.

AGENCIES, DEPARTMENTS OR OTHER OFFICES INVOLVED:
People and Culture Services
County Manager's Office
Budget Office
County Attorney's Office

Brighton, Colorado 80601

Subject: Late Enrollment Penalty

Dear County of Adams:

The purpose of this letter is to acknowledge that you have requested Kaiser Foundation Health Plan of Colorado ("Health Plan") to collect any Late Enrollment Penalties that may be assessed by the Centers for Medicare & Medicaid Services (CMS) for your retirees and their dependents ("Members") who did not sign up for Medicare Part D prescription drug coverage when they were first eligible.

Starting January 1, 2020 and for the duration of your 2020 Plan Year, Health Plan will bill Members directly on a monthly basis if they owe a Late Enrollment Penalty. We will bill only for the amount of their Late Enrollment Penalty each month. An explanation of the Late Enrollment Penalty, along with instructions to contact Health Plan with questions or concerns, will be included with each month's statement. We will continue to bill the Members for the Late Enrollment Penalty during the Plan Year for as long as they remain enrolled in the Kaiser Permanente Senior Advantage coverage that you have purchased.

Please note that pursuant to federal guidelines, we may disenroll individuals for nonpayment of the Late Enrollment Penalty, consistent with our disenrollment policies for nonpayment of premium.

Your agreement with Health Plan indicates that we will increase your Premiums by the amount of the Late Enrollment Penalty owed by your Members. However, due to your request that we bill your Members directly, this acknowledgement letter hereby supersedes that provision. Accordingly, by this letter you acknowledge that the Group Agreement between Health Plan and County of Adams for the Plan Year January 1, 2020, is hereby amended as follows:

The following provision in the Section "Late Enrollment Penalty" is hereby deleted in its entirety:

> *If any Members are subject to the Medicare Part D late enrollment penalty, Premiums for those Members will increase to include the amount of the penalty.*

To confirm your acceptance of the terms of this letter, please sign and date a copy of this letter.

Please contact your Health Plan Account Manager if you have questions about the Late Enrollment Penalty or the information in this letter.

Thank you.

Re: Letter of Understanding between County of Adams and Kaiser Foundation Health Plan of Colorado

Dear Group Administrator:

This is a Letter of Understanding between County of Adams (County) and Kaiser Foundation Health Plan of Colorado (Health Plan) regarding County's request to change various time frames in the 2020 Group Agreement as follows:

Amendments Effective on an Anniversary Date
County requested and Health Plan agreed to provide 60 days written notice to County with respect to any rate changes that will become effective on the Anniversary Date as shown on the Rate Sheet.

Time Limit on Reporting Membership Changes
Group must report membership changes (including sending appropriate membership forms) within the time limit for retroactive changes and in accordance with any applicable "rescission" provisions of the Patient Protection and Affordable Care Act and regulations. The time limit for retroactive membership **additions and terminations** is the calendar month when Health Plan receives Group's notification of the change plus the previous two months, unless Health Plan agrees otherwise in writing.

Other Amendments
County requested and Health Plan agreed to align modification of the County's Service Area with their renewal.

Termination of Agreement
County requested and Health Plan agreed to allow County 30 days to mail each Subscriber a legible copy of the notice to terminate.

Termination for Nonpayment
County requested and Health Plan agreed to allow County to pay dues 14 days after the 31-day grace period for a total of 45 days.

Termination for Movement Outside the Service Area
County requested and Health Plan agreed Health Plan will provide County with 60 days written notice of termination if no eligible person lives, resides, or works in Health Plan's Service Area.

Termination for Violation of Contribution or Participation Requirements
County requested, and Health Plan agreed to provide 60 days advanced written notice to County prior to termination of the Agreement.

Termination for Fraud or for Intentionally Furnishing Incorrect or Incomplete Information
County requested, and Health Plan agreed to provide 60 days advanced written notice to County prior to termination of the Agreement.

Contribution and Participation Requirements
County request and Health Plan agreed County's contribution will be no less than $50 for a single Subscriber.

Please call **303-306-2686** if you have questions about this Letter of Understanding. Otherwise, please indicate your agreement by signing and dating where indicated below and returning a signed copy to me.

Sincerely,
Benefit, Policy and Contract Administration

COUNTY ATTORNEY

RESOLUTION ADOPTING AMENDMENTS TO ADAMS COUNTY'S GROUP AGREEMENTS WITH KAISER PERMANENTE

WHEREAS, the Adams County Board of County Commissioners recognize the importance of providing quality health insurance plans with variable options for county employees at a reasonable cost; and,

WHEREAS, Adams County has had an agreement with Kaiser Permanente since January 1, 1981 to provide a quality health care plan to Adams County employees and their families; and,

WHEREAS, the Adams County Board of County Commissioners intends to continue to contract with Kaiser Permanente for the provision of quality health care for Adams County employees and their families, thereby providing additional health plan choices at a reasonable cost; and,

WHEREAS, the attached documents constitute the Amendments to Adams County's agreement with Kaiser Permanente for the provision of health care to Adams County employees and will remain in effect through December 31, 2020:

1. 2020 Evidence of Coverage
2. 2020 Medicare Evidence of Coverage
3. 2020 Large Group Agreement
4. January 1, 2020 Letter of Understanding
5. January 1, 2020 Letter of Agreement: Late Enrollment Penalty
6. Amendment One 2020 Group Agreement Eligibility and Miscellaneous Provisions
7. Amendment Two 2020 Group Agreement Medicare Low Income Subsidy (LIS)
8. Amendment Three 2020 Group Agreement Senior Advantage Medicare
9. 2020 ADCO Rate Sheet

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners, County of Adams, State of Colorado, hereby adopts the attached Amendments to Adams County's Group Agreements with Kaiser Permanente.

BE IT FURTHER RESOLVED, that the Chair of the Board of County Commissioners is hereby authorized to execute said Amendments on behalf of Adams County.

Important Benefit Information Enclosed
Evidence of Coverage

About this Evidence of Coverage (EOC)
This Evidence of Coverage (EOC) describes the health care coverage provided under the Agreement between Kaiser Foundation Health Plan of Colorado and your Group. In this EOC, Kaiser Foundation Health Plan of Colorado is sometimes referred to as "Kaiser Permanente," "Kaiser," "Health Plan," "we," or "us." Members are sometimes referred to as "you." Out-of-Health Plan is sometimes referred to as "out-of-Plan." Some capitalized terms have special meaning in this EOC; please see the "Definitions" section for terms you should know.

This EOC is for your Group's 2020 contract year.

KAISER PERMANENTE®

NONDISCRIMINATION NOTICE

Kaiser Foundation Health Plan of Colorado (Kaiser Health Plan) complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Kaiser Health Plan does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. We also:

- Provide no cost aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats, such as large print, audio, and accessible electronic formats

- Provide no cost language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, call **1-800-632-9700** (TTY: **711**)

If you believe that Kaiser Health Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance by mail at: Customer Experience Department, Attn: Kaiser Permanente Civil Rights Coordinator, 2500 South Havana, Aurora, CO 80014, or by phone at Member Services: 1-800-632-9700.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at https://ocrportal.hhs.gov/ocr/portal/lobby.jsf, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, 1-800-368-1019, 1-800-537-7697 (TDD). Complaint forms are available at http://www.hhs.gov/ocr/office/file/index.html.

SCHEDULE OF BENEFITS (WHO PAYS WHAT)

This Schedule of Benefits discusses:

I. DEDUCTIBLES (if applicable)

II. ANNUAL OUT-OF-POCKET MAXIMUMS (OPM)

III. COPAYMENTS AND COINSURANCE

IV. DEPENDENT LIMITING AGE

IMPORTANT INFORMATION: PLEASE READ

This Schedule of Benefits does not fully describe the Services covered under this EOC. ***For a complete understanding of the benefits, limitations and exclusions that apply to your coverage under this plan, it is important to read this EOC in conjunction with this Schedule of Benefits.*** Please refer to the identical heading in the "Benefits/Coverage (What Is Covered)" section and to the “Limitations/Exclusions (What Is Not Covered)” section of this EOC.

Services received may be described in multiple sections of this Schedule of Benefits (for example, Office Services, Durable Medical Equipment, X-ray, Laboratory, and X-ray Special Procedures may all apply to a broken arm). See the appropriate sections for applicable Copayment, Coinsurance, and Deductible information.

You are responsible for any applicable Copayment or Coinsurance for Services performed as part of or in conjunction with other outpatient Services, including but not limited to: office visits, Emergency Services, urgent care, and outpatient surgery.

Here is some important information to keep in mind as you read this Schedule of Benefits:

1. For a Service to be a covered Service:
   a. The Service must be Medically Necessary (refer to the “Definitions” section in this EOC); ***and***
   b. The Service must be provided, prescribed, recommended, or directed by a Plan Provider; ***and***
   c. The Service must be described in this EOC as covered. Refer to the “Benefits/Coverage (What is Covered)” section.
2. The Charges for your Services are not always known at the time you receive the Service. You ***will get a bill*** for any Deductibles, Copayments, or Coinsurance that are not known at the time you receive the Service.
3. The Deductibles, Copayments, or Coinsurance listed here apply to covered Services provided to Members enrolled in this plan. Only covered Services apply to the Deductible and OPM. Non-covered Services will not apply to the Deductible and OPM.
4. Copayments for Services are due at the time you receive the Service. Deductibles or Coinsurance for Services may also be due at the time you receive the Service.
5. Except for #6 below, you may be responsible for any amounts over eligible Charges in addition to any Copayment or Coinsurance.
6. With respect to Emergency Services received in a non-Plan Facility, or Services rendered by a non-Plan Provider in a Plan Facility, you will not be balance billed by either the non-Plan Provider or non-Plan Facility. You are responsible for the same Deductible, Copayment, or Coinsurance amounts that you would pay if the care was provided in a Plan Facility or provided by a Plan Provider.
7. You may be charged separate Deductibles, Copayments, or Coinsurance for additional Services you receive during your visit or if you receive Services from more than one provider during your visit.
8. We reserve the right to reschedule non-emergency, non-routine care if you do not pay all amounts due at the time you receive the Service.
9. For items ordered in advance, you pay the Deductibles, Copayments, or Coinsurance in effect on the order date.
10. You, as the Subscriber, are responsible for any Deductibles, Copayments, and/or Coinsurance incurred by your Dependents enrolled in the Plan.

11. If you are the only person on your plan, your plan will become a family plan upon the addition of any eligible Dependent to your plan. This includes, but is not limited to, any temporary additions to your plan, such as the coverage of a newborn for 31 days as required by state law.

I. DEDUCTIBLES

There is no medical Deductible. If your Group has purchased a supplemental prescription drug benefit with a pharmacy Deductible, payments made for prescription drugs apply *only* to the pharmacy Deductible.

The pharmacy Deductible represents the full amount you must pay for prescription drugs before any Copayment or Coinsurance applies. Prescription drugs may or may not be subject to the pharmacy Deductible. It depends on the plan your Group has purchased.

A. For prescription drugs that **ARE** subject to the pharmacy Deductible:

   1. You must pay full charges for prescription drugs until your pharmacy Deductible is satisfied. Please see "III. Copayments and Coinsurance", "Drugs, Supplies, and Supplements" to find out which prescription drugs are subject to the pharmacy Deductible.
   2. Once you have met your pharmacy Deductible for the Accumulation Period, you will then pay, for the rest of the Accumulation Period, your applicable Copayment or Coinsurance for those prescriptions drugs subject to the pharmacy Deductible (see "III. Copayments and Coinsurance", "Drugs, Supplies, and Supplements").
   3. Your applicable Copayment, Coinsurance, and pharmacy Deductible may not apply to your annual Out-of-Pocket Maximum (OPM) (see "II. Annual Out-of-Pocket Maximums").

B. For prescription drugs that **ARE NOT** subject to the pharmacy Deductible: Your Copayment or Coinsurance will always apply, as listed in "III. Copayments and Coinsurance", "Drugs, Supplies, and Supplements."

II. ANNUAL OUT-OF-POCKET MAXIMUMS

The OPM limits the total amount you must pay during the Accumulation Period for certain covered Services. Covered Services may or may not apply to the OPM (see "III. Copayments and Coinsurance"). It depends on the plan your Group has purchased.

For covered Services that apply to the OPM, any amounts you pay over eligible Charges will not apply toward the OPM.

A. For covered Services that **APPLY** to the OPM.

   1. The only Copayments or Coinsurance ***that apply*** toward the OPM are those made for covered Services listed as ***applying*** to the OPM (see "III. Copayments and Coinsurance").
   2. Once your OPM is met, you will no longer pay for covered Services ***that apply*** to the OPM for the rest of the Accumulation Period.

B. For covered Services that do **NOT APPLY** to the OPM.

   1. The only Copayments or Coinsurance that ***do not apply*** toward the OPM are those made for covered Services listed as ***not*** applying to the OPM (see "III. Copayments and Coinsurance").
   2. Once your OPM is met, you will continue to pay for covered Services that ***do not apply*** to the OPM for the rest of the Accumulation Period.

Tracking Pharmacy Deductible and Out-of-Pocket Amounts

Once you have received Services and we have processed the claim for Services rendered, we will provide an Explanation of Benefits (EOB). The EOB will list the Services you received, the cost of those Services, and the payments made for the Services. It will also include information regarding what portion of the payments were applied to your pharmacy Deductible and/or OPM amounts.

For more information about your Deductible or OPM amounts, please call **Member Services** or go to **kp.org**.

III. COPAYMENTS AND COINSURANCE

Note: Day, visit, and dollar limits, Deductibles, and Out-of-Pocket Maximums are based on a calendar year Accumulation Period.

Out-of-Pocket Maximum	
EMBEDDED OPM	$2,000/Individual per Accumulation Period $4,500/Family per Accumulation Period
An Embedded OPM means: • Each individual family Member has his or her own OPM. • If a family Member reaches his or her individual OPM before the family OPM is met, he or she will no longer pay Copayments or Coinsurance for those covered Services that apply to the OPM for the rest of the Accumulation Period. • After the family OPM is met, all covered family Members will no longer pay Copayments or Coinsurance for those covered Services that apply to the OPM for the rest of the Accumulation Period. This is true even for family Members who have not met their individual OPM.	

Office Services	You Pay
Note: Additional charges may apply for Services described elsewhere in this Schedule of Benefits.	
Primary care visits *(Applies to Out-of-Pocket Maximum)*	$15 Copayment each visit

Outpatient prescription drugs prescribed by a non-Plan Provider and filled at a Plan Pharmacy *(Does not apply to Out-of-Pocket Maximum)*	Not Covered

IV. DEPENDENT LIMITING AGE

The Dependent limiting age as described under Dependents in the "Eligibility" section of the EOC is the end of the month in which age 26 is reached. A Dependent child will continue to be eligible until the Dependent child reaches this age, if he or she continues to meet all other eligibility requirements. For additional information regarding eligible Dependents, including certain Dependents over the limiting age, please refer to the "Eligibility" section in the EOC.

Additional Provisions

Please see "Additional Provisions" for any supplemental information that applies to your coverage.

TABLE OF CONTENTS

I. ELIGIBILITY

A. Who Is Eligible

1. General
   To be eligible to enroll and to remain enrolled in this health benefit plan, you must meet the following requirements:

   a. You must meet your Group's eligibility requirements that we have approved. Your Group is required to inform Subscribers of the Group's eligibility requirements; and
   b. You must also meet the Subscriber or Dependent eligibility requirements as described below; and
   c. The Subscriber must live or reside in our Service Area. Our Service Area is described in the "Definitions" section.

2. Subscribers
   You may be eligible to enroll as a Subscriber if you are entitled to Subscriber coverage under your Group's eligibility requirements. An example would be an employee of your Group who works at least the number of hours stated in those requirements.

3. Dependents
   If you are a Subscriber, the following persons may be eligible to enroll as your Dependents under this plan:

   a. Your Spouse. (Spouse includes a partner in a valid civil union under state law.)
   b. Your or your Spouse's children (including adopted children and children placed with you for adoption) who are under the dependent limiting age shown in the "Schedule of Benefits (Who Pays What)."
   c. Other dependent persons (but not including foster children) who meet all of the following requirements:
      i. They are under the dependent limiting age shown in the "Schedule of Benefits (Who Pays What)"; and
      ii. You or your Spouse is the court-appointed permanent legal guardian (or was before the person reached age 18).
   d. Your or your Spouse's unmarried children over the dependent limiting age shown in the "Schedule of Benefits (Who Pays What)" who are medically certified as disabled and dependent upon you or your Spouse are eligible to enroll or continue coverage as your Dependents if the following requirements are met:
      i. They are dependent on you or your Spouse; and
      ii. You give us proof of the Dependent's disability and dependency annually if we request it.
   e. Subscriber's designated beneficiary prescribed by Colorado law, if your employer elects to cover designated beneficiaries as dependents.

   Students on Medical Leave of Absence. Dependent children who lose dependent student status at a postsecondary educational institution due to a Medically Necessary leave of absence may remain eligible for coverage until the earlier of: (i) one year after the first day of the Medically Necessary leave of absence; or (ii) the date dependent coverage would otherwise terminate under this EOC. We must receive written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury, and that the leave of absence or other change of enrollment is Medically Necessary.

   If your plan has different eligibility requirements, please see "Additional Provisions."

B. Enrollment and Effective Date of Coverage

Eligible people may enroll as follows, and membership begins at 12:00 a.m. on the membership effective date:

1. New Employees and their Dependents
   If you are a new employee, you may enroll yourself and any eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within 31 days after you become eligible. You should check with your Group to see when new employees become eligible. Your membership will become effective on the date specified by your Group.

2. Members Who are Inpatient on Effective Date of Coverage
   If you are an inpatient in a hospital or institution when your coverage with us becomes effective and you had other coverage when you were admitted, state law will determine whether we or your prior carrier will be responsible for payment for your care until your date of discharge.

3. Special Enrollment Due to Newly Acquired Dependents
   You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group within 31 days after a Dependent becomes newly eligible.

   The membership effective date for the Dependents (and, if applicable, the new Subscriber) will be:

   a. For newborn children, the moment of birth. Your newborn child is covered for the first 31 days following birth. This coverage is required by state law, whether or not you intend to add the newborn to this plan.
      For existing Subscribers:

i. If the addition of the newborn child to the Subscriber's coverage will change the amount the Subscriber is required to pay for that coverage, then the Subscriber, in order for the newborn to keep coverage beyond the first 31-day period of coverage, is required to: (A) pay the new amount due for coverage after the first 31-day period of coverage; and (B) notify Health Plan within 31 days of the newborn's birth.

ii. If the addition of the newborn child to the Subscriber's coverage will not change the amount the Subscriber pays for coverage, the Subscriber must still notify Health Plan after the birth of the newborn to get the newborn enrolled onto the Subscriber's Health Plan coverage.

b. For newly adopted children (including children newly placed for adoption), the date of the adoption or placement for adoption. An eligible adopted child must be enrolled within 31 days from the date the child is placed in your custody or the date of the final decree of adoption.
For existing Subscribers:

i. If the addition of the newly adopted child to the Subscriber's coverage will change the amount the Subscriber is required to pay for that coverage, then the Subscriber, in order for the newly adopted child to continue coverage beyond the initial 31-day period of coverage, is required to: (A) pay the new amount due for coverage after the initial 31-day period of coverage; and (B) notify Health Plan within 31 days of the child's adoption or placement for adoption.

ii. If the addition of the newly adopted child to the Subscriber's coverage will not change the amount the Subscriber pays for coverage, the Subscriber must still notify Health Plan after the adoption or placement for adoption of the child to get the child enrolled onto the Subscriber's Health Plan coverage.

c. For all other Dependents, if enrolled within 31 days of becoming eligible, no later than the first day of the month following the date your Group receives the enrollment application. Your Group will let you know the membership effective date. Employees and Dependents who are not enrolled when newly eligible must wait until the next open enrollment period to become Members of Health Plan, unless: (i) they enroll under special circumstances, as agreed to by your Group and Health Plan; or (ii) they enroll under the provisions described in "Special Enrollment".

4. Special Enrollment
You or your Dependent may experience a triggering event that allows a change in your enrollment. Examples of triggering events are the loss of coverage, a Dependent's aging off this plan, marriage, and birth of a child. The triggering event results in a special enrollment period that usually (but not always) starts on the date of the triggering event and lasts for 30 days. During the special enrollment period, you may enroll your Dependent(s) in this plan or, in certain circumstances, you may change plans (your plan choice may be limited). There are requirements that you must meet to take advantage of a special enrollment period including showing proof of your own or your Dependent's triggering event. To learn more about triggering events, special enrollment periods, how to enroll or change your plan (if permitted), timeframes for submitting information to Health Plan and other requirements, call **Member Services** to obtain a copy of Health Plan's *Special Enrollment Guide*.

5. Open Enrollment
You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group during the open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the membership effective date.

6. Persons Barred from Enrolling
You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for cause.

II. HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered Services from Plan Providers inside your home Service Area, except as described under the following headings:

- "Emergency Services Provided by non-Plan Providers (out-of-Plan Emergency Services)" in "Emergency Services and Urgent Care" in the "Benefits/Coverage (What is Covered)" section.
- "Urgent Care Outside the Service Area" in "Emergency Services and Urgent Care" in the "Benefits/Coverage (What is Covered)" section.
- "Out-of-Area Benefit" in the "Benefits/Coverage (What is Covered)" section.
- "Access to Other Providers" in this section.
- "Cross Market Access" in this section.
- "Visiting Other Kaiser Regional Health Plan Service Areas" in this section.
- "Plus Benefit" if purchased by your Group. See the "Schedule of Benefits (Who Pays What)" to determine if your Group has purchased this coverage.

Your home Service Area is printed on your Health Plan Identification (ID) card. For more information about your ID card, please refer to the "Using Your Health Plan Identification Card" section.

In some circumstances, you might receive emergency or non-emergency Services from a non-Plan Provider or non-Plan Facility. **Non-emergency Services from non-Plan Providers are not covered unless they are authorized by us.** If Services from a non-Plan Provider are authorized, the Deductible, Copayment, and/or Coinsurance for these authorized Services are the same as for covered Services received from a Plan Provider. You have the right and responsibility to request a Plan Provider to provide Services.

Note: ***Denver/Boulder*** Members do not have access to Affiliated Providers within the ***Denver/Boulder*** Service Area unless authorized by Health Plan. ***Southern*** and ***Northern Colorado*** Members do have access to Affiliated Providers within their home Service Area.

A. Your Primary Care Provider

Your primary care provider (PCP) plays an important role in coordinating your health care needs. This includes hospital stays and referrals to specialists. Every member of your family should have his or her own PCP.

1. Choosing Your Primary Care Provider

   You may select a PCP from family medicine, pediatrics, or internal medicine within your home Service Area. You may also receive a second medical opinion from a Plan Physician upon request. Please refer to the "Second Opinions" section.

   a. ***Denver/Boulder*** Service Area

      You may choose your PCP from our provider directory. To review a list of Plan Providers and their biographies, visit our website. Go to kp.org/locations. You can also get a copy of the directory by calling **Member Services**. To choose a PCP, sign in to your account online or call **Personal Physician Selection Services**. This team will help you choose a primary care provider, accepting new patients, based on your health care needs.

   b. ***Southern*** and ***Northern Colorado*** Service Areas

      You must choose a PCP when you enroll. If you do not select a PCP upon enrollment, we will assign you one near your home.

      Medical Group contracts with a panel of Affiliated Physicians, specialists, and other health care professionals to provide medical Services in the ***Southern*** and ***Northern Colorado*** Service Areas. You may choose your PCP from our panel of ***Southern*** and ***Northern Colorado*** providers.

      You can find these physicians, along with a list of affiliated specialists and ancillary providers, in the Kaiser Permanente Provider Directory for your specific home Service Area. You can review a list of ***Southern*** and ***Northern Colorado*** Plan Providers by visiting our website. Go to kp.org/locations. You can also get a copy of the directory by calling **Member Services**. To choose a PCP, call **Personal Physician Selection Services**. This team will help you choose a primary care provider, accepting new patients, based on your health care needs.

      If you are seeking routine or specialty care in ***Denver/Boulder***, you must have a referral from your local PCP with an Authorization from Health Plan. If you do not have an Authorization, you will be billed for the full amount of the office visit Charges. If you are visiting in the ***Denver/Boulder*** Service Area and need urgent or emergency care, you can visit a ***Denver/Boulder*** Plan Facility without a referral. For a referral from a specialist, see the "Access to Other Providers" section. For care in ***Denver/Boulder*** Plan Medical Offices, see "Cross Market Access".

2. Changing Your Primary Care Provider

   a. ***Denver/Boulder*** Service Area

      Please call **Personal Physician Selection Services** to change your PCP. You may also change your PCP online or when visiting a Plan Facility. You may change your PCP at any time.

   b. ***Southern*** and ***Northern Colorado*** Service Areas

      Please call **Personal Physician Selection Services** to change your PCP. Notify us of your new PCP choice by the 15th day of the month. Your selection will be effective on the first day of the following month.

B. Access to Other Providers

1. Referrals and Authorizations

   a. ***Denver/Boulder*** Service Area

      If your Medical Group physician decides that you need covered Services not available from us, he or she will request a referral for you to see a non-Medical Group physician inside or outside our Service Area. This referral request will result in an Authorization or a denial. However, there may be circumstances where Health Plan will partially authorize your provider's referral request.

      An Authorization is a referral request that has received approval from Health Plan. An Authorization is limited to a specific Service, treatment or series of treatments, and period of time. The provider or facility to whom you are referred will receive a notice of the Authorization, and you will receive a written notice of the Authorization. This notice will tell you the provider's information. It will also tell you the Services authorized and the time period that the

Authorization is valid. Copayments or Coinsurance for authorized Services are the same as those required for Services provided by a Medical Group physician.

An Authorization is required for Services provided by non-Plan Providers, non-Medical Group physicians, or non-Plan Facilities. If your provider refers you to a non-Medical Group physician, non-Plan Provider, or non-Plan Facility, inside or outside our Service Area, you must have a written Authorization in order for us to cover the Services.

All referral Services must be requested and authorized in advance. We will not pay for any care rendered by a provider unless the care is specifically authorized by Health Plan and approved in advance. A written or verbal recommendation by a provider that you get non-covered Services (whether Medically Necessary or not) is not considered an Authorization, and is **not** covered.

b. ***Southern*** and ***Northern Colorado*** Service Areas

If your Medical Group physician decides that you need covered Services not available from us, he or she will request a referral for you to see a non-Medical Group physician inside or outside our Service Area. This referral request will result in an Authorization or a denial. However, there may be circumstances where Health Plan will partially authorize your provider's referral request.

An Authorization is a referral request that has received approval from Health Plan. An Authorization is limited to a specific Service, treatment or series of treatments, and period of time. The provider or facility to whom you are referred will receive a notice of the Authorization, and you will receive a written notice of the Authorization. This notice will tell you the provider's information. It will also tell you the Services authorized and the time period that the Authorization is valid. Copayments or Coinsurance for authorized Services are the same as those required for Services provided by a Medical Group physician.

An Authorization is required for Services provided by non-Plan Providers, non-Medical Group physicians, or non-Plan Facilities. If your provider refers you to a non-Medical Group physician, non-Plan Provider, or non-Plan Facility, inside or outside our Service Area, you must have a written Authorization in order for us to cover the Services.

All referral Services must be requested and authorized in advance. We will not pay for any care rendered by a provider unless the care is specifically authorized by Health Plan and approved in advance. A written or verbal recommendation by a provider that you get non-covered Services (whether Medically Necessary or not) is not considered an Authorization, and is **not** covered.

2. Specialty Self-Referrals

a. ***Denver/Boulder*** Service Area

In some cases you can refer yourself for consultation (routine office) visits to specialty-care departments within Kaiser Permanente, with the exception of certain specialty-care departments such as the anesthesia clinical pain department. You do not need a referral or prior Authorization in order to obtain access to eye care services from a Plan Provider. You do not need a referral or prior Authorization in order to obtain access to obstetrical or gynecological care from a Plan Provider who specializes in obstetrics or gynecology.

You will find specialty-care providers in the Kaiser Permanente Provider Directory for your home Service Area. The Provider Directory is available on our website, kp.org/locations. If you need a printed copy of the Provider Directory, please call **Member Services**.

A self-referral provides coverage for routine office visits only. Certain Services other than those provided as part of a routine office visit will not be covered unless authorized by Kaiser Permanente before Services are rendered.

Authorization from Kaiser Permanente is required for: (i) Services in addition to those provided as part of the visit, such as surgery; and (ii) visits to specialty-care Plan Providers not eligible for self-referrals; and (iii) non-Plan Providers. The request for these Services can be generated by either your PCP or by a specialty-care provider. If the request is approved, the provider or facility to whom you are referred will receive a notice of the Authorization, and you will receive a written notice of the Authorization. This notice will tell you the provider's information. It will also tell you the Services authorized and the time period that the Authorization is valid.

A Plan Provider can directly refer you for some laboratory or radiology Services and for specialty procedures such as a CT scan or MRI. However, certain laboratory or radiology Services and specialty procedures will still require an Authorization.

b. ***Southern*** and ***Northern Colorado*** Service Areas

In some cases you can refer yourself for consultation (routine office) visits to specialty-care departments within Kaiser Permanente, with the exception of certain specialty-care departments such as the anesthesia clinical pain department. You do not need a referral or prior Authorization in order to obtain access to eye care services from a Plan Provider. You do not need a referral or prior Authorization in order to obtain access to obstetrical or gynecological care from a Plan Provider who specializes in obstetrics or gynecology.

You will find specialty-care providers in the Kaiser Permanente Provider Directory for your home Service Area. The Provider Directory is available on our website, kp.org/locations. If you need a printed copy of the Provider Directory, please call **Member Services**.

A self-referral provides coverage for routine office visits only. Certain Services other than those provided as part of a routine office visit will not be covered unless authorized by Kaiser Permanente before Services are rendered.

Authorization from Kaiser Permanente is required for: (i) Services in addition to those provided as part of the visit, such as surgery; and (ii) visits to specialty-care Plan Providers not eligible for self-referrals; and (iii) non-Plan Providers. The request for these Services can be generated by either your PCP or by a specialty-care provider. If the request is approved, the provider or facility to whom you are referred will receive a notice of the Authorization, and you will receive a written notice of the Authorization. This notice will tell you the provider's information. It will also tell you the Services authorized and the time period that the Authorization is valid.

A Plan Provider can directly refer you for some laboratory or radiology Services and for specialty procedures such as a CT scan or MRI. However, certain laboratory or radiology Services and specialty procedures will still require an Authorization.

Southern and ***Northern Colorado*** Members may be able to self-refer to Kaiser Permanente Plan Medical Offices in the ***Denver/Boulder*** Service Area (see "Cross Market Access" in this section).

3. Second Opinions
   Upon request and subject to payment of any applicable Copayments or Coinsurance, you may get a second opinion from a Plan Physician about any proposed covered Services.

   If the recommendations of the first and second physician differ regarding the need for surgery (or other major procedure), a third opinion may be covered if authorized by Health Plan. Third medical opinions are not covered unless authorized by Health Plan before Services are rendered.

C. Plan Facilities

Plan Facilities are Plan Medical Offices or Plan Hospitals in our Service Area that we contract with to provide covered Services to our Members.

1. ***Denver/Boulder*** Service Area
   We offer health care at Plan Medical Offices conveniently located throughout the ***Denver/Boulder*** Service Area. At most of our Plan Facilities, you can usually receive all the covered Services you need. This includes specialized care. You are not restricted to a certain Plan Facility. We encourage you to use the Plan Facility in your home Service Area that will be most convenient for you.

   Plan Facilities are listed in our provider directory, which we update regularly. You can get a current copy of the directory by calling **Member Services**. You can also get a list of Plan Facilities on our website. Go to kp.org/locations.

2. ***Southern*** and ***Northern Colorado*** Service Areas
   When you select your PCP, you will receive your Services at that provider's office. You can find ***Southern*** and ***Northern Colorado*** Plan Physicians and their facilities, along with a list of affiliated specialists and ancillary providers, in the Kaiser Permanente Provider Directory for your specific home Service Area. You can get a copy of the directory by calling **Member Services**. You can also get a list from our website. Go to kp.org/locations.

D. Getting the Care You Need

Emergency care is covered 24 hours a day, 7 days a week anywhere in the world. **If you think you have a Life or Limb Threatening Emergency, call 911 or go to the nearest emergency room.** For coverage information about emergency care, including out-of-Plan Emergency Services, and emergency benefits away from home, please refer to "Emergency Services" in the "Benefits/Coverage (What is Covered)" section.

If you need urgent care, you may use one of the designated urgent care Plan Facilities. The Copayment or Coinsurance for urgent care received in Plan Facilities listed in the "Schedule of Benefits (Who Pays What)" will apply. For additional information about urgent care, please refer to "Urgent Care" in the "Benefits/Coverage (What is Covered)" section.

Urgent care received at a non-Plan Facility inside your Service Area is **not covered**. If you receive care for minor medical problems at non-Plan Facilities inside your Service Area, you will be responsible for payment for any treatment received.

There may be instances when you need to receive unauthorized urgent care outside your Service Area. Please see "Urgent Care" in the "Benefits/Coverage (What is Covered)" section for coverage information about urgent care Services outside the Service Area.

E. Visiting Other Kaiser Regional Health Plan Service Areas

You may receive visiting member services from another Kaiser regional health plan as directed by that other plan so long as such services would be covered under this EOC. Kaiser regional health plan service areas may change at any time. Currently they are: the District of Columbia and parts of California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, and

Washington. For more information, please call **Member Services.** Visiting member services shall be subject to the terms and conditions set forth in this EOC including but not limited to those pertaining to prior Authorization, Deductible, Copayment, and/or Coinsurance, as further described in the Visiting Member Brochure available online at kp.org/travel. Certain services are not covered as visiting member services.

For more information about receiving visiting member services in other Kaiser regional health plan service areas, including provider and facility locations, please call our Away from Home Travel Line at 951-268-3900. Information is also available online at kp.org/travel.

F. Moving Outside of our Service Area

If you move to an area not within any Kaiser regional health plan service area, your membership may be terminated. We will provide you with thirty (30) days' notice of termination which will include the reason for termination.

G. Using Your Health Plan Identification Card

Each Member is issued a Health Plan Identification (ID) card with a Health Record Number on it. This is useful when you call for advice, make an appointment, or go to a Plan Provider for care. The Health Record Number is used to identify your medical records and membership information. You should always have the same Health Record Number. Please call **Member Services** if: (1) we ever inadvertently issue you more than one Health Record Number; or (2) you need to replace your Health Plan ID card.

Your Health Plan ID card is for identification only. To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed as a non-Member for any Services we provide. In addition, claims for Emergency or non-emergency care Services from non-Plan Providers will be denied. If you let someone else use your Health Plan ID card, we may keep your card and terminate your membership upon 30 days written notice that will include the reason for termination.

When you receive Services, you will need to show photo identification along with your Health Plan ID card. This allows us to ensure proper identification and to better protect your coverage and medical information from fraud. If you suspect you or your membership is a victim of fraud, please call **Member Services** to report your concern.

H. Cross Market Access

Members may access certain Services at Kaiser Permanente Colorado Plan Medical Offices outside of their home Service Area.

1. ***Denver/Boulder*** Members
   Denver/Boulder Members have access for certain Services at designated Kaiser Permanente Plan Medical Offices in the ***Southern*** and ***Northern Colorado*** Service Areas. ***Denver/Boulder*** Members do not have access to Affiliated Providers in ***Southern*** and ***Northern Colorado*** unless authorized by Health Plan.

2. ***Southern*** and ***Northern Colorado*** Members
   Southern and ***Northern Colorado*** Members have access for certain Services at any Kaiser Permanente Plan Medical Office in the ***Denver/Boulder, Southern,*** and ***Northern Colorado*** Service Areas. ***Southern*** and ***Northern Colorado*** Members do not have access to Affiliated Providers outside their home Service Area unless authorized by Health Plan.

Services available to Members at Kaiser Permanente Plan Medical Offices outside of their home Service Area include: primary care; specialty care; urgent care; pharmacy; laboratory; X-ray; vision; and hearing Services. These Services may not be available at all Kaiser Permanente Plan Medical Offices and are subject to change. For more information on what Services you may access outside your designated home Service Area and at which Kaiser Permanente Plan Medical Offices you may receive Services please call **Member Services**.

III. BENEFITS/COVERAGE (WHAT IS COVERED)

The Services described in this "Benefits/Coverage (What is Covered)" section are covered only if all the following conditions are satisfied:

- The Services are Medically Necessary; and
- The Services are provided, prescribed, recommended, or directed by a Plan Provider. This does not apply where specifically noted to the contrary in the following sections of this EOC: (a) "Emergency Services Provided by non-Plan Providers (out-of-Plan Emergency Services)"; and "Urgent Care Outside the Service Area" in "Emergency Services and Urgent Care"; and (b) "Out-of-Area Benefit"; and (c) "Plus Benefit" if purchased by your Group (see the "Schedule of Benefits (Who Pays What)" to determine if your Group has purchased this coverage); and
- You receive the Services from Plan Providers inside our Service Area. This does not apply where noted to the contrary in the following sections of this EOC: (a) "Referrals and Authorizations" and "Specialty Self-Referrals"; and (b) "Emergency Services Provided by non-Plan Providers (out-of-Plan Emergency Services)" and "Urgent Care Outside the Service Area" in "Emergency Services and Urgent Care"; and (c) "Out-of-Area Benefit"; and (d) "Visiting Other Kaiser Regional Health Plan Service Areas"; and (e) "Plus Benefit" if purchased by your Group (see the "Schedule of Benefits (Who Pays What)" to determine if your Group has purchased this coverage); and

- Your provider has received prior Authorization for your Services, as appropriate; and
- You have met any Deductible requirements described in the "Schedule of Benefits (What is Covered)."

Exclusions and limitations that apply only to a certain benefit are described in this "Benefits/Coverage (What is Covered)" section. Exclusions, limitations, and reductions that apply to all benefits are described in the "Limitations/Exclusions (What is Not Covered)" section.

Note: Copayments or Coinsurance may apply to the benefits and are described below. For a complete list of Copayment and Coinsurance requirements, see the "Schedule of Benefits (Who Pays What)." You are responsible for any applicable Copayment or Coinsurance for Services performed as part of or in conjunction with other outpatient Services, including but not limited to: office visits, Emergency Services, urgent care, and outpatient surgery.

A. Office Services

Office Services for Preventive Care, Diagnosis, and Treatment

We cover, under this "Benefits/Coverage (What is Covered)" section and subject to any specific limitations, exclusions, or exceptions as noted throughout this EOC, the following office services for preventive care, diagnosis, and treatment, including professional medical Services of physicians and other health care professionals in the physician's office, during medical office consultations, in a Skilled Nursing Facility, or at home:

1. Primary care visits: Services from family medicine, internal medicine, and pediatrics.
2. Specialty care visits: Services from providers that are not primary care, as defined above.
3. Routine prenatal and postpartum visits: The routine prenatal benefit covers office exams, routine chemical urinalysis and fetal stress tests performed during the office visit. See the applicable section of your "Schedule of Benefits (Who Pays What)" for the Copayment and/or Coinsurance for all other Services received during a prenatal visit.
4. Consultations with clinical pharmacists (***Denver/Boulder*** Members only).
5. Other covered Services received during an office visit or a scheduled procedure visit.
6. Outpatient hospital clinic visits with an Authorization from Health Plan.
7. Blood, blood products, and their administration.
8. Second opinion.
9. House calls when care can best be provided in your home as determined by a Plan Physician.
10. Medical social Services.
11. Preventive care Services (see "Preventive Care Services" in this "Benefits/Coverage (What is Covered)" section for more details).
12. Professional review and interpretation of patient data from a remote monitoring device.
13. Virtual care Services.
14. Office-administered drugs.

    Note: If the following are administered in a Plan Medical Office or during home visits, and administration or observation by medical personnel is required, they are covered at the applicable office-administered drug Copayment or Coinsurance shown on the "Schedule of Benefits (Who Pays What)." This Copayment or Coinsurance may be in addition to your Office Services Copayment or Coinsurance.

    Drugs and injectables; radioactive materials used for therapeutic purposes; vaccines and immunizations approved for use by the U.S. Food and Drug Administration (FDA); and allergy test and treatment materials.

Note: To determine if your Group has the bariatric surgery benefit, see the "Schedule of Benefits (Who Pays What)." If your Group has the bariatric surgery benefit, you must meet Medical Group's criteria to be eligible for coverage.

B. Outpatient Hospital and Surgical Services

Outpatient Services at Designated Facilities

We cover, only as described under this "Benefits/Coverage (What is Covered)" section and subject to any specific limitations, exclusions, or exceptions as noted throughout this EOC, the following outpatient Services for diagnosis and treatment, including professional medical Services of physicians:

1. Outpatient surgery at designated Plan Facilities, including an ambulatory surgical center, surgical suite, or outpatient hospital facility. Kaiser Permanente applies Medicare global surgery guidelines in accordance with the Centers for Medicare and Medicaid Services (CMS).

2. Outpatient hospital Services at designated facilities, including but not limited to: electroencephalogram, sleep study, stress test, pulmonary function test, any treatment room, or any observation room. You may be charged an additional Copayment or Coinsurance for any Service which is listed as a separate benefit under this "Benefits/Coverage (What is Covered)" section.

Note: To determine if your Group has the bariatric surgery benefit, see the "Schedule of Benefits (Who Pays What)." If your Group has the bariatric surgery benefit, you must meet Medical Group's criteria to be eligible for coverage.

C. Hospital Inpatient Care

1. Inpatient Services in a Plan Hospital

   We cover, only as described under this "Benefits/Coverage (What is Covered)" section and subject to any specific limitations, exclusions or exceptions as noted throughout this EOC, the following inpatient Services in a Plan Hospital, when the Services are generally and customarily provided by acute care general hospitals in our Service Areas:

   a. Room and board, such as semiprivate accommodations or, when it is Medically Necessary, private accommodations or private duty nursing care.
   b. Intensive care and related hospital Services.
   c. Professional Services of physicians and other health care professionals during a hospital stay.
   d. General nursing care.
   e. Obstetrical care and delivery. This includes Cesarean section. If the covered stay for child birth ends after 8 p.m., coverage will be continued until 8 a.m. the following morning. **Note:** If you are discharged within 48 hours after delivery (or 96 hours if delivery is by Cesarean section), your Plan Physician may order a follow-up visit for you and your newborn to take place within 48 hours after discharge. If your newborn remains in the hospital following your discharge, Charges incurred by the newborn are subject to all Health Plan provisions. This includes the newborn's own Deductible, Out-of-Pocket Maximum, Copayment, and/or Coinsurance requirements. This applies even if the newborn is covered only for the first 31 days that is required by state law.
   f. Meals and special diets.
   g. Other hospital Services and supplies, such as:
      i. Operating, recovery, maternity, and other treatment rooms.
      ii. Prescribed drugs and medicines.
      iii. Diagnostic laboratory tests and X-rays.
      iv. Blood, blood products and their administration.
      v. Dressings, splints, casts, and sterile tray Services.
      vi. Anesthetics, including nurse anesthetist Services.
      vii. Medical supplies, appliances, medical equipment, including oxygen, and any covered items billed by a hospital for use at home.

   Note: To determine if your Group has the bariatric surgery benefit, see the "Schedule of Benefits (Who Pays What)." If your group has the bariatric surgery benefit, you must meet Medical Group's criteria to be eligible for coverage.

2. Hospital Inpatient Care Exclusions
   a. Dental Services are excluded, except that we cover hospitalization and general anesthesia for dental Services provided to Members as required by state law.
   b. Cosmetic surgery related to bariatric surgery.

D. Ambulance Services and Other Transportation

1. Coverage

   We cover ambulance Services only if your condition requires the use of medical Services that only a licensed ambulance can provide. Kaiser Permanente applies Medicare guidelines for ambulance Services in accordance with the Centers for Medicare and Medicaid Services (CMS).

2. Ambulance Services Exclusions
   a. Non-emergency routine ambulance services to home or other non-acute health care setting are not covered.
   b. Transportation by other than a licensed ambulance is not covered. Transportation by car, taxi, bus, gurney van, minivan, or any other type of transportation is not covered, even if it is the only way to travel to a Plan Provider.

   Note: Health Plan will cover certain non-emergent, non-ambulance transportation when there is prior Authorization by Health Plan.

E. Clinical Trials

Note: We cover the initial evaluation for eligibility and acceptance into a clinical trial only if authorized by Health Plan.

1. Coverage **(applies to non-grandfathered health plans only)**

   We cover Services you receive in connection with a clinical trial if all of the following conditions are met:

   a. We would have covered the Services if they were not related to a clinical trial.
   b. You are eligible to participate in the clinical trial according to the trial protocol with respect to treatment of cancer or other life-threatening condition (a condition from which the likelihood of death is probable unless the course of the condition is interrupted), as determined in one of the following ways:
      i. A Plan Provider makes this determination.
      ii. You provide us with medical and scientific information establishing this determination.
   c. If any Plan Providers participate in the clinical trial and will accept you as a participant in the clinical trial, you must participate in the clinical trial through a Plan Provider unless the clinical trial is outside the state where you live.

d. The clinical trial is a phase I, phase II, phase III, or phase IV clinical trial related to the prevention, detection, or treatment of cancer or other life-threatening condition and it meets one of the following requirements:
   i. The study or investigation is conducted under an investigational new drug application reviewed by the U.S. Food and Drug Administration.
   ii. The study or investigation is a drug trial that is exempt from having an investigational new drug application.
   iii. The study or investigation is approved or funded by at least one of the following:
      (a) The National Institutes of Health.
      (b) The Centers for Disease Control and Prevention.
      (c) The Agency for Health Care Research and Quality.
      (d) The Centers for Medicare & Medicaid Services.
      (e) A cooperative group or center of any of the above entities or of the Department of Defense or the Department of Veterans Affairs.
      (f) A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants.
      (g) The Department of Veterans Affairs or the Department of Defense or the Department of Energy, but only if the study or investigation has been reviewed and approved though a system of peer review that the U.S. Secretary of Health and Human Services determines meets all of the following requirements:
         (i) It is comparable to the National Institutes of Health system of peer review of studies and investigations.
         (ii) It assures unbiased review of the highest scientific standards by qualified people who have no interest in the outcome of the review.

For covered Services related to a clinical trial, you will pay the applicable Copayment, Coinsurance, and/or Deductible shown on the "Schedule of Benefits (Who Pays What)" that you would pay if the Services were not related to a clinical trial. For example, see "Hospital Inpatient Care" in the "Schedule of Benefits (Who Pays What)" for the Copayment, Coinsurance, and/or Deductible that apply to hospital inpatient care.

2. Clinical Trials Exclusions
   a. The investigational Service.
   b. Services provided solely for data collection and analysis and that are not used in your direct clinical management.

F. Dialysis Care

We cover dialysis Services related to acute renal failure and end-stage renal disease if the following criteria are met:

1. The Services are provided inside our Service Area; and
2. You meet all medical criteria developed by Medical Group and by the facility providing the dialysis; and
3. The facility is certified by Medicare and contracts with Health Plan; and
4. A Plan Physician provides a written referral for care at the facility.

After the referral to a dialysis facility, we cover at no Charge: equipment; training; and medical supplies required for home dialysis.

G. Durable Medical Equipment (DME) and Prosthetics and Orthotics

We cover DME and prosthetics and orthotics, when prescribed by a Plan Physician as described below; when prescribed by a Plan Physician during a covered stay in a Skilled Nursing Facility, but only if Skilled Nursing Facilities ordinarily furnish the DME or prosthetics and orthotics.

Health Plan uses Local Coverage Determinations (LCD) and National Coverage Determinations (NCD) (hereinafter referred to as Medicare Guidelines) for our DME, prosthetic, and orthotic formulary guidelines. These are guidelines only. Health Plan reserves the right to exclude items listed in the Medicare Guidelines. Please note that this EOC may contain some, but not all, of these exclusions.

Limitations: Coverage is limited to the standard item of DME, prosthetic device, or orthotic device that adequately meets your medical needs.

1. Durable Medical Equipment (DME)
   a. Coverage
      DME, with the exception of the following, is **not** covered unless your Group has purchased additional coverage for DME, including prosthetic and orthotic devices. See "Additional Provisions."
      i. Oxygen dispensing equipment and oxygen used in your home are covered. Oxygen refills are covered while you are temporarily outside the Service Area. To qualify for coverage, you must have a pre-existing oxygen order and must obtain your oxygen from the vendor designated by Health Plan.
      ii. Insulin pumps and insulin pump supplies are provided when clinical guidelines are met and when obtained from sources designated by Health Plan.
      iii. Infant apnea monitors are provided.

iv. Enteral nutrition, medical foods, and related feeding equipment and supplies are provided when clinical guidelines are met and when obtained from sources designated by Health Plan.

b. Durable Medical Equipment Exclusions
   i. All other DME not described above, unless your Group has purchased additional coverage for DME. See "Additional Provisions."
   ii. Replacement of lost or stolen equipment.
   iii. Repair, adjustments, or replacements necessitated by misuse.
   iv. Spare equipment or alternate use equipment.
   v. More than one piece of DME serving essentially the same function, except for replacements.

2. Prosthetic Devices
   a. Coverage
   We cover the following prosthetic devices, including repairs, adjustments, and replacements other than those necessitated by misuse, theft, or loss, when prescribed by a Plan Physician and obtained from sources designated by Health Plan:
      i. Internally implanted devices for functional purposes, such as pacemakers and hip joints.
      ii. Prosthetic devices for Members who have had a mastectomy. Medical Group or Health Plan will designate the source from which external prostheses can be obtained. Replacement will be made when a prosthesis is no longer functional. Custom-made prostheses will be provided when necessary.
      iii. Prosthetic devices, such as obturators and speech and feeding appliances, required for treatment of cleft lip and cleft palate when prescribed by a Plan Physician and obtained from sources designated by Health Plan.
      iv. Prosthetic devices intended to replace, in whole or in part, an arm or leg when prescribed by a Plan Physician, as Medically Necessary and provided in accordance with this EOC, including repairs and replacements of such prosthetic devices.

   Your Group may have purchased additional coverage for prosthetic devices. See "Additional Provisions."

   b. Prosthetic Devices Exclusions
      i. All other prosthetic devices not described above, unless your Group has purchased additional coverage for prosthetic devices. See "Additional Provisions." Your Plan Physician can provide the Services necessary to determine your need for prosthetic devices and help you make arrangements to obtain such devices at a reasonable rate.
      ii. Internally implanted devices, equipment, and prosthetics related to treatment of sexual dysfunction, unless your Group has purchased additional coverage for this benefit.

3. Orthotic Devices
   Orthotic devices are **not** covered unless your Group has purchased additional coverage for DME, including prosthetic and orthotic devices. See "Additional Provisions."

H. Early Childhood Intervention Services

1. Coverage
   Covered children, from birth up to age three (3), who have significant delays in development or have a diagnosed physical or mental condition that has a high probability of resulting in significant delays in development as defined by state law, are covered for the number of Early Intervention Services (EIS) visits as required by state law. EIS are not subject to any Copayments or Coinsurance, or to any annual Out-of-Pocket Maximum or Lifetime Maximum.

   Note: You may be billed for any EIS received after the number of visits required by state law is satisfied.

2. Limitations
   The number of visits as required by state law does not apply to:
   a. Rehabilitation or therapeutic Services which are necessary as the result of an acute medical condition or post-surgical rehabilitation;
   b. Services provided to a child who is not an eligible child and whose services are not provided pursuant to an Individualized Family Service Plan (IFSP); and
   c. Assistive technology covered by the durable medical equipment benefit provisions of this EOC.

3. Early Childhood Intervention Services Exclusions
   a. Respite care;
   b. Non-emergency medical transportation;
   c. Service coordination other than case management services; or
   d. Assistive technology, not to include durable medical equipment that is otherwise covered under this EOC.

I. Emergency Services and Urgent Care

1. Emergency Services

Emergency Services are available at all times - 24 HOURS A DAY, 7 DAYS A WEEK. If you have an Emergency Medical Condition or mental health emergency, call 911 or go to the nearest hospital emergency department. You do not need prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers and non-Plan Providers anywhere in the world, as long as the Services would have been covered under your plan if you had received them from Plan Providers. For information about emergency benefits away from home, please call **Member Services**.

You will pay your plan's Deductible, Copayment, and/or Coinsurance for covered Emergency Services, regardless of whether the Services are provided by a Plan Provider or a non-Plan Provider.

Please note that in addition to any Copayment or Coinsurance that applies under this section, you may incur additional Copayment or Coinsurance amounts for Services and procedures covered under other sections of this EOC.

a. Emergency Services Provided by non-Plan Providers (out-of-Plan Emergency Services)

"Out-of-Plan Emergency Services" are Emergency Services that are not provided by a Plan Physician. There may be times when you or a family member may receive Emergency Services from non-Plan Providers. The patient's medical condition may be so critical that you cannot call or come to one of our Plan Medical Offices or the emergency room of a Plan Hospital, or the patient may need Emergency Services while traveling outside our Service Area.

Please refer to "ii. Emergency Services Limitation for non-Plan Providers" if you are hospitalized for Emergency Services.

i. We cover out-of-Plan Emergency Services as follows:

A. Outside our Service Area. If you are injured or become unexpectedly ill while you are outside our Service Area, we will cover out-of-Plan Emergency Services that could not reasonably be delayed until you could get to a Plan Hospital, a hospital where we have contracted for Emergency Services, or a Plan Facility, only if a prudent layperson having average knowledge of health services and medicine and acting reasonably would have believed that an Emergency Medical Condition or Life or Limb Threatening Emergency existed. Covered benefits include Medically Necessary out-of-Plan Emergency Services for conditions that arise unexpectedly, including but not limited to myocardial infarction, appendicitis, or premature delivery.

B. Inside our Service Area. If you are inside our Service Area, we will cover out-of-Plan Emergency Services only if a prudent layperson would have reasonably believed that the delay in going to a Plan Hospital, a hospital where we have contracted for Emergency Services, or a Plan Facility for treatment would result in death or serious impairment of health.

ii. Emergency Services Limitation for non-Plan Providers

If you are admitted to a non-Plan Hospital, non-Plan Facility, or a hospital where we have contracted for Emergency Services, you or someone on your behalf must notify us within 24 hours, or as soon as reasonably possible. Please call the **Telephonic Medicine Center** at **303-743-5763**.

We will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a Plan Facility we designate once you are Stabilized. If you are admitted to a non-Plan Hospital, non-Plan Facility, or a hospital where we have contracted for Emergency Services, we may transfer you to a Plan Hospital or Plan Facility. By notifying us of your hospitalization as soon as possible, you will protect yourself from potential liability for payment for Services you receive after transfer to one of our Plan Facilities would have been possible.

b. Emergency Services Limitations

Continuing or follow-up treatment: We cover only the Emergency Services that are required before you could have been moved to a Plan Facility we designate either inside or outside our Service Area. If you are admitted to a Plan Facility, we may transfer you to another Plan Facility. When approved by Health Plan, we will cover ambulance Services or other transportation Medically Necessary to move you to a designated Plan Facility for continuing or follow-up treatment.

c. Payment

Our payment is reduced by:

i. any applicable Copayment and/or Coinsurance for Emergency Services and X-ray special procedures performed in the emergency room. The emergency room and X-ray special procedures Copayments, if applicable, are waived if you are admitted directly to the hospital as an inpatient; and
ii. the Copayment or Coinsurance for ambulance Services, if any; and
iii. coordination of benefits; and
iv. all amounts paid or payable, or which in the absence of this EOC would be payable, for the Services in question, under any insurance policy or contract, or any other contract, or any government program except Medicaid; and
v. amounts you or your legal representative recover from motor vehicle insurance or because of third party liability.

Note: If you receive out-of-Plan Emergency Services, our payment is also reduced by any other payments you would have had to make if you received the same Services from our Plan Providers. The procedure for receiving reimbursement for out-of-Plan Emergency Services is described in the "Appeals and Complaints" section regarding "Post-Service Claims and Appeals."

Note: As part of an emergent care episode, Medically Necessary DME and prosthetics and orthotics following Stabilization will be covered if authorized by Health Plan.

2. Urgent Care
   a. Urgent Care Provided by Plan Providers
      i. ***Denver/Boulder*** Service Area

      Urgent care Services are Services that are not Emergency Services, are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen illness, injury, or condition.

      Urgent care that cannot wait for a scheduled visit with your PCP or specialist can be received at one of our designated urgent care Plan Facilities. In some circumstances, you may be able to receive care in your home. For Copayment and Coinsurance information, see "Urgent Care" in the "Schedule of Benefits (Who Pays What)". For information regarding the designated urgent care Plan Facilities, please call **Member Services** during normal business hours. You can also go to our website, kp.org, for information on designated urgent care facilities.

      You may call **Advice Nurses** at any time, and one of our advice nurses can speak with you. Our advice nurses are registered nurses (RNs) specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. They can often answer questions about a minor concern or advise you about what to do next, including making an appointment for you if appropriate.

      ii. ***Southern*** and ***Northern Colorado*** Service Areas

      Urgent care Services are Services that are not Emergency Services, are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen illness, injury, or condition.

      Urgent care that cannot wait for a scheduled visit with your PCP or specialist can be received at one of our designated urgent care Plan Facilities. In some circumstances, you may be able to receive care in your home. For Copayment and Coinsurance information, see "Urgent Care" in the "Schedule of Benefits (Who Pays What)". For information regarding the designated urgent care Plan Facilities, please call **Member Services** during normal business hours. You can also go to our website, kp.org, for information on designated urgent care facilities.

      You may call **Advice Nurses** at any time, and one of our advice nurses can speak with you. Our advice nurses are registered nurses (RNs) specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. They can often answer questions about a minor concern or advise you about what to do next, including making an appointment for you if appropriate.

   b. Urgent Care Outside the Service Area

   There may be situations when it is necessary for you to receive unauthorized urgent care outside your Service Area. Urgent care received from non-Plan Providers outside your Service Area is covered only if all of the following requirements are met:
      i. The care is required to prevent serious deterioration of your health; and
      ii. The need for care results from an unforeseen illness or injury when you are temporarily away from our Service Area; and
      iii. The care cannot be delayed until you return to our Service Area.

   Note: If you receive urgent care outside the Service Area, you may be responsible for any amounts over eligible Charges, in addition to any Deductible, Copayment, or Coinsurance. The procedure for receiving reimbursement for urgent care Services outside the Service Area is described in the "Appeals and Complaints" section regarding "Post-Service Claims and Appeals".

   Note: As part of an urgent care episode, Medically Necessary DME and prosthetics and orthotics following Stabilization will be covered if authorized by Health Plan.

J. Family Planning and Sterilization Services

1. Coverage
   a. Family planning counseling. This includes counseling and information on birth control.
   b. Tubal ligations.
   c. Vasectomies.

Note: The following are covered, but not under this section: diagnostic procedures, see "X-ray, Laboratory, and X-ray Special Procedures"; contraceptive drugs and devices, see the "Prescription Drugs, Supplies, and Supplements" section.

2. Family Planning and Sterilization Services Exclusions
   a. Any and all Services to reverse voluntary, surgically induced sterilization.
   b. Acupuncture for the treatment of infertility.
   c. Donor semen or eggs.
   d. Any and all Services, supplies, office administered drugs and prescription drugs related to the procurement and/or storage of semen and/or eggs.
   e. Any and all Services, supplies, office administered drugs and prescription drugs received from the pharmacy that are related to intrauterine insemination or conception by artificial means. This includes, but is not limited to: in vitro fertilization, ovum transplants, gamete intra fallopian transfer, and zygote intra fallopian transfer.

Note: See "Additional Provisions" for additional coverage or exclusions, if applicable to your Group.

K. Health Education Services

We provide health education appointments to support understanding of chronic diseases such as diabetes and hypertension. We also teach self-care on topics such as stress management and nutrition.

L. Hearing Services

1. Members up to Age 18

   We cover hearing exams and tests to determine the need for hearing correction. For minor children with a verified hearing loss, coverage shall also include:
   a. Initial hearing aids and replacement hearing aids not more frequently than every five (5) years;
   b. A new hearing aid when alterations to the existing hearing aid cannot adequately meet the needs of the child; and
   c. Services and supplies including, but not limited to, the initial assessment, fitting, adjustments, and auditory training that is provided according to accepted professional standards.

2. Members Age 18 Years and Older
   a. Coverage

      We cover hearing exams and tests to determine the need for hearing correction. Your Group may have purchased additional coverage for hearing aids. See "Additional Provisions."

   b. Hearing Services Exclusions
      i. Tests to determine an appropriate hearing aid model, unless your Group has purchased that coverage.
      ii. Hearing aids and tests to determine their usefulness, unless your Group has purchased that coverage.

M. Home Health Care

1. Coverage

   We cover skilled nursing care, home health aide Services, home infusion therapy, physical therapy, occupational therapy, speech therapy, and medical social Services:
   a. only on a Part-Time Care or Intermittent Care basis; and
   b. only within our Service Area; and
   c. only to an eligible Member when ordered by a Plan Physician and either self-administered or administered by a Plan Provider. Care must be provided under a home health care plan established by the Plan Physician and the approved Plan Provider; and
   d. only if a Plan Physician determines that it is feasible to maintain effective supervision and control of your care in your home.

   Part-Time Care or Intermittent Care means part-time or intermittent skilled nursing and home health aide Services.

   Note: Services that are performed in the home, but that do not meet the Home Health Care requirements above, will be covered at the applicable Copayment or Coinsurance and limits for the Service performed (e.g. urgent care, physical, occupational, and/or speech therapy). See the "Schedule of Benefits (Who Pays What)".

   Note: X-ray, laboratory, and X-ray special procedures are not covered under this section. See "X-ray, Laboratory, and X-ray Special Procedures".

2. Home Health Care Exclusions
   a. Custodial care.
   b. Homemaker Services.
   c. Care that Medical Group determines may be appropriately provided in a Plan Facility or Skilled Nursing Facility, if we offer to provide that care in one of these facilities.

N. Hospice Special Services and Hospice Care

1. Hospice Special Services

   If you have been diagnosed with a life limiting illness with a life expectancy of 24 months or less, but are not yet ready to elect hospice care, you are eligible for the Special Services Program ("Program"). Coverage of hospice care is described below.

Hospice Special Services give you and your family time to become more familiar with hospice-type Services and to decide what is best for you. It helps you bridge the gap between your diagnosis and preparing for the end of life.

The difference between Hospice Special Services and regular Home Health Care visiting nurse visits is that: you may or may not be homebound or have skilled nursing care needs; or you may only require spiritual or emotional care. Services available through this program are provided by professionals with specific training in end-of-life issues.

2. Hospice Care

We cover hospice care for terminally ill Members inside our Service Area. If a Plan Physician diagnoses you with a terminal illness and determines that your life expectancy is six (6) months or less, you can choose hospice care instead of traditional Services otherwise provided for your illness.

If you elect to receive hospice care, you will not receive **additional** benefits for the terminal illness. However, you can continue to receive Health Plan benefits for conditions other than the terminal illness.

We cover the following Services and other benefits when: (1) prescribed by a Plan Physician and the hospice care team; and (2) received from a licensed hospice approved, in writing, by Kaiser Permanente:

a. Physician care.

b. Nursing care.

c. Physical, occupational, speech, and respiratory therapy.

d. Medical social Services.

e. Home health aide and homemaker Services.

f. Medical supplies, drugs, biologicals, and appliances.

g. Palliative drugs in accordance with our drug formulary guidelines.

h. Short-term inpatient care including respite care, care for pain control, and acute and chronic pain management.

i. Counseling and bereavement Services.

j. Services of volunteers.

O. Mental Health Services

1. Coverage

We cover mental health Services as shown below. Coverage includes evaluation and Services for conditions which, in the judgment of a Plan Physician, would respond to therapeutic management. Mental health includes but is not limited to biologically based illnesses or disorders.

a. Outpatient Therapy

We cover: diagnostic evaluation; individual therapy; intensive outpatient therapy; psychiatric treatment; crisis intervention and stabilization for acute episodes; and psychiatrically oriented child and teenage guidance counseling.

Visits for the purpose of monitoring drug therapy are covered.

Psychological testing as part of diagnostic evaluation is covered.

b. Inpatient Services

We cover psychiatric hospitalization in a facility designated by Medical Group or Health Plan. Hospital Services for psychiatric conditions include all Services of Plan Physicians and mental health professionals and the following Services and supplies as prescribed by a Plan Physician while you are a registered bed patient: room and board; psychiatric nursing care; group therapy; electroconvulsive therapy; occupational therapy; drug therapy; and medical supplies.

c. Partial Hospitalization

We cover partial hospitalization in a Plan Hospital-based program.

We cover mental health Services, whether they are voluntary or are court-ordered as a result of contact with the criminal justice or juvenile justice system, when they are Medically Necessary and otherwise covered under the plan, and when rendered by a Plan Provider. We do not cover court-ordered treatment that exceeds the scope of coverage of this health benefit plan.

2. Mental Health Services Exclusions

a. Evaluations for any purpose other than mental health treatment. This includes evaluations for: child custody; disability; or fitness for duty/return to work, unless Medically Necessary.
b. Court-ordered testing and testing for ability, aptitude, intelligence, or interest.
c. Services which are custodial or residential in nature.

P. Out-of-Area Benefit

A limited benefit is available to Dependents, up to the age of 26, receiving care outside any Kaiser regional health plan service area.

1. Coverage
   The Out-of-Area Benefit is limited to certain office visits, diagnostic X-rays, physical, occupational, and speech therapy, and prescription drug fills as covered under this EOC:
   a. Office visit exam limited to:
      i. Primary care visit.
      ii. Specialty care visit.
      iii. Preventive care visit.
      iv. Gynecology care visit.
      v. Hearing exam.
      vi. Mental health visit.
      vii. Substance use disorder visit.
      viii. The administration of allergy injections.
      ix. Prevention immunizations pursuant to the schedule established by the Advisory Committee on Immunization Practices (ACIP).
   b. Diagnostic X-rays.
   c. Physical, occupational, and speech therapy visits.
   d. Prescription drug fills.

   See the "Schedule of Benefits (Who Pays What)" for more details.

2. Out-of-Area Benefit Exclusions and Limitations
   The Out-of-Area Benefit does not include the following Services:
   a. Other Services provided during a covered office visit such as, but not limited to: procedures, laboratory tests, and office administered drugs and devices, except for allergy injections and prevention immunizations as listed in the "Coverage" section of this benefit.
   b. Services received outside the United States.
   c. Transplant Services.
   d. Services covered outside the Service Area under another section of this EOC (e.g., Emergency Services and Urgent Care).
   e. Allergy evaluation, routine prenatal and postpartum visits, chiropractic care, acupuncture services, applied behavior analysis (ABA), hearing tests, hearing aids, home health visits, hospice services, and travel immunizations.
   f. X-ray special procedures, including but not limited to CT, PET, MRI, nuclear medicine.
   g. Any and all Services not listed in the "Coverage" section of this benefit.

Q. Physical, Occupational, and Speech Therapy and Multidisciplinary Rehabilitation Services

1. Coverage
   a. Hospital Inpatient Care, Care in a Skilled Nursing Facility, and Home Health Care
      We cover physical, occupational, and speech therapy as part of your Hospital Inpatient Care, Skilled Nursing Facility, and Home Health Care benefit. Therapies that are performed in the home, but that do not meet the Home Health Care requirements, will be covered at the applicable Copayment or Coinsurance and limits for the therapy performed (i.e., physical, occupational, and/or speech). See the "Schedule of Benefits (Who Pays What)".
   b. Outpatient Care
      We cover three (3) types of outpatient therapy (i.e., physical, occupational, and speech therapy) in a Plan Facility or other location approved by Health Plan, to improve or develop skills or functioning due to medical deficits, illness, or injury. See the "Schedule of Benefits (Who Pays What)."
   c. Multidisciplinary Rehabilitation Services
      We will cover treatment in an organized, multidisciplinary rehabilitation Services program in a designated facility or a Skilled Nursing Facility. We also cover multidisciplinary rehabilitation Services without Charge while you are an inpatient in a designated facility. See the "Schedule of Benefits (Who Pays What)."
   d. Pulmonary Rehabilitation
      Treatment in a pulmonary rehabilitation program is provided if prescribed or recommended by a Plan Physician and provided by therapists at designated facilities.
   e. Therapies for Congenital Defects and Birth Abnormalities
      After the first 31 days of life, the limitations and exclusions applicable to this EOC apply, except that Medically Necessary physical, occupational, and speech therapy for the care and treatment of congenital defects and birth

abnormalities for covered children from age three (3) to age six (6) shall be provided. The benefit level shall be the greater of the number of such visits provided under this health benefit plan or 20 therapy visits per Accumulation Period for each physical, occupational, and speech therapy. Such visits shall be distributed as Medically Necessary throughout the Accumulation Period without regard to whether the condition is acute or chronic and without regard to whether the purpose of the therapy is to maintain or improve functional capacity. See the "Schedule of Benefits (Who Pays What)."

Note 1: This benefit is also available for eligible children under the age of three (3) who are not participating in Early Intervention Services.

Note 2: The visit limit for therapy to treat congenital defects and birth abnormalities is not applicable if such therapy is Medically Necessary to treat autism spectrum disorders.

f. Therapies for the Treatment of Autism Spectrum Disorders
For the treatment of Autism Spectrum Disorders when prescribed by a Plan Physician and Medically Necessary, we cover:
   i. Outpatient physical, occupational, and speech therapy in a Plan Medical Office or other location approved by Health Plan. See the "Schedule of Benefits (Who Pays What)."
   ii. Applied behavior analysis, including consultations, direct care, supervision, or treatment, or any combination thereof by autism services providers. See the "Schedule of Benefits (Who Pays What)."

2. Limitations
Occupational therapy is limited to treatment to achieve improved self-care and other customary activities of daily living.

3. Physical, Occupational, and Speech Therapy and Multidisciplinary Rehabilitation Services Exclusions
   a. Long-term rehabilitation, not including treatment for autism spectrum disorders.
   b. Speech therapy that is not Medically Necessary, such as: (i) therapy for educational placement or other educational purposes; or (ii) training or therapy to improve articulation in the absence of injury, illness, or medical condition affecting articulation; or (iii) therapy for tongue thrust in the absence of swallowing problems.

R. Prescription Drugs, Supplies, and Supplements

We use drug formularies. A drug formulary includes the list of prescription drugs that have been approved by our formulary committees for our Members. Our committees are comprised of Plan Physicians, pharmacists, and a nurse practitioner. The committees select prescription drugs for our drug formularies based on a number of factors, including safety and effectiveness as determined from a review of medical literature and research. The committees meet regularly to consider adding and removing prescription drugs on the drug formularies. If you would like information about whether a particular drug is included in our drug formularies, please call **Member Services**.

If your prescription drug has a Copayment shown on the "Schedule of Benefits (Who Pays What)" and it exceeds the Charges for your prescribed medication, then you pay Charges for the medication instead of the Copayment. The drug formulary, discussed above, also applies.

1. Coverage
   a. Limited Drug Coverage Under Your Basic Drug Benefit
   If your Group has not purchased supplemental prescription drug coverage, then prescribed drug coverage under your basic drug benefit is limited. It includes base drugs such as: contraceptives; orally administered anti-cancer medication; and post-surgical immunosuppressive drugs required after a transplant. These base drugs are available only when prescribed by a Plan Physician and obtained at Plan Pharmacies. You may obtain these drugs at the Copayment or Coinsurance shown on the "Schedule of Benefits (Who Pays What)." The amount covered cannot exceed the day supply for each maintenance drug or up to the day supply for each non-maintenance drug. Any amount you receive that exceeds the day supply will not be covered. If you receive more than the day supply, you will be charged as a non-Member for any amount that exceeds that limit. Each prescription refill is provided on the same basis as the original prescription.

   If your Group has purchased supplemental prescription drug coverage, the applicable generic or brand-name Copayment or Coinsurance and any pharmacy Deductible apply for these types of drugs. For more information, please refer to the "Schedule of Benefits (Who Pays What)".

   Note: Kaiser Permanente may, in its sole discretion, establish quantity limits for specific prescription drugs, regardless of whether your Group has limited or supplemental prescription drug coverage.

      i. We cover:
         (a) prescription contraceptives intended to last:
            (i) for a three-month period the first time the prescription contraceptive is dispensed to the covered person; and
            (ii) for a twelve-month period or through the end of the covered person's coverage under the policy, contract, or plan, whichever is shorter, for any subsequent dispensing of the same prescription contraceptive to

the covered person, regardless of whether the covered person was enrolled in the policy, contract, or plan at the time the prescription contraceptive was first dispensed; or

(b) a prescribed vaginal contraceptive ring intended to last for a three-month period.

For Copayment or Coinsurance information related to contraceptive drugs and certain devices, please refer to your "Schedule of Benefits (Who Pays What)."

ii. We cover a five-day supply of an FDA-approved drug for the treatment of opioid dependence without prior authorization, except that the drug supply is limited to a first request within a twelve-month period.

b. Outpatient Prescription Drugs

Unless your Group has purchased additional outpatient prescription drug coverage, we do not cover outpatient drugs except as provided in other provisions of this "Prescription Drugs, Supplies, and Supplements" section. If your Group has purchased additional coverage for outpatient prescription drugs, see "Additional Provisions." The drug formulary, discussed above, also applies.

i. Prescriptions by Mail

If requested, refills of maintenance drugs will be mailed through Kaiser Permanente's mail-order prescription service by First-Class U.S. Mail with no charge for postage and handling. Refills of maintenance drugs prescribed by Plan Physicians or Affiliated Physicians may be obtained for up to the day supply by mail order, at the applicable Copayment or Coinsurance. Maintenance drugs are determined by Health Plan. Certain drugs and supplies may not be available through our mail-order service, for example, drugs that require special handling or refrigeration, have a significant potential for waste or diversion, or are high cost. Drugs and supplies available through our mail-order prescription service are subject to change at any time without notice. For information regarding our mail-order prescription service and specialty drugs not available by mail order, please contact **Member Services**.

ii. Specialty Drugs

Prescribed specialty drugs, including self-administered injectable drugs, are provided at the specialty drug Copayment or Coinsurance up to the maximum amount per drug dispensed shown on the "Schedule of Benefits (Who Pays What)."

c. Food Supplements

We cover prescribed amino acid modified products used in the treatment of congenital errors of amino acid metabolism and severe protein allergic conditions, elemental enteral nutrition, and parenteral nutrition. Such products are covered for self-administered use upon payment of a $3.00 Copayment per product, per day. Food products for enteral feedings are not covered.

d. Prescribed Supplies and Accessories

Prescribed supplies, when obtained at Plan Pharmacies or from sources designated by Health Plan, will be provided. Such items include, but may not be limited to:

i. home glucose monitoring supplies;
ii. disposable syringes for the administration of insulin;
iii. glucose test strips;
iv. acetone test tablets and nitrate screening test strips for pediatric patient home use.

For more information, see the "Schedule of Benefits (Who Pays What)." If your Group has purchased supplemental prescription drug coverage, see "Additional Provisions."

2. Limitations

a. Adult and pediatric immunizations are limited to those that are not experimental, are medically indicated and are consistent with accepted medical practice.

b. Some drugs may require prior authorization.

c. If applicable, we may apply Step Therapy to certain drugs. You or your Plan Provider may request an exception if you previously tried a drug and your use of the drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event.

d. Coverage determinations for the off-label use of medications will be consistent with Medicare compendia, and coverage determinations for the off-label use of oncologic agents will be consistent with the Medicare Improvements for Patients and Providers Act (MIPPA) of 2008.

3. Prescription Drugs, Supplies, and Supplements Exclusions

a. Drugs for which a prescription is not required by law.
b. Disposable supplies for home use such as bandages, gauze, tape, antiseptics, dressing and ace-type bandages.
c. Drugs or injections for treatment of sexual dysfunction, unless your Group has purchased additional coverage, which is described in the "Schedule of Benefits (Who Pays What)."
d. Any packaging except the dispensing pharmacy's standard packaging.

e. Replacement of prescription drugs for any reason. This includes spilled, lost, damaged, or stolen prescriptions.
f. Drugs or injections for the treatment of infertility, unless your Group has purchased additional coverage, which is described in the "Schedule of Benefits (Who Pays What)" and "Additional Provisions".
g. Drugs to shorten the length of the common cold.
h. Drugs to enhance athletic performance.
i. Drugs for the treatment of weight control.
j. Drugs available over the counter and by prescription for the same strength.
k. Individual drugs determined excluded by our Pharmacy and Therapeutics Committee.
l. Unless approved by Health Plan, drugs not approved by the FDA.
m. Non-preferred drugs, except those prescribed and authorized through the non-preferred drug process.
n. Prescription drugs necessary for Services excluded under this EOC.
o. Drugs administered during a medical office visit. See "Office Services".
p. Medical Foods and Medical Devices. See "Durable Medical Equipment (DME) and Prosthetics and Orthotics".

S. Preventive Care Services

If your plan has a different preventive care Services benefit, please see "Additional Provisions."

We cover certain preventive care Services that do one or more of the following:
1. Protect against disease;
2. Promote health; and/or
3. Detect disease in its earliest stages before noticeable symptoms develop.

If you receive any other covered Services during a preventive care visit, you may pay the applicable Copayment and Coinsurance for those Services.

T. Reconstructive Surgery

1. Coverage
   We cover reconstructive surgery when it: (a) will correct significant disfigurement resulting from an injury or Medically Necessary surgery; or (b) will correct a congenital defect, disease, or anomaly to produce major improvement in physical function; or (c) will treat congenital hemangioma and port wine stains. Following Medically Necessary removal of all or part of a breast, we also cover reconstruction of the breast, surgery and reconstruction of the other breast to produce a symmetrical appearance, and treatment of physical complications, including lymphedemas. An Authorization is required for all types of reconstructive surgeries.

2. Reconstructive Surgery Exclusions
   Plastic surgery or other cosmetic Services and supplies primarily to change your appearance. This includes cosmetic surgery related to bariatric surgery.

U. Reproductive Support Services

Reproductive Support Services are not covered unless your Group has purchased additional supplemental coverage.

Note: To determine if your Group has the Reproductive Support Services benefit, see the "Schedule of Benefits (Who Pays What)."

