APPLICATION FOR EXEMPTION OF PROPERTY OWNED AND USED FOR RELIGIOUS PURPOSES

A separate application must be filed for each separate parcel of real property, as shown on county assessor's records, or each separate tax area in which personal property is located. If you are applying for exemption of personal property only (furniture, equipment, etc.) and the county assessor's records show the property on that schedule has an actual value of \$5,500 or less, you may not need to file this application. Contact the county assessor's office to determine whether your personal property qualifies for exemption pursuant to C.R.S. 39-3-119.5.

Application for exemption of property owned and used for schools or strictly charitable purposes cannot be made on this form, but must be made on the school/strictly charitable application form prescribed by the Division of Property Taxation. Call our office to request a copy of that form, or go to the Division of Property Taxation website at <http://www.dola.colorado.gov/dpt/exemptions/index.htm> to find that form. Rules and statutes pertaining to exemptions are also available from our office or our website, and they may help you complete your application.

The original application and any attachments must be mailed or delivered along with the application fee to the county assessor of the county wherein the property is located. The application fee is \$175. Make checks payable to Colorado Department of Local Affairs. If the application is filed between June 1 and December 31, you must notify the County Treasurer that the application is pending in order to keep the property from being sold at tax sale for non-payment of the prior year's taxes. Keep a copy of the application for your records.
