- FIRE DEPARTMENT APPROVAL REQUIRED.** Contact your Fire District for plan review and Fire District Impact Fee. The signed Fire District Impact Fee form is required to be submitted to Adams County prior to the approval or release of a building permit. It is the permit applicants responsibility to contact the Fire District for plan review and Fire District Impact Fee. Approval must be obtained and uploaded to the E-Permit Center prior to the release of the building permit. A separate Adams County building permit is required for all Fire Alarm Systems.

- Access and Culvert Permits  
**Contact One-Stop Customer 720.523.6800**

- Erosion and Sediment Control Plan (See Adams County Pamphlet “Small Construction Site Sediment and Erosion Control Guidelines” to prepare the plan, or contact **Adams County Stormwater Management 720.523.6400.**

**FEES REQUIRED AT TIME OF SUBMITTAL**

- Plan Review fee based on 65% of listed valuation at time of submittal by applicant.**  
*Note: During review of the plans, the valuation will be verified according to the Building Safety Journal Data (Aug. 2014) price per square foot and may be adjusted resulting in adjustment of the plan review fee and additional charge for the difference or a credit towards total permit fees.*
- Development Review fees upon each submittal: Commercial **\$130.00.**
- \*Traffic Impact Fees based on use and square footage of building.  
\*The TIF will be calculated during the review of the plans. For questions regarding calculating this fee or an estimate prior to submitting, please contact **720.523.6800.** The TIF will be required to be paid prior to issuance of the building permit.

**ADDITIONAL INFORMATION MAY BE REQUIRED.**

**ALL CONTRACTORS and SUB-CONTRACTORS MUST BE REGISTERED WITH ADAMS COUNTY.**  
**INCOMPLETE SUBMITTALS WILL NOT BE ACCEPTED.**  
**FOUNDATION ONLY PERMITS WILL NOT BE ISSUED.**