V. Skilled Nursing Facility Care

1. Coverage
   We cover skilled inpatient Services in a licensed Skilled Nursing Facility. Prior Authorization is required for all Skilled Nursing Facility admissions. The skilled inpatient Services must be those usually provided by Skilled Nursing Facilities. A prior three (3)-day stay in an acute care hospital is not required. We cover the following Services:
   a. Room and board.
   b. Nursing care.
   c. Medical social Services.
   d. Medical and biological supplies.
   e. Blood, blood products, and their administration.

   A Skilled Nursing Facility is an institution that: provides skilled nursing or skilled rehabilitation Services, or both; provides Services on a daily basis 24 hours a day; is licensed under applicable state law; and is approved in writing by Medical Group.

   Note: The following are covered, but not under this section: drugs, see "Prescription Drugs, Supplies, and Supplements"; DME and prosthetics and orthotics, see "Durable Medical Equipment and Prosthetics and Orthotics"; X-ray, laboratory, and X-ray special procedures, see "X-ray, Laboratory, and X-ray Special Procedures".

2. Skilled Nursing Facility Care Exclusion
   Custodial Care, as defined in "Exclusions" under the "Limitations/Exclusions (What is Not Covered)" section.

W. Substance Use Disorder Services

1. Inpatient Medical and Hospital Services
   We cover Services for the medical management of withdrawal symptoms. Medical Services for alcohol and drug detoxification are covered the same way as any other medical condition. Detoxification is the process of removing toxic substances from the body.

2. Residential Rehabilitation
   The determination of the need for Services of a residential rehabilitation program and referral to such a facility or program is made by or under the supervision of a Plan Physician.

   We cover inpatient Services and partial hospitalization in a residential rehabilitation program authorized by Health Plan for the treatment of alcoholism, drug abuse, or drug addiction.

3. Outpatient Services
   Outpatient rehabilitative Services for the treatment of alcohol and drug dependency are covered when referred by a Plan Physician.

   We cover substance use disorder Services, whether they are voluntary or are court-ordered as a result of contact with the criminal justice or juvenile justice system, when they are Medically Necessary and otherwise covered under the plan, and when rendered by a Plan Provider. We do not cover court-ordered treatment that exceeds the scope of coverage of this health benefit plan.

   Mental health Services required in connection with treatment for substance use disorder are covered as provided in the "Mental Health Services" section.

4. Substance Use Disorder Services Exclusion
   Counseling for a patient who is not responsive to therapeutic management, as determined by a Plan Physician.

X. Transgender Services

We cover transgender Services when Medically Necessary to treat gender dysphoria or gender identity disorder. Prior Authorization may be required. You must meet all medical criteria developed by Medical Group to be eligible for coverage. Coverage includes, but is not limited to: office Services, hormone therapy, outpatient surgery, and hospital inpatient care. You pay the applicable Copayment, Coinsurance, and/or Deductible shown on the "Schedule of Benefits (Who Pays What)". For example, see "Hospital Inpatient Care" in the "Schedule of Benefits (Who Pays What)" for the Copayment, Coinsurance, and/or Deductible that apply to hospital inpatient care.

Y. Transplant Services

1. Coverage
   Transplants are covered on a limited basis as follows:
   a. Covered transplants are limited to: kidney transplants; heart transplants; heart-lung transplants; liver transplants; liver transplants for children with biliary atresia and other rare congenital abnormalities; small bowel transplants; small bowel and liver transplants; lung transplants; cornea transplants; simultaneous kidney-pancreas transplants; and pancreas alone transplants.

   b. Bone marrow transplants (autologous stem cell or allogenic stem cell) associated with high dose chemotherapy for germ cell tumors and neuroblastoma in children and bone marrow transplants for aplastic anemia, leukemia, severe combined immunodeficiency disease, and Wiskott-Aldrich syndrome.

   c. If all medical criteria developed by Medical Group are met, we cover: stem cell rescue; and transplants of organs, tissue, or bone marrow.

2. Related Prescription Drugs
   Prescribed post-surgical immunosuppressive outpatient drugs required after a transplant are provided at the applicable outpatient prescription drug Copayment or Coinsurance and are subject to any pharmacy Deductible shown in the "Schedule of Benefits (Who Pays What)."

3. Terms and Conditions
   a. Health Plan, Medical Group, and Plan Physicians do not undertake: to provide a donor or donor organ or bone marrow or cornea; or to assure the availability of a donor or donor organ or bone marrow or cornea; or to assure the availability or capacity of referral transplant facilities approved by Medical Group. In accordance with our guidelines for living transplant donors, we provide certain donation-related Services for a donor, or a person Medical Group or a Plan Physician identifies as a potential donor, even if the donor is not a Member. These Services must be directly related to a covered transplant for you. For information specific to your situation, please call your assigned Transplant Coordinator or the **Transplant Administrative Offices**.

   b. Plan Physicians must determine that the Member satisfies Medical Group medical criteria before the Member receives Services.

c. A Plan Physician must provide a written referral for care at a transplant facility. The transplant facility must be from a list of approved facilities selected by Medical Group. The referral may be to a transplant facility outside our Service Area. Transplants are covered only at the facility Medical Group selects for the particular transplant, even if another facility within the Service Area could also perform the transplant.

d. After referral, if a Plan Physician or the medical staff of the referral facility determines the Member does not satisfy its respective criteria for the Service, Health Plan's obligation is only to pay for covered Services provided prior to such determination.

4. Transplant Services Exclusions and Limitations
   a. Bone marrow transplants, associated with high dose chemotherapy for solid tissue tumors, (except bone marrow transplants covered under this EOC) are excluded.
   b. Non-human and artificial organs and their implantation are excluded.
   c. Pancreas alone transplants are limited to patients without renal problems who meet set criteria.
   d. Travel and lodging expenses are excluded, except that in some situations, when Medical Group or a Plan Physician refers you to a non-Plan Provider outside our Service Area for transplant Services, as described in "Access to Other Providers" in the "How to Access Your Services and Obtain Approval of Benefits" section, we may pay certain expenses we preauthorize under our internal travel and lodging guidelines. For information specific to your situation, please call your assigned Transplant Coordinator or the **Transplant Administrative Offices**.

Z. Vision Services

1. Coverage

   We cover routine and non-routine eye exams. Refraction tests to determine the need for vision correction and to provide a prescription for eyeglasses are covered unless specifically excluded in the "Schedule of Benefits (Who Pays What)". We also cover professional exams and the fitting of Medically Necessary contact lenses when a Plan Physician or Plan Optometrist prescribes them for a specific medical condition.

   Professional Services for exams and fitting of contact lenses that are not Medically Necessary are provided at an additional Charge when obtained at Health Plan Medical Offices.

2. Vision Services Exclusions
   a. Eyeglass lenses and frames.
   b. Contact lenses.
   c. Professional exams for fittings and dispensing of contact lenses except when Medically Necessary as described above.
   d. All Services related to eye surgery for the purpose of correcting refractive defects such as myopia, hyperopia, or astigmatism (for example, radial keratotomy, photo-refractive keratectomy, and similar procedures).
   e. Orthoptic (eye training) therapy or low vision therapy.

Your Group may have purchased additional optical coverage. See "Additional Provisions."

AA. X-ray, Laboratory, and X-ray Special Procedures

1. Coverage
   a. Outpatient

      We cover the following Services:

      i. Diagnostic X-ray tests, Services, and materials, including but not limited to isotopes, mammograms, and ultrasounds.

      ii. Laboratory tests, Services, and materials, including but not limited to electrocardiograms.
      Note: We use a laboratory formulary. A laboratory formulary is a list of laboratory tests, Services, and other materials that have been approved by Health Plan for our Members. If you would like information about whether a particular test or Service is included in our laboratory formulary, please call **Member Services**.

      iii. Therapeutic X-ray Services and materials.

      iv. X-ray special procedures such as MRI, CT, PET, and nuclear medicine.
      Note: For X-ray special procedures, you will be billed for each individual procedure performed. As such, if more than one procedure is performed in a single visit, more than one Copayment will apply. A procedure is defined in accordance with the Current Procedural Terminology (CPT) medical billing codes published annually by the American Medical Association. You are responsible for any applicable Copayment or Coinsurance for X-ray special procedures performed as a part of or in conjunction with other outpatient Services, including but not limited to Emergency Services, urgent care, and outpatient surgery.

      Diagnostic procedures include administered drugs. Therapeutic procedures may incur an additional charge for administered drugs.

b. Inpatient
During hospitalization, prescribed diagnostic X-ray and laboratory tests, Services and materials, including diagnostic and therapeutic X-rays and isotopes, electrocardiograms, electroencephalograms, MRI, CT, PET, and nuclear medicine are covered under your hospital inpatient care benefit.

2. X-ray, Laboratory, and X-ray Special Procedures Exclusions
   a. Testing of a Member for a non-Member's use and/or benefit.
   b. Testing of a non-Member for a Member's use and/or benefit.

IV. LIMITATIONS/EXCLUSIONS (WHAT IS NOT COVERED)

A. Exclusions

The Services listed below are not covered. These exclusions apply to all covered Services under this EOC. Additional exclusions that apply only to a particular Service are listed in the description of that Service in the "Benefits/Coverage (What is Covered)" section.

1. **Alternative Medical Services.** The following are not covered unless your Group has purchased additional coverage for these Services See the "Schedule of Benefits (Who Pays What)" to determine if your Group has purchased additional coverage.
   a. Acupuncture Services.
   b. Naturopathy Services.
   c. Massage therapy.
   d. Chiropractic Services and supplies that are not provided by a Plan Provider under this Agreement.

2. **Behavioral Problems.** Any treatment or Service for a behavioral problem not associated with a manifest mental disorder or condition.

3. **Cosmetic Services.** Services that are intended: primarily to change or maintain your appearance; and that will not result in significant improvement in physical function. This includes cosmetic surgery related to bariatric surgery. Exception: Services covered under "Reconstructive Surgery" in the "Benefits/Coverage (What is Covered)" section.

4. **Cryopreservation.** Any and all Services related to cryopreservation, unless your Group has purchased additional coverage. This excludes, but is not limited to, the procurement and/or storage of semen, sperm, eggs, reproductive materials, and/or embryos. See "Additional Provisions" for additional coverage or exclusions, if applicable to your Group.

5. **Custodial or Residential Care.** Assistance with activities of daily living or care that can be performed safely and effectively by people who, in order to provide the care, do not require medical licenses or certificates or the presence of a supervising licensed nurse. Assistance with activities of daily living include: walking; getting in and out of bed; bathing; dressing; feeding; toileting; and taking medicine.

6. **Dental Services.** Dental Services and dental X-rays, including: dental Services following injury to teeth; dental appliances; implants; orthodontia; TMJ; and dental Services as a result of and following medical treatment such as radiation treatment. This exclusion does not apply to: (a) Medically Necessary Services for the treatment of cleft lip or cleft palate when prescribed by a Plan Physician, unless the Member is covered for these Services under a dental insurance policy or contract; or (b) hospitalization and general anesthesia for dental Services, prescribed or directed by a Plan Physician for Dependent children who: (i) have a physical, mental, or medically compromising condition; or (ii) have dental needs for which local anesthesia is ineffective because of acute infection, anatomic variations, or allergy; or (iii) are extremely uncooperative, unmanageable, anxious, or uncommunicative with dental needs deemed sufficiently important that dental care cannot be deferred; or (iv) have sustained extensive orofacial and dental trauma. Unless otherwise specified herein, (a) and (b) must be received at a Plan Facility or Skilled Nursing Facility.

   The following Services for TMJ may be covered if determined Medically Necessary: diagnostic X-rays; laboratory testing; physical therapy; and surgery.

7. **Directed Blood Donations.**

8. **Disposable Supplies.** Disposable supplies for home use such as:
   a. Bandages;
   b. Gauze;
   c. Tape;
   d. Antiseptics;
   e. Dressings;
   f. Ace-type bandages; and
   g. Any other supplies, dressings, appliances, or devices not specifically listed as covered in the "Benefits/Coverage (What is Covered)" section.

9. **Educational Services.** Educational services are not health care services and are not covered. Examples include, but are not limited to:
   a. Items and services to increase academic knowledge or skills;
   b. Special education or care for learning deficiencies, whether or not associated with a manifest mental disorder or condition, including but not limited to attention deficit disorder, learning disabilities, and developmental delays;
   c. Teaching and support services to increase academic performance;
   d. Academic coaching or tutoring for skills such as grammar, math, and time management;
   e. Speech training that is not Medically Necessary, and not part of an approved treatment plan, and not provided by or under the direct supervision of a Plan Provider acting within the scope of his or her license under Colorado law that is intended to address speech impediments;
   f. Teaching you how to read, whether or not you have dyslexia;
   g. Educational testing;
   h. Teaching (or any other items or services associated with) activities such as art, dance, horse riding, music, swimming, or teaching you how to play.

10. **Employer or Government Responsibility.** Financial responsibility for Services that an employer or a government agency is required by law to provide.

11. **Experimental or Investigational Services:**
   a. A Service is experimental or investigational for a Member's condition if any of the following statements apply at the time the Service is or will be provided to the Member. The Service:
      i. Has not been approved or granted by the U.S. Food and Drug Administration (FDA); or
      ii. Is the subject of a current new drug or new device application on file with the FDA; or
      iii. Is provided as part of a Phase I or Phase II clinical trial, as the experimental or research arm of a Phase III clinical trial or in any other manner that is intended to determine the safety, toxicity, or efficacy of the Service; or
      iv. Is provided pursuant to a written protocol or other document that lists an evaluation of the Service's safety, toxicity, or efficacy as among its objectives; or
      v. Is subject to the approval or review of an Institutional Review Board (IRB) or other body that approves or reviews research on the safety, toxicity, or efficacy of Services; or
      vi. The Service has not been recommended for coverage by the Regional New Technology and Benefit Interpretation Committee, the Interregional New Technology Committee or the Medical Technology Assessment Unit based on analysis of clinical studies and literature for safety and appropriateness, unless otherwise covered by Health Plan; or,
      vii. Is provided pursuant to informed consent documents that describe the Service as experimental or investigational or in other terms that indicate that the Service is being looked at for its safety, toxicity, or efficacy; or
      viii. Is part of a prevailing opinion among experts as expressed in the published authoritative medical or scientific literature that (A) use of the Service should be substantially confined to research settings or (B) further research is needed to determine the safety, toxicity, or efficacy of the Service.

   b. In determining whether a Service is experimental or investigational, the following sources of information will be solely relied upon:
      i. The Member's medical records; and
      ii. The written protocol(s) or other document(s) under which the Service has been or will be provided; and
      iii. Any consent document(s) the Member or the Member's representative has executed or will be asked to execute to receive the Service; and
      iv. The files and records of the IRB or similar body that approves or reviews research at the institution where the Service has been or will be provided, and other information concerning the authority or actions of the IRB or similar body; and
      v. The published authoritative medical or scientific literature on the Service as applied to the Member's illness or injury; and
      vi. Regulations, records, applications and other documents or actions issued by, filed with, or taken by the FDA, or other agencies within the U.S. Department of Health and Human Services, or any state agency performing similar functions.

   c. If two (2) or more Services are part of the same plan of treatment or diagnosis, all of the Services are excluded if one of the Services is experimental or investigational.

   d. Health Plan consults Medical Group and then uses the criteria described above to decide if a particular Service is experimental or investigational.

   Note: For non-grandfathered health plans only, this exclusion does not apply to Services covered under "Clinical Trials" in the "Benefits/Coverage (What is Covered)" section.

12. **Genetic Testing.** Genetic testing unless determined to be: Medically Necessary; and meets Medical Group criteria.

13. **Infertility Services.** All Services related to the diagnosis or treatment of infertility unless your Group has purchased additional supplemental coverage.
14. **Intermediate Care.** Care in an intermediate care facility.
15. **Routine Foot Care Services.** Routine foot care Services that are not Medically Necessary.
16. **Services for Members in the Custody of Law Enforcement Officers.** Non-Plan Provider Services provided or arranged by criminal justice institutions for Members in the custody of law enforcement officers, unless the Services are covered as out-of- Plan Emergency Services or urgent care outside the Service Area.
17. **Services Not Available in our Service Area.** Services not generally and customarily available in our Service Area, except when it is a generally accepted medical practice in our Service Area to refer patients outside our Service Area for the Service.
18. **Services Related to a Non-Covered Service.** When a Service is not covered, all Services related to the non-covered Service are excluded. This does not include Services we would otherwise cover to treat complications as a result of the non-covered Service.
19. **Third Party Requests or Requirements.** Physical exams, tests, or other services that do not directly treat an actual illness, injury, or condition, and any related reports or paperwork in connection with third party requests or requirements, including but not limited to those for:
    a. Employment;
    b. Participation in employee programs;
    c. Insurance;
    d. Disability;
    e. Licensing;
    f. School events, sports, or camp;
    g. Governmental agencies;
    h. Court order, parole, or probation;
    i. Travel.
20. **Travel and Lodging Expenses.** Travel and lodging expenses are excluded. We may pay certain expenses we preauthorize in accordance with our internal travel and lodging guidelines in some situations, when Medical Group refers you to a non-Plan Provider outside our Service Area as described under "Access to Other Providers" in the "How to Access Your Services and Obtain Approval of Benefits" section.
21. **Unclassified Medical Technology Devices and Services.** Medical technology devices and Services which have not been classified as durable medical equipment or laboratory by a National Coverage Determination (NCD) issued by the Centers for Medicare & Medicaid Services (CMS), unless otherwise covered by Health Plan.
22. **Weight Management Facilities.** Services received in a weight management facility.
23. **Workers' Compensation or Employer's Liability.** Financial responsibility for Services for any illness, injury, or condition, to the extent a payment or any other benefit, including any amount received as a settlement (collectively referred to as "Financial Benefit"), is provided under any workers' compensation or employer's liability law. We will provide Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover Charges for any such Services from the following sources:
    a. Any source providing a Financial Benefit or from whom a Financial Benefit is due.
    b. You, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law.

B. Limitations

We will use our best efforts to provide or arrange covered Services in the event of unusual circumstances that delay or render impractical the provision of Services. Examples include: major disaster; epidemic; war; riot; civil insurrection; disability of a large share of personnel at a Plan Facility; complete or partial destruction of facilities; and labor disputes not involving Health Plan, Kaiser Foundation Hospitals or Medical Group. In these circumstances, Health Plan, Kaiser Foundation Hospitals, Medical Group and Medical Group Plan Physicians will not have any liability for any delay or failure in providing covered Services. In the case of a labor dispute involving Health Plan, Kaiser Foundation Hospitals, or Medical Group, we may postpone care until the dispute is resolved if delaying your care is safe and will not result in harmful health consequences.

C. Reductions

1. Coordination of Benefits (COB)

The Services covered under this EOC are subject to Coordination of Benefit (COB) rules. If you have health care coverage with another health plan or insurance company, we will coordinate benefits with the other coverage under the COB guidelines below.

This coordination of benefits (COB) provision applies when a person has health care coverage under more than one **Plan**. **Plan** is defined below.

The order-of-benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits in accordance with its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all **Plans** do not exceed 100% of the total **Allowable expense**.

DEFINITIONS

a. A **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.
   i. **Plan** includes: group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
   ii. **Plan** does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

   Each contract for coverage under i. or ii. is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

b. **This plan** means, in a **COB** provision, the part of the contract providing the health care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other **Plans**. Any other part of the contract providing health care benefits is separate from **This plan**. A contract may apply one **COB** provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.

c. The order-of-benefit determination rules determine whether **This plan** is a **Primary plan** or **Secondary plan** when the person has health coverage under more than one **Plan**.

   When **This plan** is primary, its benefits are determined before those of any other **Plan** and without considering any other **Plan's** benefits. When **This plan** is secondary, its benefits are determined after those of another **Plan** and may be reduced because of the **Primary plan's** benefits, so that all **Plan** benefits do not exceed 100% of the total **Allowable expense**.

d. **Allowable expense** is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an **Allowable expense**.

   The following are examples of expenses that are not **Allowable expenses**:

   i. The difference between the cost of a semi-private hospital room and a private hospital room is not an **Allowable expense**, unless one of the **Plans** provides coverage for private hospital room expenses or the patient's stay is medically necessary in terms of generally accepted medical practice or the hospital does not have a semi-private room.
   ii. If a person is covered by two or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.
   iii. If a person is covered by two or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.
   iv. If a person is covered by one **Plan** that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another **Plan** that provides its benefits or services on the basis of negotiated fees, the **Primary plan's** payment

arrangement shall be the **Allowable expense** for all **Plans**. However, if the provider has contracted with the **Secondary plan** to provide the benefit or service for a specific negotiated fee or payment amount that is different than the **Primary plan's** payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the **Allowable expense** used by the **Secondary plan** to determine its benefits.

v. The amount of any benefit reduction by the **Primary plan** because a covered person has failed to comply with the **Plan** provisions is not an **Allowable expense**. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

e. **Claim determination period** is usually a calendar year, but a **Plan** may use some other period of time that fits the coverage of the group contract. A person is covered by a **Plan** during a portion of a **Claim determination period** if that person's coverage starts or ends during the **Claim determination period**. However, it does not include any part of a year during which a person has no coverage under **This plan**, or before the date this **COB** provision or a similar provision takes effect.

f. **Closed panel plan** is a **Plan** that provides health benefits to covered persons primarily in the form of services through a panel of providers that have contracted with either directly or indirectly or are employed by the **Plan**, and that limits or excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

g. **Custodial parent** means a parent awarded primary custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

ORDER-OF-BENEFIT DETERMINATION RULES

When a person is covered by two or more **Plans**, the rules for determining the order-of-benefit payment are as follows:

a. The **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other **Plan**.

b.

i. Except as provided in paragraph ii., a **Plan** that does not contain a coordination of benefits provision that is consistent with these rules is always primary unless the provisions of both **Plans** state that the complying **Plan** is primary.

ii. Coverage that is obtained by virtue of being members in a group, and designed to supplement part of the basic package of benefits, may provide supplementary coverage that shall be in excess of any other parts of the **Plan** provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a **Closed panel plan** to provide out-of-network benefits.

c. A **Plan** may consider the benefits paid or provided by another **Plan** in determining its benefits only when it is secondary to that other **Plan**.

d. Each **Plan** determines its order-of-benefits using the first of the following rules that apply:

i. Non-Dependent or Dependent. The **Plan** that covers the person other than as a dependent, for example as an employee, member, subscriber or retiree is the **Primary plan** and the **Plan** that covers the person as a dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent; and primary to the **Plan** covering the person as other than a dependent (e.g. a retired employee); then the order-of-benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.

ii. Dependent Child Covered Under More Than One **Plan**. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one **Plan** the order-of-benefits is determined as follows:

A. For a dependent child whose parents are married or are living together, whether or not they have ever been married:

1. The **Plan** of the parent whose birthday (month and day) falls earlier in the calendar year is the **Primary plan**; or
2. If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.

B. For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

1. If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to plan years commencing after the **Plan** is given notice of the court decree;
2. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph A. above shall determine the order-of-benefits;

3. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph A. above shall determine the order-of-benefits; or
4. If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order-of-benefits for the child are as follows:
   - The **Plan** covering the **Custodial parent**;
   - The **Plan** covering the spouse of the **Custodial parent**;
   - The **Plan** covering **the non-custodial parent**; and then
   - The **Plan** covering the spouse of the **non-custodial parent**.

C. For a dependent child covered under more than one **Plan** of individuals who are not the parents of the child, the provisions of Subparagraph A. or B. above shall determine the order-of-benefits as if those individuals were the parents of the child.

iii. Active Employee or Retired or Laid-off Employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order-of-benefits, this rule is ignored. This rule does not apply if the rule labeled d.1. can determine the order-of-benefits.

iv. COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order-of-benefits, this rule is ignored. This rule does not apply if the rule labeled d.1. can determine the order-of-benefits.

v. Longer or Shorter Length of Coverage. The **Plan** that covered the person as an employee, member, policyholder, subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.

vi. If the preceding rules do not determine the order-of-benefits, the **Allowable expenses** shall be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **This plan** will not pay more than it would have paid had it been the **Primary plan**.

EFFECT ON THE BENEFITS OF THIS PLAN

a. When **This plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a plan year are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any **Allowable expense** under its **Plan** that is unpaid by the **Primary plan**. The **Secondary plan** may then reduce its payment by the amount so that, when combined with the amount paid by the **Primary plan**, the total benefits paid or provided by all **Plans** for the claim do not exceed the total **Allowable expense** for that claim. In addition, the **Secondary plan** shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

b. If a covered person is enrolled in two or more **Closed panel plans** and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one **Closed panel plan**, **COB** shall not apply between that **Plan** and other **Closed panel plans**.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **This plan** and other **Plans**. We may get the facts we need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **This plan** and other **Plans** covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under **This plan** must give Health Plan any facts we need to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A payment made under another **Plan** may include an amount that should have been paid under **This plan**. If it does, Health Plan may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under **This plan**. Health Plan will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY
If the amount of the payments made by Health Plan is more than it should have paid under this **COB** provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

If you have any questions about COB, please call or write **Patient Financial Services.**

2. Injuries or Illnesses Alleged to be Caused by Other Parties
You must ensure we receive the maximum reimbursement allowed by law for covered Services you receive for an injury or illness that is alleged to be caused by another party. You do not have to reimburse us more than you receive from or on behalf of any other party, insurance company or organization as a result of the injury or illness. Our right to reimbursement shall include all sources as allowed by law. This includes, but is not limited to, any recovery you receive from: (a) uninsured motorist coverage; or (b) underinsured motorist coverage; or (c) automobile medical payment coverage; or (d) workers' compensation coverage; or (e) any other liability coverage; or (f) any responsible party or entity.

Note: This "Injuries or Illnesses Alleged to be Caused by Other Parties" section does not affect your obligation to pay your Copayment, Coinsurance, and/or Deductible for these Services. The amount of reimbursement due the Plan is not limited by or subject to the Out-of-Pocket Maximum provision.

To the extent allowed by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against another party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the other party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

We shall have a first priority lien on the proceeds of any judgment or settlement, whether by compromise or otherwise, you obtain against or from any other party, entity or insurer, regardless of whether the other party, entity or insurer admits fault. Proceeds of such judgment, award or settlement in your or your attorney's possession shall be held in trust for our benefit.

Within 30 days after submitting or filing a claim or legal action against another party, entity or insurer, you must send written notice of the claim or legal action to:

Equian, LLC
Attn: Subrogation Operations
PO Box 36380
Louisville, KY 40233
Fax: 502-214-1291

For us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send to Equian: all consents; releases; authorizations; assignments; and other documents, including lien forms directing your attorney, any other party or entity and any respective insurer to pay us or our legal representatives directly. You must cooperate to protect our interests under this "Injuries or Illnesses Alleged to be Caused by Other Parties" provision and must not take any action prejudicial to our rights.

If your estate, parent, guardian or conservator asserts a claim against another party, entity or insurer based on your injury or illness, your estate, parent, guardian or conservator and any settlement or judgment recovered by the estate, parent, guardian or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim. We may assign our rights to enforce our liens and other rights.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers normally charge to the general public ("General Fees"). However, these contracts may allow providers to assert any independent lien rights they may have to recover their General Fees from a judgment or settlement that you receive from or on behalf of another party, entity or insurer. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

3. Traditional or Gestational Surrogacy
In situations where you receive monetary compensation to act as either a traditional or gestational surrogate, Health Plan will seek reimbursement for covered Services you receive that are associated with conception, pregnancy and/or delivery of the child, except that we will recover no more than half of the monetary compensation you receive. A surrogate arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child. This section applies to any person who is impregnated by artificial insemination, intrauterine insemination, in vitro fertilization or through the surgical implantation of a fertilized egg of another person and applies to both traditional surrogacy and gestational carriers.

Note: This "Traditional or Gestational Surrogacy" section does not affect your obligation to pay your Copayment, Coinsurance, and/or Deductible for these Services.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and telephone numbers of the other parties to the arrangement
- Names, addresses, and telephone numbers of any escrow agent or trustee
- Names, addresses, and telephone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receives, including names, addresses, and telephone numbers for any health insurance that will cover Services that the baby (or babies) receives
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

Equian, LLC
Attn: Surrogacy Subrogation Operations
PO Box 36380
Louisville, KY 40233
Fax: 502-214-1291

V. MEMBER PAYMENT RESPONSIBILITY

Information on Member payment responsibility, including applicable Deductibles, annual Out-of-Pocket Maximum, Copayments, and Coinsurance, is located in the "Schedule of Benefits (Who Pays What)." Payment responsibility information for Emergency Services and urgent care is located in the "Benefits/Coverage (What is Covered)" section. For additional questions, contact **Member Services**.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe them for covered Services. However, you may be liable for the cost of non-covered Services or Services you obtain from non–Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered Services you receive from that provider, in excess of any applicable Deductibles, Copayments, or Coinsurance amounts, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

VI. CLAIMS PROCEDURE (HOW TO FILE A CLAIM)

Plan Providers submit claims for payment for covered Services directly to Health Plan. For general information on claims, and how to submit pre-service claims, concurrent care claims, and post-service claims, see the "Appeals and Complaints" section. For covered Services by non-Plan Providers, you may need to submit a claim on your own. Contact **Member Services** for more information on how to submit such claims. Health Plan complies with the time frames for resolution and payment of filed claims as required by state law.

VII. GENERAL POLICY PROVISIONS

A. Access Plan

Colorado law requires that an Access Plan be available that describes Kaiser Foundation Health Plan of Colorado's network of provider Services. To obtain a copy, please call **Member Services**.

B. Access to Services for Foreign Language Speakers

1. **Member Services** will provide a telephone interpreter to assist Members who speak limited or no English.
2. Plan Physicians have telephone access to interpreters in over 150 languages.
3. Plan Physicians can also request an onsite interpreter for an appointment, procedure, or Service.
4. Any interpreter assistance we arrange or provide will be at no Charge to the Member.

C. Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote efficient administration of the Group Agreement and this EOC.

D. Advance Directives

Federal law requires Kaiser Permanente to tell you about your right to make health care decisions.

Colorado law recognizes the right of an adult to accept or reject medical treatment, artificial nourishment and hydration, and cardiopulmonary resuscitation. Each adult has the right to establish, in advance of the need for medical treatment, any directives and instructions for the administration of medical treatment in the event the person lacks the decisional capacity to provide informed consent to or refusal of medical treatment. (Colorado Revised Statutes, Section 15-14-504)

Kaiser Permanente will not discriminate against you whether or not you have an advance directive. We will follow the requirements of Colorado law respecting advance directives. If you have an advance directive, please give a copy to the Kaiser Permanente medical records department or to your provider.

A health care provider or health care facility shall provide for the prompt transfer of the principal to another health care provider or health care facility if such health care provider or health care facility wishes not to comply with an agent's medical treatment decision on the basis of policies based on moral convictions or religious beliefs. (Colorado Revised Statutes, Section 15-14-507)

Two (2) brochures are available: *Your Right to Make Health Care Decisions* and *Making Health Care Decisions*. For copies of these brochures or for more information, please call **Member Services**.

E. Agreement Binding on Members

By electing coverage or accepting benefits under this EOC, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this EOC.

F. Amendment of Agreement

Your Group's Agreement with us will change periodically. If these changes affect this EOC, your Group is required to notify you of them. If it is necessary to make revisions to this EOC, we will issue revised materials to you.

G. Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this EOC.

H. Assignment

You may assign, in writing, payments due under the policy to a licensed hospital, other licensed health care provider, an occupational therapist, or a massage therapist, for covered Services provided to you. You may not assign this EOC or any other rights, interests, or obligations hereunder without our prior written consent.

I. Attorney Fees and Expenses

In any dispute between a Member and Health Plan or Plan Providers, each party will bear its own attorneys' fees and other expenses.

J. Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this EOC. We have the authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC. If this EOC is part of a health benefit plan that is subject to the Employee Retirement Income Security Act (ERISA), then we are a "named fiduciary" to review claims under this EOC.

K. Contracts with Plan Providers

Plan Providers are paid in a number of ways, including: salary; capitation; per diem rates; case rates; fee for service; and incentive payments. If you would like further information about the way Plan Providers are paid to provide or arrange medical and hospital care for Members, please call **Member Services**.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of non-covered Services or Services you obtain from non-Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered Services you receive from that provider, in excess of any applicable Copayments and Coinsurance, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

L. Governing Law

Except as preempted by federal law, this EOC will be governed in accordance with Colorado law. Any provision that is required to be in this EOC by state or federal law shall bind Members and Health Plan whether or not set forth in this EOC.

M. Group and Members are not Health Plan's Agents

Neither your Group nor any Member is the agent or representative of Health Plan.

N. No Waiver

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

O. Nondiscrimination

We do not discriminate in our employment practices or in the delivery of health care Services on the basis of age, race, color, national origin, religion, sex, sexual orientation, or physical or mental disability.

P. Notices

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Members who move should call **Member Services** as soon as possible to give us their new address.

Q. Out-of-Pocket Maximum Takeover Credit

Out-of-Pocket Maximum Takeover Credit is a one-time event which may occur at the point of the initial open enrollment. It applies only to:

1. Members of new groups enrolling with Kaiser Foundation Health Plan of Colorado for the first time. (In this situation, Members must have been covered under one of the group's other carriers at the time of the group's enrollment.)
2. Members of new or current groups who move from non-sole carrier status to sole-carrier status with Kaiser Foundation Health Plan of Colorado. Non-sole carrier status refers to when an employee has the option of choosing a group health plan either through Kaiser Foundation Health Plan of Colorado or through another carrier. (In this situation, Members must have been covered under one of the group's other carriers at the time the group moved to sole-carrier status.)

A credit may be applied toward your Out-of-Pocket Maximum with Health Plan for certain eligible expenses accumulated toward your out-of-pocket maximum under your prior coverage. In order for expenses to be considered for this credit, you must submit an Explanation of Benefits ("EOB") issued by your prior carrier showing that the expense was applied toward your out-of-pocket maximum under your prior coverage. All such expenses must be for Services that are covered and subject to the Out-of-Pocket Maximum under this EOC.

For groups with effective dates of coverage during the months of April through December, expenses incurred from January 1 of the current year through the effective date of coverage with Kaiser Foundation Health Plan of Colorado may be eligible for credit.

For groups with effective dates of coverage during the months of January through March, expenses incurred up to 90 days prior to the effective date of coverage with Kaiser Foundation Health Plan may be eligible for credit.

You must submit all claims for Out-of-Pocket Maximum Takeover Credit within 90 days from the effective date of coverage with Health Plan. To submit a claim, send all EOBs along with a completed Prior Carrier Information Cover Form to the **Kaiser Permanente Claims Department.** To get a copy of the Prior Carrier Information Cover Form, please call the **Claims Department**.

R. Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment, or from any person or organization obligated to pay for the Services.

S. Privacy Practices

Kaiser Permanente will protect the privacy of your Protected Health Information (PHI). We also require contracting providers to protect your PHI. PHI is health information that includes your name, Social Security number or other information that reveals who you are. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, and health care operations purposes, including health research and measuring the quality of care and Services. We are sometimes required by law to give PHI to government agencies or in judicial actions. In addition, we may share your PHI with employers only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. Our *Notice of Privacy Practices* explains our privacy practices in detail. To request a copy, please call Member Services. You can also find the *Notice of Privacy Practices* on our website at kp.org**.**

T. Value-Added Services

In addition to the Services we cover under this EOC, we make available a variety of value-added services. Value-added services are not covered by your plan. They are intended to give you more options for a healthy lifestyle. Examples may include:

1. Certain health education classes not covered by your plan;
2. Certain health education publications;
3. Discounts for fitness club memberships;
4. Health promotion and wellness programs; and
5. Rewards for participating in those programs.

Some of these value-added services are available to all Members. Others may be available only to Members enrolled through certain groups or plans. To take advantage of these services, you may need to:

1. Show your Health Plan ID card, and
2. Pay the fee, if any,

to the company that provides the value-added service. Because these services are not covered by your plan, any fees you pay will not count toward any coverage calculations, such as Deductible or Out-of-Pocket Maximum.

To learn about value-added services and which ones are available to you, please check our website, kp.org.

These value-added services are neither offered nor guaranteed under your Health Plan coverage. Health Plan may change or discontinue some or all value-added services at any time and without notice to you. Value-added services are not offered as inducements to purchase a health care plan from us. Although value-added services are not covered by your plan, we may have included an estimate of their cost when we calculated Premiums.

Health Plan does not endorse or make any representations regarding the quality or medical efficacy of value-added services, or the financial integrity of the companies offering them. We expressly disclaim any liability for the value-added services provided by these companies. If you have a dispute regarding a value-added service, you must resolve it with the company offering such service. Although Health Plan has no obligation to assist with this resolution, you may call **Member Services**, and a representative may try to assist in getting the issue resolved.

U. Women's Health and Cancer Rights Act

In accordance with the "Women's Health and Cancer Rights Act of 1998," and as determined in consultation with the attending physician and the patient, we provide the following coverage after a mastectomy:

1. Reconstruction of the breast on which the mastectomy was performed.
2. Surgery and reconstruction of the other breast to produce a symmetrical (balanced) appearance.
3. Prostheses (artificial replacements).
4. Services for physical complications resulting from the mastectomy.

VIII. TERMINATION/NONRENEWAL/CONTINUATION

Your Group is required to inform the Subscriber of the date coverage terminates. If your membership terminates, all rights to benefits end at 11:59 p.m. on the termination date. Dependents' memberships end at the same time the Subscriber's membership ends. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further responsibility under this EOC after your membership terminates, except as provided under "Termination of Group Agreement" in this "Termination of Membership" section.

This section describes: how your membership may end; and explains how you may maintain Health Plan coverage if your membership under this EOC ends.

A. Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements in the "Eligibility" section, we or your Group will provide 30 days' advance written notice of termination.

B. Termination of Group Agreement

If your Group's Agreement with us terminates for any reason, your membership ends on the same date.

If your Group's Agreement terminates for reasons other than nonpayment of Premiums, fraud or abuse, while you are inpatient in a hospital or institution, your coverage will continue until your date of discharge.

C. Termination for Cause

We may terminate the memberships in your Family Unit if anyone in your Family Unit commits any of the following acts.

1. We will send written notice that will include the reason for termination to the Subscriber at least 30 days before the termination date if:
   a. You are disruptive, unruly, or abusive so that Health Plan's or a Plan Provider's ability to provide Services to you, or to other Members, is seriously impaired; or
   b. You fail to establish and maintain a satisfactory provider-patient relationship, after the Plan Provider has made reasonable efforts to promote such a relationship; or
2. We will send written notice that will include the reason for termination to the Subscriber at least 30 days before the termination date if:
   a. You knowingly: (a) misrepresent membership status; (b) present an invalid prescription or physician order; (c) misuse (or let someone else misuse) a Health Plan ID card; or (d) commit any other type of fraud in connection with your membership (including your enrollment application), Health Plan or a Plan Provider; or
   b. You knowingly: furnish incorrect or incomplete information to us; or fail to notify us of changes in your family status or Medicare coverage that may affect your eligibility or benefits.

Termination of membership for any one of these reasons applies to all members of your Family Unit. All rights to benefits cease on the date of termination. You will be billed as a non-Member for any Services received after the termination date. You have the right to appeal such a termination. To appeal, please call **Member Services**; or you can call the Colorado Division of Insurance.

We may report any member fraud to the authorities for prosecution. We may also pursue appropriate civil remedies.

D. Termination for Nonpayment

You are entitled to coverage only for the period for which we have received the appropriate Premiums from your Group. If your Group fails to pay us the appropriate Premiums for your Family Unit, we will terminate the memberships of everyone in your Family Unit.

After termination of your enrollment for nonpayment of Premiums, Health Plan may require payment of any outstanding Premiums for prior coverage if permitted by applicable law.

E. Termination of a Product or all Products (applies to non-grandfathered health plans only)

We may terminate a particular product or all products offered in the group market as permitted or required by law. If we discontinue offering a particular product in the group market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products in the group market, we may terminate your Group's Agreement by sending you written notice at least 180 days before the Agreement terminates.

F. Rescission of Membership

We may rescind your membership after it is effective if you or anyone on your behalf did one of the following with respect to your membership (or application) prior to your membership effective date:

1. Performed an act, practice, or omission that constitutes fraud; or
2. Misrepresented a material fact with intent, such as an omission on the application.

We will send written notice to the Subscriber in your Family at least 30 days before we rescind your membership. The rescission will cancel your membership so no coverage ever existed. You will be required to pay as a non-Member for any Services we covered. We will refund all applicable Premiums, less any amounts you owe us.

G. Continuation of Group Coverage Under Federal Law, State Law or USERRA

1. Federal Law (COBRA)

   You may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. Please contact your Group if you want to know how to elect COBRA coverage or how much you will have to pay your Group for it.

2. State Law

   If you are not eligible to continue uninterrupted group coverage under federal law (COBRA), you may be eligible to continue group coverage under Colorado law. Colorado law states that if you have been a Member for at least six (6) consecutive months immediately prior to termination of employment, continue to meet the eligibility requirements of Group and Health Plan and continue to pay applicable monthly Premiums to your Group, you may continue uninterrupted group coverage. If loss of eligibility occurs because of the following reasons, you and/or your Dependents may continue group coverage subject to the terms below:

   a. Your coverage is through a Subscriber who dies, divorces or legally separates, or becomes entitled to Medicare or Medicaid benefits; or
   b. You are a Subscriber (or your coverage is through a Subscriber) whose employment terminates, including voluntary termination or layoff, or whose hours of employment have been reduced.

   You may enroll children born or placed for adoption with you during the period of continuation coverage. The enrollment and effective date shall be as specified under the “Eligibility” section.

   To continue coverage, you must request continuation of group coverage on a form furnished by and returned to your Group along with payment of applicable Premiums, no later than 30 days after the date on which your Group coverage would otherwise terminate.

   Termination of State Continuation Coverage. Continuation of coverage under this provision continues upon payment of the applicable Premiums to your Group and terminates on the earlier of:

   a. 18 months after your coverage would have otherwise terminated because of termination of employment; or
   b. The date you become covered under another group medical plan; or
   c. The date Health Plan terminates its contract with the Group.

   We may terminate your continuation coverage if payment is not received when due.

If you have chosen an alternate health care plan offered through your Group but elect during open enrollment to receive continuation coverage through Health Plan, you will only be entitled to continued coverage for the remainder of the 18-month maximum coverage period.

3. USERRA
If you are called to active duty in the uniformed services, you may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage or how much you will have to pay your Group for it.

H. Moving to Another Kaiser Regional Health Plan Service Area

You must notify us immediately if you permanently move outside the Service Area. If you move to another Kaiser regional health plan service area, you should contact your Group's benefits administrator before you move to learn about your Group health care options. You will be terminated from this plan, but you may be able to transfer your group membership if there is an arrangement with your Group in the new service area. However, eligibility requirements, benefits, Premiums, Copayments and Coinsurance may not be the same in the other service area.

IX. APPEALS AND COMPLAINTS

A. Claims and Appeals

Health Plan will review claims and appeals, and we may use medical experts to help us review them. The following terms have the following meanings when used in this "Appeals and Complaints" section:

1. A **claim** is a request for us to:
   a. provide or pay for a Service that you have not received (pre-service claim),
   b. continue to provide or pay for a Service that you are currently receiving (concurrent care claim), or
   c. pay for a Service that you have already received (post-service claim).

2. An **adverse benefit determination** is our decision to do any of the following:
   a. deny your claim, in whole or in part, including (1) a denial, in whole or in part, of a pre-service claim (preauthorization for a Service), a concurrent care claim (continue to provide or pay for a Service that you are currently receiving) or a post-service claim (a request to pay for a Service) in whole or in part; (2) a denial of a request for Services on the ground that the Service is not Medically Necessary, appropriate, effective or efficient or is not provided in or at the appropriate health care setting or level of care; or, (3) a denial of a request for Services on the ground that the Service is experimental or investigational,
   b. terminate your membership retroactively except as the result of non-payment of Premiums (also called rescission or cancellation retroactively),
   c. deny your (or, if applicable, your dependent's) application for individual plan coverage,
   d. uphold our previous adverse benefit determination when you appeal.

   In addition, when we deny a request for medical care because it is excluded under this EOC, and you present evidence from a Colorado medical professional that there is a reasonable medical basis that the contractual exclusion does not apply to the denied medical care, then our denial shall be considered an adverse benefit determination

3. An **appeal** is a request for us to review our initial adverse benefit determination.

If you miss a deadline for making a claim or appeal, we may decline to review it.

Except when simultaneous external review can occur, you must exhaust the internal claims and appeals procedure as described in this "Appeals and Complaints" section unless we fail to follow the claims and appeals process described in this Section IX.

Language and Translation Assistance

You may request language assistance with your claim and/or appeal by calling **Member Services**.

SPANISH (Español): Para obtener asistencia en Español, llame al 303-338-3800.
TAGALOG (Tagalog): Kung kailangan ninyo ang tulong sa Tagalog tumawag sa 303-338-3800.
CHINESE (中文): 如果需要中文的帮助，请拨打这个号码 303-338-3800.
NAVAJO (Dine): Dinek'ehgo shika at'ohwol ninisingo, kwiijigo holne' 303-338-3800.

Appointing a Representative

If you would like someone (including your provider (medical facility or health care professional)) to act on your behalf regarding your claim, you may appoint an authorized representative. You must make this appointment in writing. Please contact **Member Services** for information about how to appoint a representative. You must pay the cost of anyone you hire to represent or help you.

Help with Your Claim and/or Appeal

You may contact the Colorado Division of Insurance at:

Colorado Division of Insurance
1560 Broadway, Suite 850
Denver, Colorado 80202
(303) 894-7499

Reviewing Information Regarding Your Claim
If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information. You may request our Authorization for Release of Appeal Information form by calling the **Appeals Program**.

You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim. To make a request, you should contact **Member Services**.

Providing Additional Information Regarding Your Claim and/or Appeal
When you appeal, you may send us additional information including comments, documents, and additional medical records that you believe support your claim. If we asked for additional information and you did not provide it before we made our initial decision about your claim, then you may still send us the additional information so that we may include it as part of our review of your appeal, if you ask for one. Please send all additional information to the Department that issued the adverse benefit determination.

When you appeal, you may give testimony in writing or by telephone. Please send your written testimony to the **Appeals Program**. To arrange to give testimony by telephone, you should contact the **Appeals Program**.

We will add the information that you provide through testimony or other means to your claim file and we will review it without regard to whether this information was submitted and/or considered in our initial decision regarding your claim.

Sharing Additional Information That We Collect
If we believe that your appeal of our initial adverse benefit determination will be denied, then before we issue our next adverse benefit determination we will also share with you any new or additional reasons for that decision. We will send you a letter explaining the new or additional information and/or reasons and inform you how you can respond to the information in the letter if you choose to do so. If you do not respond before we must make our next decision, that decision will be based on the information already in your claim file.

Internal Claims and Appeals Procedures
There are several types of claims, and each has a different procedure described below for sending your claim and appeal to us as described in this Internal Claims and Appeals Procedures section:

1. Pre-service claims (urgent and non-urgent)
2. Concurrent care claims (urgent and non-urgent)
3. Post-service claims

In addition, there is a separate appeals procedure for adverse benefit determinations due to a retroactive termination of membership (rescission) or a denial of an application for individual plan coverage.

When you file an appeal, we will review your claim without regard to our previous adverse benefit determination. The individual who reviews your appeal will not have participated in our original decision regarding your claim nor will he/she be the subordinate of someone who did participate in our original decision.

1. Pre-Service Claims and Appeals
   Pre-service claims are requests that we provide or pay for a Service that you have not yet received. Failure to receive Authorization before receiving a Service that must be authorized or pre-certified in order to be a covered Service may be the basis for our denial of your pre-service claim. If you receive any of the Services you are requesting before we make our decision, your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If you have any general questions about pre-service claims or appeals, please call **Member Services**.

   Here are the procedures for filing a pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

   a. Pre-Service Claim
      Tell Health Plan in writing that you want us to provide or pay for a Service you have not yet received. Your request and any related documents you give us constitute your claim. You must either mail or fax your claim to **Member Services**.

      If you want us to consider your pre-service claim on an urgent basis, your request should tell us that. We will decide whether your claim is urgent or non-urgent unless your attending health care provider tells us your claim is urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life, health, or ability to regain maximum function or if you have a physical or mental disability, creates an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting. We

may, but are not required to, waive the requirements related to an urgent claim and appeal, to permit you to pursue an expedited external review.

We will review your claim and, if we have all the information we need, we will make a decision within a reasonable period of time but not later than 15 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, so long as we notify you prior to the expiration of the initial 15-day period and explain the circumstances for which we need the extra time and when we expect to make a decision. If we tell you we need more information, we will ask you for the information within 15 days of receiving your claim, and we will give you 45 days to send the information. We will make a decision within 15 days after we receive the first piece of information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider all of the information that you send us when we make our decision. If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45-day period.

We will send written notice of our decision to you and, if applicable to your provider. Please let us know if you wish to have our decision sent to your provider.

If your pre-service claim was considered on an urgent basis, we will notify you of our decision (whether adverse or not) orally or in writing within a timeframe appropriate to your clinical condition but not later than 72 hours after we receive your claim. Within 24 hours after we receive your claim, we may ask you for more information. We will notify you of our decision within 48 hours of receiving the first piece of requested information. If we do not receive any of the requested information, then we will notify you of our decision within 48 hours after making our request. If we notify you of our decision orally, we will send you written confirmation within three (3) days after that.

If we deny your claim (if we do not agree to provide or pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

b. Non-Urgent Pre-Service Appeal

Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our denial of your pre-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or relevant symptoms, (3) the specific Service that you are requesting, (4) all of the reasons why you disagree with our adverse benefit denial, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You must either mail or fax your appeal to the **Appeals Program**.

We will schedule an appeal meeting in a timeframe that permits us to decide your appeal in a timely manner. You may be present for the appeal meeting in person or by telephone conference and you may bring counsel, advocates and health care professionals to the appeal meeting. Unless you request to be present for the appeal meeting in person or by telephone conference, we will conduct your appeal as a file review. You may present additional materials at the appeal meeting. The members of the appeals committee who will review your appeal will consider this additional material. Upon request, we will provide copies of all information that we intend to present at the appeal meeting at least 5 days prior to the meeting, unless any new material is developed after that 5 day deadline. You will have the option to elect to have a recording made of the appeal meeting, if applicable, and if you elect to have the meeting recorded, we will make a copy available to you.

We will review your appeal and send you a written decision within a reasonable period of time that is appropriate given your medical condition but not more than 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review, that may be available to you.

c. Urgent Pre-Service Appeal

Tell us that you want to urgently appeal our adverse benefit determination regarding your pre-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the specific Service that you are requesting, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You may submit your appeal orally, by mail or by fax to the **Appeals Program**.

When you send your appeal, you may also request simultaneous external review of our initial adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your pre-service appeal qualifies as urgent. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see "External Review" in this "Appeals and Complaints" section), if our internal appeal decision is not in your favor.

We will decide whether your appeal is urgent or non-urgent unless your attending health care provider tells us your appeal is urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an

appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function or if you have a physical or mental disability, create an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting. We may, but are not required to, waive the requirements related to an urgent appeal to permit you to pursue an expedited external review.

You do not have the right to attend or have counsel, advocates and health care professionals in attendance at the expedited review. You are, however, entitled to submit written comments, documents, records and other materials for the reviewer or reviewers to consider; and receive, upon request and free of charge, copies of all documents, records and other information regarding your request for benefits.

We will review your appeal and give you oral or written notice of our decision as soon as your clinical condition requires, but not later than 72 hours after we received your appeal. If we notify you of our decision orally, we will send you a written confirmation within three (3) days after that.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review, that may be available to you.

2. Concurrent Care Claims and Appeals.
Concurrent care claims are requests that Health Plan continue to provide, or pay for, an ongoing course of covered treatment or Services for a period of time or number of treatments or Services, when the course of treatment already being received will end. If you have any general questions about concurrent care claims or appeals, please call **Member Services**.

Unless you are appealing an urgent care concurrent claim, if we either (a) deny your request to extend your current authorized ongoing care (your concurrent care claim) or (b) inform you that authorized care that you are currently receiving is going to end early and you then appeal our decision (an adverse benefit determination), then during the time that we are considering your appeal, you may continue to receive the authorized Services. If you continue to receive these Services while we consider your appeal and your appeal does not result in our approval of your concurrent care claim, then we will only pay for the continuation of Services until we notify you of our appeal decision.

Here are the procedures for filing a concurrent care claim, a non-urgent concurrent care appeal, and an urgent concurrent care appeal:

a. Concurrent Care Claim
Tell us in writing that you want to make a concurrent care claim for an ongoing course of covered treatment. Inform us in detail of the reasons that your authorized ongoing care should be continued or extended. Your request and any related documents you give us constitute your claim. You must either mail or fax your claim to **Member Services**.

If you want us to consider your claim on an urgent basis and you contact us at least 24 hours before your care ends, you may request that we review your concurrent claim on an urgent basis. We will decide whether your claim is urgent or non-urgent unless your attending health care provider tells us your claim is urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life, health or ability to regain maximum function or if you have a physical or mental disability, create an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without extending your course of covered treatment. We may, but are not required to, waive the requirements related to an urgent claim or an appeal thereof, to permit you to pursue an expedited external review.

We will review your claim, and if we have all the information we need we will make a decision within a reasonable period of time. If you submitted your claim 24 hours or more before your care is ending, we will make our decision before your authorized care actually ends (that is, within 24 hours of receipt of your claim). If your authorized care ended before you submitted your claim, we will make our decision within a reasonable period of time but no later than 15 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we send you notice before the initial 15 days end and explain why we need the extra time and when we expect to make a decision. If we tell you we need more information, we will ask you for the information before the initial decision period ends, and we will give you until your care is ending or, if your care has ended, 45 days to send us the information. We will make our decision as soon as possible, if your care has not ended, or within 15 days after we first receive any information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within the stated timeframe after we send our request, we will make a decision based on the information we have within the appropriate timeframe, not to exceed 15 days following the end of the 45 days that we gave you for sending the additional information.

We will send written notice of our decision to you and, if applicable to your provider, upon request. Please let us know if you wish to have our decision sent to your provider.

If we consider your concurrent claim on an urgent basis, we will notify you of our decision orally or in writing as soon as your clinical condition requires, but not later than 24 hours after we received your appeal. If we notify you of our decision orally, we will send you written confirmation within three (3) days after receiving your claim.

If we deny your claim (if we do not agree to provide or pay for extending the ongoing course of treatment or Services), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

b. Non-Urgent Concurrent Care Appeal

Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our adverse benefit determination. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the ongoing course of covered treatment that you want to continue or extend, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and all supporting documents constitute your appeal. You must either mail or fax your appeal to the **Appeals Program**.

We will schedule an appeal meeting in a timeframe that permits us to decide your appeal in a timely manner. You may be present for the appeal meeting in person or by telephone conference and you may bring counsel, advocates and health care professionals to the appeal meeting. Unless you request to be present for the appeal meeting in person or by telephone conference, we will conduct your appeal as a file review. You may present additional materials at the appeal meeting. The members of the appeals committee who will review your appeal will consider this additional material. Upon request, we will provide copies of all information that we intend to present at the appeal meeting at least 5 days prior to the meeting, unless any new material is developed after that 5 day deadline. You will have the option to elect to have a recording made of the appeal meeting, if applicable, and if you elect to have the meeting recorded, we will make a copy available to you.

We will review your appeal and send you a written decision as soon as possible if you care has not ended but not later than 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination decision will tell you why we denied your appeal and will include information about any further process, including external review, that may be available to you.

c. Urgent Concurrent Care Appeal

Tell us that you want to urgently appeal our adverse benefit determination regarding your urgent concurrent claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the ongoing course of covered treatment that you want to continue or extend, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You may submit your appeal orally, by mail or by fax to the **Appeals Program**.

When you send your appeal, you may also request simultaneous external review of our adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your concurrent care claim qualifies as urgent. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see "External Review" in this "Appeals and Complaints" section).

We will decide whether your appeal is urgent or non-urgent unless your attending health care provider tells us your appeal is urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function or if you have a physical or mental disability, create an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without continuing your course of covered treatment. We may, but are not required to, waive the requirements related to an urgent appeal to permit you to pursue an expedited external review.

You do not have the right to attend or have counsel, advocates and health care professionals in attendance at the expedited review. You are, however, entitled to submit written comments, documents, records and other materials for the reviewer or reviewers to consider; and receive, upon request and free of charge, copies of all documents, records and other information regarding your request for benefits.

We will review your appeal and notify you of our decision orally or in writing as soon as your clinical condition requires, but no later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within three (3) days after that.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information about any further process, including external review, that may be available to you.

3. Post-Service Claims and Appeals

Post-service claims are requests that we for pay for Services you already received, including claims for out-of-Plan Emergency Services. If you have any general questions about post-service claims or appeals, please call **Member Services**.

Here are the procedures for filing a post-service claim and a post-service appeal:

a. Post-Service Claim

Within twelve (12) months from the date you received the Services, mail us a letter explaining the Services for which you are requesting payment. Provide us with the following: (1) the date you received the Services, (2) where you received them, (3) who provided them, and (4) why you think we should pay for the Services. You must include a copy of the bill, your medical record(s) and any supporting documents. Your letter and the related documents constitute your claim. Or, you may contact **Member Services** to obtain a claims form. You must either mail or fax your claim to the **Claims Department**.

We will not accept or pay for claims received from you after twelve (12) months from the date of Services.

We will review your claim, and if we have all the information we need we will send you a written decision within 30 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you within 15 days after we receive your claim and explain the circumstances for which we need the extra time and when we expect to make a decision. If we tell you we need more information, we will ask you for the information, and we will give you 45 days to send us the information. We will make a decision within 15 days after we receive the first piece of information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45-day period.

If we deny your claim (if we do not pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

b. Post-Service Appeal

Within 180 days after you receive our adverse benefit determination, tell us in writing that you want to appeal our denial of your post-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the specific Services that you want us to pay for, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) include all supporting documents such as medical records. Your request and the supporting documents constitute your appeal. You must either mail or fax your appeal to the **Appeals Program**.

We will schedule an appeal meeting in a timeframe that permits us to decide your appeal in a timely manner. You may be present for the appeal meeting in person or by telephone conference, and you may bring counsel, advocates and health care professionals to the appeal meeting. Unless you request to be present for the appeal meeting in person or by telephone conference, we will conduct your appeal as a file review. You may present additional materials at the appeal meeting. The appeals committee members who will review your appeal (who were not involved in our original decision regarding your claim) will consider this additional material. Upon request, we will provide copies of all information that we intend to present at the appeal meeting at least 5 days prior to the meeting, unless any new material is developed after that 5 day deadline. You will have the option to elect to have a recording made of the appeal meeting, if applicable, and if you elect to have the meeting recorded, we will make a copy available to you.

We will review your appeal and send you a written decision within 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination will tell you why we denied your appeal and will include information regarding any further process, including external review, that may be available to you.

Voluntary Second Level of Appeal

Within 60 days after you receive our adverse decision regarding your appeal, you may ask us to review our adverse benefit decisions again. We will schedule a review of your second appeal within 60 days of receiving your request, and we will notify you about the date and time of this review no less than 20 days before it occurs. You have the right to request a postponement. You have the right to appear in person or by telephone conference at the meeting. We will make our decision within 7 days of the completion of this meeting.

Appeals of Retroactive Membership Termination (rescission or cancellation retroactively)

We may terminate your membership retroactively (see "Rescission of Membership" under the "Termination/Nonrenewal/Continuation" section). We will send you written notice at least 30 days prior to the termination. If you have general questions about retroactive membership terminations or appeals, please call **Member Services**.

Here is the procedure for filing an appeal of a retroactive membership termination:

Within 180 days after you receive our adverse benefit determination that your membership will be terminated retroactively, you must tell us in writing that you want to appeal our termination of your membership retroactively. Please include the following: (1) your name and Medical Record Number, (2) all of the reasons why you disagree with our retroactive membership termination, and (3) all supporting documents. Your request and the supporting documents constitute your appeal. You must mail your appeal to **Member Services**.

We will review your appeal and send you a written decision within 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review, that may be available to you.

Appeals of Denial of Individual Plan Application

Here is the procedure for filing an appeal of our denial of an individual plan application:

Within 180 days after you receive our adverse benefit determination regarding your individual plan application, you must tell us in writing that you want to appeal our denial of an individual plan application. Please include the following: (1) your name and application reference number, (2) all of the reasons why you disagree with our adverse benefit determination, and (3) all supporting documents. Your request and the supporting documents constitute your appeal. You must mail your appeal to:

Member Services
P.O. Box 203004
Denver, CO 80220-9004

We will review your appeal and send you a written decision within 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review that may be available to you.

External Review

Following receipt of an adverse decision letter regarding your First Level Appeal or Voluntary Second Level Appeal, you may have a right to request an external review.

You have the right to request an independent external review of our decision if our decision involves an adverse benefit determination regarding a denial of a claim, in whole or in part, that is (1) a denial of a preauthorization for a Service; (2) a denial of a request for Services on the ground that the Service is not Medically Necessary, appropriate, effective or efficient or is not provided in or at the appropriate health care setting or level of care; and/or (3) a denial of a request for Services on the ground that the Service is experimental or investigational. If our final adverse decision does not involve an adverse benefit determination described in the preceding sentence, then your claim is **not** eligible for external review provided, however, independent external review is available when we deny your appeal because you request medical care that is excluded under your Kaiser Permanente plan and you present evidence from a licensed Colorado professional that there is a reasonable medical basis that the exclusion does not apply.

You will not be responsible for the cost of the external review. There is no minimum dollar amount for a claim to be eligible for an external review.

To request external review, you must:

1. Submit a completed Independent External Review of Carrier's Final Adverse Determination form which will be included with the mandatory internal appeal decision letter and explanation of your appeal rights (you may call the **Appeals Program** to request a copy of this form) to the **Appeals Program** within four (4) months of the date of receipt of the mandatory internal appeal decision or Voluntary Second Level Appeal decision. We shall consider the date of receipt for our notice to be three (3) days after the date on which our notice was drafted, unless you can prove that you received our notice after the three (3) day period ends.
2. Include in your written request a statement authorizing us to release your claim file with your health information including your medical records; or, you may submit a completed Authorization for Release of Appeal Information form which is included with the mandatory internal appeal decision letter and explanation of your appeal rights (you may call **Appeals Program** to request a copy of this form).

If we do not receive your external review request form and/or authorization form to release your health information, then we will not be able to act on your request. We must receive all of this information prior to the end of the applicable timeframe (4 months) for your request of external review.

Expedited External Review

You may request an expedited review if (1) you have a medical condition for which the timeframe for completion of a standard review would seriously jeopardize your life, health, or ability to regain maximum function, or, if you have a physical or mental disability, would create an imminent and substantial limitation to your existing ability to live independently, or (2) in the opinion of a physician with knowledge of your medical condition, the timeframe for completion of a standard review would subject you to severe pain that cannot be adequately managed without the medical services that

you are seeking. A request for an expedited external review must be accompanied by a written statement from your physician that your condition meets the expedited criteria. You must include the physician's certification that you meet expedited external review criteria when you submit your request for external review along with the other required information (described, above).

Additional Requirements for External Review regarding Experimental or Investigational Services

You may request external review or expedited external review involving an adverse benefit determination based upon the Service being experimental or investigational. Your request for external review or expedited external review must include a written statement from your physician that either (a) standard health care services or treatments have not been effective in improving your condition or are not medically appropriate for you, or (b) there is no available standard health care service or treatment covered under this EOC that is more beneficial than the recommended or requested health care service (the physician must certify that scientifically valid studies using accepted protocols demonstrate that the requested health care service or treatment is more likely to be more beneficial to you than an available standard health care services or treatments), and the physician is a licensed, board-certified, or board-eligible physician to practice in the area of medicine to treat your condition. If you are requesting expedited external review, then your physician must also certify that the requested health care service or treatment would be less effective if not promptly initiated. These certifications must be submitted with your request for external review.

No expedited external review is available when you have already received the medical care that is the subject of your request for external review. If you do not qualify for expedited external review, we will treat your request as a request for standard external review.

After we receive your request for external review, we shall notify you of the information regarding the independent external review entity that the Division of Insurance has selected to conduct the external review.

If we deny your request for standard or expedited external review, including any assertion that we have not complied with the applicable requirements related to our internal claims and appeals procedure, then we may notify you in writing and include the specific reasons for the denial. Our notice will include information about your right to appeal the denial to the Division of Insurance. At the same time that we send this denial notice to you, we will send a copy of it to the Division of Insurance.

You will not be able to present your appeal in person to the independent external review organization. You may, however, send any additional information that is significantly different from information provided or considered during the internal claims and appeal procedure and, if applicable Voluntary Second Level of Appeal process. If you send new information, we may consider it and reverse our decision regarding your appeal.

You may submit your additional information to the independent external review organization for consideration during its review within five (5) working days of your receipt of our notice describing the independent review organization that has been selected to conduct the external review of your claim. Although it is not required to do so, the independent review organization may accept and consider additional information submitted after this five (5) working day period ends.

The independent external review entity shall review information regarding your benefit claim and shall base its determination on an objective review of relevant medical and scientific evidence. Within 45 days of the independent external review entity's receipt of your request for standard external review, it shall provide written notice of its decision to you. If the independent external review entity is deciding your expedited external review request, then the independent external review entity shall make its decision as expeditiously as possible and no more than 72 hours after its receipt of your request for external review and within 48 hours of notifying you orally of its decision provide written confirmation of its decision. This notice shall explain the external review entity's decision and that the external review decision is the final appeal available under state insurance law. An external review decision is binding on Health Plan and you except to the extent Health Plan and you have other remedies available under federal or state law. You or your designated representative may not file a subsequent request for external review involving the same Health Plan adverse determination for which you have already received an external review decision.

If the independent external review organization overturns our denial of payment for care you have already received, we will issue payment within five (5) working days. If the independent review organization overturns our decision not to authorize pre-service or concurrent care claims, Kaiser Permanente will authorize care within one (1) working day. Such covered services shall be provided subject to the terms and conditions applicable to benefits under your plan.

Except when external review is permitted to occur simultaneously with your urgent pre-service appeal or urgent concurrent care appeal, you must exhaust our internal claims and appeals procedure (but not the Voluntary Second Level of Appeal) for your claim before you may request external review unless we have failed to substantially comply with federal and/or state law requirements regarding our claims and appeals procedures.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedures, and if applicable, external review. If you are enrolled through a plan that is subject to the Employee Retirement Income Security Act (ERISA), you may file a civil action under section 502(a) of the federal ERISA statute. To understand these rights, you should check with your benefits office or contact the Employee Benefits Security Administration (part of the U.S. Department

of Labor) at 1-866-444-EBSA (3272). Alternatively, if your plan is not subject to ERISA (for example, most state or local government plans and church plans or all individual plans), you may have a right to request review in state court.

B. Complaints

1. If you are not satisfied with the Services received at a particular Plan Medical Office, or if you have a concern about the personnel or some other matter relating to Services and wish to file a complaint, you may do so by:
   a. Sending your written complaint to **Member Services**;
   b. Requesting to meet with a Member Services Liaison at the Health Plan Administrative Offices; or
   c. Telephoning **Member Services**.

2. After you notify us of a complaint, this is what happens:
   a. A Member Services Liaison reviews the complaint and conducts an investigation, verifying all the relevant facts.
   b. The Member Services Liaison or a Plan Physician evaluates the facts and makes a recommendation for corrective action, if any.
   c. When you file a written complaint, we usually respond in writing within 30 calendar days, unless additional information is required.
   d. When you make a verbal complaint, a verbal response is usually made within 30 calendar days.

3. If you are dissatisfied with the resolution, you have the right to request a second review. Please put your request in writing to **Member Services**. **Member Services** will respond to you in writing within 30 calendar days of receipt of your request.

We want you to be satisfied with our Plan Facilities, Services, and Plan Physicians. Using this Member satisfaction procedure gives us the opportunity to correct any problems that keep us from meeting your expectations and your health care needs. If you are dissatisfied for any reason, please let us know. Please call **Member Services**.

X. INFORMATION ON POLICY AND RATE CHANGES

Your Group's Agreement with us will change periodically. If these changes affect this EOC or your Premiums, your Group is required to notify you of them. If it is necessary to make revisions to this EOC, we will issue revised materials to you.

XI. DEFINITIONS

The following terms, when capitalized and used in any part of this EOC, have the following meaning:

Accumulation Period: As stated in the "Schedule of Benefits (Who Pays What)," the period of time during which benefits are paid and are counted toward the maximum allowed for the specific benefit.

Affiliated Physician: Any doctor of medicine contracting with Medical Group to provide covered Services to Members under this EOC.

Affiliated Provider: A health care provider that we designate as an Affiliated Provider.

Authorization: A referral request that has received approval from Health Plan.

Charge(s):

1. For Services provided by Plan Providers or Medical Group, the charges in Health Plan's schedule of Medical Group and Health Plan charges for Services provided to Members; or
2. For Services for which a provider (other than Medical Group or Health Plan) is compensated on a capitation basis, the charges in the schedule of charges that Kaiser Permanente negotiates with the capitated provider; or
3. For items obtained at a Plan Pharmacy, the amount the Plan Pharmacy would charge a Member for the item if a Member's benefit plan did not cover the item (this amount is an estimate of: the cost of acquiring, storing, and dispensing drugs, the direct and indirect costs of providing Kaiser Permanente pharmacy Services to Members, and the Plan Pharmacy program's contribution to the net revenue requirements of Health Plan); or
4. For all other Services, the payments that Health Plan makes for the Services (or, if Health Plan subtracts a Copayment, Coinsurance or Deductible from its payment, the amount Health Plan would have paid if it did not subtract the Copayment, Coinsurance or Deductible).

CMS: The Centers for Medicare & Medicaid Services, the federal agency responsible for administering Medicare.

Coinsurance: A percentage of Charges that you must pay when you receive a covered Service, as listed in the "Schedule of Benefits (Who Pays What)."

Copayment: The specific dollar amount you must pay for a covered Service, as listed in the "Schedule of Benefits (Who Pays What)."

Dependent: A Member whose relationship to a Subscriber is the basis for membership eligibility and who meets the eligibility requirements as a Dependent. For Dependent eligibility requirements, see "Who Is Eligible" in the "Eligibility" section).

Emergency Medical Condition: A medical condition that manifests itself by acute symptoms of sufficient severity, including severe pain, that a prudent layperson with an average knowledge of health and medicine could reasonably expect, in the absence of immediate medical attention, to result in:

1. Serious jeopardy to the health of the individual or, with respect to a pregnant woman, the health of the woman or her unborn child;
2. Serious impairment to bodily functions; or
3. Serious dysfunction of any bodily organ or part.

Emergency Services: With respect to an Emergency Medical Condition:

1. A medical screening examination that is within the capability of the emergency department of a hospital, including ancillary services routinely available to the emergency department to evaluate the Emergency Medical Condition; and
2. Within the capabilities of the staff and facilities available at the hospital, further medical examination and treatment as required to Stabilize the patient to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the individual from a facility.

Family Unit: A Subscriber and all of his or her Dependents.

Habilitative Services: Health care Services and devices that help a person keep, learn, or improve skills and functioning for daily living (habilitative services). Examples include therapy for a child who is not walking or talking at the expected age. These Services may include physical and occupational therapy, speech-language pathology, and other Services for people with disabilities in a variety of inpatient and/or outpatient settings.

Health Plan: Kaiser Foundation Health Plan of Colorado, a Colorado nonprofit corporation.

Kaiser Permanente: Health Plan and Medical Group.

Life or Limb Threatening Emergency: Any event that a prudent layperson would believe threatens his or her life or limb in such a manner that a need for immediate medical care is created to prevent death or serious impairment of health.

Medical Group: The Colorado Permanente Medical Group, P.C., a for-profit medical corporation.

Medically Necessary services or supplies are those that are determined by Health Plan to be all of the following:

- Required to prevent, diagnose, or treat your condition or clinical symptoms; and
- In accordance with generally accepted standards of medical practice; and
- Not solely for the convenience of you, your family, and/or your provider; and
- The most appropriate level of care that can safely be provided to you.

The fact that a Plan or non-Plan Provider prescribes, recommends, or refers you to a Service does not make that Service Medically Necessary or covered under this EOC.

Medicare: A federal health insurance program for people 65 and older, certain disabled people, and those with end-stage renal disease (ESRD).

Member: A person who is eligible and enrolled under this EOC, and for whom we have received applicable Premiums. This EOC sometimes refers to a Member as "you" or "your."

Out-of-Pocket Maximum: The annual limit to the total amount of Deductible (if any), certain Copayments and certain Coinsurance you must pay in an Accumulation Period for covered Services, as described in the "Schedule of Benefits (Who Pays What)."

Plan Facility: A Plan Medical Office or Plan Hospital.

Plan Hospital: Any hospital listed as a Plan Hospital in our provider directory. Plan Hospitals are subject to change at any time without notice.

Plan Medical Office: Any medical office listed in our provider directory, including any outpatient facility designated by Health Plan. Plan Medical Offices are subject to change at any time without notice.

Plan Optometrist: Any licensed optometrist who is an employee of Health Plan or any licensed optometrist who contracts to provide Services to Members.

Plan Pharmacy: A pharmacy owned and operated by Kaiser Permanente or another pharmacy that we designate. Plan Pharmacies are subject to change at any time without notice.

Plan Physician: Any licensed physician who is an employee of Medical Group, an Affiliated Physician or any licensed physician who contracts to provide Services to Members (but not including physicians who contract only to provide referral Services).

Plan Provider: A Plan Hospital, Plan Physician, or other health care provider that we designate as Plan Provider, except that Plan Providers are subject to change at any time without notice.

Premiums: Periodic membership charges paid by Group.

Service Area:
The ***Denver/Boulder*** Service Area is that portion of Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas, Elbert, Gilpin, Jefferson, Larimer, Park, Teller, and Weld counties within the following zip codes: 80001, 80002, 80003, 80004, 80005, 80006, 80007, 80010, 80011, 80012, 80013, 80014, 80015, 80016, 80017, 80018, 80019, 80020, 80021, 80022, 80023, 80024, 80025, 80026, 80027, 80030, 80031, 80033, 80034, 80035, 80036, 80037, 80038, 80040, 80041, 80042, 80044, 80045, 80046, 80047, 80102, 80104, 80107, 80108, 80109, 80110, 80111, 80112, 80113, 80116, 80117, 80120, 80121, 80122, 80123, 80124, 80125, 80126, 80127, 80128, 80129, 80130, 80131, 80134, 80135, 80137, 80138, 80150, 80151, 80155, 80160, 80161, 80162, 80163, 80165, 80166, 80201, 80202, 80203, 80204, 80205, 80206, 80207, 80208, 80209, 80210, 80211, 80212, 80214, 80215, 80216, 80217, 80218, 80219, 80220, 80221, 80222, 80223, 80224, 80225, 80226, 80227, 80228, 80229, 80230, 80231, 80232, 80233, 80234, 80235, 80236, 80237, 80238, 80239, 80241, 80243, 80244, 80246, 80247, 80248, 80249, 80250, 80251, 80256, 80257, 80259, 80260, 80261, 80262, 80263, 80264, 80265, 80266, 80271, 80273, 80274, 80281, 80290, 80291, 80293, 80294, 80299, 80301, 80302, 80303, 80304, 80305, 80306, 80307, 80308, 80309, 80310, 80314, 80401, 80402, 80403, 80419, 80421, 80422, 80425, 80427, 80433, 80436, 80437, 80439, 80444, 80452, 80453, 80454, 80455, 80457, 80465, 80466, 80470, 80471, 80474, 80481, 80501, 80502, 80503, 80504, 80510, 80514, 80516, 80520, 80530, 80533, 80540, 80544, 80601, 80602, 80603, 80614, 80621, 80640, 80642, 80643.

The ***Northern Colorado*** Service Area is that portion of Adams, Boulder, Larimer, Morgan, and Weld counties within the following zip codes: 69128, 69145, 80511, 80512, 80513, 80515, 80517, 80521, 80522, 80523, 80524, 80525, 80526, 80527, 80528, 80532, 80534, 80535, 80536, 80537, 80538, 80539, 80541, 80542, 80543, 80545, 80546, 80547, 80549, 80550, 80551, 80553, 80610, 80611, 80612, 80615, 80620, 80622, 80623, 80624, 80631, 80632, 80633, 80634, 80638, 80639, 80644, 80645, 80646, 80648, 80649, 80650, 80651, 80652, 80654, 80729, 80732, 80742, 80754, 82063, 82070, 82082.

The ***Southern Colorado*** Service Area is that portion of Crowley, Custer, Douglas, El Paso, Elbert, Fremont, Huerfano, Las Animas, Lincoln, Otero, Park, Pueblo, and Teller counties within the following zip codes: 80106, 80118, 80132, 80133, 80808, 80809, 80813, 80814, 80816, 80817, 80819, 80820, 80827, 80829, 80831, 80832, 80833, 80840, 80841, 80860, 80863, 80864, 80866, 80901, 80902, 80903, 80904, 80905, 80906, 80907, 80908, 80909, 80910, 80911, 80912, 80913, 80914, 80915, 80916, 80917, 80918, 80919, 80920, 80921, 80922, 80923, 80924, 80925, 80926, 80927, 80928, 80929, 80930, 80931, 80932, 80933, 80934, 80935, 80936, 80937, 80938, 80939, 80941, 80942, 80946, 80947, 80949, 80950, 80951, 80960, 80962, 80970, 80977, 80995, 80997, 81001, 81002, 81003, 81004, 81005, 81006, 81007, 81008, 81009, 81010, 81011, 81012, 81019, 81022, 81023, 81025, 81039, 81062, 81069, 81212, 81215, 81221, 81222, 81223, 81226, 81232, 81233, 81240, 81244, 81253, 81290.

Services: Health care services or items.

Skilled Nursing Facility: A facility that is licensed as such by the state of Colorado, certified by Medicare and approved by Health Plan. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care for patients who need skilled nursing or skilled rehabilitation care, or both, on a daily basis, as part of an ongoing medical treatment plan.

Spouse: Your partner in marriage or a civil union as determined by state law.

Stabilize: To provide the medical treatment of the Emergency Medical Condition that is necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the person from the facility. With respect to a pregnant woman who is having contractions, when there is inadequate time to safely transfer her to another hospital before delivery (or the transfer may pose a threat to the health or safety of the woman or unborn child), "Stabilize" means to deliver (including the placenta).

Step Therapy: A protocol that requires a covered person to use a prescription drug or sequence of prescription drugs, other than the drug that the covered person's health care provider recommends for the covered person's treatment, before the carrier provides coverage for the recommended prescription drug.

