

RIVERDALE ROAD OVER TODD CREEK BRIDGE REHABILITATION

Project Report: Update 5/16/2018

Overview

Adams County and Jalisco International Inc. repaired the Riverdale Road bridge over Todd Creek, which is located approximately ½-mile south of Colorado Highway 7 in unincorporated Adams County. Routine bridge inspections revealed structural deficiencies and scour erosion. This project replaced the bridge deck and repaired support elements including the abutments. Adams County awarded the project to Jalisco International Inc. in December 2017 for \$787,000.

Progress Update

The project is now substantially complete. Riverdale Road is now open to the public.

Lane Closures / Detours

Riverdale Road is now open.
