Administrative Review Permit-Guide to Development Application Submittal

The submittal documents for all Land Use/Development Applications are listed below. Detailed explanations of the submittal documents are also provided.

3. Written Explanation/ Description of Work:

- Name of the Service provider and explanation of why the project is necessary
- A clear and concise, yet thorough, description of the proposal. Please include, if applicable, timeframe, purpose of project, and improvements that will be made to the site
 - Explanation of the efforts taken to locate telecommunications facilities on existing buildings, structures or towers and an explanation as to why collocation is not feasible. Description of the structure's ability to support collocations, and affirmation that, if approved, the applicant and surface owner will make the facility available to other service providers
 - Explanation of how the proposed structure will be camouflaged to be architecturally compatible with the surrounding building and structures
 - For projects within the Airport Overlay Zones: affirmation that the proposed facility will comply with the current Federal Aviation Administration requirements

4. Scaled Site Plan:

- Detailed drawings of existing and proposed improvements including:
 - Location and dimension of all improvements
 - Tower height (Applicant can apply for a waiver to allow for additional height than would otherwise be allowed in the zone district). Section 4-09-02-07 outlines the waiver process. The waiver should be provided as part of the Administrative Review application.)
 - Tower setbacks, drives, parking and access roads
 - Topography of site
 - Location of existing improvements and landscaping

5. Proof of Ownership:

- A deed may be found in the Office of the Clerk and Recorder
- A title commitment is prepared by a professional title company

6. Authorization from the Telecommunication provider

- A signed letter stating permission to apply for Administrative Review Permit

7. Landscape Plan/ Fencing Plan

- Not required with Small Cell Facilities
- Landscaping should effectively screen the base of the towers and any equipment associated with the tower
- A landscape plan should include plant types, installation size, fence elevations and details
- A landscape maintenance plan is required
- If this application is a renewal of a previously approved tower, please provide the landscaping plan that was approved and the current state of the landscaping on site
- If the applicant cannot provide landscaping or the tower is being placed in a location where landscaping is not feasible, the applicant can apply for a waiver. Section 4-09-02-07 outlines the waiver process. The waiver should be provided as part of the Administrative Review application

8. Legal Description

- Geographical description used to locate and identify a property
- Visit <http://gisapp.adcogov.org/quicksearch/> to find the legal description for your property

9. Certificate of Taxes Paid

- All taxes on the subject property must be paid in full. Please contact the Adams County Treasurer's Office
- Or <http://adcogov.org/index.aspx?NID=812>

10. Certificate of Notice to Mineral Estate Owners/ Certificate of Surface Development:

- The State of Colorado requires notification to mineral rights owners of applications for surface development (i.e. zoning, plats, etc.)
- Mineral or Surface right owners may be found in the title commitment for the subject property
- You may also search the Office of the Clerk and Recorder for any recorded deeds, easements, or other documents

11. Radio Frequency Coverage Map

- Please provide a map showing the radio coverage before and after the placement of the tower

12. Photo Simulations

- Photo simulations must show the conditions of the site from the right-of-way before and after the tower is placed. For existing towers, provide photos of the cell tower from the right-of-way

The following documents are only required for new freestanding cell towers and small cell applications.

13. Vicinity Map

- Provide a map clearly showing the location of the existing cell towers within a 1-mile buffer of the proposed site

14. ALTA Survey

- Survey should show the location of the existing improvements, utilities, easements, and boundary lines

15. Title Commitment with Exceptions

- A title commitment is prepared by a professional title company

16. Affidavit for removal

- Provide an affidavit stating that the structure will be removed within 6-months of abandonment or the end of its useful life

17. Bond for Removal of Cell Tower

- Provide a bond to Adams County for the removal of the cell tower

Additional Approval may be required in conjunction with an Administrative Review Permit, see below.