Subscriber: A Member who is eligible for membership on his or her own behalf and not by virtue of Dependent status and who meets the eligibility requirements as a Subscriber (for Subscriber eligibility requirements, see "Who Is Eligible" in the "Eligibility" section).

(This page intentionally left blank.)

ADDITIONAL PROVISIONS

Please refer to the Summary Chart in this booklet for specific charges and other limitations that may apply to the coverage(s) described below.

ELECTIVE ABORTION EXCLUSION

Voluntary, elective abortions and any related Services, drugs or supplies are excluded. Exceptions to this are:

1. When an abortion is Medically Necessary to preserve the life or health of the mother if the pregnancy continues to term; or
2. When the pregnancy is the result of an act of rape or incest; or
3. Treatment of complications following an abortion.

TABS0AA (01-12)

DOMESTIC PARTNER COVERAGE

Your Group coverage includes health benefits for both same- and opposite-sex domestic partners. To be covered they must meet:

(1) the eligibility requirements as described in the "Eligibility" section of this EOC; and
(2) the conditions for domestic partnership as described in the Affidavit of Domestic Partnership.

You are required to complete and submit an Affidavit of Domestic Partnership to Health Plan. Please check with your Group's benefit administrator for details.

This rider amends the EOC to provide coverage for same- and opposite-sex domestic partners. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

DMPA0AA (01-18)

SURVIVING DEPENDENTS

Your Group coverage includes health benefit coverage for surviving Dependents.

Surviving Spouse and eligible Dependent children may continue coverage in the Group, if they wish.

SRDC0AK (01-08)

WOR0AA

ELIGIBILITY AND ENROLLMENT

(Does not apply to Kaiser Permanente Senior Advantage HMO Plan)

The following paragraph of your EOC is amended, as follows:

I. Eligibility

A. Who Is Eligible

1. General

   To be eligible to enroll and to remain enrolled in this health benefit plan, you must meet the following requirements:

   a. You must meet your Group's eligibility requirements that we have approved. Your Group is required to inform Subscribers of the Group's eligibility requirements; and

   b. You must also meet the Subscriber or Dependent eligibility requirements as described below; and

   c. The Subscriber must live, reside, or work in our Service Area. Our Service Area is described in the "Definitions" section.

This rider amends the general eligibility provision of the EOC. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

WOR0AA (01-20)

CHIROPRACTIC CARE

1. Coverage
   Chiropractic Services are covered as shown on the "Schedule of Benefits (Who Pays What)" when provided by contracted providers. Coverage includes:
   a. Evaluation;
   b. Manual and manipulative therapy of the spinal and extraspinal regions.

   You may self-refer for visits to contracted providers.

   Note: The following are covered, but not under this section: X-ray and laboratory tests, see "X-ray, Laboratory, and X-ray Special Procedures".

2. Exclusions
   a. Hypnotherapy.
   b. Behavior training.
   c. Sleep therapy.
   d. Weight loss programs.
   e. Services related to the treatment of the musculoskeletal system, except for the spinal and extraspinal regions.
   f. Vocational rehabilitation Services.
   g. Thermography.
   h. Air conditioners, air purifiers, therapeutic mattresses, supplies, or any other similar devices and appliances.
   i. Transportation costs. This includes local ambulance charges.
   j. Prescription drugs, vitamins, minerals, food supplements, or other similar products.
   k. Educational programs.
   l. Non-medical self-care or self-help training.
   m. All diagnostic testing related to these excluded Services.
   n. MRI and/or other types of diagnostic radiology.
   o. Physical or massage therapy that is not a part of the manual and manipulative therapy.
   p. Durable medical equipment (DME) and/or supplies for use in the home.

This rider amends the EOC to provide coverage for Chiropractic Care. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

CHIR0AA (01-18)
DMES0AB

DURABLE MEDICAL EQUIPMENT (DME) AND PROSTHETIC AND ORTHOTIC DEVICES

When prescribed by a Plan Physician and obtained from sources designated by Health Plan on either a purchase or rental basis, as determined by Health Plan, DME, prosthetics and orthotics, including replacements other than those necessitated by misuse, theft, or loss, are provided as shown on the "Schedule of Benefits (Who Pays What)" for your use during the period prescribed. Necessary fittings, repairs and adjustments, other than those necessitated by misuse, are covered. Health Plan may repair or replace a device at its option. Repair or replacement of defective equipment is covered at no additional charge.

Health Plan uses Local Coverage Determinations (LCD) and National Coverage Determinations (NCD) (hereinafter referred to as Medicare Guidelines) for our DME, prosthetic, and orthotic formulary guidelines. These are guidelines only. Health Plan reserves the right to exclude items listed in the Medicare Guidelines (does not apply to Kaiser Permanente Senior Advantage plans). Please note that this EOC may contain some, but not all, of these exclusions.

Limitations: Coverage is limited to a standard item of DME, prosthetic device, or orthotic device that adequately meets your medical needs.

1. Durable Medical Equipment (DME)
   a. Coverage
      i. DME is equipment that is appropriate for use in the home, able to withstand repeated use, Medically Necessary, not of use to a person in the absence of illness or injury, and approved for coverage under Medicare. It includes, but is not limited to, infant apnea monitors, insulin pumps and insulin pump supplies, and oxygen and oxygen dispensing equipment.
      ii. Insulin pumps and insulin pump supplies are provided when clinical guidelines are met and when obtained from sources designated by Health Plan.
      iii. When use is no longer prescribed by a Plan Physician, DME must be returned to Health Plan or its designee. If the equipment is not returned, you must pay Health Plan or its designee the fair market price, established by Health Plan, for the equipment.

   b. Limitation: Coverage is limited to the lesser of the purchase or rental price, as determined by Health Plan.

   c. Durable Medical Equipment Exclusions

i. Electronic monitors of bodily functions, except infant apnea monitors are covered.
ii. Devices to perform medical testing of body fluids, excretions or substances, except nitrate urine test strips for home use for pediatric patients are covered.
iii. Non-medical items such as sauna baths or elevators.
iv. Exercise or hygiene equipment.
v. Comfort, convenience, or luxury equipment or features.
vi. Disposable supplies for home use such as bandages, gauze*, tape, antiseptics, dressings, and ace-type bandages.
*Gauze not excluded in Kaiser Permanente Senior Advantage Part D plans.
vii. Replacement of lost or stolen equipment.
viii. Repairs, adjustments, or replacements necessitated by misuse.
ix. More than one piece of DME serving essentially the same function, except for replacements.
x. Spare equipment or alternate use equipment is not covered.

2. Prosthetic Devices
   a. Coverage
   Prosthetic devices are those rigid or semi-rigid external devices that are required to replace all or part of a body organ or extremity. Coverage of prosthetic devices includes:
   i. Internally implanted devices for functional purposes, such as pacemakers and hip joints.
   ii. Prosthetic devices for Members who have had a mastectomy. Medical Group or Health Plan will designate the source from which external prostheses can be obtained. Replacement will be made when a prosthesis is no longer functional. Custom-made prostheses will be provided when necessary.
   iii. Prosthetic devices, such as obturators and speech and feeding appliances, required for the treatment of cleft lip and cleft palate are covered when prescribed by a Plan Physician and obtained from sources designated by Health Plan.
   iv. Prosthetic devices intended to replace, in whole or in part, an arm or leg when prescribed by a Plan Physician, as Medically Necessary and when obtained from sources designated by Health Plan.

   b. Prosthetic Devices Exclusions
   i. Dental prostheses, except for Medically Necessary prosthodontic treatment for treatment of cleft lip and cleft palate, as described above.
   ii. Internally implanted devices, equipment, and prosthetics related to treatment of sexual dysfunction.
   iii. More than one prosthetic device for the same part of the body, except for replacements.
   iv. Spare devices or alternate use devices.
   v. Replacement of lost or stolen prosthetic devices.
   vi. Repairs, adjustments, or replacements necessitated by misuse.

3. Orthotic Devices
   a. Coverage
   Orthotic devices are those rigid or semi-rigid external devices that are required to support or correct a defective form or function of an inoperative or malfunctioning body part or to restrict motion in a diseased or injured part of the body.

   b. Orthotic Devices Exclusions
   i. Corrective shoes and orthotic devices for podiatric use and arch supports, except for diabetic shoes in accordance with clinical guidelines and therapeutic shoes for patients with a diagnosis of peripheral vascular disease or peripheral neuropathy.
   ii. Dental devices and appliances except that Medically Necessary treatment of cleft lip or cleft palate is covered when prescribed by a Plan Physician, unless you are covered for these Services under a dental insurance policy or contract.
   iii. Experimental and research braces.
   iv. More than one orthotic device for the same part of the body, except for covered replacements.
   v. Spare devices or alternate use devices.
   vi. Replacement of lost or stolen orthotic devices.
   vii. Repairs, adjustments, or replacements necessitated by misuse.

This rider amends the EOC to provide coverage for Durable Medical Equipment (DME) and prosthetic and orthotic devices. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

DMES0AB (01-20)

REPRODUCTIVE SUPPORT SERVICES

1. Coverage
   We cover the following Services as shown on the "Schedule of Benefits (Who Pays What)":

   a. Services for diagnosis and treatment of involuntary infertility (including X-ray and laboratory tests).
   b. Intrauterine insemination (IUI).
   c. Office administered drugs supplied and used during an office visit for IUI.

Note: Prescription drugs are not covered under this section. See "Prescription Drugs, Supplies, and Supplements" in the "Schedule of Benefits (Who Pays What)" to determine if you have coverage for prescription drugs received from a Plan Pharmacy for IUI.

2. Limitations
   a. IUI coverage is limited to three (3) treatment cycles per lifetime.
   b. Services are covered only for the person who is the Member.

3. Exclusions
   These exclusions apply to fertile as well as infertile individuals or couples.
   a. Any and all Services to reverse voluntary, surgically induced infertility.
   b. Acupuncture for the treatment of infertility, unless your Group has purchased additional coverage for this service. See the "Schedule of Benefits (Who Pays What)" to determine if your Group has the acupuncture benefit.
   c. Donor semen, sperm, or eggs.
   d. Any and all Services, supplies, office administered drugs, and prescription drugs received from a pharmacy related to the procurement and/or storage of semen, sperm, eggs, reproductive materials, and/or embryos, except as listed in the "Coverage" section of this benefit.
   e. Prescription drugs received from a pharmacy for infertility services unless prescription drug coverage for infertility is purchased.
   f. Any and all Services, supplies, office administered drugs, and prescription drugs received from a pharmacy that are related to conception by artificial means, except as listed in the "Coverage" section of this benefit.

This rider amends the EOC to provide limited coverage for Reproductive Support Services. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

INFT0AA (01-20)

PREVENTIVE SERVICES RIDER

Preventive care services, as defined under the Patient Protection and Affordable Care Act, are provided at no charge including those shown on the "Schedule of Benefits (Who Pays What)" when prescribed by a Plan Physician. Please contact **Member Services** for a complete list of covered Preventive Services.

Note: If you receive any other covered Services before, during, or after a preventive care visit, you may pay the applicable Deductible, Copayment, and Coinsurance for those Services. For example:

- You schedule a routine physical maintenance exam. During your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory or radiology tests). You may pay the applicable Deductible, Copayment, or Coinsurance for these additional diagnostic Services.
- You schedule a routine preventive exam. Your provider orders laboratory tests that are not preventive care Services according to the guidelines below. You may pay the applicable Deductible, Copayment, or Coinsurance for these additional non-preventive Services.
- You schedule a routine well-person exam. During your exam, you discuss new symptoms with your provider, or new health concerns are discovered. You may pay the applicable Deductible, Copayment, or Coinsurance for this visit.

Coverage includes, but is not limited to, preventive health care Services for the following in accordance with the A or B recommendations of the U.S. Preventive Services Task Force, the Health Resources Services Administration women's preventive services guidelines, and those preventive services mandates required by state law, for the particular preventive health care Service:

1. Office visits for preventive care Services.
2. Alcohol misuse screening and behavioral counseling interventions for adults by your primary care provider.
3. Cervical cancer screening.
4. Breast cancer screening.
5. Blood pressure screening.
6. Cholesterol screening.
7. Colorectal cancer screening.
8. Prostate cancer screening.
9. Immunizations pursuant to the schedule established by the ACIP.
10. Tobacco use screening, counseling, cessation attempt services, FDA-approved tobacco cessation medications, and the Colorado QuitLine.
11. Type 2 diabetes screening for adults with high blood pressure.
12. Diet counseling for adults with hyperlipidemia and at higher risk for cardiovascular and diet-related chronic disease.
13. Cervical cancer vaccines.

14. Influenza and pneumococcal vaccinations.
15. Approved Affordable Care Act contraceptive categories.

"ACIP" means the Advisory Committee on Immunization Practices to the Center for Disease Control and Prevention in the federal Department of Health and Human Services, or any successor entity. Go to cdc.gov/vaccines/acip/. For a list of preventive services that have a rating of A or B from the U.S. Preventive Task Force, go to uspreventiveservicestaskforce.org/Page/Name/uspstf-a-and-b-recommendations/. For the Health Resources and Services Administration women's preventive services guidelines, go to hrsa.gov/womensguidelines/.

This rider amends the EOC to provide coverage for preventive Services. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

PV0AD (01-20)

RX0BL

PRESCRIPTION DRUG BENEFIT

NOTE: When used in this Evidence of Coverage or Membership Agreement, the term "preferred" refers to drugs that are included in the Health Plan drug formulary. The term "non-preferred" refers to drugs that are not included in the Health Plan drug formulary.

Please refer to the "Schedule of Benefits (Who Pays What)" in this booklet for the specific Copayments, Coinsurance, Deductible, and supply limits that apply to the covered prescription drugs described below.

1. Coverage

   Prescribed covered drugs are provided at the applicable prescription drug Copayment or Coinsurance for each tier of drug coverage. This may include: a preferred generic drug tier; a tier for preferred brand-name drugs or medications not having a generic or a generic equivalent; a tier for prescribed non-preferred drugs authorized through the non-preferred drug process; and a tier for certain specialty drugs. **Note:** Some specialty drugs are available in other tiers. To learn more, please visit our website at **kp.org/formulary**.

   Non-Formulary Drug Exception Process:
   You, your designee, or your Plan Provider may request access to clinically appropriate drugs not otherwise covered by Health Plan (non-formulary drugs) through a special exception process. We will make a coverage determination within 72 hours of receipt for standard requests and within 24 hours of receipt for expedited requests. As long as you are an active Member and the exception request is granted, Health Plan will provide coverage of the non-formulary drug for the duration of the prescription. If the exception request is denied, you, your designee, or your Plan Provider may request an external review of the decision by an independent review organization. For additional information about the prescription drug exception processes for non-formulary drugs, please contact **Member Services**.

   Prescribed supplies and accessories include, but may not be limited to:
   a. Home glucose monitoring supplies.
   b. Glucose test strips.
   c. Acetone test tablets.
   d. Nitrate urine test strips for pediatric patients.
   e. Disposable syringes for the administration of insulin.

   Such items are provided when obtained at Plan Pharmacies or from sources designated by Health Plan.

   For Copayment or Coinsurance information related to contraceptive drugs and certain devices please refer to your "Schedule of Benefits (Who Pays What)."

   For each drug, the amount covered will be the lesser of the quantity prescribed or the day supply limit. Any amount you receive that exceeds the day supply will not be covered. If you receive more than the day supply limit, you will be charged as a non-Member for any prescribed amount exceeding the limit. Certain drugs have a significant potential for waste and diversion. Those drugs will be provided for up to a 30-day supply. Each prescription refill is provided on the same basis as the original prescription. Kaiser Permanente may, in its sole discretion, establish quantity limits for specific prescription drugs.

   Generic drugs that are available in the United States only from a single manufacturer and that are not listed as generic in the then-current commercially available drug database(s) to which Health Plan subscribes are provided at the brand-name Copayment or Coinsurance. The amount covered will be the lesser of the quantity prescribed or the day supply limit.

   Prescription drugs are covered only when prescribed by a:
   a. Plan Physician and obtained at Plan Pharmacies; or
   b. Physician to whom a Member has been referred by a Plan Physician and obtained at Plan Pharmacies; or
   c. Dentist (when prescribed for acute conditions) and obtained at Plan Pharmacies.

   Covered drugs include:
   a. Drugs for which a prescription is required by law. Plan Pharmacies may substitute a generic equivalent for a brand-name drug unless prohibited by the Plan Physician. If you request a brand-name drug when a generic equivalent drug is the preferred product, you must pay the brand-name Copayment or Coinsurance, plus any difference in price between the

preferred generic equivalent drug prescribed by the Plan Physician and the requested brand-name drug. If the brand-name drug is prescribed due to Medical Necessity, you pay only the brand-name Copayment or Coinsurance.

b. Insulin.

c. Renewal of prescription eye drops and one additional bottle of prescription eye drops in accordance with state law.

d. Compounded medications. **Note:** In all Service Areas, if you use a Kaiser Permanente pharmacy, compounded medications must be picked up or mailed from the pharmacy that is designated by Health Plan. Refills of compounded medications cannot be ordered on **kp.org**, by mail order, or through the automated refill line. Please call **303-764- 4900** (TTY **711**) and press "0" to speak to the pharmacy staff for assistance. In the ***Southern*** and ***Northern Colorado*** Service Areas, you may fill or refill compounded medications at a network pharmacy.

2. Limitations
   a. Some drugs may require prior authorization. You do not need prior authorization for any FDA-approved prescription drug listed on our formulary, for the treatment of substance use disorder.
   b. With the exception of substance use disorder drugs, we may apply Step Therapy to certain drugs. You or your Plan Provider may request an exception if you previously tried a drug and your use of the drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event.
   c. Coverage determinations for the off-label use of medications will be consistent with Medicare compendia, and coverage determinations for the off-label use of oncologic agents will be consistent with the Medicare Improvements for Patients and Providers Act (MIPPA) of 2008.

3. Prescription Drugs, Supplies, and Supplements Exclusions
   a. Drugs for which a prescription is not required by law.
   b. Disposable supplies for home use such as bandages, gauze, tape, antiseptics, dressing and ace-type bandages.
   c. Prescription drugs necessary for Services excluded in the Evidence of Coverage or Membership Agreement.
   d. Non-preferred drugs, except those prescribed and authorized through the non-preferred drug process.
   e. Any drugs listed as not covered in the "Schedule of Benefits (Who Pays What)".
   f. Drugs to shorten the length of the common cold.
   g. Drugs to enhance athletic performance.
   h. Drugs available over the counter and by prescription for the same strength.
   i. Individual drugs determined excluded by our Pharmacy and Therapeutics Committee.
   j. Drugs for the treatment of weight control.
   k. Any prescription drug packaging except the dispensing pharmacy's standard packaging.
   l. Replacement of prescription drugs for any reason. This includes spilled, lost, damaged, or stolen prescriptions.
   m. Drugs administered during a medical office visit.
   n. Medical Foods and Medical Devices.
   o. Unless approved by Health Plan, drugs not approved by the FDA.

This rider amends the Evidence of Coverage or Membership Agreement to provide coverage for Prescription Drugs. All of the terms, conditions, limitations and exclusions of the Evidence of Coverage or Membership Agreement shall also apply to this rider except where specifically changed by this rider.

KAISER PERMANENTE®

Kaiser Foundation Health Plan of Colorado

A Colorado Nonprofit Corporation

2020

LARGE GROUP

GROUP AGREEMENT

GROUP AGREEMENT

INTRODUCTION

This Group Agreement (*"Agreement"*), including the Rate Sheet(s), the Evidence of Coverage *("EOC")* brochure(s) and the Group Application form, all of which are incorporated into this *Agreement* by reference, and any amendments to any of them, constitute the entire contract between the group named on the Rate Sheet ("Group") and Kaiser Foundation Health Plan of Colorado ("Health Plan"). In this *Agreement*, some capitalized terms have special meaning; please see the "Definitions" section in the *Evidence of Coverage* document for terms you should know. Pursuant to this *Agreement,* Health Plan will provide covered Services to Members in accordance with the *Evidence of Coverage.*

TERM OF *AGREEMENT* and RENEWAL

Term of Agreement

This *Agreement* is effective for the term shown on the Rate Sheet, unless terminated as set forth in the "Termination of Agreement" section.

Renewal

This *Agreement* does not automatically renew. If Group complies with all of the terms of this *Agreement*, Health Plan will offer to renew this *Agreement* either by sending Group a new Group Agreement to become effective immediately after termination of this *Agreement*, or by extending the term of this *Agreement* pursuant to "Amendments Effective on an Anniversary Date" in the "Amendment of *Agreement*" section. The new or extended Agreement will include a new term of Agreement and other changes. If Group does not renew this *Agreement*, Group must give Health Plan written notice as described under "Termination on Notice" or "Termination Due to Non-Acceptance of Amendments" in the "Termination of *Agreement*" section.

AMENDMENT OF *AGREEMENT*

Amendments Effective on an Anniversary Date

Upon 60 days' prior written notice to Group with respect to benefit or contract changes, or upon 30 days' prior written notice to Group with respect to rate changes, or as otherwise agreed to by Health Plan and Group, Health Plan may extend the term of this *Agreement* and make other changes by amending this *Agreement* effective on any year's Anniversary Date (the Anniversary Date is shown on the Rate Sheet)..

Amendments Related to Government Approval

If Health Plan notified Group that Health Plan had not received all necessary government approvals related to this *Agreement*, Health Plan may amend this *Agreement* by giving written notice to Group after receiving all necessary government approvals. Any such government-approved provisions go into effect on the Anniversary Date that next followed Health Plan's original notice to Group of the provisions for which it had sought government approval (unless the government requires a later effective date).

Amendment Due to Tax or Other Charges

If a government agency or other taxing authority imposes or increases a tax or other charge (other than a tax on or measured by net income) upon Health Plan or Plan Providers (or any of their activities), then beginning on the effective date of that tax or charge, Health Plan may increase

Group's Premiums to include Group's share of the new or increased tax or charge. Group's share will be determined by dividing the number of Members enrolled through Group by the total number of members enrolled in the Health Plan.

Amendment Due to Medicare Changes

Health Plan contracts on a calendar-year basis with the Centers for Medicare & Medicaid Services (CMS) to offer Kaiser Permanente Senior Advantage. Health Plan may amend this Agreement to change any Senior Advantage EOCs and Premiums effective January 1, 2020 (unless the federal government requires or allows a different effective date). The amendment may include an increase or decrease in Premiums and benefits including Member Cost Sharing and the Medicare Part D initial and catastrophic coverage levels. Health Plan will give Group written notice of any such amendment.

Other Amendments

Health Plan may amend this *Agreement* at any time by giving written notice to Group, in order to (a) address any law or regulatory requirement, which may include increasing Premiums to reflect an increase in costs to Health Plan or Plan Providers, or (b) reduce or expand the Health Plan Service Area, or (c) increase any benefits of any Medicare product approved by the Centers for Medicare and Medicaid Services (CMS), if applicable to this *Agreement*.

Group Acceptance of Amendments

All amendments are deemed accepted by Group unless Group gives Health Plan written notice of non-acceptance at least 30 days before the effective date of the amendment to the benefits or contract language, or at least 15 days before the effective date of the amendment to rates, in which case this *Agreement* will terminate pursuant to "Termination Due to Non-Acceptance of Amendments" in the "Termination of *Agreement*" section.

TERMINATION OF *AGREEMENT*

This *Agreement* will terminate under any of the conditions listed below. All rights to benefits under this *Agreement* end on 11:59 p.m. on the termination date, except as expressly provided in the *Evidence of Coverage.*

Health Plan will give Group written notice if this *Agreement* terminates. Within five business days of receipt, Group will mail to each Subscriber a legible copy of the notice and will give Health Plan proof of that mailing and of the date thereof.

Termination on Notice

If Group has Kaiser Permanente Senior Advantage Members

If Group has Kaiser Permanente Senior Advantage Members enrolled under this *Agreement* at the time Health Plan receives written notice from Group that it is terminating this *Agreement*, Group may terminate this *Agreement* effective the anniversary date, if the anniversary date is the first of the month or the first of the month following the anniversary date if the anniversary date is not the first of the month, by giving at least 30 days' prior written notice to Health Plan and remitting all amounts payable relating to this *Agreement*, including Premiums, for the period prior to the termination date.

If Group does not have Kaiser Permanente Senior Advantage Members

If Group does not have Kaiser Permanente Senior Advantage Members enrolled under this *Agreement* at the time Health Plan receives written notice from Group that it is terminating this *Agreement*, Group may terminate this *Agreement* effective the anniversary date, if the anniversary

date is the first of the month or the first of the month following the anniversary date if the anniversary date is not the first of the month, by giving at least 60 days' prior written notice to Health Plan and remitting all amounts payable relating to this *Agreement*, including Premiums, for the period prior to the termination date.

Termination Due to Non-Acceptance of Amendments

All amendments are deemed accepted by Group unless Health Plan receives Group's written notice of non-acceptance at least 30 days before the effective date of the amendment, in which case this *Agreement* will terminate on the following date, as applicable:

- In the case of amendments described in the "Amendment of *Agreement*" section under "Amendments Related to Government Approval" and "Amendments Due to Medicare Changes," and amendments described under "Other Amendments" that do not require 60 days notice by Health Plan, if Group has Kaiser Permanente Senior Advantage Members enrolled under this *Agreement* at the time Health Plan receives written notice of non-acceptance, the termination date will be first of the month following 30 days after Health Plan receives notice of non-acceptance.
- In all other cases, the termination date will be the day before the effective date of the amendment.

Termination for Nonpayment

When Group fails to pay Premiums on or before the Due Date, Group shall have a period of at least thirty-one (31) days to pay all Premiums owed ("Grace Period"). The Grace Period shall begin the day after the Due Date and shall apply to all payments except the first payment. This *Agreement* will remain in full force and effect throughout the Grace Period and Group will remain responsible for payment of Premiums during the Grace Period (and any additional period prior to termination, if that occurs). If Health Plan receives full of payment of Premiums on or before the last day of the Grace Period, this *Agreement* will remain in effect according to its term and conditions.

If Group fails to pay all Premiums owed (including those owed for the Grace Period), then Health Plan may, at its option and in lieu of any other remedy, terminate this *Agreement* without further extension or consideration. Health Plan will notify Group of the past-due amount and the effective date of termination. Such notice shall be sent at least thirty (30) days prior to the effective date of termination. If Premiums are paid after the Grace Period ends, Health Plan may charge interest on the overdue Premiums. Interest shall not accrue during the Grace Period, and the (simple) interest rate shall be six (6) percent per year or the maximum amount permitted by applicable law, whichever is less.

If Group has Kaiser Permanente Senior Advantage Members enrolled under this *Agreement* at the time Health Plan gives written notice to Group, Health Plan may terminate this *Agreement* effective on one date with respect to Members other than Senior Advantage Members and effective on a later date with respect to Senior Advantage Members in order to comply with CMS termination notice requirements.

Termination for Fraud or for Intentionally Furnishing Incorrect or Incomplete Information

If Group commits fraud or intentionally furnishes incorrect or incomplete material information to Health Plan, Health Plan may terminate this *Agreement* by giving advance notice to Group, and Group is liable for all unpaid Premiums up to the termination date.

If Group has Kaiser Permanente Senior Advantage Members enrolled under this *Agreement* at the time Health Plan gives written notice to Group, Health Plan may terminate this *Agreement* effective on one date with respect to Members other than Senior Advantage Members and effective on a later date with respect to Senior Advantage Members, in order to comply with CMS termination notice requirements.

Termination for Violation of Contribution or Participation Requirements

If Group fails to comply with Health Plan's contribution or participation requirements, (including those discussed in the "Contribution and Participation Requirements" section), Health Plan may terminate this *Agreement* by giving advance written notice to Group, and Group is liable for all unpaid Premiums up to the termination date.

If Group has Kaiser Permanente Senior Advantage Members enrolled under this *Agreement* at the time Health Plan gives written notice to Group, Health Plan may terminate this *Agreement* effective on one date with respect to Members other than Senior Advantage Members and effective on a later date with respect to Senior Advantage Members, in order to comply with CMS termination notice requirements.

Termination for Movement Outside the Service Area

Health Plan may terminate this *Agreement* upon 30 days' prior written notice to Group if no eligible person lives, resides, or works in Health Plan's Service Area as described in the *Evidence of Coverage.*

Termination for Discontinuance of a Product or all Products within a Market

Health Plan may terminate a particular product or all products offered in the group market as permitted by law. If Health Plan discontinues offering a particular product in the group market, Health Plan may terminate this *Agreement* with respect to that product upon 90 days' prior written notice to Group. Health Plan will offer Group another product that it makes available in the group market. If Health Plan discontinues offering all products in the group market, Health Plan may terminate this *Agreement* upon 180 days' written notice to Group and Health Plan will not offer any other product to Group. A "product" is a combination of benefits and services that is defined by a distinct evidence of coverage.

Premiums

Group will pay to Health Plan, for each Member, the amount(s) specified on the Rate Sheet for each month on or before the date on the monthly invoice or, if Group is self-pay, then the date indicated on the Rate Sheet to which Health Plan and Group agree in writing, but in no event later than the last day of the month preceding the month of coverage (the "Due Date"). Only Members for whom Health Plan has received the appropriate Premiums payment listed on the Rate Sheet are entitled to coverage under this *Agreement*, and then only for the period for which Health Plan has received appropriate payment.

When this *Agreement* terminates, if Group does not have another agreement with Health Plan, then the due date for all Premiums amounts will be the earlier of: (1) the last Due Date, or (2) the termination date of this *Agreement*. If group does not prepay Full Premiums by the last day of the month preceding the coverage month, the Premiums may include an additional administrative charge upon renewal. "Full Premiums" means 100 percent of monthly Premiums for each enrolled Member, as set forth in this "Premiums" section.

Premium Rebates

If state or federal law requires Health Plan to rebate Premiums from this or any earlier contract year and Health Plan rebates Premiums to Group, Group represents that Group will use that rebate for the benefit of Members, in a manner consistent with the requirements of the Public Health Service Act, the Affordable Care Act, and the obligations of a fiduciary under the Employee Retirement Income Security Act (ERISA).

New Members

Premiums are payable for the entire month for new Members unless otherwise agreed to by Health Plan.

Membership Termination

Pursuant to C.R.S. 10-16-103.5, Premiums are payable for each Member:

- Through the date that Health Plan receives written notice from Group that a Member is no longer eligible or covered;
- Through the date that Health Plan receives written notice from Group that it no longer intends to maintain coverage for its Members through Health Plan; or
- Through the date that the Member covered under the policy is no longer eligible or covered if the policyholder notifies the Health Plan within ten (10) business days after the date that the Member is no longer eligible or covered because the Member left employment without notice to the Group or the Member is an employee whose employment was terminated for gross misconduct.

Involuntary Kaiser Permanente Senior Advantage Membership Terminations

Group must give Health Plan 30 days' prior written notice of Senior Advantage involuntary membership terminations. An involuntary membership termination is a termination that is not in response to a disenrollment notice issued by CMS to Health Plan or received by Health Plan directly from a Member (these events are usually in response to a Member's request for disenrollment to CMS because the Member has enrolled in another Medicare health plan or want Original Medicare coverage or has lost Medicare eligibility). The membership termination date is the first of the month following 30 days after the date when Health Plan receives a Senior Advantage membership termination notice unless Group specifies a later termination date. For example, if health Plan receives a termination notice on March 5, for a Senior Advantage Member, the earliest termination date is May 1 and Group is required to pay applicable Premiums for the months of March and April.

Voluntary Kaiser Permanente Senior Advantage Membership Termination

If Health Plan receives a disenrollment notice from CMS or a membership termination request from the Member, the membership termination date will be in accordance with CMS requirements.

SUBSCRIBER CONTRIBUTIONS FOR MEDICARE PART C AND PART D COVERAGE

Medicare Part C Coverage

This "Subscriber Contributions for Medicare Part C Coverage" section applies to Group's Kaiser Permanente Senior Advantage coverage. Group's Senior Advantage Premiums include the Medicare Part C premium for coverage of items and services covered under Parts A and B of Medicare, and supplemental benefits. Group may determine how much it will require Subscribers to contribute

toward the Medicare Part C premium for each Senior Advantage Member in the Subscriber's Family, subject to the following restrictions:

- If Group requires different contribution amounts for different classes of Senior Advantage Members for the Medicare Part C premium, then Group agrees to the following:
  - any such differences in classes of Members are reasonable and based on objective business criteria, such as years of service, business location, and job category
  - Group will not require different Subscriber contributions toward the Medicare Part C premium for Members within the same class
- Group will not require Subscribers to pay a contribution for Medicare Part C coverage for a Senior Advantage Member that exceeds the Medicare Part C Premium for items and services covered under Parts A and B of Medicare, and supplemental benefits. Health Plan will pass through monthly payments received from CMS (the monthly payments described in 42 C.F.R. 422.304(a)) to reduce the amount the Member contributes toward the Medicare Part C premium.

Medicare Part D Coverage

This "Subscriber Contributions for Medicare Part D Coverage" section, applies only to Group's Kaiser Permanente Senior Advantage coverage that includes Medicare Part D coverage. Group's Senior Advantage Premiums include the Medicare Part D premium. Group may determine how much it will require Subscribers to contribute toward the Medicare Part D premium for each Senior Advantage Member in the Subscriber's Family Unit, subject to the following restrictions:

- If Group requires different contribution amounts for different classes of Senior Advantage Members for the Medicare Part D premium, then Group agrees to the following:
  - any such differences in classes of Members are reasonable and based on objective business criteria, such as years of service, business location, and job category, and are not based on eligibility for the Part D Low Income Subsidy (a subsidy described in 42 C.F.R. Section 423 Subpart P, which is offered by the Medicare program to certain low-income Medicare beneficiaries enrolled in Medicare Part D, and which reduces the Medicare beneficiaries' Medicare Part D premiums or Medicare Part D cost-sharing amounts)
  - Group will not require different Subscriber contributions toward the Medicare Part D premium for Members within the same class.
- Group will not require Subscribers to pay a contribution for prescription drug coverage for a Senior Advantage Member who exceeds the Premiums for prescription drug coverage (including the Medicare Part D premium). The Group will pass through direct subsidy payments received from CMS to reduce the amount the Member contributes toward the Medicare Part D premiums.
- Health Plan will credit Group with any Low Income Subsidy amounts that Health Plan receives from CMS for Group's Members and Health Plan will identify those Members for Group as required by CMS. For those Members, Group will first credit the Low Income Subsidy amount toward the Subscriber's contribution for that Member's Senior Advantage premium for the same month, and will then apply any remaining portion of the Member's Low Income Subsidy toward the portion of the Senior Advantage premium that Group pays on behalf of that Member for that month. If Group is unable to reduce the Subscriber's contribution before the Subscriber makes the contribution, Group shall, consistent with CMS guidance, refund the Low Income Subsidy amount to the Subscriber (up to the amount of the Subscriber Premium contribution for

the Member for that month) within 45 days after the date Health Plan receives the Low Income Subsidy amount from CMS. Health Plan reserves the right to periodically require Group to certify that Group is either reducing Subscribers' monthly Premium contributions or refunding the Low Income Subsidy amounts to Subscribers in accordance with CMS guidance.

- For any Members who are eligible for the Low Income Subsidy, if the amount of that Low Income Subsidy is less than the Member's contribution for the Medicare Part D premium, then Group should inform the Member of the financial consequences of the Member's enrolling in the Member's current coverage, as compared to enrolling in another Medicare Part D plan with a monthly premium equal to or less than the Low Income Subsidy amount.

Late Enrollment Penalty

If any Members are subject to the Medicare Part D late enrollment penalty, Premiums for those Members will increase to include the amount of that penalty.

CONTRIBUTION AND PARTICIPATION REQUIREMENTS

No change in Group's contribution or participation requirements is effective for purposes of this *Agreement* unless Health Plan consents in writing. In addition, Group must:

- Contribute to all health care plans available through Group on a basis that does not financially discriminate against Health Plan or against people who choose to enroll in Health Plan. In no case will Group's contribution be less than one-half the rate required for a single Subscriber for the plan in which the Subscriber is enrolled.
- Ensure that:
  - All eligible employees enrolled in Health Plan work at least 20 hours per week.
  - All eligible employees enrolled in Health Plan are covered by Workers' Compensation, unless not required by law to be covered.
  - No less than the percentage of eligible employees, as set forth in the Underwriting Assumptions and Requirements document, are covered by one of the company-sponsored health plans.
  - All Health Plan Subscribers live inside Health Plan's Service Area.
  - The number of active, eligible employee Subscribers enrolled under this Agreement does not fall below 10 and the ratio between the number of Subscribers and the total number of people who are eligible to enroll as Subscribers will not drop by 20 percent or more. For the purpose of computing this percentage requirement, Group may include subscribers and those eligible to enroll as subscribers under all other agreements between Group and Health Plan and all other Kaiser Foundation Health Plans and Group Health Cooperative.
  - There is a bona fide employer/employee relationship to those offered our plan, except eligible Taft-Hartley trusts and partnerships.
- Hold an annual open enrollment period during which all eligible people may enroll in Health Plan or in any other health care plan available through Group.
- Meet all applicable legal and contractual requirements, such as:
  - Group must adhere to all requirements set forth in the applicable *Evidence of Coverage*.

- Group must determine its Member eligibility requirements and obtain Health Plan's prior written approval of any Group eligibility or participation or contribution requirements that are not stated in the applicable *Evidence of Coverage*.
- Group must use Member enrollment application forms that are provided or approved by Health Plan.
- Comply with Centers for Medicare & Medicaid Services (CMS) requirements governing enrollment in, and disenrollment from, Kaiser Permanente Senior Advantage (KPSA).

- Meet all Health Plan requirements set forth in the "Underwriting Assumptions and Requirements" document.
- Offer enrollment in Health Plan to all eligible people on conditions no less favorable than those for any other health care plan available through Group.
- Permit Health Plan to examine Group's records with respect to contribution and participation requirements, eligibility, and payments under this *Agreement*.

Self-Verification of Member Eligibility

Group agrees to assume responsibility for self-verifying the eligibility of its enrolled Members. Such self-verification includes obtaining and verifying the accuracy of any and all supporting documentation received from Groups employees and eligible Dependents. In addition, Group will provide eligibility data to Health Plan that includes coverage effective dates for Group's employees and eligible Dependents to prove that eligibility complies with all applicable federal and state laws and regulations. Upon request, Group will make all verification data and documentation available to Health Plan. Health Plan reserves the right to inspect the verification data and documentation for any reason, at any time during the term of the *Agreement* and up to five (5) years thereafter.

Group further agrees to provide Health Plan with timely notification of enrollment and cancellation of enrolled Dependents, as specified in the "Eligibility and Enrollment" and "Termination of Membership" sections of the *Evidence of Coverage*.

MISCELLANEOUS PROVISIONS

Acceptance of *Agreement*

Group acknowledges acceptance of this *Agreement* by signing and returning the signature page of this document to Health Plan. If Group does not return the executed signature page to Health Plan, Group will be deemed as having accepted this *Agreement* if Group pays Health Plan any amount toward Premiums.

Note: Group may not change this *Agreement* by adding or deleting words, and any such addition or deletion is void. If Group wishes to change anything in this *Agreement*, Group must contact its Health Plan account manager. Health Plan will issue a new agreement or amendment if Health Plan and Group agree on any changes.

Assignment

Health Plan may assign this *Agreement*. Group may not assign this *Agreement* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without Health Plan's prior written consent. This *Agreement* shall be binding on the successors and permitted assignees of Health Plan and Group.

Attorney Fees and Costs
If Health Plan or Group institutes legal action against the other to collect any sums owed under this *Agreement*, the party that substantially prevails will be reimbursed for its reasonable litigation expenses, including attorneys' fees, by the other party.

Commissions
Group's broker may be paid commissions or other incentives by Health Plan.

Delegation of Claims Review Authority
Group delegates to Health Plan the discretion to determine whether a Member is entitled to benefits under this *Agreement*. In making these determinations, Health Plan has authority to review claims in accordance with the procedures contained in this *Agreement* and to construe this *Agreement* to determine whether the Member is entitled to benefits. For health benefit plans that are subject to the Employee Retirement Income Security Act (ERISA), Health Plan is a "named claims fiduciary" with respect to review of claims under this *Agreement*.

Governing Law
Except as preempted by federal law, this *Agreement* will be governed in accordance with the laws of the State of Colorado. Any provision required to be in this *Agreement* by state or federal law shall bind Group and Health Plan whether or not set forth herein.

Grandfathered Health Plan Coverage
For any coverage identified in an EOC as a "grandfathered health plan" under the Patient Protection and Affordable Care Act (a/k/a the ACA), Group must immediately inform Health Plan if this coverage does not meet (or no longer meets) the requirements for grandfathered status including but not limited to any change in its contribution rate to the cost of any grandfathered health plan(s) during the plan year. Group represents that, for any coverage identified as a "grandfathered health plan" in the applicable EOC, Group has not decreased its contribution rate more than five percent (5%) for any rate tier for such grandfathered health plan when compared to the contribution rate in effect on March 23, 2010 for the same plan. Health Plan will rely on Group's representation in issuing and/or continuing any and all grandfathered health plan coverage.

Member Information
Group will inform Subscribers of eligibility requirements for Members and when coverage becomes effective and terminates.

When Health Plan notifies Group about changes to this *Agreement* or provides Group other information that affects Members, Group will disseminate the information to Subscribers by the next regular communication to them, but in no event later than 30 days after Group receives the information.

Group will provide electronic or paper summaries of benefits and coverage (SBCs) to participants and beneficiaries to the extent required by law, except that Health Plan will provide SBCs to Members who make a request to Health Plan.

No Waiver

Health Plan's failure to enforce any provision of this *Agreement* will not constitute a waiver of that or any other provision, or impair Health Plan's right thereafter to require Group's strict performance of any provision.

Notices

Notices must be delivered in writing to the address listed below, except that

- Health Plan and Group may each change its notice address by giving written notice to the other
- Health Plan may send notices and all other documents to Group's broker instead of sending them directly to Group if Health Plan has a Broker of Record statement from Group
- Health Plan may send notices and all other documents to Group's consultant instead of sending them directly to Group if Group has given Health Plan written notice that Group is represented by a consultant

Notices are deemed given when delivered in person or deposited in a U.S. Postal Service receptacle for the collection of U.S. mail.

Notices from Health Plan to Group:

To the most current address on record with Health Plan.

Notices from Group to Health Plan:

Kaiser Foundation Health Plan of Colorado
2500 South Havana Street
Aurora, Colorado 80014-1622

Representation Regarding Waiting Periods

By entering into this Agreement, Group hereby represents that Group does not impose a waiting period exceeding 90 days on employees who meet Group's eligibility requirements. For purposes of this requirement, a "waiting period" is the period that must pass before coverage for an individual who is otherwise eligible to enroll under the terms of a group health plan can become effective, in accordance with the waiting period requirements in the Patient Protection and Affordable Care Act and regulations.

In addition, Group represents that eligibility data provided by the Group to Health Plan will include coverage effective dates for Group's employees that correctly account for eligibility in compliance with the waiting period requirements in the Patient Protection and Affordable Care Act and regulations.

Social Security and Tax Identification Numbers

Within 30-60 days after Health Plan sends Group a written request, Group will send Health Plan a list of all Members covered under this Group Agreement, along with the following:

- The Member's Social Security number
- The tax identification number of the employer of the Subscriber in the Member's Family Unit

- Any other information that Health Plan is required by law to collect

Time Limit on Reporting Membership Changes
Group must report membership changes (including sending appropriate membership forms) within the time limit for retroactive changes and in accordance with any applicable "rescission" provisions of the Patient Protection and Affordable Care Act and regulations. The time limit for retroactive membership **additions** is the calendar month when Health Plan receives Group's notification of the change plus the previous two months, unless Health Plan agrees otherwise in writing.

Involuntary Kaiser Permanente Senior Advantage Membership Termination
Group must give Health Plan 30 days prior written notice of Senior Advantage Medicare Plus involuntary membership terminations. An involuntary membership termination that is not in response to a disenrollment notice issued by CMS to Health Plan or received by Health Plan directly from a Member (these events are usually in response to a Member's request for disenrollment to CMS because the Member has enrolled in another Medicare health plan or wants Original Medicare coverage or has lost Medicare eligibility). The membership termination date is the first of the month following 30 days after the date when Health Plan receives a Senior Advantage Medicare Plus membership termination notice unless Group specifies a later termination date. For example, if Health Plan receives a termination notice on March 5 for a Senior Advantage Medicare Plus Member, the earliest termination date is May 1 and Group is required to pay applicable Premiums for the months of March and April.

Voluntary Kaiser Permanente Senior Advantage Membership Termination
If Health Plan receives a disenrollment notice from CMS or membership termination request from the Member, the membership termination date will be in accordance with CMS requirements.

The administration of COBRA and State Continuation of Coverage participants will be in accordance with applicable Federal and State laws.

The parties have caused this *Agreement* to be executed by their duly authorized officers.

Evidence of Coverage

Your Medicare Health Benefits and Services and Prescription Drug Coverage as a Member of Kaiser Permanente Senior Advantage Group Plan (HMO)

This booklet gives you the details about your Medicare health care and prescription drug coverage during your group's 2020 contract year. It explains how to get coverage for the health care services and prescription drugs you need. This is an important legal document. Please keep it in a safe place.

This plan, Kaiser Permanente Senior Advantage, is offered by Kaiser Foundation Health Plan of Colorado (Health Plan). When this Evidence of Coverage says "we," "us," or "our," it means Health Plan. When it says "plan" or "our plan," it means Kaiser Permanente Senior Advantage (Senior Advantage).

This document is available for free in Spanish. Please contact our Member Services number at **1-800-476-2167** for additional information. (TTY users should call **711.**) Hours are 8 a.m. to 8 p.m., 7 days a week.

Este documento está disponible de forma gratuita en español. Si desea información adicional, por favor llame al número de nuestro Servicio a los Miembros al **1-800-476-2167**. (Los usuarios de la línea TTY deben llamar al **711**). El horario es de 8 a. m. a 8 p. m., siete días a la semana.

This document is available in Braille, large print, or CD if you need it by calling Member Services (phone numbers are printed on the back cover of this booklet).

Benefits, premium, deductible, and/or copayments/coinsurance may change on January 1, 2021, and at other times in accordance with your group's agreement with us. The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

COUNTY OF ADAMS RETIREES
385 - 002

Services that are covered for you	What you must pay when you get these covered services
Annual Deductible	No Medical Deductible
Annual out-of-pocket maximum	$2,500/Individual per year
Abdominal aortic aneurysm screening A one-time screening ultrasound for people at risk. Our plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.	There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.
Alternative therapies *	
Acupuncture	Not Covered
Ambulance services • Covered ambulance services include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by our plan. • We also cover the services of a licensed ambulance anywhere in the world without prior authorization (including transportation through the 911 emergency response system where available) if you reasonably believe that you have an emergency medical condition and you reasonably believe that your condition requires the clinical support of ambulance transport services. • You may need to file a claim for reimbursement unless the provider agrees to bill us (see Chapter 7). • †Non-emergency transportation by ambulance is appropriate if it is documented that the member's condition is such that other means of transportation could endanger the person's health and that transportation by ambulance is medically required.	$195 Copayment per trip

Services that are covered for you	What you must pay when you get these covered services
Annual routine physical exams Routine physical exams are covered if the exam is medically appropriate preventive care in accord with generally accepted professional standards of practice. This exam is covered once every 12 months.	There is no coinsurance, copayment, or deductible for this preventive care. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Annual wellness visit If you've had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. This is covered once every 12 months. **Note**: Your first annual wellness visit can't take place within 12 months of your "Welcome to Medicare" preventive visit. However, you don't need to have had a "Welcome to Medicare" visit to be covered for annual wellness visits after you've had Part B for 12 months.	There is no coinsurance, copayment, or deductible for the annual wellness visit. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Bone-mass measurement For qualified individuals (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician's interpretation of the results.	There is no coinsurance, copayment, or deductible for Medicare-covered bone mass measurement. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Breast cancer screening (mammograms) Covered services include: • One baseline mammogram between the ages of 35 and 39. • One screening mammogram every 12 months for women age 40 and older. • Clinical breast exams once every 24 months.	There is no coinsurance, copayment, or deductible for covered screening mammograms. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.

Services that are covered for you	What you must pay when you get these covered services
Cardiac rehabilitation services† Comprehensive programs for cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's order. Our plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs.	
Individual therapy visits.	$15 Copayment each visit or $25 Copayment each visit Copayment dependent upon provider type
Group therapy visits.	Your primary care office visit copayment or $10, whichever is less.
Cardiovascular disease risk reduction visit (therapy for cardiovascular disease) We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating healthy.	There is no coinsurance, copayment, or deductible for the intensive behavioral therapy cardiovascular disease preventive benefit. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Cardiovascular disease testing Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every five years (60 months).	There is no coinsurance, copayment, or deductible for this cardiovascular disease testing that is covered once every five years. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Cervical and vaginal cancer screening Covered services include: • For all women: Pap tests and pelvic exams are covered once every 24 months. • If you are at high risk of cervical or vaginal cancer or you are of childbearing age and have had an abnormal Pap test within the past three years: one Pap test every 12 months.	There is no coinsurance, copayment, or deductible for Medicare-covered preventive Pap and pelvic exams. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.

Services that are covered for you	What you must pay when you get these covered services
Chiropractic services Covered services include: We cover only manual manipulation of the spine to correct subluxation. These Medicare-covered services are provided by a participating chiropractor. Please refer to your **Provider Directory** for participating chiropractors providing the Medicare-covered services.	Your primary care office visit copayment or $20 whichever is less. Referral required.
If purchased by your group, supplemental chiropractic services.	$15 Copayment each visit Limited to 20 visits per Accumulation Period See Additional Provisions
Laboratory Services or X-rays required for Chiropractic care	See Outpatient diagnostic tests and therapeutic services and supplies
Colorectal cancer screening • For people 50 and older, the following are covered: ♦ Flexible sigmoidoscopy (or screening barium enema as an alternative) every 48 months. • One of the following every 12 months: ♦ Guaiac-based fecal occult blood test (gFOBT). ♦ Fecal immunochemical test (FIT). • DNA-based colorectal screening every 3 years. • For people at high risk of colorectal cancer, we cover a screening colonoscopy (or screening barium enema as an alternative) every 24 months. • For people not at high risk of colorectal cancer, we cover a screening colonoscopy every 10 years (120 months), but not within 48 months of a screening sigmoidoscopy.	There is no coinsurance, copayment, or deductible for a Medicare-covered colorectal cancer screening exam. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Dental services (from designated providers)*	Please see the Additional Provisions in the back of this booklet to see if your group has purchased coverage for dental services.
Depression screening We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment and/or referrals.	There is no coinsurance, copayment, or deductible for an annual depression screening visit. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.

Services that are covered for you	What you must pay when you get these covered services
Diabetes screening We cover this screening (includes fasting glucose tests) if you have any of the following risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes. Based on the results of these tests, you may be eligible for up to two diabetes screenings every 12 months.	There is no coinsurance, copayment, or deductible for the Medicare-covered diabetes screening tests. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Diabetes self-management, training and diabetic services and supplies For all people who have diabetes (insulin and non-insulin users), covered services include: • Supplies to monitor your blood glucose: Blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors.	No charge
• For people with diabetes who have severe diabetic foot disease: One pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and two additional pairs of inserts, or one pair of depth shoes and three pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting.	20% Coinsurance
• Diabetes self-management training is covered under certain conditions. **Note:** You may choose to receive diabetes self-management training from a program outside our plan that is recognized by the American Diabetes Association and approved by Medicare.†	$15 Copayment each visit or $25 Copayment each visit copayment dependent upon provider
Durable medical equipment (DME) and related supplies† (For a definition of "durable medical equipment," see Chapter 12 of this booklet.) Covered items include, but are not limited to: wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers. We cover all medically necessary DME covered by Original Medicare. If our supplier in your area does not carry a particular brand or manufacturer, you may ask them if they	20% Coinsurance See Additional Provisions 20% Coinsurance

Services that are covered for you	What you must pay when you get these covered services
can special order it for you. The most recent list of suppliers is available on our website at **kp.org/directory**.	
Emergency care	
Emergency care refers to services that are: • Furnished by a provider qualified to furnish emergency services, and • Needed to evaluate or stabilize an emergency medical condition. A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse. Cost-sharing for necessary emergency services furnished out-of-network is the same as for such services furnished in-network. **You have worldwide emergency care coverage.**	$65 Copayment each visit Includes X-ray special procedures. This copayment does not apply if you are immediately admitted directly to the hospital as an inpatient (it does apply if you are admitted to the hospital as an outpatient; for example, if you are admitted for observation). †If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must return to a network hospital in order for your care to continue to be covered or you must have your inpatient care at the out-of-network hospital authorized by our plan and your cost is the cost-sharing you would pay at a network hospital.

Services that are covered for you	What you must pay when you get these covered services
Fitness benefit* A health and fitness benefit is provided through SilverSneakers® Fitness Program that includes the following: • A basic fitness membership with access to all participating fitness locations and their basic amenities. • SilverSneakers® group fitness classes, taught by certified instructors that focus on cardiovascular health, muscle strengthening, flexibility, agility, balance, and coordination. • Health education events and social activities focused on overall well-being. • Access to **www.silversneakers.com/member**, a secure online community for members only, with wellness advice and fitness support information. • You can enroll in SilverSneakers® Steps, a self-directed fitness program for members that includes one home kit to help you get fit at home or on the go. The following are not covered: programs, services, and facilities that carry additional charges, such as racquetball, tennis, and some court sports, massage therapy, lessons related to recreational sports, tournaments, and similar fee-based activities. For more information about SilverSneakers® and the list of participating fitness locations in your area, call toll-free **1-888-423-4632** (TTY **711**), Monday through Friday, 8 a.m. to 8 p.m. (EST) or visit **www.silversneakers.com**. Also, you can simply go to a participating fitness location and show your Senior Advantage membership card to enroll in the program. SilverSneakers is a registered trademark of Tivity Health, Inc.	No charge
Health and wellness education programs Health and wellness programs include weight management, quitting tobacco, diabetes management, life care planning, prediabetes, and more. Registered dietitians, health coaches, certified diabetes educators, and other health professionals facilitate our classes. We offer in-person, online, and phone options to fit your learning style. Contact Member Services for more details. You can also view information online at **kp.org**.	No charge
Hearing services	
Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment	$15 Copayment each visit

Services that are covered for you	What you must pay when you get these covered services
are covered as outpatient care when furnished by a physician, audiologist, or other qualified provider.	
Hearing aids.	Not Covered
Fitting & Recheck visits	$15 Copayment each visit
HIV screening For people who ask for an HIV screening test or who are at increased risk for HIV infection, we cover one screening exam every 12 months. For women who are pregnant, we cover up to three screening exams during a pregnancy.	There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered preventive HIV screening.
Home health agency care† Prior to receiving home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort. Covered services include but are not limited to: • Part-time or intermittent skilled nursing and home health aide services. To be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week. • Physical therapy, occupational therapy, and speech therapy. • Medical and social services. • Medical equipment and supplies.	No charge Note: There is no cost-sharing for home health care services and items provided in accord with Medicare guidelines. However, the applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply if the item is covered under a different benefit; for example, durable medical equipment not provided by a home health agency.
Home infusion therapy† We cover home infusion supplies and drugs if all of the following are true: • Your prescription drug is on our Medicare Part D formulary (or you have a formulary exception). • We approved your prescription drug for home infusion therapy. • Your prescription is written by a network provider and filled at a network home-infusion pharmacy.	No charge

Services that are covered for you	What you must pay when you get these covered services
Hospice care You may receive care from any Medicare-certified hospice program. You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have six months or less to live if your illness runs its normal course. Your hospice doctor can be a network provider or an out-of-network provider. Covered services include: • Drugs for symptom control and pain relief. • Short-term respite care. • Home care. ***For hospice services and services that are covered by Medicare Part A or B and are related to your terminal prognosis:** Original Medicare (rather than our plan) will pay for your hospice services and any Part A and Part B services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for. **For services that are covered by Medicare Part A or B and are not related to your terminal prognosis:** If you need nonemergency, non–urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network: • If you obtain the covered services from a network provider, you only pay the plan cost-sharing amount for in-network services. • *If you obtain the covered services from an out-of-network provider, you pay the cost-sharing under Fee-for-Service Medicare (Original Medicare). **For services that are covered by our plan but are not covered by Medicare Part A or B:** We will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost-sharing amount for these services. **For drugs that may be covered by our plan's Part D benefit:** Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5, Section 9.4, "What if you're in Medicare-certified hospice." **Note:** If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services.	When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, **not** our plan.

Services that are covered for you	What you must pay when you get these covered services
Hospice care for members without Part A For members without Part A, the hospice benefit described earlier in this section does not apply to members who are not enrolled in Medicare Part A. Our plan, rather than Original Medicare, covers hospice care for members who are not enrolled in Medicare Part A. Members must receive hospice services from network providers.	No charge
Immunizations Covered Medicare Part B services include: • Pneumonia vaccine. • Flu shots, once each flu season in the fall and winter, with additional flu shots if medically necessary. • Hepatitis B vaccine if you are at high or intermediate risk of getting Hepatitis B. • Other vaccines if you are at risk and they meet Medicare Part B coverage rules. We also cover some vaccines under our Part D prescription drug benefit.	There is no coinsurance, copayment, or deductible for the pneumonia, influenza, and Hepatitis B vaccines.
Inpatient hospital care†	
Includes inpatient acute, inpatient rehabilitation, long-term care hospitals, and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor's order. The day before you are discharged is your last inpatient day. There is no limit to the number of medically necessary hospital days or services that are generally and customarily provided by acute care general hospitals. Covered services include, but are not limited to: • Semiprivate room (or a private room if medically necessary). • Meals including special diets. • Regular nursing services. • Costs of special care units (such as intensive care or coronary care units). • Drugs and medications. • Lab tests. • X-rays and other radiology services. • Necessary surgical and medical supplies. • Use of appliances, such as wheelchairs. • Operating and recovery room costs. • Physical, occupational, and speech language therapy. • Inpatient substance abuse services for medical management of withdrawal symptoms associated with substance abuse (detoxification).	$250 Copayment per admission If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost-sharing you would pay at a network hospital. **Note:** If you are admitted to the hospital in 2019 and are not discharged until sometime in 2020, the 2019 cost-sharing will apply to that admission until you are discharged from the hospital or transferred to a skilled nursing facility.

Services that are covered for you	What you must pay when you get these covered services
• Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If we provide transplant services at a location outside the pattern of care for transplants in your community, and you choose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. **Note:** Travel and lodging expenses must be authorized by Medical Group when a network physician refers you to an out-of-network provider outside our service area for transplant services. We will pay certain expenses that we preauthorize in accord with our travel and lodging guidelines. For information specific to your situation, please contact your assigned Transplant Coordinator or call the Transplant Administrative Offices at **1-877-895-2705** (TTY users may call **711**). • Blood - including storage and administration. • Physician services **Note:** To be an "inpatient," your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an "inpatient," or an "outpatient," you should ask the hospital staff. You can also find more information in a Medicare fact sheet called, *"Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!*" This fact sheet is available on the Web at **https://www.medicare.gov/Pubs/pdf/11435.pdf** or by calling **1-800-MEDICARE (1-800-633-4227)**. TTY users call **1-877-486-2048**. You can call these numbers for free, 24 hours a day, 7 days a week.	
Inpatient substance abuse treatment†	
• Substance abuse inpatient medical detoxification.	$250 Copayment per admission
• Substance abuse inpatient rehabilitation.	$250 Copayment per inpatient admission
Inpatient mental health care†	
Covered services include mental health care services that require a hospital stay.	$250 Copayment per admission

Services that are covered for you	What you must pay when you get these covered services
• We cover up to 190-days per lifetime for inpatient stays in a Medicare-certified psychiatric hospital. The number of covered lifetime hospitalization days is reduced by the number of inpatient days for mental health treatment previously covered by Medicare in a psychiatric hospital. • The 190-day limit does not apply to mental health stays in a psychiatric unit of a general hospital.	
Inpatient stay: Covered services received in a hospital or SNF during a non-covered inpatient stay†	
If you have exhausted your inpatient mental health or skilled nursing facility (SNF) benefits or if the inpatient stay is not reasonable and necessary, we will not cover your inpatient or SNF stay. However, in some cases, we will cover certain services you receive while you are in the the hospital or SNF. Covered services include but are not limited to: Covered services include: • Physician services. • Diagnostic tests (like lab tests). • X-ray, radium, and isotope therapy including technician materials and services. • Surgical dressings. • Splints, casts and other devices used to reduce fractures and dislocations. • Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices. • Leg, arm, back, and neck braces; trusses; and artificial legs, arms, and eyes (including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition). • Physical therapy, speech therapy, and occupational therapy.	Medicare Part B medical services, will be covered as described under their respective benefit headings: • Physician services, including doctor office visits. • Outpatient diagnostic tests and therapeutic services and supplies. • Prosthetic devices and related supplies. • Outpatient rehabilitation services. • Physical therapy, speech therapy, and occupational therapy.

Services that are covered for you	What you must pay when you get these covered services
Medical nutrition therapy This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor. We cover three hours of one-on-one counseling services during your first year that you receive medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and two hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to receive more hours of treatment with a physician's order. A physician must prescribe these services and renew his or her order yearly if your treatment is needed into the next calendar year.	There is no coinsurance, copayment, or deductible for members-eligible for Medicare-covered medical nutrition therapy services. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Medicare Diabetes Prevention Program (MDPP) MDPP services will be covered for eligible Medicare beneficiaries under all Medicare health plans. MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.	There is no coinsurance, copayment, or deductible for the MDPP benefit.

Services that are covered for you	What you must pay when you get these covered services
Medicare Part B prescription drugs† These drugs are covered under Part B of Original Medicare. Members of our plan receive coverage for these drugs through our plan. Covered drugs include: • Drugs that usually are not self-administered by the patient and are injected or infused while you are getting physician, hospital outpatient, or ambulatory surgical center services. • Antigens. • Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases.	No Charge
• Clotting factors you give yourself by injection if you have hemophilia. • Drugs you take using durable medical equipment (such as nebulizers) that was authorized by the plan. • Immunosuppressive drugs, if you were enrolled in Medicare Part A at the time of the organ transplant. • Injectable osteoporosis drugs, if you are homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and cannot self-administer the drug. • Certain oral anti-cancer drugs and anti-nausea drugs. • Certain drugs for home dialysis, including heparin, the antidote for heparin when medically necessary, topical anesthetics, and erythropoiesis-stimulating agents (such as Epogen®, Procrit®, Epoetin Alfa, Aranesp®, or Darbepoetin Alfa). Chapter 5 explains the Part D prescription drug benefit, including rules you must follow to have prescriptions covered. What you pay for your Part D prescription drugs through our plan is explained in Chapter 6.	You pay the same cost-sharing for these Part B drugs when dispensed through a network pharmacy as reflected in the prescription drug section below.
Obesity screening and therapy to promote sustained weight loss If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more.	There is no coinsurance, copayment, or deductible for preventive obesity screening and therapy. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.

Services that are covered for you	What you must pay when you get these covered services
Opioid treatment program services† Opioid use disorder treatment services are covered under Part B of Original Medicare. Members of our plan receive coverage for these services through our plan. Covered services include:	
• FDA-approved opioid agonist and antagonist treatment medications and the dispensing and administration of such medications, if applicable.	**Office administered Medicare Part B treatment medications:** See "Medicare Part B prescription drugs" **Dispensing and administration:** You will pay one Outpatient substance abuse services copayment per month
• Substance use counseling • Individual and group therapy. • Toxicology testing.	See Specialty care visits under "Physician/practitioner services, including doctor's office visits"
Outpatient diagnostic tests and therapeutic services and supplies Covered services include, but are not limited to: • Laboratory tests. • †Blood -including storage and administration.	No charge
• †Surgical supplies, such as dressings. • †Splints, casts, and other devices used to reduce fractures and dislocations.	20% Coinsurance
• †X-rays.	No Charge, per x-ray
• †Other outpatient diagnostic tests — special procedures such as MRI, CT, PET scans and nuclear medicine.	$100 Copayment per procedure
• †Radiation (radium and isotope) therapy, including technician, materials and supplies	$25 Copayment
Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called, "Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!" This fact sheet is available on the Web at **https://www.medicare.gov/Pubs/pdf/11435.pdf** or by calling **1-800-MEDICARE (1-800-633-4227)**. TTY users call **1-877-486-2048**. You can call these numbers for free, 24 hours a day, 7 days a week.	

Services that are covered for you	What you must pay when you get these covered services
Outpatient hospital observation Observation services are hospital outpatient services given to determine if you need to be admitted as an inpatient or can be discharged. For outpatient hospital observation services to be covered, they must meet the Medicare criteria and be considered reasonable and necessary. Observation services are covered only when provided by the order of a physician or another individual authorized by state licensure law and hospital staff bylaws to admit patients to the hospital or order outpatient tests.	No charge Note: There's no additional charge for outpatient observation stays when transferred for observation from an Emergency Department or outpatient surgery.
Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called "Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!" This fact sheet is available on the Web at **https://www.medicare.gov/sites/default/files/2018-09/11435-Are-You-an-Inpatient-or-Outpatient.pdf** or by calling **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**. You can call these numbers for free, 24 hours a day, 7 days a week.	
Outpatient hospital services† Outpatient hospital services at designated facilities, including but not limited to: electroencephalogram, sleep study, stress test, pulmonary function test, any treatment room.	$200 Copayment each visit
Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an "outpatient." If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called "Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!" This fact sheet is available on the Web at **https://www.medicare.gov/sites/default/files/2018-09/11435-Are-You-an-Inpatient-or-Outpatient.pdf** or by calling **1-800-MEDICARE** (**1-800-633-4227**). TTY users call **1-877-486-2048**. You can call these numbers for free, 24 hours a day, 7 days a week.	

Services that are covered for you	What you must pay when you get these covered services
Outpatient mental health care Covered services include: Mental health services provided by a state-licensed psychiatrist or doctor, clinical psychologist, clinical social worker, clinical nurse specialist, nurse practitioner, physician assistant, or other Medicare-qualified mental health care professional as allowed under applicable state laws.	
Outpatient individual therapy (includes visits to monitor outpatient drug therapy). "Partial hospitalization" is a structured program of active psychiatric treatment, provided in a hospital outpatient setting or by a community mental health center that is more intense than the care received in your doctor's or therapist's office and is an alternative to inpatient hospitalization. **Note:** Because there are no community mental health centers in our network, we cover partial hospitalization only in a hospital outpatient setting.	$15 Copayment each visit $15 Copayment per partial hospitalization day
Outpatient group therapy.	50% of individual therapy Copayment
Outpatient rehabilitation services Covered services include: physical therapy, occupational therapy, and speech language therapy. Outpatient rehabilitation services are provided in various outpatient settings, such as hospital outpatient departments, independent therapist offices, and Comprehensive Outpatient Rehabilitation Facilities (CORFs)	$15 Copayment each visit
Outpatient substance abuse services We provide treatment and counseling services to diagnose and treat substance abuse (including individual and group therapy visits).	
Outpatient individual therapy	$15 Copayment each visit $15 Copayment per partial hospitalization day
Outpatient group therapy	50% of individual therapy Copayment
Outpatient surgery†, including services provided at hospital outpatient facilities and ambulatory surgical centers	
Note: If you are having surgery in a hospital facility, you should check with your provider about whether you will be an inpatient or outpatient. Unless the provider writes an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient surgery. Even if you stay in the hospital overnight, you might still be considered an outpatient.	$200 Copayment each surgery

Sexual dysfunction drugs.	Not Covered
	Supply Limit
Day supply limit.	30 days
Mail-order supply limit.	90 days @ 2 Copayments
Physician/practitioner services, including doctor's office visits	
"Providers" include, but are not limited to, physicians, physician assistants and nurse practitioners. Covered services include: Medically necessary medical care or surgery services furnished in a physician's office, certified ambulatory surgical center, hospital outpatient department, or any other location.	
Primary care visits	$15 Copayment each visit
Specialty care visits (doctor or nurse visit).	$25 Copayment each visit
Second opinion by another network provider prior to surgery.	Your primary care office visit copayment or specialty care office visit copayment, as applicable.
Outpatient surgery services†	$200 Copayment each surgery
Consultations with clinical pharmacists	$15 Copayment each visit

Services that are covered for you	What you must pay when you get these covered services
• Certain telehealth services, including for: primary and specialty care, which includes cardiac and pulmonary rehabilitation, mental health care, substance abuse treatment, kidney disease, diabetes self-management, preparation for a hospital stay, and follow up visits after a hospital stay or Emergency Department visit. Services will only be provided via telehealth when deemed clinically appropriate by the network provider rendering the service. You have the option of receiving these services either through an in-person visit or via telehealth. If you choose to receive one of these services via telehealth, then you must use a network provider that currently offers the service via telehealth. We offer the following means of telehealth: ♦ Interactive video visits for professional services when care can be provided in this format as determined by a network provider. ♦ Scheduled telephone appointment visits for professional services when care can be provided in this format as determined by a network provider. • Telehealth services for monthly ESRD-related visits for home dialysis members in a hospital-based or critical access hospital-based renal dialysis center, renal dialysis facility, or the member's home. • Telehealth services for diagnosis, evaluation or treatment of symptoms of an acute stroke. • Brief virtual (for example, via telephone or video chat) 5- to 10-minute check-ins with your doctor, if you are an established patient and the virtual check-in is not related to an office visit within the previous 7 days, nor leads to an office visit within the next 24 hours or soonest available appointment. • Remote evaluation of prerecorded video and/or images you send to your doctor, including your doctor's interpretation and follow-up within 24 hours (except weekends and holidays)—if you are an established patient and the remote evaluation is not related to an office visit within the previous 7 days, nor leads to an office visit within the next 24 hours or soonest available appointment. • Consultation your doctor has with other physicians via telephone, internet, or electronic health record assessment—if you are an established patient.	No Charge
Non-routine dental care† (covered services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw	See specialty care office visit and Outpatient surgery cost-sharing above.

Services that are covered for you	What you must pay when you get these covered services
for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician)	
Chemotherapy visits.	Your specialty care office visit copayment plus your copayment or coinsurance for office-administered drugs.
Allergy injections.	$15 Copayment each visit Copayment may apply for allergy serum
Allergy evaluation and testing. • Primary care visits • Specialty care visits	 $15 Copayment each visit $25 Copayment each visit
Group visits—Cooperative Health Care Clinic (CHCC), Drop in Group Medical Appointment (DIGMA) and group mental health and substance abuse treatments.	Your primary care office visit copayment or $10 copayment each visit, whichever is less.
Podiatry services	
Covered services include: • Diagnosis and the medical or surgical treatment of injuries and diseases of the feet (such as hammer toe or heel spurs). • Routine foot care for members with certain medical conditions affecting the lower limbs.	See primary care office visit, specialty care office visit, and †Outpatient surgery cost-sharing above.
Prostate cancer screening exams For men age 50 and older, covered services include the following – once every 12 months: • Digital rectal exam. • Prostate Specific Antigen (PSA) test.	There is no coinsurance, copayment or deductible for an annual digital rectal exam or PSA test. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive care you receive during or subsequent to the visit.
Prosthetic devices and related supplies† Devices (other than dental) that replace all or part of a body part or function. These include, but are not limited to: colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic devices, and repair and/or replacement of prosthetic devices. Also includes some coverage following cataract removal or cataract surgery – see "Vision care" later in this section for more detail.	
Prosthetics	20% Coinsurance
Internally implanted prosthetic devices.	(See Hospital Inpatient Care and Outpatient Care for applicable cost-sharing)
Enteral and parenteral nutrition therapy covered under Medicare.	No Charge

Services that are covered for you	What you must pay when you get these covered services
Prosthetic arm or leg.	20% Coinsurance
Orthotic devices and related supplies.	20% Coinsurance
Oxygen	20% Coinsurance
Pulmonary rehabilitation services.† Comprehensive programs for pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and a referral for pulmonary rehabilitation from the doctor treating the chronic respiratory disease.	$5 Copayment each visit
Screening and counseling to reduce alcohol misuse We cover one alcohol misuse screening for adults with Medicare (including pregnant women) who misuse alcohol, but aren't alcohol dependent. If you screen positive for alcohol misuse, you can get up to four brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting.	There is no coinsurance, copayment or deductible for the Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Screening for lung cancer with low dose computed tomography (LDCT) For qualified individuals, a LDCT is covered every 12 months. • Eligible members are people aged 55–77 years who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 30 pack-years or who currently smoke or have quit smoking within the last 15 years, who receive a written order for LDCT during a lung cancer screening counseling and shared decision-making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner. • For LDCT lung cancer screenings after the initial LDCT screening, the members must receive a written order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision-making visit for subsequent lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.	There is no coinsurance, copayment, or deductible for the Medicare-covered counseling and shared decision-making visit or for the LDCT.

Services that are covered for you	What you must pay when you get these covered services
Screening for sexually transmitted infections (STIs) and counseling to prevent STIs We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy. We also cover up to two individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We will only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office.	There is no coinsurances, copayment, or deductible for the Medicare-covered screening for STIs and counseling for STIs preventive benefit. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Services to treat kidney disease and conditions	
Covered services include: Kidney disease education services to teach kidney care and help members make informed decisions about their care.	$15 Copayment each visit or $25 Copayment each visit copayment dependent upon provider
• Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3). • Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments). • Home dialysis equipment and supplies. • Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and to check your dialysis equipment and water supply). Certain drugs for dialysis are covered under your Medicare Part B drug benefit. For information about coverage for Part B drugs, please go to the section called "Medicare Part B prescription drugs".	No Charge

Services that are covered for you	What you must pay when you get these covered services
Skilled nursing facility (SNF) care† (For a definition of "skilled nursing facility care," see Chapter 12 of this booklet. Skilled nursing facilities are sometimes called "SNFs.") We cover up to 100 days per benefit period of skilled inpatient services in a skilled nursing facility in accord with Medicare guidelines (a prior hospital stay is not required). Covered services include, but are not limited to: • Semiprivate room (or a private room if medically necessary) • Meals, including special diets • Skilled nursing services • Physical therapy, occupational therapy, and speech therapy • Drugs administered to you as part of your plan of care (this includes substances that are naturally present in the body such as blood clotting factors.) • Blood – including storage and administration. • Medical and surgical supplies ordinarily provided by SNFs • Laboratory tests ordinarily provided by SNFs • X-rays and other radiology services ordinarily provided by SNFs • Use of appliances such as wheelchairs ordinarily provided by SNFs • Physician/practitioner services Generally, you will get your SNF care from network facilities. However, under certain conditions listed below, you may be able to pay in-network cost-sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment. • A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care). A SNF where your spouse is living at the time you leave the hospital.	No Charge Limited to 100 days per benefit period A benefit period begins on the first day you go to a Medicare-covered inpatient hospital or skilled nursing facility (SNF). The benefit period ends when you haven't been an inpatient at any hospital or SNF for 60 calendar days in a row. **Note:** If a benefit period begins in 2019 for you and does not end until sometime in 2020, the 2019 cost-sharing will continue until the benefit period ends.

Services that are covered for you	What you must pay when you get these covered services
Smoking and tobacco use cessation (counseling to stop smoking or tobacco use) **If you use tobacco, but do not have signs or symptoms of tobacco-related disease:** We cover two counseling quit attempts within a 12-month period as a preventive service with no cost to you. Each counseling attempt includes up to four face-to-face visits. **If you use tobacco and have been diagnosed with a tobacco-related disease or are taking medicine that may be affected by tobacco:** We cover cessation counseling services. We cover two counseling quit attempts within a 12-month period, however, you will pay the applicable cost-sharing. Each counseling attempt includes up to four face-to-face visits.	There is no coinsurance, copayment, or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefits. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.
Supervised Exercise Therapy (SET) SET is covered for members who have symptomatic peripheral artery disease (PAD) and a referral for PAD from the physician responsible for PAD treatment. Up to 36 sessions over a 12-week period are covered if the SET program requirements are met. The SET program must: • Consist of sessions lasting 30–60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication. • Be conducted in a hospital outpatient setting or a physician's office. • Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms, and who are trained in exercise therapy for PAD. • Be under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques. **Note:** SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time, if deemed medically necessary by a health care provider.	$30 Copayment each visit
Urgently needed services	
Urgently needed services are provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or	$40 Copayment each visit

Services that are covered for you	What you must pay when you get these covered services
by out-of-network providers when network providers are temporarily unavailable or inaccessible. Urgently needed services received in a network urgent care department (or facility) and covered out-of-network urgent care when you are temporarily outside our service area. • **Inside our service area:** You must obtain urgent care from network providers, unless our provider network is temporarily unavailable or inaccessible due to an unusual and extraordinary circumstance (for example, major disaster). • **Outside our service area:** You have worldwide urgent care coverage when you travel, if you need medical attention right away for an unforeseen illness or injury and you reasonably believed that your health would seriously deteriorate if you delayed treatment until you returned to our service area.	
Vision care	
Covered services include: • Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. • For people with diabetes, screening for diabetic retinopathy is covered once per year. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts. However, our plan covers the following exams: Routine eye exams (eye refraction exams) to determine the need for vision correction and to provide a prescription for eyeglass lenses.	
Eye exams performed by an optometrist	$15 Copayment each visit
Eye exams performed by an ophthalmologist.	$25 Copayment each visit
For people who are at high risk of glaucoma, we will cover one glaucoma screening each year. People at high risk of glaucoma include people with a family history of glaucoma, people with diabetes, African Americans who are age 50 and older and Hispanic Americans who are 65 or older: Glaucoma screening once per year.	No charge, unless member receives the screening in conjunction with other services, such as a routine eye exam, then member will be charged the applicable copayment.

