

RIVERDALE ROAD OVER TODD CREEK BRIDGE REHABILITATION

NOTICE OF ROAD WORK AND TEMPORARY ROAD CLOSURE

Riverdale Road closed at Todd Creek from January 29 through early June 2018

Adams County and Jalisco International Inc. will repair the Riverdale Road bridge over Todd Creek, which is located approximately ½-mile south of Colorado Highway 7 in unincorporated Adams County. Bridge work requires the full closure of Riverdale Road at Todd Creek starting the morning of Monday, Jan. 29. Through traffic will be prohibited for several months. Access to adjacent properties will be maintained.

During the week of Jan. 22, crews will prepare the work zone for construction. Expect intermittent lane closures, flagger control and minor delays. Anticipated work hours are from 7 a.m. to 4:30 p.m. Monday through Friday with weekend work possible. The schedule is weather-dependent and subject to change. Any changes to the full closure date will be displayed on message boards placed near the work zone and at <http://www.adcogov.org/riverdale-road-over-todd-creek-bridge-rehabilitation>.

The following signed detour route will be provided.

From the north:

- West on CO 7 (160th Avenue)
- South (left) on Quebec Street
- East (right) on 136th Avenue
- North (left) on Riverdale Road

From the south:

- West on 136th Avenue
- North (right) on Quebec Street
- East (right) on CO 7 (160th Avenue)
- South (right) on Riverdale Road