Services that are covered for you	What you must pay when you get these covered services
• One pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. (If you have two separate cataract operations, you cannot reserve the benefit after the first surgery and purchase two eyeglasses after the second surgery.) • Corrective lenses/frames (and replacements) needed after a cataract removal without a lens implant. Following Medicare-covered cataract surgery, the member may use their eyewear benefit (if purchased by your group) as described below to pay for upgrades to the Medicare covered eye wear benefit. The Medicare eyewear benefit following cataract surgery is covered per Medicare guidelines.	No charge, unless the cost exceeds the allowed Medicare fee schedule.
If purchased by your group, lenses, frames, medically necessary contact lenses, or cosmetic contact lenses every two years, purchased at a network optical facility. Any part of the eyewear benefit that is not exhausted at the first point of sale may not be used at a later date. This means that any benefit dollars remaining after the first point of sale are forfeited and cannot be applied to copayments for eye exams or contact lens professional fitting fees. • Eyeglasses and contact lenses must be prescribed by an optometrist or ophthalmologist and purchased at a network optical facility. • See exclusions for eye surgery to correct refractive defects and for cosmetic contact lenses that are not medically necessary later in this section.	$100 Credit every 24 months See Additional Provisions *
"Welcome to Medicare" preventive visit We cover the one-time "Welcome to Medicare" preventive visit. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots), and referrals for other care if needed. **Important:** We cover the "Welcome to Medicare" preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor's office know you would like to schedule your "Welcome to Medicare" preventive visit.	There is no coinsurance, copayment, or deductible for the "Welcome to Medicare" preventive visit. The applicable cost-sharing listed elsewhere in this Medical Benefits Chart will apply to any nonpreventive services you receive during or subsequent to the visit.

2020 Evidence of Coverage

Table of Contents

This list of chapters and page numbers is your starting point. For more help in finding information you need, go to the first page of a chapter. You will find a detailed list of topics at the beginning of each chapter.

CHAPTER 1. Getting started as a member

SECTION 1. Introduction

Section 1.1 You are enrolled in Senior Advantage, which is a Medicare HMO

You are covered by Medicare, and you have chosen to get your Medicare health care and your prescription drug coverage through our plan, Kaiser Permanente Senior Advantage.

There are different types of Medicare health plans. Senior Advantage is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization). approved by Medicare and run by a private company.

Coverage under this plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at **https://www.irs.gov/Affordable-Care-Act/Individuals-and-Families** for more information.

Section 1.2 What is the Evidence of Coverage booklet about?

This **Evidence of Coverage** booklet tells you how to get your Medicare medical care and prescription drugs covered through our plan. This booklet explains your rights and responsibilities, what is covered, and what you pay as a member of our plan.

If you are not certain which plan you are enrolled, please call Member Services or your group's benefit administrator.

This plan is offered by Kaiser Foundation Health Plan of Colorado (Health Plan) and it includes Medicare part D prescription drug coverage. When this **Evidence of Coverage** says "we," "us," or "our," it means Health Plan. When it says "plan" or "our plan," it means Kaiser Permanente Senior Advantage (Senior Advantage).

The words "coverage" and "covered services" refer to the medical care and services and the prescription drugs available to you as a member of our plan.

It's important for you to learn what our plan's rules are and what services are available to you. We encourage you to set aside some time to look through this **Evidence of Coverage** booklet.

If you are confused or concerned or just have a question, please contact Member Services (phone numbers are printed on the back cover of this booklet).

Section 1.3 Legal information about the Evidence of Coverage

It's part of our contract with you

This **Evidence of Coverage** is part of our contract with you about how we cover your care. Other parts of this contract include your enrollment form, our **Kaiser Permanente 2020 Comprehensive Formulary**, and any notices you receive from us about changes to your

coverage or conditions that affect your coverage. These notices are sometimes called "riders" or "amendments."

If your group renews on January 1st, the **Evidence of Coverage** is in effect for the months in which you are enrolled in Senior Advantage between January 1, 2020, and December 31, 2020, unless amended. If your group's agreement renews at a later date in 2020, the term of this **Evidence of Coverage** is during that contract period, unless amended. Your group can tell you the term of this **Evidence of Coverage** and whether this **Evidence of Coverage** is still in effect and give you a current one if this **Evidence of Coverage** has been amended.

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of our plan after December 31, 2020. We can also choose to stop offering the plan, or to offer it in a different service area, after December 31, 2020. In addition, your group can make changes to the plans and benefits it offers at any time.

Medicare must approve our plan each year

Medicare (the Centers for Medicare & Medicaid Services) must approve our plan each year. You can continue to get Medicare coverage as a member of our plan as long as we choose to continue to offer our plan and Medicare renews its approval of our plan.

SECTION 2. What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements

You are eligible for membership in our plan as long as:

- You have both Medicare Part A and Medicare Part B (or Medicare Part B) (Section 2.2 below tells you about Medicare Part A and Medicare Part B).
- *-and-* you live in our geographic service area (Section 2.3 below describes our service area).
- *-and-* you are a United States citizen or are lawfully present in the United States.
- *-and-* you do not have End-Stage Renal Disease (ESRD), with limited exceptions, such as if you develop ESRD when you are already a member of a plan that we offer, or you were a member of a different plan that was terminated.

Section 2.2 What are Medicare Part A and Medicare Part B?

When you first signed up for Medicare, you received information about what services are covered under Medicare Part A and Medicare Part B. Remember:

- Medicare Part A generally helps cover services provided by hospitals (for inpatient services), skilled nursing facilities, or home health agencies.
- Medicare Part B is for most other medical services (such as physician's services and other outpatient services) and certain items (such as durable medical equipment (DME) and supplies).

Section 2.3 Here is our plan service area for Senior Advantage

Although Medicare is a federal program, our plan is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes these counties in Colorado: **Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas, Elbert, Gilpin and Jefferson.**

If you plan to move out of the service area, please contact Member Services (phone numbers are printed on the back cover of this booklet). When you move, you will have a special enrollment period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.

It is also important to notify your group's benefits administrator and that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Section 2.4 U.S. citizen or lawful presence

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify us if you are not eligible to remain a member on this basis. We must disenroll you if you do not meet this requirement.

Section 2.5 Group eligibility requirements

You must meet your group's eligibility requirements that we have approved. Your group is required to inform subscribers of its eligibility requirements, such as dependent eligibility requirements (for example, your spouse).

Please note that your group might not allow enrollment to some persons who meet the requirements described under "Additional eligibility requirements" below.

Additional eligibility requirements

Subscriber. You may be eligible to enroll as a subscriber under this **Evidence of Coverage** if you are entitled to subscriber coverage under your Group's eligibility requirements. An example would be an employee of your Group who works at least the number of hours stated in those requirements.

If you are a subscriber under this Evidence of Coverage or a subscriber enrolled in a non-Medicare plan offered by your group, the following persons may be eligible to enroll as your dependents under this Evidence of Coverage if they meet all the other requirements described in this section 2.5:

- Your spouse. (Spouse includes a partner in a valid civil union under state law.)
- Your or your Spouse's children (including adopted children, children placed with you for adoption, and foster children) who are under the dependent limiting age. Check with your group to determine the age limit for dependents.

- Other dependent persons who meet all of the following requirements:
  - they are under the dependent limiting age as determined by your group
  - you or your spouse is the court-appointed permanent legal guardian (or was before the person reached age 18).
- Your or your spouse's unmarried children of any age who are medically certified as disabled and dependent upon you or your spouse are eligible to enroll or continue coverage as your dependents if the following requirements are met:
  - they are dependent on you or your spouse; and
  - you give us proof of the dependent's disability and dependency annually if we request it.
- Subscriber's designated beneficiaries as defined by Colorado law, if your employer elects to cover designated beneficiaries as dependents.

Students on medical leave of absence. Dependent children who lose dependent student status at a postsecondary educational institution due to a medically necessary leave of absence remain eligible for coverage until the earlier of (i) one year after the first day of the medically necessary leave of absence; or (ii) the date dependent coverage would otherwise terminate under the non-Medicare plan offered by your group. We must receive written certification by a treating physician of the dependent child which states that the child is suffering from a serious illness or injury, and that the leave of absence or other change of enrollment is medically necessary.

Note: If you have dependents who do not have Medicare Part B coverage or for some other reason are not eligible to enroll under this Evidence of Coverage, you may be able to enroll them as your dependents under a non-Medicare plan offered by your group. Please contact your group for details, including eligibility and benefit information, and to request a copy of the non-Medicare plan document.

If your plan has different eligibility requirements, please see "Additional Provisions."

Section 2.5 When you can enroll and when coverage begins

Your group is required to inform you when you are eligible to enroll and what your effective date of coverage is under this **Evidence of Coverage.** If you are eligible to enroll as described in this section, enrollment is permitted and membership begins at the beginning (12 a.m.) of the effective date of coverage, except that:

- Your group may have additional requirements that we have approved, which allow enrollment in other situations.
- The effective date of your Senior Advantage coverage under this **Evidence of Coverage** must be confirmed by the Centers for Medicare & Medicaid Services, as described under "Effective date of Senior Advantage coverage" in this section.

If you are a subscriber under this **Evidence of Coverage** and you have dependents who do not have Medicare Part B coverage or for some other reason are not eligible to enroll under this **Evidence of Coverage**, you may be able to enroll them as your dependents under a non-

Medicare plan offered by your group. Please contact your group for details, including eligibility and benefit information, and to request a copy of the non-Medicare plan document.

If you are eligible to be a dependent under this **Evidence of Coverage** but the subscriber in your family is enrolled under a non-Medicare plan offered by your group, the subscriber must follow the rules applicable to subscribers who are enrolling dependents in this Section 2.5.

Effective date of Senior Advantage coverage

After we receive your completed Senior Advantage enrollment form, we will submit your enrollment request to the Centers for Medicare & Medicaid Services for confirmation and send you a notice indicating the proposed effective date of your Senior Advantage coverage under this **Evidence of Coverage.**

If CMS confirms your Senior Advantage enrollment and effective date, we will send you a notice that confirms your enrollment and effective date. If CMS tell us that you do not have Medicare Part B coverage, we will notify you that you will be disenrolled from Senior Advantage.

New subscribers

When your group informs you that you are eligible to enroll as a subscriber, you may enroll yourself and any eligible dependent by submitting a Health Plan-approved enrollment application and a Senior Advantage enrollment form for each person to your group within 31 days after you become eligible, or as otherwise specified by your group.

Effective date of Senior Advantage coverage. The effective date of Senior Advantage coverage for new subscribers and their eligible family dependents is determined by your group, subject to confirmation by CMS.

Employees who are not enrolled when newly eligible must wait until the next open enrollment period to become members of Health Plan, unless: (i) they enroll under special circumstances, as agreed to by your group and Health Plan or (ii) they enroll under the provisions described in "Special Enrollment Due to Loss of Other Coverage" below.

Adding new dependents to an existing account

To enroll a dependent who first becomes eligible to enroll after you became a subscriber (such as a new spouse, a newborn child, or a newly adopted child), you must submit a Health Plan-approved enrollment form and a Senior Advantage enrollment form to your group within 31 days after the dependent first becomes eligible, or as otherwise specified by your group.

Dependents who are not enrolled when newly eligible must wait until the next open enrollment period to become members of Health Plan, unless: (i) they enroll under special circumstances, as agreed to by your group and Health Plan or (ii) they enroll under the provisions described in "Special Enrollment Due to Loss of Other Coverage" below.

Effective date of Senior Advantage coverage. The effective date of coverage for newly acquired dependents is determined by your group, subject to confirmation by the Centers for Medicare & Medicaid Services.

Group open enrollment

You may enroll as a subscriber (along with any eligible dependents), and existing subscribers may add eligible dependents, by submitting a Health Plan-approved enrollment application and a Senior Advantage enrollment form for each person to your group during your group's open enrollment period. Your group will let you know when the open enrollment period begins and ends and the effective date of coverage, which is subject to confirmation by CMS.

Special enrollment

If you do not enroll when you are first eligible and later want to enroll, you can enroll only during open enrollment unless you become eligible as described in this "Special enrollment" section.

Special enrollment events

You may enroll as a subscriber (along with any eligible dependents), and existing subscribers may add eligible dependents, by submitting a Health Plan-approved enrollment application and a Senior Advantage enrollment form for each person to your group within 31 days after the enrolling persons lose other coverage, if:

The enrolling persons had other coverage when you previously declined Health Plan coverage for them (some groups require you to have stated in writing when declining Health Plan coverage that other coverage was the reason); and the loss of the other coverage is due to one of the following: For a comprehensive list of qualifying events for special enrollment see your Group's administrator to obtain a copy of your Group's **Evidence of Coverage.**

Open enrollment

You may enroll as a subscriber (along with any eligible dependents), and existing subscribers may add eligible dependents, by submitting a Health Plan-approved enrollment application and a Senior Advantage enrollment form for each person to your group during your group's open enrollment period. Your group will let you know when the open enrollment period begins and ends and the membership effective date, which is subject to confirmation by the Centers for Medicare & Medicaid Services.

SECTION 3. What other materials will you get from us?

Section 3.1 Your plan membership card—use it to get all covered care and prescription drugs

While you are a member of our plan, you must use your membership card for our plan whenever you get any services covered by our plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card, if applicable. Here's a sample membership card to show you what yours will look like:

As long as you are a member of our plan, in most cases, **you must not use your red, white, and blue Medicare card** to get covered medical services (with the exception of routine clinical research studies and hospice services). You may be asked to show your new Medicare card if you need hospital services. Keep your red, white, and blue Medicare card in a safe place in case you need it later.

Here's why this is so important: If you get covered services using your red, white, and blue Medicare card instead of using your Senior Advantage membership card while you are a plan member, you may have to pay the full cost yourself.

If your plan membership card is damaged, lost, or stolen, call Member Services right away and we will send you a new card. Phone numbers for Member Services are printed on the back cover of this booklet.

Section 3.2 The Provider Directory: Your guide to all providers in our network

The **Provider Directory** lists our network providers and durable medical equipment suppliers.

What are "network providers"?

Network providers are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost-sharing as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The most recent list of providers and suppliers is available on our website at **kp.org/directory**.

Why do you need to know which providers are part of our network?

It is important to know which providers are part of our network because, with limited exceptions, while you are a member of our plan you must use network providers to get your medical care and services. The only exceptions are emergencies, urgently needed services when the network is not available (generally, when you are out of the area), out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers. See Chapter 3, "Using our plan's coverage for your medical services," for more specific information about emergency, out-of-network, and out-of-area coverage.

If you don't have your copy of the **Provider Directory**, you can request a copy from Member Services (phone numbers are printed on the back cover of this booklet). You may ask Member Services for more information about our network providers, including their qualifications. You

can view or download the **Provider Directory** at **kp.org/directory**. Both Member Services and our website can give you the most up-to-date information about our network providers.

Section 3.3 The Pharmacy Directory: Your guide to pharmacies in our network

What are "network pharmacies"?

Network pharmacies are all of the pharmacies that have agreed to fill covered prescriptions for our plan members.

Why do you need to know about network pharmacies?

Our network has changed more than usual for 2020. An updated **Pharmacy Directory** is located on our website at **kp.org**. You may also call Member Services for updated provider information or to ask us to mail you a current **Pharmacy Directory.** We strongly suggest that you review our current **Pharmacy Directory** to see if your pharmacy is still in our network. This is important because, with few exceptions, you must get your prescriptions filled at a network pharmacy if you want our plan to cover (help pay for) them.

The **Pharmacy Directory** will also tell you which of the pharmacies in our network have preferred cost-sharing, which may be lower than the standard cost-sharing offered by other network pharmacies for some drugs.

If you don't have the **Pharmacy Directory**, you can get a copy from Member Services (phone numbers are printed on the back cover of this booklet). At any time, you can call Member Services to get up-to-date information about changes in the pharmacy network. You can also find this information on our website at **kp.org/directory**.

Section 3.4 Our plan's list of covered drugs (formulary)

Our plan has a **Kaiser Permanente 2020 Comprehensive Formulary**. We call it the "Drug List" for short. It tells you which Part D prescription drugs are covered under the Part D benefit included in our plan. The drugs on this list are selected by our plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved our Drug List. The Drug List also tells you if there are any rules that restrict coverage for your drugs.

We will provide you a copy of our Drug List. To get the most complete and current information about which drugs are covered, you can visit our website (**kp.org**) or call Member Services (phone numbers are printed on the back cover of this booklet).

Section 3.5 The Part D Explanation of Benefits (the "Part D *EOB*"): Reports with a summary of payments made for your Part D prescription drugs

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the **Part D Explanation of Benefits** (or the "**Part D EOB**").

The **Part D EOB** tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. Chapter 6 ("What you pay for your Part D prescription drugs") gives you more information
about the **Part D EOB** and how it can help you keep track of your drug coverage.

A **Part D EOB** summary is also available upon request. To get a copy, please contact Member Services (phone numbers are printed on the back cover of this booklet). You can also choose to get your **Part D EOB** online instead of by mail. Please visit **kp.org/goinggreen** and sign on to learn more about choosing to view your **Part D EOB** securely online.

SECTION 4. Your monthly premium for our plan

Section 4.1 How much is your plan premium?

Plan premiums

Your group is responsible for paying premiums. If you are responsible for any contribution to the premiums, your group will tell you the amount and how to pay your group.

SECTION 5. Do you have to pay the Part D "late enrollment penalty"?

Section 5.1 What is the Part D "late enrollment penalty"?

Note: If you receive "Extra Help" from Medicare to pay for your prescription drugs, you will not pay a late enrollment penalty.

The late enrollment penalty is an amount that is added to your Part D premium. You may owe a Part D late enrollment penalty if at any time after your initial enrollment period is over, there is a period of 63 days or more in a row when you did not have Part D or other creditable prescription drug coverage. "Creditable prescription drug coverage" is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. The cost of the late enrollment penalty depends upon how

long you went without Part D or creditable prescription drug coverage. You will have to pay this penalty for as long as you have Part D coverage.

If you are required to pay a Part D late enrollment penalty, your group will inform you the amount that you will be required to pay your group.

If you do not pay your Part D late enrollment penalty, you could lose your prescription drug benefits for failure to pay your plan premium.

Section 5.2 How much is the Part D late enrollment penalty?

Medicare determines the amount of the penalty. Here is how it works:

- First count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months in which you did not have creditable prescription drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you didn't have creditable coverage. For example, if you go 14 months without coverage, the penalty will be 14%.
- Then Medicare determines the amount of the average monthly premium for Medicare drug plans in the nation from the previous year. For 2020, this average premium amount is $32.74.
- To calculate your monthly penalty, you multiply the penalty percentage and the average monthly premium, and then round it to the nearest 10 cents. In the example here, it would be 14% times $32.74, which equals $4.58. This rounds to $4.60. This amount would be added to the monthly premium for someone with a Part D late enrollment penalty.

There are three important things to note about this monthly Part D late enrollment penalty:

- First, the penalty may change each year because the average monthly premium can change each year. If the national average premium (as determined by Medicare) increases, your penalty will increase.
- Second, you will continue to pay a penalty every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- Third, if you are under 65 and currently receiving Medicare benefits, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months that you don't have coverage after your initial enrollment period for aging into Medicare.

Section 5.3 In some situations, you can enroll late and not have to pay the penalty

Even if you have delayed enrolling in a plan offering Medicare Part D coverage when you were first eligible, sometimes you do not have to pay the Part D late enrollment penalty.

You will not have to pay a penalty for late enrollment if you are in any of these situations:

- If you already have prescription drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. Medicare calls this "creditable drug coverage." **Please note:**
  - Creditable coverage could include drug coverage from a former employer or union, TRICARE, or the Department of Veterans Affairs. Your insurer or your human resources department will tell you each year if your drug coverage is creditable coverage. This information may be sent to you in a letter or included in a newsletter from the plan. Keep this information because you may need it if you join a Medicare drug plan later. Please note: If you receive a "certificate of creditable coverage" when your health coverage ends, it may not mean your prescription drug coverage was creditable. The notice must state that you had "creditable" prescription drug coverage that expected to pay as much as Medicare's standard prescription drug plan pays.
  - The following are not creditable prescription drug coverage: prescription drug discount cards, free clinics, and drug discount websites.
  - For additional information about creditable coverage, please look in your **Medicare & You** 2020 handbook or call Medicare at **1-800-MEDICARE (1-800-633-4227)**. TTY users call **1-877-486-2048**. You can call these numbers for free, 24 hours a day, 7 days a week.
- If you were without creditable coverage, but you were without it for less than 63 days in a row.
- If you are receiving "Extra Help" from Medicare.

Section 5.4 What can you do if you disagree about your Part D late enrollment penalty?

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review of the decision about your late enrollment penalty. Generally, you must request this review within 60 days from the date on the first letter you receive stating you have to pay a late enrollment penalty. If you were paying a penalty before joining our plan, you may not have another chance to request a review of that late enrollment penalty. Call Member Services to find out more about how to do this (phone numbers are printed on the back cover of this booklet).

SECTION 6. Do you have to pay an extra Part D amount because of your income?

Section 6.1 Who pays an extra Part D amount because of income?

Most people pay a standard monthly Part D premium. However, some people pay an extra amount because of their yearly income. If your income is $85,000 or above for an individual (or married individuals filing separately) or $170,000 or above for married couples, **you must pay an extra amount directly to the government** for your Medicare Part D coverage.

If you have to pay an extra amount, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be and how to pay it. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay your plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you will get a bill from Medicare. You must pay the extra amount to the government. It cannot be paid with your monthly plan premium.

Section 6.2 How much is the extra Part D amount?

If your modified adjusted gross income (MAGI) as reported on your IRS tax return is above a certain amount, you will pay an extra amount in addition to your monthly plan premium. For more information on the extra amount you may have to pay based on your income, visit **https://www.medicare.gov/part-d/costs/premiums/drug-plan-premiums.html.**

Section 6.3 What can you do if you disagree about paying an extra Part D amount?

If you disagree about paying an extra amount because of your income, you can ask Social Security to review the decision. To find out more about how to do this, contact Social Security at **1-800-772-1213** (TTY **1-800-325-0778**).

Section 6.4 What happens if you do not pay the extra Part D amount?

The extra amount is paid directly to the government (not your Medicare plan) for your Medicare Part D coverage. If you are required by law to pay the extra amount and you do not pay it, you will be disenrolled from the plan and lose prescription drug coverage.

SECTION 7. More information about your monthly premium

Many members are required to pay other Medicare premiums

In addition to paying the monthly plan premium, many members are required to pay other Medicare premiums. As explained in Section 2 of this chapter, in order to be eligible for our plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B. For that reason, some plan members (those who aren't eligible for premium-free Part A) pay a premium for Medicare Part A. Most plan members pay a premium for Medicare Part B. You must continue paying your Medicare premiums to remain a member of our plan.

If your modified adjusted gross income as reported on your IRS tax return from two years ago is above a certain amount, you'll pay the standard premium amount and an Income Related

Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium.

- **If you are required to pay the extra amount and you do not pay it, you will be disenrolled from our plan and lose prescription drug coverage.**
- If you have to pay an extra amount, Social Security, **not your Medicare plan**, will send you a letter telling you what that extra amount will be.
- For more information about Part D premiums based on income, go to Section 6 of this chapter. You can also visit **https://www.medicare.gov** on the Web or call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**. Or you may call Social Security at **1-800-772-1213**. TTY users should call **1-800-325-0778**.

Your copy of **Medicare & You** 2020 gives you information about Medicare premiums in the section called "2020 Medicare Costs." This explains how the Medicare Part B and Part D premiums differ for people with different incomes. Everyone with Medicare receives a copy of **Medicare & You** each year in the fall. Those new to Medicare receive it within a month after first signing up. You can also download a copy of **Medicare & You** 2020 from the Medicare website (**https://www.medicare.gov**) or you can order a printed copy by phone at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users call **1-877-486-2048**.

Section 7.1 Paying your plan premium

Your group is responsible for paying premiums. If you are responsible for any contribution to the premiums, your group will tell you the amount and how to pay your group.

Section 7.2 Can we change your monthly plan premium during the year?

No. We are not allowed to change the amount we charge for our plan's monthly plan premium during your group's contract year.

However, in some cases, the part of the premium that you have to pay can change during the year. This happens if you become eligible for the "Extra Help" program or if you lose your eligibility for the "Extra Help" program during the year. If a member qualifies for "Extra Help" with their prescription drug costs, the "Extra Help" program will pay part of the member's monthly plan premium. A member who loses their eligibility during the year will need to start paying their full monthly premium. You can find out more about the "Extra Help" program in Chapter 2, Section 7.

SECTION 8. Please keep your plan membership record up-to-date

Section 8.1 How to help make sure that we have accurate information about you

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage, including your primary care provider.

The doctors, hospitals, pharmacists, and other providers in our network need to have correct information about you. **These network providers use your membership record to know what services and drugs are covered and the cost-sharing amounts for you**. Because of this, it is very important that you help us keep your information up-to-date.

Let us know about these changes:

- Changes to your name, your address, or your phone number.
- Changes in any other health insurance coverage you have (such as from your employer, your spouse's employer, workers' compensation, or Medicaid).
- If you have any liability claims, such as claims from an automobile accident.
- If you have been admitted to a nursing home.
- If you receive care in an out-of-area or out-of-network hospital or emergency room.
- If your designated responsible party (such as a caregiver) changes.
- If you are participating in a clinical research study.

If any of this information changes, please let us know by calling Member Services (phone numbers are printed on the back cover of this booklet).

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Read over the information we send you about any other insurance coverage you have

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. (For more information about how our coverage works when you have other insurance, see Section 10 in this chapter.)

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don't need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Member Services (phone numbers are printed on the back cover of this booklet).

SECTION 9. We protect the privacy of your personal health information

Section 9.1 We make sure that your health information is protected

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

For more information about how we protect your personal health information, please go to Chapter 8, Section 1.4, of this booklet.

SECTION 10. How other insurance works with our plan

Section 10.1 Which plan pays first when you have other insurance?

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the "primary payer" and pays up to the limits of its coverage. The one that pays second, called the "secondary payer," only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends upon your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
  - If you're under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
  - If you're over 65 and you or your spouse is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance).
- Liability (including automobile insurance).
- Black lung benefits.
- Workers' compensation.

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

If you have other insurance, tell your doctor, hospital, and pharmacy. If you have questions about who pays first, or you need to update your other insurance information, call Member Services (phone numbers are printed on the back cover of this booklet). You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

CHAPTER 2. Important phone numbers and resources

SECTION 1. Kaiser Permanente Senior Advantage contacts
(how to contact us, including how to reach Member Services at our plan)

How to contact our plan's Member Services

For assistance with claims, billing, or membership card questions, please call or write to Senior Advantage Member Services. We will be happy to help you.

Method	Member Services – contact information
CALL	**1-800-476-2167** Calls to this number are free. 7 days a week, 8 a.m. to 8 p.m. Member Services also has free language interpreter services available for non-English speakers.
TTY	**711** Calls to this number are free. 7 days a week, 8 a.m. to 8 p.m.
FAX	**303-214-6489**
WRITE	Kaiser Foundation Health Plan of Colorado Customer Experience 2500 South Havana Street Aurora, CO 80014-1622
WEBSITE	**kp.org**

How to contact us when you are asking for a coverage decision or making a complaint about your medical care

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services. You can make a complaint about us or one of our network providers, including a complaint about the quality of your care. This type of complaint does not involve coverage or payment disputes. (If your problem is about our plan's coverage or payment, you should look at the section about making an appeal.) For more information about asking for coverage decisions or making complaints about your medical care, see Chapter 9, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)." You may call us if you have questions about our coverage decision or complaint processes.

Method	Coverage decisions or complaints about medical care – contact information
CALL	**1-800-476-2167** Calls to this number are free. 7 days a week, 8 a.m. to 8 p.m.
TTY	**711** Calls to this number are free. 7 days a week, 8 a.m. to 8 p.m.
FAX	**1-866-466-4042**
WRITE	Kaiser Foundation Health Plan of Colorado Customer Experience 2500 South Havana Street Aurora, CO 80014-1622
MEDICARE WEBSITE	You can submit a **complaint** about our plan directly to Medicare. To submit an online complaint to Medicare, go to **https://www.medicare.gov/MedicareComplaintForm/home.aspx**.

How to contact us when you are asking for a coverage decision or making a complaint about your Part D prescription drugs

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your prescription drugs covered under the Part D benefit included in your plan. You can make a complaint about us or one of our network pharmacies, including a complaint about the quality of your care. This type of complaint does not involve coverage or payment disputes. (If your problem is about our plan's coverage or payment, you should look at the section below about making an appeal.)

For more information about asking for coverage decisions or making complaints about your Part D prescription drugs, see Chapter 9, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)." You may call us if you have questions about our coverage decision or complaint processes.

Method	Coverage decisions or complaints about Part D prescription drugs – contact information
CALL	**1- 800-476-2167** Calls to this number are free. Monday to Friday, 8:30 a.m. to 5 p.m.

TTY	**711** Calls to this number are free. Monday to Friday, 8:30 a.m. to 5 p.m.
FAX	**1-866-455-1053**

WEBSITE	**kp.org**

SECTION 2. Medicare (how to get help and information directly from the federal Medicare program)

Medicare is the federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called "CMS"). This agency contracts with Medicare Advantage organizations, including our plan.

Method	Medicare – contact information
CALL	**1-800-MEDICARE or 1-800-633-4227** Calls to this number are free. 24 hours a day, 7 days a week.
TTY	**1-877-486-2048**

Method	Medicare – contact information
	This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free.
WEBSITE	**https://www.medicare.gov** This is the official government website for Medicare. It gives you up-to-date information about Medicare and current Medicare issues. It also has information about hospitals, nursing homes, physicians, home health agencies, and dialysis facilities. It includes booklets you can print directly from your computer. You can also find Medicare contacts in your state. The Medicare website also has detailed information about your Medicare eligibility and enrollment options, with the following tools: • **Medicare Eligibility Tool:** Provides Medicare eligibility status information. • **Medicare Plan Finder:** Provides personalized information about available Medicare prescription drug plans, Medicare health plans, and Medigap (Medicare Supplement Insurance) policies in your area. These tools provide an estimate of what your out-of-pocket costs might be in different Medicare plans. You can also use the website to tell Medicare about any complaints you have about our plan: • **Tell Medicare about your complaint:** You can submit a complaint about our plan directly to Medicare. To submit a complaint to Medicare, go to **https://www.medicare.gov/MedicareComplaintForm/home.aspx**. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program. If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer. Or you can call Medicare and tell them what information you are looking for. They will find the information on the website, print it out, and send it to you. (You can call Medicare at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.)

SECTION 3. State Health Insurance Assistance Program (free help, information, and answers to your questions about Medicare)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Colorado, the SHIP is called Colorado State Health Insurance Assistance Program ("Colorado SHIP").

Colorado SHIP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the federal government to give free local health insurance counseling to people with Medicare.

Colorado SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. Colorado SHIP counselors can also help you understand your Medicare plan choices and answer questions about switching plans.

Method	Colorado State Health Insurance Assistance Program – contact information
CALL	**1-888-696-7213**
WRITE	SHIP, Colorado Division of Insurance 1560 Broadway St., Ste. 850 Denver, CO 80202
WEBSITE	**https://www.colorado/gov/pacific/dora/senior-healthcare-medicare**

SECTION 4. Quality Improvement Organization (paid by Medicare to check on the quality of care for people with Medicare)

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For Colorado, the Quality Improvement Organization is called KEPRO.

KEPRO has a group of doctors and other health care professionals who are paid by the federal government. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. KEPRO is an independent organization. It is not connected with our plan.

You should contact KEPRO in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

Method	KEPRO (Colorado's Quality Improvement Organization) – contact information
CALL	**1-888-317-0891** Calls to this number are free. Monday to Friday, 9 a.m. to 5 p.m. Weekends and holidays, 11 a.m. to 3 p.m.
TTY	**1-855-843-4776** This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking.
WRITE	KEPRO Rock Run Center, Suite 100 5700 Lombardo Center Drive Seven Hills, OH 44131 Attention: Beneficiary Complaints
WEBSITE	https://**www.keproqio.com**

SECTION 5. Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. Social Security handles the enrollment process for Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for a reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security – contact information
CALL	**1-800-772-1213**

Method	Social Security – contact information
	Calls to this number are free. Available 7 a.m. to 7 p.m., Monday through Friday. You can use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.
TTY	**1-800-325-0778** This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free. Available 7 a.m. to 7 p.m., Monday through Friday.
WEBSITE	**https://www.ssa.gov**

SECTION 6. **Medicaid** (a joint federal and state program that helps with medical costs for some people with limited income and resources)

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These "Medicare Savings Programs" help people with limited income and resources save money each year:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). Some people with QMB are also eligible for full Medicaid benefits (QMB+).
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).
- **Qualified Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact Health First Colorado (Medicaid).

Method	Health First Colorado (Colorado's Medicaid program) – contact information
CALL	**1-800-221-3943** Calls to this number are free. Monday to Friday, 8 a.m. to 4:30 p.m.

SECTION 7. Information about programs to help people pay for their prescription drugs

Medicare's "Extra Help" Program

Medicare provides "Extra Help" to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan's monthly premium, yearly deductible, and prescription copayments. This "Extra Help" also counts toward your out-of-pocket costs.

People with limited income and resources may qualify for "Extra Help." Some people automatically qualify for "Extra Help" and don't need to apply. Medicare mails a letter to people who automatically qualify for "Extra Help."

You may be able to get "Extra Help" to pay for your prescription drug premiums and costs. To see if you qualify for getting "Extra Help," call:

- **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**, 24 hours a day/7 days a week;
- The Social Security Office at **1-800-772-1213**, between 7 a.m. to 7 p.m., Monday through Friday. TTY users should call **1-800-325-0778** (applications); or
- Your state Medicaid office (applications) (see Section 6 in this chapter for contact information).

If you believe you have qualified for "Extra Help" and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has established a process that allows you either to request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

If you aren't sure what evidence to provide us, please contact a network pharmacy or Member Services. The evidence is often a letter from either the state Medicaid or Social Security office that confirms you are qualified for "Extra Help." The evidence may also be state-issued documentation with your eligibility information associated with Home and Community-Based Services.

You or your appointed representative may need to provide the evidence to a network pharmacy when obtaining covered Part D prescriptions so that we may charge you the appropriate cost-sharing amount until the Centers for Medicare & Medicaid Services (CMS) updates its records to reflect your current status. Once CMS updates its records, you will no longer need to present the evidence to the pharmacy. Please provide your evidence in one of the following ways so we can forward it to CMS for updating:

- Write to Kaiser Permanente at:
  California Service Center
  Attn: Best Available Evidence
  P.O. Box 232407
  San Diego, CA 92193-2407
- Fax it to **1-877-528-8579**.
- Take it to a network pharmacy.

When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future copayments. If the pharmacy hasn't collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Member Services if you have questions (phone numbers are printed on the back cover of this booklet).

Medicare Coverage Gap Discount Program

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand-name drugs to Part D members who have reached the coverage gap and are not receiving "Extra Help." For brand-name drugs, the 70% discount provided by manufacturers excludes any dispensing fee for costs in the gap. Members pay 25% of the negotiated price and a portion of the dispensing fee for brand-name drugs.

If you reach the coverage gap, we will automatically apply the discount when your pharmacy bills you for your prescription and your **Part D Explanation of Benefits (Part D EOB)** will show any discount provided. Both the amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them, and move you through the coverage gap. The amount paid by the plan (5%) does not count toward your out-of-pocket costs.

You also receive some coverage for generic drugs. If you reach the coverage gap, we pay 75% of the price for generic drugs and you pay the remaining 25% of the price. For generic drugs, the amount paid by our plan (75%) does not count toward your out-of-pocket costs. Only the amount you pay counts and moves you through the coverage gap. Also, the dispensing fee is included as part of the cost of the drug.

The Medicare Coverage Gap Discount Program is available nationwide. Because our plan offers additional gap coverage during the Coverage Gap Stage, your out-of-pocket costs will sometimes be lower than the costs described here. Please go to Chapter 6, Section 6, for more information about your coverage during the Coverage Gap Stage.

If you have any questions about the availability of discounts for the drugs you are taking or about the Medicare Coverage Gap Discount Program in general, please contact Member Services (phone numbers are printed on the back cover of this booklet).

What if you have coverage from a State Pharmaceutical Assistance Program (SPAP)?

If you are enrolled in a State Pharmaceutical Assistance Program (SPAP), or any other program that provides coverage for Part D drugs (other than "Extra Help"), you still get the 70% discount on covered brand-name drugs. Also, the plan pays 5% of the costs of brand-name drugs in the coverage gap. The 70% discount and the 5% paid by the plan are both applied to the price of the drug before any SPAP or other coverage.

What if you have coverage from an AIDS Drug Assistance Program (ADAP)?

What is the AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through **Bridging the Gap Colorado**. Note: To be eligible for the ADAP operating in your state, individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. Please call **Bridging the Gap Colorado** at **303-692-2716**.

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call **Bridging the Gap Colorado** at **303-692-2716**.

What if you get "Extra Help" from Medicare to help pay your prescription drug costs? Can you get the discounts?

No. If you get "Extra Help," you already get coverage for your prescription drug costs during the coverage gap.

What if you don't get a discount, and you think you should have?

If you think that you have reached the coverage gap and did not get a discount when you paid for your brand-name drug, you should review your next *Part D Explanation of Benefits* (*Part D EOB*) notice. If the discount doesn't appear on your *Part D EOB*, you should contact us to make sure that your prescription records are correct and up-to-date. If we don't agree that you are owed a discount, you can appeal. You can get help filing an appeal from your State Health Insurance Assistance Program (SHIP) (telephone numbers are in Section 3 of this chapter) or by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

State Pharmaceutical Assistance Programs

Many states have State Pharmaceutical Assistance Programs that help some people pay for prescription drugs based on financial need, age, medical condition or disabilities. Each state has different rules to provide drug coverage to its members.

In Colorado, the name of the State Pharmaceutical Assistance Program is Bridging the Gap Colorado.

Method	Bridging the Gap Colorado - contact information
CALL	**303-692-2716** Monday through Friday, 8 a.m. to 5 p.m.
WRITE	Bridging the Gap Colorado C/O Colorado ADAP A3-3800 4300 Cherry Creek Drive South Denver, Colorado 80246-1530
WEBSITE	**https://www.colorado.gov/pacific/cdphe/colorado-aids-drug-assistance-program-adap**

SECTION 8. How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address.

Method	Railroad Retirement Board – contact information
CALL	**1-877-772-5772** Calls to this number are free. If you press "0," you may speak with an RRB representative from 9 a.m. to 3:30 p.m., Monday, Tuesday, Thursday, and Friday, and from 9 a.m. to 12 p.m. on Wednesday If you press "1," you may access the automated RRB HelpLine and recorded information 24 hours a day, including weekends and holidays.

TTY	**1-312-751-4701** This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are ***not*** free.
WEBSITE	**https://www.secure.rrb.gov**

SECTION 9. Do you have "group insurance" or other health insurance from an employer?

If you (or your spouse) get benefits from your (or your spouse's) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Member Services if you have any questions. You can ask about your (or your spouse's) employer or retiree health benefits, premiums, or the enrollment period. Phone numbers for Member Services are printed on the back cover of this booklet. You may also call **1-800-MEDICARE** (**1-800-633-4227**; TTY: **1-877-486-2048**) with questions related to your Medicare coverage under this plan.

If you have other prescription drug coverage through your (or your spouse's) employer or retiree group, please contact that group's benefits administrator. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.

CHAPTER 3. Using our plan's coverage for your medical services

SECTION 1. Things to know about getting your medical care covered as a member of our plan

This chapter explains what you need to know about using our plan to get your medical care covered. It gives you definitions of terms and explains the rules you will need to follow to get the medical treatments, services, and other medical care that are covered by our plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the Medical Benefits Chart found at the front of this **EOC**.

Section 1.1 What are "network providers" and "covered services"?

Here are some definitions that can help you understand how you get the care and services that are covered for you as a member of our plan:

- **"Providers"** are doctors and other health care professionals licensed by the state to provide medical services and care. The term "providers" also includes hospitals and other health care facilities.
- **"Network providers"** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **"Covered services"** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart found at the front of this **EOC**.

Section 1.2 Basic rules for getting your medical care covered by our plan

As a Medicare health plan, our plan must cover all services covered by Original Medicare and must follow Original Medicare's coverage rules.

We will generally cover your medical care as long as:

- **The care you receive is included in our plan's Medical Benefits Chart** (found at the front of this **EOC**).
- **The care you receive is considered medically necessary**. "Medically necessary" means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

- **You have a network primary care provider (a PCP)** who is providing and overseeing your care. As a member of our plan, you must choose a network PCP (for more information about this, see Section 2.1 in this chapter).
  - In most situations, your network PCP must give you approval in advance before you can use other providers in our plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a "referral" (for more information about this, see Section 2.3 in this chapter).
  - Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other kinds of care you can get without having approval in advance from your PCP (for more information about this, see Section 2.2 in this chapter).
- **You must receive your care from a network provider** (for more information about this, see Section 2 in this chapter). In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. Here are three exceptions:
  - We cover emergency care or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter.
  - If you need medical care that Medicare requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider if we authorize the services before you get the care. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, see Section 2.3 in this chapter.
  - We cover kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside our service area.

SECTION 2. Use providers in our network to get your medical care

Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your medical care

What is a "PCP" and what does the PCP do for you?

As a member of our plan, you must choose a network provider to be your primary care provider (PCP). Your PCP is a health care professional who meets state requirements and is trained to give you primary medical care.

Your PCP will provide most of your care and may help you arrange or coordinate the rest of the covered services you get as a member of our plan. This includes your X-rays, laboratory tests, therapies, care from doctors who are specialists, hospital admissions, and follow-up care. "Coordinating" your services includes checking or consulting with other network providers about your care and how it is going.

There are a few types of covered services you can get on your own without contacting your PCP first (see Section 2.2 in this chapter).

In some cases, your PCP will also need to get prior authorization (prior approval) from us. The services that require prior authorization from us are discussed in Section 2.3 of this chapter.

How do you choose your PCP?

You may choose a primary care provider from any of our available network physicians who practice in these specialties: internal medicine, family medicine, and pediatrics. When you make a selection, it is effective immediately. To learn how to choose a primary care provider, please call our Personal Physician Selection Services at **1-855-208-7221** (TTY **711**), weekdays 7 a.m. to 5:30 p.m. You can also make your selection at **kp.org**.

Changing your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our network of providers and you would have to find a new PCP. To change your PCP, call our Personal Physician Selection Team at **1-855-208-7221** or **711** (TTY), weekdays 7 a.m. to 5:30 p.m., or make your selection at **kp.org**.

When you call, be sure to tell our Personal Physician Selection Team if you are seeing specialists or getting other covered services that need your PCP's approval (such as home health services and durable medical equipment). Our Personal Physician Selection Team will help make sure that you can continue with the specialty care and other services you have been getting when you change your PCP. They will also check to be sure the PCP you want to switch to is accepting new patients. When you make a new selection, the change is effective immediately.

Section 2.2 What kinds of medical care can you get without getting approval in advance from your PCP?

You can get the services listed below without getting approval in advance from your PCP:

- Routine women's health care, which includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams, as long as you get them from a network provider.
- Flu shots and pneumonia vaccinations, as long as you get them from a network provider.
- Emergency services from network providers or from out-of-network providers.
- Urgently needed services from network providers or from out-of-network providers when network providers are temporarily unavailable or inaccessible (for example, when you are temporarily outside of our service area).
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside our service area. (If possible, please call Member Services before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.) Phone numbers for Member Services are printed on the back cover of this booklet.
- Consultation (routine office) visits to specialty-care departments within our plan, with the exception of the anesthesia clinical pain department.
- Second opinions from another network provider.
- Mental health care or substance abuse services, as long as you get them from a network provider.
- Preventive care except barium enemas, as long as you get them from a network provider.

- Chiropractic services as long as you get them from a network provider.
- Routine eye exams and hearing exams, as long as you get them from a network provider.
- Covered routine care from any Colorado Permanente Medical Group (CPMG) physician at any Kaiser Permanente medical office in our Southern Colorado or Northern Colorado service areas. Note: You cannot get routine care from affiliated network providers in the Southern Colorado or Northern Colorado service areas.

Section 2.3 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

Referrals from your PCP

You will usually see your PCP first for most of your routine health care needs. There are only a few types of covered services you may get on your own, without getting approval from your PCP first, which are described in Section 2.2 of this chapter.

When your PCP prescribes specialized treatment, he or she will give you a referral to see a network specialist or certain other network providers. However, for some types of specialty care referrals, your PCP may need to get approval in advance from our plan. If there is a particular network specialist or hospital that you want to use, check first to be sure your PCP makes referrals to that specialist, or uses that hospital.

Prior authorization

For the services and items listed below and in Chapter 4, Sections 2.1 and 2.2, your network provider will need to get approval in advance from our plan (this is called getting "prior authorization"). Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

- For **certain specialty care**, your PCP will recommend to our plan that you be referred to a network specialist. The plan will authorize the services if it is determined that the covered services are medically necessary. Referrals to such specialist will be for a specific treatment plan, which may include a standing referral if ongoing care is prescribed. Please ask your network physician what services have been authorized. If the specialist wants you to come back for more care, be sure to check if the referral covers more visits to the specialist. If it doesn't, please contact your PCP. You must have an authorized referral for ongoing treatment from a network specialist except as described in Section 2.2. If you don't have a referral (approval in advance) before you get certain ongoing services, you may have to pay for these services yourself.
- If your network provider decides that you require **covered services not available from network providers**, he or she will recommend to our plan that you be referred to an out-of-

network provider inside or outside our service area. The plan will authorize the services if it is determined that the covered services are medically necessary and are not available from a network provider. Referrals to out-of-network providers will be for a specific treatment plan, which may include a standing referral if ongoing care is prescribed. Please ask your network provider what services have been authorized. If the out-of-network specialist wants you to come back for more care, be sure to check if the referral covers more visits to the specialist. If it doesn't, please contact your network provider.

- If your network physician makes a written referral for **bariatric surgery**, the service will be evaluated for medical necessity by our bariatric surgeon and the Metabolic Surgery and Weight Management Department.
- After we are notified that you need **post-stabilization care** from an out-of-network provider following emergency care, we will discuss your condition with the out-of-network provider. If we decide that you require post-stabilization care and that this care would be covered if you received it from a network provider, we will authorize your care from the out-of-network provider only if we cannot arrange to have a network provider (or other designated provider) provide the care. Please see Section 3.1 in this chapter for more information.
- Medically necessary **transgender surgery** and associated procedures.
- Care from a **religious nonmedical health care institution** described in Section 6 of this chapter.
- If your specialist makes a written referral for a **transplant**, the Medical Group's regional transplant advisory committee or board (if one exists) will authorize the services if it determines that they are medically necessary or covered in accord with Medicare guidelines. In cases where no transplant committee or board exists, the Medical Group will designate a specialist within the group to review and approve your transplant referral.

What if a specialist or another network provider leaves our plan?

We may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

- If you find out your doctor or specialist is leaving your plan, please contact us at **1-855-208-7221** (TTY **711**), weekdays, 7 a.m. to 5:30 p.m., so we can assist you in finding a new provider and managing your care.

Section 2.4 How to get care from out-of-network providers

Care you receive from an out-of-network provider will not be covered except in the following situations:

- Emergency or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services mean, see Section 3 in this chapter.
- We authorize a referral to an out-of-network provider described in Section 2.3 of this chapter.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside our service area.
- If you visit the service area of another Kaiser Permanente region, you can receive certain care covered under this **Evidence of Coverage** from designated providers in that service area. Please call Member Services or our away from home travel line at **1-951-268-3900** (24 hours a day, 7 days a week except holidays), TTY **711**, for more information about getting care when visiting another Kaiser Permanente region's service area, including coverage information and facility locations in the District of Columbia and parts of California, Georgia, Hawaii, Maryland, Oregon, Virginia, and Washington.

SECTION 3. How to get covered services when you have an emergency or urgent need for care or during a disaster

Section 3.1 Getting care if you have a medical emergency

What is a "medical emergency" and what should you do if you have one?

A "medical emergency" is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible**. Call **911** for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that our plan has been told about your emergency**. We need to follow up on your emergency care. You or someone else should call to tell us about

your emergency care, usually within 48 hours. The number to call is listed on the back of your plan membership card.

What is covered if you have a medical emergency?

You may get covered emergency medical care whenever you need it, anywhere inside or outside the United States. We cover ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, see the Medical Benefits Chart found at the front of this **EOC**.

You may get covered emergency medical care (including ambulance) when you need it anywhere in the world. However; you may have to pay for the services and file a claim for reimbursement (see Chapter 7 for more information).

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. We will cover your follow-up post-stabilization care in accord with Medicare guidelines. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. It is very important that your provider call us to get authorization for post-stabilization care before you receive the care from the out-of-network provider. In most cases, you will only be held financially liable if you are notified by the out-of-network provider or us about your potential liability.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care—thinking that your health is in serious danger—and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, we will cover your care as long as you reasonably thought your health was in serious danger.

However, after the doctor has said that it was not an emergency, we will cover additional care only if you get the additional care in one of these two ways:

- You go to a network provider to get the additional care.
- Or the additional care you get is considered "urgently needed services" and you follow the rules for getting these urgently needed services (for more information about this, see Section 3.2 below).

Section 3.2 Getting care when you have an urgent need for services

What are "urgently needed services"?

"Urgently needed services" are a nonemergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or

inaccessible. The unforeseen condition could, for example, be an unforeseen flare-up of a known condition that you have.

What if you are in our service area when you have an urgent need for care?

You should always try to obtain urgently needed services from network providers. However, if providers are temporarily unavailable or inaccessible, and it is not reasonable to wait to obtain care from your network provider when the network becomes available, we will cover urgently needed services that you get from an out-of-network provider.

We know that sometimes it's difficult to know what type of care you need. That's why we have telephone advice nurses available to assist you. Our advice nurses are registered nurses specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. Whether you are calling for advice or to make an appointment, you can speak to an advice nurse. They can often answer questions about a minor concern, tell you what to do if a network facility is closed, or advise you about what to do next, including making a same-day urgent care appointment for you if it's medically appropriate. To speak with an advice nurse 24 hours a day, seven days a week, or make an appointment, please call **1-800-218-1059 (**TTY **711).**

What if you are outside our service area when you have an urgent need for care?

When you are outside the service area and cannot get care from a network provider, we will cover urgently needed services that you get from any provider. Our plan covers worldwide urgent care services outside the United States under the following circumstances:

- You are temporarily outside of our service area.
- The services were necessary to treat an unforeseen illness or injury to prevent serious deterioration of your health.
- It was not reasonable to delay treatment until you returned to our service area.
- The services would have been covered had you received them from a network provider.

Section 3.3 Getting care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from us.

Please visit the following website—**kp.org**—for information on how to obtain needed care during a disaster.

Generally, if you cannot use a network provider during a disaster, we will allow you to obtain care from out-of-network providers at in-network cost-sharing. If you cannot use a network pharmacy during a disaster, you may be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section 2.5, for more information.

SECTION 4. What if you are billed directly for the full cost of your covered services?

Section 4.1 You can ask us to pay our share of the cost for covered services

If you have paid more than your share for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 7, "Asking us to pay our share of a bill you have received for covered medical services or drugs," for information about what to do.

Section 4.2 If services are not covered by our plan, you must pay the full cost

We cover all medical services that are medically necessary, listed in the Medical Benefits Chart (this chart is found at the front of this **EOC**), and obtained consistent with plan rules. You are responsible for paying the full cost of services that aren't covered by our plan, either because they are not plan covered services or they were obtained out-of-network and were not authorized.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get it. You also have the right to ask for this in writing. If we say we will not cover your services, you have the right to appeal our decision not to cover your care.

Chapter 9, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)," has more information about what to do if you want a coverage decision from us or want to appeal a decision we have already made. You may also call Member Services to get more information (phone numbers are printed on the back cover of this booklet).

For covered services that have a benefit limitation, you pay the full cost of any services you get after you have used up your benefit for that type of covered service. Any amounts you pay after the benefit has been exhausted will not count toward the out-of-pocket maximum. You can call Member Services when you want to know how much of your benefit limit you have already used.

SECTION 5. How are your medical services covered when you are in a "clinical research study"?

Section 5.1 What is a "clinical research study"?

A clinical research study (also called a "clinical trial") is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. They test new medical care procedures or drugs by asking for volunteers to help with the study. This kind of study is one of the final stages of a research process that helps doctors and scientists see if a new approach works and if it is safe.

Not all clinical research studies are open to members of our plan. Medicare first needs to approve the research study. If you participate in a study that Medicare has not approved, you will be responsible for paying all costs for your participation in the study.

Once Medicare approves the study, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study and you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in a Medicare-approved clinical research study, you do not need to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do not need to be part of our plan's network of providers.

Although you do not need to get our plan's permission to be in a clinical research study, **you do need to tell us before you start participating in a clinical research study.**

If you plan on participating in a clinical research study, contact Member Services (phone numbers are printed on the back cover of this booklet) to let them know that you will be participating in a clinical trial and to find out more specific details about what we will pay.

Section 5.2 When you participate in a clinical research study, who pays for what?

Once you join a Medicare-approved clinical research study, you are covered for routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

Original Medicare pays most of the cost of the covered services you receive as part of the study. After Medicare has paid its share of the cost for these services, our plan will also pay for part of the costs:

- We will pay the difference between the cost-sharing in Original Medicare and your cost-sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan.
  - Here's an example of how the cost-sharing works: Let's say that you have a lab test that costs $100 as part of the research study. Let's also say that your share of the costs for this test is $20 under Original Medicare, but the test would be $10 under our plan's benefits. In this case, Original Medicare would pay $80 for the test and we would pay another $10. This means that you would pay $10, which is the same amount you would pay under our plan's benefits.

- In order for us to pay for our share of the costs, you will need to submit a request for payment. With your request, you will need to send us a copy of your Medicare Summary Notices or other documentation that shows what services you received as part of the study and how much you owe. Please see Chapter 7 for more information about submitting requests for payment.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following**:

- Generally, Medicare will not pay for the new item or service that the study is testing, unless Medicare would cover the item or service even if you were not in a study.
- Items and services the study gives you or any participant for free.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.

Do you want to know more?

You can get more information about joining a clinical research study by reading the publication "Medicare and Clinical Research Studies" on the Medicare website (**https://www.medicare.gov**). You can also call **1-800-MEDICARE** (**1-800-633-4227**), 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

SECTION 6. Rules for getting care covered in a "religious nonmedical health care institution"

Section 6.1 What is a religious nonmedical health care institution?

A religious nonmedical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious nonmedical health care institution. You may choose to pursue medical care at any time for any reason. This benefit is provided only for Part A inpatient services (nonmedical health care services). Medicare will only pay for nonmedical health care services provided by religious nonmedical health care institutions.

Section 6.2 What care from a religious nonmedical health care institution is covered by our plan?

To get care from a religious nonmedical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is "non-excepted."

- "Non-excepted" medical care or treatment is any medical care or treatment that is voluntary and not required by any federal, state, or local law.
- "Excepted" medical treatment is medical care or treatment that you get that is not voluntary or is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious nonmedical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services you receive is limited to nonreligious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following conditions apply:
  - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care.
  - – and – you must get approval in advance from our plan before you are admitted to the facility or your stay will not be covered.

Note: Covered services are subject to the same limitations and cost-sharing required for services provided by network providers as described in the Medical Benefits Chart found at the front of the **EOC**, Chapters 4 and 12.

SECTION 7. Rules for ownership of durable medical equipment

Section 7.1 Will you own the durable medical equipment after making a certain number of payments under our plan?

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech-generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of our plan, however, you will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan. Even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan, you will not acquire ownership no matter how many copayments you make for the item while a member of our plan.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. Payments you made while in our plan do not count toward these 13 consecutive payments.

If you made fewer than 13 payments for the DME item under Original Medicare before you joined our plan, your previous payments also do not count toward the 13 consecutive payments. You will have to make 13 new consecutive payments after you return to Original Medicare in

order to own the item. There are no exceptions to this case when you return to Original Medicare.

—

CHAPTER 4. Medical Benefits Chart (what is covered and what you pay)

SECTION 1. Understanding your out-of-pocket costs for covered services

This chapter and the Medical Benefits Chart found at the front of this **EOC** focuses on your covered services and what you pay for your medical benefits. The Medical Benefits Chart lists your covered services and some limitations and shows how much you will pay for each covered service as a member of our plan. Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services. In addition, please see Chapters 3, 11, and 12 for additional coverage information, including limitations (for example, coordination of benefits, durable medical equipment, home health care, skilled nursing facility care, and third party liability).

Section 1.1 Types of out-of-pocket costs you may pay for your covered services

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- A "**copayment**" is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service, unless we do not collect all cost-sharing at that time and send you a bill later. (The Medical Benefits Chart found at the front of this **EOC** tells you more about your copayments.)
- "**Coinsurance**" is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service, unless we do not collect all cost-sharing at that time and send you a bill later. (The Medical Benefits Chart located found at the front of this **EOC** tells you more about your coinsurance.)
- The "**deductible**" is the amount you must pay for medical services before our plan begins to pay its share for your covered medical services. (**Note**: Not all plans have a deductible.) Until you have paid the deductible amount, you must pay the full cost of your covered services. Once you have paid your deductible, we will begin to pay our share of the costs for covered medical services and you will pay your share (your copayment or coinsurance). The deductible does not apply to some services. (The Medical Benefits Chart found at the front of this **EOC** tells you if your plan has a deductible, the deductible amount, and which services are subject to the deductible.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable. If you think that you are being asked to pay improperly, contact Member Services.

Section 1.2 What is the most you will pay for Medicare Part A and Part B covered medical services?

Because you are enrolled in a Medicare Advantage Plan, there is a limit to how much you have to pay out-of-pocket each year for in-network medical services that are covered under Medicare

Part A and Part B (see the Medical Benefits Chart located at the front of this **EOC**). This limit is called the maximum out-of-pocket amount for medical services.

As a member of our plan, the most you will have to pay out-of-pocket for in-network covered Part A and Part B services in 2020 is stated in the Medical Benefits Chart found at the front of this **EOC**. The amounts you pay for deductibles (if your plan has a deductible), copayments, and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. The amounts you pay for your plan premiums and for your Part D prescription drugs do not count toward your maximum out-of-pocket amount. In addition, amounts you pay for some services do not count toward your maximum out-of-pocket amount. These services are marked with an asterisk (*****) in the Medical Benefits Chart found at the front of this **EOC**.

If you reach the maximum out-of-pocket amount stated in the Medical Benefits Chart found at the front of this **EOC**, you will not have to pay any out-of-pocket costs for the rest of the year for in-network covered Part A and Part B services. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Our plan does not allow providers to "balance bill" you

As a member of our plan, an important protection for you is that, after you meet any deductibles (if applicable to your plan), you only have to pay your cost-sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called "balance billing." This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don't pay certain provider charges.

Here is how this protection works:

- If your cost-sharing is a copayment (a set amount of dollars, for example, $15.00), then you pay only that amount for any covered services from a network provider.
- If your cost-sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends upon which type of provider you see:
  - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by our plan's reimbursement rate (as determined in the contract between the provider and our plan).
  - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Remember, we cover services from out-of-network providers only in certain situations, such as when you get a referral.)
  - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for nonparticipating providers. (Remember, we cover services from out-of-network providers only in certain situations, such as when you get a referral.)

- If you believe a provider has "balance billed" you, call Member Services (phone numbers are printed on the back cover of this booklet).

SECTION 2. Use the Medical Benefits Chart at the front of this EOC to find out what is covered for you and how much you will pay

Section 2.1 Your medical benefits and costs as a member of our plan

The Medical Benefits Chart found at the front of this **EOC** lists the services our plan covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart found at the front of this **EOC** are covered only when the following coverage requirements are met:

- Your Medicare-covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, and equipment) must be medically necessary. "Medically necessary" means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- You receive your care from a network provider. In most cases, care you receive from an out-of-network provider will not be covered. Chapter 3 provides more information about requirements for using network providers and the situations when we will cover services from an out-of-network provider.
- You have a primary care provider (a PCP) who is providing and overseeing your care. In most situations, your PCP must give you approval in advance before you can see other providers in our plan's network. This is called giving you a "referral." Chapter 3 provides more information about getting a referral and the situations when you do not need a referral.
- Some of the services listed in the Medical Benefits Chart found at the front of this **EOC** are covered only if your doctor or other network provider gets approval in advance (sometimes called "prior authorization") from us. Covered services that need approval in advance are marked in the Medical Benefits Chart found at the front of this **EOC** with a footnote (†). In addition, see Section 2.2 in this chapter and Chapter 3, Section 2.3, for more information about prior authorization, including other services that require prior authorization that are not listed in the Medical Benefits Chart found at the front of this **EOC.**

Other important things to know about our coverage:

- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay more in our plan than you would in Original Medicare. For others, you pay less. (If you want to know more about the coverage and costs of Original Medicare, look in your **Medicare & You 2020** handbook. View it online at **https://www.medicare.gov** or ask for a copy by calling **1-800-MEDICARE** (**1-800-633-4227**), 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.)

- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, cost-sharing will apply for the care received for the existing medical condition.
- Sometimes Medicare adds coverage under Original Medicare for new services during the year. If Medicare adds coverage for any services during 2020, either Medicare or our plan will cover those services.

 You will see this apple next to the preventive services in the Medical Benefits Chart found at the front of this **EOC**.

SECTION 3. What services are not covered by our plan?

Section 3.1 Services we do *not* cover (exclusions)

This section tells you what services are "excluded" from Medicare coverage and, therefore, are not covered by this plan. If a service is "excluded," it means that we don't cover the service.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself. We won't pay for the excluded medical services listed in the chart below except under the specific conditions listed. The only exception is we will pay if a service in the chart below is found upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 5.3, in this booklet.)

All exclusions or limitations on services are described in the Medical Benefits Chart at the front of this **EOC** or in the chart below. Even if you receive the excluded services at an emergency facility, the excluded services are still not covered and our plan will not pay for them.

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Services considered not reasonable and necessary, according to the standards of Original Medicare		√ This exclusion doesn't apply to services or items that aren't covered by Original Medicare but are covered by our plan.
Experimental medical and surgical procedures, equipment and medications • Experimental procedures and items are those items		√ May be covered by Original Medicare under a Medicare-approved clinical research study.

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
and procedures determined by our plan and Original Medicare to not be generally accepted by the medical community		(See Chapter 3, Section 5 for more information about clinical research studies.)
Private room in a hospital		√ Covered only when medically necessary.
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television	√	
Full-time nursing care in your home	√	
Custodial care is care provided in a nursing home, hospice, or other facility setting when you do not require skilled medical care or skilled nursing care • Custodial care is personal care that does not require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing	√	
Homemaker services include basic household assistance, including light housekeeping or light meal preparation	√	
Fees charged by your immediate relatives or members of your household	√	
Cosmetic surgery or procedures		√

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
		Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member. Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Routine dental care, such as cleanings, fillings, or dentures		√ Not covered unless your group has purchased coverage. Refer to the Medical Benefits Chart at the front of this **EOC**.
Nonroutine dental care		√ Dental care required to treat illness or injury may be covered as inpatient or outpatient care.
Routine chiropractic care		√ Manual manipulation of the spine to correct a subluxation is covered. In addition, this exclusion does not apply if your employer purchased coverage for additional chiropractic care. Refer to the Medical Benefits Chart at the front of this **EOC**.
Routine foot care		√ Some limited coverage provided according to Medicare guidelines, for example, if you have diabetes.
Home-delivered meals	√	
Orthopedic shoes		√ If shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Supportive devices for the feet		√ Orthopedic or therapeutic footwear for people with diabetic foot disease.
Hearing aids		√ This exclusion does not apply if your group has purchased hearing aid coverage. Refer to the Medical Benefits Chart in the front of this **EOC**. **Note**: For all members, this hearing aid exclusion does not apply to cochlear implants and osseointegrated external hearing devices covered by Medicare.
Industrial frames	√	
Lenses and sunglasses without refractive value		√ This exclusion does not apply to any of the following items: • A clear balance lens if only one eye needs correction. • Tinted lenses when medically necessary to treat macular degeneration or retinitis pigmentosa.
Replacement of lost, broken, or damaged lenses or frames	√	
Eyeglass or contact lens adornment, such as engraving, faceting, or jeweling	√	
Eyewear items that do not require a prescription by law (other than eyeglass frames), such as eyeglass holders, eyeglass cases, and repair kits	√	

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Radial keratotomy, LASIK surgery, and other low vision aids	√	
Reversal of sterilization procedures and non-prescription contraceptive supplies.	√	
Acupuncture		√ This exclusion does not apply if your employer has purchased coverage for acupuncture. Refer to the Medical Benefits Chart at the front of the **EOC**.
Naturopath services (uses natural or alternative treatments)	√	
Private duty nursing	√	
Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging, and mental performance)		√ Covered if medically necessary and covered under Original Medicare.
Services provided to veterans in Veterans Affairs (VA) facilities		√ When emergency services are received at a VA hospital and the VA cost-sharing is more than the cost-sharing under our plan, we will reimburse veterans for the difference. Members are still responsible for our plan's cost-sharing amounts.
Reconstructive surgery that offers only a minimal improvement in appearance or is performed to alter or		√ We cover reconstructive surgery to correct or repair abnormal structures of the body caused by congenital

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
reshape normal structures of the body in order to improve appearance		defect, developmental abnormalities, accidental injury, trauma, infection, tumors, or disease, if a network physician determines that it is necessary to improve function, or create a normal appearance, to the extent possible.
Surgery that, in the judgment of a network physician specializing in reconstructive surgery, offers only a minimal improvement in appearance. Surgery that is performed to alter or reshape normal structures of the body in order to improve appearance	√	
Nonconventional intraocular lenses (IOLs) following cataract surgery (for example, a presbyopia-correcting IOL)		√ You may request and we may provide insertion of a presbyopia-correcting IOL or astigmatism-correcting IOL following cataract surgery in lieu of a conventional IOL. However, you must pay the difference between Plan Charges for a nonconventional IOL and associated services and Plan Charges for insertion of a conventional IOL following cataract surgery.
Directed blood donations	√	
Massage therapy		√ Covered when ordered as part of physical therapy program in accord with Medicare guidelines.
Transportation by air, car, taxi, bus, gurney van, wheelchair van, and any other type of transportation (other than a licensed ambulance),	√	

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
even if it is the only way to travel to a network provider		
Licensed ambulance services without transport		√ Covered if the ambulance transports you or if covered by Medicare.
Physical exams and other services (1) required for obtaining or maintaining employment or participation in employee programs, (2) required for insurance or licensing, or (3) on court order or required for parole or probation		√ Covered if a network physician determines that the services are medically necessary or medically appropriate preventive care.
Services related to noncovered services or items		√ When a service or item is not covered, all services related to the noncovered service or item are excluded, (1) except for services or items we would otherwise cover to treat complications of the noncovered service or item, or (2) unless covered in accord with Medicare guidelines.
Services not approved by the federal Food and Drug Administration. Drugs, supplements, tests, vaccines, devices, radioactive materials, and any other services that by law require federal Food and Drug Administration (FDA) approval in order to be sold in the U.S., but are not approved by the FDA		√ This exclusion applies to services provided anywhere, even outside the U.S. It doesn't apply to Medicare-covered clinical trials or covered emergency care you receive outside the U.S.

CHAPTER 5. Using our plan's coverage for your Part D prescription drugs

Did you know there are programs to help people pay for their drugs?

There are programs to help people with limited resources pay for their drugs. These include "Extra Help" and State Pharmaceutical Assistance Programs. For more information, see Chapter 2, Section 7.

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this Evidence of Coverage about the costs for Part D prescription drugs does not apply to you.** We sent you a separate document, called the "**Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**" (also known as the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug coverage. If you don't have this rider, please call Member Services and ask for the "LIS Rider." Phone numbers for Member Services are printed on the back cover of this booklet.

SECTION 1. Introduction

Section 1.1 This chapter describes your coverage for Part D drugs

This chapter explains rules for using your coverage for Part D drugs. The Medical Benefits Chart found at the front of this **EOC** and the next chapter tell you what you pay for Part D drugs (Chapter 6, "What you pay for your Part D prescription drugs").

In addition to your coverage for Part D drugs, we also cover some drugs under our plan's medical benefits. Through our coverage of Medicare Part A benefits, we generally cover drugs you are given during covered stays in the hospital or in a skilled nursing facility. Through our coverage of Medicare Part B benefits, we cover drugs including certain chemotherapy drugs, certain drug injections you are given during an office visit, and drugs you are given at a dialysis facility. The Medical Benefits Chart found at the front of this **EOC** tells you about the benefits and costs for drugs during a covered hospital or skilled nursing facility stay, as well as your benefits and costs for Part B drugs.

Your drugs may be covered by Original Medicare if you are in Medicare hospice. We only cover Medicare Parts A, B, and D services and drugs that are unrelated to your terminal prognosis and related conditions, and therefore not covered under the Medicare hospice benefit. For more information, please see Section 9.4 in this chapter, "What if you're in Medicare-certified hospice." For information on hospice coverage, see the hospice section of the Medical Benefits Chart at the front of this **EOC**.

If your group has purchased enhanced Part D prescription drug coverage, we cover some drugs that are not covered by Medicare Part B and Part D in accord with our formulary for non-Part D

drugs. The Medical Benefits Chart at the front of this **EOC** tells you about your benefits and costs for these drugs.

The following sections discuss coverage of your drugs under our plan's Part D benefit rules. Section 9 in this chapter, "Part D drug coverage in special situations," includes more information about your Part D coverage and Original Medicare.

Section 1.2 Basic rules for our plan's Part D drug coverage

Our plan will generally cover your drugs as long as you follow these basic rules:

- You must have a provider (a doctor, dentist, or other prescriber) write your prescription.
- Your prescriber must either accept Medicare or file documentation with CMS showing that he or she is qualified to write prescriptions, or your Part D claim will be denied. You should ask your prescribers the next time you call or visit if they meet this condition. If not, please be aware it takes time for your prescriber to submit the necessary paperwork to be processed.
- You generally must use a network pharmacy to fill your prescription. (See Section 2, "Fill your prescriptions at a network pharmacy or through our mail-order service.")
- Your drug must be on our **Kaiser Permanente 2020 Comprehensive Formulary** (we call it the "Drug List" for short). (See Section 3, "Your drugs need to be on our Drug List.")
- Your drug must be used for a medically accepted indication. A "medically accepted indication" is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. (See Section 3 for more information about a medically accepted indication.)

SECTION 2. Fill your prescription at a network pharmacy or through our mail-order service

Section 2.1 To have your prescription covered, use a network pharmacy

In most cases, your prescriptions are covered only if they are filled at our network pharmacies. (See Section 2.5 for information about when we would cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with our plan to provide your covered prescription drugs. The term "covered drugs" means all of the Part D prescription drugs that are covered on our plan's Drug List.

Our network includes pharmacies that offer standard cost-sharing and pharmacies that offer preferred cost-sharing. You may go to either type of network pharmacy to receive your covered prescription drugs. Your cost-sharing may be less at pharmacies with preferred cost-sharing.

Section 2.2 Finding network pharmacies

How do you find a network pharmacy in your area?

To find a network pharmacy, you can look in your **Pharmacy Directory**, visit our website (**kp.org/directory**), or call Member Services (phone numbers are printed on the back cover of this booklet).

You may go to any of our network pharmacies. However, your costs may be even less for your covered drugs if you use a network pharmacy that offers preferred cost-sharing rather than a network pharmacy that offers standard cost-sharing. The **Pharmacy Directory** will tell you which of the network pharmacies offer preferred cost-sharing. You can find out more about how your out-of-pocket costs could be different for different drugs by contacting us. If you switch from one network pharmacy. If you switch from one network pharmacy to another, and you need a refill of a drug you have been taking, you can ask to have your prescription transferred to your new network pharmacy.

What if the pharmacy you have been using leaves the network?

If the pharmacy you have been using leaves our plan's network, you will have to find a new pharmacy that is in our network. Or if the pharmacy you have been using stays within the network but is no longer offering preferred cost-sharing, you may switch to a different pharmacy. To find another network pharmacy in your area, you can get help from Member Services (phone numbers are printed on the back cover of this booklet) or use the **Pharmacy Directory**. You can also find information on our website at **kp.org/directory**.

What if you need a specialized pharmacy?

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, an LTC facility (such as a nursing home) has its own pharmacy. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies, which is typically the pharmacy that the LTC facility uses. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact Member Services.
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network. I/T/U pharmacies must be within our service area.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use.
  Note: This scenario should happen rarely.

To locate a specialized pharmacy, look in your **Pharmacy Directory** or call Member Services (phone numbers are printed on the back cover of this booklet).

Section 2.3 Using our mail-order services

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, the drugs provided through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. The drugs available through our mail-order service are marked as "mail-order" drugs on our Drug List.

Our mail-order service requires you to order at least a 30-day supply of the drug and no more than a 90-day supply.

To get information about filling your prescriptions by mail, call Member Services.
You can conveniently order your prescription refills in the following ways:

- Register and order online securely at **kp.org/refill**.
- Call our mail-order service at **1-866-523-6059 (TTY 711)**, Monday through Friday, 8 a.m. to 6 p.m.
- Call the highlighted number listed on your prescription label and follow the prompts. Be sure to select the mail delivery option when prompted.
- Mail your prescription or refill request on a mail-order form available at any Kaiser Permanente network pharmacy.

When you order refills for home delivery online, by phone, or in writing, you must pay your cost-sharing when you place your order (there are no shipping charges for regular mail-order service). If you prefer, you may designate a network pharmacy where you want to pick up and pay for your prescription. Please contact a network pharmacy if you have a question about whether your prescription can be mailed or see our *Drug List* for information about the drugs that can be mailed.

Usually a mail-order pharmacy order will get to you in no more than 5 days. If your mail-order prescription is delayed, please call the number listed above or on your prescription bottle's label for assistance. Also, if you cannot wait for your prescription to arrive from our mail-order pharmacy, you can get an urgent supply by calling your local preferred network retail pharmacy listed in your **Pharmacy Directory** or at **kp.org/directory**. Please be aware that you may pay more if you get a 90-day supply from a network retail pharmacy instead of from our preferred mail-order pharmacy.

Refills on mail-order prescriptions. For refills, please contact your pharmacy at least 5 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. When you place your order, please provide your current contact information in case we need to reach you.

Section 2.4 How can you get a long-term supply of drugs?

When you get a long-term supply of drugs, your cost-sharing may be lower. Our plan offers two ways to get a long-term supply (also called an "extended supply") of "maintenance" drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis for a chronic or long-term medical condition. You may order this supply through mail order (see Section 2.3 in this chapter) or you may go to a retail pharmacy.

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Your Pharmacy Directory tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Member Services for more information (phone numbers are printed on the back cover of this booklet).
2. For certain kinds of drugs, you can use our plan's network mail-order services. The drugs available through our mail-order service are marked as "mail-order" drugs on our Drug List. Our mail-order service requires you to order at least a 30-day supply of the drug and no more than a 90-day supply. See Section 2.3 for more information about using our mail-order services.

Section 2.5 When can you use a pharmacy that is not in our network?

Your prescription may be covered in certain situations

Generally, we cover drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. To help you, we have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. If you cannot use a network pharmacy, here are the circumstances when we would cover prescriptions filled at an out-of-network pharmacy:

- If you are traveling within the United States and its territories but outside the service area and you become ill or run out of your covered Part D prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy in limited, nonroutine circumstances according to our Medicare Part D formulary guidelines.
- If you need a Medicare Part D prescription drug in conjunction with covered out-of-network emergency care or out-of-area urgent care, we will cover up to a 30-day supply from an out-of-network pharmacy. **Note:** Prescription drugs prescribed and provided outside of the United States and its territories as part of covered emergency or urgent care are covered up to a 30-day supply in a 30-day period. These drugs are not covered under Medicare Part D; therefore, payments for these drugs do not count toward reaching the catastrophic coverage stage.
- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24-hour service. We may not cover your prescription if a reasonable person could have purchased the drug at a network pharmacy during normal business hours.
- If you are trying to fill a prescription for a drug that is not regularly stocked at an accessible network pharmacy or available through our mail-order pharmacy (including high-cost drugs).

- If you are not able to get your prescriptions from a network pharmacy during a disaster.

In these situations, please check first with Member Services to see if there is a network pharmacy nearby. Phone numbers for Member Services are printed on the back cover of this booklet. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy.

How do you ask for reimbursement from our plan?

If you must use an out-of-network pharmacy, you will generally have to pay the full cost (rather than your normal share of the cost) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Chapter 7, Section 2.1, explains how to ask us to pay you back.)

SECTION 3. Your drugs need to be on our "Drug List"

Section 3.1 The "Drug List" tells which Part D drugs are covered

Our plan has a **Kaiser Permanente 2020 Comprehensive Formulary**. In this **Evidence of Coverage**, we call it the "Drug List" for short.

The drugs on this list are selected by our plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved our plan's Drug List.

The drugs on the Drug List are only those covered under Medicare Part D (earlier in this chapter, Section 1.1 explains about Part D drugs).

We will generally cover a drug on our plan's Drug List as long as you follow the other coverage rules explained in this chapter and the use of the drug is a medically accepted indication. A "medically accepted indication" is a use of the drug that is either:

- Approved by the Food and Drug Administration. (That is, the Food and Drug Administration has approved the drug for the diagnosis or condition for which it is being prescribed.)
- Or supported by certain reference books. (These reference books are the American Hospital Formulary Service Drug Information; the DRUGDEX Information System; and, for cancer, the National Comprehensive Cancer Network and Clinical Pharmacology or their successors.)

Our Drug List includes both brand-name and generic drugs

A generic drug is a prescription drug that has the same active ingredients as the brand-name drug. Generally, it works just as well as the brand-name drug and usually costs less. There are generic drug substitutes available for many brand-name drugs.

What is not on our Drug List?

Our plan does not cover all prescription drugs.

- In some cases, the law does not allow any Medicare plan to cover certain types of drugs (for more information about this, see Section 7.1 in this chapter).
- In other cases, we have decided not to include a particular drug on our Drug List.

Section 3.2 There are six "cost-sharing" tiers" for drugs on our *Drug List*

Every drug on our plan's Drug List is in one of six cost-sharing tiers. Depending upon the plan your group has selected, cost-sharing may vary from one tier to the next. In general, the higher the cost-sharing tier, the higher your cost for the drug:

- Cost-sharing **Tier 1** for preferred generic drugs.
- Cost-sharing **Tier 2** for generic drugs (this tier includes some brand-name drugs).
- Cost-sharing **Tier 3** for preferred brand-name drugs.
- Cost-sharing **Tier 4** for nonpreferred brand-name drugs (this tier includes some generic drugs).
- Cost-sharing **Tier 5** for specialty-tier drugs (this tier includes both generic and brand-name drugs).
- Cost-sharing **Tier 6** for injectable Part D vaccines (this tier includes only brand-name drugs).

To find out which cost-sharing tier your drug is in, look it up on our Drug List. The amount you pay for drugs in each cost-sharing tier is shown in the Medical Benefits Chart found at the front of this **EOC**.

Section 3.3 How can you find out if a specific drug is on our Drug List?

You have three ways to find out:

1. Check the most recent Drug List we provided electronically at **kp.org**.
2. Visit our website (**kp.org/seniorrx).** Our Drug List (**Kaiser Permanente 2020 Comprehensive Formulary**) on the website is always the most current.
3. Call Member Services to find out if a particular drug is on our plan's Drug List (**Kaiser Permanente 2020 Comprehensive Formulary**) or to ask for a copy of the list. Phone numbers for Member Services are printed on the back cover of this booklet.

SECTION 4. There are restrictions on coverage for some drugs

Section 4.1 Why do some drugs have restrictions?

For certain prescription drugs, special rules restrict how and when we cover them. A team of doctors and pharmacists developed these rules to help our members use drugs in the most effective ways. These special rules also help control overall drug costs, which keeps your drug coverage more affordable.

In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. Whenever a safe, lower-cost drug will work just as well medically as a higher-

cost drug, our plan's rules are designed to encourage you and your provider to use that lower-cost option. We also need to comply with Medicare's rules and regulations for drug coverage and cost-sharing.

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9, Section 6.2, for information about asking for exceptions.)

Please note that sometimes a drug may appear more than once on our Drug List (**Kaiser Permanente 2020 Comprehensive Formulary**). This is because different restrictions or cost-sharing may apply based on factors such as the strength, amount, or form of the drug prescribed by your health care provider (for instance, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid).

Section 4.2 What kinds of restrictions?

Our plan uses different types of restrictions to help our members use drugs in the most effective ways. The sections below tell you more about the types of restrictions we use for certain drugs.

Restricting brand-name drugs when a generic version is available

Generally, a "generic" drug works the same as a brand-name drug and usually costs less. When a generic version of a brand-name drug is available, our network pharmacies will provide you the generic version. We usually will not cover the brand-name drug when a generic version is available. However, if your provider has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand-name drug. (Your share of the cost may be greater for the brand-name drug than for the generic drug.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from our plan before we will agree to cover the drug for you. This is called **"prior authorization."** Sometimes the requirement for getting approval in advance helps guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by our plan.

Section 4.3 Do any of these restrictions apply to your drugs?

Our plan's Drug List includes information about the restrictions described above. To find out if any of these restrictions apply to a drug you take or want to take, check our Drug List. For the most up-to-date information, call Member Services (phone numbers are printed on the back cover of this booklet) or check our website **(kp.org/seniorrx)**.

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. If there is a restriction on the drug you want to take, you should contact Member Services to learn what you or your provider would need to do to get

coverage for the drug. If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception. We may or may not agree to waive the restriction for you. (See Chapter 9, Section 6.2, for information about asking for exceptions.)

SECTION 5. What if one of your drugs is not covered in the way you'd like it to be covered?

Section 5.1 There are things you can do if your drug is not covered in the way you'd like it to be covered

We hope that your drug coverage will work well for you. But it's possible that there could be a prescription drug you are currently taking, or one that you and your provider think you should be taking that is not on our formulary or is on our formulary with restrictions. For example:

- The drug might not be covered at all. Or maybe a generic version of the drug is covered but the brand-name version you want to take is not covered.
- The drug is covered, but there are extra rules or restrictions on coverage for that drug. As explained in Section 4, some of the drugs covered by our plan have extra rules to restrict their use. In some cases, you may want us to waive the restriction for you.
- The drug is covered, but it is in a cost-sharing tier that makes your cost-sharing more expensive than you think it should be. Our plan puts each covered drug into one of six different cost-sharing tiers. How much you pay for your prescription depends in part on which cost-sharing tier your drug is in.

There are things you can do if your drug is not covered in the way that you'd like it to be covered. Your options depend upon what type of problem you have:

- If your drug is not on our Drug List or if your drug is restricted, go to Section 5.2 to learn what you can do.
- If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.3 to learn what you can do.

Section 5.2 What can you do if your drug is not on our Drug List or if the drug is restricted in some way?

If your drug is not on our Drug List or is restricted, here are things you can do:

- You may be able to get a temporary supply of the drug (only members in certain situations can get a temporary supply). This will give you and your provider time to change to another drug or to file a request to have the drug covered.
- You can change to another drug.
- You can request an exception and ask us to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, we can offer a temporary supply of a drug to you when your drug is not on our Drug List or when it is restricted in some way. Doing this gives you time to talk with your provider about the change in coverage and figure out what to do.

To be eligible for a temporary supply, you must meet the two requirements below:

1. The change to your drug coverage must be one of the following types of changes:

- The drug you have been taking is no longer on our plan's Drug List.
- Or the drug you have been taking is now restricted in some way (Section 4 in this chapter tells you about restrictions).

2. You must be in one of the situations described below:

- **For those members who are new or who were in our plan last year:** We will cover a temporary supply of your drug during the first 90 days of your membership in our plan if you are new and during the first 90 days of the calendar year if you were in our plan last year. This temporary supply will be for a maximum of a 30-day supply. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of a 30-day supply of medication. The prescription must be filled at a network pharmacy. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For those members who have been in our plan for more than 90 days and reside in a long-term care (LTC) facility and need a supply right away:** We will cover one 31-day supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply situation.
- **For current members with level of care changes**, if you enter into or are discharged from a hospital, skilled nursing facility, or long-term care facility to a different care setting or home, this is what is known as a level of care change. When your level of care changes, you may require an additional fill of your medication. We will generally cover up to a one-month supply of your Part D drugs during this level of care transition period even if the drug is not on our Drug List.

To ask for a temporary supply, call Member Services (phone numbers are printed on the back cover of this booklet).

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by our plan or ask us to make an exception for you and cover your current drug. The sections below tell you more about these options.

You can change to another drug

Start by talking with your provider. Perhaps there is a different drug covered by our plan that might work just as well for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you. Phone numbers for Member Services are printed on the back cover of this booklet.

You can ask for an exception

You and your provider can ask us to make an exception for you and cover the drug in the way you would like it to be covered. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule. For example, you can ask us to cover a drug even though it is not on our plan's Drug List. Or you can ask us to make an exception and cover the drug without restrictions.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4, tells you what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Section 5.3 What can you do if your drug is in a cost-sharing tier you think is too high?

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

You can change to another drug

If your drug is in a cost-sharing tier you think is too high, start by talking with your provider. Perhaps there is a different drug in a lower cost-sharing tier that might work just as well for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you. Phone numbers for Member Services are printed on the back cover of this booklet.

You can ask for an exception

You and your provider can ask us to make an exception to the cost-sharing tier for the drug so that you pay less for it. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4, tells you what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our specialty tier (Tier 5) are not eligible for this type of exception. We do not lower the cost-sharing amount for drugs in this tier.

SECTION 6. What if your coverage changes for one of your drugs?

Section 6.1 The Drug List can change during the year

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, we might make changes to the Drug List. For example, we might:

- Add or remove drugs from the Drug List. New drugs become available, including new generic drugs. Perhaps the government has given approval to a new use for

an existing drug. Sometimes, a drug gets recalled and we decide not to cover it. Or we might remove a drug from the list because it has been found to be ineffective.

- Move a drug to a higher or lower cost-sharing tier.
- Add or remove a restriction on coverage for a drug (for more information about restrictions to coverage, see Section 4 in this chapter).
- Replace a brand-name drug with a generic drug.

We must follow Medicare requirements before we change our Drug List.

Section 6.2 What happens if coverage changes for a drug you are taking?

Information on changes to drug coverage

When changes to the Drug List occur during the year, we post information on our website about those changes. We will update our online Drug List on a regularly scheduled basis to include any changes that have occurred after the last update. Below we point out the times that you would get direct notice if changes are made to a drug that you are then taking. You can also call Member Services for more information (phone numbers are printed on the back cover of this booklet).

Do changes to your drug coverage affect you right away?

Changes that can affect you this year: In the below cases, you will be affected by the coverage changes during the current year:

- **A new generic drug replaces a brand-name drug on the Drug List (or we change the cost-sharing tier or add new restrictions to the brand-name drug)**
  - We may immediately remove a brand-name drug on our Drug List if we are replacing it with a newly approved generic version of the same drug that will appear on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand-name drug on our Drug List, but immediately move it to a higher cost-sharing tier or add new restrictions.
  - We may not tell you in advance before we make that change—even if you are currently taking the brand-name drug.
  - You or your prescriber can ask us to make an exception and continue to cover the brand-name drug for you. For information on how to ask for an exception, see Chapter 9, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)."
  - If you are taking the brand-name drug at the time we make the change, we will provide you with information about the specific change(s) we made. This will also include information on the steps you may take to request an exception to cover the brand-name drug. You may not get this notice before we make the change.
- **Unsafe drugs and other drugs on the Drug List that are withdrawn from the market.**
  - Once in a while, a drug may be suddenly withdrawn because it has been found to be unsafe or removed from the market for another reason. If this happens, we will immediately remove the drug from the Drug List. If you are taking that drug, we will let you know of this change right away.

- Your prescriber will also know about this change, and can work with you to find another drug for your condition.

- **Other changes to drugs on the Drug List.**
  - We may make other changes once the year has started that affect drugs you are taking. For instance, we might add a generic drug that is not new to the market to replace a brand-name drug or change the cost-sharing tier or add new restrictions to the brand-name drug. We also might make changes based on FDA boxed warnings or new clinical guidelines recognized by Medicare. We must give you at least 30 days' advance notice of the change or give you notice of the change and a 30-day refill of the drug you are taking at a network pharmacy
  - After you receive notice of the change, you should be working with your prescriber to switch to a different drug that we cover.
  - Or you or your prescriber can ask us to make an exception and continue to cover the drug for you. For information on how to ask for an exception, see Chapter 9, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)."
- **Changes to drugs on the Drug List that will not affect people currently taking the drug:** For changes to the Drug List that are not described above, if you are currently taking the drug, the following types of changes will not affect you until January 1 of the next year if you stay in our plan:
  - If we move your drug into a higher cost-sharing tier.
  - If we put a new restriction on your use of the drug.
  - If we remove your drug from the Drug List.

If any of these changes happen to a drug you are taking (but not because of a market withdrawal, a generic drug replacing a brand-name drug, or other change noted in the sections above), then the change won't affect your use or what you pay as your share of the cost until January 1 of the next year. Until that date, you probably won't see any increase in your payments or any added restriction to your use of the drug. You will not get direct notice this year about changes that do not affect you. However, on January 1 of the next year, the changes will affect you, and it is important to check the new year's Drug List for any changes to drugs.

SECTION 7. What types of drugs are not covered by our plan?

Section 7.1 Types of drugs we do not cover

This section tells you what kinds of prescription drugs are "excluded." This means Medicare does not pay for these drugs.

If you get drugs that are excluded, you must pay for them yourself. We won't pay for the drugs that are listed in this section; the only exception is if the requested drug is found upon appeal to be a drug that is not excluded under Part D and we should have paid for or covered it because of

your specific situation. (For information about appealing a decision we have made to not cover a drug, go to Chapter 9, Section 6.5, in this booklet.)

Here are three general rules about drugs that Medicare drug plans will not cover under Part D:

- Our plan's Part D drug coverage cannot cover a drug that would be covered under Medicare Part A or Part B.
- Our plan cannot cover a drug purchased outside the United States and its territories.
- Our plan usually cannot cover off-label use. "Off-label use" is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.
  - Generally, coverage for "off-label use" is allowed only when the use is supported by certain reference books. These reference books are the American Hospital Formulary Service Drug Information; the DRUGDEX Information System; and for cancer, the National Comprehensive Cancer Network and Clinical Pharmacology; or their successors. If the use is not supported by any of these reference books, then our plan cannot cover its "off-label use."

Also, by law, these categories of drugs are not covered by Medicare drug plans:

- Nonprescription drugs (also called over-the-counter drugs).
- Drugs when used to promote fertility.
- Drugs when used for the relief of cough or cold symptoms.
- Drugs when used for cosmetic purposes or to promote hair growth.
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations.
- Drugs when used for the treatment of sexual or erectile dysfunction.
- Drugs when used for treatment of anorexia, weight loss, or weight gain.
- Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale.

If you receive "Extra Help" paying for your drugs, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8. Show your plan membership card when you fill a prescription

Section 8.1 Show your membership card

To fill your prescription, show your plan membership card at the network pharmacy you choose. When you show your plan membership card, the network pharmacy will automatically bill our plan for our share of your covered prescription drug cost. You will need to pay the pharmacy your share of the cost when you pick up your prescription.

Section 8.2 What if you don't have your membership card with you?

If you don't have your plan membership card with you when you fill your prescription, ask the pharmacy to call our plan to get the necessary information.

If the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up. You can then ask us to reimburse you for our share. See Chapter 7, Section 2.1, for information about how to ask us for reimbursement.

SECTION 9. Part D drug coverage in special situations

Section 9.1 What if you're in a hospital or a skilled nursing facility for a stay that is covered by our plan?

If you are admitted to a hospital or to a skilled nursing facility for a stay covered by our plan, we will generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, we will cover your drugs as long as the drugs meet all of our rules for coverage. See the previous parts of this section that tell you about the rules for getting drug coverage. The Medical Benefits Chart found at the front of this **EOC** gives you more information about drug coverage and what you pay.

Please note: When you enter, live in, or leave a skilled nursing facility, you are entitled to a special enrollment period. During this time period, you can switch plans or change your coverage. (Chapter 10, "Ending your membership in our plan," tells you when you can leave our plan and join a different Medicare plan.)

Section 9.2 What if you're a resident in a long-term care (LTC) facility?

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy, or a pharmacy that supplies drugs for all of its residents. If you are a resident of a long-term care facility, you may get your prescription drugs through the facility's pharmacy as long as it is part of our network.

Check your **Pharmacy Directory** to find out if your long-term care facility's pharmacy is part of our network. If it isn't, or if you need more information, please contact Member Services (phone numbers are printed on the back cover of this booklet).

What if you're a resident in a long-term care (LTC) facility and become a new member of our plan?

If you need a drug that is not on our Drug List or is restricted in some way, we will cover a **temporary supply** of your drug during the first 90 days of your membership. The total supply will be for a maximum of up to a 31-day supply, or less if your prescription is written for fewer days. (Please note that the long-term care (LTC) pharmacy may provide the drug in smaller amounts at a time to prevent waste.)

If you have been a member of our plan for more than 90 days and need a drug that is not on our Drug List or if our plan has any restriction on the drug's coverage, we will cover one 31-day supply, or less if your prescription is written for fewer days.

During the time when you are getting a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. Perhaps there is a different drug covered by our plan that might work just as well for you. Or you and your provider can ask us to make an exception for you and cover the drug in the way you would like it to be covered. If you and your provider want to ask for an exception, Chapter 9, Section 6.4, tells you what to do.

Section 9.3 Special note about "creditable coverage"

Each year your employer or retiree group should send you a notice that tells you if your prescription drug coverage for the next calendar year is "creditable" and the choices you have for drug coverage.

If the coverage from the group plan is "**creditable**," it means that the plan has drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.

Keep these notices about creditable coverage because you may need them later. If you enroll in a Medicare plan that includes Part D drug coverage, you may need these notices to show that you have maintained creditable coverage. If you didn't get a notice about creditable coverage, from your employer or retiree group plan, you can get a copy from your employer or retiree group's benefits administrator or the employer or union.

Section 9.4 What if you're in Medicare-certified hospice?

Drugs are never covered by both hospice and our plan at the same time. If you are enrolled in Medicare hospice and require an anti-nausea, laxative, pain medication, or antianxiety drug that is not covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must receive notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in receiving any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover all your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify your revocation or discharge. See the previous parts of this chapter that tell about the rules for getting drug coverage under Part D. Chapter 6, "What you pay for your Part D prescription drugs," gives more information about drug coverage and what you pay.

SECTION 10. Programs on drug safety and managing medications

Section 10.1 Programs to help members use drugs safely

We conduct drug use reviews for our members to help make sure that they are getting safe and appropriate care. These reviews are especially important for members who have more than one provider who prescribes their drugs.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems such as:

- Possible medication errors.
- Drugs that may not be necessary because you are taking another drug to treat the same medical condition.
- Drugs that may not be safe or appropriate because of your age or gender.
- Certain combinations of drugs that could harm you if taken at the same time.
- Prescriptions written for drugs that have ingredients you are allergic to.
- Possible errors in the amount (dosage) of a drug you are taking.
- Unsafe amounts of opioid pain medications.

If we see a possible problem in your use of medications, we will work with your provider to correct the problem.

Section 10.2 Drug Management Program (DMP) to help members safely use their opioid medications

We have a program that can help make sure our members safely use their prescription opioid medications, or other medications that are frequently abused. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several doctors or pharmacies, we may talk to your doctors to make sure your use is appropriate and medically necessary. Working with your doctors, if we decide you are at risk for misusing or abusing your opioid or benzodiazepine medications, we may limit how you can get those medications. The limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from one pharmacy.
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from one doctor.
- Limiting the amount of opioid or benzodiazepine medications we will cover for you.

If we decide that one or more of these limitations should apply to you, we will send you a letter in advance. The letter will have information explaining the terms of the limitations we think

should apply to you. You will also have an opportunity to tell us which doctors or pharmacies you prefer to use. If you think we made a mistake or you disagree with our determination that you are at-risk for prescription drug abuse or the limitation, you and your prescriber have the right to ask us for an appeal. See Chapter 9 for information about how to ask for an appeal.

The DMP may not apply to you if you have certain medical conditions, such as cancer, you are receiving hospice, palliative, or end-of-life care, or you live in a long-term care facility.

Section 10.3 Medication Therapy Management (MTM) program to help members manage their medications

We have a program that can help our members with complex health needs. For example, some members have several medical conditions, take different drugs at the same time, and have high drug costs.

This program is voluntary and free to members. A team of pharmacists and doctors developed the program for us. This program can help make sure that our members get the most benefit from the drugs they take.

Our program is called a Medication Therapy Management (MTM) program. Some members who take medications for different medical conditions may be able to get services through an MTM program. A pharmacist or other health professional will give you a comprehensive review of all your medications. You can talk about how best to take your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications, with space for you to take notes or write down any follow-up questions. You'll also get a personal medication list that will include all the medications you're taking and why you take them.

It's a good idea to have your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, keep your medication list with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we will automatically enroll you in the program and send you information. If you decide not to participate, please notify us and we will withdraw you from the program. If you have any questions about these programs, please contact Member Services (phone numbers are printed on the back cover of this booklet).

CHAPTER 6. What you pay for your Part D prescription drugs

?

Did you know there are programs to help people pay for their drugs?

There are programs to help people with limited resources pay for their drugs. These include "Extra Help" and State Pharmaceutical Assistance Programs. For more information, see Chapter 2, Section 7.

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this Evidence of Coverage about the costs for Part D prescription drugs does not apply to you.** We sent you a separate document, called the "**Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**" (also known as the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug coverage. If you don't have this rider, please call Member Services and ask for the "LIS Rider." Phone numbers for Member Services are printed on the back cover of this booklet.

SECTION 1. Introduction

Section 1.1 Use this chapter together with other materials that explain your drug coverage

This chapter focuses on what you pay for your Part D prescription drugs. To keep things simple, we use "drug" in this chapter to mean a Part D prescription drug. As explained in Chapter 5, not all drugs are Part D drugs—some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law. Some excluded drugs may be covered under your group's plan.

To understand the payment information we give you in this chapter, you need to know the basics of what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Here are materials that explain these basics:

- Our **Kaiser Permanente 2020 Comprehensive Formulary**. To keep things simple, we call this the "**Drug List**."
  - This Drug List tells you which drugs are covered for you.
  - It also tells you which of the six "cost-sharing tiers" the drug is in and whether there are any restrictions on your coverage for the drug.
  - If you need a copy of the Drug List, call Member Services (phone numbers are printed on the back cover of this booklet). You can also find the Drug List on our website at **kp.org/seniorrx**. The Drug List on the website is always the most current.
- **Chapter 5 of this booklet**. Chapter 5 gives you the details about your prescription drug coverage, including rules you need to follow when you get your covered drugs. Chapter 5 also tells you which types of prescription drugs are not covered by our plan.

- **Our plan's Pharmacy Directory**. In most situations, you must use a network pharmacy to get your covered drugs (see Chapter 5 for the details). The **Pharmacy Directory** has a list of pharmacies in our plan's network. It also tells you which pharmacies in our network can give you a long-term supply of a drug (such as filling a prescription for a three-month supply).

Section 1.2 Types of out-of-pocket costs you may pay for covered drugs

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services. The amount that you pay for a drug is called "cost-sharing," and there are three ways you may be asked to pay.

- The "deductible" is the amount you must pay for drugs before our plan begins to pay its share.
- "Copayment" means that you pay a fixed amount each time you fill a prescription.
- "Coinsurance" means that you pay a percent of the total cost of the drug each time you fill a prescription.

SECTION 2. What you pay for a drug depends upon which "drug payment stage" you are in when you get the drug

Section 2.1 What are the drug payment stages for Senior Advantage members?

As shown in the table below, there are "drug payment stages" for your prescription drug coverage under our plan. How much you pay for a drug depends upon which of these stages you are in at the time you get a prescription filled or refilled. Stage 4 applies to everyone, but your group plan may not include a Deductible Stage (Stage 1) or a Coverage Gap Stage (Stage 3). Refer to the Medical Benefits Chart found at the front of this **EOC** to find out which stages apply to you. Keep in mind you are always responsible for our plan's monthly premium regardless of the drug payment stage.

Stage 1	Stage 2	Stage 3	Stage 4
Yearly Deductible Stage See the Medical Benefits Chart at the front of the **EOC** to find out if this payment stage applies to you. (This stage does not apply to most members.) If your plan has a deductible, during this stage, you pay the full cost of your drugs. You stay in this stage until you have paid your deductible. (Details are in Section 4 of this chapter.)	**Initial Coverage Stage** **If your plan has a deductible, you begin in this stage after you end the Deductible Stage.** **If your plan does not have a deductible, you begin in this stage when you fill your first prescription of the year.** During this stage, we pay our share of the cost of your drugs and you pay your share of the cost. If your plan has a Coverage Gap Stage, you stay in this stage until your year-to-date "**total drug costs**" (your payments plus any Part D plan's payments) total **$4,020**. If your plan does not have a Coverage Gap Stage, you stay in this stage until your year-to-date "**out-of-pocket costs**" (your payments) total **$6,350**. (Details are in Section 5 of this chapter.)	**Coverage Gap Stage** See the Medical Benefits Chart at the front of this **EOC** to find out if this stage applies to you (this stage does not apply to most members). If there is no coverage gap for your plan, this payment stage does not apply to you. If this stage applies to you, coverage during the gap stage varies depending on the plan your group has selected. For **generic drugs, you pay either the copayment** listed in the Medical Benefits Chart at the front of this EOC, **or 25% of the price**, whichever is lower. For **brand-name drugs, you pay 25% of the price** (plus a portion of the dispensing fee). You stay in this stage until your year-to-date "out-of-pocket costs" (your payments) reach a total of **$6,350**. This amount and rules for counting costs toward this amount have been set by Medicare. (Details are in Section 6 of this chapter.)	**Catastrophic Coverage Stage** During this stage, **we will pay most of the cost** of your drugs for the rest of the calendar year (through December 31, 2020). (Details are in Section 7 of this chapter.)

SECTION 3. We send you reports that explain payments for your drugs and which payment stage you are in

Section 3.1 We send you a monthly report called the "Part D Explanation of Benefits" (the "Part D EOB")

Our plan keeps track of the costs of your prescription drugs and the payments you have made when you get your prescriptions filled or refilled at the pharmacy. This way, we can tell you when you have moved from one drug payment stage to the next. In particular, there are two types of costs we keep track of:

- We keep track of how much you have paid. This is called your "**out-of-pocket**" cost.
- We keep track of your "**total drug costs**." This is the amount you pay out-of-pocket or others pay on your behalf plus the amount paid by the plan.

Our plan will prepare a written report called the **Part D Explanation of Benefits** (it is sometimes called the "**Part D EOB**") when you have had one or more prescriptions filled through our plan during the previous month. It includes:

- **Information for that month.** This report gives you the payment details about the prescriptions you have filled during the previous month. It shows the total drug costs, what the plan paid, and what you and others on your behalf paid.
- **Totals for the year since January 1.** This is called "year-to-date" information. It shows you the total drug costs and total payments for your drugs since the year began.

Section 3.2 Help us keep our information about your drug payments up-to-date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up-to-date:

- **Show your membership card when you get a prescription filled.** To make sure we know about the prescriptions you are filling and what you are paying, show your plan membership card every time you get a prescription filled.
- **Make sure we have the information we need.** There are times you may pay for prescription drugs when we will not automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, you may give us copies of receipts for drugs that you have purchased. (If you are billed for a covered drug, you can ask us to pay our share of the cost. For instructions about how to do this, go to Chapter 7, Section 2, of this booklet.) Here are some types of situations when you may want to give us copies of your drug receipts to be sure we have a complete record of what you have spent for your drugs:
  - When you purchase a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit.

- When you made a copayment for drugs that are provided under a drug manufacturer patient assistance program.
- Anytime you have purchased covered drugs at out-of-network pharmacies or other times you have paid the full price for a covered drug under special circumstances.

- **Send us information about the payments others have made for you.** Payments made by certain other individuals and organizations also count toward your out-of-pocket costs and help qualify you for catastrophic coverage. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program, (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. You should keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you receive a **Part D Explanation of Benefits** (a **Part D EOB**) in the mail, please look it over to be sure the information is complete and correct. If you think something is missing from the report, or you have any questions, please call Member Services (phone numbers are printed on the back cover of this booklet). You can also choose to view your **Part D EOB** online instead of by mail. Please visit **kp.org/goinggreen** and sign on to learn more about choosing to view your **Part D EOB** securely online. Be sure to keep these reports. They are an important record of your drug expenses.

SECTION 4. During the Deductible Stage, if applicable, you pay the full cost of your drugs

See the Medical Benefits Chart found at the front of this **EOC** to find out if this stage applies to you (this stage does not apply to most members).

Section 4.1 If your plan includes a deductible for your Part D drugs

The Deductible Stage is the first payment stage for your drug coverage. This stage begins when you fill your first prescription in the year. When you are in this payment stage, **you must pay the full cost of your drugs** until you reach our plan's deductible amount. Please refer to the Medical Benefits Chart found at the front of this **EOC** for the deductible amount.

- Your "**full cost**" is usually lower than the normal full price of the drug, since our plan has negotiated lower costs for most drugs.
- The "**deductible**" is the amount you must pay for your Part D prescription drugs before our plan begins to pay its share.

Once you have paid the deductible amount shown in the Medical Benefits Chart found at the front of this **EOC**, you leave the Deductible Stage and move on to the next drug payment stage, which is the Initial Coverage Stage.

SECTION 5. During the Initial Coverage Stage, we pay our share of your drug costs and you pay your share

Section 5.1 What you pay for a drug depends upon the drug and where you fill your prescription

During the Initial Coverage Stage, we pay our share of the cost of your covered prescription drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending upon the drug and where you fill your prescription.

Our plan has six cost-sharing tiers

Every drug on our plan's Drug List is in one of six cost-sharing tiers. Depending upon the plan your group has selected, cost-sharing may vary from one tier to the next. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- Cost-sharing **Tier 1** for preferred generic drugs.
- Cost-sharing **Tier 2** for generic drugs (this tier includes some brand-name drugs).
- Cost-sharing **Tier 3** for preferred brand-name drugs.
- Cost-sharing **Tier 4** for nonpreferred brand-name drugs (this tier includes some generic drugs).
- Cost-sharing **Tier 5** for specialty-tier drugs (this tier includes both generic and brand-name drugs).
- Cost-sharing **Tier 6** for injectable Part D vaccines (this tier includes only brand-name drugs).

To find out which cost-sharing tier your drug is in, look it up in our plan's Drug List.

Your pharmacy choices

How much you pay for a drug depends upon whether you get the drug from:

- A network retail pharmacy that offers a standard cost-sharing.
- A network retail pharmacy that offers preferred cost-sharing.
- A pharmacy that is not in our plan's network.
- Our plan's mail-order pharmacy.

For more information about these pharmacy choices and filling your prescriptions, see Chapter 5 in this booklet and our plan's **Pharmacy Directory**.

Generally, we will cover your prescriptions only if they are filled at one of our network pharmacies. Some of our network pharmacies also offer preferred cost-sharing. You may go to either network pharmacies that offer preferred cost-sharing or other network pharmacies that offer standard cost-sharing to receive your covered prescription drugs. Your costs may be less at pharmacies that offer preferred cost-sharing.

Section 5.2 Your costs for a one-month supply of a drug

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

- "**Copayment**" means that you pay a fixed amount each time you fill a prescription.
- "**Coinsurance**" means that you pay a percent of the total cost of the drug each time you fill a prescription.

As shown in the Medical Benefits Chart found at the front of this **EOC**, the amount of the copayment or coinsurance depends upon which cost-sharing tier your drug is in. **Please note:**

- If your covered drug costs less than the copayment amount listed in the Medical Benefits Chart found at the front of this **EOC**, you will pay that lower price for the drug. You pay either the full price of the drug or the copayment amount, whichever is lower.
- We cover prescriptions filled at out-of-network pharmacies in only limited situations. Please see Chapter 5, Section 2.5, for information about when we will cover a prescription filled at an out-of-network pharmacy.

Refer to the Medical Benefits Chart found at the front of this **EOC** for your cost-sharing amounts and day supply limit in the Initial Coverage Stage.

Section 5.3 If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply

Typically, the amount you pay for a prescription drug covers a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs. There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you are trying a medication for the first time that is known to have serious side effects). If your doctor prescribes less than a full month's supply, you will not have to pay for the full month's supply for certain drugs.

The amount you pay when you get less than a full month's supply will depend on whether you are responsible for paying coinsurance (a percentage of the total cost) or a copayment (a flat dollar amount).

- If you are responsible for coinsurance, you pay a percentage of the total cost of the drug. You pay the same percentage regardless of whether the prescription is for a full month's supply or for fewer days. However, because the entire drug cost will be lower if you get less than a full month's supply, the amount you pay will be less.
- If you are responsible for a copayment for the drug, your copayment will be based on the number of days of the drug that you receive. We will calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you receive.

- Here's an example: Let's say the copayment for your drug for a full month's supply (a 30-day supply) is $30. This means that the amount you pay per day for your drug is $1. If you receive a 7 days' supply of the drug, your payment will be $1 per day multiplied by 7 days, for a total payment of $7.

Daily cost-sharing allows you to make sure a drug works for you before you have to pay for an entire month's supply. You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply of a drug or drugs, if this will help you better plan refill dates for different prescriptions so that you can take fewer trips to the pharmacy. The amount you pay will depend upon the days' supply you receive.

Section 5.4 Your costs for a long-term (up to a 90-day) supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90-day supply. (For details on where and how to get a long-term supply of a drug, see Chapter 5, Section 2.4.)

Refer to the Medical Benefits Chart found at the front of this **EOC** for your cost-sharing amounts when you get a long-term (up to a 90-day) supply of a drug.

- **Please note:** If your covered drug costs less than the copayment amount listed in the Medical Benefits Chart found at the front of this **EOC**, you will pay that lower price for the drug. You pay either the full price of the drug or the copayment amount, whichever is lower.

Section 5.5 You stay in the Initial Coverage Stage until you reach the next stage

If your group plan does not include a Coverage Gap Stage, you stay in the Initial Coverage Stage until your total out-of-pocket costs reach **$6,350**. When you reach an out-of-pocket limit of **$6,350**, you leave the Initial Coverage Stage and move on to the Catastrophic Coverage Stage. Most group plans do not include a Coverage Gap Stage.

If your group plan includes a Coverage Gap Stage, you stay in the Initial Coverage Stage until the total amount for the prescription drugs you have filled and refilled reaches the **$4,020 limit for the Initial Coverage Stage**.

Your total drug cost is based on adding together what you have paid and what any Part D plan has paid:

- **What you have paid** for all the covered drugs you have gotten since you started with your first drug purchase of the year. (See Section 6.2 for more information about how Medicare calculates your out-of-pocket costs.) This includes:
  - The total you paid as your share of the cost for your drugs during the Initial Coverage Stage.
- **What our plan has paid** as its share of the cost for your drugs during the Initial Coverage Stage. (If you were enrolled in a different Part D plan at any time during 2020, the amount that plan paid during the Initial Coverage Stage also counts toward your total drug costs.)

The **Part D Explanation of Benefits (Part D EOB)** that we send to you will help you keep track of how much you and our plan, as well as third parties have spent on your behalf during the year. Many people do not reach the **$4,020** limit in a year.

We will let you know if you reach this **$4,020** amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Coverage Gap Stage.

Refer to the Medical Benefits Chart found at the front of this **EOC** for the amount you will pay for drugs in the Coverage Gap Stage.

SECTION 6. During the Coverage Gap Stage, if applicable, we provide some drug coverage

Section 6.1 You stay in the Coverage Gap Stage until your out-of-pocket costs reach $6,350

The benefit coverage you receive during the Coverage Gap Stage will depend on the benefits your group selected. See the Medical Benefits Chart found at the front of this **EOC** to find out if this stage applies to you (this stage does not apply to most members).

When you are in the Coverage Gap Stage, the Medicare Coverage Gap Discount Program provides manufacturer discounts on brand-name drugs. You pay either the copayments listed in the Medical Benefits Chart found at the front of this EOC or 25% of the negotiated price and a portion of the dispensing fee for **brand-name drugs**. If you pay 25% of the negotiated price, both the amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them, and move you through the coverage gap.

You also receive some coverage of generic drugs and injectable Part D vaccines during the Coverage Gap Stage. You pay either the copayments listed in the Medical Benefits Chart found at the front of this **EOC** or 25% of the costs of generic drugs, whichever is lower. Only the amount you pay counts and moves you through the coverage gap.

You continue paying the applicable cost sharing until your yearly out-of-pocket payments reach a maximum amount that Medicare has set. In 2020, that amount is **$6,350.**

Medicare has rules about what counts and what does not count as your out-of-pocket costs. When you reach an out-of-pocket limit of **$6,350**, you leave the Coverage Gap Stage and move on to the Catastrophic Coverage Stage.

Section 6.2 How Medicare calculates your out-of-pocket costs for prescription drugs

Here are Medicare's rules that we must follow when we keep track of your out-of-pocket costs for your drugs.

These payments are included in your out-of-pocket costs

When you add up your out-of-pocket costs, you can include the payments listed below (as long as they are for Part D covered drugs and you followed the rules for drug coverage that are explained in Chapter 5 of this booklet):

- The amount you pay for drugs when you are in any of the following drug payment stages:
  - The Deductible Stage (if this stage applies to you).
  - The Initial Coverage Stage.
  - The Coverage Gap Stage (if this stage applies to you).
- Any payments you made during this calendar year as a member of a different Medicare prescription drug plan before you joined our plan.

It matters who pays:

- If you make these payments yourself, they are included in your out-of-pocket costs.
- These payments are also included if they are made on your behalf by certain other individuals or organizations. This includes payments for your drugs made by a friend or relative, by most charities, by AIDS drug assistance programs, by a State Pharmaceutical Assistance Program that is qualified by Medicare, or by the Indian Health Service. Payments made by Medicare's "Extra Help" Program are also included.
- Some of the payments made by the Medicare Coverage Gap Discount Program are included. The amount the manufacturer pays for your brand-name drugs is included. But the amount we pay for your generic drugs is not included.

Moving on to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of **$6,350** in out-of-pocket costs within the calendar year, you will move from either the Initial Coverage Stage (if this stage applies to you) or the Coverage Gap Stage (if this stage applies to you) to the Catastrophic Coverage Stage.

These payments are not included in your out-of-pocket costs

When you add up your out-of-pocket costs, you are **not** allowed to include any of these types of payments for prescription drugs:

- The amount you contribute, if any, toward your group's premium.
- Drugs you buy outside the United States and its territories.
- Drugs that are not covered by our plan.
- Drugs you get at an out-of-network pharmacy that do not meet our plan's requirements for out-of-network coverage.
- Non-Part D drugs, including prescription drugs covered by Part A or Part B and other drugs excluded from coverage by Medicare.
- Payments you make toward drugs covered under our additional coverage but not normally covered in a Medicare prescription drug plan.

- Payments you make toward prescription drugs not normally covered in a Medicare prescription drug plan.
- Payments made by our plan for your brand or generic drugs while in the Coverage Gap, if this stage applies to you.
- Payments for your drugs that are made by group health plans, including employer health plans.
- Payments for your drugs that are made by certain insurance plans and government-funded health programs, such as TRICARE and Veterans Affairs.
- Payments for your drugs made by a third party with a legal obligation to pay for prescription costs (for example, Workers' Compensation).

Reminder: If any other organization such as the ones listed above pays part or all of your out-of-pocket costs for drugs, you are required to tell our plan. Call Member Services to let us know (phone numbers are printed on the back cover of this booklet).

How can you keep track of your out-of-pocket total?

- **We will help you.** The **Part D Explanation of Benefits (Part D EOB)** report we send to you includes the current amount of your out-of-pocket costs (Section 3 in this chapter tells you about this report). When you reach a total of **$6,350** in out-of-pocket costs for the year, this report will tell you that you have left the Coverage Gap Stage and have moved on to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Section 3.2 tells you what you can do to help make sure that our records of what you have spent are complete and up-to-date.

SECTION 7. During the Catastrophic Coverage Stage, we pay most of the cost for your drugs

Section 7.1 Once you are in the Catastrophic Coverage Stage, you will stay in this stage for the rest of the year

You qualify for the Catastrophic Coverage Stage when your out-of-pocket costs have reached the **$6,350** limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year. During this stage, we will pay most of the cost for your drugs.

Your share of the cost for a covered drug will be either coinsurance or a copayment, whichever is larger amount:

- Either, you pay a coinsurance of **5%** of the cost of the drug,
- Or, **$3.60** for a generic drug or a drug that is treated like a generic, and **$8.95** for all other drugs.

We will pay the rest of the cost.

SECTION 8. What you pay for vaccinations covered by Part D depends upon how and where you get them

Section 8.1 Our plan may have separate coverage for the Part D vaccine medication itself and for the cost of giving you the vaccine

We provide coverage for a number of Part D vaccines. We also cover vaccines that are considered medical benefits. You can find out about coverage of these vaccines by going to the Medical Benefits Chart found at the front of this **EOC**.

There are two parts to our coverage of Part D vaccinations:

- The first part of coverage is the cost of the vaccine medication itself. The vaccine is a prescription medication.
- The second part of coverage is for the cost of giving you the vaccine. (This is sometimes called the "administration" of the vaccine.)

What do you pay for a Part D vaccination?

What you pay for a Part D vaccination depends upon three things:

1. **The type of vaccine** (what you are being vaccinated for).
   - Some vaccines are considered medical benefits. You can find out about your coverage of these vaccines by going to the Medical Benefits Chart found at the front of this **EOC**.
   - Other vaccines are considered Part D drugs. You can find these vaccines listed in our **Kaiser Permanente 2020 Comprehensive Formulary.**
2. **Where you get the vaccine medication.**
3. **Who gives you the vaccine.**

What you pay at the time you get the Part D vaccination can vary depending upon the circumstances. For example:

- Sometimes when you get your vaccine, you will have to pay the entire cost for both the vaccine medication and for getting the vaccine. You can ask us to pay you back for our share of the cost.
- Other times, when you get the vaccine medication or the vaccine, you will pay only your share of the cost.

To show how this works, here are three common ways you might get a Part D vaccine.

If your plan has a Deductible Stage, remember you are responsible for all of the costs associated with Part D vaccines (including their administration) during the Deductible Stage of your benefit.

Situation 1:

- You buy the Part D vaccine at the pharmacy and you get your vaccine at the network pharmacy. (Whether you have this choice depends upon where you live. Some states do not allow pharmacies to administer a vaccination.)
  - You will have to pay the pharmacy the amount of your copayment for the vaccine and the cost of giving you the vaccine.
  - Our plan will pay the remainder of the costs.

Situation 2:

- You get the Part D vaccination at your doctor's office.
  - When you get the vaccination, you will pay for the entire cost of the vaccine and its administration.
  - You can then ask us to pay our share of the cost by using the procedures that are described in Chapter 7 of this booklet ("Asking us to pay our share of a bill you have received for covered medical services or drugs").
  - You will be reimbursed the amount you paid less your normal copayment for the vaccine (including administration).

Situation 3:

- You buy the Part D vaccine at your pharmacy, and then take it to your doctor's office where they give you the vaccine.
  - You will have to pay the pharmacy the amount of your copayment for the vaccine itself.
  - When your doctor gives you the vaccine, you will pay the entire cost for this service. You can then ask us to pay our share of the cost by using the procedures described in Chapter 7 of this booklet.
  - You will be reimbursed the amount charged by the doctor for administering the vaccine.

Section 8.2 You may want to call Member Services before you get a vaccination

The rules for coverage of vaccinations are complicated. We are here to help. We recommend that you first call Member Services whenever you are planning to get a vaccination. Phone numbers for Member Services are printed on the back cover of this booklet.

- We can tell you about how your vaccination is covered by our plan and explain your share of the cost.
- We can tell you how to keep your own cost down by using providers and pharmacies in our network.
- If you are not able to use a network provider and pharmacy, we can tell you what you need to do to get payment from us for our share of the cost.

CHAPTER 7. Asking us to pay our share of a bill you have received for covered medical services or drugs

SECTION 1. Situations in which you should ask us to pay our share of the cost of your covered services or drugs

Section 1.1 If you pay our share of the cost of your covered services or drugs, or if you receive a bill, you can ask us for payment

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost right away. Other times, you may find that you have paid more than you expected under the coverage rules of our plan. In either case, you can ask us to pay you back (paying you back is often called "reimbursing" you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

Here are examples of situations in which you may need to ask us to pay you back or to pay a bill you have received:

When you've received emergency or urgently needed medical care from a provider who is not in our network

You can receive emergency services from any provider, whether or not the provider is a part of our network. When you receive emergency or urgently needed services from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. You should ask the provider to bill our plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
  - If the provider is owed anything, we will pay the provider directly.
  - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

When a network provider sends you a bill you think you should not pay

Network providers should always bill us directly, and ask you only for your share of the cost. But sometimes they make mistakes, and ask you to pay more than your share.

- You only have to pay your cost-sharing amount when you get services covered by our plan. We do not allow providers to add additional separate charges, called "balance billing." This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service, and even if there is a dispute and we

don't pay certain provider charges. For more information about "balance billing," go to Chapter 4, Section 1.3.

- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under our plan.

If you are retroactively enrolled in our plan

Sometimes a person's enrollment in our plan is retroactive. ("Retroactive" means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork for us to handle the reimbursement.

- Please call Member Services for additional information about how to ask us to pay you back and deadlines for making your request. Phone numbers for Member Services are printed on the back cover of this booklet.

When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy and try to use your membership card to fill a prescription, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. We cover prescriptions filled at out-of-network pharmacies only in a few special situations. Please go to Chapter 5, Section 2.5, to learn more.

- Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

When you pay the full cost for a prescription because you don't have your plan membership card with you

If you do not have your plan membership card with you, you can ask the pharmacy to call us or to look up your plan enrollment information. However, if the pharmacy cannot get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

- Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost.

When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find that the drug is not covered for some reason.

- For example, the drug may not be on our **Kaiser Permanente 2020 Comprehensive Formulary**; or it could have a requirement or restriction that you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor in order to pay you back for our share of the cost.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 9 of this booklet, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)," has information about how to make an appeal.

SECTION 2. How to ask us to pay you back or to pay a bill you have received

Section 2.1 How and where to send us your request for payment

Send us your request for payment, along with your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it will help us process the information faster.
- Either download a copy of the form from our website (**kp.org**) or call Member Services and ask for the form. Phone numbers for Member Services are printed on the back cover of this booklet.

Mail your request for payment together with any bills or receipts to us at this address:

Kaiser Foundation Health Plan of Colorado
Claims Department
P.O. Box 373150
Denver, CO 80237-3150

You must submit your claim to us within 365 days of the date you received the service, item, or drug.

Contact Member Services if you have any questions (phone numbers are printed on the back cover of this booklet). If you don't know what you should have paid, or you receive bills and you don't know what to do about those bills, we can help. You can also call if you want to give us more information about a request for payment you have already sent to us.

SECTION 3. We will consider your request for payment and say yes or no

Section 3.1 We check to see whether we should cover the service or drug and how much we owe

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care or drug is covered and you followed all the rules for getting the care or drug, we will pay for our share of the cost. If you have already paid for the service or drug, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service or drug yet, we will mail the payment directly to the provider. (Chapter 3 explains the rules you need to follow for getting your medical services covered. Chapter 5 explains the rules you need to follow for getting your Part D prescription drugs covered.)
- If we decide that the medical care or drug is not covered, or you did not follow all the rules, we will not pay for our share of the cost. Instead, we will send you a letter that explains the reasons why we are not sending the payment you have requested and your rights to appeal that decision.

Section 3.2 If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal

If you think we have made a mistake in turning down your request for payment or you don't agree with the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment.

For the details about how to make this appeal, go to Chapter 9 of this booklet, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)." The appeals process is a formal process with detailed procedures and important deadlines. If making an appeal is new to you, you will find it helpful to start by reading Section 4 of Chapter 9. Section 4 is an introductory section that explains the process for coverage decisions and appeals and gives you definitions of terms such as "appeal." Then, after you have read Section 4, you can go to the section in Chapter 9 that tells you what to do for your situation:

- If you want to make an appeal about getting paid back for a medical service, go to Section 5.3 in Chapter 9.
- If you want to make an appeal about getting paid back for a drug, go to Section 6.5 of Chapter 9.

SECTION 4. Other situations in which you should save your receipts and send copies to us

Section 4.1 In some cases, you should send copies of your receipts to us to help us track your out-of-pocket drug costs

There are some situations when you should let us know about payments you have made for your drugs. In these cases, you are not asking us for payment. Instead, you are telling us about your payments so that we can calculate your out-of-pocket costs correctly. This may help you to qualify for the Catastrophic Coverage Stage more quickly.

Here are two situations when you should send us copies of receipts to let us know about payments you have made for your drugs:

1. When you buy the drug for a price that is lower than our price

Sometimes when you are in the Deductible Stage or Coverage Gap Stage (if your plan has one or both—refer to the Medical Benefits Chart found at the front of this **EOC***)*, you can buy your drug at a network pharmacy for a price that is lower than our price.

- For example, a pharmacy might offer a special price on the drug. Or you may have a discount card that is outside our benefit that offers a lower price.
- Unless special conditions apply, you must use a network pharmacy in these situations and your drug must be on our Drug List.
- Save your receipt and send a copy to us so that we can have your out-of-pocket expenses count toward qualifying you for the Catastrophic Coverage Stage.
- **Please note:** If you are in the Deductible or Coverage Gap Stage, we will not pay for any share of these drug costs. But sending a copy of the receipt allows us to calculate your out-of-pocket costs correctly and may help you qualify for the Catastrophic Coverage Stage more quickly.

2. When you get a drug through a patient assistance program offered by a drug manufacturer

Some members are enrolled in a patient assistance program offered by a drug manufacturer that is outside our plan benefits. If you get any drugs through a program offered by a drug manufacturer, you may pay a copayment to the patient assistance program.

- Save your receipt and send a copy to us so that we can have your out-of-pocket expenses count toward qualifying you for the Catastrophic Coverage Stage.
- **Please note:** Because you are getting your drug through the patient assistance program and not through our plan's benefits, we will not pay for any share of these drug costs. But sending a copy of the receipt allows us to calculate your out-of-pocket costs correctly and may help you qualify for the Catastrophic Coverage Stage more quickly.

Since you are not asking for payment in the two cases described above, these situations are not considered coverage decisions. Therefore, you cannot make an appeal if you disagree with our decision.

CHAPTER 8. Your rights and responsibilities

SECTION 1. We must honor your rights as a member of our plan

Section 1.1 We must provide information in a way that works for you (in languages other than English, in Braille, in large print, or CD)

To get information from us in a way that works for you, please call Member Services (phone numbers are printed on the back cover of this booklet).

Our plan has people and free interpreter services available to answer questions from disabled and non-English-speaking members. This booklet is available in Spanish by calling Member Services (phone numbers are on the back cover of this booklet). We can also give you information in Braille, large print, or CD at no cost if you need it. We are required to give you information about our plan's benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Member Services (phone numbers are printed on the back cover of this booklet) or contact our Civil Rights Coordinator.

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, please call to file a grievance with Member Services (phone numbers are printed on the back cover of this booklet). You may also file a complaint with Medicare by calling **1-800-MEDICARE (1-800-633-4227**) or directly with the Office for Civil Rights. Contact information is included in this **Evidence of Coverage** or with this mailing, or you may contact Member Services for additional information.

Sección 1.1 Debemos proporcionar la información de un modo adecuado para usted (en idiomas distintos al inglés, en Braille, en letra grande o en CD)

Para obtener información de una forma que se adapte a sus necesidades, por favor llame a Servicio a los Miembros (los números de teléfono están impresos en la contraportada de este folleto).

Nuestro plan cuenta con personas y servicios de interpretación disponibles sin costo para responder las preguntas de los miembros discapacitados y que no hablan inglés. Este folleto está disponible en español o chino; llame a Servicio a los Miembros (los números de teléfono están en la contraportada de este folleto). Si la necesita, también podemos darle, sin costo, información en Braille, letra grande o CD. Tenemos la obligación de darle información acerca de los beneficios de nuestro plan en un formato que sea accesible y adecuado para usted. Para obtener nuestra información de una forma que se adapte a sus necesidades, por favor llame a Servicio a los Miembros (los números de teléfono están impresos en la contraportada de este folleto) o comuníquese con nuestro Coordinador de Derechos Civiles.

Si tiene algún problema para obtener información de nuestro plan en un formato que sea accesible y adecuado para usted, por favor llame para presentar una queja a Servicio a los Miembros (los números de teléfono están impresos en la contraportada de este folleto). También puede presentar una queja en Medicare llamando al **1-800-MEDICARE (1-800-633-4227**) o directamente en la Oficina de Derechos Civiles. En esta Evidence of Coverage (**Evidencia de**

Cobertura) o en esta carta se incluye la información de contacto, o bien puede comunicarse con Servicio a los Miembros para obtener información adicional.

Section 1.2 We must ensure that you get timely access to your covered services and drugs

As a member of our plan, you have the right to choose a primary care provider (PCP) in our network to provide and arrange for your covered services (Chapter 3 explains more about this). Call Member Services to learn which doctors are accepting new patients (phone numbers are printed on the back cover of this booklet). You also have the right to go to a women's health specialist (such as a gynecologist), a mental health services provider, and a provider for routine eye exams without a referral, as well as other providers described in Chapter 3, Section 2.2.

As a plan member, you have the right to get appointments and covered services from our network of providers within a reasonable amount of time. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you are not getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9, Section 10, of this booklet tells you what you can do. (If we have denied coverage for your medical care or drugs and you don't agree with our decision, Chapter 9, Section 4, tells you what you can do.)

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your "personal health information" includes the personal information you gave us when you enrolled in our plan as well as your medical records and other medical and health information.
- The laws that protect your privacy give you rights related to getting information and controlling how your health information is used. We give you a written notice, called a "Notice of Privacy Practices," that tells you about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- In most situations, if we give your health information to anyone who isn't providing your care or paying for your care, we are required to get written permission from you first. Written permission can be given by you or by someone you have given legal power to make decisions for you.
- Your health information is shared with your Group only with your authorization or as otherwise permitted by law.

- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
  - For example, we are required to release health information to government agencies that are checking on quality of care.
  - Because you are a member of our plan through Medicare, we are required to give Medicare your health information, including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to federal statutes and regulations.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held by our plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Member Services (phone numbers are printed on the back cover of this booklet).

Section 1.4 We must give you information about our plan, our network of providers, and your covered services

As a member of our plan, you have the right to get several kinds of information from us. (As explained above in Section 1.1, you have the right to get information from us in a way that works for you. This includes getting the information in Spanish and in Braille, large print or CD.

If you want any of the following kinds of information, please call Member Services (phone numbers are printed on the back cover of this booklet):

- **Information about our plan.** This includes, for example, information about our plan's financial condition. It also includes information about the number of appeals made by members and our plan's performance ratings, including how it has been rated by plan members and how it compares to other Medicare health plans.
- **Information about our network providers, including our network pharmacies.**
  - For example, you have the right to get information from us about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
  - For a list of the providers in our network, see the **Provider Directory**.
  - For a list of the pharmacies in our network, see the **Pharmacy Directory**.
  - For more detailed information about our providers or pharmacies, you can call Member Services (phone numbers are printed on the back cover of this booklet) or visit our website at **kp.org/directory**.

- **Information about your coverage and the rules you must follow when using your coverage.**
  - In Chapters 3 and 4 of this booklet, we explain what medical services are covered for you, any restrictions to your coverage, and what rules you must follow to get your covered medical services.
  - To get the details about your Part D prescription drug coverage, see Chapters 5 and 6 of this booklet plus our plan's Drug List. These chapters, together with the Drug List, tell you what drugs are covered and explain the rules you must follow and the restrictions to your coverage for certain drugs.
  - If you have questions about the rules or restrictions, please call Member Services (phone numbers are printed on the back cover of this booklet).
- **Information about why something is not covered and what you can do about it.**
  - If a medical service or Part D drug is not covered for you, or if your coverage is restricted in some way, you can ask us for a written explanation. You have the right to this explanation even if you received the medical service or drug from an out-of-network provider or pharmacy.
  - If you are not happy or if you disagree with a decision we make about what medical care or Part D drug is covered for you, you have the right to ask us to change the decision. You can ask us to change the decision by making an appeal. For details on what to do if something is not covered for you in the way you think it should be covered, see Chapter 9 of this booklet. It gives you the details about how to make an appeal if you want us to change our decision. (Chapter 9 also tells you about how to make a complaint about quality of care, waiting times, and other concerns.)
  - If you want to ask us to pay our share of a bill you have received for medical care or a Part D prescription drug, see Chapter 7 of this booklet.

Section 1.5 We must treat you with dignity and respect and support your right to make decisions about your care

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers when you go for medical care. Your providers must explain your medical condition and your treatment choices in a way that you can understand.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** This means that you have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.

- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say "no."** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. Of course, if you refuse treatment or stop taking a medication, you accept full responsibility for what happens to your body as a result.
- **To receive an explanation if you are denied coverage for care.** You have the right to receive an explanation from us if a provider has denied care that you believe you should receive. To receive this explanation, you will need to ask us for a coverage decision. Chapter 9 of this booklet tells you how to ask us for a coverage decision.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, if you want to, you can:

- Fill out a written form to give someone the legal authority to make medical decisions for you if you ever become unable to make decisions for yourself.
- Give your doctors written instructions about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance in these situations are called "**advance directives**." There are different types of advance directives and different names for them. Documents called "**living will**" and "**power of attorney for health care**" are examples of advance directives.

If you want to use an "advance directive" to give your instructions, here is what to do:

- **Get the form**. If you want to have an advance directive, you can get a form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also contact Member Services to ask for the forms (phone numbers are printed on the back cover of this booklet).
- **Fill it out and sign it**. Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to appropriate people**. You should give a copy of the form to your doctor and to the person you name on the form as the one to make decisions for you if you can't. You may want to give copies to close friends or family members as well. Be sure to keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, take a copy with you to the hospital.

- If you are admitted to the hospital, they will ask you whether you have signed an advance directive form and whether you have it with you.
- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

What if your instructions are not followed?

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Colorado Department of Public Health and Environment.

Section 1.6 You have the right to make complaints and to ask us to reconsider decisions we have made

If you have any problems or concerns about your covered services or care, Chapter 9 of this booklet tells you what you can do. It gives you the details about how to deal with all types of problems and complaints.

What you need to do to follow up on a problem or concern depends upon the situation. You might need to ask us to make a coverage decision for you, make an appeal to us to change a coverage decision, or make a complaint. Whatever you do—ask for a coverage decision, make an appeal, or make a complaint—we are required to treat you fairly.

You have the right to get a summary of information about the appeals and complaints that other members have filed against our plan in the past. To get this information, please call Member Services (phone numbers are printed on the back cover of this booklet).

Section 1.7 What can you do if you believe you are being treated unfairly or your rights are not being respected?

If it is about discrimination, call the Office for Civil Rights

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, you should call the Department of Health and Human Services' Office for Civil Rights at **1-800-368-1019** or TTY **1-800-537-7697**, or call your local Office for Civil Rights.

Is it about something else?

If you believe you have been treated unfairly or your rights have not been respected, and it's not about discrimination, you can get help dealing with the problem you are having:

- You can call Member Services (phone numbers are printed on the back cover of this booklet).
- You can call the State Health Insurance Assistance Program. For details about this organization and how to contact it, go to Chapter 2, Section 3.

- Or you can call Medicare at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Section 1.8 How to get more information about your rights

There are several places where you can get more information about your rights:

- You can call Member Services (phone numbers are printed on the back cover of this booklet).
- You can call the SHIP. For details about this organization and how to contact it, go to Chapter 2, Section 3.
- You can contact Medicare:
  - You can visit the Medicare website to read or download the publication "Your Medicare Rights & Protections." (The publication is available at **https://www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf**.)
  - Or you can call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Section 1.9 Information about new technology assessments

Rapidly changing technology affects health care and medicine as much as any other industry. To determine whether a new drug or other medical development has long-term benefits, our plan carefully monitors and evaluates new technologies for inclusion as covered benefits. These technologies include medical procedures, medical devices, and new drugs.

Section 1.10 You can make suggestions about rights and responsibilities

As a member of our plan, you have the right to make recommendations about the rights and responsibilities included in this chapter. Please call Member Services with any suggestions (phone numbers are printed on the back cover of this booklet).

SECTION 2. You have some responsibilities as a member of our plan

Section 2.1 What are your responsibilities?

Things you need to do as a member of our plan are listed below. If you have any questions, please call Member Services (phone numbers are printed on the back cover of this booklet). We're here to help.

- **Get familiar with your covered services and the rules you must follow to get these covered services**. Use this **Evidence of Coverage** booklet to learn what is covered for you and the rules you need to follow to get your covered services.

- Chapters 3 and 4 give the details about your medical services, including what is covered, what is not covered, rules to follow, and what you pay.
- Chapters 5 and 6 give the details about your coverage for Part D prescription drugs.

- **If you have any other health insurance coverage or prescription drug coverage in addition to our plan, you are required to tell us**. Please call Member Services to let us know (phone numbers are printed on the back cover of this booklet).
  - We are required to follow rules set by Medicare to make sure that you are using all of your coverage in combination when you get your covered services from our plan. This is called "coordination of benefits" because it involves coordinating the health and drug benefits you get from us with any other health and drug benefits available to you. We'll help you coordinate your benefits. (For more information about coordination of benefits, go to Chapter 1, Section 10.)
- **Tell your doctor and other health care providers that you are enrolled in our plan**. Show your plan membership card whenever you get your medical care or Part D prescription drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care**.
  - To help your doctors and other health care providers give you the best care, learn as much as you are able to about your health problems and give them the information they need about you and your health. Follow the treatment plans and instructions that you and your doctors agree upon.
  - Make sure you understand your health problems and participate in developing mutually agreed upon treatment goals with your providers whenever possible.
  - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
  - If you have any questions, be sure to ask. Your doctors and other health care providers are supposed to explain things in a way you can understand. If you ask a question and you don't understand the answer you are given, ask again.
- **Be considerate**. We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe**. As a plan member, you are responsible for these payments:
  - In order to be eligible for our plan, you must have Medicare Part A and Medicare Part B (or Medicare Part B). Some plan members must pay a premium for Medicare Part A. Most plan members must pay a premium for Medicare Part B to remain a member of our plan.
  - For most of your medical services or drugs covered by our plan, you must pay your share of the cost when you get the service or drug. This will be a copayment (a fixed amount) or coinsurance (a percentage of the total cost). The Medical Benefits Chart found at the front of this **EOC** tells you what you must pay for your medical services. The Medical Benefits Chart found at the front of this **EOC** tells you what you must pay for your Part D prescription drugs.

- If you get any medical services or drugs that are not covered by our plan or by other insurance you may have, you must pay the full cost.
- If you disagree with our decision to deny coverage for a service or drug, you can make an appeal. Please see Chapter 9 of this booklet for information about how to make an appeal.
- If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

- **Tell us if you move.** If you are going to move, it's important to tell us right away. Call Member Services (phone numbers are printed on the back cover of this booklet).
  - If you move outside of our plan service area, you cannot remain a member of our plan. (Chapter 1 tells you about our service area.) We can help you figure out whether you are moving outside our service area. If you are leaving our service area, you will have a special enrollment period when you can join any Medicare plan available in your new area. We can let you know if we have a plan in your new area.
  - If you move within our service area, we still need to know so we can keep your membership record up-to-date and know how to contact you.
  - If you move, it is also important to tell Social Security (or the Railroad Retirement Board). You can find phone numbers and contact information for these organizations in Chapter 2.
- **Call Member Services for help if you have questions or concerns.** We also welcome any suggestions you may have for improving our plan.
  - Phone numbers and calling hours for Member Services are printed on the back cover of this booklet.
  - For more information about how to reach us, including our mailing address, please see Chapter 2.

CHAPTER 9. What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)

Making complaints 159

Background

SECTION 1. Introduction

Section 1.1 What to do if you have a problem or concern

This chapter explains two types of processes for handling problems and concerns:

- For some types of problems, you need to use the process for coverage decisions and appeals.
- For other types of problems, you need to use the process for making complaints.

Both of these processes have been approved by Medicare. To ensure fairness and prompt handling of your problems, each process has a set of rules, procedures, and deadlines that must be followed by you and us.

Which one do you use?

That depends upon the type of problem you are having. The guide in Section 3 will help you identify the right process to use.

Section 1.2 What about the legal terms?

There are technical legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand.

To keep things simple, this chapter explains the legal rules and procedures using simpler words in place of certain legal terms. For example, this chapter generally says "making a complaint" rather than "filing a grievance," "coverage decision" rather than "organization determination" or "coverage determination," or "at-risk determination," and "Independent Review Organization" instead of "Independent Review Entity." It also uses abbreviations as little as possible.

However, it can be helpful, and sometimes quite important, for you to know the correct legal terms for the situation you are in. Knowing which terms to use will help you communicate more clearly and accurately when you are dealing with your problem and get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

SECTION 2. You can get help from government organizations that are not connected with us

Section 2.1 Where to get more information and personalized assistance

Sometimes it can be confusing to start or follow through the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

Get help from an independent government organization

We are always available to help you. But in some situations, you may also want help or guidance from someone who is not connected with us. You can always contact your **State Health Insurance Assistance Program (SHIP)**. This government program has trained counselors in every state. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers in Chapter 2, Section 3, of this booklet.

You can also get help and information from Medicare

For more information and help in handling a problem, you can also contact Medicare. Here are two ways to get information directly from Medicare:

- You can call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.
- You can visit the Medicare website (**https://www.medicare.gov**).

SECTION 3. To deal with your problem, which process should you use?

Section 3.1 Should you use the process for coverage decisions and appeals? Or should you use the process for making complaints?

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

To figure out which part of this chapter will help you with your specific problem or concern, *START HERE:*

Is your problem or concern about your benefits or coverage?

(This includes problems about whether particular medical care or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.)

- **Yes, my problem is about benefits or coverage:**

  Go to the next section in this chapter, Section 4: "A guide to the basics of coverage decisions and appeals."

- **No, my problem is not about benefits or coverage:**

  Skip ahead to Section 10 at the end of this chapter: "How to make a complaint about quality of care, waiting times, customer service, or other concerns."

Coverage decisions and appeals

SECTION 4. A guide to the basics of coverage decisions and appeals

Section 4.1 Asking for coverage decisions and making appeals—*The big picture*

The process for coverage decisions and appeals deals with problems related to your benefits and coverage for medical services and prescription drugs, including problems related to payment. This is the process you use for issues such as whether something is covered or not, and the way in which something is covered.

Asking for coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services or drugs. For example, your network doctor makes a (favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision, if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases, we might decide a service or drug is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision and you are not satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check to see if we were following all of the rules properly. Your appeal is handled by different reviewers than those who made the original unfavorable decision. When we have completed the review, we give you our decision. Under certain circumstances, which we discuss later, you can request an expedited or "fast coverage decision" or fast appeal of a coverage decision.

If we say ***no*** to all or part of your Level 1 Appeal, you can go on to a Level 2 Appeal. The Level 2 Appeal is conducted by an independent organization that is not connected to us. (In some situations, your case will be automatically sent to the independent organization for a Level 2 Appeal. In other situations, you will need to ask for a Level 2 Appeal.) If you are not satisfied with the decision at the Level 2 Appeal, you may be able to continue through additional levels of appeal.

Section 4.2 How to get help when you are asking for a coverage decision or making an appeal

Would you like some help? Here are resources you may wish to use if you decide to ask for any kind of coverage decision or appeal a decision:

- **You can call Member Services** (phone numbers are printed on the back cover of this booklet).
- To get free help from an independent organization that is not connected with our plan, **contact your State Health Insurance Assistance Program** (see Section 2 in this chapter).
- **Your doctor can make a request for you.**
  - For medical care, your doctor can request a coverage decision or a Level 1 Appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2. To request any appeal after Level 2, your doctor must be appointed as your representative.
  - For Part D prescription drugs, your doctor or other prescriber can request a coverage decision or a Level 1 or Level 2 Appeal on your behalf. To request any appeal after Level 2, your doctor or other prescriber must be appointed as your representative.
- **You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your "representative" to ask for a coverage decision or make an appeal.
  - There may be someone who is already legally authorized to act as your representative under state law.
  - If you want a friend, relative, your doctor or other provider, or other person to be your representative, call Member Services (phone numbers are printed on the back cover of this booklet) and ask for the "Appointment of Representative" form. (The form is also available on Medicare's website at **https://www.cms. gov/Medicare/CMS-Forms/CMS-**

Forms/downloads/cms1696.pdf or on our website at **kp.org**.) The form gives that person permission to act on your behalf. It must be signed by you and by the person whom you would like to act on your behalf. You must give us a copy of the signed form.

- **You also have the right to hire a lawyer to act for you.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, you are not required to hire a lawyer to ask for any kind of coverage decision or appeal a decision.

Section 4.3 Which section of this chapter gives the details for your situation?

There are four different types of situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** in this chapter: "Your medical care: How to ask for a coverage decision or make an appeal."
- **Section 6** in this chapter: "Your Part D prescription drugs: How to ask for a coverage decision or make an appeal."
- **Section 7** in this chapter: "How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon."
- **Section 8** in this chapter: "How to ask us to keep covering certain medical services if you think your coverage is ending too soon" (applies to these services only: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services).

If you're not sure which section you should be using, please call Member Services (phone numbers are printed on the back cover of this booklet). You can also get help or information from government organizations such as your SHIP (Chapter 2, Section 3, of this booklet has the phone numbers for this program).

SECTION 5. Your medical care: How to ask for a coverage decision or make an appeal

? Have you read Section 4 in this chapter ("A guide to the basics of coverage decisions and appeals")? If not, you may want to read it before you start this section.

Section 5.1 This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care

This section is about your benefits for medical care and services. These benefits are described in the Medical Benefits Chart found at the front of this **EOC**. To keep things simple, we generally refer to "medical care coverage" or "medical care" in the rest of this section, instead of repeating "medical care or treatment or services" every time. The term "medical care" includes medical items and services as well as Medicare Part B prescription drugs. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services.

This section tells you what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan.
2. We will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by our plan.
3. You have received medical care or services that you believe should be covered by our plan, but we have said we will not pay for this care.
4. You have received and paid for medical care or services that you believe should be covered by our plan, and you want to ask us to reimburse you for this care.
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health.

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. Here's what to read in those situations:

- **Chapter 9, Section 7:** "How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon."
- **Chapter 9, Section 8:** "How to ask us to keep covering certain medical services if you think your coverage is ending too soon." This section is about three services only: home health care, skilled nursing facility care, and (CORF) services.

For all other situations that involve being told that medical care you have been getting will be stopped, use this section (Section 5) as your guide for what to do.

Which of these situations are you in?

If you are in this situation:	This is what you can do:
Do you want to find out whether we will cover the medical care or services you want?	You can ask us to make a coverage decision for you. Go to the next section in this chapter, **Section 5.2**.
Have we already told you that we will not cover or pay for a medical service in the way that you want it to be covered or paid for?	You can make an appeal. (This means you are asking us to reconsider.) Skip ahead to **Section 5.3** in this chapter.
Do you want to ask us to pay you back for medical care or services you have already received and paid for?	You can send us the bill. Skip ahead to **Section 5.5** in this chapter.

Section 5.2 Step-by-step: How to ask for a coverage decision (how to ask us to authorize or provide the medical care coverage you want)

Legal Terms
When a coverage decision involves your medical care, it is called an "**organization determination**."

Step 1: **You ask us to make a coverage decision on the medical care you are requesting.** If your health requires a quick response, you should ask us to make a "fast coverage decision."

Legal Terms
A "fast coverage decision" is called an "**expedited determination**."

How to request coverage for the medical care you want

- Start by calling, writing, or faxing us to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this.
- For the details about how to contact us, go to Chapter 2, Section 1, and look for the section called "How to contact us when you are asking for a coverage decision or making a complaint about your medical care."

Generally we use the standard deadlines for giving you our decision

When we give you our decision, we will use the "standard" deadlines unless we have agreed to use the "fast" deadlines. A standard coverage decision means we will give you an answer **within 14 calendar days** after we receive your request for a medical item or service. If your request is for a Medicare Part B prescription drug, we will give you an answer **within 72 hours** after we receive your request.

- However, for a request for a medical item or service, we can take up to 14 more calendar days if you ask for more time, or if we need information (such as medical records from out-of-network providers) that may benefit you. If we decide to take extra days to make the decision, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint **within 24 hours**. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, including fast complaints, see Section 10 in this chapter.)

If your health requires it, ask us to give you a "fast coverage decision"

- A fast coverage decision means we will answer **within 72 hours** if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer **within 24 hours**.
  - However, for a request for a medical item or service, we can take up to 14 more calendar days if we find that some information that may benefit you is missing (such as medical records from out-of-network providers), or if you need time to get information to us for the review. If we decide to take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
  - If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. (For more information about the process for making complaints, including fast complaints, see Section 10 in this chapter.) We will call you as soon as we make the decision.
- **To get a fast coverage decision, you must meet two requirements:**
  - You can get a fast coverage decision only if you are asking for coverage for medical care you have not yet received. (You cannot get a fast coverage decision if your request is about payment for medical care you have already received.)
  - You can get a fast coverage decision only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- **If your doctor tells us that your health requires a "fast coverage decision,"** we will automatically agree to give you a fast coverage decision.
- **If you ask for a fast coverage decision on your own, without your doctor's support,** we will decide whether your health requires that we give you a fast coverage decision.

- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
- This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
- The letter will also tell how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. (For more information about the process for making complaints, including fast complaints, see Section 10 in this chapter.)

Step 2: **We consider your request for medical care coverage and give you our answer.**

Deadlines for a "fast coverage decision"

- Generally, for a fast coverage decision on a request for a medical item or service, we will give you our answer **within 72 hours**. If your request is for a Medicare Part B prescription drug, we will answer **within 24 hours**.
  - As explained above, we can take up to 14 more calendar days under certain circumstances. If we decide to take extra days to make the coverage decision, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
  - If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint **within 24 hours**. (For more information about the process for making complaints, including fast complaints, see Section 10 in this chapter.)
  - If we do not give you our answer **within 72 hours** (or if there is an extended time period, by the end of that period), or **24 hours** if your request is for a Part B prescription drug, you have the right to appeal. Section 5.3 below tells you how to make an appeal.
- **If our answer is *yes* to part or all of what you requested**, we must authorize or provide the medical care coverage we have agreed to provide **within 72 hours** after we received your request. If we extended the time needed to make our coverage decision on your request for a medical item or service, we will authorize or provide the coverage by the end of that extended period.
- **If our answer is *no* to part or all of what you requested**, we will send you a detailed written explanation as to why we said no.

Deadlines for a "standard" coverage decision

- Generally, for a standard coverage decision on a request for a medical item or service, we will give you our answer **within 14 calendar days** of receiving your request. If your request is for a Medicare Part B prescription drug, we will give you an answer **within 72 hours** of receiving your request.
  - For a request for a medical item or service, we can take up to 14 more calendar days ("an extended time period") under certain circumstances. If we decide to take extra days to make

the coverage decision, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, see Section 10 in this chapter.)
- If we do not give you our answer **within 14 calendar days** (or if there is an extended time period, by the end of that period) or **72 hours** if your request is for a Part B prescription drug,, you have the right to appeal. Section 5.3 below tells you how to make an appeal.

- **If our answer is *yes* to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide **within 14 calendar days,** or **72 hours** if your request is for a Part B prescription drug, after we received your request. If we extended the time needed to make our coverage decision on your request for a medical item or service, we will authorize or provide the coverage by the end of that extended period.
- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said no.

Step 3: **If we say *no* to your request for coverage for medical care, you decide if you want to make an appeal.**

- If we say ***no***, you have the right to ask us to reconsider, and perhaps change this decision by making an appeal. Making an appeal means making another try to get the medical care coverage you want.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (see Section 5.3 below).

Section 5.3 Step-by-step: How to make a Level 1 Appeal (how to ask for a review of a medical care coverage decision made by our plan)

Legal Terms
An appeal to our plan about a medical care coverage decision is called a plan "**reconsideration**."

Step 1: **You contact us and make your appeal. If your health requires a quick response, you must ask for a "fast appeal."**

What to do:

- **To start an appeal, you, your doctor, or your representative must contact us.** For details about how to reach us for any purpose related to your appeal, go to Chapter 2, Section 1, and look for the section called "How to contact us when you are making an appeal about your medical care or Part D prescription drugs."

- **If you are asking for a standard appeal, make your standard appeal in writing by submitting a request.**
  - If you have someone appealing our decision for you other than your doctor, your appeal must include an "Appointment of Representative" form authorizing this person to represent you. To get the form, call Member Services (phone numbers are printed on the back cover of this booklet) and ask for the "Appointment of Representative" form. It is also available on Medicare's website at **https://www.cmsgov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf** or on our website at **kp.org**. While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the Independent Review Organization to review our decision to dismiss your appeal.
- **If you are asking for a fast appeal, make your appeal in writing or call us** at the phone number shown in Chapter 2, Section 1, "How to contact us when you are making an appeal about your medical care or Part D prescription drugs."
- **You must make your appeal request within 60 calendar days from the date on the written notice** we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good cause for missing the deadline may include if you had a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information regarding your medical decision and add more information to support your appeal.**
  - You have the right to ask us for a copy of the information regarding your appeal. We are allowed to charge a fee for copying and sending this information to you.
  - If you wish, you and your doctor may give us additional information to support your appeal.

If your health requires it, ask for a "fast appeal" (you can make a request by calling us)

Legal Terms
A "fast appeal" is also called an "**expedited reconsideration**."

- If you are appealing a decision we made about coverage for care you have not yet received, you and/or your doctor will need to decide if you need a "fast appeal."
- The requirements and procedures for getting a "fast appeal" are the same as those for getting a "fast coverage decision." To ask for a fast appeal, follow the instructions for asking for a fast coverage decision. (These instructions are given earlier in this section.)
- If your doctor tells us that your health requires a "fast appeal," we will give you a fast appeal.

Step 2: **We consider your appeal and we give you our answer.**

- When we are reviewing your appeal, we take another careful look at all of the information about your request for coverage of medical care. We check to see if we were following all the rules when we said ***no*** to your request.
- We will gather more information if we need it. We may contact you or your doctor to get more information.

Deadlines for a "fast appeal"

- When we are using the fast deadlines, we must give you our answer **within 72 hours** after we receive your appeal**.** We will give you our answer sooner if your health requires us to do so.
  - However, if you ask for more time, or if we need to gather more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we decide to take extra days to make the decision, we will tell you in writing.
  - If we do not give you an answer **within 72 hours** (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we tell you about this organization and explain what happens at Level 2 of the appeals process.
- **If our answer is *yes* to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide **within 72 hours** after we receive your appeal.
- **If our answer is *no* to part or all of what you requested**, we will automatically send your appeal to the Independent Review Organization for a Level 2 Appeal.

Deadlines for a "standard appeal"

- If we are using the standard deadlines, we must give you our answer **within 30 calendar days** after we receive your appeal if your appeal is about coverage for services you have not yet received. If your request is for a Medicare Part B prescription drug, we will give you our answer **within 7 calendar days** after we receive your appeal if your appeal is about coverage for a Part B prescription drug you have not yet received. We will give you our decision sooner if your health condition requires us to.
  - However, if you ask for more time, or if we need to gather more information that may benefit you, we can take up to 14 more calendar days if your request is for a medical item or service. If we decide to take extra days to make the decision, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
  - If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint **within 24 hours**. (For more information about the process for making complaints, including fast complaints, see Section 10 in this chapter.)
  - If we do not give you an answer by the applicable deadline above (or by the end of the extended time period if we took extra days for your request for a medical item or service), we are required to send your request on to Level 2

of the appeals process, where it will be reviewed by an independent, outside organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.

- **If our answer is *yes* to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide **within 30 calendar days**, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug after we receive your appeal
- **If our answer is *no* to part or all of what you requested**, we will automatically send your appeal to the Independent Review Organization for a Level 2 Appeal.

Step 3: **If our plan says *no* to part or all of your appeal, your case will automatically be sent on to the next level of the appeals process.**

- To make sure we were following all the rules when we said ***no*** to your appeal, we are required to send your appeal to the Independent Review Organization. When we do this, it means that your appeal is going on to the next level of the appeals process, which is Level 2.

Section 5.4 Step-by-step: How a Level 2 Appeal is done

If we say ***no*** to your Level 1 Appeal, your case will automatically be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews our decision for your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the "Independent Review Organization" is the "**Independent Review Entity**." It is sometimes called the "**IRE**."

Step 1: **The Independent Review Organization reviews your appeal.**

- **The Independent Review Organization is an independent organization that is hired by Medicare**. This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- We will send the information about your appeal to this organization. This information is called your "case file." **You have the right to ask us for a copy of your case file**. We are allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the Independent Review Organization additional information to support your appeal.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.

If you had a "fast" appeal at Level 1, you will also have a "fast" appeal at Level 2

- If you had a fast appeal to our plan at Level 1, you will automatically receive a fast appeal at Level 2. The review organization must give you an answer to your Level 2 Appeal **within 72 hours of when it receives your appeal**.
- However, if your request is for a medical item or service and the Independent Review Organization needs to gather more information that may benefit you, it can take up to 14 more calendar days. The Independent Review Organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

If you had a "standard" appeal at Level 1, you will also have a "standard" appeal at Level 2

- If you had a standard appeal to our plan at Level 1, you will automatically receive a standard appeal at Level 2. If your request is for a medical item or service, the review organization must give you an answer to your Level 2 Appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 Appeal **within 7 calendar days** of when it receives your appeal.
- However, if your request is for a medical item or service and the Independent Review Organization needs to gather more information that may benefit you, it can take up to 14 more calendar days. The Independent Review Organization can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Step 2: **The Independent Review Organization gives you their answer.**

The Independent Review Organization will tell you its decision in writing and explain the reasons for it.

- If the review organization says ***yes*** to part or all of a request for a medical item or service, we must authorize the medical care coverage **within 72 hours** or provide the service **within 14 calendar days** after we receive the decision from the review organization for standard requests or **within 72 hours** from the date we receive the decision from the review organization for expedited requests.
- If this organization says ***no*** to part or all of your appeal, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called "upholding the decision." It is also called "turning down your appeal.")
  - If the Independent Review Organization "upholds the decision," you have the right to a Level 3 Appeal. However, to make another appeal at Level 3, the dollar value of the medical care coverage you are requesting must meet a certain minimum. If the dollar value of the coverage you are requesting is too low, you cannot make another appeal, which means that the decision at Level 2 is final. The written notice you get from the Independent Review Organization will tell you how to find out the dollar amount to continue the appeals process.

Step 3: **If your case meets the requirements, you choose whether you want to take your appeal further.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you got after your Level 2 Appeal.
- The Level 3 Appeal is handled by an administrative law judge or attorney adjudicator. Section 9 in this chapter tells you more about Levels 3, 4, and 5 of the appeals process.

Section 5.5 What if you are asking us to pay you for our share of a bill you have received for medical care?

If you want to ask us for payment for medical care, start by reading Chapter 7 of this booklet: "Asking us to pay our share of a bill you have received for covered medical services or drugs." Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells you how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork that asks for reimbursement, you are asking us to make a coverage decision (for more information about coverage decisions, see Section 4.1 in this chapter). To make this coverage decision, we will check to see if the medical care you paid for is a covered service; see the Medical Benefits Chart found at the front of this **EOC**. We will also check to see if you followed all the rules for using your coverage for medical care (these rules are given in Chapter 3 of this booklet: "Using our plan's coverage for your medical services").

We will say *yes* or *no* to your request

- If the medical care you paid for is covered and you followed all the rules, we will send you the payment for our share of the cost of your medical care within 60 calendar days after we receive your request. Or if you haven't paid for the services, we will send the payment directly to the provider. (When we send the payment, it's the same as saying ***yes*** to your request for a coverage decision.)
- If the medical care is not covered, or you did not follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why in detail. (When we turn down your request for payment, it's the same as saying ***no*** to your request for a coverage decision.)

What if you ask for payment and we say that we will not pay?

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. Go to this section for step-by-step instructions. When you are following these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we receive your appeal. (If you are asking us to pay you back for medical care you have already received and paid for yourself, you are not allowed to ask for a fast appeal.)
- If the Independent Review Organization reverses our decision to deny payment, we must send the payment you have requested to you or to the provider within 30 calendar days. If the answer to your appeal is ***yes*** at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6. Your Part D prescription drugs: How to ask for a coverage decision or make an appeal

? Have you read Section 4 in this chapter ("A guide to the basics of coverage decisions and appeals")? If not, you may want to read it before you start this section.

Section 6.1 This section tells what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Please refer to our **Kaiser Permanente 2020 Comprehensive Formulary**. To be covered, the drug must be used for a medically accepted indication. (A "medically accepted indication" is a use of the drug that is either approved by the Food and Drug Administration or supported by certain reference books. See Chapter 5, Section 3, for more information about a medically accepted indication.)

- **This section is about your Part D drugs only.** To keep things simple, we generally say "drug" in the rest of this section, instead of repeating "covered outpatient prescription drug" or "Part D drug" every time.
- For details about what we mean by Part D drugs, the **Kaiser Permanente 2020 Comprehensive Formulary**, rules and restrictions on coverage, and cost information, see Chapter 5 ("Using our plan's coverage for your Part D prescription drugs") and Chapter 6

("What you pay for your Part D prescription drugs") or the Medical Benefits Chart found at the front of this **EOC**.

Part D coverage decisions and appeals

As discussed in Section 4 of this chapter, a coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your drugs.

Legal Terms
An initial coverage decision about your Part D drugs is called a "**coverage determination**."

Here are examples of coverage decisions you ask us to make about your Part D drugs:

- You ask us to make an exception, including:
  - Asking us to cover a Part D drug that is not on our **Kaiser Permanente 2020 Comprehensive Formulary**.
  - Asking us to waive a restriction on our plan's coverage for a drug (such as limits on the amount of the drug you can get).
  - Asking to pay a lower cost-sharing amount for a covered drug on a higher cost-sharing tier.
- You ask us whether a drug is covered for you and whether you satisfy any applicable coverage rules. For example, when your drug is on our **Kaiser Permanente 2020 Comprehensive Formulary**, but we require you to get approval from us before we will cover it for you.
  - **Please note:** If your pharmacy tells you that your prescription cannot be filled as written, you will get a written notice explaining how to contact us to ask for a coverage decision.
- You ask us to pay for a prescription drug you already bought. This is a request for a coverage decision about payment.

If you disagree with a coverage decision we have made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to request an appeal. Use the chart below to help you determine which part has information for your situation:

Which of these situations are you in?

If you are in this situation:	This is what you can do:
Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?	You can ask us to make an exception. (This is a type of coverage decision.) **Start with Section 6.2 in this chapter.**
Do you want us to cover a drug on our Drug List and you believe you meet any plan	You can ask us for a coverage decision. **Skip ahead to Section 6.4 in this chapter.**

rules or restrictions (such as getting approval in advance) for the drug you need?	
Do you want to ask us to pay you back for a drug you have already received and paid for?	You can ask us to pay you back. (This is a type of coverage decision.) **Skip ahead to Section 6.4 in this chapter.**
Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?	You can make an appeal. (This means you are asking us to reconsider.) **Skip ahead to Section 6.5 in this chapter.**

Section 6.2 What is an exception?

If a drug is not covered in the way you would like it to be covered, you can ask us to make an "**exception**." An exception is a type of coverage decision. Similar to other types of coverage decisions, if we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. We will then consider your request. Here are three examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. **Covering a Part D drug for you that is not on our Kaiser Permanente 2020 Comprehensive Formulary.** (We call it the "Drug List" for short.)

Legal Terms
Asking for coverage of a drug that is not on the Drug List is sometimes called asking for a "**formulary exception**."

- If we agree to make an exception and cover a drug that is not on the Drug List, you will need to pay the cost-sharing amount that applies to drugs in Tier 4 (nonpreferred brand-name drugs). You cannot ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.

2. **Removing a restriction on our coverage for a covered drug**. There are extra rules or restrictions that apply to certain drugs on our **Kaiser Permanente 2020 Comprehensive Formulary** (for more information, go to Chapter 5 and look for Section 4).

Legal Terms
Asking for removal of a restriction on coverage for a drug is sometimes called asking for a "**formulary exception**."

- The extra rules and restrictions on coverage for certain drugs include:
  - Being required to use the generic version of a drug instead of the brand-name drug.
  - Getting **plan approval in advance** before we will agree to cover the drug for you. (This is sometimes called "prior authorization.")
- If we agree to make an exception and waive a restriction for you, you can ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.

3. **Changing coverage of a drug to a lower cost-sharing tier**. Every drug on our Drug List is in one of six cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you will pay as your share of the cost of the drug.

Legal Terms
Asking to pay a lower price for a covered nonpreferred drug is sometimes called asking for a "**tiering exception**."

- If our Drug List contains alternative drug(s) for treating your medical condition that are in a lower cost-sharing tier than your drug, you can ask us to cover your drug at the cost-sharing amount that applies to the alternative drug(s). This would lower your share of the cost for the drug.
  - If the drug you're taking is a brand-name drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains brand-name alternatives for treating your condition.
- If the drug you're taking is a generic drug you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains either brand or generic alternatives for treating your condition.
- You cannot ask us to change the cost-sharing tier for any drug in Tier 5 (specialty-tier drugs).
- If we approve your request for a tiering exception and there is more than one lower cost-sharing tier with alternative drugs you can't take, you will usually pay the lowest amount.

Section 6.3 Important things to know about asking for exceptions

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These different possibilities are called "**alternative**" drugs. If an alternative drug would be just as effective as the drug you are requesting and would not cause more side effects or other health problems, we will generally not approve your request for an exception. If you ask us for a tiering exception, we will generally not approve your request for an exception unless all the alternative drugs in the lower cost-sharing tier(s) won't work as well for you.

We can say *yes* or *no* to your request

- If we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say ***no*** to your request for an exception, you can ask for a review of our decision by making an appeal. Section 6.5 tells you how to make an appeal if we say no.

The next section tells you how to ask for a coverage decision, including an exception.

Section 6.4 Step-by-step: How to ask for a coverage decision, including an exception

Step 1: **You ask us to make a coverage decision about the drug(s) or payment you need.** If your health requires a quick response, you must ask us to make a "fast coverage decision." You cannot ask for a fast coverage decision if you are asking us to pay you back for a drug you already bought.

What to do:

- **Request the type of coverage decision you want.** Start by calling, writing, or faxing us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can also access the coverage decision process through our website. For the details, go to Chapter 2, Section 1, and look for the section called "How to contact us when you are asking for a coverage decision or making a complaint about your Part D prescription drugs." Or if you are asking us to pay you back for a drug, go to the section called "Where to send a request asking us to pay for our share of the cost for medical care or a drug you have received."
- **You or your doctor or someone else who is acting on your behalf** can ask for a coverage decision. Section 4 in this chapter tells you how you can give written permission to someone else to act as your representative. You can also have a lawyer act on your behalf.
- **If you want to ask us to pay you back for a drug,** start by reading Chapter 7 of this booklet: "Asking us to pay our share of a bill you have received for covered medical services or drugs." Chapter 7 describes the situations in which you may need to ask for reimbursement. It also tells you how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- **If you are requesting an exception, provide the "supporting statement."** Your doctor or other prescriber must give us the medical reasons for the drug exception you are requesting. (We call this the "supporting statement.") Your doctor or other prescriber can fax or mail the

statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary. See Sections 6.2 and 6.3 for more information about exception requests.

- **We must accept any written request**, including a request submitted on the CMS Model Coverage Determination Request Form, which is available on our website.

Legal Terms
A "fast coverage decision" is called an "**expedited coverage determination**."

If your health requires it, ask us to give you a "fast coverage decision"

- When we give you our decision, we will use the "standard" deadlines unless we have agreed to use the "fast" deadlines. A standard coverage decision means we will give you an answer **within 72 hours after we receive your doctor's statement**. A fast coverage decision means we will answer within 24 hours after we receive your doctor's statement.
- **To get a fast coverage decision, you must meet two requirements:**
  - You can get a fast coverage decision only if you are asking for a drug you have not yet received. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you have already bought.)
  - You can get a fast coverage decision only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- **If your doctor or other prescriber tells us that your health requires a "fast coverage decision,"** we will automatically agree to give you a fast coverage decision.
- **If you ask for a fast coverage decision on your own** (without your doctor's or other prescriber's support), we will decide whether your health requires that we give you a fast coverage decision.
  - If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will send you a letter that says so (and we will use the standard deadlines instead).
  - This letter will tell you that if your doctor or other prescriber asks for the fast coverage decision, we will automatically give a fast coverage decision.
  - The letter will also tell you how you can file a complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. It tells you how to file a "fast complaint," which means you would get our answer to your complaint within 24 hours of receiving the complaint. (The process for making a complaint is different from the process for coverage decisions and appeals. For more information about the process for making complaints, see Section 10 in this chapter.)

Step 2: **We consider your request and we give you our answer.**

Deadlines for a "fast coverage decision"

- If we are using the fast deadlines, we must give you our answer **within 24 hours**.

- Generally, this means within 24 hours after we receive your request. If you are requesting an exception, we will give you our answer within 24 hours after we receive your doctor's statement supporting your request. We will give you our answer sooner if your health requires us to.
- If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent, outside organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.

- **If our answer is *yes* to part or all of what you requested**, we must provide the coverage we have agreed to provide within 24 hours after we receive your request or doctor's statement supporting your request.
- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Deadlines for a "standard coverage decision" about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer **within 72 hours.**
  - Generally, this means within 72 hours after we receive your request. If you are requesting an exception, we will give you our answer within 72 hours after we receive your doctor's statement supporting your request. We will give you our answer sooner if your health requires us to.
  - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is *yes* to part or all of what you requested**:
  - If we approve your request for coverage, we must provide the coverage we have agreed to provide within 72 hours after we receive your request or doctor's statement supporting your request.
- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Deadlines for a "standard coverage decision" about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we receive your request.
  - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is *yes* to part or all of what you requested**, we are also required to make payment to you within 14 calendar days after we receive your request.

- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Step 3: **If we say *no* to your coverage request, you decide if you want to make an appeal.**

- If we say no, you have the right to request an appeal. Requesting an appeal means asking us to reconsider—and possibly change—the decision we made.

Section 6.5 Step-by-step: How to make a Level 1 Appeal
(how to ask for a review of a coverage decision made by our plan)

Legal Terms
An appeal to our plan about a Part D drug coverage decision is called a plan "**redetermination**."

Step 1: **You contact us and make your Level 1 Appeal. If your health requires a quick response, you must ask for a "fast appeal."**

What to do:

- **To start your appeal, you (or your representative or your doctor or other prescriber) must contact us.**
  - For details about how to reach us by phone, fax, or mail, or on our website for any purpose related to your appeal, go to Chapter 2, Section 1, and look for the section called "How to contact us when you are making an appeal about your medical care or Part D prescription drugs."
- **If you are asking for a standard appeal, make your appeal by submitting a written request.**
- **If you are asking for a fast appeal, you may make your appeal in writing or you may call us at the phone number shown in Chapter 2, Section 1,** "How to contact us when you are making an appeal about your medical care or Part D prescription drugs."
- We must accept any written request, including a request submitted on the CMS Model Coverage Determination Request Form, which is available on our website.
- **You must make your appeal request within 60 calendar days from the date on the written notice** we sent to tell you our answer to your request for a coverage decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good cause for missing the deadline may include if you had a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information in your appeal and add more information.**
  - You have the right to ask us for a copy of the information regarding your appeal. We are allowed to charge a fee for copying and sending this information to you.

- If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

Legal Terms
A "fast appeal" is also called an "**expedited redetermination**."

If your health requires it, ask for a "fast appeal"

- If you are appealing a decision we made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a "fast appeal."
- The requirements for getting a "fast appeal" are the same as those for getting a "fast coverage decision" in Section 6.4 of this chapter.

Step 2: **We consider your appeal and we give you our answer.**

- When we are reviewing your appeal, we take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said ***no*** to your request. We may contact you or your doctor or other prescriber to get more information.

Deadlines for a "fast appeal"

- If we are using the fast deadlines, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires it.
  - If we do not give you an answer within 72 hours, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we talk about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is *yes* to part or all of what you requested**, we must provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said ***no*** and how to appeal our decision.

Deadlines for a "standard appeal"

- If we are using the standard deadlines, we must give you our answer **within 7 calendar days after we receive your appeal for a drug you have not received yet**. We will give you our decision sooner if you have not received the drug yet and your health condition requires us to do so. If you believe your health requires it, you should ask for a “fast appeal”.
- If we do not give you a decision within 7 calendar days, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an Independent Review Organization. Later in this section, we tell you about this review organization and explain what happens at Level 2 of the appeals process.
- **If our answer is *yes* to part or all of what you requested**:

- If we approve a request for coverage, we must provide the coverage we have agreed to provide as quickly as your health requires, but no later than 7 calendar days after we receive your appeal.
- If we approve a request to pay you back for a drug you already bought, we are required to send payment to you within 30 calendar days after we receive your appeal request.

- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said ***no*** and how to appeal our decision.
- If you are requesting that we pay you back for a drug you have already bought, we must give you our answer **within 14 calendar days** after we receive your request.
  - If we do not give you a decision within 14 calendar days, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent organization. Later in this section, we talk about this review organization and explain what happens at Appeal Level 2.
- **If our answer is *yes* to part or all of what you requested**, we are also required to make payment to you within 30 calendar days after we receive your request.
- **If our answer is *no* to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how to appeal.

Step 3: **If we say *no* to your appeal, you decide if you want to continue with the appeals process and make *another* appeal.**

- If we say ***no*** to your appeal, you then choose whether to accept this decision or continue by making another appeal.

If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process (see below).

Section 6.6 Step-by-step: How to make a Level 2 Appeal

If we say ***no*** to your appeal, you then choose whether to accept this decision or continue by making another appeal. If you decide to go on to a Level 2 Appeal, the **Independent Review Organization** reviews the decision we made when we said ***no*** to your first appeal. This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the "Independent Review Organization" is the "**Independent Review Entity**." It is sometimes called the "**IRE**."

Step 1: **To make a Level 2 Appeal, you (or your representative or your doctor or other prescriber) must contact the Independent Review Organization and ask for a review of your case.**

- If we say ***no*** to your Level 1 Appeal, the written notice we send you will include instructions about how to make a Level 2 Appeal with the Independent Review Organization. These

instructions will tell you who can make this Level 2 Appeal, what deadlines you must follow, and how to reach the review organization.

- When you make an appeal to the Independent Review Organization, we will send the information we have about your appeal to this organization. This information is called your "case file." You have the right to ask us for a copy of your case file. We are allowed to charge you a fee for copying and sending this information to you.
- You have a right to give the Independent Review Organization additional information to support your appeal.

Step 2: **The Independent Review Organization does a review of your appeal and gives you an answer.**

- **The Independent Review Organization is an independent organization that is hired by Medicare**. This organization is not connected with us and it is not a government agency. This organization is a company chosen by Medicare to review our decisions about your Part D benefits with us.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal. The organization will tell you its decision in writing and explain the reasons for it.

Deadlines for "fast appeal" at Level 2

- If your health requires it, ask the Independent Review Organization for a "fast appeal."
- If the review organization agrees to give you a fast appeal, the review organization must give you an answer to your Level 2 Appeal **within 72 hours after it receives your appeal request**.
- If the Independent Review Organization says ***yes*** to part or all of what you requested, we must provide the drug coverage that was approved by the review organization within 24 hours after we receive the decision from the review organization.

Deadlines for "standard appeal" at Level 2

- If you have a standard appeal at Level 2, the review organization must give you an answer to your Level 2 Appeal **within 7 calendar days after it receives your appeal** if it is for a drug you have not received yet. If you are requesting that we pay you back for a drug you have already bought, the review organization must give you an answer to your Level 2 appeal within 14 calendar days after it receives your request.
- If the Independent Review Organization says ***yes*** to part or all of what you requested:
  - If the Independent Review Organization approves a request for coverage, we must provide the drug coverage that was approved by the review organization within 72 hours after we receive the decision from the review organization.
  - If the Independent Review Organization approves a request to pay you back for a drug you already bought, we are required to send payment to you within 30 calendar days after we receive the decision from the review organization.

What if the review organization says *no* to your appeal?

If this organization says ***no*** to your appeal, it means the organization agrees with our decision not to approve your request. (This is called "upholding the decision." It is also called "turning down your appeal.")

If the Independent Review Organization "upholds the decision," you have the right to a Level 3 Appeal. However, to make another appeal at Level 3, the dollar value of the drug coverage you are requesting must meet a minimum amount. If the dollar value of the drug coverage you are requesting is too low, you cannot make another appeal and the decision at Level 2 is final. The notice you get from the Independent Review Organization will tell you the dollar value that must be in dispute to continue with the appeals process.

Step 3: **If the dollar value of the coverage you are requesting meets the requirement, you choose whether you want to take your appeal further.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If your Level 2 Appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go on to Level 3 and make a third appeal. If you decide to make a third appeal, the details about how to do this are in the written notice you got after your second appeal.
- The Level 3 Appeal is handled by an administrative law judge or attorney adjudicator. Section 9 in this chapter tells you more about Levels 3, 4, and 5 of the appeals process.

SECTION 7. How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury. For more information about our coverage for your hospital care, including any limitations on this coverage, see the Medical Benefits Chart found at the front of this **EOC**.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "**discharge date**."
- When your discharge date has been decided, your doctor or the hospital staff will let you know.
- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered. This section tells you how to ask.

Section 7.1 During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights

During your covered hospital stay, you will be given a written notice called **An Important Message from Medicare about Your Rights**. Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital. Someone at the hospital (for example, a caseworker or nurse) must give it to you within two days after you are admitted. If you do not get the notice, ask any hospital employee for it. If you need help, please call Member Services (phone numbers are printed on the back cover of this booklet). You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

- Read this notice carefully and ask questions if you don't understand it. It tells you about your rights as a hospital patient, including:
  - Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
  - Your right to be involved in any decisions about your hospital stay, and know who will pay for it.
  - Where to report any concerns you have about quality of your hospital care.
  - Your right to appeal your discharge decision if you think you are being discharged from the hospital too soon.

Legal Terms
The written notice from Medicare tells you how you can "**request an immediate review**." Requesting an immediate review is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time. (Section 7.2 below tells you how you can request an immediate review.)

- **You must sign the written notice** to show that you received it and understand your rights.
  - You or someone who is acting on your behalf must sign the notice. (Section 4 in this chapter tells you how you can give written permission to someone else to act as your representative.)
  - Signing the notice shows **only** that you have received the information about your rights. The notice does not give your discharge date (your doctor or hospital staff will tell you your discharge date). Signing the notice does not mean you are agreeing on a discharge date.
- **Keep your copy** of the signed notice so you will have the information about making an appeal (or reporting a concern about quality of care) handy if you need it.

- If you sign the notice more than two days before the day you leave the hospital, you will get another copy before you are scheduled to be discharged.
- To look at a copy of this notice in advance, you can call Member Services (phone numbers are printed on the back cover of this booklet) or **1-800-MEDICARE** (**1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**. You can also see it online at **https://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html**.

Section 7.2 Step-by-step: How to make a Level 1 Appeal to change your hospital discharge date

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.
- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do.
- **Ask for help if you need it**. If you have questions or need help at any time, please call Member Services (phone numbers are printed on the back cover of this booklet). Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance (see Section 2 in this chapter).

During a Level 1 Appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

Step 1: **Contact the Quality Improvement Organization for your state and ask for a "fast review" of your hospital discharge. You must act quickly.**

What is the Quality Improvement Organization?

- This organization is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. This organization is paid by Medicare to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare.

How can you contact this organization?

- The written notice you received (**An Important Message from Medicare About Your Rights**) tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization **before** you leave the hospital and **no later than your planned discharge date.** (Your "planned discharge date" is the date that has been set for you to leave the hospital.)
  - **If you meet this deadline,** you are allowed to stay in the hospital after your discharge date without paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
  - **If you do not meet this deadline,** and you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you receive after your planned discharge date.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details about this other way to make your appeal, see Section 7.4.

Ask for a "fast review":

- You must ask the Quality Improvement Organization for a "fast review" of your discharge. Asking for a "fast review" means you are asking for the organization to use the "fast" deadlines for an appeal instead of using the standard deadlines.

Legal Terms
A "fast review" is also called an "**immediate review**" or an "**expedited review**."

Step 2: **The Quality Improvement Organization conducts an independent review of your case.**

What happens during this review?

- Health professionals at the Quality Improvement Organization (we will call them "the reviewers" for short) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.
- By noon of the day after the reviewers informed our plan of your appeal, you will also get a written notice that gives you your planned discharge date and explains in detail the reasons

why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Legal Terms
This written explanation is called the "**Detailed Notice of Discharge**." You can get a sample of this notice by calling Member Services (phone numbers are printed on the back cover of this booklet) or **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. (TTY users should call **1-877-486-2048**.) Or you can see a sample notice online at **https://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html**.

Step 3: **Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.**

*What happens if the answer is **yes**?*

- If the review organization says ***yes*** to your appeal, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services. (See the Medical Benefits Chart found at the front of this **EOC**.)

*What happens if the answer is **no**?*

- If the review organization says ***no*** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your **inpatient hospital services will end** at noon on the day after the Quality Improvement Organization gives you its answer to your appeal.
- If the review organization says ***no*** to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost of hospital care** you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: **If the answer to your Level 1 Appeal is *no*, you decide if you want to make another appeal.**

- If the Quality Improvement Organization has turned down your appeal, and you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to "Level 2" of the appeals process.

Section 7.3 Step-by-step: How to make a Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal, and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your first appeal. If the Quality Improvement Organization turns down

your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

Here are the steps for Level 2 of the appeals process:

Step 1: **You contact the Quality Improvement Organization again and ask for another review.**

- **You must ask for this review within 60 calendar days** after the day the Quality Improvement Organization said ***no*** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

Step 2: **The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: **Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will decide on your appeal and tell you their decision.**

*If the review organization says **yes**:*

- We must reimburse you for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.

*If the review organization says **no**:*

- It means they agree with the decision they made on your Level 1 Appeal and will not change it. This is called "upholding the decision."
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an administrative law judge or attorney adjudicator.

Step 4: **If the answer is *no*, you will need to decide whether you want to take your appeal further by going on to Level 3.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If the review organization turns down your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by an administrative law judge or attorney adjudicator.
- Section 9 in this chapter tells you more about Levels 3, 4, and 5 of the appeals process.

Section 7.4 What if you miss the deadline for making your Level 1 Appeal?

You can appeal to us instead

As explained above in Section 7.2, you must act quickly to contact the Quality Improvement Organization to start your first appeal of your hospital discharge. ("Quickly" means before you leave the hospital and no later than your planned discharge date.) If you miss the deadline for contacting this organization, there is another way to make your appeal.

If you use this other way of making your appeal, the first two levels of appeal are different.

Step-by-step: How to make a Level 1 Alternate Appeal

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a "fast review." A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Legal Terms
A "fast review" (or "fast appeal") is also called an "**expedited appeal**."

Step 1: Contact us and ask for a "fast review."

- For details about how to contact us, **go to Chapter 2**, Section 1, and look for the section called "How to contact us when you are making an appeal about your medical care or Part D prescription drugs."
- **Be sure to ask for a "fast review**." This means you are asking us to give you an answer using the "fast" deadlines rather than the "standard" deadlines.

Step 2: We do a "fast review" of your planned discharge date, checking to see if it was medically appropriate.

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We will check to see if the decision about when you should leave the hospital was fair and followed all the rules.
- In this situation, we will use the "fast" deadlines rather than the standard deadlines for giving you the answer to this review.

Step 3: We give you our decision within 72 hours after you ask for a "fast review" ("fast appeal").

- **If we say *yes* to your fast appeal,** it means we have agreed with you that you still need to be in the hospital after the discharge date, and will keep providing your covered inpatient hospital services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)

- **If we say *no* to your fast appeal,** we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.
- **If you stayed in the hospital after your planned discharge date, then you may have to pay the full cost of hospital care you received after the planned discharge date.**

Step 4: If we say no to your fast appeal, your case will automatically be sent on to the next level of the appeals process.

- To make sure we were following all the rules when we said ***no*** to your fast appeal**,** we are required to send your appeal to the Independent Review Organization. When we do this, it means that you are **automatically** going on to Level 2 of the appeals process.

Step-by-step: Level 2 Alternate Appeal Process

If we say ***no*** to your Level 1 Appeal, your case will automatically be sent on to the next level of the appeals process. During the Level 2 Appeal, an **Independent Review Organization** reviews the decision we made when we said ***no*** to your "fast appeal." This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the "Independent Review Organization" is the "**Independent Review Entity**." It is sometimes called the "**IRE**."

Step 1: We will automatically forward your case to the Independent Review Organization.

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying ***no*** to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeals process. Section 10 in this chapter tells you how to make a complaint.)

Step 2: The Independent Review Organization does a "fast review" of your appeal. The reviewers give you an answer within 72 hours.

- The Independent Review Organization is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal of your hospital discharge.
- If this **organization says *yes*** to your appeal, then we must reimburse you (pay you back) for our share of the costs of hospital care you have received since the date of your planned discharge. We must also continue our plan's coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay your share of the costs. If there are

coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.

- **If this organization says *no* to your appeal,** it means they agree with us that your planned hospital discharge date was medically appropriate.
  - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by an administrative law judge or attorney adjudicator.

Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say ***no*** to your Level 2 Appeal, you decide whether to accept their decision or go on to Level 3 and make a third appeal.
- Section 9 in this chapter tells you more about Levels 3, 4, and 5 of the appeals process.

SECTION 8. How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 8.1 *This section is about three services only:* Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services

This section is **only** about the following types of care:

- **Home health care services** you are getting.
- **Skilled nursing care** you are getting as a patient in a skilled nursing facility. (To learn about requirements for being considered a "skilled nursing facility," see Chapter 12, "Definitions of important words.")
- **Rehabilitation care** you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually this means you are getting treatment for an illness or accident, or you are recovering from a major operation. (For more information about this type of facility, see Chapter 12, "Definitions of important words.")

When you are getting any of these types of care, you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury. For more information about your covered services, including your share of the cost and any limitations to coverage that may apply, see the Medical Benefits Chart found at the front of this **EOC**.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, **we will stop paying our share of the cost for your care.**

If you think we are ending the coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Section 8.2 We will tell you in advance when your coverage will be ending

- **You receive a notice in writing.** At least two days before our plan is going to stop covering your care, you will receive a notice.
  - The written notice tells you the date when we will stop covering the care for you.
  - The written notice also tells you what you can do if you want to ask us to change this decision about when to end your care, and keep covering it for a longer period of time.

Legal Terms

In telling you what you can do, the written notice is telling how you can request a "**fast-track appeal.**" Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care. (Section 8.3 below tells you how you can request a fast-track appeal.)

The written notice is called the "**Notice of Medicare Non-Coverage**." To get a sample copy, call Member Services (phone numbers are printed on the back cover of this booklet) or **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. (TTY users should call **1-877-486-2048.**) Or see a copy online at **https://www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices.html**.

- You must sign the written notice to show that you received it.
  - You or someone who is acting on your behalf must sign the notice. (Section 4 tells you how you can give written permission to someone else to act as your representative.)
  - Signing the notice shows **only** that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with us that it's time to stop getting the care.

Section 8.3 Step-by-step: How to make a Level 1 Appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.** Each step in the first two levels of the appeals process is explained below.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section 10 in this chapter tells you how to file a complaint.)
- **Ask for help if you need it**. If you have questions or need help at any time, please call Member Services (phone numbers are printed on the back cover of this booklet). Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance (see Section 2 in this chapter).

If you ask for a Level 1 Appeal on time, the Quality Improvement Organization reviews your appeal and decides whether to change the decision made by our plan.

Step 1: **Make your Level 1 Appeal: Contact the Quality Improvement Organization for your state and ask for a review. You must act quickly.**

What is the Quality Improvement Organization?

- This organization is a group of doctors and other health care experts who are paid by the federal government. These experts are not part of our plan. They check on the quality of care received by people with Medicare and review plan decisions about when it's time to stop covering certain kinds of medical care.

How can you contact this organization?

- The written notice you received tells you how to reach this organization. (Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2, Section 4, of this booklet.)

What should you ask for?

- Ask this organization for a "fast-track appeal" (to do an independent review) of whether it is medically appropriate for us to end coverage for your medical services.

Your deadline for contacting this organization.

- You must contact the Quality Improvement Organization to start your appeal no later than noon of the day after you receive the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, see Section 8.5 in this chapter.

Step 2: **The Quality Improvement Organization conducts an independent review of your case.**

What happens during this review?

- Health professionals at the Quality Improvement Organization (we will call them "the reviewers" for short) will ask you (or your representative) why you believe coverage

for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.

- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.
- By the end of the day the reviewers inform us of your appeal, you will also get a written notice from us that explains in detail our reasons for ending our coverage for your services.

Legal Terms
This notice of explanation is called the "**Detailed Explanation of Non-Coverage**."

Step 3: **Within one full day after they have all the information they need, the reviewers will tell you their decision.**

*What happens if the reviewers say **yes** to your appeal?*

- If the reviewers say ***yes*** to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered services (see the Medical Benefits Chart found at the front of this **EOC**).

*What happens if the reviewers say **no** to your appeal?*

- If the reviewers say ***no*** to your appeal, then **your coverage will end** on the date we have told you. We will stop paying our share of the costs of this care on the date listed on the notice.
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after this date when your coverage ends, **then you will have to pay the full cost of this care yourself**.

Step 4: **If the answer to your Level 1 Appeal is *no*, you decide if you want to make another appeal.**

- This first appeal you make is "Level 1" of the appeals process. If reviewers say ***no*** to your Level 1 Appeal, and you choose to continue getting care after your coverage for the care has ended, then you can make another appeal.
- Making another appeal means you are going on to "Level 2" of the appeals process.

Section 8.4 Step-by-step: How to make a Level 2 Appeal to have our plan cover your care for a longer time

If the Quality Improvement Organization has turned down your appeal and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 Appeal. During a Level 2 Appeal, you ask the Quality Improvement Organization to take another

look at the decision they made on your first appeal. If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

Here are the steps for Level 2 of the appeals process:

Step 1: **You contact the Quality Improvement Organization again and ask for another review.**

- **You must ask for this review within 60 days** after the day when the Quality Improvement Organization said ***no*** to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: **The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: **Within 14 days of receipt of your appeal request reviewers will decide on your appeal and tell you their decision.**

*What happens if the review organization says **yes** to your appeal?*

- **We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

*What happens if the review organization says **no**?*

- It means they agree with the decision we made to your Level 1 Appeal and will not change it.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an administrative law judge or attorney adjudicator.

Step 4: **If the answer is *no*, you will need to decide whether you want to take your appeal further.**

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers turn down your Level 2 Appeal, you can choose whether to accept that decision or to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by an administrative law judge or attorney adjudicator.
- Section 9 in this chapter tells you more about Levels 3, 4, and 5 of the appeals process.

Section 8.5 What if you miss the deadline for making your Level 1 Appeal?

You can appeal to us instead

As explained above in Section 8.3, you must act quickly to contact the Quality Improvement Organization to start your first appeal (within a day or two, at the most). If you miss the deadline for contacting this organization, there is another way to make your appeal. If you use this other way of making your appeal, the first two levels of appeal are different.

Step-by-step: How to make a Level 1 Alternate Appeal

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a "fast review." A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

Here are the steps for a Level 1 Alternate Appeal:

Legal Terms
A "fast review" (or "fast appeal") is also called an "**expedited appeal**."

Step 1: Contact us and ask for a "fast review."

- For details about how to contact us, go to Chapter 2, Section 1, and look for the section called "How to contact us when you are making an appeal about your medical care or Part D prescription drugs."
- **Be sure to ask for a "fast review**." This means you are asking us to give you an answer using the "fast" deadlines rather than the "standard" deadlines.

Step 2: We do a "fast review" of the decision we made about when to end coverage for your services.

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending our plan's coverage for services you were receiving.
- We will use the "fast" deadlines rather than the standard deadlines for giving you the answer to this review.

Step 3: We give you our decision within 72 hours after you ask for a "fast review" ("fast appeal").

- **If we say *yes* to your fast appeal,** it means we have agreed with you that you need services longer, and will keep providing your covered services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)

- **If we say *no* to your fast appeal,** then your coverage will end on the date we told you and we will not pay any share of the costs after this date.
- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end, **then you will have to pay the full cost of this care yourself**.

*Step 4: If we say **no** to your fast appeal, your case will automatically go on to the next level of the appeals process.*

- To make sure we were following all the rules when we said ***no*** to your fast appeal, **we are required to send your appeal to the Independent Review Organization**. When we do this, it means that you are automatically going on to Level 2 of the appeals process.

Step-by-step: Level 2 Alternate Appeal Process

If we say ***no*** to your Level 1 Appeal, your case will automatically be sent on to the next level of the appeals process. During the Level 2 Appeal, the **Independent Review Organization** reviews the decision we made when we said ***no*** to your "fast appeal." This organization decides whether the decision we made should be changed.

Legal Terms
The formal name for the "Independent Review Organization" is the "**Independent Review Entity**." It is sometimes called the "**IRE**."

Step 1: We will automatically forward your case to the Independent Review Organization.

- We are required to send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of when we tell you that we are saying ***no*** to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. The complaint process is different from the appeals process. Section 10 in this chapter tells you how to make a complaint.)

Step 2: The Independent Review Organization does a "fast review" of your appeal. The reviewers give you an answer within 72 hours.

- The **Independent Review Organization** is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the Independent Review Organization. Medicare oversees its work.
- Reviewers at the Independent Review Organization will take a careful look at all of the information related to your appeal.
- **If this organization says *yes*** to your appeal, then we must reimburse you (pay you back) for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary.

You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.

- **If this organization says *no* to your appeal,** it means they agree with the decision our plan made to your first appeal and will not change it.
  - The notice you get from the Independent Review Organization will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal.

Step 3: If the Independent Review Organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If reviewers say ***no*** to your Level 2 Appeal, you can choose whether to accept that decision or whether to go on to Level 3 and make another appeal. At Level 3, your appeal is reviewed by an administrative law judge or attorney adjudicator.
- Section 9 in this chapter tells you more about Levels 3, 4, and 5 of the appeals process.

SECTION 9. Taking your appeal to Level 3 and beyond

Section 9.1 Levels of Appeal 3, 4, and 5 for Medical Service Appeals

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, the written response you receive to your Level 2 Appeal will explain whom to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 Appeal: A judge (called an administrative law judge) or attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the administrative law judge or attorney adjudicator says *yes* to your appeal, the appeals process may or may *not* be over.** We will decide whether to appeal this decision to Level 4. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 3 decision that is favorable to you.

- If we decide **not** to appeal the decision, we must authorize or provide you with the service **within 60 calendar days** after receiving the administrative law judge's or attorney adjudicator's decision.
- If we decide to appeal the decision, we will send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.

- **If the administrative law judge or attorney adjudicator says *no* to your appeal, the appeals process may or may *not* be over**.
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you can continue to the next level of the review process. If the administrative law judge or attorney adjudicator says ***no*** to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

Level 4 Appeal: The Medicare **Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is *yes*, or if the Council denies our request to review a favorable Level 3 Appeal decision, the appeals process may or may *not* be over.** We will decide whether to appeal this decision to Level 5. Unlike a decision at Level 2 (Independent Review Organization), we have the right to appeal a Level 4 decision that is favorable to you.
  - If we decide **not** to appeal the decision, we must authorize or provide you with the service **within 60 calendar days** after receiving the Council's decision.
  - If we decide to appeal the decision, we will let you know in writing.
- **If the answer is *no* or if the Council denies the review request, the appeals process may or may *not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Council says ***no*** to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you whom to contact and what to do next if you choose to continue with your appeal.

Level 5 Appeal: A judge at the **Federal District Court** will review your appeal.

- This is the last step of the appeals process.

Section 9.2 Levels of Appeal 3, 4, and 5 for Part D Drug Appeals

This section may be appropriate for you if you have made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the value of the drug you have appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. If the dollar amount is less, you cannot appeal any further. The written response you receive to your Level 2 Appeal will explain whom to contact and what to do to ask for a Level 3 Appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 Appeal: A judge (called an administrative law judge or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the answer is *yes*, the appeals process is over**. What you asked for in the appeal has been approved. We must authorize or provide the drug coverage that was approved by the administrative law judge or attorney adjudicator **within 72 hours** (**24 hours** for expedited appeals) or make payment no later than **30 calendar days** after we receive the decision.
- **If the answer is *no*, the appeals process may or may *not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you can continue to the next level of the review process. If the administrative law judge or attorney adjudicator says ***no*** to your appeal, the notice you get will tell you what to do next if you choose to continue with your appeal.

Level 4 Appeal: The Medicare **Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is *yes*, the appeals process is over**. What you asked for in the appeal has been approved. We must authorize or provide the drug coverage that was approved by the Council **within 72 hours** (**24 hours** for expedited appeals) or make payment no later than 30 calendar days after we receive the decision.
- **If the answer is *no*, the appeals process may or may *not* be over.**
  - If you decide to accept this decision that turns down your appeal, the appeals process is over.
  - If you do not want to accept the decision, you might be able to continue to the next level of the review process. If the Council says ***no*** to your appeal or denies your request to review the appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 Appeal. If the rules allow you to go on, the written notice will also tell you whom to contact and what to do next if you choose to continue with your appeal.

Level 5 Appeal: A judge at the **Federal District Court** will review your appeal.

- This is the last step of the appeals process.

Making complaints

SECTION 10. How to make a complaint about quality of care, waiting times, customer service, or other concerns

? If your problem is about decisions related to benefits, coverage, or payment, then this section is not for you. Instead, you need to use the process for coverage decisions and appeals. Go to Section 4 in this chapter.

Section 10.1 What kinds of problems are handled by the complaint process?

This section explains how to use the process for making complaints. The complaint process is **only** used for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service you receive. Here are examples of the kinds of problems handled by the complaint process.

If you have any of these kinds of problems, you can "make a complaint":

- **Quality of your medical care**
  - Are you unhappy with the quality of care you have received (including care in the hospital)?
- **Respecting your privacy**
  - Do you believe that someone did not respect your right to privacy or shared information about you that you feel should be confidential?
- **Disrespect, poor customer service, or other negative behaviors**
  - Has someone been rude or disrespectful to you?
  - Are you unhappy with how our Member Services has treated you?
  - Do you feel you are being encouraged to leave our plan?
- **Waiting times**
  - Are you having trouble getting an appointment, or waiting too long to get it?
  - Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by Member Services or other staff at our plan?
  - Examples include waiting too long on the phone, in the waiting room, when getting a prescription, or in the exam room.
- **Cleanliness**

- Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?

- **Information you get from our plan**
  - Do you believe we have not given you a notice that we are required to give?
  - Do you think written information we have given you is hard to understand?

Timeliness (these types of complaints are all related to the timeliness of our actions related to coverage decisions and appeals)

The process of asking for a coverage decision and making appeals is explained in Sections 4–9 of this chapter. If you are asking for a decision or making an appeal, you use that process, not the complaint process.

However, if you have already asked for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples:

- If you have asked us to give you a "fast coverage decision" or a "fast appeal," and we have said we will not, you can make a complaint.
- If you believe our plan is not meeting the deadlines for giving you a coverage decision or an answer to an appeal you have made, you can make a complaint.
- When a coverage decision we made is reviewed and our plan is told that we must cover or reimburse you for certain medical services or drugs, there are deadlines that apply. If you think we are not meeting these deadlines, you can make a complaint.
- When we do not give you a decision on time, we are required to forward your case to the Independent Review Organization. If we do not do that within the required deadline, you can make a complaint.

Section 10.2 The formal name for "making a complaint" is "filing a grievance"

Legal Terms

- What this section calls a "complaint" is also called a "grievance."
- Another term for "making a complaint" is "filing a grievance."
- Another way to say "using the process for complaints" is "using the process for filing a grievance."

Section 10.3 Step-by-step: Making a complaint

Step 1: **Contact us promptly—either by phone or in writing.**

- **Usually calling Member Services is the first step.** If there is anything else you need to do, Member Services will let you know. Call toll-free **1-800-476-2167 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m.

- **If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to you in writing. We will also respond in writing when you make a complaint by phone if you request a written response or your complaint is related to quality of care.
- **If you have a complaint, we will try to resolve your complaint over the phone**. If we cannot resolve your complaint over the phone, we have a formal procedure to review your complaints. Your grievance must explain your concern, such as why you are dissatisfied with the services you received. Please see Chapter 2 for whom you should contact if you have a complaint.
  - You must submit your grievance to us (orally or in writing) within 60 calendar days of the event or incident. We must address your grievance as quickly as your health requires, but no later than 30 calendar days after receiving your complaint.
    We may extend the time frame to make our decision by up to 14 calendar days if you ask for an extension, or if we justify a need for additional information and the delay is in your best interest.
  - You can file a fast grievance about our decision not to expedite a coverage decision or appeal, or if we extend the time we need to make a decision about a coverage decision or appeal. We must respond to your fast grievance within 24 hours.
- **Whether you call or write, you should contact Member Services right away.**
  The complaint must be made within 60 calendar days after you had the problem you want to complain about.
- **If you are making a complaint because we denied your request for a "fast coverage decision"**
  or a "fast appeal," we will automatically give you a "fast complaint."
  If you have a "fast complaint," it means we will give you an answer **within 24 hours**.

Legal Terms
What this section calls a "**fast complaint**" is also called an "**expedited grievance**."

Step 2: **We look into your complaint and give you our answer.**

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.
- **Most complaints are answered in 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will let you know. Our response will include our reasons for this answer. We must respond whether we agree with the complaint or not.

Section 10.4 You can also make complaints about quality of care to the Quality Improvement Organization

You can make your complaint about the quality of care you received to us by using the step-by-step process outlined above.

When your complaint is about quality of care, you also have two extra options:

- **You can make your complaint to the Quality Improvement Organization**. If you prefer, you can make your complaint about the quality of care you received directly to this organization (without making the complaint to us).
  - The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.
  - To find the name, address, and phone number of the Quality Improvement Organization for your state, look in Chapter 2, Section 4, of this booklet. If you make a complaint to this organization, we will work with them to resolve your complaint.
- **Or you can make your complaint to both at the same time**. If you wish, you can make your complaint about quality of care to us and also to the Quality Improvement Organization.

Section 10.5 You can also tell Medicare about your complaint

You can submit a complaint about our plan directly to Medicare. To submit a complaint to Medicare, go to **https://www.medicare.gov/MedicareComplaintForm/home.aspx.** Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

If you have any other feedback or concerns, or if you feel the plan is not addressing your issue, please call **1-800-MEDICARE (1-800-633-4227)**. TTY/TDD users can call **1-877-486-2048**.

CHAPTER 10. Ending your membership in our plan

SECTION 1. Introduction

Section 1.1 This chapter focuses on ending your membership in our plan

Ending your membership in our plan may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- **You might leave our plan because you have decided that you want to leave.**
  - There are only certain times during the year, or certain situations, when you may voluntarily end your membership in our plan. Section 2 tells you when you can end your membership in our plan.
  - The process for voluntarily ending your membership varies depending upon what type of new coverage you are choosing. Section 3 tells you how to end your membership in each situation.
- There are also limited situations where you do not choose to leave, but we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, you must continue to get your medical care through our plan until your membership ends.

SECTION 2. When can you end your membership in our plan?

You may end your membership in our plan only during certain times of the year, known as enrollment periods. All members have the opportunity to leave our plan during your group's open enrollment period. In certain situations, you may also be eligible to leave our plan at other times of the year. Before you request disenrollment, please check with your group to determine if you are able to continue your group membership.

If you request disenrollment during your group's open enrollment, your disenrollment effective date is determined by the date your written request is received by us and the date your group coverage ends. The effective date will not be earlier than the first day of the following month after we receive your written request, and no later than three months after we receive your request.

If you request disenrollment at a time other than your group's open enrollment, your disenrollment effective date will be the first day of the month following our receipt of your disenrollment request.

Section 2.1 Where can you get more information about when you can end your group membership?

If you have any questions or would like more information about when you can end your group membership:

- Contact your group's benefits administrator.
- You can **call Member Services** (phone numbers are printed on the back cover of this booklet).
- You can find the information in the **Medicare & You 2020** handbook.
  - Everyone with Medicare receives a copy of **Medicare & You** each fall. Those new to Medicare receive it within a month after first signing up.
  - You can also download a copy from the Medicare website (**https://www.medicare.gov**). Or you can order a printed copy by calling Medicare at the number below.

You can contact **Medicare** at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

SECTION 3. How do you end your membership in our plan?

Section 3.1 There are several ways to end your Senior Advantage membership

You may request disenrollment by:

- Requesting disenrollment with your group's benefits administrator. You should always consult them before taking any action because it can affect your eligibility for group benefits.
- Calling toll-free **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048,** or
- Sending written notice to the following address:

  Kaiser Foundation Health Plan, Inc.
  California Service Center
  P.O. Box 232407
  San Diego, CA 92193-2400

SECTION 4. Until your membership ends, you must keep getting your medical services and drugs through our plan

Section 4.1 Until your membership ends, you are still a member of our plan

If you leave our plan, it may take time before your membership ends and your new Medicare coverage goes into effect. (See Section 2 for information about when your new coverage begins.) During this time, you must continue to get your medical care and prescription drugs through our plan.

- **You should continue to use our network pharmacies to get your prescriptions filled until your membership in our plan ends.** Usually, your prescription drugs are only covered if they are filled at a network pharmacy, including through our mail-order pharmacy services.
- If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our plan until you are discharged (even if you are discharged after your new health coverage begins).

SECTION 5. We must end your membership in our plan in certain situations

Section 5.1 When must we end your membership in our plan?

We must end your membership in our plan if any of the following happen:

- If you no longer have Medicare Part A and/or Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months.
  - If you move or take a long trip, you need to call Member Services to find out if the place you are moving or traveling to is in our plan's area. Phone numbers for Member Services are printed on the back cover of this booklet.
- If you become incarcerated (go to prison).
- If you are not a United States citizen or lawfully present in the United States.
- If you lie about or withhold information about other insurance you have that provides prescription drug coverage.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. We cannot make you leave our plan for this reason unless we get permission from Medicare first.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. We cannot make you leave our plan for this reason unless we get permission from Medicare first.

- If you let someone else use your membership card to get medical care. We cannot make you leave our plan for this reason unless we get permission from Medicare first.
  - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.
- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan and you will lose prescription drug coverage.

Where can you get more information?

If you have questions or would like more information about when we can end your membership:

- You can call Member Services for more information (phone numbers are printed on the back cover of this booklet).

Section 5.2 We cannot ask you to leave our plan for any reason related to your health

We are not allowed to ask you to leave our plan for any reason related to your health.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, you should call Medicare at **1-800-MEDICARE** (**1-800-633-4227**). TTY users should call **1-877-486-2048**. You may call 24 hours a day, 7 days a week.

Section 5.3 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership. You can look in Chapter 9, Section 10, for information about how to make a complaint.

Section 5.4 What happens if you are no longer eligible for group coverage?

After your group notifies us to terminate your group membership, we will send a termination letter to the subscriber's address of record. The letter will include information about options that may be available to you to remain a Health Plan member.

- If you are no longer eligible for group membership, you can request enrollment in our Senior Advantage Individual Plan if you still meet the eligibility requirements for Senior Advantage. The premiums and coverage under our individual plan will differ from those under this **Evidence of Coverage** and will include Medicare Part D prescription drug coverage.
- You may not be eligible to enroll in our Senior Advantage individual plan if your membership ends for the reasons stated under Section 5.1. For more information or

information about other individual plans, call Member Services. Phone numbers are printed on the back cover of this booklet.

CHAPTER 11. Legal notices

SECTION 1. Notice about governing law

Many laws apply to this **Evidence of Coverage** and some additional provisions may apply because they are required by law. This may affect your rights and responsibilities even if the laws are not included or explained in this document. The principal law that applies to this document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in.

SECTION 2. Notice about nondiscrimination

Our plan must obey laws that protect you from discrimination or unfair treatment. We don't discriminate based on race, ethnicity, national origin, color, religion, sex, gender, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** at **1-800-368-1019** (TTY **1-800-537-7697**) or your local Office for Civil Rights.

If you have a disability and need help with access to care, please call Member Services (phone numbers are printed on the back cover of this booklet). If you have a complaint, such as a problem with wheelchair access, Member Services can help.

SECTION 3. Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Kaiser Permanente Senior Advantage, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

SECTION 4 Administration of this Evidence of Coverage

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of this **Evidence of Coverage**.

SECTION 5. Amendment of this Agreement

Your group's Agreement with us will change periodically. If these changes affect this **Evidence of Coverage**, your group is required to inform you in accord with applicable law and your group's Agreement.

SECTION 6. Applications and statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this **Evidence of Coverage**.

SECTION 7. Assignment

You may not assign this **Evidence of Coverage** or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

SECTION 8. Attorney and advocate fees and expenses

In any dispute between a member and Health Plan, the Medical Group, or Kaiser Foundation Hospitals, each party will bear its own fees and expenses, including attorneys' fees, advocates' fees, and other expenses except as otherwise required by law.

SECTION 9. Coordination of benefits

As described in Chapter 1 (Section 10) "How other insurance works with our plan," if you have other insurance, you are required to use your other coverage in combination with your coverage as a Senior Advantage member to pay for the care you receive. This is called "coordination of benefits" because it involves coordinating all of the health benefits that are available to you. You will get your covered care as usual from network providers, and the other coverage you have will simply help pay for the care you receive.

If your other coverage is the primary payer, it will often settle its share of payment directly with us, and you will not have to be involved. However, if payment owed to us by a primary payer is sent directly to you, you are required by Medicare law to give this primary payment to us. For

more information about primary payments in third party liability situations, see Section 18, and for primary payments in workers' compensation cases, see Section 20.

You must tell us if you have other health care coverage, and let us know whenever there are any changes in your additional coverage.

SECTION 10. Employer responsibility

For any services that the law requires an employer to provide, we will not pay the employer, and when we cover any such services, we may recover the value of the services from the employer.

SECTION 11. Evidence of Coverage binding on members

By electing coverage or accepting benefits under this **Evidence of Coverage**, all members legally capable of contracting, and the legal representatives of all members incapable of contracting, agree to all provisions of this **Evidence of Coverage**.

SECTION 12. Government agency responsibility

For any services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such services we may recover the value of the services from the government agency.

SECTION 13. Member nonliability

Our contracts with network providers provide that you are not liable for any amounts we owe. However, you are liable for the cost of noncovered services you obtain from network providers or out-of-network providers.

SECTION 14. No waiver

Our failure to enforce any provision of this **Evidence of Coverage** will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

SECTION 15. Notices

Our notices to you will be sent to the most recent address we have. You are responsible for notifying us of any change in your address. If you move, please call Member Services (phone numbers are printed on the back of this booklet) and Social Security at **1-800-772-1213 (TTY 1-800-325-0778)** as soon as possible to report your address change.

Note: When we tell your group about changes to this **Evidence of Coverage** or provide your group other information that affects you, your group is required to notify the subscriber within 30 calendar days (or five days if we terminate your group's Agreement) after receiving the information from us.

SECTION 16. Overpayment recovery

We may recover any overpayment we make for services from anyone who receives such an overpayment or from any person or organization obligated to pay for the services.

SECTION 17. Surrogacy

In situations where a member receives monetary compensation to act as a surrogate, our plan will seek reimbursement of all Plan Charges for covered services the member receives that are associated with conception, pregnancy and/or delivery of the child. A surrogate arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

SECTION 18. Third party liability

As stated in Chapter 1, Section 10, third parties who cause you injury or illness (and/or their insurance companies) usually must pay first before Medicare or our plan. Therefore, we are entitled to pursue these primary payments. If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered services, you must ensure we receive reimbursement for those services. Note: This Section 18 does not affect your obligation to pay cost-sharing for these services.

To the extent permitted or required by law, we shall be subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien and reimbursement rights to the proceeds of any judgment or settlement you or we obtain against a third party that results in any settlement proceeds or judgment, from other types of coverage that include but are not limited to: liability, uninsured motorist, underinsured motorist, personal umbrella, worker's compensation, personal injury, medical payments and all other first party types. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether you are made whole and regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred. We are not required to pay attorney fees or costs to any attorney hired by you to pursue your damages claim.

Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

Patient Business Services

Kaiser Foundation Health Plan of Colorado
2500 South Havana Street
Aurora, CO 80014-1622

Please contact our Patient Business Services Department at **303-743-5900,** or TTY users may call **711**.

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

SECTION 19. U.S. Department of Veterans Affairs

For any services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such services we may recover the value of the services from the Department of Veterans Affairs.

SECTION 20. Workers' compensation or employer's liability benefits

As stated in Chapter 1, Section 10, workers' compensation usually must pay first before Medicare or our plan. Therefore, we are entitled to pursue primary payments under workers' compensation or employer's liability law. You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due.

From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law.

CHAPTER 12. Definitions of important words

Allowance – A specified credit amount that you can use toward the cost of an item. If the cost of the item(s) you select exceeds the allowance, you will pay the amount in excess of the allowance, which does not apply to the annual out-of-pocket maximum.

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving. For example, you may ask for an appeal if we don't pay for a drug, item, or service you think you should be able to receive. Chapter 9 explains appeals, including the process involved in making an appeal.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost-sharing amount. As a member of our plan, you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to "balance bill" or otherwise charge you more than the amount of cost-sharing your plan says you must pay.

Benefit Period – The way that both our plan and Original Medicare measure your use of skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

Brand-Name Drug – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand-name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand-name drug has expired.

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit when you pay a low copayment or coinsurance for your drugs after you or other qualified parties on your behalf have spent **$6,350** in covered drugs during the covered year.

Centers for Medicare & Medicaid Services (CMS) – The federal agency that administers Medicare. Chapter 2 explains how to contact CMS.

Coinsurance – An amount you may be required to pay as your share of the cost for services or prescription drugs after you pay any deductibles, if applicable. Coinsurance is usually a percentage (for example, 20%) of Plan Charges.

Complaint – The formal name for "making a complaint" is "filing a grievance." The complaint process is used for certain types of problems only. This includes problems related to quality of

care, waiting times, and the customer service you receive. See also "Grievance," in this list of definitions.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, and provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Coordination of Benefits (COB) – Coordination of Benefits is a provision used to establish the order in which claims are paid when you have other insurance. If you have Medicare and other health insurance or coverage, each type of coverage is called a "payer." When there is more than one payer, there are "coordination of benefits" rules that decide which one pays first. The "primary payer" pays what it owes on your bills first, and then sends the rest to the "secondary payer" to pay. If payment owed to us is sent directly to you, you are required under Medicare law to give the payment to us. In some cases, there may also be a third payer. See Chapter 1 (Section 10) and Chapter 11 (Section 9) for more information.

Copayment (or "copay") – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount, rather than a percentage. For example, you might pay $10 or $20 for a doctor's visit or prescription drug.

Cost-Sharing – Cost-sharing refers to amounts that a member has to pay when services or drugs are received. (This is in addition to our plan's monthly premium.) Cost-sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed "copayment" amount that a plan requires when a specific service or drug is received; or (3) any "coinsurance" amount, a percentage of the total amount paid for a service or drug that a plan requires when a specific service or drug is received. A "daily cost-sharing rate" may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. Note: In some cases, you may not pay all applicable cost-sharing at the time you receive the services, and we will send you a bill later for the cost-sharing. For example, if you receive nonpreventive care during a scheduled preventive care visit, we may bill you later for the cost-sharing applicable to the nonpreventive care. For items ordered in advance, you may pay the cost-sharing in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the copayment when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription.

Cost-Sharing Tier – Every drug on the list of covered drugs is in one of six cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage Determination – A decision about whether a drug prescribed for you is covered by our plan and the amount, if any, you are required to pay for the prescription. In general, if you take your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under your plan, that isn't a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage. Coverage determinations are called "coverage decisions" in this booklet. Chapter 9 explains how to ask us for a coverage decision.

Covered Drugs – The term we use to mean all of the prescription drugs covered by our plan.

Covered Services – The general term we use to mean all of the health care services and items that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care is personal care that can be provided by people who don't have professional skills or training, such as help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Daily Cost-Sharing Rate – A "daily cost-sharing rate" may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is $30, and a one-month's supply in your plan is 30 days, then your "daily cost-sharing rate" is $1 per day. This means you pay $1 for each day's supply when you fill your prescription.

Deductible – The amount you must pay for health care or prescriptions before our plan begins to pay.

Dependent–A member who meets the eligibility requirements as a dependent (for dependent eligibility requirements, see Chapter 1, Section 2).

Disenroll or **Disenrollment** – The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription. The dispensing fee covers costs such as the pharmacist's time to prepare and package the prescription.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech-generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are (1) rendered by a provider qualified to furnish emergency services; and (2) needed to treat, evaluate, or stabilize an emergency medical condition.

Emergency Medical Condition – Either: (1) a medical or psychiatric condition that manifests itself by acute symptoms of sufficient severity (including severe pain) such that you could reasonably expect the absence of immediate medical attention to result in serious jeopardy to your health or body functions or organs, or (2) active labor when there isn't enough time for safe transfer to a plan hospital (or designated hospital) before delivery or if transfer poses a threat to your (or your unborn child's) health and safety.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage determination that, if approved, allows you to get a drug that is not on your plan sponsor's formulary (a formulary exception), or get a nonpreferred drug at a lower cost-sharing level (a tiering exception). You may also request an exception if we limit the quantity or dosage of the drug you are requesting (a formulary exception).

Excluded Drug – A drug that is not a "covered Part D drug," as defined under 42 U.S.C. Section 1395w-102(e).

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Family – A subscriber and all of his or her dependents.

Formulary – A list of Medicare Part D drugs covered by our plan.

Generic Drug – A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand-name drug. Generally, a "generic" drug works the same as a brand-name drug and usually costs less.

Grievance – A type of complaint you make about us, including a complaint concerning the quality of your care. This type of complaint does not involve coverage or payment disputes.

Group – The entity with which we have entered into the *Agreement* that includes this **Evidence of Coverage**.

Home Health Aide – A home health aide provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (for example, bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

Home Health Care – Skilled nursing care and certain other health care services that you get in your home for the treatment of an illness or injury. Covered services are listed in the Medical Benefits Chart found at the front of this **EOC**. We cover home health care in accord with Medicare guidelines. Home health care can include services from a **home health aide** if the services are part of the home health plan of care for your illness or injury. They aren't covered unless you are also getting a covered skilled service. Home health services do not include the services of housekeepers, food service arrangements, or full-time nursing care at home.

Hospice – A member who has six months or less to live has the right to elect hospice. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums, you are still a member of our plan. You can still obtain all medically

necessary services as well as the supplemental benefits we offer. The hospice will provide special treatment for your state.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an "outpatient."

Income Related Monthly Adjustment Amount (IRMAA) – If your modified adjusted gross income as reported on your IRS tax return from two years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5 % of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Limit – The maximum limit of coverage under the Initial Coverage Stage.

Initial Coverage Stage – This is the stage after you have met your deductible, if applicable, and before your total drug costs, including amounts you have paid and what your plan has paid on your behalf, for the year have reached **$4,020**.

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. For example, if you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the seven month period that begins three months before the month you turn 65, includes the month you turn 65, and ends three months after the month you turn 65.

Inpatient Hospital Care – Health care that you get during an inpatient stay in an acute care general hospital.

Kaiser Foundation Health Plan of Colorado (Health Plan) – Kaiser Foundation Health Plan of Colorado is a Colorado nonprofit corporation and a Medicare Advantage organization. This **Evidence of Coverage** sometimes refers to Health Plan as "we" or "us."

Kaiser Permanente – Kaiser Foundation Health Plan of Colorado and the Medical Group.

Kaiser Permanente 2020 Comprehensive Formulary (Formulary or "Drug List") – A list of prescription drugs covered by our plan. The drugs on this list are selected by us with the help of doctors and pharmacists. The list includes both brand-name and generic drugs.

Kaiser Permanente Region – A Kaiser Foundation Health Plan organization that conducts a direct-service health care program. When you are outside our service area, you can get medically necessary health care and ongoing care for chronic conditions from designated providers in another Kaiser Permanente region's service area. For more information, please refer to Chapter 3, Section 2.2.

Long-Term Care Hospital – A Medicare-certified acute-care hospital that typically provide Medicare covered services such as comprehensive rehabilitation, respiratory therapy, head trauma treatment, and pain management. They are not long-term care facilities such as convalescent or assisted living facilities.

Low Income Subsidy (LIS) – See "Extra Help."

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for in-network covered Part A and Part B services. Amounts you pay for any contributions

toward your group's monthly premium, your Medicare Part A and Part B premiums, and Part D prescription drugs do not count toward the maximum out-of-pocket amount. See Chapter 4, Section 1.2, for information about your maximum out-of-pocket amount.

Medicaid (or Medical Assistance) – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources. Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid. See Chapter 2, Section 6, for information about how to contact Medicaid in your state.

Medical Care or Services – Health care services or items. Some examples of health care items include durable medical equipment, eyeglasses, and drugs covered by Medicare Part A or Part B, but not drugs covered under Medicare Part D.

Medical Group – It is the network of plan providers that our plan contracts with to provide covered services to you. The name of our medical group is Colorado Permanente Medical Group, P.C., a for-profit professional corporation.

Medically Accepted Indication – A use of a drug that is either approved by the Food and Drug Administration or supported by certain reference books. See Chapter 5, Section 3, for more information about a medically accepted indication.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare, PACE plan, or a Medicare Advantage Plan.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an HMO, a PPO, a Private Fee-for-Service (PFFS) plan, or a Medicare Medical Savings Account (MSA) plan. When you are enrolled in a Medicare Advantage Plan, Medicare services are covered through the plan and are not paid for under Original Medicare. In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. Everyone who has Medicare Part A and Part B is eligible to join any Medicare health plan that is offered in their area, except people with End-Stage Renal Disease (unless certain exceptions apply).

Medicare Coverage Gap Discount Program – A program that provides discounts on most covered Part D brand-name drugs to Part D members who have reached the Coverage Gap Stage and who are not already receiving "Extra Help." Discounts are based on agreements between the federal government and certain drug manufacturers. For this reason, most, but not all, brand-name drugs are discounted.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and B.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Demonstration/Pilot Programs, and Programs of All-Inclusive Care for the Elderly (PACE).

Medicare Prescription Drug Coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

"Medigap" (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill "gaps" in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or "Plan Member") – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Member Services and **Customer Experience** – Departments within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. See Chapter 2 for information about how to contact Member Services and Customer Experience.

Network Pharmacy – A network pharmacy is a pharmacy where members of our plan can get their prescription drug benefits. We call them "network pharmacies" because they contract with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network Physician – Any licensed physician who is a partner or employee of the Medical Group, or any licensed physician who contracts to provide services to our members (but not including physicians who contract only to provide referral services).

Network Provider – "Provider" is the general term we use for doctors, other health care professionals, (including but not limited to, physician assistants, nurse practitioners, and nurses), hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. We call them "**network providers**" when they have an agreement with our plan to accept our payment as payment in full, and in some cases, to coordinate as well as provide covered services to members of our plan. We play network providers based on the agreements it has with the providers or if the providers agree to provide you with plan-covered services. Network providers may also be referred to as "plan providers."

Organization Determination – The Medicare Advantage plan has made an organization determination when it makes a decision about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called "coverage decisions" in this booklet. Chapter 9 explains how to ask us for a coverage decision.

Original Medicare ("Traditional Medicare" or "Fee-for-Service" Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your

share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Pharmacy – A pharmacy that doesn't have a contract with our plan to coordinate or provide covered drugs to members of our plan. As explained in this **Evidence of Coverage**, *most drugs you get from out-of-network pharmacies are not covered b*y our plan unless certain conditions apply (see Chapter 5, Section 2.5, for more information).

Out-of-Network Provider or Out-of-Network Facility – A provider or facility with which we have not arranged to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan or are not under contract to deliver covered services to you. Using out-of-network providers or facilities is explained in this booklet in Chapter 3.

Out-of-Pocket Costs – See the definition for "Cost-Sharing" above. A member's cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member's "out-of-pocket" cost requirement.

PACE Plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term care (LTC) services for frail people to help people stay independent and living in their community (instead of moving to a nursing home) for as long as possible, while getting the high-quality care they need. People enrolled in PACE plans receive both their Medicare and Medicaid benefits through the plan.

Part C – See **"Medicare Advantage (MA) Plan."**

Part D – The voluntary Medicare Prescription Drug Benefit Program. (For ease of reference, we will refer to the prescription drug benefit program as Part D.)

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. (See your formulary for a specific list of covered drugs.) Certain categories of drugs were specifically excluded by Congress from being covered as Part D drugs.

Part D Late Enrollment Penalty – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more. You pay this higher amount as long as you have a Medicare drug plan. There are some exceptions. For example, if you receive "Extra Help" from Medicare to pay your prescription drug plan costs, you will not pay a late enrollment penalty.

Plan – Kaiser Permanente Senior Advantage.

Plan Charges – Plan Charges means the following:

- For services provided by the Medical Group or Kaiser Foundation Hospitals, the charges in Health Plan's schedule of Medical Group and Kaiser Foundation Hospitals charges for services provided to members.
- For services for which a provider (other than the Medical Group or Kaiser Foundation Hospitals) is compensated on a capitation basis, the charges in the schedule of charges that Kaiser Permanente negotiates with the capitated provider.

- For items obtained at a pharmacy owned and operated by Kaiser Permanente, the amount the pharmacy would charge a member for the item if a member's benefit plan did not cover the item (this amount is an estimate of: the cost of acquiring, storing, and dispensing drugs; the direct and indirect costs of providing Kaiser Permanente pharmacy services to members; and the pharmacy program's contribution to the net revenue requirements of Health Plan).
- For all other services, the payments that Kaiser Permanente makes for the services or, if Kaiser Permanente subtracts cost-sharing from its payment, the amount Kaiser Permanente would have paid if it did not subtract cost-sharing.

Post-Stabilization Care – Medically necessary services related to your emergency medical condition that you receive after your treating physician determines that this condition is clinically stable. You are considered clinically stable when your treating physician believes, within a reasonable medical probability and in accordance with recognized medical standards, that you are safe for discharge or transfer and that your condition is not expected to get materially worse during or as a result of the discharge or transfer.

Preferred Cost-Sharing – Preferred cost-sharing means lower cost-sharing for certain covered Part D drugs at certain network pharmacies.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost-sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (nonpreferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health care or prescription drug coverage.

Primary Care Provider (PCP) – Your primary care provider is the doctor or other provider you see first for most health problems. He or she makes sure you get the care you need to keep you healthy. He or she also may talk with other doctors and health care providers about your care and refer you to them. In many Medicare health plans, you must see your primary care provider before you see any other health care provider. See Chapter 3, Section 2.1, for information about primary care providers.

Prior Authorization – Approval in advance to get services or certain drugs that may or may not be on our formulary. Some in-network medical services are covered only if your doctor or other network provider gets "prior authorization" from our plan. Covered services that need prior authorization are marked in the Medical Benefits Chart found at the front of this **EOC** and described in Chapter 3, Section 2.3. Some drugs are covered only if your doctor or other network provider gets "prior authorization" from us. Covered drugs that need prior authorization are marked in the formulary.

Prosthetics and Orthotics – These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back, and neck braces; artificial

limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. See Chapter 2, Section 4, for information about how to contact the QIO for your state.

Quantity Limits – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy.

Service Area – A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it's also generally the area where you can get routine (nonemergency) services. Our plan may disenroll you if you permanently move out of our plan's service area.

Services – Health care services or items.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Specialty-Tier Drugs – Very high-cost drugs approved by the FDA that are on our formulary.

Spouse – Your legal husband or wife.

Standard Cost-Sharing – Standard cost-sharing is cost-sharing other than preferred cost-sharing offered at a network pharmacy.

Subscriber – A member who is eligible for membership on his or her own behalf and not by virtue of dependent status (for subscriber eligibility requirements, see Chapter 1, Section 2).

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgently Needed Services – Urgently needed services are provided to treat a nonemergency, unforeseen medical illness, injury, or condition that requires immediate medical care. Urgently needed services may be furnished by network providers or by out-of-network providers when network providers are temporarily unavailable or inaccessible.

PRA Disclosure Statement *According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1051. Notice of nondiscrimination

Kaiser Permanente complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Kaiser Permanente does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. We also:

- Provide no cost aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters.
  - Written information in other formats, such as large print, audio, and accessible electronic formats.
- Provide no cost language services to people whose primary language is not English, such as:
  - Qualified interpreters.
  - Information written in other languages.

If you need these services, call Member Services at **1-800-476-2167** (TTY **711**), 8 a.m. to 8 p.m., seven days a week.

If you believe that Kaiser Permanente does has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with our Civil Rights Coordinator by writing to 2500 South Havana, Aurora, CO 80014 or calling Member Services at the number listed above. You can file a grievance by mail or phone. If you need help filing a grievance, our Civil Rights Coordinator is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at **https://ocrportal.hhs.gov/ocr/portal/lobby.jsf**, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, **1-800-368-1019, 800-537-7697 (TDD)**. Complaint forms are available at **http://www.hhs.gov/ocr/office/file/index.html**.

ADDITIONAL PROVISIONS

Please refer to the Summary Chart in this booklet for specific charges and other limitations that may apply to the coverage(s) described below.

DOMESTIC PARTNER COVERAGE

Your Group coverage includes health benefits for both same- and opposite-sex domestic partners. To be covered they must meet:

(1) the eligibility requirements as described in the "Eligibility" section of this EOC; and
(2) the conditions for domestic partnership as described in the Affidavit of Domestic Partnership.

You are required to complete and submit an Affidavit of Domestic Partnership to Health Plan. Please check with your Group's benefit administrator for details.

This rider amends the EOC to provide coverage for same- and opposite-sex domestic partners. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

DMPA0AA (01-18)

SURVIVING DEPENDENTS

Your Group coverage includes health benefit coverage for surviving Dependents.

Surviving Spouse and eligible Dependent children may continue coverage in the Group, if they wish.

SRDC0AK (01-08)
WOR0AA

ELIGIBILITY AND ENROLLMENT

(Does not apply to Kaiser Permanente Senior Advantage HMO Plan)

The following paragraph of your EOC is amended, as follows:

I. Eligibility

A. Who Is Eligible

1. General

To be eligible to enroll and to remain enrolled in this health benefit plan, you must meet the following requirements:

a. You must meet your Group's eligibility requirements that we have approved. Your Group is required to inform Subscribers of the Group's eligibility requirements; and

b. You must also meet the Subscriber or Dependent eligibility requirements as described below; and

c. The Subscriber must live, reside, or work in our Service Area. Our Service Area is described in the "Definitions" section.

This rider amends the general eligibility provision of the EOC. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

WOR0AA (01-20)

CHIROPRACTIC CARE

1. Coverage

Chiropractic Services are covered as shown on the "Schedule of Benefits (Who Pays What)" when provided by contracted providers. Coverage includes:

a. Evaluation;
b. Manual and manipulative therapy of the spinal and extraspinal regions.

You may self-refer for visits to contracted providers.

Note: The following are covered, but not under this section: X-ray and laboratory tests, see "X-ray, Laboratory, and X-ray Special Procedures".

2. Exclusions
   a. Hypnotherapy.
   b. Behavior training.
   c. Sleep therapy.
   d. Weight loss programs.
   e. Services related to the treatment of the musculoskeletal system, except for the spinal and extraspinal regions.
   f. Vocational rehabilitation Services.
   g. Thermography.
   h. Air conditioners, air purifiers, therapeutic mattresses, supplies, or any other similar devices and appliances.
   i. Transportation costs. This includes local ambulance charges.
   j. Prescription drugs, vitamins, minerals, food supplements, or other similar products.
   k. Educational programs.
   l. Non-medical self-care or self-help training.
   m. All diagnostic testing related to these excluded Services.
   n. MRI and/or other types of diagnostic radiology.
   o. Physical or massage therapy that is not a part of the manual and manipulative therapy.
   p. Durable medical equipment (DME) and/or supplies for use in the home.

This rider amends the EOC to provide coverage for Chiropractic Care. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

CHIR0AA (01-18) DMES0AB

DURABLE MEDICAL EQUIPMENT (DME) AND PROSTHETIC AND ORTHOTIC DEVICES

When prescribed by a Plan Physician and obtained from sources designated by Health Plan on either a purchase or rental basis, as determined by Health Plan, DME, prosthetics and orthotics, including replacements other than those necessitated by misuse, theft, or loss, are provided as shown on the "Schedule of Benefits (Who Pays What)" for your use during the period prescribed. Necessary fittings, repairs and adjustments, other than those necessitated by misuse, are covered. Health Plan may repair or replace a device at its option. Repair or replacement of defective equipment is covered at no additional charge.

Health Plan uses Local Coverage Determinations (LCD) and National Coverage Determinations (NCD) (hereinafter referred to as Medicare Guidelines) for our DME, prosthetic, and orthotic formulary guidelines. These are guidelines only. Health Plan reserves the right to exclude items listed in the Medicare Guidelines (does not apply to Kaiser Permanente Senior Advantage plans). Please note that this EOC may contain some, but not all, of these exclusions.

Limitations: Coverage is limited to a standard item of DME, prosthetic device, or orthotic device that adequately meets your medical needs.

1. Durable Medical Equipment (DME)
   a. Coverage
      i. DME is equipment that is appropriate for use in the home, able to withstand repeated use, Medically Necessary, not of use to a person in the absence of illness or injury, and approved for coverage under Medicare. It includes, but is not limited to, infant apnea monitors, insulin pumps and insulin pump supplies, and oxygen and oxygen dispensing equipment.
      ii. Insulin pumps and insulin pump supplies are provided when clinical guidelines are met and when obtained from sources designated by Health Plan.

iii. When use is no longer prescribed by a Plan Physician, DME must be returned to Health Plan or its designee. If the equipment is not returned, you must pay Health Plan or its designee the fair market price, established by Health Plan, for the equipment.

b. Limitation: Coverage is limited to the lesser of the purchase or rental price, as determined by Health Plan.

c. Durable Medical Equipment Exclusions
   i. Electronic monitors of bodily functions, except infant apnea monitors are covered.
   ii. Devices to perform medical testing of body fluids, excretions or substances, except nitrate urine test strips for home use for pediatric patients are covered.
   iii. Non-medical items such as sauna baths or elevators.
   iv. Exercise or hygiene equipment.
   v. Comfort, convenience, or luxury equipment or features.
   vi. Disposable supplies for home use such as bandages, gauze*, tape, antiseptics, dressings, and ace-type bandages.
   *Gauze not excluded in Kaiser Permanente Senior Advantage Part D plans.
   vii. Replacement of lost or stolen equipment.
   viii. Repairs, adjustments, or replacements necessitated by misuse.
   ix. More than one piece of DME serving essentially the same function, except for replacements.
   x. Spare equipment or alternate use equipment is not covered.

2. Prosthetic Devices
   a. Coverage
   Prosthetic devices are those rigid or semi-rigid external devices that are required to replace all or part of a body organ or extremity. Coverage of prosthetic devices includes:
      i. Internally implanted devices for functional purposes, such as pacemakers and hip joints.
      ii. Prosthetic devices for Members who have had a mastectomy. Medical Group or Health Plan will designate the source from which external prostheses can be obtained. Replacement will be made when a prosthesis is no longer functional. Custom-made prostheses will be provided when necessary.
      iii. Prosthetic devices, such as obturators and speech and feeding appliances, required for the treatment of cleft lip and cleft palate are covered when prescribed by a Plan Physician and obtained from sources designated by Health Plan.
      iv. Prosthetic devices intended to replace, in whole or in part, an arm or leg when prescribed by a Plan Physician, as Medically Necessary and when obtained from sources designated by Health Plan.

   b. Prosthetic Devices Exclusions
      i. Dental prostheses, except for Medically Necessary prosthodontic treatment for treatment of cleft lip and cleft palate, as described above.
      ii. Internally implanted devices, equipment, and prosthetics related to treatment of sexual dysfunction.
      iii. More than one prosthetic device for the same part of the body, except for replacements.
      iv. Spare devices or alternate use devices.
      v. Replacement of lost or stolen prosthetic devices.
      vi. Repairs, adjustments, or replacements necessitated by misuse.

3. Orthotic Devices
   a. Coverage
   Orthotic devices are those rigid or semi-rigid external devices that are required to support or correct a defective form or function of an inoperative or malfunctioning body part or to restrict motion in a diseased or injured part of the body.

   b. Orthotic Devices Exclusions
      i. Corrective shoes and orthotic devices for podiatric use and arch supports, except for diabetic shoes in accordance with clinical guidelines and therapeutic shoes for patients with a diagnosis of peripheral vascular disease or peripheral neuropathy.
      ii. Dental devices and appliances except that Medically Necessary treatment of cleft lip or cleft palate is covered when prescribed by a Plan Physician, unless you are covered for these Services under a dental insurance policy or contract.
      iii. Experimental and research braces.
      iv. More than one orthotic device for the same part of the body, except for covered replacements.
      v. Spare devices or alternate use devices.
      vi. Replacement of lost or stolen orthotic devices.
      vii. Repairs, adjustments, or replacements necessitated by misuse.

This rider amends the EOC to provide coverage for Durable Medical Equipment (DME) and prosthetic and orthotic devices. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

OPT0AB

OPTICAL BENEFIT

1. Coverage

   A credit, as shown in the "Vision Services and Optical" section of the "Schedule of Benefits (Who Pays What)," applies toward the purchase of one pair of: (i) regular lenses; (ii) frames; or (iii) contact lenses, including cosmetic lenses, when obtained at a Plan Medical Office and prescribed by a physician or an optometrist. This includes: a $60 replacement credit for single vision and contact lenses; and $90 replacement credit for multifocal lenses if a Member's prescription changes .50 diopter or more within 12 months of the initial exam.

   Covered Services include:
   a. The frame;
   b. Mounting of lenses in the frames; and
   c. The original fitting and subsequent adjustment of the frame.

   Professional Services for exams and fitting of contact lenses that are not Medically Necessary are provided at an additional charge, when obtained at Plan Medical Offices.

2. Exclusions

   Replacement of lost or broken lenses or frames.

This rider amends the EOC to provide optical hardware coverage. All of the terms, conditions, limitations and exclusions of the EOC shall also apply to this rider except where specifically changed by this rider.

OPT0AB (01-20)
SNKR0AA

SILVER SNEAKERS FITNESS BENEFIT

A health and fitness benefit is covered and provided at participating fitness or wellness facilities within our Service Area. Health and fitness benefits include:

1. Fitness classes (to improve posture, flexibility and strength).
2. Toning with weights.
3. Aerobic classes.
4. Circuit training.

Additional benefits provided at some facilities include:

1. Swimming.
2. Court sports.
3. Running tracks.
4. Saunas.

You may access Services by taking your current Plan Identification Card to one of the participating fitness facilities within our Service Area and enrolling in the program. To get a list of the participating facilities, please call **Member Services.**

You will be given a one-time activity readiness assessment. Participation in the Fitness Benefit program is dependent upon the result of this assessment and may require a subsequent evaluation at a Plan Medical Office. There is no initiation fee and no monthly dues for participation.

Programs, Services and facilities which carry additional charges such as:

1. Racquetball;
2. Tennis and other court sports;
3. Massage therapy;
4. Lessons related to recreational sports;
5. Tournaments; and
6. Similar fee-based activities;

are excluded.

SNKR0AA (01-12)

ELECTIVE ABORTION EXCLUSION

Voluntary, elective abortions and any related Services, drugs or supplies are excluded. Exceptions to this are:

1. When an abortion is Medically Necessary to preserve the life or health of the mother if the pregnancy continues to term; or
2. When the pregnancy is the result of an act of rape or incest; or
3. Treatment of complications following an abortion.

AMENDMENT ONE
2020 GROUP AGREEMENT

This document amends the January 1, 2020, Group Agreement (*"Agreement"*) between **Kaiser Foundation Health Plan of Colorado** (*"Health Plan"*) and **County of Adams** (*"Group"*).

The section titled "**Eligibility**" is hereby amended with the addition of the following language:

An Eligible Person is defined as –

A regular full-time employee or project designated employee of the Group who is scheduled to work at his or her job at least 40 hours per week or a regular part-time employee or project designated employee of the Group who is scheduled to work at his or her job at least 30 hours per week.

Designated elected officials who are serving in an active capacity.

A retired person, as defined by the Group, who resides within the state of Colorado or maintains a permanent residency within the state of Colorado.

Retirees over 65 years of age, actively enrolled in Medicare, are not eligible for coverage.

Eligible Dependent(s) are defined as –

Your legal spouse by marriage or common law (a copy of the marriage certificate or common law affidavit is required)

Civil Union Partners (a copy of the Civil Union certificate is required)

Domestic Partners (a copy of the Domestic Partnership certificate is required)

Your or your Spouse's/Partner's child/children under the age of 26 (proof of dependency for a child over the age of 19 is not required).

A child born as a result of a Member acting as a gestational carrier is not an eligible Dependent under the terms of this plan unless the Subscriber or Spouse is the legal guardian of the child. Proof of legal guardianship is required.

A child for whom health care coverage is required through a Qualified Medical Child Support Order (QMCSO) or court order.

The section titled "**Miscellaneous Provisions**" is hereby amended with the addition of the following language:

Group requires retirees covered under the commercial plan; who live in Colorado but reside outside the Denver/Boulder or Northern Colorado Service Areas, to obtain all routine care at Kaiser Permanente Medical Office Buildings located in Denver/Boulder, Southern Colorado, or Northern Colorado Service Areas only. Group requires those retirees to receive hospital services at contracted hospitals in their Service Area.

Medicare is primary after 30 months from the date of the first dialysis, for active employees and dependents of active employees who qualify for Medicare due to End Stage Renal Disease (ESRD), therefore Medicare Combo Rates are included in the contract.

For Members entitled to Medicare, Medicare is the primary coverage except when federal law (TEFRA) requires that Group's health care plan be primary and Medicare coverage be secondary.

Medicare is primary after 30 months from the date of the first dialysis, for active employees and dependents of active employees who qualify for Medicare due to End Stage Renal Disease (ESRD), therefore Medicare Combo Rates are included in the contract.

THIS AMENDMENT IS EXECUTED AT DENVER, COLORADO TO TAKE EFFECT AS OF:

AMENDMENT TWO
2020 GROUP AGREEMENT
MEDICARE LOW INCOME SUBSIDY (LIS)

This document amends the January 1, 2020, Group Agreement (*"Agreement"*) between **Kaiser Foundation Health Plan of Colorado** (*"Health Plan"*) and **County of Adams** (*"Group"*).

The section titled "**Subscriber Contributions for Medicare Part D Coverage**" is hereby amended with the addition of the following language:

- Health Plan will mail monthly Low Income Subsidy refund payments for that portion of its Senior Advantage health care premium representing prescription drug coverage provided pursuant to Medicare Part D.
- These Low Income Subsidy payments will be mailed directly to Members enrolled in Kaiser Permanente Senior Advantage health plans.

AMENDMENT THREE
2020 GROUP AGREEMENT
SENIOR ADVANTAGE MEDICARE

This document amends the January 1, 2020, Group Agreement (*"Agreement"*) between **Kaiser Foundation Health Plan of Colorado** (*"Health Plan"*) and **County of Adams** (*"Group"*).

The section titled "**Group Eligibility Requirements**" is hereby amended with the addition of the following language:

An Eligible Person is defined as –

A retired person, as defined by the Group, their eligible dependents, and the eligible dependents of active employees as provided under applicable law, who reside within the applicable service area as defined in the Evidence of Coverage for Senior Advantage and are actively enrolled in Medicare A & B.

An eligible person does not include foster children

The section titled "Surrogacy" is hereby amended with the addition of the following language:
A child born as a result of a Member acting as a gestational carrier/surrogate is not an eligible Dependent under the terms of the plan unless the Subscriber or Spouse is the legal guardian of the child. Proof of legal guardianship must be submitted to the Group.

PUBLIC HEARING AGENDA ITEM

DATE OF PUBLIC HEARING: September 1, 2020
SUBJECT: 2020 United Healthcare Contracts
FROM: Terri Lautt, Director
AGENCY/DEPARTMENT: People and Culture Services
HEARD AT STUDY SESSION ON: October 15, 2019
AUTHORIZATION TO MOVE FORWARD: ☒ **YES** ☐ **NO**
RECOMMENDED ACTION: That the Board of County Commissioners approves the 2020 Financial Renewal and Terms Amendment to the Administrative Services Agreement, the Amendment to the Specific Excess Risk Insurance Policy, and the Summary Plan Descriptions with United Healthcare Services, Inc.

BACKGROUND: The Adams County Board of County Commissioners entered into a contract with United HealthCare Services Inc., to provide Third Party Administration and Specific Excess Risk Insurance for the county's self-funded health plan.

The attached Financial Renewal and Terms Amendment to the Administrative Services Agreement between United HealthCare, Services Inc. and County of Adams provides for changes to the Financial Terms as outlined within Exhibit A and changes to the Performance Standards as outlined within Exhibit B, providing consistent performance reimbursement guarantees for 2020.

The attached Amendment to the Specific Excess Loss Insurance Policy provides for changes as outlined in the Schedule of Benefits.

The attached United HealthCare Summary Plan Descriptions provide for the addition of Hearing Aid coverage for 2020 and changes to the Eligibility rules as approved through Study Session.

Additional Note:

RESOLUTION ADOPTING AMENDMENTS TO ADAMS COUNTY'S CONTRACTS WITH UNITED HEALTHCARE SERVICES

WHEREAS, the Adams County Board of County Commissioners previously entered into a contract with United HealthCare Services Inc. to provide Third Party Administration and Specific Excess Risk Insurance for the county's self-funded health plan; and,

WHEREAS, the attached Financial Renewal and Terms Amendment to the Administrative Services Agreement between United HealthCare, Services Inc. and County of Adams ("Financial Renewal and Terms Amendment") provides for changes to the Financial Terms as outlined in the attached Exhibit A and changes to the Performance Standards as outlined in the attached Exhibit B, providing consistent performance reimbursement guarantees; and,

WHEREAS, except as stated in the Financial Renewal and Terms Amendment and the Amended Non-Financial Terms, all terms and conditions of the original Administrative Services Agreement between United HealthCare, Services Inc. and County of Adams shall remain in full force and effect through December 31, 2020; and,

WHEREAS, the Adams County Board of County Commissioners recognizes the importance of obtaining additional excess risk insurance to mitigate the limit of liability for claims associated with the county's self-funded health plan; and,

WHEREAS, the attached Amendment to the Specific Excess Loss Insurance Policy ("Amendment No. 7") provides for changes as outlined in the United HealthCare Schedule of Benefits; and,

WHEREAS, the attached United HealthCare Choice EPO, Choice Plus HDHP/HSA, and Colorado Doctors Plan (CDP) Summary Plan Descriptions outline the Benefits provided under the contract, and are in effect through December 31, 2020; and,

WHEREAS, the following attached documents constitute the Amendments to Adams County's contracts with United HealthCare Services for the 2020 plan year:

1. Financial Renewal and Terms Amendment (Exhibit A and Exhibit B)
2. Stop Loss Amendment No. 7
3. Fully Executed Business Associate Agreement as reference in the Financial Renewal and Terms Amendment
4. UHC Choice EPO Plan Summary Plan Description
5. UHC Choice Plus HDHP/HSA Plan Summary Plan Description
6. UHC Colorado Doctors Plan (CDP) Summary Plan Description

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners, County of Adams, State of Colorado, hereby adopts the attached Amendments to Adams County's contracts with United HealthCare Services.

BE IT FURTHER RESOLVED, that the chair of the Board of County Commissioners is hereby authorized to execute said Amendments on behalf of Adams County.

FINANCIAL RENEWAL AND TERMS AMENDMENT

This Amendment ("Amendment") is made to the Administrative Services Agreement ("Agreement") by and between United HealthCare Services, Inc. ("United") and Adams County Government ("Customer"), Contract No. 701043, and is effective on January 1, 2020 unless otherwise specified.

Any capitalized terms used in this Amendment have the meanings shown in the Agreement. These terms may or may not have been capitalized in prior contractual documents between the parties but will have the same meaning as if capitalized.

The agreements that are being amended include any and all amendments, if any, that are effective prior to the effective date of this Amendment.

Nothing shown in this Amendment alters, varies or affects any of the terms, provisions or conditions of the agreements other than as stated herein.

The parties, by signing below, agree to amend the agreements as contained herein.

EXHIBIT A

THE AMENDED FINANCIAL TERMS ARE AS FOLLOWS:

This Exhibit A shall not alter, vary, or affect any previously agreed to financial terms that are not amended by this Exhibit A.

Contract Number: 701043
The following financial terms are effective for the period January 1, 2020 through December 31, 2022.

The Standard Medical Service Fees are the sum of the following:

The Standard Medical Service Fees are as stated below. These fees do not include state or Federal surcharges, assessments, or similar Taxes imposed by governmental entities or agencies on the Plan or United, including but not limited to those imposed pursuant to The Patient Protection and Affordable Care Act of 2010, as amended from time to time as these are the responsibility of the Plan. The Standard Medical Fees are based upon an estimated minimum of 837 enrolled Employees in 2020.

Effective January 1, 2020 through December 31, 2022

- $28.66 per Employee per month for the Choice and Choice Plus HSA portions of the Plan.
- $31.66 per Employee per month for the Choice CDP portion of the Plan.

Average Contract Size: 2.15 in 2020

Pharmacy AWP Contract Rate

Customer's contract rate for prescription drugs is as provided in Exhibit B. United uses Medi-Span's national drug data file as the source for Average Wholesale Price information. United reserves the right to revise the pricing and adopt a new source or benchmark if there are material industry changes in pricing methodologies. United will not use two or more pricing sources simultaneously for a given claim.

The optional and non-standard fees are the sum of the following

Service Description	Fee
Fraud and Abuse Management	Fee equal to thirty-two and five-tenths percent (32.5%) of the gross recovery amount
Hospital Audit Program Services	Fee not to exceed thirty-one percent (31%) of the gross recovery amount
Credit Balance Recovery Services	Fee not to exceed ten percent (10%) of the gross recovery amount.
Standardized Summary of Benefits and Coverage (SBC) as established under The Patient Protection and Affordable Care Act of 2010	United will provide, at no additional charge, standard format, electronic copies of the SBC documents (twice per year) for medical benefit plans administered by United. Customer logos can be included on the SBC at no additional charge. Additional fees will apply for other services. United will not create SBCs for medical plans United does not administer.
Third Party Liability Recovery (Subrogation) Services	Fee equal to thirty-three and one-third percent (33.3%) of the gross recovery amount
Shared Savings Program	The savings used to calculate the fee per individual claim for Shared Savings will not exceed $50,000. Accordingly, the fee per individual claim will not exceed 35% of $50,000. "Savings Obtained" means the amount that would have been payable to a health care provider, including amounts payable by both the Participant and the Plan, if no discount were available, minus the amount that is payable to the health care provider, again, including amounts payable by both the Participant and the Plan, after the discount is taken.
Advanced Analytics and Recovery Services	Fee equal to twenty four percent (24%) of the gross recovery amount
HSA	$2.75 PEPM – Waived if average balance is $3,000 or more $2.50 per ATM transaction $20.00 per Outbound transfer or rollover to another HSA Custodian
Recovery Process Services **(Effective January 1, 2020)**	Attorneys' fees and costs directly incurred in connection with litigation or arbitration to recover any Overpayments will be deducted from the gross

	recovery. United will retain 32.5% of Customer's remaining recovery as a fee for its recovery process services. Customer's net recovery will be remitted to the Customer. No fees will be charged if the Overpayment is solely the result of United's acts.
Recovery Process – Non-Opt-Out Class Action Recoveries **(Effective January 1, 2020)**	No fee will apply for recoveries obtained through a class action where United does not file an opt-out case on behalf of Customer.

EXHIBIT B - PERFORMANCE GUARANTEES FOR HEALTH BENEFITS

The Standard Medical Service Fees (excluding Optional and Non-Standard Fees and that portion of the Standard Medical Service Fees attributable to Commission Funds, if applicable, as described in Exhibit B), (hereinafter referred to as "Fees") payable by Customer under this Agreement will be adjusted through a credit to its Service Fees in accordance with the performance guarantees set forth below unless otherwise defined in the guarantee. Unless otherwise specified, these guarantees apply to medical benefits and are effective for the period beginning January 1, 2019 through December 31, 2020 (each twelve month period is a "Guarantee Period"). With respect to the aspects of our performance addressed in this exhibit, these fee adjustments are Customer's exclusive financial remedies.

These guarantees will become effective upon the later of (1) the effective date of the Guarantee Period; or (2) the date this Agreement is signed by both parties. In the event these guarantees become effective later than the effective date of the Guarantee Period: (1) quarterly guarantees will become effective beginning with the next calendar quarter following signature of this Agreement by both parties and (2) annual guarantees will become effective commencing with the Agreement Period during which this Agreement is signed by both parties.

United reserves the right from time to time to replace any report or change the format of any report referenced in these guarantees. In such event, the guarantees will be modified to the degree necessary to carry out the intent of the parties. United shall not be required to meet any of the guarantees provided for in this Agreement or amendments thereto to the extent United's failure is due to Customer's actions or inactions or if United fails to meet these standards due to fire, embargo, strike, war, accident, act of God, acts of terrorism or United's required compliance with any law, regulation, or governmental agency mandate or anything beyond United's reasonable control.

Prior to the end of the Guarantee Period, and provided that this Agreement remains in force, United may specify to Customer in writing new performance guarantees for the subsequent Guarantee Period. If United specifies new performance guarantees, United will also provide Customer with a new Exhibit that will replace this Exhibit for that subsequent Guarantee Period.

Claim is defined as an initial and complete written request for payment of a Plan benefit made by an enrollee, physician, or other healthcare provider on an accepted format. Unless stated otherwise, the claims are limited to medical claims processed through the UNET claims systems. Claims processed and products administered through any other system, including claims for other products such as vision, dental, flexible spending accounts, health reimbursement accounts, health savings accounts, or pharmacy coverage, are not included in the calculation of the performance measurements. Also, services provided under capitated arrangements are not processed as a typical claim; therefore capitated payments are not included in the performance measurements.

Effective January 1, 2020 through December 31, 2020

Claim Operations			
Time to Process in 10 Days			
Definition	The percentage of all claims United receives will be processed within the designated number of business days of receipt.		
Measurement	Percentage of claims processed		94%
	Time to process, in business days or less after receipt of claim	business days	10
Criteria	Standard claim operations reports		
Level	Site Level		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$3,143
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		20%
Gradients	11 business days 12 business days 13 business days 14 business days		

	15 business days or more		
Procedural Accuracy			
Definition	Procedural accuracy rate of not less than the designated percent.		
Measurement	Percentage of claims processed without procedural (i.e. non-financial) errors		97%
Criteria	Statistically significant random sample of claims processed is reviewed to determine the percentage of claim dollars processed without procedural (i.e. non-financial) errors.		
Level	Office Level		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$3,143
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		20%
Gradients	96.99% - 96.50% 96.49% - 96.00% 95.99% - 95.50% 95.49% - 95.00% Below 95.00%		
Dollar Accuracy (DAR)			
Definition	Dollar accuracy rate of not less than the designated percent in any quarter.		
Measurement	Percentage of claims dollars processed accurately		99%
Criteria	Statistically significant random sample of claims processed is reviewed to determine the percentage of claim dollars processed correctly out of the total claim dollars paid.		
Level	Office Level		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$3,143
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		20%
Gradients	98.99% - 98.50% 98.49% - 98.00% 97.99% - 97.50% 97.49% - 97.00 Below 97.00%		
Member Phone Service			
Phone service guarantees and standards apply to Participant calls made to the customer care center that primarily services Customer's Participants. If Customer elects a specialized phone service model the results may be blended with more than one call center and/or level. They do not include calls made to care management personnel and/or calls to the senior center for Medicare Participants, nor do they include calls for services/products other than medical, such as mental health/substance abuse, pharmacy (except when United is Customer's pharmacy benefit services administrator), dental, vision, Health Savings Account, etc.			
Average Speed of Answer			
Definition	Calls will sequence through our phone system and be answered by customer service within the parameters set forth.		
Measurement	Percentage of calls answered		100%
	Time answered in seconds, on average	seconds	30
Criteria	Standard tracking reports produced by the phone system for all calls		
Level	Team that services Customer's account		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$3,143
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		20%
Gradients	32 seconds or less 34 seconds or less 36 seconds or less 38 seconds or less Greater than 38 seconds		
Abandonment Rate			
Definition	The average call abandonment rate will be no greater than the percentage set forth		
Measurement	Percentage of total incoming calls to customer service abandoned, on average		2%
Criteria	Standard tracking reports produced by the phone system for all calls		
Level	Team that services Customer's account		

Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$3,143
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		20%
Gradients	2.01% - 2.50% 2.51% - 3.00% 3.01% - 3.50% 3.51% - 4.00% Greater than 4.00%		
Call Quality Score			
Definition	Maintain a call quality score of not less than the percent set forth		
Measurement	Call quality score to meet or exceed		93%
Criteria	Random sampling of calls are each assigned a customer service quality score, using our standard internal call quality assurance program.		
Level	Office that services Customer's account		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$3,143
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		20%
Gradients	92.99% - 91.00% 90.99% - 89.00% 88.99% - 87.00% 86.99% - 85.00% Below 85.00%		
Satisfaction			
Employee (Member) Satisfaction			
Definition	The overall satisfaction will be determined by the question that reads "Overall, how satisfied are you with the way we administer your medical health insurance plan?"		
Measurement	Percentage of respondents, on average, indicating a grade of satisfied or higher		80%
Criteria	Operations standard survey, conducted over the course of the year; may be customer specific for an additional charge.		
Level	Office that services Customer's account		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$1,571
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		N/A
Gradients	Not applicable		
Customer Satisfaction			
Definition	The overall satisfaction will be determined by the question that reads "How satisfied are you overall with UnitedHealthcare?"		
Measurement	Minimum score on a 10 point scale	score	5
Criteria	Standard Customer Scorecard Survey		
Level	Customer specific		
Period	Annually		
Payment Period	Annually		
Fees at Risk	Total Dollars at Risk for this metric		$1,571
Payment Amount	Of the Fees at Risk for this metric, percentage at risk for each gradient		N/A
Gradients	Not applicable		

Effective January 1, 2020 through December 31, 2022 (each twelve month period is a "Guarantee Period")

Pharmacy Financials	
Definition	Contracted pharmacy rates that will be delivered to You.

Measurement and Criteria		**01/01/2020**	**01/01/2021**	**01/01/2022**
	Combined Discount Guarantee			
	Retail Brand, Average Wholesale Price (AWP) less	18.0%	18.0%	18.0%
	Retail Generic, AWP less	82.0%	82.0%	82.0%
	Mail Order Brand, AWP less	25.0%	25.0%	25.0%
	Mail Order Generic, AWP less	86.0%	86.0%	86.0%
	The Guaranteed Discount amount will be determined by multiplying the AWP by the guaranteed discount off AWP by each component and adding the amounts together.			
	Dispensing Fees			
	Retail Brand	$0.80	$0.80	$0.80
	Retail Generic	$0.80	$0.80	$0.80
	Dispensing fee totals are calculated by multiplying the actual scripts for each type by the contracted rate for that script type.			
Level	Customer Specific			
Period	Annually			
Payment Period	Annually			
Payment Amount -- Discounts	The amount the actual discounts are less than the combined guaranteed Retail, Mail, and Specialty discount amount.			
Payment Amount -- Dispensing Fees	The amount the combined actual dispensing fee exceeds the combined contracted dispensing fee.			
Conditions	**Discount Specific Conditions** • Discounts are based on actual Network Pharmacy brand and generic usage of retail and mail order drugs. The guaranteed discount amount will be determined by multiplying the AWP by the contracted discount rate off AWP by component. • Does not apply to items covered under the Plan for which no AWP measure exists. • Discounts calculated based on AWP less the ingredient cost; discount percentages are the discounts divided by the AWP. Discounts for retail and mail order generic prescriptions represent the average AWP based on savings off Maximum Allowable Cost (MAC) pricing for MAC generics and percentage discount savings off AWP for non-MAC generics. All other discounts represent the percentage discount savings off of AWP. • The arrangement excludes generic medications launched as an 'at-risk' product, generic medication with pending litigation, compound drugs, retail out of network claims, mail order drugs (for dispensing fee arrangement) and non-drug items. • The Arrangement includes usual & customary claims, vaccines, long term care facility claims, veterans' affairs facility claims, over-the-counter claims. • The retail and mail order generic discounts exclude any generic drug that has two or fewer generic manufacturers; the retail and mail order brand discounts include any generic drug that has two or fewer generic manufacturers. • Specialty drugs dispensed out-of-network are included in the retail guarantees. Specialty drugs dispensed in-network are excluded from the Retail and Mail guarantees. • Drugs in the following Specialty therapeutic categories are included in the retail guarantees: HIV. • If Customer terminates pharmacy benefit services with United prior to 12/31/2022, United will retain any and all pending or future Rebates payable under the Agreement as of the effective date of the termination of pharmacy benefit services. **General Conditions** • On mail order drugs and retail pharmacy drugs and services including dispensing fees, United will retain the difference between what United reimburses the Network Pharmacy and Customer's payment for a prescription drug product or service.			

TRRX (04/2019)	• A minimum of 753 Employees and 1,618 Participants enrolled in the pharmacy plan is required. • The lessor of three logic (non-ZBL) will apply to Participant payments. Participants pay the lessor of the discounted price, the usual and customary charge or the cost share amount. • All pricing guarantees require the selection of United as the exclusive mail provider. • United reserves the right to revise or revoke this arrangement if: a) changes in federal, state or other applicable law or regulation require modifications; b) there are material changes to the AWP as published by the pricing agency that establishes the AWP as used in these arrangements; c) Customer makes benefit changes that impact the arrangements; d) there is a material industry change in pricing methodologies resulting in a new source or benchmark; e) it is not accepted within ninety (90) days of the issuance of our initial quote; f) if Customer changes their mail service benefit.

Effective January 1, 2020 through December 31, 2022 (each twelve month period is a "Guarantee Period")

Specialty Pharmacy	
Specialty Pharmacy Discount Guarantee	
Definition	Specialty drug discount level based on actual specialty drug utilization for the specialty drugs dispensed through United's specialty Pharmacy Network
Measurement	Discount targets for individual drugs dispensed through United's specialty Pharmacy Network. See chart below.
Criteria	Actual utilization, using Average Wholesale Price (AWP) in dollars, using our data, of specialty drugs through Our specialty Pharmacy Network will be multiplied against the discount targets for the individual drugs to determine the overall discount target dollars. This total will be compared to actual discounts achieved for these drugs during the Guarantee Period.
Level	Customer Specific
Period	Annual
Payment Period	Annual
Payment Amount	The amount the actual discounts are less than the combined guaranteed Retail, Mail, and Specialty discount amount.
Conditions	• Discounts calculated based on the AWP less the ingredient cost; discount percentages are the discounts divided by the AWP. Discounts for retail generic prescriptions represent the average savings off AWP based on Maximum Allowable Cost (MAC) pricing for MAC generics and percentage discount savings off AWP for non-MAC generics. All other discounts represent the percentage discount savings off of AWP. • Specialty drugs dispensed outside United's specialty Pharmacy Network, drugs for which no AWP measure exists and non-drug items are excluded. • United reserves the right to revise or revoke this guarantee if: a) changes in federal, state or other applicable law or regulation require modifications; b) there are material changes to the AWP as published by the pricing agency that establishes the AWP as used in this guarantee; c) Customer makes benefit changes that impact the guarantee; d) there is a material industry change in pricing methodologies resulting in a new source or benchmark • On specialty drugs, United will retain the difference between what United reimburses the Network Pharmacy and Customer's payment for a prescription drug product or service.

THE AMENDED NON-FINANCIAL TERMS ARE AS FOLLOWS:

The Administrative Services Agreement is amended on January 1, 2020 as noted below.

Effective January 1, 2020, the Maternity Program is in full force and effect as described in Section 4 as follows:

Section 4.24 Maternity Program. United, through United's affiliate, will provide a maternity program to eligible Participants. This is a maternity wellness program designed to provide Participants with personal guidance and support. This program may include access to: dedicated maternity nurses experienced in high-risk pregnancies and premature births; pregnancy consultations; support for special health care needs; customized maternity education materials and integration with other applicable care management programs United provides to Customer as set forth in this Agreement.

This language replaces and supersedes any references in the Agreement to the Healthy Pregnancy Program, including related fees.

Effective January 1, 2020, the Healthy Weight Program no longer applies. If included in the Agreement, any references to the Healthy Weight Program are hereby removed.

Effective January 1, 2020, the UnitedHealth Allies Discount Program no longer applies. If included in the Agreement, any reference to the UnitedHealth Allies Discount Program are hereby removed.

Effective January 1, 2020, NurseLine and Care24 will transition to 24/7 access to care and Employee Assistance Program (EAP).

Effective January 1, 2020, Section 4.16 for Pharmacy Benefit Services is replaced with the following:

Claims Processing. United will process the claims received from a Network Pharmacy in accordance with the Summary Plan Description, as well as the pricing and other terms of the Network Pharmacy's participation agreement. On mail order, retail and specialty pharmacy services, United will retain the difference between what United reimburses the Network Pharmacy and Customer payment for a Prescription Drug product or service. United maintains systems for processing pharmacy claims and may receive access fees as compensation for services United provides to Network Pharmacies.

Effective January 1, 2020, any reference to recovery services in the Agreement, each as applicable, are replaced in their entirety as follows:

Section 4.7 Claim Recovery Services. United will provide recovery services for Overpayments and other Plan recovery opportunities as described herein. United will not be responsible for reimbursement of any unrecovered Overpayment nor attorneys' fees and costs related to litigation or arbitration associated with recoveries except to the extent an arbitrator, arbitration panel, or court of competent jurisdiction determines that the Overpayment was due to United's gross negligence or willful misconduct. Under no circumstances will United be responsible for reimbursement of unrecovered Overpayments resulting from a third party's fraud.

Overpayments. United utilizes generally-accepted auditing protocols to identify Overpayments. United will attempt to recover Overpayments by employing appropriate outreach to Participants and/or providers to request reimbursement.

Fraud, Waste, and Abuse Management. United will provide services related to detection, and recovery of wasteful, abusive, and/or fraudulent claims. United's Fraud, Waste, and Abuse Management processes will be based upon United's proprietary and confidential procedures, modes of analysis, and investigations. United will use these procedures and standards in delivering Fraud, Waste, and Abuse Management services to Customer and to United's other customers. Services include all work to identify recovery opportunities, research, data analysis, investigation, and initiation of all Recovery Processes set forth below. United does not guarantee or warranty any particular level of

prevention, detection, or recovery. United agrees to perform Fraud, Waste, and Abuse Management services pursuant to the industry standards for such services.

Credit Balance Recovery. United utilizes on-site resources to perform hospital and/or facility audits to review, validate, and recover credit balances (dollars) existing on patient accounts to identify any recoverable amounts.

Hospital Bill Audit. United utilizes on-site resources (registered/licensed nurses and/or certified coders) to perform in-depth reviews of hospital bills. Auditors will conduct line by line comparisons of itemized bills to the medical records to ensure billing accuracy and identify any recoverable amounts.

Subrogation. United will provide services to recover Plan benefits that were paid and are recoverable by the Plan because payment was or should have been made by a third party for the same medical expense (other than in connection with coordination of benefits, Medicare, or other Overpayments). This is referred to as "Third Party Liability Recovery" or "Subrogation". Customer will not engage any entity except United to provide the services described in this Section without United's prior approval.

Advanced Analytic Recovery Services. United will use large scale analytics, information, and analysis to identify post-adjudication claims for additional recovery opportunities.

Focused Claim Review. Board certified same-specialty physicians will audit claims and records of high-cost procedures. These reviews verify coding and billing accuracy before a claim is adjudicated. Claims for which billing and/or coding errors are identified will be adjusted before payment is issued.

Recovery Process – Non-Class Action Recoveries. Customer delegates to United the discretion and authority to develop and use standards and procedures for any recovery opportunity, including but not limited to, whether or not to seek recovery, what steps to take if United decides to seek recovery, whether to initiate litigation or arbitration, the scope of such litigation or arbitration, which legal theories to pursue in such litigation or arbitration, and all decisions relating to such litigation or arbitration, including but not limited to, whether to compromise or settle any litigation or arbitration, and the circumstances under which a claim may be compromised or settled for less than the full amount of the potential recovery. In all instances where United pursues recovery through litigation or arbitration, Customer, on behalf of itself and on behalf of its Plan(s), will be deemed to have granted United an assignment of all ownership, title and legal rights and interests in and to any and all claims that are the subject matter of the litigation or arbitration.

Customer acknowledges that use of United's standards and procedures may not result in full or partial recovery for any particular claim or for any particular Customer. United will not pursue any recovery if it is not permitted by any applicable law, or if recovery would be impractical, as determined in United's discretion. While United may initiate litigation or arbitration to facilitate a recovery, United has no obligation to do so. If United initiates litigation or arbitration, Customer will cooperate with United in the litigation or arbitration.

If this Agreement terminates, in whole or in part, United can continue recovery activities for any claims paid when the Agreement was in effect pursuant to the terms of this Section 4.7.

Recovery Process – Class Action Recoveries. Where a class action purports to affect Customer's (or the Plan(s) it sponsors or administers) right to and interest in any Overpayment, United has the right to determine whether to seek recovery of the Overpayment on the Customer's (or the Plan(s) it sponsors or administers) behalf through litigation, arbitration, or settlement. If United elects to seek recovery of such an Overpayment that is at issue in a class action, United will provide written notice to Customer of its intention. If Customer does not want United to seek recovery of the Overpayment, Customer shall notify United in writing within thirty (30) days of receiving notice from United. If Customer does not so notify United, Customer, on behalf of itself and on behalf of the Plan(s) it sponsors and administers, assigns to United all ownership, title and legal rights and interests in and to any and all Overpayments that are the subject matter of the class action. In such cases, Customer will cooperate with United in any resulting litigation or arbitration that United may file to pursue the Overpayments.

If Customer provides United with written notice that it does not want United to seek recovery of an Overpayment related to a class action (whether putative or certified) then, pursuant to its standard procedures, United will provide Customer with related Overpayment claims information, at Customer's request. Customer is then solely responsible for determining whether it (or the Plan(s) it sponsors or administers) will participate in the class action (whether putative or certified), participate in any class action settlement, pursue recovery of the relevant Overpayment outside of the class action, or take any other action with respect to any cause of action the Customer (or the Plan(s) it sponsors or administers) might have.

If this Agreement terminates, in whole or in part, United can continue recovery activities for any claims paid when the Agreement was in effect pursuant to the terms of this Section 4.7.

Offsetting Process. Overpayment recoveries may occur by offsetting the Overpayment against future payments to the provider made by United. In effectuating Overpayment recoveries through offset, United will follow its established Overpayment recovery rules which include, among other things, prioritizing Overpayment credits based on: (1) the age of the Overpayment for electronic payments and (2) the funding type and the age of the Overpayment for check payments. United may recover the Overpayment by offsetting, in whole or in part, against: (1) future benefits that are payable under the Plan in connection with services provided to any Participants; or (2) future benefits that are payable in connection with services provided by a Network Provider to individuals covered under other self-insured or fully-insured plans for which United processes payments (a "Cross Plan Offset"). In addition to permitting United to recover Overpayments on behalf of the Plan from benefits payable under other plans, United will enable other plans (including plans fully insured by United) to recover their Overpayments from benefits payable under the Plan through Cross Plan Offsets. Customer understands and agrees that in doing so, the Plan is participating in a cooperative overpayment recovery effort with other plans for which United acts as the claims administrator. Reallocations pursuant to this process do not impact the decision as to whether or not a benefit is payable under the Plan. Customer represents and warrants that the Plan SPD contains United's approved template language authorizing Cross Plan Offsets. Customer hereby directs United not to use the Cross Plan Offset method of recovering Overpayments for out-of-network providers. Customer acknowledges that due to this direction, Overpayment recoveries may take longer to process and that the overall recovery amount may be less. United is not liable to Customer for any Overpayments not recovered that could have been recovered through the use of the Cross Plan Offset process for Out-of-Network providers.

In United's application of Overpayment recovery through offset, timing differences may arise in the processing of claims payments, disbursement of provider checks, and the recovery of Overpayments. As a result, the Plan may in some instances receive the benefit of an Overpayment recovery before United actually receives the funds from the provider. Conversely, United may receive the funds before the Plan receives the credit for the Overpayment. It is hereby understood that the Parties may retain any interest that accrues as a result of these timing differences. Details associated with Overpayment recoveries made on behalf of the Plan through offset will be identified in the monthly reconciliation report provided to the Customer's Plan. The monthly reconciliation report will contain information relating only to Customer's Plan and will not contain information relating to other plans for which United acts as the claims administrator.

Recovery Fees. Customer will be charged a fee for the services described in this Section 4.7. That fee is set forth in Exhibit A-Fees.

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") is made in connection with the Administrative Services Agreement (Agreement) between UnitedHealthcare Insurance Company identified as Contract No. 701043 on behalf of itself and its Affiliates Business Associate and Adams County Government's group health plan (Covered Entity) (each a "Party" and collectively the "Parties") and is effective August 1, 2016 (Effective Date). This BAA replaces the terms of any business associate BAA between the parties

The Parties hereby agree as follows:

RECITALS:

WHEREAS, Covered Entity is subject to federal privacy rules promulgated under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") as amended by the American Recovery and Reinvestment Act of 2009/HITECH Act (P.L. 11-005); and

WHEREAS, Business Associate provides services for Covered Entity that may involve access to, use, or disclosure of Protected Health Information ("PHI") ; and

WHEREAS, Covered Entity and Business Associate are committed to complying with the Privacy and Security Regulations and desire to set forth the rights and responsibilities of the parties with respect to Protected Health Information;

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, the sufficiency of which is hereby acknowledged by the parties, the parties agree as follows:

1. DEFINITIONS

1.1 Capitalized terms used but not otherwise defined in this BAA have the meanings established for purposes of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations as amended from time to time (collectively, "HIPAA".

1.3 "ARRA" shall mean the Health Information Technology for Economic and Clinical Health Act provisions of the American Recovery and Reinvestment Act of 2009, 42 U.S.C. §§ 17921-17954, and any and all references in this BAA to sections of ARRA shall be deemed to include all associated existing and future implementing regulations, when and as each is effective.

1.4 "Breach" shall mean the acquisition, access, use or disclosure of PHI in a manner not permitted by the Privacy Rule that compromises the security or privacy of the PHI as defined, and subject to the exceptions set forth, in 45 C.F.R. § 164.402.

1.5 "Compliance Date" shall mean, in each case, the date by which compliance is required under the referenced provision of ARRA and/or its implementing regulations, as applicable; provided that, in any case for which that date occurs prior to the Effective Date of this BAA, the Compliance Date shall mean the Effective Date.

1.6 "Electronic Protected Health Information" (ePHI) shall mean PHI as defined in Section 1.7 that is transmitted or maintained in electronic media.

1.7 "Individual" shall have the same meaning as the term "Individual" in 45 § C.F.R. 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R § 164.502(g).

1.8 "PHI" shall mean Protected Health Information, as defined in 45 C.F.R. § 160.103, and is limited to the Protected Health Information received from, or received or created on behalf of, Covered Entity by Business Associate pursuant to the performance of the Services.

1.9 "Privacy Rule" shall mean the federal privacy regulations issued pursuant to the Health Insurance Portability and Accountability Act of 1996, as amended from time to time, codified at 45 C.F.R. §§ 160 and 164 (Subparts A & E).

1.10 "Required by Law" shall have the same meaning as the term "required by law" in 45 C.F.R. § 164.103.

1.11 "Secretary" shall mean the Secretary of the Department of Health and Human Services or his or her designee.

1.13 "Security Rule" shall mean the federal security regulations issued pursuant to the Health Insurance Portability and Accountability Act of 1996, as amended from time to time, codified at 45 C.F.R. §§ 160 and 164 (Subparts A & C).

1.14 "Services" shall mean, to the extent and only to the extent they involve the creation, use or disclosure of PHI, the services provided by Business Associate to Covered Entity under the Agreement, including those set forth in this BAA in Sections 4.3 through 4.7, as amended by written agreement of the Parties from time to time.

2. RESPONSIBILITIES OF BUSINESS ASSOCIATE

With regard to its use and/or disclosure of PHI, Business Associate agrees to:

2.1 Use and/or disclose PHI only as necessary to provide the Services, as permitted or required by this BAA and in compliance with each applicable requirement of 45 C.F.R. 164.504(e) or as otherwise Required by Law; provided that, to the extent Business Associate is to carry out Covered Entity's

obligations under the Privacy Rule, Business Associate will comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of those obligations.

2.2 Develop, implement, maintain and use appropriate administrative, physical and technical safeguards to (i) prevent use or disclosure of PHI other than as permitted or required by this BAA, or as otherwise required by law; (ii) reasonably and appropriately protect the confidentiality, integrity, and availability of the ePHI that it creates, receives, maintains, or transmits on behalf of the Covered Entity; and (iii) as of the Compliance Date of 42 U.S.C. § 17931, comply with the Security Rule requirements set forth in 45 C.F.R. §§ 164.308, 164.310, 164.312, and 164.316.

2.3 Without unreasonable delay, report to Covered Entity: (i) any use or disclosure of PHI, of which it becomes aware, that is not provided for by this BAA and/or the Agreement; and/or (ii) any Security Incident of which Business Associate becomes aware in accordance with 45 C.F.R. § 164.314(a)(2)(i)(C).

2.4 With respect to any use or disclosure of Unsecured PHI not permitted by the Privacy Rule that is caused solely by Business Associate's failure to comply with one or more of its obligations under this BAA, Covered Entity hereby delegates to Business Associate the responsibility for determining when any such incident is a Breach. In the event of a Breach, Business Associate shall (i) provide Covered Entity with written notification, and (ii) provide all legally required notifications to Individuals, HHS and/or the media, on behalf of Covered Entity. Business Associate shall provide these notifications in accordance with the data breach notification requirements set forth in 42 U.S.C. § 17932 and 45 C.F.R. §§ 160 & 164 subparts A, D & E as of their respective Compliance Dates, and shall pay for the reasonable and actual costs associated with such notifications. In the event of a Breach, without unreasonable delay, and in any event no later than sixty (60) calendar days after Discovery, Business Associate shall provide Covered Entity with written notification that includes a description of the Breach, a list of Individuals and a copy of the template notification letter to be sent to Individuals.

2.5 Require all of its subcontractors and agents that create, receive, maintain, or transmit PHI on behalf of Business Associate to agree, in writing, to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate; including but not limited to the extent that Business Associate with respect to that PHI.

2.6 Make available its internal practices, books, and records relating to the use and disclosure of PHI to the Secretary for purposes of determining Covered Entity's compliance with the Privacy Rule.

2.7 After receiving a written request from Covered Entity or an Individual, make available to the Covered Entity, or at the direction of the Covered Entity,

directly to an Individual, an accounting of disclosures of PHI about the Individual, in accordance with 45 C.F.R. § 164.528.

2.8 Notwithstanding Section 2.7, in the event that Business Associate in connection with the Services uses or maintains an Electronic Health Record of PHI of or about an Individual, then Business Associate shall, when and as directed by Covered Entity or when requested by an Individual, make an accounting of disclosures of PHI directly to an Individual within thirty (30) days after receiving a written request, in accordance with the requirements for accounting for disclosures made through an Electronic Health Record in 42 U.S.C. § 17935(c) as of its Compliance Date.

2.9 Provide accessafter receiving a written request from Covered Entity or an Individual, to PHI in a Designated Record Set about an Individual, to the Covered Entity, or at the direction of the Covered Entity, directly to an Individual, in accordance with the requirements of 45 C.F.R. § 164.524.

2.10 Notwithstanding Section 2.9, in the event that Business Associate in connection with the Services uses or maintains an Electronic Health Record of PHI of or about an Individual, then Business Associate shall provide an electronic copy of the PHI, directly to an Individual or a third party designated by the Individual, all in accordance with 42 U.S.C. § 17935(e) as of its Compliance Date.

2.11 To the extent that the PHI in Business Associate's possession constitutes a Designated Record Set, make available, within thirty (30) days after a written request by Covered Entity or an Individual, PHI for amendment and incorporate any amendments to the PHI, as directed by Covered Entity or an Individual, all in accordance with 45 C.F.R. § 164.526.

2.12 Request, use and/or disclose only the minimum amount of PHI necessary to accomplish the purpose of the request, use or disclosure; provided, that Business Associate shall comply with 42 U.S.C. § 17935(b) as of its Compliance Date.

2.13 Accommodate reasonable requests by Individuals for confidential communications in accordance with 45 C.F.R. 164.522(b) of the Privacy Rule.
2.14 Not directly or indirectly receive remuneration in exchange for any PHI as prohibited by 42 U.S.C. § 17935(d) as of its Compliance Date.

2.15 Not make or cause to be made any communication about a product or service that is prohibited by 42 U.S.C. § 17936(a) as of its Compliance Date.

2.16 Not make or cause to be made any written fundraising communication that is prohibited by 42 U.S.C. § 17936(b) as of its Compliance Date.

2.17 Mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of this BAA.

3. RESPONSIBILITIES OF COVERED ENTITY

In addition to any other obligations set forth in th Agreement, including this BAA, Covered Entity:

3.1 Shall provide to Business Associate only the minimum PHI necessary to accomplish the Services

3.2 Shall notify Business Associate of any limitation(s) in its notice of privacy practices of Covered Entity in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of Protected Health Information.

3.3 Shall notify Business Associate of any changes in, or revocation of, permission by Individuals to use or disclose Protected Health Information, to the extent that such restriction may affect Business Associate's use or disclosure of Protected Health Information.

3.4 Shall not request Business Associate to use or disclose Protected Health Information in any manner that would not be permissible under the Privacy Rule if done by Covered Entity.

3.5 Agrees and understands that the Covered Entity is independently responsible for the security of all PHI in its possession (electronic or otherwise), including all PHI that it receives from outside sources, including the Business Associate.

3.6 In the event Covered Entity takes action as described in this Section, Business Associate shall decide which restrictions or limitations it will administer. In addition, if those limitations or revisions materially increase Business Associate's cost of providing Services under the Agreement, including this BAA, Covered Entity shall reimburse Business Associate for such increase in cost.

4. OTHER PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or required by this BAA or the Agreement, Business Associate may:

4.1 Make any and all uses and disclosures of PHI necessary to provide the Services to Covered Entity.

4.2 Use and disclose to subcontractors and agents the PHI in its possession for its proper management and administration or to carry out the legal responsibilities of Business Associate, provided that any third party to which Business Associates discloses PHI for those purposes provides written assurances in advance that: (i) the information will be held confidentially and used or further disclosed only as Required by Law; (ii) the information will be used only for the purpose for which it was disclosed to the third party; and (iii) the third party promptly will notify

Business Associate of any instances of which it becomes aware in which the confidentiality of the information has been breached.

4.3 De-identify any and all PHI obtained by Business Associate under this BAA, which De-identified information does not constitute PHI, is not subject to this BAA and may be used and disclosed on Business Associate's own behalf, all in accordance with the De-identification requirements of the Privacy Rule.

4.4 Provide Data Aggregation services relating to the Health Care Operations of the Covered Entity, including through subcontractors and agents, in accordance with the Privacy Rule.

4.5 Identify Research projects conducted by Business Associate, its Affiliates or third parties for which PHI may be relevant; obtain on behalf of Covered Entity documentation of individual authorizations or an Institutional Review Board or privacy board waiver that meets the requirements of 45 C.F.R. § 164.512(i)(1) (each an ""Authorization" or "Waiver") related to such projects; provide Covered Entity with copies of such Authorizations or Waivers, subject to confidentiality obligations owed to the sponsor of the study ("Required Documentation"); and disclose PHI for such Research provided that Business Associate does not receive Covered Entity's disapproval in writing within ten (10) days of Covered Entity's receipt of Required Documentation.

4.6 Make PHI available for reviews preparatory to Research and obtain and maintain written representations in accord with 45 C.F.R. 164.512(i)(1)(ii) that the requested PHI is sought solely as necessary to prepare a Research protocol or for similar purposes preparatory to Research, that the PHI is necessary for the Research, and that no PHI will be removed from the location in which it is being held on behalf of the Covered Entity in the course of the review.

4.7 Use the PHI to create a Limited Data Set ("LDS") in compliance with 45 C.F.R. 164.514(e).

4.8 Use and disclose the LDS referenced in Section 4.7 solely for Research, Health Care Operations, or Public Health purposes provided that Business Associate shall: (1) not use or further disclose the information other than as permitted by this Section 4.8 or as otherwise Required by Law; (2) use appropriate safeguards to prevent use or disclosure of the information other than as provided for by this Section 4.8; (3) report to Covered Entity any use or disclosure of the information not provided for by this Section 4.8 of which Business Associate becomes aware; (iv) ensure that any agents or subcontractors to whom Business Associate provides the LDS agree to the same restrictions and conditions that apply to Business Associate with respect to such information; and (v) not identify the information or contact the individuals.

5. TERM, TERMINATION, COOPERATION, AND INDEMNIFICATION

5.1 Term. The Term of this BAA shall be effective as of the Effective Date, and shall terminate upon the final expiration of the contract or business arrangement unless earlier terminated in accordance with Section 5.2 of this BAA.

5.2 Termination. If either Party knows of a pattern of activity or practice of the other Party that constitutes a material breach or violation of this BAA then the non-breaching Party shall provide written notice of the breach or violation to the other Party that specifies the nature of the breach or violation. The breaching Party must cure the breach or end the violation on or before sixty (30) days after receipt of the written notice. In the absence of a cure reasonably satisfactory to the non-breaching Party within the specified time frame, or in the event the breach is reasonably incapable of cure, then the non-breaching Party may do the following:

(1) If feasible, terminate the Agreement, including this BAA; or

(2) If termination of the Agreement is infeasible, report the issue to HHS.

5.3 Effect of Termination or Expiration. Within sixty (60) days after the termination or expiration of the contract and/or this BAA, Business Associate shall return or destroy all PHI, if feasible to do so, including all PHI in possession of Business Associate's agents or subcontractors. If Business Associate determines that return or destruction of the PHI is not feasible, Business Associate may retain the PHI subject to this Section 5.3. Under any circumstances, Business Associate shall extend any and all protections; limitations and restrictions contained in this BAA to Business Associate's use and/or disclosure of any PHI retained after the termination or expiration of this BAA, and shall limit any further uses and/or disclosures solely to the purposes that make return or destruction of the PHI infeasible.

5.4 Cooperation. Each Party shall cooperate in good faith in all respects with the other Party in connection with any request by a federal or state governmental authority for additional information and documents or any governmental investigation, complaint, action or other inquiry.

6. MISCELLANEOUS

6.1 Scope of BAA. This BAA relates only to the use, disclosure and protection of PHI if it is disclosed to, created or received by Business Associate in connection with any relation between Business Associate and Covered Entity, is the sole understanding between the parties relating to such matters, and supersedes all prior BAAs and understandings, whether oral or written.

6.2 Contradictory Terms; Construction of Terms. The terms of this BAA to the extent they are unclear shall be construed to allow for compliance by Covered Entity and Business Associate with HIPAA and ARRA.

6.3 No Third Party Beneficiaries. Nothing in this BAA shall confer upon any person other than the Parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

6.4 Survival. Sections 4.8, 5.3, 5.4, 6.2, 6.3 and 6.4 shall survive the termination for any reason or expiration of this BAA or the BAA.

6.5 Independent Contractor. Business Associate and Covered Entity are and shall remain independent contractors throughout the term. Nothing in this BAA shall be construed to constitute Business Associate and Covered Entity as partners, joint venturers, agents or anything other than independent contractors.

UHIC AMEND (07/06)

UnitedHealthcare Insurance Company

A Stock Company

185 Asylum Street, Hartford, Connecticut

Phone: 1-860-702-5000

SCHEDULE OF BENEFITS

This Schedule of Benefits is only applicable to Excess Loss Insurance provided by the Company during the Policy Period shown below.

Policyholder: Adams County Government

Policy Number: GA-701043AL

Effective Date: January 1, 2020

Administrator: United HealthCare Services, Inc.

Coverage specified herein is applicable only during the Policy Period from January 1, 2020 through December 31, 2020, and is further subject to all terms and conditions of this Policy.

SPECIFIC EXCESS LOSS INSURANCE

Benefit Period: Covered Expenses Incurred from January 1, 2007 through December 31, 2020 and Paid from January 1, 2020 through December 31, 2020.

Specific Deductible per Covered Person: $300,000

Specific Percentage Reimbursable: 100%

Maximum Specific Benefit per Covered Person: Unlimited

Specific Excess Loss Insurance includes:

- Medical
- Stand Alone Prescription Drug Program

Specific Excess Loss Premium: $55.45 per subscriber per month

EXPERIENCE REFUND ENDORSEMENT

Policyholder: Adams County Government

Effective Date: January 1, 2020

In consideration for the premium shown in the Schedule of Excess Loss, the Excess Loss Insurance Policy (the "Policy") will be revised with the addition of Experience Refund Provision.

EXPERIENCE REFUND

The Company will pay the Policyholder an Experience Refund of 25% of Net Profit if the Company issues the Policyholder a Policy/Amendment that provides insurance for a Subsequent Policy Period and insurance is continuous from the first day of the Policy Period through the entire Subsequent Policy Period.

NET PROFIT

Net Profit is calculated as:

a. 60% of the sum of all premiums paid by the Policyholder for the Specific Excess Loss Insurance for the Policy Period; minus

b. the sum of all Specific Excess Loss Insurance claims for the Policy Period.

CALCULATION OF REFUND

Company will calculate and send to the Policyholder, the Experience Refund, if due, 6 months after the end of the Policy Period. A premium credit in the amount of the Experience Refund will be applied to the next available bill.

If Specific Excess Loss Insurance claims are paid after an Experience Refund has been paid to the Policyholder, and such claims relate to the Policy Period for which the Experience Refund has been paid a new Net Profit will be calculated and the Policyholder shall reimburse Company for any reduction in the Experience Refund within thirty (30) days after written notice by the Company. Company may, at its option be reimbursed for any reduction on a previously paid Experience Refund by subtracting the reduced amount from any future payable claim.

All other provisions of the Excess Loss Insurance Policy remain unaffected by this Endorsement.

William J Golden, President

Thomas J. McGuire, Secretary

Summary Plan Description

Adams County Government
Choice Plan

Effective: January 1, 2020
Group Number: 701043

UnitedHealthcare®

TABLE OF CONTENTS

SECTION 1 - WELCOME

Quick Reference Box

- Member services, claim inquiries, Care Coordination℠ and Mental Health/Substance-Related and Addictive Disorder Administrator: 1-800-847-2744.
- Claims submittal address: UnitedHealthcare - Claims, P.O. Box 30555, Salt Lake City, UT 84130-0555.
- Online assistance: **www.myuhc.com**.

This Summary Plan Description (SPD), which describes the health Benefits available to you and your covered family members. It includes summaries of:

- Who is eligible.
- Services that are covered, called Covered Health Services.
- Services that are not covered, called Exclusions and Limitations.
- How Benefits are paid.
- Your rights and responsibilities under the Plan.

This SPD supersedes any previous printed or electronic SPD for this Plan.

The Plan Administrator intends to continue this Plan, but reserves the right, in its sole discretion, to modify, change, revise, amend or terminate the Plan at any time, for any reason, and without prior notice subject to any collective bargaining agreements between the Employer and various unions, if applicable. This SPD is not to be construed as a contract of or for employment. If there should be an inconsistency between the contents of this summary and the contents of the Plan, your rights shall be determined under the Plan and not under this summary.

UnitedHealthcare is a private healthcare claims administrator. UnitedHealthcare's goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. The Plan Administrator is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Adams County Government Choice Health Benefit Plan works. If you have questions contact your local Human Resources department or call the number on the back of your ID card.

How To Use This SPD

- Read the entire SPD, and share it with your family. Then keep it in a safe place for future reference.
- Many of the sections of this SPD are related to other sections. You may not have all the information you need by reading just one section.
- You can find copies of your SPD and any future amendments or request printed copies by contacting Human Resources.
- Capitalized words in the SPD have special meanings and are defined in Section 14, *Glossary*.
- If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 14, *Glossary*.
- The Plan Administrator is also referred to as Company.
- If there is a conflict between this SPD and any benefit summaries (other than Summaries of Material Modifications) provided to you, this SPD will control.

SECTION 2 - INTRODUCTION

What this section includes:

- Who's eligible for coverage under the Plan.
- The factors that impact your cost for coverage.
- Instructions and timeframes for enrolling yourself and your eligible Dependents.
- When coverage begins.
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are a regular full-time employee or project designated employee of the Plan Sponsor who is scheduled to work at his or her job at least 40 hours per week or a regular part-time employee or project designated employee of the Plan Sponsor who is scheduled to work at least 30 hours per week..

An eligible person also includes designated elected officials who are serving in an active capacity.

An eligible Person also includes a Retired Employee, as defined under (Section 14: Glossary).

Retirees over 65 years of age, actively enrolled in Medicare are not eligible for coverage. Please contact the Plan Administrator for more information regarding your options after Medicare eligibility.

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- Your legal Spouse by marriage or common law (a copy of the marriage certificate or common law affidavit is required).
- Civil Union partners (certificate required).
- Domestic Partner (certificate required) as defined in Section 14, *Glossary*.
- You and/or your Spouse's, Domestic Partner's or civil union partner's biological children under the age of 26.
    - Children born through a gestational carrier or surrogate are not Dependents under the terms of the Plan unless the surrogate is an eligible Dependent under the terms of the plan and submits legal guardianship of the child to the Plan Administrator.
- A child of any age who is medically certified as disabled and dependent upon you or your Spouse for their total support.
- Children placed for adoption or for whom you have obtained legal guardianship.

- A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

To be eligible for coverage under the Plan, a Dependent must reside within the United States.

Note: Your Dependents may not enroll in the Plan unless you are also enrolled, except under certain circumstances. Contact the Plan Administrator for details.

Cost of Coverage

You and the Company share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Your contributions may be deducted from your paychecks on a before-tax basis. Before-tax dollars come out of your pay before federal income and Social Security taxes are withheld—and in most states, before state and local taxes are withheld. This gives your contributions a special tax advantage and lowers the actual cost to you.

Note: The Internal Revenue Service generally does not consider Domestic Partners and their children eligible Dependents. Therefore, the value of Adams County Government's cost in covering a Domestic Partner may be imputed to the Participant as income. In addition, the share of the Participant's contribution that covers a Domestic Partner and their children may be paid using after-tax payroll deductions.

Your contributions are subject to review and the Company reserves the right to change your contribution amount from time to time.

You can obtain current contribution rates by calling Human Resources.

How to Enroll

To enroll, call Human Resources within 31 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 31 days, you will need to wait until the next annual Open Enrollment to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective the following January 1.

Important
If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact Human Resources within 31 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

When Coverage Begins

Once Human Resources receives your properly completed enrollment, coverage will begin on the first day of the month following date of hire, when date of hire coincides with first of the month then effective immediately. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent stepchild that you acquire via marriage becomes effective the date of your marriage, provided you notify Human Resources within 31 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify Human Resources within 31 days of the birth, adoption, or placement.

If You Are Hospitalized When Your Coverage Begins

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, the Plan will pay Benefits for Covered Health Services related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.

You should notify UnitedHealthcare within 48 hours of the day your coverage begins, or as soon as is reasonably possible.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- Your marriage, divorce, legal separation or annulment.
- Registering a Domestic Partner.
- The birth, legal adoption, placement for adoption or legal guardianship of a child.
- A change in your Spouse's employment or involuntary loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan.
- Loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis.
- Your death or the death of a Dependent.
- Your Dependent child no longer qualifying as an eligible Dependent.
- A change in your or your Spouse's position or work schedule that impacts eligibility for health coverage.
- Contributions were no longer paid by the employer (this is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer).

- You or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent.
- Benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent.
- Termination of your or your Dependent's *Medicaid* or *Children's Health Insurance Program (CHIP)* coverage as a result of loss of eligibility (you must contact Human Resources within 60 days of termination).
- You or your Dependent become eligible for a premium assistance subsidy under *Medicaid* or *CHIP* (you must contact Human Resources within 60 days of the date of determination of subsidy eligibility).
- A strike or lockout involving you or your Spouse.
- A court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact Human Resources within 31 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 26 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Change in Family Status - Example
Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in Adams County Government's medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under the Plan Administrator's medical plan outside of annual Open Enrollment.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Accessing Benefits.
- Eligible Expenses.
- Annual Deductible.
- Copayment.
- Coinsurance.
- Out-of-Pocket Maximum.

Accessing Benefits

As a participant in this Plan, you have the freedom to choose the Network Physician or health care professional you prefer each time you need to receive Covered Health Services.

You are eligible for Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services. You must see a Network Physician in order to obtain Benefits. Except as specifically described within the SPD, Benefits are not available for services provided by a non-Network provider. This Plan does not provide a non-Network level of Benefits.

Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider. You are not required to select a Primary Physician in order to obtain Benefits. In general health care terminology, a Primary Physician may also be referred to as a Primary Care Physician or PCP. Benefits for facility services apply when Covered Health Services are provided at a Network facility. Benefits include Physician services provided in a Network facility by a Network or a non-Network radiologist, anesthesiologist, pathologist, Emergency room Physician and consulting Physician. Benefits also include Emergency Health Services.

Designated Network Benefits apply to Covered Health Services that are provided by a Network Physician or other provider that is identified by UnitedHealthcare as a Designated Provider. Only certain Physicians and providers have been identified as a Designated Provider. Designated Network Benefits are available only for specific Covered Health Services as identified in Section 5, *Plan Highlights*. When Designated Network Benefits apply, they are included in and subject to the same Annual Deductible and Out-of-Pocket Maximum requirements as all other Covered Health Services provided by Network providers.

Network Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider.

Emergency Health Services are always paid as Network Benefits. For facility charges, these are Benefits for Covered Health Services that are billed by a Network facility and provided under the direction of either a Network or non-Network Physician or other provider.

Network Benefits include Physician services provided in a Network facility by a Network or a non-Network Emergency room Physician, radiologist, anesthesiologist or pathologist.

Non-Network Benefits apply to Covered Health Services that are provided by a non-Network Physician or other non-Network provider, or Covered Health Services that are provided at a non-Network facility. In general health care terminology, Non-Network Benefits may also be referred to as Out-of-Network Benefits.

Depending on the geographic area and the service you receive, you may have access through UnitedHealthcare's Shared Savings Program to non-Network providers who have agreed to discounts negotiated from their charges on certain claims for Covered Health Services. Refer to the definition of Shared Savings Program in Section 14, *Glossary*, of the SPD for details about how the Shared Savings Program applies.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto **www.myuhc.com**.

Network providers are independent practitioners and are not employees of the Company or UnitedHealthcare. It is your responsibility to select your provider.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

Before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling UnitedHealthcare. A directory of providers is available online at **www.myuhc.com** or by calling the number on your ID card to request a copy.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Benefits.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition

period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact the number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of UnitedHealthcare's products. Refer to your provider directory or contact UnitedHealthcare for assistance.

Health Services from Non-Network Providers

If specific Covered Health Services are not available from a Network provider, you may be eligible for Benefits when Covered Health Services are received from a non-Network provider. In this situation, your Network Physician will notify the Claims Administrator, and if the Claims Administrator confirms that care is not available from a Network provider, the Claims Administrator will work with you and your Network Physician to coordinate care through a non-Network provider.

When you receive Covered Health Services through a Network Physician, the Plan will pay Network Benefits for those Covered Health Services, even if one or more of those Covered Health Services is received from a non-Network provider.

Looking for a Network Provider?
In addition to other helpful information, **www.myuhc.com,** UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, **www.myuhc.com** has the most current source of Network information. Use **www.myuhc.com** to search for Physicians available in your Plan.

Possible Limitations on Provider Use

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, you may be required to select a Network Physician to provide and coordinate all of your future Covered Health Services.

If you don't make a selection within 31 days of the date you are notified, UnitedHealthcare will select a single Network Physician for you.

In the event that you do not use the selected Network Physician, Benefits will not be paid.

Designated Provider and Other Providers

If you have a medical condition that UnitedHealthcare believes needs special services, UnitedHealthcare may direct you to a Designated Provider chosen by UnitedHealthcare. If you require certain complex Covered Health Services for which expertise is limited, UnitedHealthcare may direct you to a Network facility or provider that is outside your local geographic area. If you are required to travel to obtain such Covered Health Services from a

Designated Provider, UnitedHealthcare may reimburse certain travel expenses at UnitedHealthcare's discretion.

In both cases, Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Provider or other provider chosen by UnitedHealthcare.

You or your Network Physician must notify UnitedHealthcare of special service needs (such as transplants or cancer treatment) that might warrant referral to a Designated Provider. If you do not notify UnitedHealthcare in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Provider) or other non-Network provider, Benefits will not be paid.

Eligible Expenses

The Company has delegated to UnitedHealthcare the initial discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount UnitedHealthcare determines that UnitedHealthcare will pay for Benefits. For Designated Network Benefits and Network Benefits for Covered Health Services provided by a Network provider, you are not responsible for any difference between Eligible Expenses and the amount the provider bills. For Covered Health Services provided by a non-Network provider (other than services otherwise arranged by UnitedHealthcare, you will be responsible to the non-Network provider for any amount billed that is greater than the amount UnitedHealthcare determines to be an Eligible Expense as described below. Eligible Expenses are determined solely in accordance with UnitedHealthcare's reimbursement policy guidelines, as described in the SPD.

For Designated Network Benefits and Network Benefits, Eligible Expenses are based on the following:

- When Covered Health Services are received from a Designated Network and Network provider, Eligible Expenses are UnitedHealthcare's contracted fee(s) with that provider.
- When Covered Health Services are received from a non-Network provider as a result of an Emergency or as arranged by UnitedHealthcare, Eligible Expenses are an amount negotiated by UnitedHealthcare or an amount permitted by law. Please contact UnitedHealthcare if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible. The Plan will not pay excessive charges or amounts you are not legally obligated to pay.

Don't Forget Your ID Card
Remember to show your ID card every time you receive health care services from a Network provider. If you do not show your ID card, a Network provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses you must pay each calendar year for some Covered Health Services before you are eligible to begin receiving Benefits. The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

This Plan includes an Annual Deductible that applies to certain Covered Health Services. Refer to Section 5, *Plan Highlights*, for details about the specific Covered Health Services to which the Annual Deductible applies.

The amount that is applied to the Annual Deductible is calculated on the basis of Eligible Expenses. The Annual Deductible does not include any amount that exceeds Eligible Expenses. Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is calculated as a flat dollar amount and is paid at the time of service or when billed by the provider. When Copayments apply, the amount is listed in Section 5, *Plan Highlights*, next to the description for each Covered Health Service.

Please note that for Covered Health Services, you are responsible for paying the lesser of:

- The applicable Copayment.
- The Eligible Expense.

Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Copays count toward the Out-of-Pocket Maximum. Copays do not count toward the Annual Deductible. If the Eligible Expense is less than the Copay, you are only responsible for paying the Eligible Expense and not the Copay.

Coinsurance

Coinsurance is the amount you pay (calculated as a percentage of Eligible Expenses) each time you receive certain Covered Health Services.

Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the calendar year.

The following will never apply to the Out-of-Pocket Maximum:

- Charges for Non-Covered Health Services.
- The amount of any reduced benefits if you don't notify the Claims Administrator.
- Charges that exceed eligible expenses.

The following table identifies what does and does not apply toward your Out-of-Pocket Maximums:

Plan Features	Applies to the Network Out-of-Pocket Maximum?
Copays, including those for Covered Health Services available in Section 15, *Outpatient Prescription Drugs*	Yes
Payments toward the Annual Deductible	Yes
Coinsurance Payments	Yes
Charges for non-Covered Health Services	No
The amounts of any reductions in Benefits you incur by not notifying Care Coordination℠	No

SECTION 4 - CARE COORDINATION℠

What this section includes:

- An overview of the Care Coordination℠ program.
- Covered Health Services for which you need to contact Care Coordination℠.

UnitedHealthcare provides a program called Care Coordination℠ designed to encourage personalized, efficient care for you and your covered Dependents.

Care Coordination℠ nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Care Coordination℠ nurse is notified when you or your provider calls the number on your ID card regarding an upcoming treatment or service.

Care Coordination℠ nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. When the Claims Administrator is called as required, they will work with you to implement the Care CoordinationSM process and to provide you with information about additional services that are available to you, such as disease management programs, health education, and patient advocacy. As of the publication of this SPD, the Care CoordinationSM program includes:

- Admission counseling - Nurse Advocates are available to help you prepare for a successful surgical admission and recovery. Call the number on the back of your ID card for support.
- Inpatient care management - If you are hospitalized, a Care CoordinationSM nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- Readmission Management - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Care CoordinationSM nurse to confirm that medications, needed equipment, or follow-up services are in place. The Care CoordinationSM nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.
- Risk Management - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Care CoordinationSM nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Care Coordination℠ nurse but feel you could benefit from any of these programs, please call the number on your ID card.

Contacting UnitedHealthcare or Care Coordination℠ is easy.
Simply call the number on your ID card.

Network providers are generally responsible for notifying the Claims Administrator before they provide certain services to you. However, there are some Network Benefits for which you are responsible for notifying the Claims Administrator.

When you choose to receive certain Covered Health Services from non-Network providers, you are responsible for notifying the Claims Administrator before you receive these Covered Health Services. In many cases, your Non-Network Benefits will be reduced if the Claims Administrator is not notified.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis (Medicare pays before the Plan pays Benefits) the notification requirements do not apply to you. Since Medicare is the primary payer, the Plan will pay as secondary payer as described in Section 10, *Coordination of Benefits (COB)*. You are not required to provide notification before receiving Covered Health Services.

SECTION 5 - PLAN HIGHLIGHTS

What this section includes:

- Payment Terms and Features.
- Schedule of Benefits.

Payment Terms and Features

The table below provides an overview of Copays that apply when you receive certain Covered Health Services, and outlines the Plan's Annual Deductible and Out-of-Pocket Maximum.

Plan Features	Designated Network (includes United UnitedHealth Premium®) and Network Amounts
Copays In addition to these Copays, you may be responsible for meeting the Annual Deductible for the Covered Health Services described in the chart on the following pages.	
■ Emergency Health Services.	$200
■ Physician's Office Services - Primary Physician.	**Designated Network** $30 **Network** $30
■ Physician's Office Services – Specialist Physician.	**Designated Network** $40 **Network** $80
■ Rehabilitation Services – Outpatient Therapy and Manipulative Treatment.	$30
■ Urgent Care Center Services.	$40
■ Virtual Visits.	$30

Plan Features	Designated Network (includes United UnitedHealth Premium®) and Network Amounts
Copays do not apply toward the Annual Deductible. Copays do apply toward the Out-of-Pocket Maximum.	
Annual Deductible ■ Individual. ■ Family (not to exceed the Individual amount for all Covered Persons in a family). **Coupons:** The Plan Sponsor may not permit certain coupons or offers from pharmaceutical manufacturers or an affiliate to apply to your Annual Deductible.	$500 $1,000
Annual Out-of-Pocket Maximum ■ Individual. ■ Family (not to exceed the Individual amount for all Covered Persons in a family). The Annual Deductible does apply toward the Out-of-Pocket Maximum for any Covered Health Services. **Coupons:** The Plan Sponsor may not permit certain coupons or offers from pharmaceutical manufacturers or an affiliate to apply to your Annual Out-of-Pocket Maximum. The Annual Out-of-Pocket Maximum applies to all Covered Health Services under the Plan, including Covered Health Services provided in Section 15, *Outpatient Prescription Drugs*.	$4,500 $9,000

Plan Features	Designated Network (includes United UnitedHealth Premium®) and Network Amounts
Lifetime Maximum Benefit There is no dollar limit to the amount the Plan will pay for essential Benefits during the entire period you are enrolled in this Plan. Generally the following are considered to be essential benefits under the *Patient Protection and Affordable Care Act:* Ambulatory patient services; emergency services, hospitalization; maternity and newborn care; mental health and substance-related and addictive disorders services (including behavioral health treatment); prescription drug products; rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services and chronic disease management; and pediatric services (including oral and vision care).	Unlimited

Schedule of Benefits

This table provides an overview of the Plan's coverage levels. For detailed descriptions of your Benefits, refer to Section 6, *Additional Coverage Details*.

Covered Health Services[1]	Benefit ***(The Amount Payable by the Plan based on Eligible Expenses)***
	Designated Network and Network
Ambulance Services	*Ground and/or Air Ambulance*
■ Emergency Ambulance.	95% after you meet the Annual Deductible
■ Non-Emergency Ambulance.	95% after you meet the Annual Deductible
Cancer Services For Network Benefits, oncology services must be received by a Designated Provider.	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.

Covered Health Services[1]	Benefit *(The Amount Payable by the Plan based on Eligible Expenses)* Designated Network and Network
See *Cancer Resource Services (CRS)* in Section 6, *Additional Coverage Details*.	
Cellular and Gene Therapy Services must be received at a Designated Provider.	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.
Clinical Trials Benefits are available when the Covered Health Services are provided by either Network or non-Network providers, however the non-Network provider must agree to accept the Network level of reimbursement by signing a network provider agreement specifically for the patient enrolling in the trial. (Non-Network Benefits are not available if the non-Network provider does not agree to accept the Network level of reimbursement.)	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.
Congenital Heart Disease (CHD) Surgeries See *Congenital Heart Disease (CHD) Surgeries* in Section 6, *Additional Coverage Details*, for additional details.	95% after you meet the Annual Deductible
Dental Services - Accident Only	95% after you meet the Annual Deductible
Diabetes Services Diabetes Self-Management and Training/ Diabetic Eye Examinations/Foot Care	Depending upon where the Covered Health Service is provided, Benefits for diabetes self-management and training/diabetic eye examinations/foot care will be paid the same as those stated under each Covered Health Service category in this section.

Covered Health Services[1]	Benefit *(The Amount Payable by the Plan based on Eligible Expenses)* Designated Network and Network
Diabetes Self-Management Items	Depending upon where the Covered Health Service is provided, Benefits for diabetes self-management items will be the same as those stated under *Durable Medical Equipment* in this section and in Section 15, *Outpatient Prescription Drugs*.
Durable Medical Equipment (DME) See *Durable Medical Equipment* in Section 6, *Additional Coverage Details*, for limits.	95% after you meet the Annual Deductible
Emergency Health Services - Outpatient If you are admitted as an inpatient to a Hospital directly from the Emergency room, you will not have to pay this Copay. The Benefits for an Inpatient Stay in a Hospital will apply instead.	100% after you pay a Copayment of $200 per visit
Gender Dysphoria	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section and in Section 15, *Outpatient Prescription Drugs*.
Hearing Aids See Section 6, Additional Coverage Details, for limits.	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.
Home Health Care See Section 6, *Additional Coverage Details*, for limits.	95% after you meet the Annual Deductible
Hospice Care See Section 6, *Additional Coverage Details*, for limits.	95% after you meet the Annual Deductible
Hospital - Inpatient Stay	95% after you meet the Annual Deductible

Covered Health Services[1]	**Benefit** *(The Amount Payable by the Plan based on Eligible Expenses)*
	Designated Network and Network
Kidney Services For Network Benefits, kidney services must be received by a Designated Provider. *See Kidney Resource Services (KRS) in Section 6, Additional Coverage Details.*	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.
Lab, X-Ray and Diagnostics - Outpatient	
■ Lab testing - Outpatient.	100% at a freestanding lab 95% at a Hospital-based lab after you meet the Annual Deductible 100% after you pay the applicable Copayment per visit at a Physician's office-based lab No copayment applies when no Physician charge is assessed.
■ X-ray and Other Diagnostic Testing - Outpatient.	100% after you pay a Copayment of $150 per date of service at a free-standing center 95% at a Hospital-based lab after you meet the Annual Deductible 100% after you pay the applicable Copayment per visit at a Physician's office-based lab No copayment applies when no Physician charge is assessed.
■ PSA Screenings	100%
Lab, X-Ray and Major Diagnostics – CT, PET, MRI, MRA and Nuclear Medicine - Outpatient	100% after you pay a Copayment of $150 per date of service at a free-standing center 95% at a Hospital-based lab after you meet the Annual Deductible

Covered Health Services[1]	Benefit *(The Amount Payable by the Plan based on Eligible Expenses)* Designated Network and Network
Mental Health Services ■ Inpatient. ■ Outpatient. ■ Outpatient – Group Visit.	95% after you meet the Annual Deductible 100% after you pay a Copayment of $30 per visit 100% after you pay a Copayment of $20 per visit 95% for Partial Hospitalization/Intensive Outpatient Treatment after you meet the Annual Deductible
Neonatal Resource Services (NRS) For Network Benefits, neonatal services must be received by a Designated Provider. See *Neonatal Resource Services (NRS)* in Section 6, *Additional Coverage Details*.	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.
Neurobiological Disorders - Autism Spectrum Disorder Services ■ Inpatient. ■ Outpatient. ■ Outpatient – Group Visit.	95% after you meet the Annual Deductible 100% after you pay a Copayment of $30 per visit 100% after you pay a Copayment of $20 per visit 95% for Partial Hospitalization/Intensive Outpatient Treatment after you meet the Annual Deductible
Ostomy Supplies	95% after you meet the Annual Deductible

Covered Health Services[1]	Benefit *(The Amount Payable by the Plan based on Eligible Expenses)* Designated Network and Network
Pharmaceutical Products - Outpatient ■ Primary Physician.	**Designated Network** 100% after you pay a Copayment of $30 per visit **Network** 100% after you pay a Copayment of $30 per visit
■ Specialist Physician.	**Designated Network** 100% after you pay a Copayment of $40 per visit **Network** 100% after you pay a Copayment of $80 per visit
Physician Fees for Surgical and Medical Services	95% after you meet the Annual Deductible
Physician's Office Services - Sickness and Injury ■ Primary Physician.	**Designated Network** 100% after you pay a Copayment of $30 per visit **Network** 100% after you pay a Copayment of $30 per visit
■ Specialist Physician.	**Designated Network** 100% after you pay a Copayment of $40 per visit **Network** 100% after you pay a Copayment of $80 per visit

Covered Health Services[1]	Benefit *(The Amount Payable by the Plan based on Eligible Expenses)* Designated Network and Network
Pregnancy – Maternity Services A Deductible will not apply for a newborn child whose length of stay in the Hospital is the same as the mother's length of stay.	Benefits will be the same as those stated under each Covered Health Service category in this section.
Preventive Care Services ■ Physician Office Services. ■ Lab, X-ray or Other Preventive Tests. ■ Breast Pumps.	100% 100% 100%
Prosthetic Devices See Section 6, *Additional Coverage Details*, for limits.	95% after you meet the Annual Deductible
Reconstructive Procedures	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.
Rehabilitation Services - Outpatient Therapy and Manipulative Treatment See Section 6, *Additional Coverage Details*, for visit limits.	100% after you pay a Copayment of $30 per visit
Scopic Procedures - Outpatient Diagnostic and Therapeutic	100% after you pay a Copayment of $150 per date of service at a free-standing center 95% at a Hospital-based lab after you meet the Annual Deductible 100% after you pay the applicable Copayment per visit at a Physician's office-based lab

Covered Health Services[1]	Benefit *(The Amount Payable by the Plan based on Eligible Expenses)* Designated Network and Network
Skilled Nursing Facility/Inpatient Rehabilitation Facility Services See Section 6, *Additional Coverage Details*, for limits.	95% after you meet the Annual Deductible
Substance-Related and Addictive Disorders Services ■ Inpatient. ■ Outpatient. ■ Outpatient – Group Visit.	95% after you meet the Annual Deductible 100% after you pay a Copayment of $30 per visit 100% after you pay a Copayment of $20 per visit 95% for Partial Hospitalization/Intensive Outpatient Treatment after you meet the Annual Deductible
Surgery - Outpatient	95% after you meet the Annual Deductible
Therapeutic Treatments - Outpatient	100% after you pay a Copayment of $30 per visit
Transplantation Services	95% after you meet the Annual Deductible
Travel and Lodging Covered Health Services must be received by a Designated Provider.	For patient and companion(s) of patient undergoing transplant procedures
Urgent Care Center Services	100% after you pay a Copayment of $40 per visit
Virtual Visits Network Benefits are available only when services are delivered through a Designated Virtual Network Provider. You can find a Designated Virtual Network Provider by going to **www.myuhc.com** or by calling the telephone number on your ID card.	100% after you pay a Copayment of $30 per visit

Covered Health Services[1]	**Benefit** ***(The Amount Payable by the Plan based on Eligible Expenses)***
	Designated Network and Network
Vision Examinations See Section 6, Additional Coverage Details, for limits.	100% after you pay a Copayment of $30 per visit

[1]Please notify the Claims Administrator before receiving Covered Health Services, as described in Section 6, *Additional Coverage Details*.

SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits.
- Covered Health Services that require you to notify the Claims Administrator or Care Coordination℠ before you receive them, and any reduction in Benefits that may apply if you do not call the Claims Administrator or Care Coordination℠.

This section supplements the second table in Section 5, *Plan Highlights*.

While the table provides you with Benefit limitations along with Copayment, Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must call the Claims Administrator or Care Coordination℠. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions and Limitations*.

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 14, *Glossary* for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible, or would put your life or health in serious jeopardy. If special circumstances exist, UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers non-Emergency ambulance transportation by a licensed ambulance service (either ground or air ambulance as UnitedHealthcare determines appropriate) between facilities when the transport is any of the following:

- From a non-Network Hospital to the closest Network Hospital.
- To the closest Network Hospital or facility that provides Covered Health Services that were not available at the original Hospital or facility.
- From a short-term acute care facility to the closest Network long-term acute care facility (LTAC), Network Inpatient Rehabilitation Facility, or other Network sub-acute facility.

For the purpose of this Benefit the following terms have the following meanings:

- "Long-term acute care facility (LTAC)" means a facility or Hospital that provides care to people with complex medical needs requiring long-term Hospital stay in an acute or critical setting.
- "Short-term acute care facility" means a facility or Hospital that provides care to people with medical needs requiring short-term Hospital stay in an acute or critical setting such

as for recovery following a surgery, care following sudden Sickness, Injury, or flare-up of a chronic Sickness.

- "Sub-acute facility" means a facility that provides intermediate care on short-term or long-term basis.

In most cases, the Claims Administrator will initiate and direct non-Emergency ambulance transportation. If you are requesting non-Emergency ambulance services, please remember that you must notify the Claims Administrator as soon as possible prior to the transport.

If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Cancer Resource Services (CRS)

The Plan pays Benefits for oncology services provided by a Designated Provider participating in the Cancer Resource Services (CRS) program. Designated Provider is defined in Section 14, *Glossary*.

For oncology services and supplies to be considered Covered Health Services, they must be provided to treat a condition that has a primary or suspected diagnosis relating to cancer. If you or a covered Dependent has cancer, you may:

- Be referred to CRS by the Claims Administrator or Care Coordination℠.
- Call CRS at 1-866-936-6002.
- Visit www.myoptumhealthcomplexmedical.com.

To receive Benefits for a cancer-related treatment, you are not required to visit a Designated Provider. If you receive oncology services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury.
- Physician Fees for Surgical and Medical Services.
- Scopic Procedures - Outpatient Diagnostic and Therapeutic.
- Therapeutic Treatments - Outpatient.
- Hospital - Inpatient Stay.
- Surgery - Outpatient.

To receive Benefits under the CRS program, you must contact CRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CRS program if CRS provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Cellular and Gene Therapy

Cellular Therapy and Gene Therapy received on an inpatient or outpatient basis at a Hospital or on an outpatient basis at an Alternate Facility or in a Physician's office.

Benefits for CAR-T therapy for malignancies are provided as described under *Transplantation Services*.

Pre-Service Notification Requirement
For Benefits you must provide pre-service notification as soon as the possibility of a Cellular or Gene Therapy arises. If you fail to provide pre-service notification as required, No Benefits will be paid.

Clinical Trials

Benefits are available for routine patient care costs incurred during participation in a qualifying Clinical Trial for the treatment of:

- Cancer or other life-threatening disease or condition. For purposes of this benefit, a life-threatening disease or condition is one from which the likelihood of death is probable unless the course of the disease or condition is interrupted.
- Cardiovascular disease (cardiac/stroke) which is not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Surgical musculoskeletal disorders of the spine, hip and knees, which are not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Other diseases or disorders which are not life threatening for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.

Benefits include the reasonable and necessary items and services used to prevent, diagnose and treat complications arising from participation in a qualifying Clinical Trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the qualifying Clinical Trial as defined by the researcher.

Routine patient care costs for qualifying Clinical Trials include:

- Covered Health Services for which Benefits are typically provided absent a Clinical Trial.
- Covered Health Services required solely for the provision of the Experimental or Investigational Service(s) or item, the clinically appropriate monitoring of the effects of the service or item, or the prevention of complications.
- Covered Health Services needed for reasonable and necessary care arising from the provision of an Experimental or Investigational Service(s) or item.

Routine costs for Clinical Trials do not include:

- The Experimental or Investigational Service(s) or item. The only exceptions to this are:
  - Certain *Category B* devices.
  - Certain promising interventions for patients with terminal illnesses.
  - Other items and services that meet specified criteria in accordance with UnitedHealthcare's medical and drug policies.

- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- Items and services provided by the research sponsors free of charge for any person enrolled in the trial.

With respect to cancer or other life-threatening diseases or conditions, a qualifying Clinical Trial is a Phase I, Phase II, Phase III, or Phase IV Clinical Trial that is conducted in relation to the prevention, detection or treatment of cancer or other life-threatening disease or condition and which meets any of the following criteria in the bulleted list below.

With respect to cardiovascular disease or musculoskeletal disorders of the spine, hip and knees and other diseases or disorders which are not life-threatening, a qualifying Clinical Trial is a Phase I, Phase II, or Phase III Clinical Trial that is conducted in relation to the detection or treatment of such non-life-threatening disease or disorder and which meets any of the following criteria in the bulleted list below.

- Federally funded trials. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:
  - *National Institutes of Health (NIH).* (Includes *National Cancer Institute (NCI)*).
  - *Centers for Disease Control and Prevention (CDC).*
  - *Agency for Healthcare Research and Quality (AHRQ).*
  - *Centers for Medicare and Medicaid Services (CMS).*
  - A cooperative group or center of any of the entities described above or the *Department of Defense (DOD)* or the *Veterans Administration (VA).*
  - A qualified non-governmental research entity identified in the guidelines issued by the *National Institutes of Health* for center support grants.
  - The *Department of Veterans Affairs*, the *Department of Defense* or the *Department of Energy* as long as the study or investigation has been reviewed and approved through a system of peer review that is determined by the *Secretary of Health and Human Services* to meet both of the following criteria:

    - Comparable to the system of peer review of studies and investigations used by the *National Institutes of Health.*
    - Ensures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.

- The study or investigation is conducted under an investigational new drug application reviewed by the *U.S. Food and Drug Administration.*

- The study or investigation is a drug trial that is exempt from having such an investigational new drug application.
- The Clinical Trial must have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before participants are enrolled in the trial. UnitedHealthcare may, at any time, request documentation about the trial.
- The subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.

Please remember that you must notify the Claims Administrator or Care Coordination℠ as soon as the possibility of participation in a Clinical Trial arises. If the Claims Administrator or Care Coordination℠ is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Congenital Heart Disease (CHD) Surgeries

The Plan pays Benefits for Congenital Heart Disease (CHD) surgeries which are ordered by a Physician. CHD surgical procedures include surgeries to treat conditions such as coarctation of the aorta, aortic stenosis, tetralogy of fallot, transposition of the great vessels and hypoplastic left or right heart syndrome.

UnitedHealthcare has specific guidelines regarding Benefits for CHD services. Contact UnitedHealthcare at the number on your ID card for information about these guidelines.

The Plan pays Benefits for CHD services ordered by a Physician and received at a facility participating in the CHD Resource Services program. Benefits include the facility charge and the charge for supplies and equipment. Benefits for Physician services are described under *Physician Fees for Surgical and Medical Services*.

Surgery may be performed as open or closed surgical procedures or may be performed through interventional cardiac catheterization.

Benefits are available for the following CHD services:

- Outpatient diagnostic testing.
- Evaluation.
- Surgical interventions.
- Interventional cardiac catheterizations (insertion of a tubular device in the heart).
- Fetal echocardiograms (examination, measurement and diagnosis of the heart using ultrasound technology).
- Approved fetal interventions.

CHD services other than those listed above are excluded from coverage, unless determined by the Claims Administrator to be proven procedures for the involved diagnoses. Contact CHD Resource Services at 1-888-936-7246 before receiving care for information about

CHD services. More information is also available at **www.myoptumhealthcomplexmedical.com**.

If you receive Congenital Heart Disease services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury.
- Physician Fees for Surgical and Medical Services.
- Scopic Procedures - Outpatient Diagnostic and Therapeutic.
- Therapeutic Treatments - Outpatient.
- Hospital - Inpatient Stay.
- Surgery - Outpatient.

To receive Benefits under the CHD program, you must contact CHD Resource Services at 1-888-936-7246 prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CHD program if CHD provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Please remember, for Covered Health Services required to be received by a Designated Provider, you must notify the Claims Administrator as soon as the possibility of a CHD surgery arises. If you do not notify the Claims Administrator and if, as a result, the CHD surgeries are not performed by a Designated Provider, Benefits will not be paid.

Dental Services - Accident Only

Dental services are covered by the Plan when all of the following are true:

- Treatment is necessary because of accidental damage.
- Dental services are received from a Doctor of Dental Surgery or a Doctor of Medical Dentistry.
- The dental damage is severe enough that initial contact with a Physician or dentist occurs within 72 hours of the accident. (You may request an extension of this time period provided that you do so within 60 days of the Injury and if extenuating circumstances exist due to the severity of the Injury.)

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered having occurred as an accident. Benefits are not available for repairs to teeth that are damaged as a result of such activities.

The Plan also covers dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition limited to:

- Dental services related to medical transplant procedures.
- Initiation of immunosuppressive (medication used to reduce inflammation and suppress the immune system).
- Direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental services for final treatment to repair the damage caused by accidental Injury must be started within three months of the accident, or if not a Covered Person at the time of the accident, within the first three months of coverage under the Plan, unless extenuating circumstances exist (such as prolonged hospitalization or the presence of fixation wires from fracture care) and completed within 12 months of the accident, or if not a Covered Person at the time of the accident, within the first 12 months of coverage under the Plan.

The Plan pays for treatment of accidental Injury only for:

- Emergency examination.
- Necessary diagnostic X-rays.
- Endodontic (root canal) treatment.
- Temporary splinting of teeth.
- Prefabricated post and core.
- Simple minimal restorative procedures (fillings).
- Extractions.
- Post-traumatic crowns if such are the only clinically acceptable treatment.
- Replacement of lost teeth due to the Injury by implant, dentures or bridges.

Diabetes Services

Diabetes Self-Management and Training/Diabetic Eye Examinations/Foot Care

Outpatient self-management training for the treatment of diabetes, education and medical nutrition therapy services. Services must be ordered by a Physician and provided by appropriately licensed or registered health care professionals.

Benefits also include medical eye examinations (dilated retinal examinations) and preventive foot care for diabetes.

Diabetic Self-Management Items

Insulin pumps and supplies and continuous glucose monitors for the management and treatment of diabetes, based upon your medical needs. An insulin pump is subject to all the conditions of coverage stated under Durable Medical Equipment. Benefits for blood glucose meters, insulin syringes with needles, blood glucose and urine test strips, ketone test strips and tablets and lancets and lancet devices are described is Section 15, *Outpatient Prescription Drugs*.

Durable Medical Equipment (DME)

The Plan pays for Durable Medical Equipment (DME) that is:

- Ordered or provided by a Physician for outpatient use.
- Used for medical purposes.
- Not consumable or disposable.
- Not of use to a person in the absence of a Sickness, Injury or disability.
- Durable enough to withstand repeated use.
- Appropriate for use in the home.

If more than one piece of DME can meet your functional needs, you will receive Benefits only for the most Cost-Effective piece of equipment. Benefits are provided for a single unit of DME (example: one insulin pump) and for repairs of that unit.

Examples of DME include but are not limited to:

- Equipment to administer oxygen.
- Equipment to assist mobility, such as a standard wheelchair.
- Hospital beds.
- Delivery pumps for tube feedings.
- Negative pressure wound therapy pumps (wound vacuums).
- Burn garments.
- Insulin pumps and all related necessary supplies as described under *Diabetes Services* in this section.
- External cochlear devices and systems. Surgery to place a cochlear implant is also covered by the Plan. Cochlear implantation can either be an inpatient or outpatient procedure. See *Hospital - Inpatient Stay*, *Rehabilitation Services - Outpatient Therapy* and *Surgery - Outpatient* in this section.
- Orthotic devices when prescribed by Physician. This includes braces that straighten or change the shape of a body part.
- Braces that stabilize an injured body part, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an injured body part and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Dental braces are also excluded from coverage.
- Mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

The Plan also covers tubings, nasal cannulas, connectors and masks used in connection with DME.

Benefits also include speech aid devices and tracheo-esophageal voice devices required for treatment of severe speech impediment or lack of speech directly attributed to Sickness or Injury. Benefits for the purchase of speech aid devices and tracheo-esophageal voice devices are available only after completing a required three-month rental period.

Note: DME is different from prosthetic devices - see *Prosthetic Devices* in this section.

Benefits for speech aid devices and tracheo-esophageal voice devices are limited to the purchase of one device during the entire period of time a Covered Person is enrolled under the Plan. Benefits for repair/replacement are limited to once every three years.

Benefits are provided for the repair/replacement of a type of Durable Medical Equipment once every three calendar years.

At UnitedHealthcare's discretion, replacements are covered for damage beyond repair with normal wear and tear, when repair costs exceed new purchase price, or when a change in the Covered Person's medical condition occurs sooner than the three year timeframe. Repairs, including the replacement of essential accessories, such as hoses, tubes, mouth pieces, etc., for necessary DME are only covered when required to make the item/device serviceable and the estimated repair expense does not exceed the cost of purchasing or renting another item/device. Requests for repairs may be made at any time and are not subject to the three year timeline for replacement.

Emergency Health Services - Outpatient

The Plan's Emergency services Benefit pays for outpatient treatment at a Hospital or Alternate Facility when required to stabilize a patient or initiate treatment.

Network Benefits will be paid for an Emergency admission to a non-Network Hospital as long as the Claims Administrator is notified within one business day of the admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you continue your stay in a non-Network Hospital after the date your Physician determines that it is medically appropriate to transfer you to a Network Hospital, Network will not be provided. Eligible Expenses will be determined as described under *Eligible Expenses* in Section 3, *How the Plan Works*.

Benefits under this section are not available for services to treat a condition that does not meet the definition of an Emergency.

Gender Dysphoria

Benefits for the treatment of Gender Dysphoria limited to the following services:

- Psychotherapy for Gender Dysphoria and associated co-morbid psychiatric diagnoses as described under *Mental Health Services* in this section.
- Cross-sex hormone therapy:

  - Cross-sex hormone therapy administered by a medical provider (for example during an office visit) is provided under *Pharmaceutical Products – Outpatient* in the section.
  - Cross-sex hormone therapy dispensed from a pharmacy is provided under Section 15, *Outpatient Prescription Drugs*.

- Puberty suppressing medication injected or implanted by a medical provider in a clinical setting.
- Laboratory testing to monitor the safety of continuous cross-sex hormone therapy.
- Surgery for the treatment for Gender Dysphoria, including the surgeries listed below:

  Male to Female:

  - Clitoroplasty (creation of clitoris)
  - Labiaplasty (creation of labia)
  - Orchiectomy (removal of testicles)
  - Penectomy (removal of penis)
  - Urethroplasty (reconstruction of female urethra)
  - Vaginoplasty (creation of vagina)
  - Breast Construction

  Female to Male:

  - Bilateral mastectomy or breast reduction
  - Hysterectomy (removal of uterus)
  - Metoidioplasty (creation of penis, using clitoris)
  - Penile prosthesis
  - Phalloplasty (creation of penis)
  - Salpingo-oophorectomy (removal of fallopian tubes and ovaries)
  - Scrotoplasty (creation of scrotum)
  - Testicular prosthesis
  - Urethroplasty (reconstruction of male urethra)
  - Vaginectomy (removal of vagina)
  - Vulvectomy (removal of vulva)

Genital Surgery and Bilateral Mastectomy or Breast Reduction Surgery Documentation Requirements:

The Covered Person must provide documentation of the following for breast surgery:

- A written psychological assessment from at least one qualified behavioral health provider experienced in treating Gender Dysphoria. The assessment must document that the Covered Person meets all of the following criteria:
  - Persistent, well-documented Gender Dysphoria.
  - Capacity to make a fully informed decision and to consent for treatment.
  - Must be 18 years or older.
  - If significant medical or mental health concerns are present, they must be reasonably well controlled.

The Covered Person must provide documentation of the following for genital surgery:

- A written psychological assessment from at least two qualified behavioral health providers experienced in treating Gender Dysphoria, who have independently assessed the Covered Person. The assessment must document that the Covered Person meets all of the following criteria:
  - Persistent, well-documented Gender Dysphoria.
  - Capacity to make a fully informed decision and to consent for treatment.
  - Must 18 years or older.
  - If significant medical or mental health concerns are present, they must be reasonably well controlled.
  - Complete at least 12 months of successful continuous full-time real-life experience in the desired gender.
  - Complete 12 months of continuous cross-sex hormone therapy appropriate for the desired gender (unless medically contraindicated).
- The treatment plan is based on identifiable external sources including the *World Professional Association for Transgender Health (WPATH)* standards, and/or evidence-based professional society guidance.

Surgical Treatment: Please remember, you must notify the Claims Administrator as soon as the possibility for any of surgery arises.

Please call the phone number that appears on your ID card. **Non-Surgical Treatment:** Depending upon where the Covered Health Service is provided, any applicable notification requirements will be the same as those stated under each Covered Health Service category in this section.

Hearing Aids

The Plan pays Benefits for hearing aids required for the correction of a hearing impairment (a reduction in the ability to perceive sound which may range from slight to complete deafness). Hearing aids are electronic amplifying devices designed to bring sound more effectively into the ear. A hearing aid consists of a microphone, amplifier and receiver.

Benefits are available for a hearing aid that is purchased as a result of a written recommendation by a Physician. Benefits are provided for the hearing aid and for charges for associated fitting and testing.

If more than one type of hearing aid can meet your functional needs, Benefits are available only for the hearing aid that meets the minimum specifications for your needs. If you purchase a hearing aid that exceeds these minimum specifications, the Plan will pay only the amount that the Plan would have paid for the hearing aid that meets the minimum specifications, and you will be responsible for paying any difference in cost.

Benefits do not include bone anchored hearing aids. Bone anchored hearing aids are a Covered Health Service for which Benefits are available under the applicable medical/surgical Covered Health Services categories in this section only for Covered Persons who have either of the following:

- Craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid.
- Hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.

Benefits are limited to $3,500 per calendar year for Covered Persons over age 19. Benefits are unlimited to age 19. Benefits are limited to a single purchase (including repair/replacement) per hearing impaired ear every 3 calendar years.

Home Health Care

Covered Health Services are services that a Home Health Agency provides if you need care in your home due to the nature of your condition. Services must be:

- Ordered by a Physician.
- Provided by or supervised by a registered nurse in your home, or provided by either a home health aide or licensed practical nurse and supervised by a registered nurse.
- Not considered Custodial Care, as defined in Section 14, *Glossary*.
- Provided on a part-time, Intermittent Care schedule when Skilled Care is required. Refer to Section 14, *Glossary* for the definition of Skilled Care.

The Claims Administrator will determine if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are limited to 60 visits per calendar year. One visit equals four hours of Skilled Care services. This visit limit does not include any service which is billed only for the administration of intravenous infusion.

Hospice Care

Hospice care is an integrated program recommended by a Physician which provides comfort and support services for the terminally ill. Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. Benefits are available only when hospice care is received from a licensed hospice agency, which can include a Hospital.

Benefits are limited to 275 days during the entire period of time you are covered under this Plan. Hospital - Inpatient Stay

Hospital Benefits are available for:

- Non-Physician services and supplies received during an Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).

- Physician services for radiologists, anesthesiologists, pathologists and Emergency room Physicians.

The Plan will pay the difference in cost between a Semi-private Room and a private room only if a private room is necessary according to generally accepted medical practice.

Benefits for an Inpatient Stay in a Hospital are available only when the Inpatient Stay is necessary to prevent, diagnose or treat a Sickness or Injury. Benefits for other Hospital-based Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Benefits for Emergency admissions and admissions of less than 24 hours are described under *Emergency Health Services* and *Surgery - Outpatient*, *Scopic Procedures - Outpatient Diagnostic and Therapeutic*, and *Therapeutic Treatments - Outpatient*, respectively.

Hospital - Inpatient Stay

Hospital Benefits are available for:

- Non-Physician services and supplies received during an Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists, pathologists and Emergency room Physicians.

The Plan will pay the difference in cost between a Semi-private Room and a private room only if a private room is necessary according to generally accepted medical practice.

Benefits for an Inpatient Stay in a Hospital are available only when the Inpatient Stay is necessary to prevent, diagnose or treat a Sickness or Injury. Benefits for other Hospital-based Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Benefits for Emergency admissions and admissions of less than 24 hours are described under *Emergency Health Services* and *Surgery - Outpatient*, *Scopic Procedures - Outpatient Diagnostic and Therapeutic*, and *Therapeutic Treatments - Outpatient*, respectively.

Kidney Resource Services (KRS)

The Plan pays Benefits for Comprehensive Kidney Solution (CKS) that covers both chronic kidney disease and End Stage Renal Disease (ESRD) provided by a Designated Provider participating in the Kidney Resource Services (KRS) program. Designated Provider is defined in Section 14, *Glossary*.

In order to receive Benefits under this program, KRS must provide the proper notification to the Network provider performing the services. This is true even if you self-refer to a Network provider participating in the program. Notification is required:

- Prior to vascular access placement for dialysis.
- Prior to any ESRD services.

You or a covered Dependent may:

- Be referred to KRS by the Claims Administrator or Care Coordination[SM].
- Call KRS at 1-866-561-7518.

To receive Benefits related to ESRD and chronic kidney disease, you are not required to visit a Designated Provider. If you receive services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury.
- Physician Fees for Surgical and Medical Services.
- Scopic Procedures - Outpatient Diagnostic and Therapeutic.
- Therapeutic Treatments - Outpatient.
- Hospital - Inpatient Stay.
- Surgery - Outpatient.

To receive Benefits under the KRS program, you must contact KRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the KRS program if KRS provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Lab, X-Ray and Diagnostics - Outpatient

Services for Sickness and Injury-related diagnostic purposes, received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office include:

- Lab and radiology/X-ray.
- Mammography.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. (Benefits for other Physician services are described under Physician Fees for Surgical and Medical Services.)
- Presumptive Drug Tests and Definitive Drug Tests.

Any combination of Network Benefits and Non-Network Benefits is limited to 18 Presumptive Drug Tests per calendar year.

Any combination of Network Benefits and Non-Network Benefits is limited to 18 Definitive Drug Tests per calendar year.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*. Lab, X-ray and diagnostic services for preventive care are described under *Preventive Care Services* in this section. CT scans, PET scans, MRI, MRA,

nuclear medicine and major diagnostic services are described under *Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient* in this section.

Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient

Services for CT scans, PET scans, MRI, MRA, nuclear medicine, and major diagnostic services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Mental Health Services

Mental Health Services include those received on an inpatient or outpatient basis in a Hospital and an Alternate Facility or in a provider's office. All services must be provided by or under the direction of a properly qualified behavioral health provider.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment planning.
- Treatment and/or procedures.
- Medication management and other associated treatments.
- Individual, family, and group therapy.
- Provider-based case management services.
- Crisis intervention.
- Referral Services.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for referrals to providers and coordination of care.

Neonatal Resource Services (NRS)

The Plan pays Benefits for neonatal intensive care unit (NICU) services provided by a Designated Provider participating in the Neonatal Resource Services (NRS) program. NRS provides guided access to a network of credentialed NICU providers and specialized nurse consulting services to manage NICU admissions. Designated Provider is defined in Section 14, *Glossary*.

To take part in the NRS program, call a neonatal nurse at 1-866-534-7209. The Plan will only pay Benefits under the NRS program if NRS provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

You or a covered Dependent may also:

- Call the Claims Administrator or Care Coordination℠.
- Call NRS at 1-888-936-7246 and select the NRS prompt.

To receive NICU Benefits, you are not required to visit a Designated Provider. If you receive services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury.
- Physician Fees for Surgical and Medical Services.
- Scopic Procedures - Outpatient Diagnostic and Therapeutic.
- Therapeutic Treatments - Outpatient.
- Hospital - Inpatient Stay.
- Surgery - Outpatient.

Neurobiological Disorders - Autism Spectrum Disorder Services

The Plan pays Benefits for behavioral services for Autism Spectrum Disorder including Intensive Behavioral Therapies such as Applied Behavior Analysis (ABA) that are the following:

- Focused on the treatment of core deficits of Autism Spectrum Disorder.
- Provided by a *Board Certified Applied Behavior Analyst (BCBA)* or other qualified provider under the appropriate supervision.
- Focused on treating maladaptive/stereotypic behaviors that are posing danger to self, others and property and impairment in daily functioning.

These Benefits describe only the behavioral component of treatment for Autism Spectrum Disorder. Medical treatment of Autism Spectrum Disorder is a Covered Health Service for which Benefits are available under the applicable medical Covered Health Services categories as described in this section.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient Treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment planning.
- Treatment and/or procedures.
- Medication management and other associated treatments.
- Individual, family, and group therapy.
- Crisis intervention.
- Provider-based case management services.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for referrals to providers and coordination of care.

Ostomy Supplies

Benefits for ostomy supplies are limited to:

- Pouches, face plates and belts.
- Irrigation sleeves, bags and ostomy irrigation catheters.
- Skin barriers.

Benefits are not available for deodorants, filters, lubricants, tape, appliance cleaners, adhesive, adhesive remover, or other items not listed above.

Pharmaceutical Products - Outpatient

The Plan pays for Pharmaceutical Products that are administered on an outpatient basis in a Hospital, Alternate Facility, Physician's office, or in a Covered Person's home. Examples of

what would be included under this category are antibiotic injections in the Physician's office or inhaled medication in an Urgent Care Center for treatment of an asthma attack.

Benefits under this section are provided only for Pharmaceutical Products which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional. Depending on where the Pharmaceutical Product is administered, Benefits will be provided for administration of the Pharmaceutical Product under the corresponding Benefit category in this SPD. Benefits for medication normally available by prescription or order or refill are provided as described under your Outpatient Prescription Drug Plan.

If you require certain Pharmaceutical Products, including specialty Pharmaceutical Products, UnitedHealthcare may direct you to a designated dispensing entity with whom UnitedHealthcare has an arrangement to provide those Pharmaceutical Products. Such Dispensing Entities may include an outpatient pharmacy, specialty pharmacy, Home Health Agency provider, Hospital-affiliated pharmacy or hemophilia treatment center contracted pharmacy.

If you/your provider are directed to a designated dispensing entity and you/your provider choose not to obtain your Pharmaceutical Product from a designated dispensing entity, Network Benefits are not available for that Pharmaceutical Product.

Certain Pharmaceutical Products are subject to step therapy requirements. This means that in order to receive Benefits for such Pharmaceutical Products, you must use a different Pharmaceutical Product and/or prescription drug product first. You may find out whether a particular Pharmaceutical Product is subject to step therapy requirements by contacting UnitedHealthcare at www.myuhc.com or by calling the telephone number on your ID card.

UnitedHealthcare may have certain programs in which you may receive an enhanced or reduced Benefit based on your actions such as adherence/compliance to medication or treatment regimens and/or participation in health management programs. You may access information on these programs through the Internet at www.myuhc.com or by calling the number on your ID card.

Physician Fees for Surgical and Medical Services

The Plan pays Physician fees for surgical procedures and other medical care received from a Physician in a Hospital, Skilled Nursing Facility, Inpatient Rehabilitation Facility, Alternate Facility or for Physician house calls.

Physician's Office Services - Sickness and Injury

Benefits are paid by the Plan for Covered Health Services provided in a Physician's office for the diagnosis and treatment of a Sickness or Injury. Benefits are provided under this section regardless of whether the Physician's office is freestanding, located in a clinic or located in a Hospital. Benefits under this section include allergy injections and hearing exams in case of Injury or Sickness.

Covered Health Services include medical education services that are provided in a Physician's office by appropriately licensed or registered healthcare professionals when both of the following are true:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Covered Health Services include genetic counseling. Benefits are available for Genetic Testing which is ordered by the Physician and authorized in advance by UnitedHealthcare.

Benefits for preventive services are described under *Preventive Care Services* in this section.

Office visit copays are waived for the diagnosis and treatment of asthma and or diabetes when no other services are provided.

Benefits under this section include lab, radiology/X-ray or other diagnostic services performed in the Physician's office.

Please Note
Your Physician does not have a copy of your SPD, and is not responsible for knowing or communicating your Benefits.

Pregnancy - Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

The Plan will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a vaginal delivery.
- 96 hours for the mother and newborn child following a cesarean section delivery.

These are federally mandated requirements under the *Newborns' and Mothers' Health Protection Act of 1996* which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Both before and during a Pregnancy, Benefits include the services of a genetic counselor when provided or referred by a Physician. These Benefits are available to all Covered Persons in the immediate family. Covered Health Services include related tests and treatment.

No copay applies to office visits after the first visit, unless non routine maternity health services are provided.

Healthy moms and babies
The Plan provides a special prenatal program to help during Pregnancy. Participation is voluntary and free of charge. See Section 7, *Clinical Programs and Resources*, for details.

Preventive Care Services

The Plan pays Benefits for Preventive care services provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital. Preventive care services encompass medical services that have been demonstrated by clinical evidence to be safe and effective in either the early detection of disease or in the prevention of disease, have been proven to have a beneficial effect on health outcomes and include the following as required under applicable law:

- Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the *United States Preventive Services Task Force*.
- Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.
- With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the *Health Resources and Services Administration*.
- With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the *Health Resources and Services Administration*.

Preventive care Benefits defined under the *Health Resources and Services Administration (HRSA)* requirement include the cost of renting one breast pump per Pregnancy in conjunction with childbirth. Breast pumps must be ordered by or provided by a Physician. You can obtain additional information on how to access Benefits for breast pumps by going to **www.myuhc.com** or by calling the number on your ID card. Benefits for breast pumps also include the cost of purchasing one breast pump per Pregnancy in conjunction with childbirth. These Benefits are described under Section 5, *Plan Highlights*, under *Covered Health Services*.

If more than one breast pump can meet your needs, Benefits are available only for the most cost effective pump. UnitedHealthcare will determine the following:

- Which pump is the most cost effective.
- Whether the pump should be purchased or rented.
- Duration of a rental.
- Timing of an acquisition.

Benefits are only available if breast pumps are obtained from a DME provider or Physician.

For questions about your preventive care Benefits under this Plan call the number on the back of your ID card.

Prosthetic Devices

Benefits are paid by the Plan for external prosthetic devices that replace a limb or body part limited to:

- Artificial arms, legs, feet and hands.

- Artificial face, eyes, ears and noses.
- Breast prosthesis as required by the *Women's Health and Cancer Rights Act of 1998*. Benefits include mastectomy bras and lymphedema stockings for the arm.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the prosthetic device that meets the minimum specifications for your needs. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan will pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

Benefits are limited to a single purchase of each type of prosthetic device every three calendar years.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Reconstructive Procedures

Reconstructive Procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a Reconstructive Procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for Reconstructive Procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed a mastectomy. Other services required by the *Women's Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the

appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a reconstructive procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a reconstructive procedure.

Rehabilitation Services - Outpatient Therapy and Manipulative Treatment

The Plan provides short-term outpatient rehabilitation services (including habilitative services) limited to:

- Physical therapy.
- Occupational therapy.
- Manipulative Treatment.
- Speech therapy.
- Post-cochlear implant aural therapy.
- Pulmonary rehabilitation.
- Cardiac rehabilitation.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician (when required by state law), must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under *Home Health Care*. Rehabilitative services provided in a Covered Person's home other than by a Home Health Agency are provided as described under this section.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if rehabilitation goals have previously been met. Benefits under this section are not available for maintenance/preventive treatment.

For outpatient rehabilitation services for speech therapy, the Plan will pay Benefits for the treatment of disorders of speech, language, voice, communication and auditory processing only when the disorder results from Injury, stroke, cancer, Congenital Anomaly.

Habilitative Services

For the purpose of this Benefit, "habilitative services" means Medically Necessary skilled health care services that help a person keep, learn or improve skills and functioning for daily living. Habilitative services are skilled when all of the following are true:

- The services are part of a prescribed plan of treatment or maintenance program that is Medically Necessary to maintain a Covered Person's current condition or to prevent or slow further decline.
- It is ordered by a Physician and provided and administered by a licensed provider.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are provided for habilitative services provided for Covered Persons with a disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician.
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial Care, respite care, day care, therapeutic recreation, vocational training and Residential Treatment are not habilitative services. A service that does not help the Covered Person to meet functional goals in a treatment plan within a prescribed time frame is not a habilitative service.

The Plan may require that a treatment plan be provided, request medical records, clinical notes, or other necessary data to allow the Plan to substantiate that initial or continued medical treatment is needed. When the treating provider anticipates that continued treatment is or will be required to permit the Covered Person to achieve demonstrable progress, the Plan may request a treatment plan consisting of diagnosis, proposed treatment by type, frequency, anticipated duration of treatment, the anticipated goals of treatment, and how frequently the treatment plan will be updated.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices*.

Benefits are limited to:

- 20 visits per calendar year for physical therapy.
- 20 visits per calendar year for occupational therapy.
- 20 visits per calendar year for speech therapy.

- 20 visits per calendar year for pulmonary rehabilitation therapy.
- 36 visits per calendar year for cardiac rehabilitation therapy.
- 20 visits per calendar year for cognitive rehabilitation therapy.
- 24 visits per calendar year for Manipulative Treatment.
- 30 visits per calendar year for post-cochlear implant aural therapy.

Scopic Procedures - Outpatient Diagnostic and Therapeutic

The Plan pays for diagnostic and therapeutic scopic procedures and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Diagnostic scopic procedures are those for visualization, biopsy and polyp removal. Examples of diagnostic scopic procedures include colonoscopy, sigmoidoscopy, and diagnostic endoscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Please note that Benefits under this section do not include surgical scopic procedures, which are for the purpose of performing surgery. Benefits for surgical scopic procedures are described under *Surgery - Outpatient*. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy.

When these services are performed for preventive screening purposes, Benefits are described in this section under *Preventive Care Services*.

Skilled Nursing Facility/Inpatient Rehabilitation Facility Services

Facility services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility are covered by the Plan. Benefits include:

- Supplies and non-Physician services received during the Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits are available when skilled nursing and/or Inpatient Rehabilitation Facility services are needed on a daily basis. Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.

You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

Note: The Plan does not pay Benefits for Custodial Care or Domiciliary Care, even if ordered by a Physician, as defined in Section 14, *Glossary*.

Benefits are limited to 60 days per calendar year.

Substance-Related and Addictive Disorders Services

Substance-Related and Addictive Disorders Services include those received on an inpatient or outpatient basis in a Hospital, an Alternate Facility, or in a provider's office. All services must be provided by or under the direction of a properly qualified behavioral health provider.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient treatment.
- Referral Services.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment planning.
- Treatment and/or procedures.
- Medication management and other associated treatments.
- Individual, family, and group therapy.
- Crisis intervention.
- Provider-based case management services.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for referrals to providers and coordination of care.

Surgery - Outpatient

The Plan pays for surgery and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Benefits under this section include certain scopic procedures. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy and hysteroscopy.

Examples of surgical procedures performed in a Physician's office are mole removal and ear wax removal.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Therapeutic Treatments - Outpatient

The Plan pays Benefits for therapeutic treatments received on an outpatient basis at a Hospital or Alternate Facility, including dialysis (both hemodialysis and peritoneal dialysis), intravenous chemotherapy or other intravenous infusion therapy and radiation oncology.

Covered Health Services include medical education services that are provided on an outpatient basis at a Hospital or Alternate Facility by appropriately licensed or registered healthcare professionals when:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Benefits under this section include:

- The facility charge and the charge for related supplies and equipment.
- Physician services for anesthesiologists, pathologists and radiologists. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Transplantation Services

Organ and tissue transplants including CAR-T cell therapy for malignancies when ordered by a Physician. Benefits are available for transplants when the transplant meets the definition of a Covered Health Service, and is not an Experimental or Investigational or Unproven Service.

Examples of transplants for which Benefits are available include bone marrow including CAR-T cell therapy for malignancies, heart, heart/lung, lung, kidney, kidney/pancreas, liver, liver/small bowel, pancreas, small bowel and cornea.

Benefits are available to the donor and the recipient when the recipient is covered under this Plan. Donor costs that are directly related to organ removal or procurement are Covered Health Services for which Benefits are payable through the organ recipient's coverage under the Plan.

The Claims Administrator has specific guidelines regarding Benefits for transplant services. Contact the Claims Administrator at the number on your ID card for information about these guidelines.

Transplantation services including evaluation for transplant, organ procurement and donor searches and transplantation procedures must be received by a Designated Provider.

Benefits are also available for cornea transplants. You are not required to notify the Claims Administrator or Care Coordination℠ of a cornea transplant nor is the cornea transplant required to be performed by a Designated Provider.

Note: The services described under *Travel and Lodging* are Covered Health Services only in connection with transplant services received by a Designated Provider.

Please remember you must notify the Claims Administrator as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center). If the Claims Administrator is not notified, as required, Benefits will be reduced to 50% of Eligible Expenses.

Support in the event of serious illness
If you or a covered family member has cancer or needs an organ or bone marrow transplant, UnitedHealthcare can put you in touch with quality treatment centers around the country.

Travel and Lodging

Your Plan Sponsor may provide you with Travel and Lodging assistance. Travel and Lodging assistance is only available for you or your eligible family member if you meet the qualifications for the benefit, including receiving care at a Designated Provider and the distance from your home address to the facility. Eligible Expenses are reimbursed after the expense forms have been completed and submitted with the appropriate receipts.

If you have specific questions regarding Travel and Lodging, please call the Travel and Lodging office at 1-800-842-0843.

Travel and Lodging Expenses

The Plan covers expenses for travel and lodging for the patient, provided he or she is not covered by Medicare, and a companion as follows:

- Transportation of the patient and one companion who is traveling on the same day(s) to and/or from the site of the qualified procedure provided by a Designated Provider for the purposes of an evaluation, the procedure or necessary post-discharge follow-up.
- The Eligible Expenses for lodging for the patient (while not a Hospital inpatient) and one companion.
- If the patient is an enrolled Dependent minor child, the transportation expenses of two companions will be covered.
- Travel and lodging expenses are only available if the patient resides more than 50 miles from the Designated Provider.
- Reimbursement for certain lodging expenses for the patient and his/her companion(s) may be included in the taxable income of the Plan participant if the reimbursement exceeds the per diem rate.
- The transplant program offers a lifetime maximum of $10,000 per Covered Person for all transportation and lodging expenses incurred by you and reimbursed under the Plan in connection with all qualified procedures.

  The Claims Administrator must receive valid receipts for such charges before you will be reimbursed. Reimbursement is as follows:

Lodging

- A per diem rate, up to $50.00 per day, for the patient or the caregiver if the patient is in the Hospital.

- A per diem rate, up to $100.00 per day, for the patient and one caregiver. When a child is the patient, two persons may accompany the child.

Examples of items that are not covered:

- Groceries.
- Alcoholic beverages.
- Personal or cleaning supplies.
- Meals.
- Over-the-counter dressings or medical supplies.
- Deposits.
- Utilities and furniture rental, when billed separate from the rent payment.
- Phone calls, newspapers, or movie rentals.

Transportation

- Automobile mileage (reimbursed at the IRS medical rate) for the most direct route between the patient's home and the Designated Provider.
- Taxi fares (not including limos or car services).
- Economy or coach airfare.
- Parking.
- Trains.
- Boat.
- Bus.
- Tolls.

Urgent Care Center Services

The Plan provides Benefits for services, including professional services, received at an Urgent Care Center, as defined in Section 14, *Glossary*. When Urgent Care services are provided in a Physician's office, the Plan pays Benefits as described under *Physician's Office Services - Sickness and Injury*.

Virtual Visits

Virtual visits for Covered Health Services that include the diagnosis and treatment of low acuity medical conditions for Covered Persons, through live audio with video technology or audio only. Virtual visits provide communication of medical information in real-time between the patient and a distant Physician or health care specialist, through use of interactive audio with video communications or audio only equipment outside of a medical facility (for example, from home or from work).

Network Benefits are available only when services are delivered through a Designated Virtual Network Provider. You can find a Designated Virtual Network Provider by going to **www.myuhc.com** or by calling the telephone number on your ID card.

Please Note: Not all medical conditions can be appropriately treated through virtual visits. The Designated Virtual Network Provider will identify any condition for which treatment by in-person Physician contact is necessary.

Benefits under this section do not include email, fax and standard telephone calls, or for telehealth/telemedicine visits that occur within medical facilities (*CMS* defined originating facilities).

Vision Examinations

The Plan pays Benefits for one routine vision exam, including refraction, to detect vision impairment by a Network provider in the provider's office every other calendar year. Benefits are limited to children up to age 18 only.

Benefits for eye examinations required for the diagnosis and treatment of a Sickness or Injury are provided under *Physician's Office Services - Sickness and Injury*.

SECTION 7 – CLINICAL PROGRAMS AND RESOURCES

What this section includes:
Health and well-being resources available to you, including:

- Consumer Solutions and Self-Service Tools.
- Disease and Condition Management Services.
- Wellness Programs.

The Company believes in giving you tools to help you be an educated health care consumer. To that end, United Healthcare has made available several convenient educational and support services, accessible by phone and the Internet, which can help you to:

- Take care of yourself and your family members.
- Manage a chronic health condition.
- Navigate the complexities of the health care system.

NOTE:
Information obtained through the services identified in this section is based on current medical literature and on Physician review. It is not intended to replace the advice of a doctor. The information is intended to help you make more informed health care decisions and take a greater responsibility for your own health. UnitedHealthcare and the Company are not responsible for the results of your decisions from the use of the information, including, but not limited to, your choosing to seek or not to seek professional medical care, your choosing of which provider to seek professional medical care from or your choosing or not choosing specific treatment.

Consumer Solutions and Self-Service Tools

Health Survey

You and your enrolled dependents are invited to learn more about health and wellness at **www.myuhc.com** and are encouraged to participate in the online health survey. The health survey is an interactive questionnaire designed to help you identify your healthy habits as well as potential health risks.

Your health survey is kept confidential. Completing the survey will not impact your Benefits or eligibility for Benefits in any way.

To find the health survey, log in to **www.myuhc.com**. After logging in, access your personalized *Health & Wellness* page.

NurseLine℠

NurseLine℠ is a telephone service that puts you in immediate contact with an experienced registered nurse any time, 24 hours a day, seven days a week. Nurses can provide health information to help you make more informed health care decisions. When you call, a registered nurse may refer you to any additional resources that are available that may help

you improve your health and well-being or manage a chronic condition. Call any time when you want to learn more about:

- A recent diagnosis.
- A minor Sickness or Injury.
- Men's, women's, and children's wellness.
- How to take Prescription Drug Products safely.
- Self-care tips and treatment options.
- Healthy living habits.
- Any other health related topic.

NurseLine℠ gives you another way to access health information. By calling the same number, you can listen to one of the Health Information Library's over 1,100 recorded messages, with over half in Spanish.

NurseLine℠ is available to you at no additional cost. To use this service, simply call the number on the back of your ID card.

Note: If you have a medical emergency, call 911 instead of calling NurseLine℠.

Your child is running a fever and it's 1:00 AM. What do you do?
Call NurseLine℠ any time, 24 hours a day, seven days a week. You can count on NurseLine℠ to help answer your health questions.

With NurseLine℠, you also have access to nurses online. To use this service, log onto **www.myuhc.com** where you may access the link to initiate an online chat with a registered nurse who can help answer your general health questions any time, 24 hours a day, seven days a week. You can also request an e-mailed transcript of the conversation to use as a reference.

Note: If you have a medical emergency, call 911 instead of logging onto **www.myuhc.com**.

UnitedHealth Premium® Program

To help people make more informed choices about their health care, the UnitedHealth Premium® program recognizes Network Physicians who meet standards for quality and cost efficiency. UnitedHealthcare uses evidence-based medicine and national industry guidelines to evaluate quality. The cost efficiency standards rely on local market benchmarks for the efficient use of resources in providing care.

For details on the UnitedHealth Premium® program including how to locate a UnitedHealth Premium Physician, log onto **www.myuhc.com** or call the number on your ID card.

www.myuhc.com

UnitedHealthcare's member website, **www.myuhc.com**, provides information at your fingertips anywhere and anytime you have access to the Internet. **www.myuhc.com** opens the door to a wealth of health information and self-service tools.

With **www.myuhc.com** you can:

- Receive personalized messages that are posted to your own website.
- Research a health condition and treatment options to get ready for a discussion with your Physician.
- Search for Network providers available in your Plan through the online provider directory.
- Access all of the content and wellness topics from NurseLine[SM] including Live Nurse Chat 24 hours a day, seven days a week.
- Complete a health survey to help you identify health habits you may improve, learn about healthy lifestyle techniques and access health improvement resources.
- Use the treatment cost estimator to obtain an estimate of the costs of various procedures in your area.
- Use the Hospital comparison tool to compare Hospitals in your area on various patient safety and quality measures.

Registering on www.myuhc.com
If you have not already registered on **www.myuhc.com**, simply go to **www.myuhc.com** and click on "Register Now." Have your ID card handy. The enrollment process is quick and easy.

Visit **www.myuhc.com** and:

- Make real-time inquiries into the status and history of your claims.
- View eligibility and Plan Benefit information, including Copays and Annual Deductibles.
- View and print all of your Explanation of Benefits (EOBs) online.
- Order a new or replacement ID card or print a temporary ID card.

Want to learn more about a condition or treatment?
Log on to **www.myuhc.com** and research health topics that are of interest to you. Learn about a specific condition, what the symptoms are, how it is diagnosed, how common it is, and what to ask your Physician.

Disease and Condition Management Services

HealtheNotes℠

UnitedHealthcare provides a service called HealtheNotes℠. HealtheNotes℠ provides you and your Physician with information regarding preventive care, testing or medications, potential interactions with medications you have been prescribed, and certain treatments. In addition, your HealtheNotes℠ report may include health tips and other wellness information.

UnitedHealthcare provides this information through a software program that provides retrospective, claims-based identification of medical care. Through this process patients are identified who may benefit from this information using the established standards of evidence based medicine as described in Section 14, *Glossary* under the definition of Covered Health Services.

If your Physician identifies any concerns after reviewing his or her HealtheNotes℠ report, he or she may contact you if he or she believes it to be appropriate. In addition, you may use the information in your report to engage your Physician in discussions regarding your health and the information UnitedHealthcare provides. Any decisions regarding your care, though, are always between you and your Physician.

If you have questions or would like additional information about this service, please call the number on the back of your ID card.

Wellness Programs

Maternity Support Program

If you are pregnant or thinking about becoming pregnant, and you are enrolled in the medical Plan, you can get valuable educational information, advice and comprehensive case management by calling the number on your ID card. Your enrollment in the program will be handled by an OB nurse who is assigned to you.

This program offers:

- Enrollment by an OB nurse.
- Pre-conception health coaching.
- Written and online educational resources covering a wide range of topics.
- First and second trimester risk screenings.
- Identification and management of at- or high-risk conditions that may impact pregnancy.
- Pre-delivery consultation.
- Coordination with and referrals to other benefits and programs available under the medical plan.

- A phone call from a nurse approximately two weeks postpartum to provide information on postpartum and newborn care, feeding, nutrition, immunizations and more.

- Post-partum depression screening.

Participation is completely voluntary and without extra charge. To take full advantage of the program, you are encouraged to enroll within the first trimester of Pregnancy. You can enroll any time, up to your 34th week. To enroll, call the number on the back of your ID card.

As a program participant, you can always call your nurse with any questions or concerns you might have.

SECTION 8 - EXCLUSIONS AND LIMITATIONS: WHAT THE MEDICAL PLAN WILL NOT COVER

What this section includes:

- Services, supplies and treatments that are not Covered Health Services, except as may be specifically provided for in Section 6, *Additional Coverage Details*.

The Plan does not pay Benefits for the following services, treatments or supplies even if they are recommended or prescribed by a provider or are the only available treatment for your condition.

When Benefits are limited within any of the Covered Health Services categories described in Section 6, *Additional Coverage Details*, those limits are stated in the corresponding Covered Health Service category in Section 5, *Plan Highlights*. Limits may also apply to some Covered Health Services that fall under more than one Covered Health Service category. When this occurs, those limits are also stated in Section 5, *Plan Highlights*. Please review all limits carefully, as the Plan will not pay Benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

Please note that in listing services or examples, when the SPD says "this includes," or "including but not limited to", it is not UnitedHealthcare's intent to limit the description to that specific list. When the Plan does intend to limit a list of services or examples, the SPD specifically states that the list "is limited to."

Alternative Treatments

1. Acupressure and acupuncture.
2. Aromatherapy.
3. Hypnotism.
4. Massage therapy.
5. Rolfing.
6. Art therapy, music therapy, dance therapy, horseback therapy and other forms of alternative treatment as defined by the *National Center for Complementary and Alternative Medicine (NCCAM)* of the *National Institutes of Health*. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care for which Benefits are provided as described in Section 6, *Additional Coverage Details*.

Dental

1. Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia).

This exclusion does not apply to accident-related dental services for which Benefits are provided as described under *Dental Services - Accident Only* in Section 6, *Additional Coverage Details*.

This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Plan, limited to:

- Transplant preparation.
- Prior to the initiation of immunosuppressive drugs.
- The direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication.

Endodontics, periodontal surgery and restorative treatment are excluded.

2. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include:

   - Extractions (including wisdom teeth), restoration and replacement of teeth.
   - Medical or surgical treatments of dental conditions.
   - Services to improve dental clinical outcomes.

   This exclusion does not apply to preventive care for which Benefits are provided under the *United States Preventive Services Task Force* requirement or the *Health Resources and Services Administration (HRSA)* requirement. This exclusion also does not apply to accident-related dental services for which Benefits are provided as described under *Dental Services - Accident Only* in Section 6, *Additional Coverage Details*.

3. Dental implants, bone grafts, and other implant-related procedures.

   This exclusion does not apply to accident-related dental services for which Benefits are provided as described under *Dental Services - Accident Only* in Section 6, *Additional Coverage Details*.

4. Dental braces (orthodontics).

5. Treatment of congenitally missing, malpositioned or supernumerary (extra) teeth, even if part of a Congenital Anomaly.

Devices, Appliances and Prosthetics

1. Devices used specifically as safety items or to affect performance in sports-related activities.

2. Orthotic appliances and devices that straighten or re-shape a body part, except when prescribed by a Physician as described under *Durable Medical Equipment (DME)* in Section 6, *Additional Coverage Details*.

Examples of excluded orthotic appliances and devices include but are not limited to, foot orthotics and some type of braces, including orthotic braces available over-the-counter. This exclusion does not include diabetic footwear which may be covered for a Covered Person with diabetic foot disease.

3. Cranial molding helmets and cranial banding except when used to avoid the need for surgery, and/or to facilitate a successful surgical outcome.

4. The following items are excluded, even if prescribed by a Physician:

   - Blood pressure cuff/monitor.
   - Enuresis alarm.
   - Non-wearable external defibrillator.
   - Trusses.
   - Ultrasonic nebulizers.

5. The repair and replacement of prosthetic devices when damaged due to misuse, malicious breakage or gross neglect.

6. The replacement of lost or stolen prosthetic devices.

7. Devices and computers to assist in communication and speech except for speech aid devices and tracheo-esophageal voice devices for which Benefits are provided as described under *Durable Medical Equipment* in Section 6, *Additional Coverage Details*.

8. Oral appliances for snoring.

9. Powered and non-powered exoskeleton devices.

Drugs

The exclusions listed below apply to the medical portion of the Plan only. Prescription Drug coverage is excluded under the medical plan because it is a separate benefit. Coverage may be available under the Prescription Drug portion of the Plan. See Section 15, *Outpatient Prescription Drugs*, for coverage details and exclusions.

1. Prescription Drug Products for outpatient use that are filled by a prescription order or refill.

2. Self-administered or self-infused medications. This exclusion does not apply to medications which, due to their characteristics, (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion does not apply to hemophilia treatment centers contracted to dispense hemophilia factor medications directly to Covered Persons for self-infusion.

3. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office.

4. Over-the-counter drugs and treatments.

5. Growth hormone therapy.

6. Certain New Pharmaceutical Products and/or new dosage forms until the date as determined by the Claims Administrator or the Claims Administrator's designee, but no later than December 31st of the following calendar year.

   This exclusion does not apply if you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment). If you have a life-threatening Sickness or condition, under such circumstances, Benefits may be available for the New Pharmaceutical Product to the extent provided for in Section 6, *Additional Coverage Details*.

7. A Pharmaceutical Product that contains (an) active ingredient(s) available in and therapeutically equivalent (having essentially the same efficacy and adverse effect profile) to another covered Pharmaceutical Product. Such determinations may be made up to six times during a calendar year.

8. A Pharmaceutical Product that contains (an) active ingredient(s) which is (are) a modified version of and therapeutically equivalent (having essentially the same efficacy and adverse effect profile) to another covered Pharmaceutical Product. Such determinations may be made up to six times during a calendar year.

9. Benefits for Pharmaceutical Products for the amount dispensed (days' supply or quantity limit) which exceeds the supply limit.

10. A Pharmaceutical Product with an approved biosimilar or a biosimilar and therapeutically equivalent (having essentially the same efficacy and adverse effect profile) to another covered Pharmaceutical Product. For the purpose of this exclusion a "biosimilar" is a biological Pharmaceutical Product approved based on showing that it is highly similar to a reference product (a biological Pharmaceutical Product) and has no clinically meaningful differences in terms of safety and effectiveness from the reference product. Such determinations may be made up to six times per calendar year.

11. Certain Pharmaceutical Products for which there are therapeutically equivalent (having essentially the same efficacy and adverse effect profile) alternatives available, unless otherwise required by law or approved by us. Such determinations may be made up to six times during a calendar year.

Experimental or Investigational or Unproven Services

1. Experimental or Investigational Services and Unproven Services, unless the Plan has agreed to cover them as defined in Section 14, *Glossary*.

   This exclusion applies even if Experimental or Investigational Services or Unproven Services, treatments, devices or pharmacological regimens are the only available treatment options for your condition.

This exclusion does not apply to Covered Health Services provided during a Clinical Trial for which Benefits are provided as described under *Clinical Trials* in Section 6, *Additional Coverage Details*.

Foot Care

1. Routine foot care, except when needed for severe systemic disease or preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under *Diabetes Services* in Section 6, *Additional Coverage Details*. Routine foot care services that are not covered include:

   - Cutting or removal of corns and calluses.
   - Nail trimming or cutting.
   - Debriding (removal of dead skin or underlying tissue).

2. Hygienic and preventive maintenance foot care. Examples include:

   - Cleaning and soaking the feet.
   - Applying skin creams in order to maintain skin tone.
   - Other services that are performed when there is not a localized Sickness, Injury or symptom involving the foot.

   This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes.

3. Treatment of flat feet.

4. Treatment of subluxation of the foot.

5. Shoe inserts.

6. Arch supports.

7. Shoes (standard or custom), lifts and wedges.

8. Shoe orthotics.

Gender Dysphoria

1. Cosmetic Procedures, including the following:

   - Abdominoplasty.
   - Blepharoplasty.
   - Breast enlargement after initial construction, including augmentation mammoplasty and breast implants.
   - Body contouring, such as lipoplasty.
   - Brow lift.
   - Calf implants.
   - Cheek, chin, and nose implants.
   - Injection of fillers or neurotoxins.

- Face lift, forehead lift, or neck tightening.
- Facial bone remodeling for facial feminizations.
- Hair removal.
- Hair transplantation.
- Lip augmentation.
- Lip reduction.
- Liposuction.
- Mastopexy.
- Pectoral implants for chest masculinization.
- Reversal of genital surgeries.
- Rhinoplasty.
- Skin resurfacing.
- Thyroid cartilage reduction; reduction thyroid chondroplasty; trachea shave (removal or reduction of the Adam's Apple).
- Voice modification surgery.
- Voice lessons and voice therapy.

Medical Supplies

1. Prescribed or non-prescribed medical supplies and disposable supplies. Examples:

   - Compression stockings, ace bandages, diabetic strips, and syringes.
   - Urinary catheters.

   This exclusion does not apply to:

   - Ostomy bags and related supplies for which Benefits are provided as described under *Ostomy Supplies* in Section 6, *Additional Coverage Details*.
   - Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under *Durable Medical Equipment* in Section 6, *Additional Coverage Details*.
   - Diabetic supplies for which Benefits are provided as described under *Diabetes Services* in Section 6, *Additional Coverage Details*.

2. Tubings, nasal cannulas, connectors and masks except when used with Durable Medical Equipment.

3. The repair and replacement of Durable Medical Equipment when damaged due to misuse, malicious breakage or gross neglect.

4. The replacement of lost or stolen Durable Medical Equipment.

5. Deodorants, filters, lubricants, tape, appliance cleaners, adhesive, adhesive remover or other items that are not specifically identified under *Ostomy Supplies* in Section 6, *Additional Coverage Details*.

Mental Health, Neurobiological Disorders - Autism Spectrum Disorder Services/Substance-Related and Addictive Disorders Services

In addition to all other exclusions listed in this Section 8, *Exclusions and Limitations*, the exclusions listed directly below apply to services described under *Mental Health Services, Neurobiological Disorders - Autism Spectrum Disorder Services* and/or *Substance-Related and Addictive Disorders Services in Section 6, Additional Coverage Details*.

1. Services performed in connection with conditions not classified in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.

2. Outside of an initial assessment, services as treatments for a primary diagnosis of conditions and problems that may be a focus of clinical attention, but are specifically noted not to be mental disorders within the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.

3. Outside of initial assessment, services as treatments for the primary diagnoses of learning disabilities, conduct and disruptive impulse control and conduct disorders, gambling disorder, and paraphilic disorder.

4. Services that are solely educational in nature or otherwise paid under state or federal law for purely educational purposes.

5. Tuition for or services that are school-based for children and adolescents required to be provided by, or paid for by, the school under the *Individuals with Disabilities Education Act*.

6. Outside of initial assessment, unspecified disorders for which the provider is not obligated to provide clinical rationale as defined in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.

7. Transitional Living Services.

8. Mental Health Services as treatment for insomnia and other sleep disorders, neurological disorders and other disorders with a known physical basis.

Nutrition

1. Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements, and other nutrition based therapy. Examples include supplements, electrolytes and foods of any kind (including high protein foods and low carbohydrate foods).

2. Individual and group nutritional counseling, including non-specific disease nutritional education such as general good eating habits, calorie control or dietary preferences. This exclusion does not apply to preventive care for which Benefits are provided under the *United States Preventive Services Task Force* requirement. This exclusion also does not apply to medical nutritional education services that are provided as part of treatment for a disease by appropriately licensed or registered health care professionals when both of the following are true:

- Nutritional education is required for a disease in which patient self-management is a part of treatment.
- There is a lack of knowledge regarding the disease which requires the help of a trained health professional.

3. Food of any kind. Foods that are not covered include:

   - Enteral feedings and other nutritional and electrolyte formulas, including infant formula and donor breast milk, even if they are specifically created to treat inborn errors of metabolism such as phenylketonuria (PKU), unless they are the only source of nutrition. Infant formula available over the counter is always excluded.
   - Foods to control weight, treat obesity (including liquid diets), lower cholesterol or control diabetes.
   - Oral vitamins and minerals.
   - Meals you can order from a menu, for an additional charge, during an Inpatient Stay.
   - Other dietary and electrolyte supplements.

4. Health education classes unless offered by UnitedHealthcare or its affiliates, including but not limited to asthma, smoking cessation, and weight control classes.

Personal Care, Comfort or Convenience

1. Television.

2. Telephone.

3. Beauty/barber service.

4. Guest service.

5. Supplies, equipment and similar incidentals for personal comfort. Examples include:

   - Air conditioners, air purifiers and filters and dehumidifiers.
   - Batteries and battery chargers.
   - Breast pumps. (This exclusion does not apply to breast pumps for which Benefits are provided under the *Health Resources and Services Administration (HRSA)* requirement.)
   - Car seats.
   - Chairs, bath chairs, feeding chairs, toddler chairs, ergonomically correct chairs, chair lifts and recliners.
   - Electric scooters.
   - Exercise equipment and treadmills.
   - Hot tubs.
   - Humidifiers.
   - Jacuzzis.
   - Medical alert systems.
   - Motorized beds, non-Hospital beds, comfort beds and mattresses.
   - Music devices.
   - Personal computers.
   - Pillows.
   - Power-operated vehicles.

- Radios.
- Safety equipment.
- Saunas.
- Stair lifts and stair glides.
- Strollers.
- Treadmills.
- Vehicle modifications such as van lifts.
- Video players.
- Whirlpools.

Physical Appearance

1. Cosmetic Procedures. See the definition in Section 14, *Glossary*. Examples include:

    - Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple.
    - Pharmacological regimens, nutritional procedures or treatments.
    - Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures).
    - Sclerotherapy treatment of veins.
    - Hair removal or replacement by any means.
    - Treatments for skin wrinkles or any treatment to improve the appearance of the skin.
    - Treatment for spider veins.
    - Skin abrasion procedures performed as a treatment for acne.
    - Treatments for hair loss.
    - Varicose vein treatment of the lower extremities, when it is considered cosmetic.

2. Replacement of an existing intact breast implant if the earlier breast implant was performed as a Cosmetic Procedure. **Note**: Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See *Reconstructive Procedures* in Section 6, *Additional Coverage Details*.

3. Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, health club memberships and programs, spa treatments and diversion or general motivation.

4. Weight loss programs whether or not they are under medical supervision or for medical reasons, even if for morbid obesity.

5. Wigs and other scalp hair prosthesis regardless of the reason for the hair loss.

6. Treatment of benign gynecomastia (abnormal breast enlargement in males).

Procedures and Treatments

1. Biofeedback.

2. Medical and surgical treatment of snoring, except when provided as a part of treatment for documented obstructive sleep apnea.

3. Rehabilitation services and Manipulative Treatment to improve general physical condition that are provided to reduce potential risk factors, where significant therapeutic improvement is not expected, including routine, long-term or maintenance/preventive treatment.

4. Speech therapy to treat stuttering, stammering, or other articulation disorders.

5. Speech therapy, except when required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly or Autism Spectrum Disorder as identified under *Rehabilitation Services - Outpatient Therapy and Manipulative Treatment* in Section 6, *Additional Coverage Details*.

6. Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy and brachioplasty.

7. Psychosurgery (lobotomy).

8. Stand-alone multi-disciplinary smoking cessation programs. These are programs that usually include health care providers specializing in smoking cessation and may include a psychologist, social worker or other licensed or certified professional. The programs usually include intensive psychological support, behavior modification techniques and medications to control cravings.

9. Chelation therapy, except to treat heavy metal poisoning.

10. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter.

11. The following treatments for obesity:

    - Non-surgical treatment of obesity, even if for morbid obesity.
    - Surgical treatment of obesity even if there is a diagnosis of morbid obesity.

12. Medical and surgical treatment of excessive sweating (hyperhidrosis).

13. Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ), whether the services are considered to be medical or dental in nature.

14. Upper and lower jawbone surgery, orthognathic surgery and jaw alignment. This exclusion does not apply to reconstructive jaw surgery required for Covered Persons because of a Congenital Anomaly, acute traumatic Injury, dislocation, tumors, cancer or obstructive sleep apnea.

15. Breast reduction surgery except as coverage is required by the *Women's Health and Cancer Rights Act of 1998* for which Benefits are described under *Reconstructive Procedures* in Section 6, *Additional Coverage Details*.

16. Congenital Heart Disease surgery that is not received by a Designated Provider.

17. Intracellular micronutrient testing.

Providers

1. Services performed by a provider who is a family member by birth or marriage, including your Spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself.

2. Services performed by a provider with your same legal residence.

3. Services ordered or delivered by a Christian Science practitioner.

4. Services performed by an unlicensed provider or a provider who is operating outside of the scope of his/her license.

5. Services provided at a freestanding or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services that are self-directed to a freestanding or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a freestanding or Hospital-based diagnostic facility, when that Physician or other provider:

   - Has not been actively involved in your medical care prior to ordering the service.
   - Is not actively involved in your medical care after the service is received.

   This exclusion does not apply to mammography.

Reproduction

1. Health care services and related expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment.

2. The following services related to a Gestational Carrier or Surrogate:

   - All costs related to reproductive techniques including:
     Assistive reproductive technology.
     Artificial insemination.
     Intrauterine insemination.
     Obtaining and transferring embryo(s).
   - Health care services including:
     Inpatient or outpatient prenatal care and/or preventive care.
     Screenings and/or diagnostic testing.
     Delivery and post-natal care.

   The exclusion for the health care services listed above does not apply when the Gestational Carrier or Surrogate is a Covered Person.

   - All fees including:
     - Screening, hiring and compensation of a Gestational Carrier or Surrogate including surrogacy agency fees.

- Surrogate insurance premiums.
- Travel or transportation fees.

3. The following services related to donor services for donor sperm, ovum (egg cell) or oocytes (eggs), or embryos (fertilized eggs):

   - Donor eggs – The cost of donor eggs, including medical costs related to donor stimulation and egg retrieval.
   - Donor sperm – The cost of procurement and storage of donor sperm.

4. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue.

5. The reversal of voluntary sterilization.

6. Fetal reduction surgery.

7. Health care services and related expenses for surgical, non-surgical or drug-induced Pregnancy termination except. Termination of pregnancy is ONLY covered if mothers' life is at risk and in the event of incest or rape.

   This exclusion does not apply to treatment of a molar Pregnancy, ectopic Pregnancy, or missed abortion (commonly known as a miscarriage).

8. In vitro fertilization regardless of the reason for treatment.

Services Provided under Another Plan

Services for which coverage is available:

1. Under another plan, except for Eligible Expenses payable as described in Section 10, *Coordination of Benefits (COB).*

2. Under workers' compensation, no-fault automobile coverage or similar legislation if you could elect it, or could have it elected for you, except as otherwise provided by law.

3. While on active military duty.

4. For treatment of military service-related disabilities when you are legally entitled to other coverage, and facilities are reasonably available to you.

Transplants

1. Health services for organ and tissue transplants except those described under *Transplantation Services* in Section 6*, Additional Coverage Details* unless UnitedHealthcare determines the transplant to be appropriate according to UnitedHealthcare's transplant guidelines.

2. Health services for transplants involving animal organs.

3. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs that are directly related to organ removal are payable for a transplant through the organ recipient's Benefits under the Plan.)

4. Health services not performed by a Designated Provider.

5. Solid organ Transplant that is performed as a treatment for Cancer.

Travel

1. Health services provided in a foreign country, unless required as Emergency Health Services.

2. Travel or transportation expenses, even if ordered by a Physician, except as identified under *Travel and Lodging* in Section 6, *Additional Coverage Details*. Additional travel expenses related to Covered Health Services received from a Designated Provider may be reimbursed at the Plan's discretion. This exclusion does not apply to ambulance transportation for which Benefits are provided as described under *Ambulance Services* in Section 6, *Additional Coverage Details*.

Types of Care

1. Custodial Care as defined in Section 14, *Glossary* or maintenance care.

2. Domiciliary Care, as defined in Section 14, *Glossary*.

3. Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain.

4. Private Duty Nursing.

5. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under *Hospice Care* in Section 6, *Additional Coverage Details*.

6. Rest cures.

7. Services of personal care attendants.

8. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing

1.. Implantable lenses used only to correct a refractive error (such as *Intacs* corneal implants).

2. Purchase cost and associated fitting charges for eyeglasses or contact lenses.

3. Bone anchored hearing aids except when either of the following applies:

   - For Covered Persons with craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid.
   - For Covered Persons with hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid.

   The Plan will not pay for more than one bone anchored hearing aid per Covered Person who meets the above coverage criteria during the entire period of time the Covered Person is enrolled in this Plan. In addition, repairs and/or replacement for a bone anchored hearing aid for Covered Persons who meet the above coverage are not covered, other than for malfunctions.

4. Eye exercise or vision therapy.

5. Surgery and other related treatment that is intended to correct nearsightedness, farsightedness, presbyopia and astigmatism including, but not limited to, procedures such as laser and other refractive eye surgery and radial keratotomy.

All Other Exclusions

1. Autopsies and other coroner services and transportation services for a corpse.

2. Charges for:

   - Missed appointments.
   - Room or facility reservations.
   - Completion of claim forms.
   - Record processing.

3. Charges prohibited by federal anti-kickback or self-referral statutes.

4. Diagnostic tests that are:

   - Delivered in other than a Physician's office or health care facility.
   - Self-administered home diagnostic tests, including but not limited to HIV and Pregnancy tests.

5. Expenses for health services and supplies:

   - That do not meet the definition of a Covered Health Service in Section 14, *Glossary*.
   - That are received as a result of war or any act of war, whether declared or undeclared, while part of any armed service force of any country. This exclusion does not apply to Covered Persons who are civilians injured or otherwise affected by war, any act of war or terrorism in a non-war zone.
   - That are received after the date your coverage under this Plan ends, including health services for medical conditions which began before the date your coverage under the Plan ends.

- For which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under this Benefit Plan.
- That exceed Eligible Expenses or any specified limitation in this SPD.

6. Foreign language and sign language services.

7. Long term (more than 30 days) storage of blood, umbilical cord or other material.

8. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services the Plan would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service.

   For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.

9. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments when:

   - Required solely for purposes of education, sports or camp, travel, career or employment, insurance, marriage or adoption; or as a result of incarceration.
   - Conducted for purposes of medical research. This exclusion does not apply to Covered Health Services provided during a Clinical Trial for which Benefits are provided as described under *Clinical Trials* in Section 6, *Additional Coverage Details*.
   - Related to judicial or administrative proceedings or orders.
   - Required to obtain or maintain a license of any type.

SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Copay or Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider as a result of an Emergency, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on the back of your ID card.

You must submit a request for payment of Benefits within 90 days after the date of service. If you don't provide this information to UnitedHealthcare within 15 months of the date of service, Benefits for that health service will be denied or reduced, at UnitedHealthcare's discretion. This time limit does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Prescription Drug Benefit Claims

If you wish to receive reimbursement for a prescription, you may submit a post-service claim as described in this section if:

- You are asked to pay the full cost of the Prescription Drug Product when you fill it and you believe that the Plan should have paid for it.
- You pay a Copay and you believe that the amount of the Copay was incorrect.

If a pharmacy (retail or mail order) fails to fill a prescription that you have presented and you believe that it is a Covered Health Service, you may submit a pre-service request for Benefits as described in this section.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting **www.myuhc.com**, calling the toll-free number on your ID card or contacting Human Resources. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information

listed below. If any of these items are missing from the bill, you can include them in your letter:

- Your name and address.
- The patient's name, age and relationship to the Participant.
- The number as shown on your ID card.
- The name, address and tax identification number of the provider of the service(s).
- A diagnosis from the Physician.
- The date of service.
- An itemized bill from the provider that includes:
  - The *Current Procedural Terminology (CPT)* codes.
  - A description of, and the charge for, each service.
  - The date the Sickness or Injury began.
  - A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

For medical claims, the above information should be filed with UnitedHealthcare at the address on your ID card. When filing a claim for outpatient Prescription Drug Product Benefits, submit your claim to the pharmacy benefit manager claims address noted on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the provider the charges you incurred.

Payment of Benefits

You may not assign your Benefits under the Plan or any cause of action related to your Benefits under the Plan to a provider without UnitedHealthcare's consent. When you assign your Benefits under the Plan to a provider with UnitedHealthcare's consent, and the provider submits a claim for payment, you and the provider represent and warrant that the Covered Health Services were actually provided and were medically appropriate.

When UnitedHealthcare has not consented to an assignment, UnitedHealthcare will send the reimbursement directly to you (the Participant) for you to reimburse the provider upon receipt of their bill. However, UnitedHealthcare reserves the right, in its discretion, to pay the provider directly for services rendered to you. When exercising its discretion with respect to payment, UnitedHealthcare may consider whether you have requested that payment of your Benefits be made directly to the provider. Under no circumstances will UnitedHealthcare pay Benefits to anyone other than you or, in its discretion, your provider. Direct payment to a provider shall not be deemed to constitute consent by UnitedHealthcare to an assignment or to waive the consent requirement. When UnitedHealthcare in its discretion directs payment to a provider, you remain the sole beneficiary of the payment, and

the provider does not thereby become a beneficiary. Accordingly, legally required notices concerning your Benefits will be directed to you, although UnitedHealthcare may in its discretion send information concerning the Benefits to the provider as well. If payment to a provider is made, the Plan reserves the right to offset Benefits to be paid to the provider by any amounts that the provider owes the Plan (including amounts owed as a result of the assignment of other plans' overpayment recovery rights to the Plan), pursuant to *Refund of Overpayments* in Section 10 *Coordination of Benefits*.

Form of Payment of Benefits

Payment of Benefits under the Plan shall be in cash or cash equivalents, or in the form of other consideration that UnitedHealthcare in its discretion determines to be adequate. Where Benefits are payable directly to a provider, such adequate consideration includes the forgiveness in whole or in part of amounts the provider owes to other plans for which UnitedHealthcare makes payments, where the Plan has taken an assignment of the other plans' recovery rights for value.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at **www.myuhc.com**. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at **www.myuhc.com**. See Section 14, *Glossary*, for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims
All claim forms for non-Network services must be submitted within 15 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by UnitedHealthcare. This 12-month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot

resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a rescission of coverage as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit urgent care appeals in writing. This communication should include:

- The patient's name and ID number as shown on the ID card.
- The provider's name.
- The date of medical service.
- The reason you disagree with the denial.
- Any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, Utah 84130-0432

For urgent care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims
The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- Urgent care request for Benefits.
- Pre-service request for Benefits.
- Post-service claim.
- Concurrent claim.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- An appropriate individual(s) who did not make the initial benefit determination.
- A health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from UnitedHealthcare within 60 days from receipt of the first level appeal determination.

Note: Upon written request and free of charge, any Covered Persons may examine documents relevant to their claim and/or appeals and submit opinions and comments. UnitedHealthcare will review all claims in accordance with the rules established by the *U.S. Department of Labor*.

Federal External Review Program

If, after exhausting your internal appeals, you are not satisfied with the determination made by UnitedHealthcare, or if UnitedHealthcare fails to respond to your appeal in accordance with applicable regulations regarding timing, you may be entitled to request an external review of UnitedHealthcare's determination. The process is available at no charge to you.

If one of the above conditions is met, you may request an external review of adverse benefit determinations based upon any of the following:

- Clinical reasons.
- The exclusions for Experimental or Investigational Service(s) or Unproven Service(s).
- Rescission of coverage (coverage that was cancelled or discontinued retroactively).
- As otherwise required by applicable law.
